

Aldermen Held Special Session Wednesday Night

Hear Matters Pertaining To Drainage Problem, Repairs In Fire District

At a special meeting last night the board of aldermen heard matters pertaining to a drainage problem on J. C. Youngblood's property at the corner of Colonial Avenue and Vance streets, and requests for permission to make major repairs to Blue Bird filling station, in the fire district, and decided to hold a special meeting at 11 o'clock next Tuesday morning on a request of Jesse Mills for reinstatement to his former position on the police force.

In the Youngblood matter, Mr. Youngblood stated that the flooding of his property was making it impossible to use a floor gas furnace and he asked permission to install an overhead flue in the built-in garage to which an oil heater could be connected. He stated that to build the flue from the ground up, as required by the fire ordinances would make it impossible to use the garage.

The board declined to grant the exception from the fire ordinance but turned the matter over to the street department and the city engineer for full investigation and report to the board.

In the matter of permitting major repairs to the Blue Bird filling station, owned by Mrs. A. M. Moseley a letter from State Fire Marshal Sherwood Brockwell stated that if the city made an exception to the fire codes by permitting major repairs or rebuilding of non-fireproof materials in the fire district of the city it would be setting a dangerous precedent and possibly jeopardize the present insurance rates in the fire district.

Crowfoot Moseley, who represented the owner of the property in presentation of the matter to the board was advised that further consideration and final action in the matter would be taken at the next regular meeting of the board.

At the conclusion of these two special meetings, for which the meeting was called, Mayor Stafford advised the board that no other business could be officially transacted but he invited the informal discussion of any other matters that may be acted upon at a later meeting.

Expect Russian To Press For Big Four Talks

Moscow, Sept. 15—(AP)—Foreign Minister Andrei V. Vishinsky, slated to head the Soviet delegation at the U. N. Assembly in New York next week, is expected to press for a new meeting of the big four council of Foreign Ministers.

With U. S. Secretary of State Dean Acheson, British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman all due to be on hand, informed circles here said Vishinsky will urge an U. N. session to discuss their next meeting.

Socialism Is Rescued

Political Anxiety Of John Bull's First Socialist Government Eased By Washington Conference; Political Stake; Confidence Restored; Ace-In-The-Hole

By DEWITT MacKENZIE

The easement devised for England's economic crisis by the American-Canadian-British conference in Washington also has lessened the political anxiety of John Bull's first Socialist government.

Prior to the conference the economic situation had become so grave that it looked as though the government might be forced to call a general election forthwith instead of waiting until next mid-summer when it normally would be due. The point, or course, was that if the government waited, and the crisis further deteriorated, it might lose the election on the grounds that it had failed to cope with the situation.

Now London reports that the conference decision may permit the government to hang on and avoid a snap election. This would give the party an opportunity to complete fulfilling its election pledges.

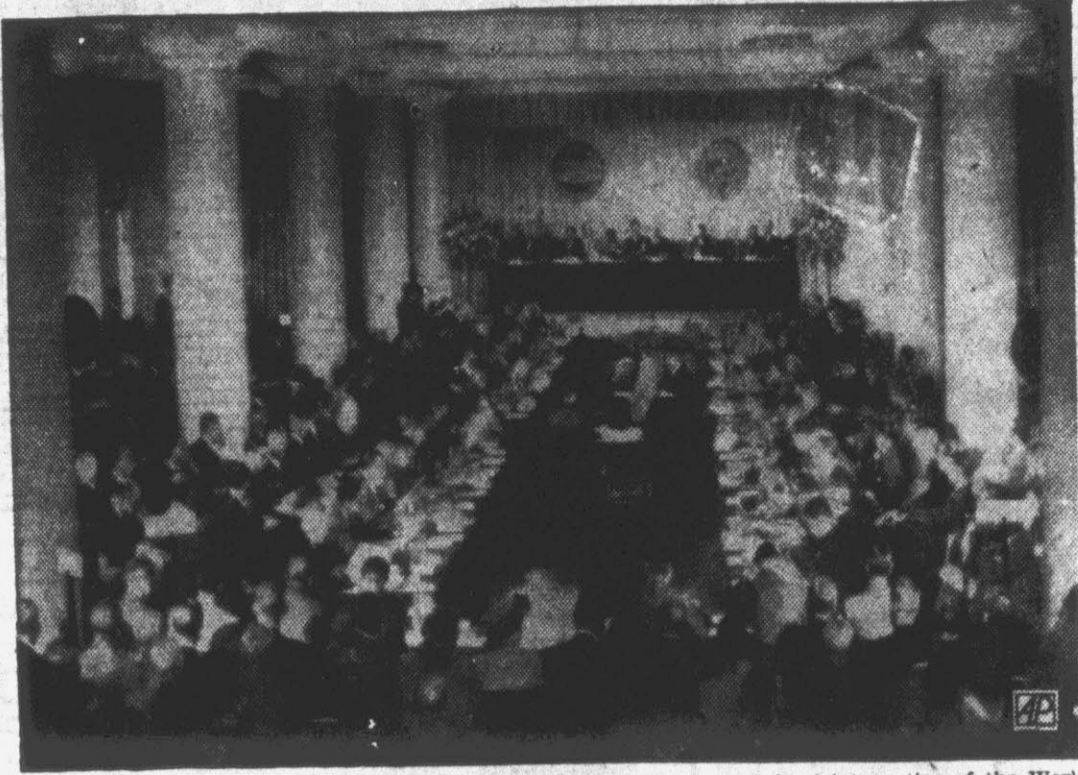

point to a large measure of Nationalization of industry, and to the inauguration of a huge welfare program—wholesale medical treatment, old age pensions and so on—running into the staggering sum of more than two and a half billion dollars per year.

This personal security program undoubtedly is the ace in the hole for the general election. The small income folk of Britain have become security minded. They prefer a moderate "absolute security" as provided by the government, to gambling by private initiative. Of course they have to help pay for this security in taxation, but in the lower brackets this isn't so terrible, although fairly stiff: it's the "private initiative" gambler who pays through the nose for security programs.

A glance at the figures of the last General election in 1945 give some indication of the large number of folk who are leaning toward the welfare government. Out of a total of more than 25,000,000 votes, nearly 12,000,000 voted the socialist ticket, the rest being distributed among several parties.

Whether England is to become a permanent Socialist state may depend on the next general election. If the Socialists are returned to power in 1945, as an offset they can

World Bank And Monetary Fund Open Meeting

Representatives of 48 nations take their seats Tuesday for the opening of the joint meeting of the World Bank and International Monetary Fund in Washington. Officers of the two organizations are seated on the stage (top center). Governors sit at the horseshoe-shaped table on the main floor. Staff personnel and visitors look on from side lines and rear. (AP Wirephoto.)

Conflicting Sports Schedules Strikes Sparks At High School

School Officials Smart Under Switch In Baseball Club's Schedule; Morton Regrets

Greenville High School officials, smarting under what they term a "shameful" ruckus by the baseball club were attempting negotiations today to have the Greenville-Rocky Mount baseball game scheduled for next Friday night changed to some other date.

The game, which was this week switched from Rocky Mount to Greenville because of a Rocky Mount high school football game conflicts with the Greenville high school-Edenton high school football opener.

Baseball officials said at noon today, however, that nothing could be done and that the game would be played here on Friday night as agreed.

Greenville Club President W. E. Morton expressed his regret that the conflict came about. He pointed out that Rocky Mount agreed to change the Thursday night game

but that nothing could be done to eliminate the conflict with the high school game.

He said the season has run too long already. We have to get too ahead and finish and so do we," Morton said.

Declaring that the baseball association held no consideration whatever for the high school students when they agreed to the change Principal O. E. Dowd said this morning that high school officials were not consulted when the change was being made.

We knew nothing of it until it came out in the papers and over the radio," Dowd said.

School officials disclosed that their game had been scheduled for Friday night for over a year when the Northeastern Conference schedule was being made.

Messick Sees Results In Athletics Program Drive

Members of the East Carolina Teachers College stadium committee met this morning at a breakfast in the Proctor Hotel dining room to discuss plans for completing the drive for \$10,000 for athletic scholarships for the college.

Dr. John D. Messick, president of the college, reviewed the progress of the ECTC athletic program since November 1947 when initial plans were made to raise money for a stadium at the school. In speaking to the members of the stadium committee, the college president pointed out that this fall East Carolina has the largest enrollment in its history, and he attributed a large portion of the increase in the student body to the improved athletic program of the college.

Messick expressed his personal appreciation and the appreciation of the students and faculty of ECTC for the support the people of Greenville, Radio Station WGTC and the Daily Reflector have given the college, and declared, "The future of the college depends upon the good will and the helpfulness of the people in Greenville."

Director of Athletics N. M. Jorgensen told the committee members of the new athletic program on which the college has begun work, and reviewed the list of events which will comprise the stadium dedication ceremonies tonight. As for the football team itself, Jorgensen commented, "The spirit is

Showdown Near In Coal Welfare Royalty Fight

Bluefield, W. Va., Sept. 15—(AP)—John L. Lewis and the Southern soft coal industry moved nearer today to a showdown battle over non-payment of the miners' welfare-royalty.

Lewis apparently lost a round in trying to get the Cleveland Trust Company to pressure James D. Francis, leading Southern operator into paying overdue installments to the welfare fund.

Francis, head of the Island Creek and Pond Creek Pocahontas Coal companies in West Virginia, has been classed by Lewis as the ringleader in a Southern revolt against the 20-cents-a-ton royalty which feeds his pension fund.

Lewis assumed that the Cleveland Trust Company, as trustee for the Liberty E. Holden estate, had control of the two companies.

In a telegram yesterday to Cleveland Trust Board Chairman I. F. Freiberger, Lewis asked the bank to use its influence to get Francis to pay up and avoid a "social convulsion" in the coal fields.

But Freiberger replied that Cleveland Trust controls neither company.

"The Cleveland Trust Company as trustee of the Holden trust holds a substantial but not a controlling stock interest in Island Creek Coal Company, and only a very nominal stock interest in Pond Creek Pocahontas Company," Freiberger said.

It was learned also that the powerful Pocahontas Fuel Company, headed by O. L. Alexander of New York, and the Tierney mining interests headed by the brothers Laurence T. Tierney, Jr., and Lewis C. Tierney of Bluefield, have held back their July payments.

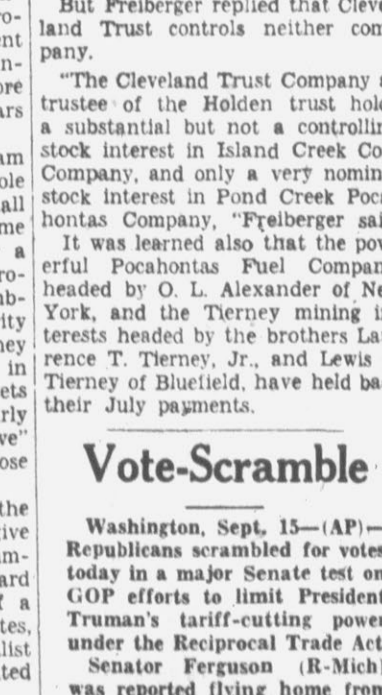

The Army high command reported the capture of Camiri, Bolivia's chief oil producing center, and said it expected to have definite word on the fall of Santa Cruz within a few hours.

Wholesale Food Index Advances

New York, Sept. 15—(AP)—The Dun and Bradstreet wholesale food price index this week advanced to \$5.85 from \$5.82 a week ago, and was 15.8 per cent below the year-ago level of \$6.95.

The index represents the total cost at wholesale of a pound each of 31 foods in general use.

German President Takes Oath

Professor Theodor Heuss (right) raises his hand at Bonn, Germany, and takes the oath of office as president of the new West German Republic. The oath is administered by Dr. Erich Koehler (left), president of the Bundestag (lower house) of the new republic. (AP Wirephoto via radio from Frankfurt.)

School's Ticket Sale Drive Lags

Officials Predict Better Progress In Days To Come

Less than 150 student and adult season tickets to Greenville High School athletic events have been sold in the current campaign to sell 800 season passes, officials reported today but predicted an increase in the sales during the rest of this week and early next week.

The tickets went on sale at the high school and in town this week. Principal O. E. Dowd and Student Government President Dwight Garrett of Greenville High School spoke to the student body during a mass meeting this morning in an effort to boost the sales.

Dowd announced that season tickets would be on sale at the Friday night football game and all during the following week.

He explained earlier this week that the gate receipts alone support the high school athletic program and that only through the sale of tickets can the athletes be supplied with the equipment needed for their protection and best performance.

Bolivian Rebel Center Is Taken

La Paz, Bolivia, Sept. 15—(AP)—Camiri, a rebel stronghold, fell to government troops today and the rebel radio shortly afterward announced the fall of Santa Cruz, last major city in the hands of the revolutionists.

The Army high command reported the capture of Camiri, Bolivia's chief oil producing center, and said it expected to have definite word on the fall of Santa Cruz within a few hours.

Wholesale Food Index Advances

New York, Sept. 15—(AP)—The Dun and Bradstreet wholesale food price index this week advanced to \$5.85 from \$5.82 a week ago, and was 15.8 per cent below the year-ago level of \$6.95.

The index represents the total cost at wholesale of a pound each of 31 foods in general use.

Nationwide Steel Strike Sept. 25 Remains Possible

U.S. Steel Corp. Refuses Accept Peace Formula Without Bargaining

Pittsburgh, Sept. 15—(AP)—A nationwide steel strike on Sept. 25 is a distinct possibility.

U. S. Steel Corporation, Bellwether of the industry, said it will not accept the Presidential fact finding board's steel peace formula without bargaining.

The next move is up to Philip Murray, president of the CIO United steelworkers.

Murray forced the issue. He told Benjamin F. Fairless president of U. S. Steel, that he wasn't satisfied with Fairless' initial answer that bargaining be resumed—without committing big steel to the board's findings.

It didn't take Fairless long to reply. Within a few hours he told Murray the labor chief can't dictate U. S. Steel's acceptance of the board's recommendations as a condition to bargaining.

But Fairless reiterated he is perfectly willing to resume negotiations. Murray didn't comment. His aides said they don't know when, or if, he will.

In giving U. S. steel's reaction to the Presidential board's report, Fairless made it plain he didn't like many of the recommendations.

He was particularly angry at the board's suggestion the industry bear the entire cost of a pension plan.

Fairless minced no words when he flatly declared big steel's unalterable opposition to any pension plan which is financed entirely by industry. He said that, "As a matter of sound principle any program of social insurance should be on a contributory basis."

Fear Violence In Tarboro Strike

Edgecombe Sheriff Asks Governor To Send In Patrolmen

Raleigh, N. C., Sept. 15—(AP)—Sheriff Tom Bardin of Edgecombe county today appealed to Governor Scott to send in state highway patrolmen to avert possible violence in a four-months old textile strike at Tarboro.

The Governor referred the plea to motor vehicles commissioner L. C. Rosser, who has sent Capt. D. T. Lambert of Greenville, commander of patrol troop A, to Tarboro to confer with the sheriff.

Rosser said he expected to receive Lambert's recommendations this afternoon and refer them to the Governor.

A strike has been underway at the Hart Cotton Mills since last May. Superior Court Judge Walter Bone yesterday issued an injunction against massed picketing by strikers.

In a telegram to Governor Scott, Sheriff Bardin said that this "order is being openly violated and totally defied by large crowds of people."

"Employees of the plant undertaking to come in are forcibly blocked," the telegram continued.

"I do not have an adequate number of officers to enforce the court order."

"Respectfully and earnestly request that you send state highway patrolmen or other sufficient law enforcing officers to insure that order of court will be carried out."

"I apprehend that mass breaches of the peace will occur unless this request is granted."

COOL SNAP ENDS

Chicago, Sept. 15—(AP)—A batch of warm air from the southwest headed into the Midwest today, ending a mid-September cool snap in many areas.

Pres. Truman Reveals His Choice For Supreme Court

Attorney General Files Suit To Break Up A&P

Action Brought In Federal District Court At New York City; McGrath Sees Abuse Of Mass Buying, Selling Power

Washington, Sept. 15—(AP)—Attorney General J. Howard McGrath today filed suit to break up the Great Atlantic and Pacific Tea company's nationwide food chain.

The civil action was brought in federal district court at New York City this morning.

It is a follow-up to a criminal conviction of the A. and P. Company under the anti-trust statutes at Danville, Ill., three years ago.

The conviction, was affirmed in the U. S. court of appeals at Chicago early this year and the company paid fines totaling \$175,000.

The action in New York requests a court order requiring A. and P. to separate its manufacturing and processing business from its buying and selling business and to separate its present seven retail store divisions into seven independently owned retail food chains.

The Justice department proposes to dissolve the Atlantic Commission

Company, A. and P.'s wholesale purchasing and sales agent in the produce markets.

Under the proposed break-up of the present national chain into seven independent companies, A. and P. itself would not be permitted to own more than one such division, probably covering about 800 stores, in contrast to the 6,000 retail outlets it now operates.

The department pointed out, however, that the final form the proposed dissolution would be a matter for the court to determine.

McGrath described the A. and P. system as "the largest enterprise in the food industry in the United States," with annual retail sales amounting to about \$1,900,000,000 or about 6.4 per cent of the national total of retail food store sales.

"The suit," McGrath said in a statement, "is designed to eliminate the abuse by A. and P. of its mass buying and mass selling power."

Will Appoint Judge Sherman Minton, Of U. S. Circuit Court At Chicago, To Fill Vacancy Left By Death Of Justice Wiley Rutledge

Washington, Sept. 15—(AP)—President Truman said today he would appoint Judge Sherman Minton of the U. S. Circuit Court at Chicago to the Supreme Court.

Mr. Truman announced his decision at a news conference today. He said Judge Walter C. Lindley of the U. S. court for the eastern district of Illinois would succeed Minton on the appellate court.

Casper Platte, now a circuit judge of Illinois, will succeed Lindley.

Minton, 58, will fill the Supreme Court vacancy created by the death of Justice Wiley Rutledge.

Minton served in the Senate from 1935 to 1941. Then he became administrative assistant to President Roosevelt and nine months later he was appointed to the appellate court. Minton and Mr. Truman were seat-mates while both were in the Senate and they became close friends.

Minton is a Democrat and Protestant but his wife is a Catholic.

There has been no Catholic on the Supreme Court since Justice Frank Murphy died in July. There had been speculation that the President might choose another Catholic until he named former Attorney General Tom Clark, a Protestant, to succeed Justice Murphy.

With the death of Justice Rutledge, political dopsters again speculated that Mr. Truman might give recognition to Catholics in filling that vacancy.

Minton was public counselor of the Indiana public service commission when he was elected to the Senate. He was defeated for reelection by Republican Raymond E. Willis.

He attended Indiana University, where he played football, and Yale University law school. In the first World War he served as a staff officer under Gen. John J. Pershing.

He was born in Georgetown, Ind., near New Albany. He has three children.

As a Senator, Minton was an embattled "new dealer" and a vigorous fighter for the Roosevelt administration's measures. He fought hard for President Roosevelt's plan to add new justices to the Supreme Court to the number of those over age 70 who did not retire.

As the age of the Justices then stood, the plan would have enlarged the court from nine to 15 members.

The court of that time had declared unconstitutional major legislation which the President ranked as essential to the country.

U. S. Will Oppose Gold Price Hike

Washington, Sept. 15—(AP)—Secretary of the Treasury Snyder has notified the International Monetary fund that the United States will not agree to a boost in the price of gold.

His declaration indicates that this country will, if necessary, use its veto power to kill any general increase which might be favored by the board of directors of the 48-nation fund.

Snyder made his statement, it was learned today, at a closed meeting of the fund's committee on gold. The price is now \$35 an ounce.

FORMALLY NOMINATED

New York, Sept. 15—(AP)—The Democratic State Committee today formally nominated former Gov. Herbert H. Lehman as candidate for the United States Senate in next November's election.

'Rump' Sale Hearing Is Begun At Raleigh

Rocky Mount Warehousemen Charge Violating Principle Of Free Enterprise And Lacking In Authority

Raleigh, Sept. 15—(AP)—Rocky Mount tobacco warehousemen today asked that a suit to halt their fifth—or rump—tobacco auction sale be thrown out of court.

This was requested by Kemp P. Battle, attorney for the Rocky Mount warehousemen, as a hearing on the rump sale issue began before Superior Court Judge J. Paul Fritzel.

The action was brought by the Bright Belt Warehouse Association which contended that the extra sale had not attracted what it defined as an adequate set of buyers.

Battle asserted that the attempt of the Bright Belt Association to regulate the tobacco auction system by defining what constituted an adequate set of buyers violated the American principle of free enterprise. He asserted the association's charter gave its board of governors no power to regulate tobacco auction sales.

Battle asserted that this regulation would keep any tobacco market from increasing the scope of its operations or new markets from coming into existence "until the president of the American Tobacco Company" decides to place buyers on the market.

Battle also contended that the Bright Belt Association had no right to seek a restraining order because it was threatened with no financial loss from operation of the

extra sale at Rocky Mount.

He said that farmers were the only ones the Association contended might suffer financial loss.

"The farmers haven't appointed the Bright Belt Association as their guardian," he asserted.

"The farmers know Rocky Mount has a fifth set of buyers. They know the American Tobacco Company and Liggett and Myers Tobacco Company are not represented. If they want to take the risk of getting less for their tobacco that's their privilege."

He pointed out that farmers always have the right to reject the bids when their tobacco is auctioned.

Huge Hailstones Injure Romans

Rome, Sept. 15—(AP)—A brief but violent shower of hailstones, some as big as grapefruit, sent a half dozen Romans to hospitals and clinics for treatment and frightened thousands of others last night.

Two persons, hit on the head, were treated for concussion. Dozens of parked automobiles were dented. Windows were broken and roofs damaged.

Rome's morning newspapers said some of the stones weighed from one to two pounds.

Adenauer Is Chancellor By A One-Vote Margin

Bonn, Germany, Sept. 15—(AP)—Germans are given self-rule in near- everything except foreign relations and trade.

Adenauer, in his first policy statement, said today that Germany would never give up claims to its Polish occupied eastern territories.

The 73-year-old lawyer pulled a bare majority of 202 votes in the 402-member Bundestag (lower house) of Parliament after nomination by President Theodor Heuss yesterday.

As first German chancellor since Adolf Hitler, Adenauer will be the strongest man in the new federal government, having a cabinet of his own choice.

In his new position—equivalent to prime minister—Adenauer will assume the guiding role in Western Germany's return to self-rule.

At a session of the lower house next Monday, the chancellor will make a policy statement and announce his new cabinet. The Bundestag then will debate the policy statement, after which a vote of confidence will be asked.

Completion of the government will cause the replacement of the American, British and French military governments by a civilian high commission, allied control over German affairs then will be regulated by an occupation statute, a sort of interim peace treaty, in which the

Auto Turns Over Outside Grifton

The State Highway Patrol office in Greenville today reported that a car operated by Noah L. Jones of Route 2, Vanceboro, turned over yesterday morning about 10:30, near the city limits of Grifton.

Patrolman Paul C. Whiteley, who reported the wreck, stated today that the car driven by Jones, skidded on the wet highway and turned over causing damage to the car estimated at \$150. Whiteley said that the car had slick tires and that they failed to hold on the wet surface of the highway.

Washington, Sept. 15—Uncle Sam is having a much easier time with surplus potatoes this year than last.

The reason is that there are fewer of them and the grower price guarantee is lower.

It cost the government about \$225,000,000 to carry out its price promise on the 1948 crop. Agriculture department officials believe the cost this year will be less than \$50,000,000.

Last year's program, which the department only recently wound up, was costly because the crop was about 136,000,000 bushels more than consumers wanted. This was a record surplus.

Here is how the program operated:

Before the 1948 crop was planted the department announced a planting goal in terms of acres to be planted. This goal was divided among individual growers.

The goal was the acreage which the department deemed necessary to produce the potatoes consumers were expected to take. Officials figured that if production balanced with the need, there would be no surplus and prices would naturally work out at or above the price guarantee.

Growers did not plant as many acres as the goal, but more potatoes were produced on each acre than had been counted on.

The surplus developed, and the

government said in effect to the grower:

"If you can't get the equivalent of the price guarantee in the market we will buy your potatoes at that price."

The price guarantee averaged about \$1.65 a bushel, although it varied by grades and seasons. The government's offer had the effect of stabilizing the market price at or near the government support price, but some growers still had no market.

They turned to the government. It bought the excess potatoes at the promised price and diverted them into byproduct outlets, such as livestock feed, alcohol, flour, etc. But it got very little for them.

Amounts sold by individual growers to the government ran all the way from a few bushels to thousands of bushels. In a few cases individual growers sold more than \$50,000 worth to the government. But the average amount sold by each grower to the government was about \$6,000 worth.

Money received from the government was not all profit. Out of it the grower had to pay production costs, just as did the farmer who got equivalent amounts from consumer markets.

How much would growers have

Birth Announcement
Mr. and Mrs. Charles Flynn announce the birth of a daughter, Sandra Kay, on September 13, in Pitt General hospital.

Open House To Honor Rev. and Mrs. Williams
Open house will be held Sunday evening from 6 to 8 o'clock in the parish house of the Episcopal Church honoring the Reverend and Mrs. Ernest Williams.

Revival at Reedy Branch Church
A revival will begin at Reedy Branch Church near Winterville on Sunday night, September 18, and continuing for ten days. The Rev. M. L. Hollis of Red Bay, Ala., will do the preaching.

Revival at Gum Swamp Church
A revival will begin Monday night at Gum Swamp Church, located between the Vanceboro highway and the Washington highway four miles east of Calico Cross Roads. The Rev. W. A. Boyd is pastor and the Rev. Louis Jarman of Seven Springs will conduct the revival. Special music each evening by Rev. Jarman and his family. Services will begin each evening at 7:30.

THE DAILY REFLECTOR

September 1, 1909
Mrs. I. F. Lee returned Wednesday evening from Baltimore where she had been buying millinery goods.

Prof. John White of Pennsylvania State University, who has been visiting relatives in Greenville, left Wednesday afternoon for Norfolk and Portsmouth, where he will spend a few days with his sister before returning to resume his duties at the University.

When farmers of this state begin to make cattle a specialty and all other crops subsidiary to that industry, the land will become so rich in a few years that the guano bills will be cut in half.

Birth Announcement
Mr. and Mrs. Claude Pennell of Greenville, Route 4, announce the birth of a son on September 14 in Dr. Joseph Smith Clinic.

Mrs. Causey Speaks Before W. C. T. U.

Mrs. W. H. Causey of Winston-Salem, in her talk to the local W. C. T. U. last week, gave a most helpful and inspiring report of the national W. C. T. U. convention held in Philadelphia recently. Mrs. Causey said there were 700 delegates at this convention which was characterized by an interdenominational spirit. There were 1000 visitors, representing all colors and all nationalities. The prayer services were held in Temple Baptist church and they brought strength to all who were present. The W. C. T. U. was born in prayer and born in a church in 1874. And it will never die, Mrs. Causey says. There are organizations now in 51 nations. At this convention the thought uppermost throughout all services was total abstinence. But said Mrs. Causey, "We will have to sell church women on total abstinence before we can break the bridge of the liquor traffic and bring about prohibition."

Mrs. Briggs who presided at the local meeting asked Mrs. Causey for suggestions in regards to the

SOCIAL CALENDAR

THURSDAY

3:30 p. m.—Executive Board of the Greenville Council of Church Women will meet at the home of Mrs. Dink James.

8:00 p. m.—The Officers Club of the Greenville White Shrine will meet at the home of Mr. and Mrs. John Timberlake, 1300 Charles street. All members of the Shrine are invited to attend.

3:30 p. m.—George B. Singletary Chapter U. D. C. meets with Mrs. E. W. Harvey.

6:00 p. m.—Buffet supper at Country Club for club members and their families.

FRIDAY

7:30 p. m.—Kiwanis Club 7:15 p. m.—Exchange Club meets at the Proctor Hotel.

6:00 p. m. to 8:00 p. m.—Open house in the Episcopal parish house honoring the Rev. and Mrs. Ernest Williams.

SUNDAY

state convention of the W. C. T. U. which is to be held in the Memorial Baptist church in Greenville, October 20-22. Plans have been made for this convention. However, the cooperation of all Christian people will be greatly appreciated.

Kiwanis Officers And Wives Guests At Nelson Hopkins

The Kiwanis Club's officers and directors and some committee chairmen and their wives and sweethearts were guests at a barbecued chicken supper last night at Nelson Hopkins' "Tavern on the Tar" in the Principality of Bruce.

"A lot of the success of the Greenville Kiwanis Club is due to the interest and activity of the members' wives," one of the officers said, "and we always work better after a fellowship meeting with them."

Hosts for the event were Ed Bloom, J. D. Hice, J. Arthur Collins and Milo Smith. President Arthur Tripp presided.

Guests were Ed and Mrs. Bloom, J. Arthur Collins and Mrs. Collins, Milo Smith and Mrs. Smith, J. Williford and Mrs. Williford, Chester Walsh and Mrs. Walsh, Judge J. W. H. Roberts and Mrs. Roberts, R. W. Shiplett and Mrs. Shiplett, James Ray Pittman and Mrs. Pittman, J. Archie Rogers and Mrs. Rogers, Vice-President Tige Gardner and Mrs. Gardner, President Tripp and Mrs. Tripp, J. Bryan Brown and Mrs. Brown, J. D. Hice Secretary David C. Moore, Jr., W. H. Woolard and Mrs. Woolard, Wyatt Highsmith and Mrs. Highsmith, Dr. Melvin P. Hoot and Mrs. Hoot, Past President N. C. Brooks and Directors Hunter Keck and V. A. Merritt were unable to attend.

Vice-President Tige Gardner will be host at supper for the Kiwanis officers and directors in October.

The Kings Daughters Elect Officers

The Patient Circle of the King's Daughters and Sons held its first meeting of the Fall Tuesday night September 13 at the home of Mrs. T. T. Hollingsworth with Mrs. Cora Powell, and Miss Mary Wells as assistant hostesses.

Mrs. Ed Harvey gave the devotional on the 23rd Psalm. The minutes of the May meeting were read and approved.

The Circle accepted with deep regret the resignation of Mrs. George Renfro, recording secretary, who has moved to Spartanburg, South Carolina to live. Mrs. Renfro's leaving is a great loss to the Patient Circle. The Circle shall never forget her.

Mrs. Hollingsworth, chairman of the nominating committee, gave her report for the slate of officers for the following year.

President, Mrs. Clara Moye Shackell; 1st vice president, Mrs. Cora Powell; 2nd vice president, Mrs. W. M. Scales; Recording Secretary Mrs. Dorothy N. Trotman; Treasurer, Miss Martha Lee Cowell; Corresponding Secretary, Mrs. Ed Harvey. The slate was accepted by unanimous vote.

The Emergency Committee reported number of cases taken care of during the summer.

A vote was taken to send some money to West Greenville School to provide milk for undernourished children.

A discussion was made at length on our next meeting on October 11 which will celebrate the 60th anniversary of the Patient Circle of the King's Daughters and Sons of Greenville. This will be held in the Woman's Club building and all our friends are invited to come and help us celebrate this occasion.

Mrs. Ed Harvey, who had charge of the program, gave a fine reading on "We are Sheep and Jesus is Our Shepherd." Mrs. Harvey ended her program with a lovely poem on "Kindness."

At the close of this program twenty-six members and one visitor enjoyed a social fellowship. —Reported.

Hard Road For Fiancee Of Convict, Girl Finds

Baltimore, Sept. 15.—(AP)—Peggy Peterson, 22, blonde and pretty, fell in love with a convict.

She was a receptionist and typist in one of the offices at San Quentin prison, California.

William J. Sansbury, a 24-year-old convicted burglar, was assigned to the same office as a clerk.

"I don't know when or how we fell in love exactly," she said.

But she does know that it has sent her life up a new, uncharted road that has not been fast to follow.

Sansbury was released on parole from San Quentin recently after serving 21 months for burglary. He was brought to Baltimore to stand trial on a two-year old charge that he forged \$75 in checks.

The trial was held yesterday in Criminal court before Judge Robert France.

Sansbury's attorney told the story of the prison romance. Then Peggy took the witness stand. She had quit her job to come east

to help Sansbury. "Judge, I know he'll go straight," she pleaded.

She offered \$200 of the \$240 she had left from her savings to help Sansbury make restitution for the offense he admitted.

Peggy disclosed she has applied for a marriage license. Whether or not they can be wed she said, depends on permission of the California parole authorities. And on the outcome of the Baltimore trial.

Judge France, although sympathetic, said he will postpone a decision until he gets more information on the case from Maryland probation department.

More than 80 per cent of the telephones in the United States are operated by one system.

The first recorded strike in the United States occurred in 1786 when Philadelphia printers walked out demanding a \$6 weekly wage.

Funeral Services For W. G. Fleming

William Jesse Fleming, 65, a farmer, died at the home of his son, Julius Fleming, near Falkland, Wednesday afternoon at 12:30 o'clock after three months of illness. Funeral services were conducted at the home this afternoon at 3 o'clock by Rev. J. D. VerNelson, Free Will Baptist minister of near Falkland, and burial was in the Falkland cemetery.

Mr. Fleming, son of William Jesse and Effie Fleming, was born and reared near House's Station, and spent most of his life near Greenville. He moved to the Falkland community in 1931.

Surviving are his wife, Mrs. Victoria Bailey Fleming; three sons, Julius Fleming of near Falkland, Murry Fleming of Crisp, and Curtis Fleming of Winterville; 7 grandchildren; three sisters, Mrs. R. C. Abee, Mrs. Walter Patrick and Mrs. Claude West, all of Greenville; and two brothers, C. C. and Guy Fleming, both of Jamesville.

In 1807, John Colter discovered what is now Yellowstone National Park while he was fleeing from Indians.

New Motor Freight Terminal In City; Pick Up, Deliver

The Safety Transportation Corporation of Weldon has opened a motor freight transportation terminal warehouse at the junction of the Bethel and Pactolus highways and is ready for business. T. G. Basnight Jr. of Greenville is manager of the terminal.

C. L. Ezell of Weldon, sales manager, who will be in and out of Greenville in connection with the terminal's business, said today that his company plans to give the businessmen and others of Greenville better freight transportation service. The plan provides for picking up freight for transportation to any point in North Carolina and making local deliveries in small trucks. The company's trucks are making daily runs here.

The company has connections in Richmond and Norfolk, Va., for shipment of freight north and west. Manager Basnight said making local freight deliveries in small trucks will eliminate the necessity of the big trailer trucks making stops in traffic in town.

Murder Victim's Wife Decides To Let Slayer Live

New York, Sept. 15—(AP)—The man had killed her husband. So the judge left it up to her. Did she want the slayer to die for his crime?

She said to let him live.

Thus did Mrs. Anna Falletta, 35, the widowed mother of four children, save 35-year-old Carmine (Charlie) Petillo yesterday from the electric chair.

Petillo, on trial for first-degree murder in the May 4 shooting of Mrs. Falletta's husband, Frank, 35, offered to plead guilty to second-degree murder, which does not carry a death penalty.

Kings County Judge Samuel Leibowitz told Mrs. Falletta the decision was in her hands as to whether he accepted Petillo's plea to the lesser charge.

"I feel two wrongs can't make a right," she said, her voice quivering. "Frank is gone. Sending Charlie to the electric chair won't bring Frank back.

"I feel sorry for his (Petillo's) poor mother. I know what it is to lose someone. He'll have to answer to God for what he has done."

Leibowitz called the prisoner before him, and said:

"You ought to get on your knees and kiss the hem of the skirt worn

by this good woman. Every morning and every night in your cell in Sing Sing you ought to thank God you met such a kindly person.

"Remember, Petillo, she saved you from the electric chair."

Petillo, who shot Falletta in an argument about a \$20 debt, was ordered held for sentencing of not less than 30 years in prison.

The judge said the prisoner has a cancer which will kill him before he is eligible for parole.

N. Y. Grand Jury To Probe Rioting

Albany, N. Y., Sept. 15—(AP)—Gov. Thomas E. Dewey has ordered a sweeping grand jury investigation of the rioting that followed Singer Paul Robeson's concert near Peekskill, Sept. 4.

The governor said last night that the violence obviously was provoked by communist groups.

He directed that a special grand jury be called in Westchester County to determine whether the concert was "sponsored for the purpose of deliberately inciting disorder" and whether "it was part of the communist strategy to foment racial and religious hatreds."

He also ordered that the grand jury find out whether the "communist-led guard forces," which he said accompanied the Robeson concert-goers, were a "quasi-military force."

Dewey said that the veterans who staged a protest parade during the Negro baritone's concert and the "large number" of other persons who came to express disapproval "fell into a communist bear trap."

However, he asserted the protesters were guilty of lawlessness. He said the "entire incident was a shame and a disgrace."

Fountain SCHOOL NEWS

The Fountain Elementary school with an enrollment of 260 pupils is going places and doing things.

Each child had his or her picture taken and is eagerly awaiting the arrival of the photos. Much enjoyment was created by the gift of a pocket comb to each child.

On Monday the student body elected their student government officers for the year.

Ann Harris, president; Shirley Tugwell, vice president; Billy Baker, secretary; Ann Smith, treasurer; Mrs. Mary Horton and Mrs. Geneva Phillips, advisors.

Their first council, composed of officers of the student government and two members from each room, meeting was held on Tuesday morning at 9 o'clock. The following business was conducted: Time set for council to meet at 9 o'clock on Monday, Wednesday and Friday. Constitution discussed. Plans for annual tobacco drive made. Each representative is to report after each meeting what happened at the session. All offenses and punishment made to be posted on bulletin board. Each person was urged to do his or her part and to have a successful year.

Indian Summer

Indian Summer arrived today, with bright sunshine and few clouds in the sky—ideal weather for the football game at ECTC stadium tonight.

The highest temperature in the Greenville area yesterday was 88 degrees. Highest the same day a year ago was 83. Lowest temperature here last night was 67 degrees and at 5 a.m. today it was 73.

Total rainfall here from intermittent showers during yesterday was about one-half an inch, Mrs. Carl E. Malden, local observer for the U. S. Weather Bureau, reported.

Strength FOR THE DAY. FAITH HEALING. Faith healing is a controversial subject about which much has been written, yet the Christian must sooner or later adopt definite ideas concerning it.

from last year. The gate receipts this season must meet current expenses and bring enough extra to wipe out the standing debt.

The high school students, supported by the Greenville Lions club, have launched a drive to sell 500 season tickets to home games during the coming year.

The fact that ticket sales for the high school have been greeted with little enthusiasm is an example of the lack of financial support for the program of Greenville's kids.

An even more glaring example of the lack of interest in the support of the children of Greenville is exhibited in the fact that local baseball officials have agreed to play here tomorrow night.

Greenville high school also has a home football game tomorrow night, and while both the football and baseball teams of Greenville do not use the same field as is the case in Rocky Mount, it does seem that more consideration should be given the local high school athletic program.

Somebody Told Me...

Wife Rachel and I are plotting to catch the mouse that's at large in our apartment, so we took particular interest in a story we saw about beasts the other day. Of all things, the story involved the beasts - moths, beetles, and plain old flies - with an opera singer, Patrice Munsel by name. This gal is under contract to sing at Metropolitan Opera for three years for the sum of \$120,000.

Dozens Killed In Korea Jailbreak

Seoul, Sept. 15—(AP)—Seventy-eight persons were killed or wounded today in a break by 430 prisoners from the jail at Mokpo, a seaport 200 miles south of here.

Ten guards and 68 prisoners were reported shot in a battle at a village two miles from Mokpo. Twenty-eight of the prisoners and 10 guards were known to be dead and 40 other prisoners were dead or wounded.

The prisoners staged their break yesterday while being returned to prison from work farms. They seized guns and ammunition and fled the hills.

Police, army and navy units pursued.

A sharp fight was underway between guards and the remaining 356 escaped prisoners.

The 1,200 inmates of the Mokpo prison were mostly rounded up last spring during a cleanup of communist led guerrillas on Cheju Island.

Storm Damage Is Said \$52 Million

Miami, Fla., Sept. 15—(AP)—The hurricane which swept through Florida and into Georgia and the Carolinas August 26-27 caused crop and property damage estimated at \$52,350,000.

Grady Norton, chief storm forecaster at Miami, said in his report to the U. S. Weather Bureau at Washington that the hurricane killed two men, injured 133 persons and caused \$45,000,000 damage in Florida alone.

Army's Armor?

San Pedro, Calif., Sept. 15—(AP)—The army may be returning to suits of armor.

Maj. Gen. W. H. Middlewart of the quartermaster General's office disclosed yesterday the development of bullet-resistant body armor for soldiers—made of plastic and nylon.

The General said the cloth-like substance will resist a .45 caliber bullet fired from only 15 feet away. The material is nearly a quarter-inch thick.

Plan Promotion Of Opera In N. C.

Raleigh, N. C., Sept. 15—(AP)—A plan to promote operas throughout North Carolina has been launched.

A. J. Fletcher of Raleigh, State chairman for Opera of the state Federation of Music Clubs, announced the plan yesterday Under Fletcher's plan, all the operas would be sung in English.

Fletcher's plan took a big step forward with the arrival in Raleigh yesterday of Robert C. Bird, named full-time director of the federation's opera program. Fletcher is paying Bird out of his own pocket. Bird formally was director of the Fort Worth civic opera association.

Fletcher said Bird will be available to communities wanting to present operas or selections from operas. However, the talent must be local or from other North Carolina towns.

The state federation declared Fletcher, will cooperate with any group interested in spreading opera in English.

Arrest Manager Greenville Hotel Serious Charge

The Greenville Hotel, on Dickinson Avenue, was in police circles again last night, when police arrested Manager Miles Herndon Davis, 58, of Mount Airy, on the charge of a "crime against nature." Davis was in jail today, awaiting trial in Police Court Friday morning.

Police Chief Lester D. Page said complaints had been made against Manager Davis' conduct. Yesterday, C. W. Johnson, Jr., a roomer at the Greenville Hotel, signed a warrant against Davis, charging him with an "abominable crime against nature."

Several persons, concealed in Johnson's room when the alleged attack was made, witnessed the affair, police records show.

Local Student Makes Dean's List At UNC

Chapel Hill, Sept. 15—Ninety-one students in the college of arts and sciences at the University of North Carolina made the dean's list during the second term of the summer session, it was announced today by Dean William Wells.

William Newton Childress, of Greenville, was included on the list. To be on the dean's list a student must take a minimum of nine quarter hours of work and make grades of B (90-95) or better.

Wild Dog Scalps Bring Wealth To Aussie Hunter

Sydney, Australia—(AP)—When a dingo (wild dog) hunter went to Kalgoorlie, West Australia, to collect his scalp bonuses last month he got a check worth about \$1,500 dollars. Not a bad return for a fortnight's work.

The hunter was Clarence Carlisle, who brought in scalps of 200 dogs and 18 foxes, and beaks of eight eagles. These creatures are pests in Australia, with prices on their heads in many parts of the country.

Part of Carlisle's hunting routine is to chase dingoes over trackless flat desert country on a motorcycle. As a fast dingo can sprint up to 40 miles an hour, the game narrows thrills as well as money in it. You have to be not only a trick rider but a crack shot.

Death Sentence To Be Appealed

Greenwood, S. C., Sept. 14—A young Negro last night was sentenced to die for raping a white girl. The two-day trial was marked by the Judge's ordering Negro names added to the jury boxes, and his denunciation of the U. S. Supreme Court.

A Circuit court jury of white men convicted Willie Tolbert, 24, of Greenwood county, after deliberating 10 minutes. Judge Henry J. Johnson sentenced him to die in the Electric chair on Oct. 28. Defense lawyers filed notice of appeal to the State Supreme court.

Holes In 'Flat World' Worry The Ethiopians

Addis Ababa, Ethiopia—(AP)—Since the world is flat, the Sinclair Petroleum Company had better take care that its drills don't burst through the other side and let all the oil leak out. And anyway, how can oil have been formed millions of years ago when the present year is only 1949?

Those are typical remarks of back-country Ethiopians to Rene J. Bender, who has the unique job of explaining to a backward people why the world needs oil—and why it is to the advantage of Ethiopia and Ethiopians that oil reserves here be exploited. Bender, Sinclair Petroleum Co. representative in Ethiopia, recently finished an extensive tour of the remote provinces. He lectured, showed a film on the evolution of the oil industry, and conducted round table conferences.

Grazing Lands In Bad Condition

Berkeley, Calif.—(AP)—The earth's land area is 30 per cent grassland, says Dr. Arthur W. Sampson, University of California professor of forestry. And much of this area has been devastated by poor grazing practices, he says.

He pictures large parts of Africa, Spain, Greece, India and Palestine as wrecked by such practices. In the United States he estimates that existing range is producing at only 52 per cent of the original capacity and that 55 per cent of the range has less than half of its former capacity.

Good range should have a dense stand of perennial grass, he says.

Police Recover Stolen Car In Baltimore, Md.

Greenville police, working in cooperation with Baltimore, Md. authorities, recovered an automobile stolen from A. Hartwell Campbell, manager of the Greenville radio station. Fred L. Nance, 25, of 1049 Dixon Avenue, Baltimore, is in jail here, awaiting trial on the charge of larceny of an automobile.

The radio executive's car was stolen here September 7. It was last seen headed toward Rocky Mount. Greenville Police Chief Lester D. Page communicated with Baltimore police, and they arrested Nance and held the car. Capt. S. Bowen Dorsey and Patrolman Tommy Gladson brought Nance back here from Baltimore. He will be tried in Police Court Friday.

Campbell, who was in New York yesterday, was expected to go to Baltimore and recover his car, police stated.

Ray Anthony Has 'Post-War' Band

The post-war version of dance bands is with us. After four years of planning, experiment and just plain floundering around, the long-awaited crop of 'ideal' orchestras have arrived. Typical and leader of the bunch is Ray Anthony, an ex-Navy veteran whose band will appear here at the Wright Building on Saturday night.

A pre-war sideman, a service band leader and a post-war pioneer in music, Anthony has suffered the pains of growth without kicking. Despite his setbacks and struggles he has managed to contrive what the trade calls the finest presentation in popular music.

Leading the way himself, Ray typifies the latter-day brand of maestro. He plays trumpet, covets on the bandstand, lends his charm to personal conversations and anchors the entire orchestra and re-

vs. Unlike the pre-war leader, he gets into the arranging and business affairs of his band as well. There isn't a single phase of the operation that Anthony doesn't know about. That is one reason why he is passing the old-timers on his way to the top.

One of the major prerequisites of the 'new movement' in dance music is, pacing. Anthony seldom calls for the usual set of tunes. He is more likely to insert a comedy or novelty number to break up the monotony of continuous ballads and jump arrangements. All of his selections, comical or otherwise, are danceable.

A STOWAWAY ON SHIP
Singapore—(AP)—Nineteen Chinese stowaways were found in hiding aboard the Inter-ocean Line's 14,000-ton ship Rays when it arrived in Singapore. They were sent back to Hong Kong. The stowaways got aboard by clambering up the anchor chain in Hong Kong and hiding in the chain locker.

Stone age men made rough drawings of star constellations on the walls of caves.

Soy Bean Growth Is Spectacular

Washington—(AP)—In 40 years soy beans have risen from almost nothing to one of the major U. S. crops, says W. J. Morse of the U. S. Department of Agriculture. The department first became interested in the crop in 1908.

The beans were imported from China. At first there was little use made of them in this country. Mostly they were planted when some other crop failed. Then they were used for many years mainly as a forage crop.

After 1930, however, soy beans began to have a place in many crop rotations. Now they are widely used as a cash crop. The beans are sold for food and industrial uses.

Waitress Named As Accessory In \$41,500 Robbery

Charlotte, N. C., Sept. 15—(AP)—A Charlotte waitress faced charges today of helping to plan the \$41,500 robbery of a Salem Crossroads, S. C., storekeeper.

Police Chief Frank N. Littlejohn of Charlotte identified the waitress as Peggy Jean King, 21. He said he holds a bench warrant charging her with being an accessory before the fact in the holdup.

Two Charlotte men, Robert Pitta and Harry Russell, already are in custody charged with the robbery.

Russell was arrested yesterday by officers who found him asleep in a small church near Tifton, Ga. Pitta was arrested last week in a hotel at Hickory.

India Decides On New Coin Design

New Delhi—(AP)—The government has tentatively decided that free India's new coins will bear the design of three lions on the Asoka pillar in place of the king's head.

The reverse of the coins will bear ears of corn, a peacock, and the Asoka bull. The new coins will be put into circulation after India proclaims herself a republic Jan. 26, 1950. The first set of coins to be minted will be formally presented to the president of the Indian republic in a public ceremony.

Menhaden have many local names such as bugfish, bughead, oldwife, greenail, chebog, moss-bunker, whitefish, bonfish, and fatback.

NOTICE OF SALE OF SCHOOL PROPERTY

Under and by virtue of authority contained in G. S. 115-86 of North Carolina and pursuant to a resolution of the Pitt County Board of Education, the undersigned will offer for sale and sell for cash at public auction before the courthouse door in Pitt County, Greenville, North Carolina on Monday, the 17th day of October, 1949, at 12:00 Noon, the following described lands:

A certain tract of land situate in Fountain Township, Pitt County, North Carolina, on the northern side of the county road leading into Fountain, N. C., and being a portion of the Beasley and Eagles tract of land and fully described as follows:

Beginning in the county road in the Edward Smith line opposite to an iron stake on northern side thereof of said road, thence with Edward Smith's line, North 29 East 387 feet to another iron stake, Beasley and Eagles' corner, in Edward Smith's line, thence with Beasley and Eagles' line, North 51 West 225 feet to an iron stake, their corner, thence with another of Beasley and Eagles' lines, South 29 West 387 feet to the said county road (the ditch) South 51 East 225 feet to the beginning, containing 2 acres of land, and being the same land conveyed to Pitt County Board of Education by E. W. Beasley and wife and F. L. Eagles and wife, by deed recorded in book W-16 at page 474 of the Pitt County Registry and known as the "Dilda School."

This sale is being made because the property is no longer needed for school purposes and the purchaser will be required to deposit 10 per cent of the amount bid on day of sale.

This the 14th day of September, 1949.

PITT COUNTY BOARD OF EDUCATION
By Joe S. Moye, Chairman.
S. O. Worthington, Atty.
Sept. 15-22-29 Oct. 6.

NOTICE OF SALE

Under and by virtue of the authority contained in that certain order made in S. P. No. ... entitled, "Ann Carroll Strickland, et al., by their next friend, Arthur B. Corey, vs. Ethel Lee West, surviving widow of Robert Lee Strickland," the undersigned will offer for sale and sell to the highest bidder, for cash, before the courthouse door in Greenville, North Carolina, at 12:00 o'clock Noon on Thursday, October 6th, 1949, the following described lot or parcel of land:

Situated in the Town of Belle Arthur, Beavertown Township, and being Lots Nos. 6, 7, 8, and 9 in Block "B" in a subdivision as shown by survey and may made by D. C. James, C. E., February 3rd, 1913, which map is on record in Pitt County Registry in Map Book 1, page 2, said lots being bounded by Main Street on the south; Smith's Alley on the north; Lot No. 10 in said block on the east; and Lot No. 5 in said block on the west.

A 10 per cent deposit will be required of the highest bidder. This the 5th day of September, 1949.

R. B. TAPP, Commissioner.
Sept. 8-15-22-29.

Official Felt Hat Day

The Stetson Is Part of the Man

Burt Lancaster knows that a Stetson is a mighty big asset in his everyday role as a well-dressed man. A Stetson, of course, because he has always known instinctively that Stetson stands for the best quality you can get in a hat. Look how that lightweight Playboy in Hazel Brown becomes Burt. It will do the same for you.

The Frank Wilson Store

"King Clothiers Since 1893"

Violently Dejobbed

London.—(AP)—A British colonial office of Nigera reported receiving the following plaintive plea from a West African who unexpectedly found himself "disemployed."

"Dear Sir: On opening this epis-

Sensational New Dessert! Riceland Rice Tiger Parfait!

Yum! Tiger Rice Parfait Made With Riceland Rice

For once, we're almost speechless! We've discovered a sensational Riceland Rice dessert which is so striking in appearance and so wonderfully delicious that we're at a loss for words to describe it! All we can say is, "Look at the photograph!"

And we can add a word of good advice. Be sure—be very sure—to use genuine Riceland Rice in making this wonderful Tiger Rice Parfait. This is the time to be sure of perfect results—to insist on absolute perfection. So use only the world's most delicious rice—and that means genuine Riceland Rice—to be sure of perfection. Only choice, perfect-cooking rice grains are packaged under the famous "Riceland" brand name. So get a package of genuine Riceland Rice and you'll wow 'em with this sensational dessert:

Riceland Rice Tiger Parfait

White Layer:
1 cup hot cooked Riceland Rice
1 tablespoon plain gelatin
1/2 cup milk
1/4 cup cream
1/4 cup sugar
1/4 teaspoon salt

Soak gelatin in milk until dissolved. Then add hot, cooked Riceland Rice. Add sugar and let cool. When cold, fold in the cream which has been whipped stiff.

Dark Layer:
1 cup cooked Riceland Rice
1/4 cup sugar
1 cup milk
2 tablespoons cocoa
1/4 teaspoon salt
1/4 teaspoon vanilla

Heat the milk in a double boiler. Add cooked Riceland Rice. Add cocoa which has been mixed with the sugar and salt. Cook until thick, stirring occasionally. Add the vanilla. Chill.

To Assemble Parfait: When both mixtures are cool, layer the light and the dark Riceland Rice mixtures in parfait glasses (as illustrated). Chill until ready to serve. Serve plain or topped with sweetened whipped cream and maraschino cherries. Makes six sensational Riceland Rice Tiger Parfaits.

Riceland Rice Is Easy To Cook! Tender! Fluffy!

To get the best results with this recipe and all rice recipes, be sure to use Riceland Rice. It's the world's most delicious rice—grown in the heart of the quality rice belt of America. Only the choice, perfect-cooking rice grains are packed in Riceland packages.

This quality rice is quick and easy to cook. Riceland Rice cooks deliciously tender with white, fluffy, individual grains. Most grocers now feature this better-cooking, wonderfully-delicious, packaged rice—and at economical prices, too! Riceland Rice costs only one-cent a serving.

own head, and remind yourself on walking home at the moon's end to five savage wives and sixteen voracious children with your pocket filled with non-existent pounds, shillings and pence and a solitary six pence; pity my horrible state. As to the reason given by yourself Esquire for my jobment the inclination was laziness. No sir, it were impossible that myself who pitched sixteen children into this vale of tears can have a lazy atom in his mortal frame, and a sudden departure of eleven pounds has left me on the verge of destitution and despair.

"I hope this vision of horror will enrich your dreams this night and the good angel will melt and pulverize your heart of Nether milstone so that you will awaken with such alacrity to pejobulate your servant. So mote it be, Amen."

Officials in London did not know whether the native was reassociated with his job.

Regional Meeting Of Lions Monday

Leaders in the ten Lions Clubs of Eastern Carolina in Region Three District 31-C of Lions International will hold their first regional meeting at the Womans Club in Greenville Monday night September 19, at 7 o'clock. Deputy District Governor O. E. Dowd of Greenville will preside.

Region Three over which Deputy District Governor Dowd presides includes Lions Clubs of Elizabeth City, Hertford, Edenton, Plymouth, Williamston, Greenville, Ayden, Washington, Belhaven, and Swanquarter. These ten clubs are sub-divided into three zones, with a zone chairman in charge of each zone. Zone one is headed by West Leary of Edenton, zone two by Ben Phillips of Ayden, and zone three by Gus Gaylord of Belhaven.

The presidents and secretaries of the ten clubs in region three will attend the meeting along with the three zone chairmen and other invited guests. The purpose of the regional meeting, Dowd said, is to discuss aims and objectives for the year, club activities, zone and inter club meetings and to plan a program of fellowship and progress to be followed in the region during the year.

Deputy District Governor Dowd has invited District Governor Louis K. Day and District Cabinet Secretary Ed U. Hallford, both of Rocky Mount, to attend the meeting. The former district governors of 31-C who are now international counselors have been invited and several of them have accepted. Among these are Norman Trueblood, Thomas S. Payne, Sam Alford, Jesse Jones, Littlejohn Faulkner and James A. Glover. International Director Edward H. McMahan of Brevard and Raleigh, also has been invited as an honor guest. Dowd stated. The Greenville meeting is one in a series of regional sessions to be held this year throughout district 31-C. These meetings have been suggested by the district Governor Day for the advancement of Lionism.

Southwest Quail Get To Idaho

Boise, Idaho.—(P)—Idaho has some unusual visitors from the deserts of the southwest. They're gambel quail. State Bird Supervisor Maurice Lundy wonders how the plump, fast desert birds got so far from their normal range. He says they are supposed to be non-migratory and are not native to Idaho.

Five covers of 125 gambels were reported in the Lemhi drainage and others were said to have been seen in Owyhee county. The birds provide some of the best shooting in the extreme southwest. The Idaho game department hopes that those in this state will stay and multiply.

OUTSIZED RADISH
Casino, N.S.W., Australia.—(AP)—A radish which sounds as if it should have come from the celebrated Mowbray Swamp, Tasmania—where they grow turnips up to four feet long and still edible—has been reported here. It weighed 44 lbs. and was one of 15, the others nearly as big. J. Goldsmith produced these monsters in his backyard garden.

A hen with ears which have white lobes will lay white eggs; if the ears have brown lobes she will lay brown eggs.

ECTC Schedules New 'Workshop'

The second in a series of six workshops scheduled for supervisors in the public schools of Eastern North Carolina will be held at East Carolina Teachers College Friday afternoon, September 16, at 3:30 in the Graham building. Last Friday approximately 30 supervisors from 16 county and city school systems of this section met here to attend the initial workshop in the series and to discuss and see demonstrations of audio-visual materials useful in the schools.

This week's program will deal with reading and speech, especially with remedial work. Instructors will be Dr. Hazel Taylor, director of the Testing Bureau at East Carolina, and specialist in remedial reading, and Mrs. Dorothy W. Perkins, member of the department of education who joined the college faculty this fall as a speech consultant.

Four other workshops in the series will be held on Friday afternoon of each week through October 14 at the same hour and place. Topics to be discussed will include guidance, curriculum, testing programs and principles and techniques of supervision.

HOT AND COLD WATER
Sydney, Australia.—(AP)—Longreach, Queensland, Australia, has hot and cold water from nature. The cold water is pumped from the Thompson River three miles away; the hot comes by deep bores from an underground artesian basin. It reaches the borehead practically at boiling point.

In the Minneapolis telephone book the Olsons outnumber the Smiths, 1,646, to 1,080.

Propaganda Hits Britain; Claims American Label

Mogadiscio, Somalia.—(P)—Anti-British propaganda—apparently coming from the United States—is widely spread in the former Italian

colony of Somalia. An unidentified wireless station that purports to be North American spreads daily news bulletins in Somali, inciting the populace to revolt against their present rulers. Hundreds of copies of Italian written pamphlets with a "printed in the U. S." label have been mailed to leaders of Somali tribes.

Somali Chieftain Abdullahi Issa, who signed the pamphlet, thanks Allah "for having succeeded in destroying the hateful and venomous project submitted to the U. N. General Assembly by Great Britain, famous for its imperialistic and egoistic projects."

The first Labor Day celebration was held in New York City Sept. 8, 1882.

BOOSTER SPIRIT
Munich, Germany.—(AP)—An elderly Bavarian town clerk had so much pain in his feet that he went to see the doctor. When the doctor counted 36 corns on his feet, the clerk said proudly: "That many they don't even have in America."

Where Sixty Minutes
Seem but Half an Hour!

Cadillac

BROWN-WOOD
1205 Dickinson Ave., Greenville, N. C.

DISTANCE isn't the only thing which passes swiftly when you sit at the wheel of a 1949 Cadillac. So does time!

You rest your hand on the beautiful steering wheel and press your toe—ever so lightly—against the obedient throttle . . . and you're off on a wonderful journey.

Your ride is free and easy and restful. You just sit—and relax—and enjoy the scenery—and the companionship of those about you. Conversation is as easy as if you were sitting in your own drawing room—for the car is so quiet you can hear the soft ticking of the electric clock.

The labor of driving is almost non-existent. The big powerful motor moves you in and out of traffic as if by automatic propulsion. Steering is little more than a response to your wish. Brakes are light to the touch and velvety-smooth in action.

You are as relaxed and care-free as the happy passengers around you.

For you do little more than the thinking—and the car does the rest. And then a familiar landmark looms in the distance. Can it be that you are *there!*

You look at the clock and you look at the speedometer—and, surely enough, the time and the distance have passed, and your journey is over.

Better come in and see for yourself what—when you sit at the wheel of a Cadillac—*sixty minutes* seem but *half an hour!*

Brooklyn's Hot Pace Frustrated

By JOE REICHLER
Associated Press Sports Writer
The Brooklyn Dodgers must be wondering today just what must they do to catch the high flying St. Louis Cardinals.
Since the first of the month, the Brooks have piled up 11 victories in 13 tries, a true championship gait. And just how much yardage did they pick up on the Redbirds during that torrid stretch drive? Not a foot. While the Dodgers were polishing off Boston, New York and Cincinnati, the Cards duplicated the Dodgers' feat by winning 11 of their last 13 skirmishes.
So as the two perennial rivals swing into the final two weeks of the blistering National League cam-

paign, the Cards still cling to the game and a half edge they held Sept. 1.
The Dodgers drew first blood yesterday, knocking off their favorite playmates, the Cincinnati Reds, 4-2, in an afternoon tussle. That narrowed the Cards' edge to one game. A Redbird defeat meant the slimmest of margins between the two clubs—a half length.
But it was not to be. The Giants proved easy prey for the Redbirds, bowing under a 9-3 lacing as Harry (The Cat) Brecheen continued his nightly prowl with a 10-hit effort. Brecheen, a very effective aright hurler, notched his seventh triumph in 10 lamplight decisions.
NOT THE POLICEMAN
Jesse Mills, of a rural point, who was convicted and fined in Police Court Monday, for assaulting a female, was not the Jesse E. Mills 1302 Charles Street, city, who has been a member of the local police force many years, he requests the paper to state.

Starting Lineup Berths To Hinge On Flip Of Coin

At least four rookies are slated for starting positions with the East Carolina Buccaneers here tonight when the locals open a rugged 10-game football slate with a powerful and highly respected Cherry Point Marine aggregation at 8 o'clock.
Should the Pirates receive the opening kickoff, four newcomers will be seen in the forward wall Freshmen Dwight Shoe of Salisbury, Al Auerbach of Portsmouth, Va., Reggie Byrd of Portsmouth, and Don McKenzie of Roanoke Rapids will be making their first appearance for the purple and gold. All four are linemen.
Two other newcomers will handle starting berths should the locals kickoff. They are Bob Boyd of Norfolk and John Daughtery of Wilmington.
Only three seniors are likely to get starting berths in the opener, and then only if the Pirates kick.
The remainder of the lineup will be almost completely sophomore ball players.
Tonight's contest will unveil the question-mark team of the North State conference. The Bucs have been working out behind closed doors since they opened their drills September 1.
It will be the first chance the public has had to get a close-up view of Coach Bill Dole's 1949 aggregation. The contest will likewise mark the dedication of the new stadium at East Carolina.
The student body of East Carolina held its first pre-game pep rally last night in Wright auditorium on the campus. They heard Coach Dole warn of over optimism but promised a team in the future of which they will be proud. The coach, who like many of his charges is a rookie in North State conference circles, predicted a strong opponent in Cherry Point but declared that East Carolina "will be fighting from the opening kickoff until the final whistle."
Dr. John D. Messick, president of East Carolina, called for student backing of the ball club this season. He explained that everything would not be perfect in tonight's game but urged the students to not be too critical, but rather let it be a sign that even more enthusiastic backing is probable starters: East Carolina—Tanner and Shoe at ends; Auerbach and Booth at tackles; Byrd and McKenzie at guards; Prominski at center; Thrift at quarter; Kovach and Maennie at halves; and Bryant at full. Cherry Point—Cleveland and Davis at ends; Thompson and Leoni at tackles; C. Davis and Dockery at guards; Erfert at center; Anderson at quarter; Jakobowski and Christianson at halves; and Kapelowski at full.

World Series To Open October 5

New York, Sept. 15—(AP)—The world series will open Oct. 5 in the park of the American League representative and will be seen by the largest number of people in history. These were a couple of the more important details worked out at a meeting here yesterday of Commissioner A. B. Chandler and the high brass of those teams still clutching pennant hopes.
The date fixing was just a routine job. Television plans were something else again, setting up machinery to project the games into every parlor within network reach.
The commissioner announced the series would be televised by all the networks—American Broadcasting Company, Columbia Broadcasting System, Dumont and National Broadcasting Company.
Also the games may be carried by any independent stations which can be fed by the Inter-Connected System.
To bring the fall classic before an even larger audience, some theaters will reproduce the games on their screen just as they are televised. The Fabian Theater in Brooklyn already has arranged for this service. Others are reported considering it.

Ryder Cup Match Shaping Up As Golfing Circus

Ganton, England, Sept. 15—(AP)—The Ryder cup matches opening here tomorrow are shaping up as a British version of Chicago's famous Tam O'Shanter golf circus.
From an American point of view the show may be only a few steps above the county fair level, but for this country, where golf has been reserved for golfers and dyed-in-the-wool enthusiasts, the spectator preparations are gigantic.
Forty tents, housing restaurants and bars, and spectator pavilions dot the Ganton course.
A huge scoreboard has been set up to record radio reports of the matches. Grandstands have been built at strategic vantage.
Hill Prince Set As Prospect For Kentucky Derby
New York, Sept. 15—(AP)—You can jot down the name Hill Prince today, paste it in your hat or lay it away in grandma's jewel case for future reference.
This two-year-old colt with a scrawny one-third of a tail is going to be heard from next spring when they're talking about the Kentucky Derby and other three-year-old racing classics.

Phantoms Meet Rugged Foe In Game Against Edenton Here Friday Night

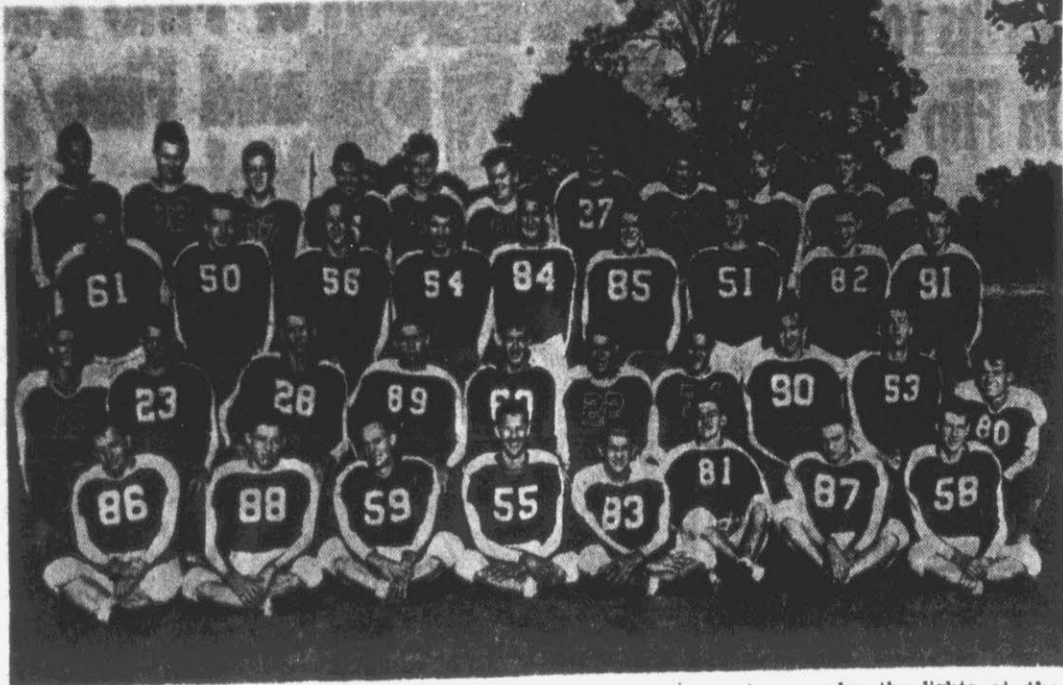

With Most Of Last Year's Team Gone, Locals Depending On Performance Of Former Reserves And Ex-Junior Varsity Players

Greenville High's Green Phantoms open their season Friday night playing the first game of the 1949 season in the new College Stadium. The opposition will be furnished by the potent Edenton Aces. The game will start at 8:00 p. m. Edenton is a member of the Northeastern Conference so the Phantoms will have to get down to serious work in this their first game, if they expect to get anywhere in the conference standings. Edenton had one of the strongest teams in the East last year, losing the conference crown in the final game of the season when they lost 7 to 6 to the powerful Kinston outfit.

The Phantoms have been working for the past three weeks in preparation for the opener. Most of last year's starting team has been lost through graduation and the workouts have been long and hard getting the 1949 version of Phantoms ready. Only three starters from the 1948 team are back for another year. Jimmy Cox will start at quarterback; Paul Conway, a center for two seasons, will be at fullback and Mack Crawford, the only veteran lineman on the squad, will be at guard. The other positions will be filled by reserves from last year's team and several members from the jayvees.

Leon Moore, a Jayvee guard last year, and Bobby Frye, a reserve, will probably start at ends. At tackles will be Jimmy Brady, a reserve on the 1947 team and Wallace Conway, a graduate of the Jayvees. Mac Crawford, a starter last year and Julian Vainwright, a reserve, will be the guards. Louis Howe, 1948 reserve center, will be the starter in the middle.

Two sets of backs have been

Friday night the Greenville High School Phantoms will meet the Edenton Aces, under the lights at the new stadium at E. C. T. C. in their first contest of the 1949 football season. Pictured above is Coach Bo Farley's squad for this year which is untested. (S. I. Photo by Roy Hardee.)

showing up well in practice, the first composed of Cox at quarter, Paul Conway at full, and Walter Perry and Jake Higgs at the halves; the second with Johnny Aman at quarter, Billy Wooten at full and Kent Lee and Bobby Perry at the halves. Walter Goo, a reserve back last year and a potentially great one this year, was late reporting and has not gotten into shape yet. If Goo should gain confidence in himself, he could become one of the best backs in the conference.

Jimmy Cox is directing the Phantoms' new T offense and has come along fast. Paul Conway, the converted center running at full, has shown great improvement. He is one of the biggest men on the squad and should improve throughout the season. Walter Perry, the slim speedster at left half, will give his opponents many anxious moments and is capable of going all the way with some help.

Dates Scheduled For Deer Hunts

Raleigh, Sept. 15—(AP)—The Wildlife Resources Commission released yesterday a schedule for organized deer hunts in national forest areas this fall.

Dates for hunts are: Mt. Mitchell Nov. 15-16 and Dec. 6-7; Daniel Boone Nov. 15-16 and Dec. 6-7; Standing Indian Nov. 17-19 and Dec. 1-3; Fires Creek Nov. 17-19 and Dec. 26-28; Sherwood: West Fork Pigeon River Nov. 21-23 and Dec. 26-30; East Fork Pigeon River Nov. 24-26 and Dec. 1-3.

Graziano Whips Fusari In Big 10th Round Comeback

New York, Sept. 15—(AP)—The Rock is back on the victory road. Not the Rocky Graziano of old but still the most exciting fighter to watch in the ring today.

For nine rounds against Charlie Fusari in the Polo grounds last night, it looked like the Rock was through. He was trailing on every scorecard and it seemed only a

tenth round knockout could save him.

Then it happened—the explosive burst that the crowd of 31,092 had been waiting for all night.

A left hook suddenly connected and Fusari reeled from mid-ring to the ropes. A right, then another, and then a rain of blows that draped Fusari over the ropes and then to the floor for a count of nine.

Like a tiger smelling blood, Rocky tore after Fusari. He pinned him in a corner, held his head in place with his left hand, and sledgehammered him with his right.

The crowd was on its feet, roaring for the kill. It was like a bullfight with the spectators yelling for the fatal sword thrust. But referee Ruby Goldstein had seen enough. He pulled the snarling Graziano from his victim and declared the Rock the victor at 2:04 of the last round.

"He shouldn't have stopped it," wailed Fusari. "I was waiting for him to slow up and then I would have come after him."

Few observers agreed with him.

Football was introduced to the Naval Academy in 1857 as a form of recreation for midshipmen.

Kiner's Homers

New York, Sept. 15—(AP)—Ralph Kiner, Pittsburgh slugger, is only one home run back of the pace Babe Ruth set in 1927 when he hit his record total of 60.

Ruth hit his 50th in his 138th. Kiner hit No. 46 in his 138th game yesterday.

Ruth hit No. 50 Sept. 11 in game No. 138.

For the fourth time in the semi-finals series the Greenville-Rocky Mount game has had to be called off on account of rain. It was agreed on by both managers following the postponement last night that the two teams would meet in Rocky Mount tonight in the fourth game of the series, and would return to Guy Smith Stadium here Friday night and also would play the sixth game here on Saturday night, with the seventh game of the series to be played over in Rocky Mount. The reason for the transfer of the game to Rocky Mount tonight was due to the fact that the college is playing the Cherry Point Marines in the new stadium, which will also be officially dedicated in appropriate exercises prior to the game. The dedication exercises will get under way promptly at 8 o'clock.

Well folks, this marks the end of Diamond Dust for another year, as your writer leaves today for a well-earned vacation. During the remainder of the games Jack Hedgepeth, sportscaster for WGTC, will act as the official scorer for the balance of the games to be played, while Eugene Price, a member of the staff of the Daily Reflector, will handle the games for the local paper. And to both of you boys I sincerely appreciate it more than words can describe.

This poor scribbler has enjoyed every moment of the past season. He's been hooted at and jeered quite a few times, but all that is part of the task. The job had been hard work but fun. There have been arguments about this or that from time to time. I've tried to shoot square with everyone and any missing of the target has been of poor judgment, not the heart. During the past season the writer has met

RAY ANTHONY, whose brilliant young orchestra comes to town for a one night engagement direct from New York. Anthony, one of the brightest young stars in music, sings and plays trumpet.

a mighty fine lot of ball players and some not quite so hot, but have loved them all and tried to boost wherever I could and knock where it seemed necessary.

However, before ringing down the final curtain on Diamond Dust for the past season, I would like to express my appreciation to Manager Fappy Williams and Business Manager John Adams for their splendid help given me during the season to enable me to carry on this daily column. They have really been swell and I appreciate it, for without their help it never could have been written. It is my sincere wish that should Greenville see fit to have a club in the Coastal Plain League next season that these two fine

fellows will be at the helm of the club and that it shall be my privilege to carry on with this column next season. I also would like to express my sincere thanks to President W. Z. Morton for his fine cooperation given me this year in carrying on my work in writing Diamond Dust.

Also at this time I would like to pay special tribute to the members of the State Highway Patrol and the Greenville Police Department who have been so efficient in handling the crowds at the ball park. They have really done a swell job of it and in behalf of the baseball club, we thank you sincerely.

At the present time the final official averages for the Coastal Plain

League has not been received from the Howe News Bureau, the league statisticians. In all probability they will be released to your writer within the next couple of weeks and just as soon as they are received they will be carried in the columns of The Daily Reflector.

With this last word I'll bow out of the sports picture. It has been nice knowing all of you and I appreciate the nice things that have been said and am not at all offended at some not so nice, and that's that

Since 1934, seven Southeastern Conference football teams have recorded undefeated, untied seasons—three Alabama and three Tennessee squads, and the 1946 Georgia Tech.

THERE OUGHTA BE A LAW! By FAGALY and SHORTEN

DOUBLE TROUBLE By WILLIAM HOBSON

Chapter 5
Mrs. Randall was a buxom, motherly-looking woman in her forties and quite handsome. She smiled a greeting at Jay and nodded for the two men to sit down. "It's good to see you again, Joe," she said. "How were your folks?"

"Fair to middling," he answered. "Range is pretty dry, but they'll pull through all right."

"We haven't ordered yet," Ellen said. "We were waiting on you two."

"Anything much doing since I left?" he asked casually, after they had ordered. He wanted all the information he could get, to index it in his mind for any contingency that might arise. He knew he was going to need it. One slip on his part and the whole thing would blow up in their faces.

Mike Randall grunted. "We're losing a trickle of cows now and then, but not enough to show any organized rustling. They tried another raid on the horses sometime back but didn't make it. One of the thieves got shot, but that's all."

"When are you leaving for the ranch again?" he asked.

Ellen put in, "Not until tomorrow. Joe, I forgot to tell you. We're having visitors out from the east, due tomorrow. People I stayed with while I was in school back there. They want to see what life on a wild Texas ranch is like and will be here all summer, partly for Mr. Seitzer's health. Mary, their daughter, was my best chum in school. Harry, who's my own age, used to be my best fellow, and I warn you, darling, he's almost as handsome as you. And he'll be there all summer with me while you're at the line camp. So don't be too sure of yourself."

"I'll just have to hope for the best, I guess," he replied lamely, and felt a slight flush come to his face.

He was glad when the mince pie and coffee were done with. He wiped his lips with his napkin and rose with the others. They went out into the lobby where Mike Randall paid for the meal.

"I suppose you'll be coming out with us tomorrow?" he asked Jay.

"I imagine you'll be pretty well loaded, sir. I've got to see a few friends anyhow, so perhaps it would be better if I picked up a horse and rode out, though you could take my warbag. I'll leave it in my room."

"All right. But I want you in that camp by day after tomorrow morning to start riding the line again. I'm short-handed and Turk's got his hands full."

"Okay," Jay answered in the careless way Joe would have. "And now, if you'll excuse me, I've got to see a few folks."

Ellen said, "Would it be asking too much if you walked down to the post office with me to get the ranch mail? We got in too late for me to get it before supper."

"Sure," he said, and took her arm with exaggerated gallantry.

"We haven't been in here for two weeks now," she said. "But the Seitzers said they'd be here on the fifteenth and that's tomorrow. I—why, Joe! Here's a letter for you from your mother. Why here's two more! How come she was writing you when you were home all the time?"

He said, grabbing at the first idea that came to him and hoping she'd accept it. "Of course she wrote, honey. Mom's sentimental. She's also a creature of firm and rigid habits. She wrote me every week while I was home. I tried to bedevil her to let me see the letters, but she chased me out of her writing room. Said I could read 'em after

"Nope," was the laconic reply "I'm workin' fer you, Mister Randall, an' as long as I am you give the orders."

"Good. That's more like it. So you follow right on through. Somewhere in that country Brad Morden and his gang are running their stolen horses. I not only want it stopped, I don't want any more raids to try and get my Morgans."

"What about Joe?"

"Trail him. He seems a little bit changed since he came back, but I'm makin' damned sure he's turned over a new leaf before I let him marry Ellen this winter."

"Fair enough," Smith drawled, and rose.

(To be continued)

A syrup produced from corn cobs resembles maple syrup.

NOTICE OF SALE OF SCHOOL PROPERTY

Under and by virtue of authority contained in G. S. 115-86 of North Carolina and pursuant to a resolution of the Pitt County Board of Education, the undersigned will offer for sale and sell for cash at public auction before the courthouse door in Pitt County, Greenville, North Carolina on Monday, the 17th day of October, 1949, at 12:00 Noon, the following described lands:

That certain lot or parcel of land situate and being in Arden Township, Pitt County, North Carolina, about 1 mile south from Cannon's Crossroads and on the west side of the road leading from Cannon Crossroads to Hellen's Crossroads and bounded by the lands of Wilbur L. Worthington et al, containing 1 acre, more or less, and being known and designated as the "Cox School."

This sale is being made because the property is no longer needed for school purposes and the purchaser will be required to deposit 10 per cent of the amount bid on day of sale.

This the 14th day of September, 1949.

PITT COUNTY BOARD OF EDUCATION

S. O. Worthington, Atty.
Sept. 15-22-29 Oct. 6

EXECUTOR'S NOTICE
Having qualified as Executors of the estate of Mrs. Minnie L. Allen, deceased, 1878 of Pitt County, North Carolina, this is to notify all persons having claims against the said estate of said deceased to exhibit them to the undersigned on or before the 11th day of August, 1950, or this notice will be placed in bar of their recovery. All persons indebted to said estate will please make immediate payment.

This the 11th day of August, 1949
L. THOMAS ALLEN AND MRS. LILA A. BULLOCK, Greenville, Route 1, executors of the estate of Mrs. Minnie L. Allen.
Aug. 11-18-25 Sep. 1-8-15.

NOTICE OF PUBLIC HEARING
Pursuant to the provisions of the Housing and Rent Act of 1947 as amended and by order of the Board of Aldermen of the City of Greenville, North Carolina, notice is hereby given that a public hearing will be held in the Recorder's Courtroom of the Municipal Building in Greenville, North Carolina, on the 27th day of September, 1949, at 8:00 o'clock P. M., to determine: (1) Whether there exists such a shortage in rental housing accommodations as to require rent control in the City of Greenville, North Carolina; (2) The advisability of terminating rent control within the City of Greenville, North Carolina.

All persons interested in this matter are requested to be present at this hearing.

This the 7th day of September, 1949.

W. S. STAFFORD, Mayor
Attest: J. O. Duval, City Clerk.
Sept. 8-15.

NOTICE OF SALE OF SCHOOL PROPERTY
Under and by virtue of authority contained in G. S. 115-86 of North Carolina and pursuant to a resolution of the Pitt County Board of Education, the undersigned will offer for sale and sell for cash at public auction before the courthouse door in Pitt County, Greenville, North Carolina on Monday, the 17th day of October, 1949, at 12:00 Noon, the following described lands:

Beginning at a point on the north side of the Greenville and Pictolus road in the angle of the intersection of the Greenville and Pictolus road and a short cut road running from the Greenville and Pictolus road to the Pictolus and Stalon Mill road the said beginning corner being on the northern side of the Greenville and Pictolus road and on the eastern edge of the short cut road leading from the Greenville and Pictolus road to the Pictolus and Stalon Mill road, then running an easterly direction along the northern edge and with the Greenville and Pictolus road, 70 yards to a point on the northern edge of said road, cornering, then running a northerly direction and parallel with the short cut road leading from the Greenville and Pictolus road to the Pictolus and Stalon Mill road, 70 yards to a point and cornering, then running a westerly course and parallel with the Greenville and Pictolus road, 70 yards to the eastern edge of the short cut road leading from Greenville and Pictolus road to the Pictolus and Stalon Mill road, cornering then running a southerly course and in a straight line with the eastern edge with the said short cut road and parallel with the eastern boundary of the lot herein conveyed, 70 yards to a point

on the northern edge of the said Greenville and Pictolus road to the intersection of the said Greenville and Pictolus road and the said Pictolus short cut road, the beginning point, containing 1 acre, more or less, the same being a portion of the land conveyed to Annie R. Harrington by C. D. Harrington, which deed is recorded in book G-11 at page 423 of the Pitt County Registry and being known and designated as the "Jones School."

This sale is being made because the property is no longer needed for school purposes and the purchaser will be required to deposit 10 per cent of the amount bid on day of sale.

Wilson's Weekly Bulletin
from the Rector Kitchens

Would You Like To Cut Kitchen Spent Time? Beef 'n' vegetable stew is a favorite flavor team in most families. While there is nothing wrong with making a stew in the usual way it does take time, though very little watching. There are many occasions when the economy of a good stew menu is needed but the factor of time switches the homemaker's choice to something more expensive—meat, chiefly because she hasn't enough time—the dinner hour approaches.

If you are on to the tricks, you can prepare a true-flavored stew in jig time by modifying your methods slightly. It will taste the same but look different. Here is the TRICK!

20 Min. Stews

Twenty Minute Stew. Instead of cubed stew meat you buy ground beef (ground meat cooks quicker). You either leave the meat broken up naturally from the stirring as it browns or shape it in balls. For picture purposes we made ours in balls.

Frozen Vegetables Are Quicker. Select your favorite frozen vegetable combination to speed cookery and to get an assortment of vegetables more cheaply. (We chose peas and carrots.) Use timing directions on package.

Quickie Stew Is Good. Since Quickie Stew looks different it is nice to give it an unusual presentation but it can be served in the usual tureen to save time.

QUICKIE BEEF STEW
Heat a skillet until hot and add:
1 tablespoon Wilson's Laurel Leaf Lard or Bakerite
Into the skillet put:
1 lb. ground Wilson's CERTIFIED Beef
1/4 teaspoon pepper — no salt
2 teaspoons chopped parsley
1 small clove garlic, chopped
2 teaspoons Wilson's B-V
blended with 1/2 teaspoon Worcestershire and a pinch of thyme (1/32 t.)

Over the top scatter:
2 tablespoons flour
Mix as you stir to brown. This should take about 10 minutes during which time you also bring to a boil:
1 cup water to which has been added 1 teaspoon Wilson's B-V and 1/2 cup chopped celery. Add 1 package frozen combination vegetables.
Cook 6 to 8 minutes or until just tender. Remove meat from the fat and stir into the fat until browned:
2 tablespoons flour
Stir the mixture well as you add juice drained from cooked vegetables. Serve hot with a frill of mashed potatoes, if you wish. *You can mix these ingredients in a bowl, shape into balls, dredge with flour and brown balls in skillet.

Elect Officers Of Senior Class

The senior class of Greenville High School at a meeting held recently elected class officers for the coming year.

The president of this year's senior class is Louis Clark, who was a candidate for the office of student government president last year. Bobby Williams was elected vice-president, Barbara Russell secretary, and Marie Anne Shilder was selected for the position of treasurer.

A spokesman for the senior class stated today that the class has not made plans as yet for the selection of the annual staff. It is hoped that the annual staff will be selected soon so that work on the year book can get under way as early as possible.

One of the major projects which the class will undertake this year will be a stationery sale and the production of the annual senior play which will be given later on in the year.

Conflicting . . .

(Continued from page one) dule was made by loop officials. They suggested that the Greenville club make arrangements with the Rocky Mount team to play the game on Sunday or some later date. The baseball club is to be com-

mended for its consideration shown the college and the Rocky Mount football teams," Dowd said today. "But when they change a game from Rocky Mount to Greenville to accommodate the Rocky Mount football squad and in the process, penalize our own high school students and football team, we would be shirking our responsibility to the high school children of Greenville, if we did not protest," he assured.

If the game had originally been scheduled for Greenville, we can't say that we would not have objected but we would have had to accept it in that case," the principal commented. "But to change a game from another town to Greenville without even giving the students a bit of consideration, is a shameful act."

Dowd and Coach Boley Farley both expressed their hope that the baseball club would make some provisions and show consideration for the football team.

Jaycees Will Close Meeting In Time For Football Game

The Junior Chamber of Commerce's supper meeting at the Old Towne Inn at 8:30 tonight will close in plenty of time for the members to attend the first gridiron game of the season at the new football stadium on East Carolina Teachers College campus tonight at 8 o'clock.

Coach Bill Dole's ECTC Pirates will play the Cherry Point Marines. Season tickets are still on sale. I. J. (Jack) Edwards, season ticket committee chairman, still has some of the ticket books available. Purchasers may save \$2 on the scheduled games by buying a season ticket.

Jaycee President Louis W. Gaylord will preside. Only routine business will be transacted.

The Potato . . .

(Continued from page one) received if there had been no support program? There is no absolute way of telling, but department economists estimate the surplus would have pulled the price down to about 90 cents a bushel.

The 1949 price support program is designed to assure growers an average of about \$1.20 a bushel, about 45 cents less than last year. The surplus this year may not run over 30,000,000 bushels compared with 136,000,000 last year. About 350,000,000 bushels are used for food and other purposes.

Thirty-Eight Try For Positions As GHS Cheerleaders

Thirty-eight Greenville High School and Junior High School students tried out this morning for positions as cheerleaders for the school's athletic teams.

Nine, five of them high school students and the other four from the Junior High School, will be chosen.

The votes were cast this morning but they will not be counted before mid-afternoon, officials said.

The cheerleaders will lead the high school's opening pep rally in the school auditorium tomorrow morning when they hold their pow wow just prior to the Greenville-Edenton football game.

Messick . . .

(Continued from page one) superb among the athletes and the athletic staff of the college.

Chairman Ed E. Rawl of the stadium committee was master of ceremonies at the breakfast, and stated he is "well pleased" with the progress made so far in raising the money to meet the \$10,000 goal for athletic scholarships. He pointed out to the members of the committee approximately 50 per cent of the total amount for scholarships has been raised so far in the campaign and urged them to intensify their efforts to raise the money so the full scholarship fund may be had as soon as possible.

In addition to Messick and Jorgensen, Rawl called on F. D. Duncan, business manager of the college, J. H. Waldrop, D. J. Whichard and other members of the stadium committee for remarks concerning the scholarship drive.

Socialism . . .

(Continued from page one) er they will, under normal circumstances, have another five year tenure of office. In that time they could complete and stabilize Socialization

of the country to such an extent that it would be difficult to revert to the old free enterprise system. In short England would desert the capitalism on which her Empire was built—a daring experiment.

Passed Accountancy Board Examination

Chapel Hill — Benjamin Bruce Sugg, Jr., of Greenville, passed the recent examinations of the State Board of Accountancy and has been awarded his certificate as a certified public accountant.

Fifty-five candidates passed the examinations, and all except six who lack one year's experience, were awarded their certificates.

Members of the state board giving the examinations were Charles E. Elbertson, Winston-Salem, president; Frank P. Buck, Salisbury, vice-president; Elton B. Taylor, Charlotte, and Secretary-Treasurer Erle E. Peacock.

The Battle of Hastings and the conquest of England by William of Normandy occurred in 1066.

Early Spanish settlers in America brought the first sheep, goats, pigs and mules.

Poultry and Eggs

Raleigh, Sept. 15—(AP)—(NCDA) —Fryers and broilers steady to slightly weaker at 26-28; eggs steady, A large 61.

Grain Market

Chicago, Sept. 15—(AP)—Heavy export buying and general short

covering rallied wheat futures today. They gained more than 2 cents a bushel at times. Wheat buying strengthened corn and soybeans but oats remained weak.

Wheat closed 1 1/2 to 3 1/2 cents higher than the previous, September \$2.09 1/2, corn was 1/2 higher to 1/2 lower, September \$1.29 1/2-1/4, oats were unchanged to 1/2 down, September 68 1/2-1/4, rye was 1 1/2 up to 1/2 down, September \$1.46, soybeans were 1 1/2 to 1 3/4 higher, November \$2.28-\$2.27 1/2, and lard was unchanged to 5 cents a hundred pounds higher, September \$12.10.

Cotton Market

New York, Sept. 15—(AP)—Cotton futures opened unchanged to 15 cents a bale lower today.

Noon prices were 10 to 20 cents a bale lower than the previous close. Oct. 29-96, Dec. 29-78 and March 29-69.

Cotton futures were quiet and closed steady. Trade buying disclosed a limited amount of hedge selling.

Futures closed unchanged to 15 cents a bale higher than the previous close.
