

Reports Finds Of Uranium Sources In Atomic Race

New Uranium Discoveries On Both Sides Of Iron Curtain Are Indicated

London, Sept. 26.—(AP)—Reports of new uranium discoveries on both sides of the iron curtain—in Czechoslovakia and Spain—spurred talk of an atomic energy race now that Russia has atomic weapons.

These were the weekend developments in Europe following President Truman's announcement that the Russians had touched off an atomic explosion recently.

1. Tass, the official Soviet news agency, asserted Russia has had atomic weapons since 1947. It again said the Soviet Union was ready for international control of atomic energy but didn't say what kind of control—a point that has balked American-Soviet agreement because previously Russia has insisted on a veto power over international inspectors.

2. Franco Spain, already possessing known uranium deposits, was reported to have found new veins of the ore from which atom bombs are made. This prompted speculation as to whether Generalissimo Franco would use his uranium store in bargaining for improved relations with western powers.

3. A new uranium mine was reported opened in Czechoslovakia under the direction of Russian engineers. At least two Czech mines are known to be sending uranium already to Soviet Russia.

4. German scientists and uranium ore from East Germany helped the Russians develop their bomb, informed American and German sources reported.

Although the Tass announcement did not confirm or deny President Truman's disclosure of a recent atomic explosion in Russia, it matter-of-factly declared that Russia has had atomic weapons since 1947.

Many western European statesmen and diplomats privately took the two year bomb claim with a grain of salt. But chief interest centered on the news agency's statement that Russia still wants international control of atomic energy.

Expect Approval Of Military Pay Boost In Senate

Washington, Sept. 26.—(AP)—Legislation authorizing the first general pay boost for the armed forces in 40 years comes up for a senate vote today with approval generally regarded as certain.

The Senate arranged to ballot at 5 p. m. EST. Backers of the measure predicted only scattered opposition.

"The bill has merit and I believe it will pass by a good majority," said Senator Gurney (R-SD) a member of the Senate armed services committee which drafted the measure.

The House already has approved a similar bill. That draft and the Senate version both provide for hiking the pay of most ranks from private to Major General.

British Textile Workers On Tour

Manchester, England, Sept. 26.—(AP)—A team of 34 British cotton workers will sail on the Queen Elizabeth Thursday for a six-week tour of U. S. mills.

The trip is one of a series arranged by the Anglo-American council on productivity. Purpose is the mutual exchange of industrial know-how.

Labor Govm't Test

Attlee And Cabinet To Stand Or Fall On Vote Of Confidence Tuesday Over Step To Devalue Currency; Re-Verberations; Prime Minister Apparently Confident

By DeWITT MacKENZIE

Britain's Socialist government tomorrow faces a crucial test of whether it has lost ground with its big majority of followers in the House of Commons as the result of the devaluation of the pound sterling.

Prime Minister Attlee and his cabinet will stand or fall on a vote of confidence on this issue.

Parliament has been called into special three-day session for a full dress debate in which the government will undertake to justify its action. The devaluation of the pound was wholly unexpected by Parliament and the general public, for the government had made it a top-draw secret. As a consequence the slash in the value of John Bull's money came as a shock to a nation which had regarded the pound proudly as the emblem of stability.

Moreover complications quickly developed. The devaluation will force up the price of some essential commodities which have to be imported, and bread is one of the items affected. When agitation arose among the ranks of some workers for higher wages to offset this increase, the government announced that there would be no general raises. Whatever there might be would go

Rent Decontrol Hearing Set Tuesday Evening In City Hall

A public hearing on rent decontrol for Greenville will be held in the court room of the city hall tomorrow night as set by the local board of aldermen at their last meeting.

Mayor W. S. Stafford this morning stated that the special call for the hearing has been sent for the members of the board of aldermen, and the hearing is the only business scheduled to be heard tomorrow night by the city officials.

In a letter to the Reflector received today from John R. Morris, area rent director, Morris stated, "This meeting (Tuesday night) is for the purpose of determining whether rent control should be lifted in Greenville and I feel, as area rent director, that it is my duty to urge all landlords and tenants to be represented at this meeting."

According to information received from Morris, the housing expediter has the authority to terminate rent

control in an incorporated town upon the receipt of a resolution from the town's governing body stating the governing body has found at a public hearing that there no longer exists such a shortage in rental housing accommodations as to require rent control in the area. The resolution of the governing body of the town must receive approval of the governor of the state.

According to the regulations, the housing expediter shall decontrol any unincorporated locality in the remainder of the area in which the decontrolled incorporated town is located.

Mayor Stafford said this morning a good representation of landlords as well as tenants is expected at tomorrow night's hearing, and it was indicated today that a group representing ECTC students who live off campus also will be present at the hearing.

In a recent release by the col-

lege newspaper, The Teco Echo, it was reported that 765 of the college students live off campus in the private homes of Greenville. Just what number of these students are in homes which come under rent control regulations could not be determined today.

He Claims Noronic Capt. Was Drunk

C. Ralph Willson (above), survivor of the Noronic steamship fire at Toronto last Saturday, testified at coroner's inquest in Cleveland that ship's captain was drunk before fire broke out. Officials of the steamship line vigorously denied the charge. (AP Wirephoto).

New Charges Of Soviet Pressure

Washington, Sept. 26.—(AP)—Yugoslavia today accused Russia of using every kind of pressure, including armed demonstrations, to force Premier Marshal Tito to bow under Moscow's will.

Addressing the United Nations Assembly, Yugoslav Foreign Minister Edvard Kardelj blasted at what he called Russia's imperialistic methods. He called on Russia to prove her desire for peace by leaving Yugoslavia alone.

He spoke directly to the Russians in their own language. Soviet Foreign Minister Andrei Y. Vishinsky, an early arrival, listened intently. He took many notes during the speech.

Referring to Vishinsky's appeals for peace in the Assembly last week, Kardelj said:

"One cannot possess peace-loving intentions while hurling upon Yugoslavia the threats the government of the U.S.S.R. is showering upon her."

He recalled that Vishinsky had expressed Russia's desire to cooperate with all nations in seeking peace.

Kardelj said Yugoslavia also is interested in such cooperation "and is always prepared to engage in it."

He did not indicate whether Yugoslavia would follow up this blast with a demand for U.N. intervention. This was generally considered unlikely, however.

Mother Regains Custody Of Baby

Mrs. Bonnie Finn, 32, of Pensacola, Fla., has regained custody of her nine-month-old son Shaughin after a court jury acquitted her of neglecting the baby to go night-clubbing. The court ordered the child restored to her. Deputy sheriffs said they found the child in a closed room cluttered with whiskey bottles. They arrested Mrs. Finn in a nearby night spot and charged her with depriving the baby of necessary care. (AP Photo).

See Campaign On Handling Of U. S. Foreign Policies

No Isolationist-Internationalist Argument Seen, But Critics Rap System

Washington, Sept. 26.—(AP)—A Republican-Democratic battle over foreign policy seemed to be developing today in preliminary skirmishes of the 1950 congressional campaign.

Politicians said they will be surprised if it warms into the isolationist-internationalist argument of yesterday. Instead, they look for a quarrel over the methods and strategy of keeping world peace.

Two Republican candidates in next year's Senate races—Senator Taft of Ohio and former Rep. Dirksen of Illinois—already are beating the bushes in criticism of Administration foreign policies.

Taft told a reporter some of his critics are accusing him unjustly of being an isolationist because he voted against the North Atlantic security pact and the Administration's \$1,314,000,000 foreign arms program.

Taft said he balked at the arms program because he thinks it may provoke Russia to war much sooner than the Soviets otherwise might go.

Dirksen, known as an advocate of international cooperation when he was a member of the House, has voted for it, when he was in the House.

Now he says that the U.S. deficit is such that to be sending funds abroad for European economic recovery is "like the blind leading the blind."

Democrats haven't settled on Taft's opponent. Senator Lucas of Illinois, the Democratic leader, probably will run again for the job Dirksen wants. Lucas is one of the staunchest Senate supporters of the Administration's foreign policies.

Senator Donnell (R-Mo.), another Republican critic of the handling of international affairs, expects to start campaigning soon for next year's elections.

There are reports the Administration may send W. Stuart Symington, secretary of the Air Force and former St. Louis manufacturer, after Donnell's scalp.

Cotton Experts Hunt Prevention Of Export Drop

Washington, Sept. 26.—(AP)—A group of cotton men set out today to find out how to prevent any drop in U.S. cotton shipments to other countries as a result of the cut in the value of the British pound.

They are members of the Cotton Export Advisory Board. It helps the Secretary of Agriculture to make policies affecting production and marketing of cotton.

Burrus Jackson, Hulsboro, Tex., a member of the group, told a reporter the cottonmen will discuss the problem with State Department and Economic Cooperation Administration officials as well as with Secretary of Agriculture Charles F. Brannan.

Shackleford To Die November 25

High Point, Sept. 26.—(AP)—Claude Shackleford, 33, today faced execution in the gas chamber for raping a 10-year-old High Point girl last Aug. 12.

An all-male Guilford County Superior Court jury convicted him of rape Saturday night. Judge Susie Sharp sentenced him to die on Nov. 25.

Lawmakers Stress Russian Espionage, U. S. Security

Boy Saves Pup Doomed To Die

Danny Ryan, 14, of Brooklyn, ran away from home with his ailing dog, Teddy, to save the pup from destruction—and everything came out all right. Boy and dog disappeared in the midst of elders' plans to destroy Teddy because his hind legs were paralyzed. Policemen found them camping in the woods near Alpine, N. J. They were taken by the officers to a veterinarian who said Teddy could be cured. They returned home, a happy pair. (AP Wirephoto).

Tension Mounts In Second Week Of Coal Strike

No Signs Of Walk-out's End; Violence Feared; Trio Held On Riot Charge

Pittsburgh, Sept. 26.—(AP)—Tension mounted in western Pennsylvania coal fields today as 480,000 United Mine Workers began the second week of their nationwide strike.

There are no signs of a break in the strike. John L. Lewis, head of the UMW, says none can be expected while steel contract talks are underway.

Pennsylvania state police are patrolling several areas in western Pennsylvania. They arrested three men on riot charges during the week end and said they're fearful violence may break out if pickets try to interrupt operations at some non-union mines.

The operator of the Lingle Coal Mine, near Shawfield, Pa., in the Clearfield area said he would try and bring coal out of his two deep mines and one strip mine today. Police said they'd stand by.

There have been reports of violence from pickets in several states, including West Virginia where 120,000 miners are idle. Last week pickets closed several small non-union mines near Charleston, W. Va. The pickets said they'd be back today.

There was little activity in most coal mining regions during the week end. This walkout is nothing unusual for the older miners—they've quit work voluntarily 21 times in the past 30 years.

This year the diggers have been idle twice before for a week or longer. In March they quit the pits for two weeks and in June for another week. And, since their contract ran out last June 30, most of them have been working only three days a week under Lewis' orders.

Now they're on what Lewis calls a "no day work week."

Lewis is set to resume contract talks with northern and western operators Thursday at White Sulphur Springs, W. Va. His big problem is trying to get the miners' pension plan back into operation and to stabilize it.

The operators finance the pension plan and other welfare benefits by paying 20-cent-a-ton royalty payments. Some southern operators quit paying—contending they didn't have to do so because the contract has expired.

Shortly afterwards, trustees of the fund cut off payments.

Boxscore

Raleigh, N. C., Sept. 26.—(AP)—The Motor Vehicle Accident's report of highway accidents for the period from 19 a. m. Saturday through 10 a. m. today:

Killed—4. Injured—64. Killed to date—588. Killed to date in 1948—803. Injured to date—4598. Injured to date in 1948—5304.

Probe Report On AEC Rewritten

First Draft Being Revised After Soviet Atomic Blast

Washington, Sept. 26.—(AP)—A proposed report by a Senate-House committee on its atomic energy commission investigation was being rewritten today in the light of the Russian atomic explosion.

Chairman McMahon (D-Conn) of the joint atomic committee confirmed that the first draft had been handed back to staff members for revision.

He said changes probably will be made in a section dealing with security measures the commission has taken to preserve A-bomb secrets. He wouldn't comment further.

Complaints that the commission hadn't taken enough precautions to guard against leaks that might put information in the hands of the Communists formed one of the principal grounds for charges by Senator Hickenlooper (R-Iowa).

The Iowa accused the AEC and its chairman, David E. Lilienthal, of "incredible mismanagement."

"There are indications any report that finally gets the approval of the congressional committee will say that Hickenlooper overshot the mark with the 'incredible mismanagement' charge."

Sen. Taft Urges Spain Be Accepted In Treaty

Washington, Sept. 26.—(AP)—Senator Taft (R-Ohio) wants Spain as partner in North Atlantic defenses against a possible attack from Soviet Russia.

The Senate Republican policy committee chief has urged a speedy return to friendly relations with that uranium producing country. He said he thought Spain ought to be invited into the community of nations prepared to fight any advances of Communism.

"She is in a key military position so far as Europe is concerned," Taft said before leaving for Ohio to resume political campaigning. "There is no reason why we shouldn't recognize her fully in a diplomatic way and send an Ambassador to Madrid."

The Spanish question may get new study when Senator McCarran (D-Nev) returns from a European trip, in the course of which he planned to see Premier Franco.

Church Expected To Clarify Its Stand On Ism

San Francisco, Sept. 26.—(AP)—A clear-cut stand on communism is expected to be taken by the Protestant Episcopal Church of the United States at its 56th general convention opening today.

The issue is expected to arise over discussions of the much publicized proceedings at Holy Trinity Church in Brooklyn.

The rector, the Rev. John Howard Melish, was ousted after he had refused to remove his son, the Rev. William Howard Melish, an associate pastor. The younger man was an organizer of the National Council of American-Soviet Friendship later termed subversive by former Attorney General Tom Clark.

Young Melish is here to get his case before both houses of the church legislature—the bishops and the deputies.

Question Of Espionage And Security At Home Wins More Emphasis Than Renewal Of Soviet Suggestions For World Controls Over A-Bomb

Washington, Sept. 26.—(AP)—The question of Russian espionage and American security won more emphasis from U. S. lawmakers today than a renewal of Soviet suggestions for world control over the A-bomb.

Two week-end statements by a pair of strategically placed members of Congress especially argued for tighter curbs on spies—now that Russia has had an atomic blast of her own.

The arguments were advanced by Rep. Velde (R-Ill) a former G-man who worked on Soviet espionage cases and Senator O'Connor (D-Md) acting chairman of a senate immigration subcommittee.

Now a member of the House Un-American Activities committee, Velde talked of introducing a resolution demanding that Congress investigate "our entire security set-up."

Velde said there should be an inquiry, that the security record is "disgraceful" and "a threat to our National existence."

For fifteen years, he said, the American government "from the White House down" has had an official attitude of tolerance and even sympathy for the views of Communists and fellow travelers.

As a result, he continued, espionage flourished and the Russians undoubtedly gained three to five years in manufacturing the atomic bomb.

Saying that there has been infiltration in the government by a spy network over the years, Velde added "Soviet espionage agents are still highly active."

In a broadcast, O'Connor said that under present laws the door is open for "Communist infiltration under the guise of diplomatic and semi-diplomatic status." Not only rank and file subversives are coming in, he said, but also hundreds of top leaders.

"As the agents of Moscow," he said, "they are the brains and the guiding force of subversive activity in this country."

They get in, he continued, as diplomats or as representatives of international organizations like the United Nations.

As to what can be done about them, O'Connor said the main need is for a law to bar them from the country or toss them out if they get in, regardless of their diplomatic status.

Secretary of State Acheson has protested that such a law would drastically interfere with the handling of Foreign Policy and might result in a rupture of relations with all Communist-Dominated countries.

Velde said an estimated 150 Soviet agents and American Communists tried to get the secret of the atom bomb from scientists who worked on it.

And, he said, "many weaknesses and laxities in the executive branch" of the government allowed a number of these agents to escape from the country with atomic or other scientific information.

Senator McMahon (D-Conn.) chairman of the Senate-House atomic committee meanwhile labeled as "a phony" the Russian call for international control of atomic weapons.

The Russian offer is for control to be exercised by a commission under the United Nations security council, in which Russia has often exercised a veto.

McMahon also said that he did not believe the Russians achieved a "working bomb" until a few weeks ago, yet "they would like the world to believe that they have a stockpile now."

Sugar Price Controls

War-time Price Controls Dead Except On One Major Commodity, Sugar; Extent Of Authority; Kicks Over Administration Of Sugar Law; Real Control By Quota

By OVID A. MARTIN

Washington, Sept. 26.—(AP)—War-time price controls have long been dead, but one major commodity still is under government price regulation. It is sugar.

The government does not have direct authority to set sugar prices, but it can control them indirectly through the Sugar Act of 1948. This Act directs the Agriculture Department to set up quotas on marketings and imports. By moving the quotas up and down, the department is in a position to regulate prices.

Some segments of the sugar industry have been kicking up quite a fuss over the way the department has been administering the sugar law.

On one side are domestic producers. Quite naturally they want prices as high as possible. It was largely in their behalf that the sugar law was passed. The legislation is designed to stabilize prices and supplies of sugar at levels which will enable them to compete with lower-cost foreign producing areas.

On the other side are sugar consumers. They want low prices. Some industrial users, particularly the soft drink industry, have been

complaining that prices are too high. The reason they are too high, say the bottlers, is that Secretary of Agriculture Brannan, is not permitting enough sugar to be imported to meet domestic needs. Domestic producers do not grow enough to fill the country's needs.

Reflecting the same viewpoint, one sugar refinery threatened to close down. It said it could not get enough raw sugar from Cuba to keep going.

These complaints from users and the refinery led Brannan to boost the overall 1949 marketing quotas from 7,250,000 to 7,600,000 short tons on Sept. 15.

Whether this increase will satisfy the industry only time will tell. Government figures show that during the first eight months of the year Americans used sugar at a greater annual rate than Brannan's original marketing quota for the year.

The boost in the quota is expected to halt a recent slight upturn in prices.

The department is not convinced, however, that sugar prices are too

For this is the result of tests made by hundreds of wives right in their homes. For your copy, write Pet Milk, 1503 Arcade Bldg., St. Louis 1, Missouri.

**ORANGE CUP CAKES**

**INGREDIENTS**  
1 1/4 cups sifted, all-purpose flour  
2 teaspoons baking powder  
1/4 teaspoon salt  
1/4 cup sugar  
1 unbeaten egg  
1/4 cup soft shortening  
1/4 cup Pet Milk  
1/4 cup orange juice

**DIRECTIONS**  
Turn on oven; set at moderately slow (350° F.). Grease 16 two-in. muffin cups, then dust with flour. Sift together flour, baking powder, salt and sugar. Add, all at once, rest of ingredients. Beat vigorously 5 min. Fill muffin cups only 3/4 full. Bake 15 min., or until cakes shrink from sides of cups. Cool, then spread tops with Orange Frosting, garnish with nuts if desired.

**ORANGE FROSTING:** Put into bowl 3 tablesp. Pet Milk, 1/4 teasp. grated orange rind and few grains salt. Stir in slowly 1/4 cups powdered sugar. Beat until smooth and creamy.

**YOUR HUSBAND WILL WELCOME PET MILK'S SAVINGS!**  
Pet Milk is so rich it can be used in place of expensive cream. Yet it costs less than half as much as cream; less generally than ordinary bottled milk.

## August Bride Honored At Tea

Mrs. James Wilton Wilkerson of Farmville, whose marriage took place late in August, was honor guest at a tea in Ragsdale Hall at East Carolina Teachers College Saturday afternoon. Hostesses were Misses Lena Ellis and Margaret Tift. During the afternoon approximately forty guests from the college faculty called to extend their good wishes to Mrs. Wilkerson.

As guests arrived they were greeted by Miss Ellis, Mrs. Wilkerson and Mrs. Herman Baker and Mrs. Archie Speight, sisters of the bride, both from Farmville.

Mrs. Wilkerson's costume was of gray crepe accented by black accessories. She wore a corsage of white carnations.

The reception rooms of Ragsdale Hall were attractively decorated with arrangements of dahlias, spider lilies and other fall flowers. Refreshments were served from a table covered with a lace cloth. Gardenias in a silver bowl made an attractive centerpiece. Branched silver candelabra with white tapers completed the table decorations, which carried out in its color scheme a bridal motif.

Presiding at the table during the afternoon were Mrs. Elmer Browning, Miss Annie L. Morton, Mrs. W. W. Howell, and Miss Audrey Dempsey.

Mrs. Wilkerson is a member of the faculty of the department of business education at East Carolina Teachers College and an alumna of the college here. Mr. Wilkerson is at present manager of the Pecan Grove Dairy farm in Farmville.

E. C. T. C. Faculty Wives Picnic  
Members of the ECTC Faculty Wives Club will begin their year's activities with a picnic for club members and their families. The picnic will be held at the outdoor fireplace on the campus on Tuesday afternoon, September 27, beginning at five o'clock. Members of the hostess committee for this occasion will be Mrs. L. L. May, chairman; Mesdames P. A. Toll, K. V. Gilbert, Meredith Posey, W. D. Brown, R. R. Willmann and H. A. Coleman.

## Regular Meeting Of Shrine Club

The regular meeting of the Greenville Shrine club was held Thursday night, September 22, at the Olde Towne Inn.  
President C. D. Ward, presided. The meeting was a great success as Mr. H. W. Abornhart, Jr., circus general agent, discussed the complete arrangements for the Shrine circus to be held October 18, at American Legion Airport field. All proceeds will go to charity funds to help underprivileged children.  
An office will be set up in the Munford building for all the transaction of business for the circus. There are five telephones to be installed.  
Walter Lee made a report on the crippled child who the club is sponsoring. He reported that pictures of the child will be presented soon.  
Two new members were welcomed, Luther Stokes, Carolina Sales Corporation, and Elmer Moore, Elbert Peadar's Service Station.

## Mrs. Tyson Presents Program Before Bethel Rotary Club

The Bethel Rotary club had one of the most entertaining and enjoyable programs last Tuesday night, when Mrs. B. L. Tyson of Greenville in her usual efficient manner, entertained the members of the club and guests with several selections on her accordion and gave several very good readings. "At the Foot of the Bed," one of the readings, was most amusing and made a hit with the group.  
Mr. John Fleming of Greenville was an out of town guest.

## Women In The Church

By MARY FOWLER  
Because of the fluctuating values of gold in communist-controlled North China, salaries at the Isabella Fisher Hospital of the Methodist Church, in Flentzin, are now being paid in catties of millet (one catty being the equivalent of one and one-third pounds) reports Miss Margaret M. Prentice, R. N., of Denver, Col., a staff member of the Hospital. Miss Prentice reports that, despite the upset conditions of the community, the Hospital graduated seven nurses this summer, the first since 1940; that 1336 in-patients and 18,760 clinic patients were cared for during the year; 238 babies were born; 40,000 portions of milk powder were given to infants, and 16,000 servings of biscuits and flour were served older children. Many patients, she says have become Christians during

their days in the Hospital as a result of the ministry of the Chinese pastor and the Bible woman there.

Dr. Gloria M. Wysner, of Mount Vernon, Ohio, an internationally recognized authority on the relationship of Christianity and Mohammedanism, and formerly a missionary in North Africa, has been appointed a secretary of the International Missionary Council, highest missionary consultative body in the Protestant world. Dr. Wysner will be located in the Council's American office (156 Fifth Avenue, New York City) in charge of work among Moslems and other Christian work in North Africa and the Near East, and also in promotion of Christian work for women and on behalf of the Christian home around the world. Formerly an Ohio school-teacher, Dr. Wysner went to North Africa under the Methodist Church and was the first woman ever ordained to the Methodist ministry in Algeria. She is the first woman ever chosen to an IMC secretaryship.

When the family of Arnold Lubove arrived in the United States from a displaced persons camp in Germany, they were settled on a farm near Bagley, Wisconsin, by the U. S. Lutheran Resettlement Service. Three weeks later Mr. Lubove was accidentally killed by farm machinery. It was then that the pastor and people of the Lutheran Church in Bagley came to the assistance of the widow and three children and are providing home and work that they will not have to be returned to Germany as "public charges." "In fact," says Pastor W. G. Spiegel "the whole community of Bagley has come to their assistance."

## Small Craft Get Coastal Warning

Miami, Fla., Sept. 26 (AP)—Small craft warnings were ordered on display from Jacksonville, Fla. to Cape Hatteras, N. C., at 9 a.m. today.  
Rough seas and northeast to east winds of 20 to 30 miles an hour were predicted by the Weather Bureau. The warnings remain up for 24 hours unless lowered or extended.  
A high pressure system to the north acting upon a tropical low was reported to be causing the wind and some heavy showers.

## Civil Term Of Court This Week

When Judge R. Hunt Parker of Roanoke Rapids convened the civil term of court here today there were only four suits for divorce on the calendar for hearing, and that's a record. A dozen or more divorce actions are usually on the calendar for hearing the first day of civil court.  
Twenty-five causes are scheduled for trial this week. These include the four divorce cases. Some of the cases are important.

Cases scheduled for today were: John L. Jolly vs Elizabeth Jolly, William Steppe vs Barbara Steppe, Naomi Roach vs Jarvis Roach, Martha Parkinson vs Bartholomew Parkinson, Joe Henry Dixon vs B. & W. Chevrolet Co., Hiram F. Smith vs Ben Barrow, Jr., Ray L. Cox vs Ida Cannon, A. L. Cox vs Ida Cannon.

# Benefits For Veterans In State Above \$94 Millions

Raleigh, N. C., Sept. 26—(AP)—Unemployment and self-employment benefits given North Carolina's World War II veterans under the GI Bill totalled \$94,592,851. The benefits went to 210,386 persons, or 56.1 per cent of the state's 375,000 veterans eligible under the bill.

The figures were released yesterday by Henry E. Kendall, chairman of the state employment security commission. Almost final records of benefits under the servicemen's bill.

readjustment act—better known as the GI bill of rights—show that: 155,025 veterans claimed allowances for unemployment for one week or more, totalling \$48,484,027. 13,710 veterans exhausted their unemployment benefits, claiming and receiving all to which they were entitled.

An overall total of 36,241 exhausted their benefit. This includes those drawing unemployment and self-employment benefits. The bulk of benefits under the bill expired July 25. Unemployed veterans were eligible for payments of \$20 a week for 52 weeks. Self-employed veterans were eligible to draw the amount needed to bring their incomes up to \$100 a month for 10.2 months.

Of the self-employed, 55,361 drew one or more checks for a total of \$46,098,924. A total of 483,006 claims were certified, with but 22,531 of the claimants exhausting the benefits to which they were entitled.

## World Federalists To Hold Convention

Charlotte, N.C., Sept. 26—(AP)—The United World Federalists of North Carolina will hold their annual convention here Oct. 15-16. The group is working to develop the United Nations into a world federal government. It has chapters in 19 cities in North Carolina, and student chapters at colleges and universities.

Enter FORD'S \$100,000 CAR-SAFETY CONTEST and get this attractive reflector installed FREE! SEE ANY FORD DEALER NOW!

# Big Response To Cattle Program

Raleigh, Sept. 26—(AP)—The State Department of Agriculture is being deluged with orders under its new beef cattle program. Inaugurated a few weeks ago by Agriculture Commissioner L. Y. Ballentine, the program already has seen the shipping of 300 head of cattle to Piedmont and Eastern farmers.

The purpose of the program is to get the Piedmont and Eastern farmers to buy stock from Western farmers for fattening before slaughter. Many Piedmont and Eastern farmers have surplus feedstuffs. In the past, many Western Tar Heel beef animals have been shipped to feed lots in other states for fattening.

Robert S. Curtis, one of the department's livestock marketing specialists, said today most of the cattle shipments are being loaded at Asheville, Clyde and West Jefferson. Deliveries are made both by rail and truck.

"We have a backlog of orders for several hundred feeders, steers and breeding heifers, and new orders are being received daily," Curtis said. "Heavier and more frequent shipments can be expected a little later in the fall, when Western North Carolina farmers take their cattle off of pasture."

**BISSHOP SEES POPE**  
Castel Gandolfo, Italy, Sept. 26—(AP)—Pope Pius XII today received in private audience the most Rev. Vincent S. Waters, Bishop of Raleigh, N. C.

One of the earliest known maps is a 4,500-year-old baked clay tablet from Babylon.

# 'Bloody Brawl' Is Ketchup Duel

New York, Sept. 26—(AP)—It looked like a bloody brawl. Twenty men and youths were smeared with crimson when police arrived to break up a free-for-all at a Manhattan restaurant last night.

But it was only ketchup—the restaurant's total supply. Tossing the ketchup bottles led to disorderly conduct charges against all 20 participants.

# Leaf Prices Rise On Border Belt

Raleigh, Sept. 26—(AP)—Flue-cured tobacco prices on the Carolina Border belt last week saw many grades reach their highest averages of the season.

The Belt's eighth week of sales saw common grades and nondescript make the greatest gains. Most gains were \$1 to \$5 a hundred pounds, with the better grades about steady, according to the federal-state departments of agriculture. Gross sales totaled 6,926,035 pounds for an average of \$48.34, an increase of \$1.11 over the previous week.

On the Old Belt, second week sales totaled 17,788,014 pounds averaging \$47.43 a hundred, or 81 cents below the preceding week's average.

On the Eastern North Carolina belt, fifth week sales saw marketings remain firm or advance slightly. Gross sales last week were 47,680,143 pounds averaging \$51.57, or about \$2.78 higher than the previous week.

General averages on the Middle Belt declined last week, with gross sales totaling 16,811,711 pounds. The price average of \$46.12 was \$1.19 below the previous week.

**SURE...** women who take Cardui know how simple functional monthly periodic pains and nervousness can be soothed and calmed. Cardui has been woman's ally for 67 years. Today Cardui is bettered by accurate **LABORATORY CONTROL.** Modern research provides a check on every bottle of Cardui. That's why millions of women prefer Cardui. It acts two ways: (1) take as directed to reduce pain due to spasms of functional organ; also aids in **SOOTHING** nervous systems upset by sympathetic reaction; (2) taken regularly it helps build resistance to lessen functional monthly distress. Buy Cardui by name from your druggist, today.

There are 500 flowering plants, including the grasses, in Mount Rainer National Park. Wash. A map of the Nile valley for tax purposes was made as early as the 13th Century B.C.

# Brown Nursing Plan Unwise

Last Fall the Russell Sage Foundation in New York published a book by Esther Lucile Brown, Ph. D., director of the Department of Studies in the Professions for that foundation, entitled "Nursing for the Future."

The work is supposedly an effort on Dr. Brown's part to evaluate the field of nursing and to suggest how it may be integrated with the nursing and medical needs of the present and future.

Briefly, her conclusions are as follows: One. Hospital nursing schools, where most of our nurses now receive their training, should be abolished.

Two. Nurses' training should be on the college level, leading to a degree, and students would do bedside nursing only as laboratory work.

Three. These graduates would be chiefly supervisors, teachers, and the like, the familiar "R. N.," with three years of training, her functions presumably outmoded, passing into oblivion.

Four. Her place would be taken by practical nurses, with from 8 to 12 months training, sufficient, the author thinks, for "routine" nursing duty.

Five. Realizing that most nurse candidates lack funds for a college course, Dr. Brown suggests federal subsidy of such schools.

Six. Authority for accrediting nurses' training schools would pass from state boards of examiners, where it now resides, into the hands of a national board in New York.

The Morning News believes that the aims and purposes of such a plan are extremely unwise, not only from the medical and nursing standpoints, but from the standpoint of the Federal government itself. Not enough young women now are attracted to the profession to meet the demands for bedside nurses. Lessening the training period to a year or less would not solve the problem, for the lowering of prestige in the process, together with the inevitable lesser salaries of these practical nurses, would hardly be calculated to encourage more girls of desirable standards to enter the field.

In addition the patient's welfare should be the first consideration. A nurse with 12 months' training cannot be as well qualified as one with three, as is required by hospital training schools now. And the college-trained, professional nurse would do little if any actual nursing—her work would be something in the nature of a doctor's assistant—with sufficient knowledge to ease the strain on our under-staffed medical profession, and with too much to

descend to waiting on the sick! The proposed Federal subsidy for nursing schools and the centralization of accerted authority are even more alarming from a long range view. This could easily lead to the socialization of medical service, to which we are unalterably opposed as wasteful and inefficient, and to the further usurpation by the federal government of functions which can better be handled on the local level by those familiar with varying local needs.

We, the Registered Nurses' have announced unequivocally against the Brown proposals, like wise our own 6th District Nurses' Association.

Dr. Brown's recommendations and her theories concerning the profession of nursing, lean dangerously too far toward the kind of undesirable socialism in government which the Truman regime is striving to inflict on the weary backs of the American people; and we believe that they deserve to be vigorously opposed if and when they are offered as a basis for legislative action in Congress.—(Adv.)

# Rocket-Launching Bases Menace Western Europe

Berlin, Sept. 26—(AP)—Russia has dotted Eastern Europe with launching bases for deadlier rockets than Hitler ever used in World War II, German and American sources said today.

Reliable German sources said at least the Nazi-built munitions plant in Soviet-occupied Germany is producing rockets for Russia.

The exact location of the Soviet launching bases is not known. But Allied military intelligence officers said they believed Russia had constructed a chain of them—aimed at Western Europe—stretching from the Baltic to the Black Sea in Soviet satellite territory.

A U. S. intelligence officer said it is a matter of speculation whether rockets launched in Czechoslovakia, Poland or the Balkans could

reach the farthest points of Western Europe.

Military informants said there was no evidence the Soviet zone of Germany was being prepared as a rocket launching base.

The Soviet zone, however, includes Peenemuende, one of the biggest of Hitler's rocket plants on the Baltic coast. Peenemuende was once smashed by British bombers but reports circulated recently Russia has rebuilt it with German war prisoners as laborers.

**Two Accidents Over Weekend**

State Highway Patrolman R. C. Holt, stationed in Ayden, reported today that during the past weekend two wrecks occurred near Ayden and Winterville.

The first wreck occurred on Saturday about 6 o'clock, two and one half miles from Winterville.

A car operated by M. A. Campbell, Rocky Mount, was going west on the highway when a large hog weighing about one hundred pounds jumped a ditch and came into the path of the oncoming car. The hog struck the front of the car causing damage estimated at \$65 and the hog was killed. The driver when the car in front of Dempsey slowed down forcing Dempsey to

**UNC Presidency Candidates Cut**

Chapel Hill, N. C., Sept. 26—(AP)—The committee which will recommend a successor to Sen. Frank P. Graham as President of the University of North Carolina has narrowed the candidates down from 200 to 25.

"We are now ready to get down to the more intensive phase of the search," said Chairman Victor S. Bryant of Durham after a meeting of the board of trustees committee here Saturday.

"We ought to be able to move faster from now on," he added.

"However, we are not ready to set a time limit."

Largest dinosaur found in South Dakota's White River area, home of pre-historic monsters, was the brontothorium. This was similar in appearance to a rhinoceros and reached the size of a full-grown elephant.

## Denies Use Of ABC Men Illegal

Tarboro, Sept. 26—(AP)—The Edgecombe County attorney has denied a union representative's claim that the use of Alcoholic Beverage Control officers in the Hart Cotton mill strike is illegal.

County Attorney C. H. Leggett said yesterday he had given his opinion to the county commissioners before Sheriff Tom Bardin deputized ABC officers to supervise picketing at the mill.

The sheriff, Leggett added, wanted men with police experience "There's nothing unusual or illegal about the matter," he added.

Howard Parker, representing the Textile Union Workers of America, CIO, said Saturday he would protest to the county commissioners about the use of the ABC officers.

The strike has been in progress more than four months. Minor violence has broken out several times since the plant was reopened week before last after an extended shutdown.

## Rescue Plane To Pick Up Lowell Thomas In India

New York, Sept. 26—(AP)—A rescue plane is expected to fly to the Indian border to pick up Lowell Thomas, injured in Tibet when thrown from a horse, as he arrives in a sedan chair after a 16-day trek.

Lowell Thomas, Jr., has cabled from the Tibetan village of Gyantse that his father would be taken by bearers on the long march to the other side of the Himalayan mountains.

The New York office of the author and radio newscaster and commentator said yesterday the U. S. Air Force planned to send a rescue plane as soon as Thomas reaches the Himalayan states of Bhutan at the Tibetan frontier.

Inhabitants of the sub-surface ocean are noisy. During the war the navy had to "screen out" noises of ocean creatures so that its instruments for detecting submarine sounds could work effectively.

# Favored Lenoir-Rhyne Barely Edge Underdog Pirates

## Bears Eke 21-20 Win Against Bucs

Only Desperate Goal-Line Stands Save Visitors From Upset By Dole's Stubbornly Aggressive Buccaneers

East Carolina	Lenoir-Rhyne
11	12
103	182
27	7
11	5
131	37
1	5
8	5
28	33
18	60

Lenoir-Rhyne's Bears, the team pre-season forecasts predicted would sweep the North State football conference, had to muster three desperate goal line stands here Saturday night to edge a surprisingly potent East Carolina Teachers College gridiron aggregation 21-20.

Coach Bill Dole's Pirates, rated a four touchdown underdog, traded the visitors blow for blow as an offensive team led through the line by Fullback John Smith and through the air by the passing of Quarterback Roger Thrift, scored three touchdowns and missed two others by a matter of two yards.

An outwitted but stubbornly determined Buccaneer defensive team, sparked by End Stan Peel and Tackle Ken Booth, held the Bears in check most of the game.

A fast and hard-driving quarterback, John Charles, paced the Bears to their opening victory of the North State season. Charles, whose long runs gave Lenoir-Rhyne most of its 12 first downs, scored two of the

Bears' touchdowns.

The margin of victory was supplied by the three-for-three extra point kicking of Tackle Painter, captain of the Lenoir-Rhyne squad.

Lenoir-Rhyne scored in the opening minutes of play on a sustained 58-yard march led by Charles and Fullback Ostwald. Charles bucked over from the five to break the tie and Painter booted the point to put Lenoir-Rhyne out front 7-0.

The Bucs, held in front of the Bears' 40 for the entire first quarter, raised back to knot the count in the second John Daughtry a freshman end from Wilmington, playing defensive halfback, set up the score when he intercepted a pass on the Lenoir-Rhyne 44 and raced down to the 28 before he was stopped.

A 15-yard roughness penalty put the Pirates on the 13 from where Doug Bryant picked up four yards to move it down to the nine. The Lenoir-Rhyne line tightened but Thrift took the air to hit Freshman End Dwight Shoe over the goal line for the tying touchdown. Jim Danks kicked the point.

Alternate Captain Camp, the Bears' center, intercepted a pass on the East Carolina 5 to set up Lenoir-Rhyne's second touchdown midway the second quarter. He went 10 yards to the 15 before he was finally hauled down. A pass to Blocking Back Harrill gave the Bears a first and goal on the four from where Charles plowed over for the tally and Painter kicked the point.

East Carolina, in a drive begun on their own 21, marched all the way to the Lenoir-Rhyne one yard line in the closing minutes of the half. The march was highlighted by the dogged line plunges of John Smith, the sweeps of Mike Kovach and a 17-yard sprint by Bryant. A 15-yard pass from Thrift to Bryant really put the Bucs at touchdown

## WCTC Takes Lead In North State Race

Catamounts Regarded As Team To Be Reckoned With In 13-6 Win Over Appalachian

By the ASSOCIATED PRESS

Western Carolina Teachers College has shown the North State Conference football field it must be reckoned with this season.

Its 3-6 victory Saturday over Appalachian's defending champions was the second conference triumph of the season for Coach Tom Young's club.

The Catamounts lead the conference race, with Catawba, Elon, Guilford and Lenoir-Rhyne following with victories in their only conference games.

Lenoir-Rhyne just squeaked by a surprising East Carolina Teachers club, 21-20.

Elon continued to live up to Coach Jim Mallory's promise that the team would have a more interesting offense this season. In two games it did all last season. Atlantic Christian was a 33-0 victim Saturday.

Catawba defeated Erskine of South Carolina 20-7 with Johnny Coble scoring one touchdown and passing for another. But a South Carolina club turned the tables on the conference when Newberry defeated High Point 25-0.

Guilford defeated Hampden-Sydney 19-13 Friday night.

Appalachian's Friday night game at Elon is the only conference match this week.

High Point plays Fort Bragg Thursday night and Atlantic Christian is at Norfolk Naval Apprentice Friday night. On Saturday night, Wofford will be at Catawba, East Carolina Teachers at Hampden-Sydney, Newberry at Lenoir-Rhyne, and Western Carolina Teachers at Tusculum.

door but a pass was intercepted behind the goal to end the threat.

The Bucs threatened again in the opening minutes of the second half when Stan Peel recovered a fumble on the 21 of Lenoir-Rhyne. Bryant broke loose for 11 yards and a first down on the 10-yard line. Smith bulldozed his way to the one-foot line where the Bears held.

But East Carolina came right back to score its second touchdown. Lenoir-Rhyne kicked out to the 40. A clipping penalty gave the Bucs a first and 10 on the 25. Three plays later Thrift passed to Sophomore End Ed Tanner for 20 yards and a TD. Danks' kick was good and the Bucs were in a 14-all tie with the Bears.

A drive starting on the midfield stripe ended with Lenoir-Rhyne's 14 touchdown in the opening of the fourth quarter. Ostwald and Charles carried the ball to the Pirate eight on a series of line plunges and end sweeps and Megginson knifed over from the right for the score. Painter's placement was good for a victory.

Again the Bucs drove deep into Lenoir-Rhyne territory only to lose the ball on an intercepted pass 11 yards from paydirt.

A fumble recovered by Peel set up East Carolina's final tally. Thrift passed from the 35 to Shoe and Bryant picked up two for a first down. Then Johnny Smith drove down to the 10 and Kovach picked up two more. Thrift hit Kovach in the end zone for the score. Danks' kick was a few scant inches short and the Lenoir-Rhyne Bears won 21-20.

With time running out, Coach Dole's boys fought desperately to score again. And it almost paid off. Dimittive Billy Smith, a 145 pound halfback from Portsmouth, Va., returned a Lenoir-Rhyne punt 40 yards behind beautiful blocking, to put the Bucs on the Bears' 30.

Camp intercepted a pass and the Bears kept possession of the ball until the final whistle.

One of the highlights of the game was the uncanon punt of East Carolina Halfback Bill Darby who came through with a 35-yard average and got off one boot of 43 yards despite a fumble and his being almost swamped by Lenoir-Rhyne tacklers.

Lineups: East Carolina—Ends, Tanner, Shoe, Daughtry, Bradley, Peel and Winslow; tackles, Kilpatrick, Booth, McKenzie, McDonald; guards, Byrd, Kinlaw, Trotman, Edlis; centers, Promnitz, Pollitt, Boyd; quarterbacks, Thrift, Siler; halfbacks, Kovach, Bryant, B. Smith, Darby; fullbacks, J. Smith, Danks. Lenoir-Rhyne—Ends, Coyne, Little, Clark, Robinson, De Marcus; tackles, Confer, Painter, Newsome, Archibald; guards, Snyder, Wakefield, White, Robinson, Campbell; centers, Camp, Abee; backs, Charles, Harrill, Bonasorte, Ostwald, Montagna, Megginson, Hummel.

Officials: Clary, Lanier, Edwards and Hendrickson; Reflector statistician, Jim Bullock.

## Bosox 'Palookas' And Yanks Play For League Lead

By RALPH RODEN

Associated Press Sports Writer

When Tom Yawkey, millionaire owner of the Boston Red Sox, said, "Those darn Palookas of mine are going to be the American League champs," everyone thought it was a good crack.

Well, those Palookas are tied with the New York Yankees for first place in the American League today, a position they expect to better by nightfall.

Lefty Mel Parnell pitched the rampaging Red Sox into a flat-footed yesterday as he downed the Yanks, 4-1, with a neat four-hitter before a howling mob of 35,517 fans at Boston.

Parnell's beauty followed Ellis Kinder's brilliant 3-0 six-hit job over the sagging Yanks Saturday.

The Red Sox take on the Yanks in the Stadium today with Lefty Maurice McDermott (5-4) scheduled to go for the Palookas against New York's Tommy Byrne (15-7).

Following today's battle both teams will have five games left to play including two at the New York park next Saturday and Sunday. In between meetings the Red Sox play three games with last place Washington and the Yanks three with the pesky fifth place Philadelphia Athletics.

While the Red Sox stiffened the Yanks yesterday the St. Louis Cardinals soared into a commanding one and one half game lead over the Brooklyn Dodgers in the National League race. The Cards beat the Chicago Cubs, 6-1, while the Philadelphia Phils silt the Dodgers, 5-3.

St. Louis and Brooklyn, marking time today, have five and four games left to play, respectively. The Cards have three dates with the last place Cubs and two with sixth place Pittsburgh. The Dodgers have two meetings with the Phils and two with Boston.

Should the Cards win only three of their remaining five games it would assure them of no worse than a tie, providing Brooklyn takes all four of its games.

## Southern Conference Clubs Drop 6 Intersectional Tilts

By the ASSOCIATED PRESS

Six Southern Conference clubs played intersectional foes away from home last weekend. All six lost. In one tilt, Rice snapped Clemson's 18-game winning streak.

Highlights of last week's games: Rice 33 Clemson 7—Rice's brilliant running and the Owls' ability to cash in on the breaks were too much for the Tigers. Fullback Fred Cline ended a 64-yard drive with a two-yard drive that produced the Tigers' only score.

North Carolina 26 North Carolina State 6 — Charlie Justice, North Carolina's All-America halfback scored once, passed for another tally and handed off for a third. The Tar Heels, held to a 7-6 advantage after three quarters, exploded for 19 points in the final chapter.

Pittsburgh 13 William and Mary 7 — Pitt won this one by taking advantage of the breaks. On the game's third play, Buddy Lex couldn't pick up a bad pass from center when he went back to kick in the end zone. Pitt hopped on the ball for a touchdown, and the Indians never caught up.

Duke 87 Richmond 0—Need more be said?

Maryland 34 Virginia Tech 7—Held to 14-7 at the end of the third period, the Old Liners, led by Stan Lavine, clicked off 20 points to make it a runaway.

Army 47 Davidson 7—The Wildcats were no match for Army. After Davidson's second period touchdown, Army rolled.

Quantico 14 VMI 7—The Keydets' short passes threw a score into the Marines, who marked up victory No. 27 in a row. After Quantico scored twice, VMI marched 55 yards behind Joe Veltri's passes for the Keydets' only TD.

Virginia 27 George Washington 15 — Virginia's Johnny Pappi more than equaled the passing of GW's Andy Davis. Pappi scored a nice himself and helped set up the other tallies. Davis' passes accounted for both Colonial touchdowns.

Baylor 20 South Carolina 6—Baylor had fine passing, aerials accounting for all three touchdowns.

Florida 13 the Citadel 0—Florida's defense was too strong. Here again, the breaks played an important part.

Southern Methodist 13 Wake Forest 7—Doak Walker, SMU's All-America back, passed for two touchdowns. Aside from Walker's passes, the Deacons stopped the Mustangs cold.

St. Louis Argues V-Day For Cards

Enroute to Pittsburgh with the Cardinals, Sept. 26—(AP)—Practically everybody in St. Louis, from the big banker to the little hat check girl, thinks the St. Louis Cardinals won the National League pennant yesterday.

That is, everybody but Eddie Dyer manager of the Redbirds. He thinks the Cards won the flag the night before.

That sound too confusing? Let's try to make it a little clearer.

St. Louisians think that yesterday's results which showed the Cards defeating the Chicago Cubs, 6-1, while the Philadelphia Phils were knocking off Brooklyn's second-place Dodgers, just about clinched matters for Dyer's boys.

That game and a half lead with only five to go for the Birds simply is too much for the Dodgers to make up, they insist, even if the Brooks win their remaining four games, the Dodgers can't catch them if the Cards win four of their remaining five.

Now we come to Dyer. At exactly 1:30 p. m. EST, an hour before his team was to tangle with the Cubs yesterday, and with St. Louis only a half game ahead of Brooklyn, the affable skipper said:

"I think the Cards will win the pennant. Do you know why? Because last night we won a game that by all laws of baseball we had no right to win."

"The boys gave one of their poorest exhibitions of the year, if not the poorest."

Michigan, Irish In Coast Invasion

New York, Sept. 26—(AP)—Michigan and Notre Dame, college football's fearsome one-two punch, moved to the Pacific Coast this week to find out if the far westerners really are on the rebound.

The top-ranked Wolverines go against Stanford, one of the coast's surprise "Big Three" of the young season. The Fighting Irish invade for a tiff with Washington.

The sun-baked Pacific athletes, who have been easy intersectional pickings since the war, showed a lot of grit and grit Saturday in scoring three important victories.

This brought rise to talk that perhaps the coast is ready to reclaim its old position of gridiron might.

Stanford rolled over Harvard, no giant but a fairly good eastern eleven, 44-0. Southern California jarred a Navy team of great expectations, 42-20. U.C.L.A. won its second straight game with an intersectional triumph over Iowa, 41-25.

Kiner Hits His 53rd Home Run

New York, Sept. 26—(AP)—Ralph Kiner, Pittsburgh outfielder, knocked out his 53rd home run yesterday to go three games ahead of the pace set by Hack Wilson, who set a National League record of 56 with the Chicago Cubs in 1930.

Kiner, however, is six games behind the major League record pace of Babe Ruth, who hit 60 for the 1927 New York Yankees.

Wilson hit his 54th homer in his 154th game on Sept. 26. Ruth clouted his 54th in his 147th game on Sept. 18.

Monroe Voters Oppose Sale Of Beer And Wine

Monroe, N.C., Sept. 26—(AP)—This Union County seat voted against the legal sale of wine and beer Saturday.

The complete, unofficial vote was: Against beer 1,088, for 733. Against wine 1,115, for 700.

Residents of Monroe petitioned for a beer-wine election after Union County outlawed the beverages, 4,197 to 812, in an election last Feb. 12. Legal sale of whiskey had been prohibited in the county.

Cautions Check On Headgear In Football Games

Los Angeles, Sept. 26—(AP)—A spokesman for the American Football Coaches Association today sounded a grave plea for all grid players—sandlot, high school, college and professional—to "check your head-gears before each game."

The word of caution came from Dr. Floyd E. Eastwood of Los Angeles, chairman of the Coaches' committee on injuries and fatalities.

A toll of 325 players has been fatally injured as a direct result of football injuries, according to records over the past 17 years by the committee.

Of this total, Dr. Eastwood said, approximately 69 per cent of all direct fatalities were caused by blows to the head, resulting in head or spinal cord injury.

Benny Friedman, Michigan All-America in 1926 who now is athletic director at Brandeis University, was football coach at CUNY from 1934 to 1941.

Schroeder Trims South African

Barkeley, Calif., Sept. 26—(AP)—Ted Schroeder of La Crescenta, Calif., made short work of South Africa's Eric Sturges in retaining his National Amateur Hardcourt tennis championship.

Before an overflow crowd of 2,000 the hand-swinging Schroeder disposed of Sturges 6-1, 6-3, 6-1 yesterday.

Then they teamed to win the doubles crown from Czechs, Jaroslav Drobný and Vladimir Cernik, 6-4, 6-3, 4-6, 7-9, 6-4 in the day's best match.

## DOUBLE TROUBLE

AP Newsfeatures By WILLIAM HOBSON

Chapter 14  
Ellen and Harry came back and presently Turk's big shadow darkened the doorway. He came in carrying his saddle, the sweat of the damp blankets filling the room. "Well, bust mah britches!" he exclaimed. "We got visitors! Howdy, Miss Randall. Don't reckon I know these other folks. And me three days without a shave!" Ellen made the introductions and Jay went, on slicing smoked ham. Harry Seltzer had another drink from the now almost empty bottle and Turk finished it off. He washed up, and by the time he came inside again supper was sizzling on the table. Presently he rose and tossed away the last of a cigarette. "I'd better go down to the creek and get some water for the morning," he said. "I'll be back in a few minutes." "I'll go with you," Ellen said. "It'll be a long time before you're back at the ranch, darling." He went out with her, carrying the two packs, his ears burning at Turk's open laughter. They walked down the well-worn trail in silence. It was then he saw her face, bright in the first light of a new moon rising above the horizon. "All right, Joe. Let's have an explanation," she said quietly. He stared at her uncomprehendingly. "I don't know what you're driving at, Ellen. You saw I didn't take a drink tonight." "Don't try to evade the issue," she cried out passionately. "I'm not trying to evade anything," he said doggedly. "I just don't know what it's all about, that's all." He was completely puzzled. "What about Lucia?" she demanded. He felt his mind begin to whirl. How did she know about Lucia? "Why—" he began awkwardly, but she didn't give him a chance. "So it's true! You thought I wouldn't find out, didn't you? You didn't know that Peg Smith is on Dad's payroll to watch the Morgans and to look out for strange tracks, did you? Well, he rode into the ranch and told Dad everything. He had a bandage around his head. You'd hit him over the head with a gun barrel a second time. You were down in some settlement—I don't know what kind—and drunk and making love to this Lucia, weren't you? You picked a quarrel with him and struck him, didn't you. Well, I didn't ride up here fifteen miles to show Mary and Harry the country. I rode up here to tell you that Dad is frothing at the mouth—that you're through-fired—and that I hate you from the bottom of my heart. But I didn't tell you when you first got in. I wanted to wait. I wanted to let you think you're getting away with something. I wanted to tell you that I'm marrying Harry Seltzer the first of next month!" He let it sink in, standing rigidly. He knew that if he were Joe he'd slap her face, quarrel with her, anything except stand there and take it. But he bent and picked up the buckets. "All right," he said quietly. "I'll pack up and haul in the morning." He felt sick inside. He had let Joe down by trying to play Joe's game: riding with Turk to Brad Morden's layout on Antelope Creek. "Haven't you anything to say?" she finally demanded, and he knew it was a defensive gesture to cover her feelings. "Aren't you even going to deny it?" He felt the slight jar, at first, somewhere in the vicinity of his left shoulder blade. It was communicated to all his senses with the speed of a dynamite explosion that ended up in his brain. The water pails went flying as he plunged face down in the trail. From somewhere nearby echoed the crash of a heavy caliber rifle. He lay there on his face in the dirt, his senses telling him that something was wrong. He heard her scream, the sound of running footsteps, and vaguely in the distance came the reports of Turk's pistol and the sound of Turk's swearing. Ellen was crying. "Joe! Joe, darling, you've been shot! Turk, come quick." And he felt her roll him over on his back.

# Boy To Take Stand Today In 'Lonely Heart' Death

Dover, Del., Sept. 26—(AP)—A set of false teeth and a 16-year-old boy are the focal points of interest today at Delaware's lonely hearts murder trial.

Sixteen-year-old Robert Brennan is expected to take the witness stand in his own defense. He is being tried on a murder charge in the shotgun slaying of Wade N. Woodridge, 67-year-old carpenter from Stone Mountain, Va.

The state contends Robert Brennan shot the Virginian at the orders of his mother, Mrs. Ines Brennan, 45, who met Woodridge through lonely hearts correspondence.

Mrs. Brennan is being tried at the same time as an accomplice in Woodridge's death.

Defense Attorney Benjamin R. Donolow said yesterday he hopes to prove the identification of a set of false teeth as Woodridge's.

Donolow said he will call Dr. Hal-lowell Smith of the University of Pennsylvania Dental School in an effort to show that no one could have identified the teeth as belonging to any one person.

The defense is expected to wind up its case today. Robert and his mother went on trial Sept. 12.

The state contends that Woodridge was shot Oct. 10 in a barn on the Brennan farm near Dover, his body buried in a pigpen, later disinterred, burned and the ashes scattered on a Dover city dump.

Robert, his mother and two other

# Arrest Five For Violation Game Laws In County

Pitt County Game Warden J. O. Teel reported five persons were arrested and prosecuted last week for violation of game laws in Pitt county.

The heaviest fine, he said, was imposed on A. T. Warren of Grimesland, who was arrested Friday and tried before Magistrate H. L. Jenkins. Teel said when Warren was arrested near Bear Creek, he had eight squirrels in his possession. Warren was found guilty of hunting squirrels out of season, and fined \$50 and costs.

Teel cautioned hunters that squirrel season does not come in until October 1. He also cautioned hunters that dove season which opened September 16 will end September 30, and that doves may be taken only between the hours of noon and sunset.

# Heavy Docket In Friday's Court

In Police Court Friday, Vinie B. Gilliam, colored, of a rural point, was fined \$20 or serve two years in jail for shoplifting.

Donald J. Pelvitt was in a lot of trouble, the records show. Judge J. W. H. Roberts gave him 30 days in jail or pay \$25 for being drunk and disorderly. The court gave him six months on the roads or pay \$25 for driving without an operator's license. Pelvitt was not guilty of driving drunk.

Virginia Waller of Lenor County was fined \$20 for possessing non-tax-paid whiskey for sale. John F. Croom of Lenor County was not guilty of transporting liquor.

James F. Newton paid \$20 for speeding. He also paid \$25 for not having a chauffeur's license.

Rodney E. Squires paid \$15 for a traffic violation.

John Atkinson, colored, was not guilty of having whiskey in his possession for sale.

Allene Harris paid \$15 for an assault.

Sam H. Jenkins, colored, paid \$25 for driving without an operator's license. W. E. Flanagan, colored, also paid \$25.

Edward Davis, colored, paid \$50 for assault with a deadly weapon and \$8 doctor's bill. He also paid \$15 for disorderly conduct, affray, damage to personal property.

Ashley McDuffy paid \$5 on costs for crashing a red light.

W. E. Flanagan, colored, was not guilty of operating a motor vehicle without lights after dark.

John Willis, colored, paid \$15 for assault with a deadly weapon and trespassing.

Robert B. Jones paid \$15 for disorderly conduct and resisting arrest.

Drunk: Gail G. McDowell, \$15; Richard W. Holley, \$15; Ellis E. Outler, \$15 or 30 days in jail; Arvil Suggs, 30 days; Johnny M. Harris, \$20; William T. Davenport, \$15; Robert Harrington, \$15 or 30 days in jail.

James E. Battle, colored, assault, was given 30 days at the county home.

# More Complaints To Police About Acts Of Vandalism Here

Another complaint was made to police at the weekend about alleged acts of vandalism by two youngsters riding about town in a black automobile last Friday night.

Mrs. C. E. Fleming, River Side Drive, reported that vandals stole her "River Drive Beauty Shop" sign that night.

Another report was that the same culprits threw bricks into the home of Thomas J. Morris, 111 Library Street.

Police had another report that night that vandals riding in a black car broke a glass jar on the porch of Dr. C. Rudolph Graves, 1401 West Fifth Street. Police are investigating.

# Cotton Market

New York, Sept. 26—(AP)—Cotton futures opened 10 cents a bale higher to 5 cents lower.

Noon prices were 10 to 26 cents a bale higher than the previous close. Oct. 26/79, Dec. 26/82, March 29/60.

# Grimesland Man Dies Of Acute Heart Attack

William (Bill) Arnold, 49-year-old laborer of Grimesland, who was taken to Pitt General Hospital Friday for treatment for acute alcoholism and heart trouble, died late last night.

Authorities said Arnold had been drinking rubbing alcohol and was in a serious condition when taken to the hospital. A hospital physician said Arnold died of coronary occlusion, where his son, Amos Arnold Stagg, Jr., is head coach. Stagg was retired by the University of Chicago in 1932 when he reached the age of 70. From Chicago he went to the College of Pacific for 14 more years and is in his third year at Susquehanna.

# In 60th Season As Grid Mentor

New York—Amos Alonzo Stagg, the man who was retired 17 years ago as "too old" to coach, is in his 60th season as a football coach this fall.

Stagg is advisory coach of Susquehanna, where his son, Amos Arnold Stagg, Jr., is head coach. Stagg was retired by the University of Chicago in 1932 when he reached the age of 70. From Chicago he went to the College of Pacific for 14 more years and is in his third year at Susquehanna.

# Disputes Claim Of Rival Kluxer

Birmingham, Ala., Sept. 26—(AP)—Klan Chief William Hugh Morris says he can prove Samuel Roper of Atlanta didn't claim more than "two KKK members" by joining forces with Lyeurgus Spinks.

Spinks, who recently formed the Knights of the Ku Klux Klan with headquarters in Montgomery, Ala., had claimed a membership of 265,000 in many states.

Roper, imperial wizard of the Association of Georgia Klans, announced Saturday night he had merged his group with that under Spinks.

# Police Hunt For Missing Child

Charlotte, Sept. 26—(AP)—An eight-year-old Charlotte girl was the object of a police search today after she had been missing from her home for nearly 24 hours.

The girl, Dorothy May Lewis, was last seen by her mother, Mrs. L. E. Lewis as she was playing in her yard early yesterday afternoon. Police checked a report that she was seen later in front of a Charlotte theater in the company of two small friends.

A hospital physician said Arnold died of coronary occlusion, where his son, Amos Arnold Stagg, Jr., is head coach. Stagg was retired by the University of Chicago in 1932 when he reached the age of 70. From Chicago he went to the College of Pacific for 14 more years and is in his third year at Susquehanna.

# In 60th Season As Grid Mentor

New York—Amos Alonzo Stagg, the man who was retired 17 years ago as "too old" to coach, is in his 60th season as a football coach this fall.

Stagg is advisory coach of Susquehanna, where his son, Amos Arnold Stagg, Jr., is head coach. Stagg was retired by the University of Chicago in 1932 when he reached the age of 70. From Chicago he went to the College of Pacific for 14 more years and is in his third year at Susquehanna.

# Disputes Claim Of Rival Kluxer

Birmingham, Ala., Sept. 26—(AP)—Klan Chief William Hugh Morris says he can prove Samuel Roper of Atlanta didn't claim more than "two KKK members" by joining forces with Lyeurgus Spinks.

Spinks, who recently formed the Knights of the Ku Klux Klan with headquarters in Montgomery, Ala., had claimed a membership of 265,000 in many states.

Roper, imperial wizard of the Association of Georgia Klans, announced Saturday night he had merged his group with that under Spinks.
