Little Damage By Winded Hurricane

Tropical Storm 'All Blown Out' By Time It Reached Pitt County; Little Damage Here; Other Parts Of State Feel Effects Of Gales

The remains of the tropical hurricane that had practically spent the fury of its force when it passed over southwestern North Carolina yesterday, did very little damage in this section, reports coming in today indicated.

Intermittent rain squalls prevailed over this part of the state during yesterday afternoon and early last night. Heavy rain and wind last night lasted some time.

Swaying tree limbs in the storm did minor damage to telephone and power lines in the Greenville area. A tree limb broke a power line at 110 East 11th street last night.

Numerous minor collisions of motor vehicles during the storm in Greenville were reported by police, but no special damage was done.

State Highway Patrolman Lt. Tom Brown, who came here last night from New Bern, said the wind was strong in the New Bern area. No casualties were reported and the damage to property was minimal.

County Farm Agent Sam C. Winchester said he had no report of any particular damage the storm did in rural areas of Pitt county.

The storm did not affect communication and transportation to any extent in this area. Slight interruption to telephone service due to swaying tree limbs were reported.

Falling tree limbs temporarily interrupted service power lines into some homes and on street lights in the city. All service was restored by 2 a. m., a Utilities Commission official stated.

The Falkland electric power lines were temporarily interrupted by the storm. Greenville reported the same kind of trouble.

Charlotte, Aug. 29—(AP)—The big hurricane was heading out to sea today after sweeping across North Carolina yesterday.

The great storm, which ripped through Florida Friday and caused millions of dollars in damage, brought heavy rains and strong winds in spots of almost tornado strength—on its path through North Carolina.

At places it smashed houses and other buildings, uprooted trees and ripped down power and telephone lines.

At least three persons were injured when winds of gale force collapsed a large frame house in Franklin county.

Clifton Medlin, 23, his wife, his sister, Anna Belle Medlin, 12, were injured.

A Negro woman, Mrs. Carl Daniels, and her four children were hospitalized at Oxford when their house in Franklin county was blown down.

In Scotland county, winds of tornado force tore down the brick front wall of the Springfield cotton mill, and in Wake county the side was ripped off a house by a storm near Apex.

In other sections buildings were unroofed and several towns were without electric power for a while.

The rains in the Carolinas caused smaller streams to overflow into frequently-inundated lowlands. The effect on larger streams could not be determined at once.

Florida Cleans Up 'Gold Coast' In Storm's Wake

\$40 Million Damage Estimate; Citrus Losses Heavy; Red Cross Studies Toll

West Palm Beach, Fla., Aug. 29—(AP) Southeast Florida began cleaning up its "Gold Coast" today in the wake of a great hurricane that left an estimated \$40,000,000 damage.

The Red Cross opened disaster relief headquarters here and sent workers into other counties to survey the damage left by the thrashing wind and heavy rain.

Robert C. Evans, general manager of the Florida Citrus commission estimated the citrus loss at 13,000,000 to 17,000,000 boxes worth about \$25,000,000 to \$30,000,000.

Evans figured grapefruit losses at between 10 and 12 million boxes, and orange losses at about three to five million boxes. Tangerine damage was slight.

Hardest hit was the lower Indian River section, in St. Lucie county. Dan McCarty, prominent Fort Pierce grower, put grapefruit losses there at 90 per cent and orange damage at 65 to 70 per cent.

The storm was the worst we ever experienced in this section," McCarty said. "Loss to the citrus crop is the greatest in the history of the lower Indian river area."

The Red Cross counted 383 buildings destroyed and 14,698 damaged in Palm Beach county alone. It said 13,282 homes were damaged, of which 1,483 sustained major damage.

Two water filter plants, 300 cots, mattresses and blankets were sent to the Lake Okechobee area around Belle Glade, Pahokee and Canal Point.

The heaviest loss appeared to be in the West Palm Beach-Fort Pierce area and around the big lake from Belle Glade to Canal Point.

The Miami Herald placed the damage at \$40,000,000. The Miami Daily News said it would reach \$50,000,000.

Robeson Heads Group Fighting Communist Trial

New York, Aug. 29—(AP)—A committee—with Singer Paul Robeson and an Indiana Judge as its leaders—has been organized to fight against the Communist conspiracy trial.

The group, called the "National non-partisan committee to defend the rights of the 12 Communist leaders," announced its formation last night.

It said it opposes the "attempt to try in a court of law a political philosophy, judgment of which can properly be passed only by the electorate."

Noiseless Bag For Popcorn

New York, Aug. 29—(AP)—Moviegoers are going to love this one. It's a new noiseless, suster-proof popcorn bag.

Reduction of the bag was announced yesterday by the Grand Bag and Paper Co.

And it doesn't stop with just being quiet.

The soft, cloth-like paper bag is also porous, so it can't be brown up and popped or filled with water for balcony bombing raids.

Switch In Employment

More Women Holding Jobs As Mail Employment Falls Off; Census Bureau Figures; Statistical Background; Why More Women Being Employed Than Ever Before

By CLARKE BEACH

Washington—Employment for women is increasing while male employment is dropping.

The number of employed U. S. women increased from 16,802,000 in May 1948 to 17,173,000 in May this year. But in the same period the number of men at work dropped from 42,068,000 to 41,521,000.

These are Census Bureau figures as analyzed and reported by the Women's Bureau of the Labor Department.

Unemployment is hitting both sexes alike. The number of women and men seeking work rose almost 100 percent for each sex. This is all a continuation of a long trend since the turn of the century, and earlier, the number of women working and seeking work has been on the increase. In the present period of unemployment, the trend has been accentuated.

Takes the figures on the total labor force—the total of men and women both working and seeking work. The nation's labor force increased from 60,427,000 in May 1948 to 61,998,000 in May 1949.

Among men they increase in that period was only 14 percent. Among women the increase was 5.5 percent. Women constituted only 18 percent of the total labor force in 1900. They were 29 percent of the labor force last May. Twenty per cent of women of 14 and older were gain-

fully employed in 1900. Last May 31 percent of them had jobs.

The trend for men was the reverse. Only 71 percent of the adult male population was gainfully employed in May 1949. Yet 87 percent of adult males were employed in 1900. The drop has been sharp; even since 1940, when 79 percent of adult males were working.

The explanation is that: 1. Men are staying in school longer. Also, the new pension programs make it easier for them to retire. They used to retire later or not at all.

2. Women are finding work opportunities they never had before. Labor saving devices are making it possible for them to get out of the kitchen. And they need money to buy the labor saving devices.

Women have been encouraged to work. Also, because the social attitude toward working women has changed. Furthermore, the average woman has fewer children now than formerly. The big increase of working women has come chiefly among those who were married.

Women once had too much to do at home even to consider getting a job. But the development of mass production, through the introduction of new machinery and distribution methods, has provided at

Plans 100-Day Fast Atop Pole

Percy Coplon, all 357 pounds of him, stands beside the tiny house in which he plans to fast 100 days. The house is atop a 30-foot steel pole. Coplon says his fast will begin September 1, in Tarrant City, Ala., a suburb of Birmingham. The 53-year-old one-time auto racer who measures exactly five-by-five, says his excessive weight makes him sleep too much so he's going to do something about it. Coplon says his fast will take off extra poundage and "prove fasting and drinking pure water will cure anything." (AP Wirephoto)

Blank Check?

Washington, Aug. 29—(AP)—Senator Mundt (R-SD) said today he wants to question Maj. Gen. Harry H. Vaughan closely about whether he has "a blank check of authority" at the White House.

"Sometimes," said Mundt, "it would seem that he does. But I have a pretty good idea that President Truman knew nothing about a lot of Vaughan's activities we have been hearing about at the five percent investigation."

The climax of the inquiry will come tomorrow when Vaughan, who is Mr. Truman's army aide, is scheduled to take the witness stand.

British Cabinet In Urgent Meet

London, Aug. 29—(AP)—Britain's Labor cabinet met in urgent session today to iron out the last wrinkles in its master plan for dealing with the country's dollar crisis.

Prime Minister Clement Attlee and his advisors had before them a 15-page review of the nation's economic ailments and possible cures hammered out by treasury, trade and foreign affairs experts.

When finally reviewed by the cabinet it is intended to serve as a worksheet for the British delegation to the Anglo-Canadian-American dollar conference starting in Washington Sept. 7.

Partly because of known differences between Sir Stafford Cripps at the treasury and Ernest Bevin at the foreign office on the right approach to the problem, the closed-door cabinet talks were expected to last all day.

The two men will sail for New York aboard the Cunard liner Mauretania Wednesday.

Meanwhile the Financial Times estimated today that the gold and dollar working capital of Britain and the rest of the sterling nations has dwindled by around \$400,000,000 since the end of June.

That would leave about \$1,200,000,000. In the spring of 1948, the treasury said \$2,000,000,000 was the rock bottom safe minimum. The reserves at the end of 1946 totaled \$2,855,000,000. They have gone down steadily since.

Girl And Uncle Drown As Rescue Attempt Is Fatal

Burgaw, N. C., Aug. 29—(AP)—A frantic girl and her husky uncle drowned in Shelter creek near here yesterday.

The new motorboat they were trying out struck a log and capsized. The girl, 14-year-old Barbara Ann Blanton of Rocky Mount, couldn't swim. Her uncle, Rufus Jackson (Jack) Blanton, 43-year old farmer could swim. But she grasped him and they went under.

Frank Turner of Rocky Mount, Blanton's brother-in-law, a passenger in the boat, grabbed an overhanging limb and held on until rescued. He could not swim.

Searchers grappled for the bodies today.

The girl was a daughter of Mr. and Mrs. E. C. Blanton of Rocky Mount.

U.S. Cooperation Pledged To Britain On Dollar Crisis

Philadelphia, Aug. 29—(AP)—President Truman pledged full American cooperation to crisis-ridden Britain today as part of a great effort by the world's free nations to achieve lasting prosperity and peace.

In a sober summary of the international economic situation, Mr. Truman declared that a world trade "seriously out of balance" has posed problems "which affect all of us and in the solution of which we all have a common interest."

He promised this country's "friendliness and helpfulness" in keeping Britain on its feet in a world suffering from "the terrible after effects of the war" and from Russia's hostility to European recovery.

And he held out an offer of "mutual concession and co-operation" to the British cabinet officials who arrive in Washington next week for negotiations on their country's financial crisis.

"We are not looking for trick solutions to deep-seated problems," he added.

The President sharply disavowed criticism in this country of Britain's Socialist government.

"We recognize," he declared, "that each nation has its own political problems and that it uses different political labels and different slogans from those we use at home."

"In the same way, nations have different business practices and different governmental devices for achieving the same economic ends."

As for this country's international economic policy, Mr. Truman commented that there is considerable "misunderstanding and misinformation," some of it due to the complexity of the problems involved, but, he added acutely:

"Some of this is deliberately stirred up by certain newspapers and politicians for political reasons."

The President spoke before the National convention of the American Legion, which arranged to present him a medal for "outstanding service to the nation."

The keynote of his address was that "world prosperity is necessary to world peace."

Because of that, he said, and because "world prosperity is necessary to our own prosperity in the United States," American leaders resolved before the end of World War II that "the international chaos which had led to war should not occur again."

Prices Go Up On Greenville Mart

Low Grade Lugs Rise And Smoking Grades Increase

Tobacco prices on the Greenville market took another upward trend today as low grade lugs sold for \$4 to \$8 per hundred pounds over last week's prices for the same grades, and smoking grades showed increases from \$10 to \$15 per hundred.

On Friday's sales the Greenville market sold 1,602,530 pounds of tobacco which brought the total poundage for the first six days sales to 8,646,948 pounds.

The prices on the local market last week showed increases over the opening day's sales, and bidding for the tobacco in the medium and top grades continued strong. Throughout the week, however, and also on today's sales, there continued to be a considerable amount of low grade primings and tips offered on the warehouse floors.

Report Minister Fully Recovered

Indianapolis, Aug. 27—Rev. Henry P. Speight, Jr., pastor of the First Christian Church in Staunton, Ind., and a graduate student in the theological division of Butler University, has fully recovered from injuries when he was beaten and robbed by an unknown Negro in the business section of downtown Indianapolis on the night of August 11.

Rev. Speight, native of Greenville, plans to visit his parents at Route 5, beginning September 1.

Dulles Sees Grave Danger In U. S. Relying On Might

Watertown, N. Y., Aug. 29—(AP)—Senator John Foster Dulles says the United States is relying greatly on military might and that its present course "skirts, dangerously, the road to war."

"Our leaders take that risk because they feel that there is no adequate alternative," the New York Republican declared yesterday in a sermon at the First Presbyterian church, where his father, the late Rev. Allen Macy Dulles, once was pastor.

Dulles, who served on the U. S. delegation to the United Nations, declared: "Today our nation is relying greatly on material and military might. That is dangerous. A nation that possesses a great military establishment is likely to be influenced by the counsel of persons who believe in the inevitability of war or who believe that good ends can be gained by violent means."

"Policy makers work with the tools that, it seems, can be made available. Economic and military power can be developed under the spur of laws and appropriations, but moral power does not derive from any act of congress. It depends on the relations of a people to their God."

"It is the churches to which we must look to develop the resources for the great moral offensive that is required to make human rights secure and to win a just and lasting peace."

Court Action Is Filed on 'Rump' Tobacco Sales

Association Files Action Against 14 Rocky Mount Warehouse In Court Test

Raleigh, Aug. 29—(AP)—Court action to force five Eastern North Carolina markets to halt "rump" sales was filed in Wake Superior Court today.

The action was filed by the Bright Belt Warehouse Association against 14 Rocky Mount warehouses, all members of the association.

Col. W. T. Joyner of Raleigh, general counsel for the association, filed the action.

He said he would go before Superior Court Judge J. Paul Friselle at Snow Hill Wednesday afternoon and ask that the defendants be enjoined from selling tobacco during the remainder of the 1949 season without an adequate set of buyers being present and an order restraining such sales pending final hearing of the matter.

As for four other markets which have been holding so-called rump sales — sales without an adequate number of buyers as defined by the association, Joyner said:

"We think all the markets will follow the results of this restraining order, and at present no other suits are being planned."

The other markets are Kinston, Wilson, Goldsboro and Smithfield.

At a hearing here Saturday, the Board of Governors of the Bright Belt Association heard representatives of the five markets.

Then the board adopted a resolution calling on its officers to make the necessary moves to "enforce its rules and regulations against all members not now observing them."

It instructed its president and general counsel to institute a show cause action "seeking to enjoin those members operating sales for which an adequate set of buyers x x x has not been secured."

At the session, representatives of the Rocky Mount and Kinston markets announced their intention to continue with their extra sales, and representatives of the Wilson, Smithfield and Goldsboro markets indicated their willingness to discontinue the sales if the other markets do likewise.

The Wilson market, however, reported this morning it was continuing its extra sale and would be forced to continue it until the other markets discontinue them.

An effort by the five markets to obtain extra sales touched off the "rump" sale battle. The Wilson market desired to boost its sales from five to six, Kinston and Rocky Mount from four to five, Smithfield from two to three, and Goldsboro from one to two.

Youth Returned To Tennessee For Trial There

Pitt county authorities yesterday turned over to Carran, Tenn. Police Chief Phillips a 17-year-old youth wanted in Tennessee for breaking and entering and larceny.

Sheriff Ruel W. Tyson identified the youth as J. W. Gibson, 17, of Carran, Tenn., who was taken into custody in Pitt county Friday night. Local law enforcement officials had been notified by the Tennessee officials to be on the lookout for Gibson in this area.

Soon after his arrest, the Tennessee officials were notified, and Gibson was held in Pitt county jail until yesterday when Chief Phillips arrived to take the youth back to Tennessee for trial.

Stalin Satellite Grip Shaken By Tito Fight

Responsible Reports Reaching Washington Say Moscow's Political Control No Longer As Stable As It Was Six Months Ago

Washington, Aug. 29—(AP)—Stalin's grip on the Communist satellite states has been reported sharply shaken by his row with Marshal Tito of Yugoslavia.

That information comes in highly responsible reports reaching Washington from Eastern Europe.

These reports are expected to play an important part in the meetings being scheduled for next month among Secretary of State Acheson, British Foreign Minister Bevin and French Foreign Minister Schuman.

Western diplomats foresee in these meetings a three-power review of the grand strategy of the cold war with Russia, followed by a determined effort to devise new moves against the Kremlin.

The review predicted that the East-West struggle will be divided into three major sections. These, together with the most responsible estimates of the situation in each area, are:

1. The Far East—The Western powers have taken a complete defeat in China, Acheson, Bevin and Schuman will be mostly concerned with trying to save the rest of Asia from communism. Acheson may be expected to preach the American policy: more free play to non-Communist nationalist movements in the countries around China.

2. Eastern Europe—Russian political control is no longer as stable as it was at the time of the Tito break. The satellite countries have encountered consistent economic difficulties and large groups of their people are reported discontented. Moreover some political factions which have played along with the Communists have been attracted by the Tito success. If ever the Red Army was pulled back into Russia they might be inclined to jump the traces on Moscow completely.

New Red Thrust Menaces Canton

Canton, Aug. 29—(AP)—The Communists mounted a new threat to uneasy Canton today. They drove to the outskirts of Jucheng, 170 miles north of this Nationalist refugee capital.

The Red thrust, admitted by the ministry of national defense, put Gen. Liew Po-cheng's troops six miles from the Kwangtung province border and 45 from Kungong, key point on the Canton-Hankow railway.

The 'Five Percenters'

What Has Happened, And Why; Investigation Reaches New Climax Tomorrow When Gen. Vaughan Testifies; No Known Laws Broken; Influence Peddlers Hunted

By JAMES MARLOW

Washington, Aug. 29—(AP)—This is a brief explanation of what has happened and why in the five-percent case.

That case reaches a peak tomorrow when Major General Harry H. Vaughan, military aide to President Truman, testifies at a public Senate committee hearing.

The committee has been investigating five-percenters for two months. It's been holding public hearings three weeks. Vaughan's name has run through the case from the beginning.

Witnesses at the hearings have said he used his White House position to get special favors for firms and individuals in dealing with the government.

No one has accused him of breaking any law or receiving any fee for anything he did. He has been pictured so far as a "Mr. Fixit."

Now has anyone suggested that President Truman knew anything about Vaughan's activities in behalf of friends or firms.

This is how the story came about. Big corporations have large Washington staffs to keep them informed of dealings with the government, particularly about getting government contracts.

Small businessmen can't afford such staffs. Because of the great complexity of government they have difficulty in knowing whom to see

Delayed

The change in the system of handling our city circulation recently announced to become effective next Monday, September 5, will not be put into effect until Monday, September 19.

The delay is necessitated by the great volume of detail required to make the changeover from our present system.

Under the new plan all city subscribers will deal directly with the carrier boys instead of with the office as heretofore.

All paid-in-advance subscriptions will be continued on that basis until they expire but no more such subscriptions will be accepted by the office.

FUNERAL WEDNESDAY

New York, Aug. 29—(AP)—Funeral services for Charles D. Hilles, 82, longtime assistant secretary of the treasury and Republican National chairman who died Saturday, will be held here Wednesday.

Polio Case Rate Drops Off As Toll Tops 19,500

By the Associated Press

The nation's 19,500 cases numbered more than 19,500 today but the rate of new infections appeared to be slackening.

Approximately 3,900 new cases from August 18 to 27 reflected more than a 20 per cent reduction from the previous nine-day period when 5,000 were reported. However, this was still well above the 3,000 cases reported during the first nine-day period of August.

The latest Associated Press survey showed actual declines in new cases reported during the past week in six states—Alabama, Arkansas, Illinois, Kansas, Maine and North Dakota. Illinois, with 1,502 cases and 111 deaths this year, is the third state in numerical incidence. Arkansas, too, has been hard hit, with 707 cases and 35 deaths.

Further encouragement came from health officials of two other states—including the one with heaviest 1949 case totals—that there were indications of leveling off in new reports of the disease.

These states were Indiana, Massachusetts, Michigan, Nevada, New York, Oklahoma, Tennessee, Texas and Washington.

New York, with 2,429 cases and 141 deaths, topped the list of states. But in New York, where 1,433 of the state's patients and 114 of the dead were reported, the health department declared the epidemic is now in a fluctuating period before an imminent decline. The state health department said New York's peak is expected in September.

In Texas, which has 1,852 cases, there have been minor drops in new reports during the last two weeks.

or what to do when they want contracts.

So many of them have to depend on men who know their way around Washington and, for a fee, such as five-percent, guide them in getting contracts.

But—there's a difference between five-percenters who act as guides and clearers-of-red-tape and those who charge such a fee on the grounds that they can help a businessman get a contract through "influence."

The Senate investigation as aimed—according to Senator Hoey, North Carolina Democrat and chairman of the investigating committee—at the five-percent "influence peddlers."

On June 21 the New York Herald-Tribune published a story given it by Paul Grindle, former Herald-Tribune reporter but now head of a furniture manufacturing company in Framingham, Mass.

He said he met James V. Hunt, former army officer and former government employe, who calls himself a "management counselor." Grindle says Hunt told him he has "only one thing to sell and that is influence." (Hunt denies he said it.)

Grindle said Hunt told him his influence came from his close friendship with Vaughan, his "dearest

# Social and Personal

All items for this page received after 10 A. M. will be published the following day. Dial 2366-6 A. M. to Noon; 1 to 4:30 P. M.

Mrs. Patay Smith is spending some time with relatives and friends in Raleigh.

Mrs. Ernest Willard spent the week-end with relatives in Richmond, Va.

Mrs. Cora Redditt has just returned from a trip to South America. She will be in Greenville about a week.

Mrs. P. O. Lautares has returned from Baltimore where Mr. Lautares is a patient in Johns Hopkins hospital. His address is Johns Hopkins hospital, Marburg 226.

Little Johnny Dell, son of Mr. and Mrs. J. W. Dell, has returned home after a weeks treatment in Pitt General hospital.

Mrs. Arthur Adams and two children of Newton, Iowa, arrived by plane Saturday night to visit Mrs. Adams' parents, Mr. and Mrs. Jack Moye.

**Christian Science Service**  
"Christ Jesus" was the lesson-lesson in all Christian Science churches and societies on Sunday, August 28th. Golden Text: John 3:16 "God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." Among the citations comprising the lesson-sermon are the following from the Bible: "And he said unto them, Go ye into all the world, and preach the gospel to every creature." (Mark 16:15). And from the Christian Science text-book by Mary Baker Eddy: "Christ, as the spiritual idea of God, comes now as of old, preaching the gospel to the poor, healing the sick, and casting out evils." Page 347.

## 40 Years Ago Today

THE DAILY REFLECTOR August 29, 1909

Mrs. Mildred Carr left Friday for La Grange.

W. R. Wilson left this morning for the University at Chapel Hill.

Mrs. Lissinia Moore left this morning for Burgaw to resume her duties as principal of the high school there.

Alexander Harper is visiting relatives in La Grange.

The baseball season of the Eastern Carolina League closed Saturday. Wilson won the pennant.

By cutting off unjust pensions, the government could save enough money to meet other expenses. The pension list is the rankest fraud of modern ages.

Revival services will begin tonight, August 29th, at 7:45 o'clock at Salem Methodist church with the Rev. W. E. Howard, pastor of the Trenton Methodist church, bringing the evening messages.

Mr. B. W. Oaks will be in charge of the singing, with the choir consisting of the M. Y. F. members who will render a special selection each evening.

The children will have a part with Mrs. C. G. Nickens directing them in song.

Mrs. Peggy Porter will be the pianist.

Everyone is invited to come out to sing and hear these old time gospel hymns and fine preaching. You need God, God needs you.

**Reunion of Whitford Families**  
The annual reunion of the Whitford families will be held at Askins, N. C., Sunday, September 4. All members of the Whitford families and their guests are cordially invited to attend. A picnic dinner will be had on the grounds at approximately 1 p. m.

**'Acquaintance Day' Set Wednesday For Pre-School Children**  
'Acquaintance Day' for nursery and kindergarten children registered to attend St. Raphael's School will be held Wednesday, August 31. Kindergarten children will meet between 9:00 and 10:00 a. m., and children attending the nursery class will meet at 10:30 a. m. The first whole day for pre-school children is set for September 6, while the regular school term for grade school children begins September 1.

## SOCIAL CALENDAR

**MONDAY**  
6:30 p. m.—Rotary Club.  
7:00 p. m.—Lions Club.  
8:00 p. m.—Woman's Auxiliary of the F. W. B. Church meets at the church.  
**THURSDAY**  
6:00 p. m.—Buffet supper at Country Club for club members and their families.  
**FRIDAY**  
6:30 p. m.—Kiwanis Club.  
7:15 p. m.—Exchange Club meets at the Proctor hotel.

## Beauty Pageant Entries Now 18

**YOUNG FRIENDS**—Barbara Hector (left), 8, and Lena Fowler, 6, meet Dolly Dumbo, 14 months old and 40 inches high, one of the youngest and smallest elephants to arrive in Hollywood.

## Sam O. Worthington President Exchange Club In Greenville

The Exchange club of Greenville held its permanent organizational meeting on Friday evening at the Proctor Hotel. Greenville's newest civic club is now operating under authority of the National Exchange Club.

Sam O. Worthington, Greenville attorney and member of the state legislature, was elected president for the current year; John G. Clark, vice president, and J. Wilton Tetterton, secretary treasurer. Members of the Board of Control to serve as directors are J. Howard Moye, F. G.

Little, Roy L. Tripp, J. W. Riggins, J. A. Piver and Harry Dalrymple.

Plans were discussed for the charter presentation which will take place at a banquet, the time and place of which will be announced in the near future. The charter will be presented by an officer of the National Exchange Club. Officers of the state organization and Exchanges from other clubs will attend. Members of local civic clubs and other prominent citizens will be invited. Entertainment will be provided.

A committee composed of J. Howard Moye, chairman; J. Wilton Tetterton, F. G. Little, J. W. Riggins and Jimmie B. Rouse, was appointed to have charge of arrangements for the charter party.

# Belvoir-Falkland Schools Plan Open Term Tuesday, August 30

## Examination For Rural Carrier Post In Grifton

The United States Civil Service Commission has announced an examination to fill the position of rural carrier at Grifton.

It was reported today that the examination will be held at Ayden and that receipt of applications will close on September 23, 1949.

The date of examination will be stated on admission cards after the closing date for receipt of applications.

The salary of rural carrier on a standard daily route of 30 miles is \$2,470, with \$20.00 a year for each mile or major fraction of a mile. Salaries on shorter routes are proportionately less.

Civil Service authorities explained that all rural carriers must furnish and maintain sufficient vehicle equipment for the prompt handling of mails. They are allowed an equipment maintenance of seven cents a mile on the basis of daily mileage scheduled.

Applicants for rural carrier must have lived in the community they hope to serve for at least one year prior to the closing date of the receipt of applications.

Application blanks can be obtained from the vacancy office or from the Civil Service Commission, Washington.

## PITTMANS ADOPT BABY

Mr. and Mrs. James Ray Pittman, 100 Library street, Greenville, have adopted another baby. The new arrival at the Pittman home is James Ray Pittman, Jr., four months old. Mr. and Mrs. Pittman adopted a 3 1-2 year old girl in April, 1946. She is Rays Marie Pittman and now is 6 1-2 years old.

The Belvoir-Falkland schools will open on Tuesday, August 30, at 9 o'clock and will remain in session until noon. Full session will begin on Wednesday. There will be no formal opening exercises because of the crowded conditions prevailing at the school at this time.

The first day will be given over to enrolling, registering, and grouping pupils. Elementary pupils will report to rooms assigned and there homeroom teachers will furnish them with information concerning the school program.

High school pupils will report to the auditorium where they will receive instructions relative to their schedule, fees, room assignments and homeroom teachers.

The lunchroom will not open this year until the new one is completed along with the gymnasium and two classrooms. Mrs. Dixie Dupree will again manage and supervise the lunchroom and will be assisted by Cornelia Hall.

Hodges, who is beginning his third year as principal, states that the largest enrollment in the history of the school is anticipated.

Many improvements have been made at the school during the summer and all faculty member have been employed. There will be 24 regular teachers, 2 part time plant teachers, 1 connected with the Veterans Farm Training class, 4 lunchrooms, 2 janitors, and 12 bus drivers.

Mr. Hodges states that he is expecting a very successful year under the expanded program and capable faculty in the schools.

Principal Podie H. Hodges has announced that 24 faculty members will comprise the staff for the Belvoir-Falkland high school and Falkland elementary school for the 1949-50 term which opens Tuesday, August 30.

The staff listed by Hodges for the Belvoir-Falkland school is as follows:

Podie H. Hodges, Principal.

Grimesland; Philip W. Taylor, Agriculture, Enfield; Mrs. Ariens Prassell, Home Economics, Richlands; Mrs. Helen Gay, Commerce, Greenville; Mrs. Elizabeth Steig, English, Greenville; Dan E. Todd, Science, Greenville; Mrs. Leslie Chadwick, Mathematics and History, Beaufort.

The number of contestants in the Greenville Farmers Day beauty pageant swelled to 18 today as entry blanks were received from two more Pitt county girls and one Sampson county girl.

The new entries in the beauty pageant are Gladys Hines of Winterville, sponsored by the Winterville Ruritan club, Sarah Wooten of Falkland, sponsored by the Falkland Ruritan club, and Esther Parker of the Herring community of Sampson county, sponsored by the Woman's club.

According to the rules of the pageant, the deadline for entries is midnight Wednesday, August 31. Milton Adams, chairman of the contestant committee, said today all entries for the pageant must be received by the committee by that time to be eligible for the \$600 of cash prizes which are to be given to the first, second and third place contestants.

Col. Owen Marshburn, chairman of the Farmers Day parade, has requested the contestants in the beauty pageant to come to Greenville Saturday morning in time to participate in the parade which will begin at 10:30.

The contestants in the pageant will be honored at a banquet late Saturday afternoon preceding the pageant. After the pageant in Wright gymnasium at 7:15, there will be a free dance featuring Dean Hudson and his orchestra.

## Last Celebrity Night Of Season

Manteo, N. C., Aug. 29—(AP)—Tomorrow will mark the final celebrity night of the season for "The Lost Colony," and the audience will be in for a treat.

On deck with the rest of the symphonic drama cast will be U. S. Senator Frank Graham and novelist Betty Smith. Graham will get a small speaking part in his role as Capt. Philip Armadas, with Miss Smith will play the role of Agona, the Indian squaw lover of old Tom Harris.

Revival  
Revival services for the Winterville Free Will Baptist church will begin Sunday night, September 4, at 7:45. Services will be conducted by Rev. Ralph Osborne, the pastor. The public is invited to attend.

There are some 3,000 islands in the Bahama group.

### Women In The Church

The Houses of the Convocation of Canterbury "took no action" after hearing two hotly debated sides to the proposal to license certain well-qualified lay-women to take part in "statutory services" of the church, such as reading the morning and evening prayers. While the Archbishop of Canterbury, pressed for enough clergy to fill the needs of his churches, favored such licensing, the committee appointed to study the matter opposed the idea as "a departure from the age-old order of Christian life" and as "a hindrance to the reunion of Christendom."

A new science hall has recently been added to the buildings of Ewha Woman's University in Seoul, Korea, from funds furnished by the Woman's Society of Christian Service of the Methodist church which maintains the institutions. This makes the eighth stone structure on the Ewha campus. Miss Marie Church and other American missionaries on the faculty find the young women of Korea as eager as their brothers to keep abreast of scientific developments.

The recent death in Orange, N. J., of 86-year-old Miss Jane DuBois Baldwin has brought to light again a dramatic story of Congregational Church missions in a tiny pin-prick island of Kusale in the South Seas among the Micronesian people, and 8,000 miles from America. The story began in 1891 when Miss Baldwin

**CRIPPS RETURNS**—Sir Stafford Cripps, British Chancellor of the Exchequer, greets friends on arrival at Northolt Airport, London, from medical treatment in Switzerland.

and her sister, Elizabeth, 36 and 39 years of age respectively, decided to give up their school teaching and enter missionary service. Their church sent them to Kusale, and there they lived with but one visit to New Jersey in all the years since; for 29 years they were the only white folk on the island, and the nearest doctor was 400 miles away by sea. But despite typhoons, short rations, epidemics, native warfare, illness, and two world wars, these two women stayed at their post. They secured a hand press and on it printed a Bible in Kusalian which it took them 14 years to translate; then they printed Pilgrims Progress, an arithmetic, and other books in the same language. Meanwhile they held classes and taught the people to read; gathered congregations and conducted services. Miss Jane paid for her work with the loss of her eyesight, but they carried on. Miss Elizabeth died in 1939, and the following year the church brought Miss Jane home because of the war situation.

# Ramsay Denies Changing Stand, Says Governor Did Change His

Raleigh, Aug. 29 —(AP)— House Speaker Kerr Craig Ramsay has told Governor Scott that the General Assembly was never intended to rubber stamp the executive.

Ramsay wrote that in a letter in which he replied to criticisms of him that the governor has voiced last week.

Scott told his press conference Friday that Ramsay told me several times he would support my program. Then he came down here

and left the chair and came down on the floor to fight it."

Ramsay's letter was received by the governor Saturday who made it public.

In it, the Salisbury legislator wrote that he was for the governor's program until the governor changed it.

Ramsay reminded the governor of his inaugural and budget messages in which Scott warned the state must balance its budget.

## Navigation Training Now Offered By U.S. Air Force In Program

Training of Navigation is now included in the expansion of the Aviation Cadet Training program, announced Capt. Ralph W. Ferriss of the local Army and Air Force Recruiting Station today. The first class which will number 100 Cadets, is scheduled to begin the first of November and will be conducted at Ellington Air Force Base, Texas.

This course in Navigation will require one year to complete, and will include radar navigation and the latest navigational techniques developed on global and long-range flights.

Graduates of this training, stated Capt. Ferriss, will receive Reserve commissions as second lieutenants in the USAP, assigned to three years of active duty, and will be rated as aerial observer navigators. Outstanding graduates will receive commissions in the Regular Air Force immediately. Others will have the opportunity of competing for regular commissions while on active duty.

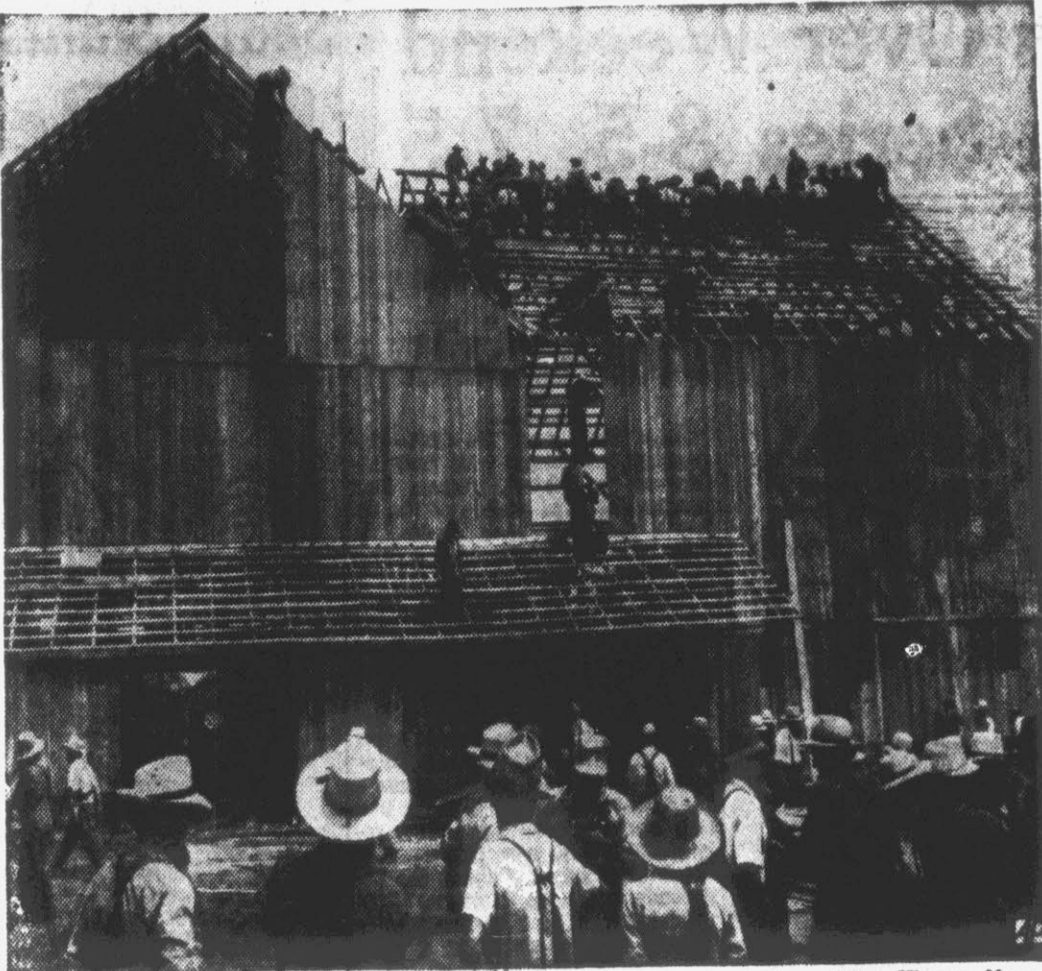

Applicants for navigator training must be between the ages of 20 and

## Silo-Trapped Heifer Is Free From 'Dungeon'

Cocoa, Wis., Aug. 28—(AP)— Snoopy, the 680 pound inquisitive heifer was enjoying the sunlight today.

She was freed Saturday night from the sunken silo dungeon where she had been a prisoner nearly 80 hours.

A little ingenuity on the part of her owner, Everett Lampman, lifted Snoopy to her freedom.

Lampman cut three acres of corn for silage to dump into the silo where Snoopy was a prisoner 12 feet below the door. As the silage was blown in, Snoopy gradually was elevated toward the door. Then a push and

she was out.

A slendering diet of water kept Snoopy's figure sleek—and thin enough to get back through the narrow opening.

# Greenies' Jinx Holds Over Weekend As Tarboro Sweeps Series 8-5, 7-5

### Locals Out-Hit Athletics But Account For Fewer Runs; Play New Bern Here Tonight

By BERT MOYE  
Manager Joe Antolick's Tarboro Athletics swept the two-game series from the Greenville Greenies over the weekend, taking Saturday night's contest by an 8 to 5 score and then on Sunday afternoon, in a game which was played under most adverse weather conditions, edged a 7 to 5 win.

**Saturday's Game**  
The Tarboro Athletics defeated the Greenies at Guy Smith Stadium here Saturday night by the score of 8 to 5. The loss by the Greenies dropped them down to fifth place as the Goldsboro Bugs won.

Billy Carr provided the spark that gave the A's the win. In the eighth inning Tarboro came up with a three-run rally that clinched the game. Gus Godbold led off by reaching first after he was hit by a pitched ball. Ed Drake singled intentionally to get at Carr. But the Tarboro shortstop crossed up the strategy by pounding out a double that scored Drake and Wisneski.

The loss was Greenville's 12th of the year to the Athletics who have dropped only seven to the Greenies. The victory, won by Lefty Vince Oehl, was his 18th of the year as against only four losses. It was his fifth win over the Greenies.

The Greenies had jumped to a 5 to 1 lead as the game went into the seventh inning by scoring one run in the fourth on Mauney's single, stolen base and error by Catcher Drake and Denier's timely single, and then coming back in the sixth to score four more runs on three walks, a double, an error, and a stolen base.

The A's narrowed the lead 2-5 by scoring two in the seventh on two costly errors and a single John Wisneski's homer over the left field wall to bring home Orf ahead of him accounted for two more runs by the A's in the ninth frame.

Bobby Harrison, on the mound for the Greenies, pitched a superb game for the seven frames which he worked, but lacked support on the part of his teammates spelled defeat for him. It was Harrison's sixth loss of the season as against seven wins. Vernon (Precher) Mustian pitched the final two frames for the Greenies.

**Score by innings:**  
Tarboro 000 100 232-8 9 4  
Greenville 000 104 000-5 11 4  
Gohl and Drake, Harrison, Mustian (8) and Varney.

**Sunday's Game**  
In a game which was played during a continuous downpour of rain the Tarboro Athletics defeated the Greenies 7 to 5 over in Tarboro yesterday afternoon. The loss for the Greenies was their ninth in a row.

The A's went out in front in the first inning with a three-run splurge when Billy Carr homered over the left field wall after Drake had walked and John Wisneski had reached

first on an error. The Greenies came back in their half of the fourth to knot the count at three-all when Harrison reached first on a fielder's choice. Denier singled and Pitcher Art Mascarella connected for his first homer of the season over the left field wall to clear the bases.

However, the A's came back in their half of the fourth to score three more runs and put them in front for keeps. Bauder singled, Bubeck walked, and after the aid of a passed ball Dal Orf doubled to bring home both runners with Godbold following with a single to bring home Orf.

The other two runs of the Greenies came in the sixth frame when Mascarella reached first on an error. Paul Strausser singled and Sindo Valle followed with a single to bring home Mascarella with Strausser advancing to third. Then on a wild pitch Strausser raced home.

The final tally of the Athletics came in the seventh frame when Wisneski singled and came home on a long double by Ray Bauder. Art Mascarella went the route for the Greenies and suffered his fourth defeat of the season against the A's. It was his fifteenth loss of the season as against eight wins, two of which have been against the Tarboro club this season.

Billy Carr with a homer and a double and Ray Bauder with two singles led the 9-hit attack for the A's. The Greenies will meet the New Bern Bears here tonight at 7:45 o'clock at Guy Smith Stadium in the final home game of the regular season against the Bears. Make your plans to be on hand as the Kiwanis Booster Club is really giving away some nice gifts during each home contest.

**SIGEL IS CHAMP**  
Chicago, Aug. 29—(AP)—Helen Sigel Philadelphia restaurant proprietress, is the 1949 women's western amateur golf champion. She beat her close friend, Peg Kirk of Findlay, Ohio, in a 38-hole thriller at Westmoreland Saturday.

**Tonight's Games**  
New Bern at GREENVILLE  
R. Rapids at Wilson  
Goldsboro at Rocky Mount  
Tarboro at Kingston  
o-o-o

The Greenville Greenies have not won a ball game since August 18 and have dropped nine in a row to date. In their last nine games they have lost four of the contests by a one-run margin, three by two runs and two by three runs. They have garnered a total of 71 hits while their opponents have collected a total of 83, and have scored 39 runs, while their opponents have scored 55. During the losing streak they have committed a total of 24 errors and have left a total of 87 men stranded on the bases. Twenty-five of these men were left on bases during the two game series with Tarboro during the weekend o-o-o

The Greenies have a total of nine more games left on their schedule before the season ends. Their standing at the present time is as follows:—They are now in fifth place eleven and one-half games from the league-leading Rocky Mount Leads; one and one-half games out of 4th place Goldsboro; six games behind the second place Kingston Eagles; five games behind third place New Bern Bears and are only one game from the sixth-place Tarboro Athletics. Their nine games are as follows with the win and loss record for the season so far with these clubs shown—New Bern two games (7-11); Rocky Mount two games (12-6); Wilson two games (11-7); and Kingston three games (7-10). o-o-o

The players on the Greenville baseball club will be honored on Friday night of this week when the Greenies play the Wilson Tobs here in the final game of the season at Guy Smith stadium. Any merchant or any individual who would like to contribute either a gift or cash to the boys are asked to contact Bill Phillips or Jack Hedgepeth, who are in charge of the affair. o-o-o

Rufus Crumpler, manager and owner of the Old Towne Inn, was host to the members of the Greenville baseball team Saturday night following the game here with Tarboro, when he treated the boys to a steak with all the trimmings. It was one of the most outstanding forms of appreciation shown to the ball players this season and a great time was had by all. o-o-o

Remember fans, that Greenville is still in the thickest of the fight to get in the play-offs and still has more than an even chance to do so. They need your help now more than ever to help them pull out of this losing streak which they are suffering at the most inopportune time. So make it a point to be out for the four remaining games here at home and give Manager Pappy Williams and his boys the support which they need now more than ever and help them get into the series. Be a booster instead of a knocker. The Greenies play at home this final week on tonight, Wednesday and next Sunday afternoon. Make your plans to attend all these home games.

Bill Veeck, president of the Cleveland Indians, pulled his team out of a mid-season slump—and without threatening to fire anybody. All he did, he explains, was send team members some match packets used for advertising by an insurance company. Printed on each packet were the words: "Is Your Future Secure?"

## Lanier, Martin Drop Big Suits

New York, Aug. 29—(AP)—Expressing satisfaction with their return to the majors, pitchers Max Lanier and Fred Martin of the St. Louis Cardinals have decided to drop their \$2,500,000 suit against organized baseball.

Thus baseball today was faced with only one legal headache—the important \$300,000 damage suit by Danny Gardella, former outfielder for the New York Giants.

Gardella's action, which is expected to come up in federal court here in November, will test baseball's controversial reserve clause—the clause which binds a player to a club until he is sold, traded or released. Danny, now playing with the Drummondville Cubs in the Independent Quebec (Canada) Provincial League, said he has "no intention of withdrawing my damage suit against organized baseball."

Almost at the same time Lanier and Martin reversed their field in a letter to Cardinal President Fred Saigh, the Giants announced the signing of Sal Maglie, a pitcher who went to the Mexican League in 1946 along with Gardella, Lanier, Martin and others, to a 1950 contract. Maglie, who was contemplating a suit of his own against baseball advised Giants' Secretary Eddie Brannick that he had instructed his attorney not to start any litigation.

## They Are Still 'Our Boys' Says Restaurateur

They may have dropped a few games recently but they are still "our boys," J. R. Crumpler, manager of the Old Towne Inn, explained today.

He was referring to the Greenville Greenies baseball club which was treated to a steak dinner with all the extras at the Inn Saturday night.

"Just something to sort of build up the players' morale," Crumpler asserted.

The dinner was highlighted by short talks by Manager Pappy Williams of the Greenies and Chester Walsh of the Daily Reflector.

## Woodcock-Savold Delay Expected

Doncaster, England, Aug. 29—(AP)—It looked today as if the Bruce Woodcock-Lee Savold fight for the British version of the world heavyweight championship may not be held before December.

That is the opinion of Woodcock's family physician, Dr. John Achforth, who said yesterday the British title holder has been suffering from headaches and dizzy spells resulting from a brain concussion and must see a nerve specialist.

## Thief 'Returned' His Stolen Auto

Potsdam, N. Y., Aug. 29—(AP)—Gerald Smith got back his stolen automobile the easy way.

One hour after the car disappeared from a parking lot, a man drove it to a garage where Smith was working and asked him to put some air in the tires.

The thief beat it when Smith started firing questions.

Proof that the Cardinals made an error in selling Murry Dickson to Pittsburgh came in Dickson's first start against his former mates. He beat them 7-1.

## Sport Slants

## Ryder Cup Team Tops Challengers

Belmont, Mass., Aug. 29—(AP)—The enforced casting of convalescing Ben Hogan into a non-playing captain's role does not appear to have weakened the U. S. Ryder cup golf team in the slightest degree.

Hogan's forces, who sail for England Saturday, swept through a full-scale tuneup by overwhelming a star-studded challenging team headed by Byron Nelson during the past two days at the Belmont Country Club, an exacting 6,448-yards layout. The Ryder cupsters won three out of four four-ball matches and six of the eight singles engagements.

The only internationalists to bow yesterday were Clayton Heafner of Charlotte, N. C., beaten 4-up by Claude Harmon of Mamaroneck, N. Y., and Johnny Palmer of Baden, N. C., who lost by a single hole to Herman Barron of White Plains, N. Y.

The other six Ryder Cup players won their singles matches to boost their side's Nassau scoring point total to 25 against 11 for Nelson's capable performers.

## Winner's Share For Dick Metz

Cedar Rapids, Ia., Aug. 29—(AP)—Dick Metz of Virginia Beach, Va., today headed home with the winner's share of the \$5,000 Cedar Rapids oped golf tourney.

Metz yesterday fired 69-70 to wind up the 54-hole meet in 211, two under par. No other players bettered

## By Pap

## Stranahan Ready

Rochester, N.Y., Aug. 29—(AP)—Frank Stranahan, golf's golden boy, thinks this may be his year in the National Amateur championship, which opens here today.

I don't recall when my game has been sharper for a tournament," the millionaire's son from Toledo, O., commented. The 27-year-old shotmaker begins his bid for a title that has managed persistently to escape him while he's hailed in most of the major trophies available to an amateur.

## Baseball Scores

**NATIONAL LEAGUE**

## Yanks And Cards Stretch Leads; Henrich Is Injured

By JOE REICHLER  
Associated Press Sports Writer  
The New York Yankees won a doubleheader yesterday and picked up a game and a half on the Boston Red Sox, but faced the future today with nothing but gloom.

Unless a miracle happens, the American League leaders will be forced to play the next three weeks without the services of Tommy Henrich, their star outfielder. He may go no more playing this year.

"Old Reliable," as Tommy is known, injured his back severely in the first game while attempting to catch a line drive off the bat of Chicago's Charlie Kress. X-rays taken at Mercy Hospital revealed fractures of the second and third ribs in the lower part of the back. A six-run ninth inning rally gave the Yankees the first game over the White Sox, 8-7. The Yankees also won the nightcap, 7-5, with darkness halting proceedings after eight innings. The double triumph enabled the Yankees to increase their first place margin to three games over the Red Sox who dropped an 11-inning game to the Indians in Cleveland, 2-1. The second game of that scheduled doubleheader was called off in the fourth inning because of darkness. The Indians were in front, 2-1.

In the National, the front-running St. Louis Cardinals increased their lead over Brooklyn to two and a half games by sweeping a doubleheader from the Boston Braves, 9-

## THERE OUGHTA BE A LAW!

By FAGALY and SHORTEN

## The HOUSE on LILAC STREET

by FRED BAYARD

Chapter 20  
Lieutenant Fletcher looked up as Sergeant Mulvaney entered the office. Fletcher said, "Mr. Metcalfe is here now." "O. K. Ask him to come in," Fletcher said. Earlier in the day he had received a telephone call from this man, who was the assistant editor of one of the New York dailies, asking for an appointment, and he was curious to know what his visitor had to tell him. "Have a chair," he invited Metcalfe as the latter was shown in. "I'm frankly wondering what this is all about." The other regarded him thoughtfully. Then he spoke. "I want to tell you about something that happened last night that set a train of thought going back to the years when I was a cub reporter in St. Louis. You'll have to decide for yourself if it's got any significance." Fletcher nodded. "All right—let's have it."

"Last night I was sitting in my office, going over various odds and ends. Sometime during the afternoon someone had left me a stack of photos of this night club singer that was shot. I started going through the pics to find one we could use. There was one there that must have been taken some time ago, not nearly so glamorized as the others. Now it's hard to explain, but though none of the others affected me in any way, this photo made something click. It reminded me of something or someone a long time back—something that had been big news, until even bigger things broke and pushed it off the front pages." He paused significantly. "For about half an hour it bothered me. I kept picking up the picture and looking at it, and putting it down again. Then, all at once, I knew what it was. I went down to the morgue and got out the old files from around 1930 to 1933 and I finally found what I wanted. Then, just to check my facts, I put in a long distance call to St. Louis." He took a bunch of clippings out of his pocket and threw them on the desk. "Take a look at those," he said to Fletcher. "But first, let me give you all the facts briefly. "Back in 1932, I'd got my first

about that old photo jogged my memory." After the other finished speaking, Fletcher sat thoughtfully. "It's certainly food for thought," he finally said. "You've been a lot of help. It would have taken us a long time to back-track this girl to St. Louis. What happened to Mona's husband? Did he ever try to find Cherry?" "That's something I can't tell you. They kept him at the jail until he cooled down a bit. Then he paid a fine and they released him. He didn't stay around town long after that."

"Do you think Cherry told the truth about what happened—that she really didn't know the doctor?" "Personally, I figure she did. Otherwise I can't understand why, if she really was such a great friend of Mona's, she'd protect him." Fletcher shook his head doubtfully. "It may be quite a job to try to get any sort of a line on the husband after all this time. He could be anywhere in the forty-eight states. However, it certainly gives us a new lead to work with. At least it shows us a possible motive for Cherry's death. Sometimes people wait a long time for revenge. We'll certainly look into it." Metcalfe got up to leave. "I'll leave you those clippings. I've given you the gist of the story, but they'll give you the details."

"Thanks. I'll see they get back to you. I appreciate your giving us this information. Should anything develop, we'll let you know." When Metcalfe had gone, Fletcher picked up the phone. "I want to put through a call to the chief of police in St. Louis as soon as possible," he said. (To be continued)

Monday through Friday

Carolina Telephone and Telegraph Co.

### Five Americans Toiling Up Mt. Ararat's Slopes

Dogubayazit, Turkey, Aug. 29—(AP)—Five Americans are toiling up three-mile-high Mount Ararat today to see if Noah's Ark lies on the summit.

They left this isolated village yesterday morning and no word is expected from the group making the perilous ascent until tomorrow at the earliest.

The Russians have protested strenuously that the search for the Ark is merely a blind for a spying expedition—Mt. Ararat is on the Turko-Russian border.

The searchers, whom the Russians called spies, include Dr. Aaron J. Smith, 61, retired missionary from Greensboro, N. C.; Walter Wood, 38, development engineer of Sea Cliff, Long Island, N. Y.; Wendell Ogilby, 24, of Knoxville, Tenn., physicist at the Oak Ridge atomic energy plant; E. J. Newton, 46, interior decorator of Colfax, N. C.; and Associated Press correspondent Edwin Greenwood.

Five Turks are accompanying them.

Interest in this area has intensified since last year, when peasants reported they had seen an object resembling a boat. The object had been uncovered by an unusually heavy thaw.

As long ago as 1916, a Russian aviator said he saw on Ararat a ship that seemed identical to the Biblical description of Noah's Ark.

### Cannon Appears And Posts Bond

Asheville, N. C., Aug. 29—(AP)—Vaughn Cannon, alleged Buncombe County gambler kingpin, appeared in the sheriff's office yesterday and posted \$5,000 bond for trial on assault charges.

He said he had been out of town on business. He is to be tried at a term of Superior Court opening September 19 on charges of assaulting City Solicitor William C. Hampton, Paul Houdeille and Ralph Overton.

Hampton was the prosecutor when Cannon was fined \$5,000 for unlawful possession of slot machines and given a suspended sentence.

Cannon had been sought since Aug. 27. District Solicitor W. K. McLean obtained a Superior Court order for his arrest on the grounds that he had violated a good behavior clause of the suspended sentence of the alleged attack.

Hampton said in a warrant that he was attacked by Cannon in the apartment of Houdeille, who operates a nightclub. Overton, a friend of Houdeille, runs a swimming pool near the club.

### Not So Hot

Stormy weather prevailed in the Greenville area Sunday. The highest temperature was 85 degrees. Lowest last night was 71. It was 75 at 8 a. m. today under a clear sky. Total rainfall yesterday was about one-half an inch.

The highest temperature in Greenville a year ago Sunday was 102 degrees. The temperature one year ago today was 105 degrees. Mrs. Carl E. Maiden, weather bureau observer here, stated.

### Negro Woman Victim Of Brutal Criminal Attack

By CHESTER WALSH  
Greenville police are holding two Negro men on charges of criminally assaulting Nina Lee Jones, 29-year-old Negro woman, at a vacant house near Cotanche and Fleming Streets late last night. She identified both men as her assailants.

Chief Page identified the men as Henry Robert Jones, 38, of 422-B Tyson Street and Artis Leona Briley, 37, of 1024 Fleming Street.

Police quoted the woman as saying that she went alone to the Bay Club, Negro cafe, on Albemarle Avenue last night; that there she met Margaret Dixon, Negro, who had a blind date for her; that when they left the cafe later, Margaret Dixon alighted from the car on the way home; that Jones and Briley forcibly carried her to a partly furnished vacant house; that they treated her roughly and that both men put her on a dilapidated bed and that they criminally attacked her.

Police said the house is far back from the street and that blankets covered the windows. They further quoted Nina Lee Jones as saying that the men beat her up and knocked out one of her teeth and that she bled profusely. She said Briley left the house and that Jones walked along with her as far as Dickinson Avenue and the Coast Line Railroad, pleading with her to go to see Dr. H. B. Kelly, Negro physician, and have her wounds treated and say nothing about the affair. He offered to pay the bill, she added.

Police Lt. George Crawford, C. H. Christopher, police photographer, and Patrolman Roy Harris, who investigated the alleged criminal assault, said they found blood spots on the bed and on the floor. They said they found a photograph of Jones and another woman at the scene of attack.

The officers said further investigation indicated that relatives of Jones and Briley own the vacant house where the alleged crime was committed.

### Boxscore

Raleigh, N. C., Aug. 29—(AP)—The Motor Vehicle Department's report of highway accidents in the period from 10 a. m. Saturday until 10 a. m. today:

Killed—3  
Injured—69  
Killed to date—516  
Killed to date in 1948—434  
Injured to date—5938  
Injured to date in 1948—4,666

### Hog Market

Raleigh, Aug. 29—(AP)—Hog prices steady at \$19.50 at Tarboro, Goldsboro, Wilson, Greenville, Washington, Kinston, and Rocky Mount; slightly stronger at \$20.50 at Richmond.

### Poultry and Eggs

Raleigh, Aug. 29—(AP)—(NCDA)—Fryers and broilers steady at 20; eggs steady, A large 59.

### N. Y. Stock Market

New York, Aug. 29—(AP)—A slow decline in the stock market went unchecked today until losses of fractions to more than a point were general throughout the list. The volume of trading contracted to a rate of about 650,000 shares, one of the slowest days in a month.

### Cases Tried In Police Court Last Friday

In Police Court last Friday, Sambo Joyner and Lena Pittman, both colored, were convicted of assaults with deadly weapons with intent to kill. Each was given 60 days in jail or pay \$20.

James Carney, colored, paid \$25 for possessing non-tax paid whiskey. Jesse F. Hobbs, driving drunk, \$100 and costs and his driver's license was ordered suspended for a year.

Drunk: Milton Ward colored (and profane language), \$25; James Keyes, colored, \$20; Raymond Zennett, \$15.

Jackson Atkinson, colored, crashing a red light, \$10 on costs.

William Hyman, colored, assault on a female, 90 days, suspended on payment of \$15 costs and he was ordered to pay \$45 a month for support of his family. He was placed on probation for two years. He was not guilty of non-support.

Ella Mae Thomas, colored, convicted of shoplifting, paid \$150, costs deducted.

The case against John A. Conway Jr., charging failure to display a city license tag on his motor vehicle, was not prosed.

Reckless driving: Willie B. Parker, colored, \$15; Loran E. Norris, not guilty.

### ABC Officers Nab Two Negroes With Moonshine Liquor

Pitt County ABC Officers J. M. Ward, J. L. Taylor and Claude T. Manning arrested Willie Hardy, Negro, who lives on the Belvoir road, Saturday afternoon and charged him with possessing more than one gallon of ABC whiskey for the purpose of sale.

The same officers Sunday morning, with Constable Tom Perkins of Stokes assisting, arrested Johnnie Mobley, Negro of Carolina Township after they searched his house and found a quantity of illegal whiskey. The officers said Mobley broke a half-gallon jar of whiskey when they entered his home. Both defendants will be tried in county court September 6.

### Olde Towne Inn Host Ball Players At Steak Supper

The Greenville baseball players were guests of Manager Rufus Crumpler at the Olde Towne Inn Saturday night after the ball game. A beefsteak supper with all of the trimmings was served the players and several others.

Manager Crumpler welcomed the players, reminded them that this is the first season in years that the Greenville club has played in the first division, and praised Manager "Pappy" Williams.

One speaker reminded that the Greenville baseball club had had more press notices and photographs of the players in state papers than in many years. Chester Walsh was master of ceremonies.

Players invited to the feast were "Pappy" Williams, Willard Mauney, S. D. Valle, Joby Griffin, Charlie Graham, Ed Parry, Steve Denier, John Tepedino, Art Mascarella, Junior John, Hubert Smith, Jim Levey, Sid Varney, Paul Strauser, Vernon Mustian, Frank Lapovicy, Bob Harrison and Nick Palca. Other guests were Mrs. Nick Palca, Dick Stokes III, Park Manager Bill Phillips, Miss Billy Jean Foster, Mrs. Walsh and others.

### The 'Five . . .

(Continued from page one) friend," and that he, Hunt, was a welcome guest at the White House.

Grindle said he signed a contract with Hunt, agreeing to give Hunt a fee for helping him get government contracts. With the publication of that story, the Senate investigation began.

Hunt himself hasn't testified at any public hearing. His doctors have said he's too ill to do that for at least another month. But there's been a stream of other witnesses; businessmen, government officials, and army officials.

What they had to say revolved around Hunt or Vaughan. Here are just three items from testimony of witnesses about Vaughan:

1. That Vaughan asked housing expeditor Tighe Woods to hurry up a permit for building materials for the Tanforan racetrack in California when building materials were scarce and veterans needed homes. The track got the materials.
2. That Vaughan tried to pressure an agriculture department employ into letting a molasses company have more sugar than it was entitled to under a government ruling.
3. That Vaughan and a number of other people high in the government got deep-freezers for free through a perfume company which paid the bill for them.

### Little Damage . . .

(Continued from page one) economical prices the things they once had to provide themselves.

### Three Men Hurt In 3-Car Crash

Two Negroes and one white man were injured, two pick-up trucks demolished, and another damaged Saturday morning in a three-way collision on the Bethel highway about one mile from Greenville. State Highway Patrol officials here reported today.

George D. Tetterton, Bethel, Route 3, faces charges of careless and reckless driving as a result of the accident. Patrolman Paul Whitley investigating officer, said this morning.

According to Whitley, Tetterton was attempting to make a left turn and was struck by a second pickup operated by Amos M. Latham, Negro, of Williamston. It was reported that Tetterton's truck was turned completely around by the impact and was then hit head-on by a pickup operated by James Roebuck, Robersonville.

Two of the trucks, those operated by Tetterton and Roebuck, were demolished. Latham's vehicle suffered about \$100 damage.

Tetterton was treated at the Pitt General Hospital for a lacerated knee. Willie Spencer, Negro, of Williamston, sustained cuts about the face and back and William T. Williams, colored, also of Williamston, received severe cuts about the face and numerous bruises.

### Mrs. Maggie Adams Died Early Today

Mrs. Maggie McLawhorn Adams, 68, died in Pitt General Hospital this morning at 12:30 o'clock after several years of declining health and four weeks of critical illness. Funeral arrangements are incomplete.

Mrs. Adams was born in Pitt County and spent all her life here. She was a member of Pleasant Hill Free Will Baptist Church.

Surviving are two daughters, Mrs. Roy C. Wiggins of near Tarboro and Mrs. Herman E. Wiggins of near Black Jack; two sons, James W. Adams of Shelmerdine and Alonza L. Adams of the U. S. Merchant Marine, now stationed at Brooklyn, N. Y.; a sister, Mrs. Allen Mills of near Winterville; and four brothers, Richard (Dick) McLawhorn of near Ayden, Luther McLawhorn of Dudley's Crossroads, Fred McLawhorn of Warsaw, and Pete McLawhorn of near Shelmerdine.

### Pleads Guilty To Bigamy, But Tale Of Marital Mix-Up Baffles Court

A woman who thought she had been divorced twice and had one annulment pleaded guilty in Superior Court here today to charges of bigamy.

Presiding Judge R. Hunt Parker ordered the Woman's Probation officer to investigate to see whether or not Nora Mae Jones had been recently living with her second husband, Bernie Tripp, before passing any judgment.

Mrs. Jones, who declared that she definitely does not want either of the two men she married, told the court of a perplexing marriage-divorce rat race which jumped from three counties in North Carolina to Mullens, S. C.

Judge Parker ruled as "not worth the paper it is written" a divorce granted the woman in Nash County Recorder's court.

The two husbands in the case were William H. Jones of Wilson and Bernie Tripp, Franklin County. She married Jones first and then married Tripp. Later she learned that she was never divorced from Jones. She had her second marriage annulled and then thought she obtained a divorce from Jones. Later she and Tripp called it quits—all of which added up to one lot of confusion to both court officials and Mrs. Jones.

Three cases were continued and judgment absolute was ruled in two other cases where the defendants failed to show up for trial.

### Planning Square Dance In Street

Candy Page and his Carolina Serenaders will furnish the music for a big square dance to be held in downtown Greenville Saturday night as part of the celebration of Farmers' Day.

John Lautares of the square dance committee said today arrangements are being made with city officials to have a block roped off for the square dance to be held on Greenville's main street.

The dance will begin immediately following the beauty pageant which is to be held at Wright gymnasium beginning at 7:15.

Frank Brooks is Magistrate. Frank E. Brooks, representative here for the farm loan department of the Metropolitan Life Insurance Company, is now a magistrate. Superior Court Clerk D. T. House has appointed him a justice of the peace to fill the unexpired term of the late John Ivey Smith. "Judge" Brooks will occupy the office formerly used by Magistrate Smith, in the Blount building on West Third Street.
