Churchill Urges Parliament Call New Elections

Asks For Throwing Out Of Labor Gov't In Emergency Session Debate

London, Sept. 28 (AP)—Winston Churchill asked Parliament today to throw out the Labor government which succeeded his own regime in 1945.

"Most of us agree that it is high time for another Parliament and that all our difficulties would have a much better chance of being solved in a new House of Commons," the Conservative leader declared.

Churchill opened the second day of debate in a three-day emergency session brought on by the government decision to devalue the pound.

He said Britain has reached a point which is "both serious and strange."

"Overall these looms and broods the atomic bomb which the Russian Soviet, for reasons not yet explained, have got before the British, though happily not before the Americans," Churchill said.

Churchill said that what with Britain's financial crisis, the conflict between its leading parties and now the atom bomb question "it will be generally agreed that the hour is grave."

The government has asked for a vote of confidence.

The Laborites hold 393 of the 640 seats in Commons. Reports are that the party has a virtual pledge from all but extreme left wingers to support the cabinet when the vote comes tomorrow.

Churchill declared: "In this last four lavish years the Socialist government have exacted upwards of \$44,800,000,000 and spent them—over four times as much every year as was the cost of running the country in our richer days before the war."

"They have used up every national asset or reserve upon which they could lay their hands."

"They have taken 40 per cent of the national income for the purposes of governmental administration. And our taxation has been the highest in the world."

Loyalty Oath Is Required To Get Share In Estate

Los Angeles, Sept. 28 (AP)—To benefit under his will, heirs of the late film producer Sam Wood must take a loyalty oath to the United States.

His widow, Clara L. Wood, is exempt from the requirement. But Wood's two daughters and their children and a household servant are not.

Attorneys estimate the estate is valued at \$100,000 to \$500,000. Wood, one of the film colony's most militant anti-Communists, died last Thursday at the age of 66.

The will, signed last May 26, requires the beneficiaries to file with the court an affidavit declaring he is not a member of any Communist organization or of any group which has been declared by the government to be subversive.

Fire Truck Had Gasoline Stolen

Highlands, N.J., Sept. 28 (AP)—The fire department hook and ladder here has failed to respond to an alarm twice in the past three months, according to Borough Councilman Herbert Hartsgrove.

The reason? Somebody had stolen the entire 30-gallon gasoline supply of the truck in each case, Hartsgrove told a council meeting last night.

Hartsgrove added that he doesn't see how this state of affairs came about—the firehouse is right next door to the borough police headquarters.

Devaluation A Symbol

Parliament's Controversy Over Currency Devaluation Is Only Incidental To Real Questions Raised By Labor Gov't Opposition; Main Attack On Inefficiency

By DEWITT MacKENZIE

Britain's Socialist government is facing its greatest political crisis in the debate now waging in the House of Commons over the recent controversial devaluation of the pound sterling.

Steel Firm Agrees Accept Pension Terms; Talks Go On

Middletown, Ohio, Sept. 28 (AP)—Armo Steel Corporation announced today it agreed to a pension plan of \$100 a month for approximately 4,500 workers in two of its plants here.

The workers now get between \$60 and \$85 a month, a spokesman for the company said.

Elmer Davis, president of the Armo Employees Independent Federation, made the announcement.

Management, other than saying the agreement had been reached, withheld comment.

The additional pension benefits will go to those who have retired since Jan. 1, 1945, as well as to those who will retire in the future, it was stated.

Pittsburgh, Sept. 28 (AP)—A source close to negotiators trying to avert a steel strike said today Phil-

Buy Bond Issue

Raleigh, N. C., Sept. 28 (AP)—A syndicate headed by the First National Bank of New York City today bought a \$50,000,000 North Carolina Rural road bond issue at an interest rate of 1.57687 per cent.

The bid will result in a net interest cost of the state of \$7,557,187.50 for the huge bond issue—biggest in state history and the first batch of bonds to be issued for Governor Scott's \$200,000,000 rural road program.

China And Russia Near UN Clash

China pushes demand that whole body hear charges

Lake Success, N.Y., Sept. 28 (AP)—Nationalist China and Communist Russia headed for their first open clash in the United Nations today on charges that Russia was a threat to peace.

China carried to the Assembly's 14-nation Steering Committee demand that the whole 50-nation Assembly weigh the Chinese charges filed against Russia.

Calm little T. F. Tsang, the chief delegate of the Canton government to the United Nations, had a full file of charges to throw across the table at Russia but indicated he would hold up on specific details at the committee hearing.

His insistence was to get it on the discussion schedule and he had Chinese sources said, United States and British support for that maneuver.

Opposing Tsang in the battle of the huge land mass nations was red-faced, excitable Andrei Y. Vishinsky, Soviet Union foreign minister.

Boxscore

Raleigh, N. C., Sept. 28 (AP)—The State Motor Vehicle Department's report on highway accidents for the 24-hour period ending at 10 a. m. today:

Killed—3. Injured—15. Killed to date—394. Killed to date in 1948—306. Injured to date—658. Injured to date in 1948—4358.

Byrd Sells Senate Idea Of Lump Appropriation

Washington, Sept. 28 (AP)—After many defeats, Senator Byrd (D-Va) has won the Senate to the idea of lumping its appropriations bills into one big measure.

For four years, Byrd has been arguing that this would help to appropriate money more efficiently and would guard against the government spending more than it took in.

The Senate approved his plan late yesterday. In the House, Chairman Cannon (D-Mo) of the Appropriations Committee, has said his committee will put the idea into effect next year.

Under the plan, all appropriation measures would be grouped together, along with the government's revenue estimates, at the start of each session of Congress.

Byrd said in a statement: "The experience of Congress at this session indicates the necessity for a review of the fiscal situation at one time."

"Nineteen appropriation bills have been introduced, all at different times, and five remain to be enacted, although the fiscal year ended July 1, nearly 90 days ago."

"Consideration of one single bill will enable the public generally to assert their views with respect to more economical spending much more effectively than can be done at this time."

Yugoslavia And Hungarians Send Diplomats Home

Belgrade, Yugoslavia, Sept. 28 (AP)—Yugoslavia slapped back at a one-time Communist partner last night by ordering nine Hungarian diplomats to get out of the country.

The action, widening the iron curtain rift between Premier Marshal Tito and the Russian bloc, followed by 24 hours Hungary's action in giving walking papers to 10 Yugoslav legation officials in Budapest.

Tanjung, the official Yugoslav news agency, said Hungary obviously intended to "bring about severance of diplomatic relations between Yugoslavia and Hungary."

Meanwhile Marshal Tito in an address accused Russia and her Cominform (Communist International Information Bureau) satellites of "rattling their arms" along the Yugoslav border. The Cominform countries, said Tito, are "digging trenches in Hungary and Romania."

Just before Tito's speech, Yugoslavia's Foreign Minister Edvard Kardelj told the United Nations Assembly in New York that Russia is using all sorts of pressure—from economic blockade to armed demonstrations—to further "imperialistic" aims against his country.

(A Tanjug broadcast heard in London said the United States, Britain and Russia that Hungary has broken off her peace treaty by cutting off the delivery of war reparations.)

Hungary's expulsion order followed the trial of former Foreign Minister Laszlo Rajk and seven associates on charges of trying to overthrow the present Hungarian regime in favor of a pro-Tito government.

Scholarship Fund Drive Near Goal

Only \$3,779.64 To Go In Campaign; Rawl Expects Success

Greenville's campaign for athletic scholarships for East Carolina Teachers College has reached \$6,220.36 and leaves only \$3,779.64 to be raised before the \$10,000 goal is attained.

Chairman Ed E. Rawl of the scholarship committee was enthusiastic about the drive this morning as he pointed out that the \$6,220.36 which already has been collected has been donated by 139 business firms and professional men of the city.

"This leaves a total of 310 business men in Greenville who have not yet contributed to the drive," Rawl commented, "and most of these, the respective committees have not had an opportunity to contact."

Rawl said many words of appreciation have come from members of the college faculty and student body to business firms who are displaying the scholarship plaques in their windows.

He urged business places which have not been contacted in the scholarship fund drive to mail their contributions to J. H. Waldrop at the Guaranty Bank and Trust Co. or to the Daily Reflector. "Greenville has never failed in a cause of this nature, and it never will," Rawl stated.

Convicts Escape In Tarboro; One Prisoner Caught

Two Negro convicts jumped from an Edgecombe county prison road truck in Tarboro yesterday evening in a dash for liberty, but one of them was apprehended by Tarboro police shortly after he escaped. The other convict was still at large today.

Capt. W. H. Spell, superintendent of the Tarboro prison camp, described the prisoners as Robert Lee Bobbitt, 22, sent up from Warren county for two years for breaking entering and larceny, and Alex Brown, 24, sent up from Randolph county for two years for breaking entering and larceny. Brown had not been apprehended today.

Capt. Paul Crawford, superintendent of the Pitt County State Prison Camp, took two of his bloodhounds to Tarboro yesterday evening, but the dogs were unable to pick up a trail. The two Negro convicts jumped from the truck in the downtown section of Tarboro. Capt. Spell said guards deemed it wise not to fire at them in the crowded section.

Cost Of Living Shows Advance

Washington, Sept. 28 (AP)—Higher food prices shoved the cost of living up a little between July 15 and Aug. 15.

The Bureau of Labor Statistics (BLS) said that in mid-August its consumers price index stood at 158.8 percent of the 1935-39 average, up 0.2 percent from a month earlier.

New Rupture In Berlin Parleys

Berlin, Sept. 28 (AP)—The three western allies tonight broke off discussions with Russia on restoring Berlin to normal.

In a sharply worded letter to the Soviet commandant, the American British and French commandants said: "We are not prepared to continue with discussions on the normalization of life in Berlin until we can be confident that agreements freely negotiated will be honored by the Soviet authorities."

Determined

Baltimore, Sept. 28 (AP)—"Go out the same door," advised Judge J. Howard Murray as he gave another chance to a young couple in his court yesterday with marital troubles.

They did. They left the courtroom together.

Outside, the husband left his wife and walked away with another girl.

May Invite Scientists Join U. S. Atom Study

Admission Of Canadian And British Experts Into American Project Sought By Hickenlooper If Law Permits

Washington, Sept. 28 (AP)—Lawmakers heard today that British and Canadian scientists may be invited to join in atomic energy developments in this country.

Senator Hickenlooper (R-Iowa) told a reporter he has asked for legal advice on whether any such arrangement can be made. He wants to know whether it would violate terms of the Atomic Energy Act, which he and others contend bans exchange of A-bomb information with any other country.

Another committee member who asked not to be quoted by name said it is his belief that British and Canadian experts could be taken in to the American project without any change in the law.

This senator said he would not be surprised if some such proposal is made as a result of American-British-Canadian atomic talks which James E. Webb, Undersecretary of State, has said probably will be up on a continuing basis.

Hickenlooper said he has no basic objection to bringing British and Canadian scientists into the American set-up, so long as they are properly screened. He added that he would favor a change in the law to that end, if necessary.

The senator made it plain, however, that he doesn't subscribe to any full partnership arrangement under which the British would be given the complete know-how and would go ahead with bomb manufacture in their country.

Road Blocks For Auto Inspection Set For Tonight

Raleigh, N. C., Sept. 28 (AP)—The Highway Patrol will set up 100 road blocks tonight to inspect Tar Heel motor vehicles.

Inspections will be near service stations so motorists whose cars need repairs can get them immediately. Defective vehicles won't be permitted to proceed until the defects have been fixed.

Patrol Commander C. R. Tolar said patrolmen will check the driver's license, along with head and tail lights, brakes, windshield wipers, horns and other equipment.

Finds 53 Guilty In Contempt Case

Tarboro, Sept. 28 (AP)—Judge Leo Carr today adjudged 53 strikers at Hart Cotton Mill in contempt of court.

He said he would sentence them at the afternoon session of Edgecombe Superior Court.

The strikers were ruled in contempt for violating terms of an injunction the mill management obtained against mass picketing. Workers complained that they were unable to enter the plant on Sept. 14 because of the presence of pickets.

Tokyo Rose Jury Still Deadlocked

San Francisco, Sept. 28 (AP)—The jury was still deadlocked today in the trial of Tokyo Rose charged with treason for her wartime radio broadcasts from Japan.

They reported late last night, 34 hours and 30 minutes after they had received the case, that they were unable to agree unanimously on a verdict.

Judge Michael J. Roche urged them to "reconsider and reexamine all the evidence," as leisurely as they liked, to prevent if possible a second long and expensive trial. This trial is in its 12th week.

Yugoslavia And Hungarians Send Diplomats Home

Belgrade, Yugoslavia, Sept. 28 (AP)—Yugoslavia slapped back at a one-time Communist partner last night by ordering nine Hungarian diplomats to get out of the country.

The action, widening the iron curtain rift between Premier Marshal Tito and the Russian bloc, followed by 24 hours Hungary's action in giving walking papers to 10 Yugoslav legation officials in Budapest.

Tanjung, the official Yugoslav news agency, said Hungary obviously intended to "bring about severance of diplomatic relations between Yugoslavia and Hungary."

Meanwhile Marshal Tito in an address accused Russia and her Cominform (Communist International Information Bureau) satellites of "rattling their arms" along the Yugoslav border. The Cominform countries, said Tito, are "digging trenches in Hungary and Romania."

Just before Tito's speech, Yugoslavia's Foreign Minister Edvard Kardelj told the United Nations Assembly in New York that Russia is using all sorts of pressure—from economic blockade to armed demonstrations—to further "imperialistic" aims against his country.

(A Tanjug broadcast heard in London said the United States, Britain and Russia that Hungary has broken off her peace treaty by cutting off the delivery of war reparations.)

Hungary's expulsion order followed the trial of former Foreign Minister Laszlo Rajk and seven associates on charges of trying to overthrow the present Hungarian regime in favor of a pro-Tito government.

Four Escape As Jeep Turns Over

Stalled Little Vehicle Hit, Knocked Over; Drives Off

Four persons miraculously escaped serious injury or possible death early last night when the jeep in which they were riding was struck by a 1939 Buick, hit an embankment and landed upside down.

The occupants of the jeep, assisted by investigating officers, righted the vehicle and it was able to drive away with nothing more than a badly mashed canvas top and a cracked windshield to show for its ordeal.

Officer Roy Harris of the Greenville Police reported this morning that the jeep, operated by L. B. Crisp, Route 3 Washington, was starting across Second Street here when the vehicle choked down.

A 1939 Buick, driven by J. I. O'ward of Greenville Route 3, was coming down Second Street and struck the stalled jeep. The impact knocked the jeep across the street and against an embankment turning the little vehicle upside down.

At least some of the occupants of the jeep were thrown clear but it could not be definitely ascertained this morning which ones.

No one was seriously hurt in the crash and police say no arrests will be made.

Riding in the jeep besides Crisp were Miss Doris Flynn, Howard Wingate and Miss Lou Wingate. The two girls were both shaken up considerably but were not seriously hurt.

Investigating officers were Harris and H. F. Lawson.

Peanut Growers Issued Warning On 'Stacking'

Farmers started harvesting Pitt County's 1500 acre peanut crop this week with a warning from County Agent S. C. Winchester to pay particular attention to their stacking methods.

The County agent announced that drastic price cuts would be felt by the farmers who tried to market wet peanuts and issued precautionary steps to ward off the threat of considerable loss.

"A special grade to apply to peanuts in a wet condition will be set up and the price will drastically cut," Winchester said.

The Farm Office suggests that growers use a strong cross-arm at the bottom of the stacking pole to keep the peanuts from being on the ground. The peanuts should be stacked so they can dry, Winchester explained. He advised the farmers to cap the stacks with grass to help keep the rain from the peanuts.

Winchester said more information concerning the price cut on wet peanuts probably would be made public at the meeting of peanut growers and farm leaders in Wil-

Tobacco Thieves At Work Upper Part Pitt County

Three hundred pounds of the highest grade leaf tobacco was stolen last night from the packhouse on the Dr. Paul E. Jones farm, between Bethel and Whitehurst Station.

Sheriff's officers quoted Jesse Brown, Negro tenant, as saying that the leaf was of about the 65-cents a pound quality.

Deputy Sheriff Jasper L. Mills and Greenville Police Detective Capt. E. Bowen Dorsey investigated the robbery. They had no clue as to the identity of the robbers.

Federal Housing Survey To Be Requested In Greenville

Non-Union Coal Pits Open Defying UMW

More Miners Go Back To Work In Pennsylvania With Guns Prominently Displayed; Production Conceded Only 'Trickle'

Pittsburgh, Sept. 28 (AP)—More non-union miners went back to the mines in western Pennsylvania today in armed defiance of striking United Mine Workers.

State police said not a single picket-bearing automobile appeared during early morning hours in the vicinity of pits scattered along the hillsides of Clearfield County.

Pistols and rifles still were in evidence at the diggings. Armed sentries surveyed roads leading to the mines and others rode in the cabs of loaded coal trucks.

An operator spokesman said some 250 more miners reported to the pits, raising the total to 1350 in about 40 mines.

Operators declined to speculate on the amount of coal they are producing but conceded it only constitutes a trickle from the fuel tap that was closed Sept. 19 by the strike of John L. Lewis' UMW.

Most of the coal dug in the Clearfield region is consumed locally or in small manufacturing plants in the Pittsburgh area.

Large Crowd Of Citizens Attends Public Hearing On Rent Decontrol; Area Rent Director Heard; Aldermen Unanimously Vote To Ask Survey

Lay Plans For Rail Strike

Washington, Sept. 28 (AP)—A nationwide strike of railway firemen and engine men is planned for next month to protest the rejection of a union demand for an extra fireman on diesel engines.

David B. Robertson, president of the Brotherhood of Locomotive Firemen and Engineers, disclosed the plans last night.

"We will do it," he said, "to assure a proper measure of safety for our members and the public."

The union request was turned down by a presidential emergency board Sept. 15. Rail workers are barred by law from walking off their jobs until 30 days after an emergency board makes its report.

The firemen's brotherhood had contended that (a) second fireman was required on diesel engines for safety purposes and (b) the more efficient diesels are knocking firemen out of jobs by cutting down the number of trains needed.

The emergency board replied that diesels are being engineered for greater safety, making the extra man unnecessary. And it refused the union's second statement with a report that the diesels actually are creating jobs by attracting more freight to railroads.

The aldermen unanimously passed a motion requesting the federal agency to make the survey of the city.

During the hearing, Mayor W. S. Stafford told the group he had contacted several other cities in eastern North Carolina, and has found: Washington has lifted rent controls; Winston still has rent control; Rocky Mount has requested a federal survey of the city, and Elizabeth City has not removed rent control.

In reply to questions following the hearing, Director Morris said that Washington is the only city in the eastern North Carolina area which has lifted rent controls, and he also pointed out that once rent controls are lifted in a city by action of its governing body, there are no provisions under the present regulations whereby rent controls can be restored.

Just how soon the office of housing expediter could have a survey made in Greenville, Morris could not say, but he indicated that the survey could be made by the federal agency within a reasonable length of time.

Report Province Has Joined Reds

Canton, Sept. 28 (AP)—The vast northwestern province of Sinkiang, which fronts on the Russian border, was reported today to have gone over to the Communists.

Thiwa, political center of the sparsely peopled but rich province, has been out of radio contact with Canton for two days. That fact added weight to the report that all Nationalist officials had pulled out of Thiwa into southern Sinkiang.

Government Pay Hikes

Having Approved A Pay Raise For Armed Services, Congress Now Turns To Pay Rates Of Federal Employees; Only Executive Branch Affected; Others Wait

Washington, Sept. 28 (AP)—Congress has approved a pay raise for most of the people in the armed services. Now it's in the midst of voting on a wage raise for government employees.

Not all people getting government pay. Just those in the executive branch of the government. And not all of them. Just these:

1. Postal employes. The House yesterday voted to raise them by as much as \$150 to \$450 a year, depending on grade and years of service. But they get no raise unless the Senate also approves.

2. White collar civil service workers making under \$10,000 a year, such as clerks, stenographers, scientists, professional people, and so on. Average pay for people in this group is \$6,352.

Today the House was to take up a bill giving them an average raise of \$130 a year. Even though the House approves, they'll get no raise unless the Senate also approves.

3. The executives who make \$10,000 a year or more but less than \$25,000. This group includes most of the top people in the government, such as cabinet members who are department heads, like the secretary of State, and the heads of various agencies and bureaus.

The House has passed a bill to give them raises ranging up to

## 40 Years Ago Today

THE DAILY REFLECTOR  
September 28, 1909

Electric lights were on for a time last night but very poor and disappointing and before 10 o'clock were off entirely.

The carnival's people's lamps made light inside the tents and the moon helped the cause on the outside. It was a beautiful night and a large crowd went out.

There are many possessors of canary birds won in the paddle drawing.

The crazy house is all that its name implies and affords much amusement.

Brooks, R. B. Lee and Miss Lela Higgs attended the 80th anniversary and founders day celebration at Meredith College, Raleigh, yesterday. The dedication of the new auditorium was a special feature of the celebration.

## SOCIAL CALENDAR

THURSDAY

8:00 p. m.—Buffet supper at the Country Club for club members and their families.

8:00 p. m.—Bridge tournament at Woman's Club sponsored by the Junior Women's club.

FRIDAY

10:30 a. m.—Board of the Service League will meet at the home of Mrs. James T. Little.

6:30 p. m.—Kiwanis Club.

6:45 p. m.—Exchange club meets in the Magnolia room of the Proctor hotel.

9:00 p. m.—German Club dance at the Country Club for club members, out-of-town tobaccoists and their wives.

### Notice

On Thursday night at 7:30 we will conduct a school of instruction to those Masons interested in learning more about Masonry and the degree work. All Master Masons are cordially invited to attend this school.

F. L. WHITEHURST, Chairman Educational Committee.

### Talent Night at Chicod

The Chicod Juniors had their Talent Night and it was a great success. The amount we collected was \$120. We appreciated the talent and services that were rendered by the people that took part in our program. The participants that took part in our program were:

Mr. Eli Bloom, master of ceremonies.

The Four C's singing. Kenneth Stancl and Nina McGowan, duet.

Cora Pauline Moore played a piano solo.

Mr. Calvert Venters, solo.

Mr. and Mrs. Cunes, duet.

Lucille McGowan presented a reading.

Clyde Landing, Billy and Smokey. The Army Boys.

Peggy Dixon, solo.

Miss Wilma Lewis played the piano.

Tick Corey and the Friendly Mountaineers.

We sincerely thank each one. There were also other parts on the Juniors program. They gave prizes. The first prize of \$10 was won by Miss Cora Pauline Moore. We also had cake walks, punchboards and a beauty contest which consisted of four contestants, four boys dressed as girls. Talent night was enjoyed by all.—Betty Sutton, reporter.

Mrs. Tripp Hostess to T. E. L. Class On Thursday night of last week Mrs. Ward Moore Tripp was hostess to the T. E. L. class of Memorial Baptist Sunday school.

Mrs. Hardaway gave the devotional at the opening hour, reading from John, the 11th chapter, using many fitting remarks.

Mrs. Tripp followed with a discussion on religious healing dealing with prayer. This discussion was most interesting, holding the close attention of those present.

The president, Mrs. N. Moore, then called the attention of the class to a departing member, Mrs. Lottie Buckner. The members then wrote letters to Mrs. Buckner to be read on her arrival in Washington, D. C., where she is now making her home.

Mrs. J. B. Spilman in a most charming manner presented a gift from the class to Mrs. Buckner after which the class adjourned. A sweet course was served by the hostess.—Reported.

## Mrs. James Edward Danford

### Danford-Oakley

Miss Martha Kate Oakley, daughter of Mr. and Mrs. John Beverly Oakley, became the bride of Mr. James Edward Danford, son of Mr. and Mrs. James Thomas Danford of Wilmington, in a formal candle-light ceremony on Saturday afternoon at 4:30 o'clock in the Pentecostal Holiness Church. Rev. Ralph Johnson, pastor of the bride, officiated.

A program of wedding music was presented by Mrs. Paul A. Toll, organist, and Miss Louise Brooks of Falcon, soloist.

The bride, given in marriage by her father, wore a gown of bluish pink slipper satin, fashioned with a round sheer yoke edged with double folds of satin and pearl embroidery. The fitted bodice, with long sleeves ending in points over the hands, was buttoned down the back with covered buttons. The full gathered skirt extended into a sweeping train. Her finger tip veil of imported French illusion fell from a tiara of pearls matching her dress. She carried a white Bible showered with tuberoses, and centered with a purple-throated white orchid. Her only ornament was a strand of pearls, a gift of the bridegroom.

The dame of honor was Mrs. William Fort, of Elizabeth City, who wore a gown of moss green taffeta with matching mits and bonnet trimmed with ostrich plume. She carried a cascade bouquet of gold pom-pom chrysanthemums and satin ribbon matching her dress.

The bridesmaids were Miss Doris Danford of Wilmington, sister of the bridegroom, and Miss Janice Newsome of Lucama. They wore identical gowns of creos rose taffeta, with matching mits and bonnets, fashioned like the dame of honor, and carried cascade bouquets of pom-pom chrysanthemums and satin ribbon matching the dresses. The best man was Mr. James Thomas Danford, father of the bridegroom. The ushers were Ben Shirley of Snow Hill, Richard Danford of Wilmington, brother of the bridegroom, Kirby Blake of Whiteville, uncle of the bridegroom, and Henry L. Andrews, Jr., of Greenville.

Mrs. Oakley, mother of the bride, wore a gray wool suit with black hat and gloves and a purple orchid.

Mrs. Danford, mother of the bridegroom, wore a dress of black crepe with matching accessories and a purple orchid.

Immediately following the ceremony, Misses Rosa, Novella, and Bruce Exum entertained at a reception at their home. The guests were greeted by Misses Novella and Bruce Exum who introduced them to the receiving line. Rev. and Mrs. Ralph Johnson directed them to the gift room. They were greeted there by Mr. and Mrs. Jeter S. Oakley, Miss Theima Exum and Miss Helen Clark received in the dining room, where punch and cake were served by Miss Rosa Exum and Mrs. Henry L. Andrews, Sr., assisted by Mr. and Mrs. Henry L. Andrews, Jr., and Miss Louise Brooks. Miss Ethlyn Conway and Mr. Levy Jettison, Jr., presided at the register. Goodbyes were said by Rev. and Mrs. L. E. Ballard.

Following the reception the couple left for a wedding trip. For travelling the bride wore a suit of beige wool gabardine, with green accessories, and a white orchid from her bouquet. Upon their return they will make their home in Wilmington.

Mrs. Danford graduated from Greenville High School and attended East Carolina Teachers College. She has been employed in the office of the Pitt County Auditor.

Mr. Danford is a graduate of Whiteville High School and attended Emanuel College, Franklin Springs, Georgia. He served three years in the United States Navy.

On Wednesday evening Mrs. Charles Rumley entertained at a shower at her home on Woodlawn Avenue, from eight until ten o'clock. Many beautiful gifts in china, crystal and silver were presented to the bride. Punch and cake were served by Miss Deanie Haskett and Mrs. L. B. Tucker.

On Friday at one o'clock the couple and members of the wedding party were complimented at a luncheon given by Mr. and Mrs. Godfrey P. Oakley in the Magnolia room at the Proctor hotel.

On Friday evening at six o'clock, Mr. and Mrs. John Beverly Oakley entertained the wedding party and out of town guests at a turkey dinner at their home. Mrs. Oakley was assisted in serving by Mrs. Blanche Hill and Mrs. C. L. Russ.

After the wedding rehearsal on Friday evening, they were honored at a cake cutting given by Mr. and Mrs. Henry L. Andrews, Sr., and Mr. and Mrs. Henry L. Andrews, Jr. Punch and cake were served by Miss

Rosa Exum and Mrs. James Thomas Danford.

On Saturday morning at 11:30 o'clock Mr. and Mrs. Jeter S. Oakley entertained the wedding party at a wedding breakfast at the Woman's Club.

Among the out of town guests were Mr. and Mrs. Garland Newsome of Lucama; Mr. and Mrs. W. S. McGranahan, Miss Katherine McGranahan, Miss Judy McGranahan, Bill McGranahan, Mr. and Mrs. Sterling H. Harris of Durham; Mr. and Mrs. J. D. Norris, Rev. and Mrs. T. O. Todd, Miss Anne Todd, of Whiteville; Miss Dot Ennis of Jacksonville; Mr. and Mrs. W. H. Fort of Elizabeth City; Mrs. J. S. Sanders of Rocky Mount; Mrs. Zeb Conley of Franklin; Miss Theresa Twine of Tyner; Mr. and Mrs. Floyd L. Peadar, Miss Joy Peadar, of Roxboro; Mr. and Mrs. John B. Oakley of Reidsville; Mr. and Mrs. Jeter S. Oakley of Statesville; Miss Eleanor Oakley and Miss Jocelyn Oakley of Washington; Mr. and Mrs. Frances F. Oakley and Woody Oakley of Warsaw; Rev. and Mrs. L. E. Ballard, Jerry Ballard, and Mr. and Mrs. Beverly Ballard of New Bern.

### Bridge Tournament

The Junior Women's club will hold its annual bridge tournament Thursday night at 8 o'clock at the Woman's Club building. There will be prizes given by the merchants of Greenville. For reservation call Mrs. Maude Swaine, 4729, as early as possible. The proceeds from this tournament will be used to help pay for a refrigerator for the club.

## Mrs. Hannah Hostess To Athenaeum Club

The first meeting of the Athenaeum Book club year, 1949-50, was held at the home of Mrs. Lee Hannah on Tuesday, September 27.

After the luncheon, Mrs. W. W. Lee, the new president, opened the meeting. Mrs. E. L. Ormond, chairman of the book committee discussed the book list. The program, "Birds of the South," was given by Mrs. Knott Proctor.

Mrs. Hannah's guests beside club members were Mrs. John Messick, Mrs. Sam White, Miss Mattie Barnes, Mrs. Melvin Hoot and Mrs. Ralph Garrett. Accidents cause 43 times as many deaths among U. S. children as does infantile paralysis.

## Strength FOR THE DAY

### HOW TO AVOID INHERITANCE TAX

Some years ago I was called to conduct the funeral of a minister who at no time in his life had ever received a salary exceeding \$2000 a year. Yet he was one of the richest men I have ever met. He was rich in understanding, in love for his fellow men, in zeal for helpfulness. He was public-spirited and self-affecting to such an extent that human need had only to peer at across the horizon of his daily existence to have him drop every personal enterprise and go to the help of someone else. He paid very little income tax in his life, and I should imagine when he died, his heirs paid practically no inheritance tax. But he had a variety of riches against which the government can make no claim and on which it can levy no tax.

Jesus spoke about laying up treasures in heaven. If you are fretting over the fact that you have but a small legacy to leave your loved ones, just remember that the best legacy you can leave them is the love you gave them, the ideals to which you pointed them, the spirit which you put into their hearts, and the faith in eternal things by which they observed you day by day guiding your life.

### RENT DECONTROL

The matter of decontrol of rents in Greenville today hinges as it should on the direct question: Is there a shortage of rental accommodations in the city?

The local board of aldermen after listening for more than an hour to the pros and cons of the rent control question from citizens of the city, without finding much concrete information from either side on which to base a decision, heeded the advice of the area rent director and requested a federal survey be made of Greenville to determine whether the city has a housing shortage.

A survey made in Greenville by the area rent control office during 1948 showed there existed at that time a shortage of rental accommodations in the city, and whether the condition still exists will be determined by the survey which will be conducted in Greenville by the office of the housing expediter which has headquarters in the nation's capital.

Following the public hearing, and with the data which will be furnished the city's governing body by the impartial federal survey, the decision of the local board of aldermen on the question of decontrol will be based on the pertinent information received from a thorough study of the situation, and not a haphazard decision on a matter which directly affects so many of the citizens of the city both in the landlord and the tenant categories.

## Somebody Told Me...

By L. J. (JACK) EDWARDS, JR.

Wife Rachel is teaching down at Greenville High School these days, so last night she had a stack of papers to grade. While she was occupied with this task I went to the meeting at the city hall called for the purpose of determining whether or not a housing shortage still exists in Greenville. The underlying movement is the removal of rent control.

As I was going out the door Rachel said, "Have a good time. I know you will, because you always enjoy going places where you can make a speech."

She was right. The meeting was representative of the American spirit. Those of us who wanted to rise to our feet and spoke our piece.

As the news columns of this third of the state in area and about half the population. Seventy other telephone companies are not doing so well, and ought to do better.

**NEED**—Governor Scott further said he regards improvement of telephone service as the No. 1 need of the state now. He assumes that the road and school problems are on the way to solution by reason of legislation and popular voting of bonds. Close to telephone service he puts extension of electric lines. (He didn't mention churches at his press conference but many times before the governor has indicated need for development of strong rural churches as a must for state progress.)

**CO-OPERATION**—Significance of far-reaching importance lies in the subtle change of expressed attitude on part of Governor Scott. There is more evidence of seeking co-operation among all economic and government agencies less of the apparent effort to array one group against another. There is no evidence that the governor is receding from any former position. The difference is in emphasis rather than in content of his statements. His speeches to the civic club groups at High Point, and at the Lumberton fair, and several other recent utterances, are stressed unity rather than friction among the varied phases of North Carolina's economic and political operations.

### Anchored to failure

—by poor vision

The class "dullard" has often proved to be the most intelligent child in the class... when his defective vision was discovered and corrected.

The stubborn, unsocial child has often turned out to be an active, likeable leader of his classmates... when his defective vision was discovered and corrected.

Poor vision is an unsuspected handicap that is anchoring many fine children, today, to failure. The only way of discovering its presence is by an eyesight examination.

### Still Tabulating Road Work Bids

Raleigh, Sept. 28 —(AP)—The State Highway Commission was still tabulating today the low bidders on 29 highway projects whose bids were opened yesterday.

More than 230 bids were entered for the work, which involved 268 miles of roadway in 27 counties. The commission had estimated that the work would cost \$2,510,000. Among the bids were 10 projects involving the first work under Governor Scott's \$200,000,000 rural road building program.

**VOLCANO AT WORK**  
Tokyo, Sept. 28 —(AP)—Mount Asama's volcano is working overtime. The Central Meteorological Observatory said today the 8,343 foot peak 95 miles west of Tokyo has belched ashes 92 times in the last 48 hours.

# Noah's Ark Lost To The Ages, Believes American In Turkey

(Editor's note: Edwin B. Greenwald, AP chief of bureau at Istanbul, Turkey, accompanied the American expedition which this summer explored the Mount Ararat area searching for the remains of Noah's Ark.)

By EDWIN B. GREENWALD  
Dugubayasi, Turkey, Sept. 28—(AP)—The Ark of Noah, if ever it landed on Mount Ararat, is lost eternally to the ages. It never will be found.

Some of the Americans who have just completed a grueling search of the great Ararat slopes hope confidently that it will be uncovered some day.

But use of cold logic makes it certain that it will not. Either it rests forever beneath deep and perpetual ice and snow at the peak of the 17,000-foot mountain or else it has been destroyed and its fragments buried in this volcanic wilderness.

The four-man expedition, first formally organized civilian searching party in Turkish records, explored every crevice and every clue. It scouted through the villages for a hundred miles around seeking anyone who might know anything.

The sum total, as expressed so monotonously by the Turks in the villages, is simply: "High birshey!" (an emphatic "nothing!")

Nothing, absolutely nothing, was uncovered.

In the mountains we climbed laboriously across dead volcanoes and burned out stone. We scrambled over small plateaus lifeless and black with biting volcanic ash. In the villages the old men and the young had heard the legend that a great boat once rested in the snow way up there.

But no one ever had seen it, and they knew of no one who had.

For all its futility, there was good in the results of the expedition's search. This was reflected in a statement to me by Necati Bolunay, 36-year-old departmental director of antiquities and museums for Turkey. He said:

"It is indisputable that this expedition has done a great deal for science and research as regards the Ark. It finally has utterly disproved opinions and observations during more than 100 years that the Ark is in plain sight.

"It has disproved the all too-frequent claims that it is on the mountain plateau that reaches between small Ararat and big Ararat. Many persons, including Russians, have held to this contention. I do not believe that anyone Russians or others, ever saw the Ark on the mountain."

Necati Bey, who accompanied the expedition, was certain from the outset that nothing would be found.

"This is a volcanic area," he explained. "During all the thousands of years since the ark was supposed to have sailed atop the Deluge, anything that might have been here surely would either have been covered or destroyed."

There have been reports of the Ark's "discovery" in other parts of Turkey. Necati Bey said that the Ark—"if there was one"—must be somewhere between the Tigris and Euphrates rivers. That would put it somewhat west of Ararat.

Dr. Aaron J. Smith, Greensboro, N. C., Bible school teacher and former missionary to China, headed the expedition.

A pious, white-haired man whose 61 years kept him at base camps rather than going up Ararat, he still is not reconciled that the Ark is not there. He came with an abiding faith that it would be found; he left with an abiding faith that it will be found one day.

"We have made an attempt but failure of it does not imply the ultimate failure of the Ark's recovery," he said.

E. J. Newton, 46-year-old house painter from Colfax, N. C., likewise still believes the Ark is here. But to find it, he said, would require months of exploration.

But the other two members of the expedition now are satisfied it is not here. They are Walter Wood, 36, development engineer of Sea Cliff, Long Island and Wendell Ogg, 24, physicist at the Oak Ridge, Tenn., atomic energy plant.

Wood sized it up for the two with a curt, "I've had enough. But at least I am satisfied personally that it is not here."

Edna Ruth Cox and James B. Eure Married In Ayden

Announcement has been made in Ayden of the marriage of Miss Edna Ruth Cox, daughter of Mr. and Mrs. Ray L. Cox, and Mr. James Bobby Eure, son of Mrs. May J. Eure, on Monday night September 12, in a private ceremony at the home of the officiating minister, Rev. W. H. Brunson.

The couple entered together to speak their vows. Members of the immediate families witnessed the rites.

The bride was lovely in a street length dress of autumn blue satin with matching hat. She wore brown suede accessories and white gloves. At her shoulder she pinned a corsage of red roses.

Mrs. Eure attended East Carolina

Teachers College in Greenville, North Carolina. She now holds a position with the Ayden Furniture Company.

Mr. Eure is continuing his senior year at Wake Forest college, where he is a member of the Sigma Pi fraternity.

Methodist Mid-Week Prayer Service The mid-week prayer service of the Jarvis Memorial Methodist Church will be conducted this evening by the pastor who will continue his series of messages on "The Beliefs of a Methodist Christian."

A vocal solo will be rendered by Mrs. Helene Higgs Kirkpatrick, accompanied by Mrs. G. B. W. Hadley, pianist, and Mr. E. F. C. Metz, violinist.

Chico F. H. A. Club News The Chico F. H. A. club met September 19, at 7:30 p. m. to elect a historian, reporter and plan a Halloween dance.

Twenty new members were initiated September 26.

Mrs. May Hugh Godley was elected grade mother.

The hostesses were Peggy Walls, Ruth Whitford, Nina McGowan and Bobbie Anne Smith. Refreshments consisted of ice cream and cookies. Everyone enjoyed the meeting very much. Bobbie Anne Smith, reporter.

Cub Scout Announcement Cub Pack 19 will meet Thursday night at 7:30 in the basement of the First Presbyterian Church. All boys who are members of the pack are requested to be present and are urged to bring their parents and friends. All other boys ages 8, 9, 10, are invited to be present. Those who are not cub scouts will be told how they can become members of a pack.

Cub Pack 19 is sponsored by the Men's Bible class of the First Presbyterian Church.

It is estimated there are more than 43 million motor cars on U. S. highways.

Philathea Class Elects Officers The Wesley Philathea class of the Methodist church met Monday night with Mrs. V. P. Scoville with a good attendance. The assisting hostesses were Mrs. Allen Baker, Mrs. R. R. Taylor and Miss Lill Wilson.

Mrs. Scoville introduced Mrs. Hendrix and Miss Ramona Rouse. They sang a very pretty duet and Miss Rouse gave a very inspiring devotional. The secretary called the roll and collected dues. The orphans box was gotten up. The list of new officers was read: Mrs. R. F. Allen, President; Mrs. K. T. Futrell, vice president; Mrs. R. R. Taylor, second vice president; Miss Addie Johnston, treasurer; Mrs. V. P. Scoville, secretary; Miss Addie Congleton, publicity chairman; Mrs. J. B. Smith, chairman of orphans box.

After the business meeting Miss Sue Lassiter gave two readings which were enjoyed.

Refreshments were served after which we adjourned.—Reported.

Attention Alumnae W. C. U. N. C. The Alumnae of Womans College of the University of North Carolina will have a dinner meeting at 7 o'clock Wednesday, October 5 in the Griffon school lunch room. Alumnae will hear a broadcast from Greensboro on the Founders' Day program given by Dr. W. C. Jackson chancellor, and will be shown movies of the 1948 and 1949 commencements.

All Pitt county alumnae are urged to attend.

Birth Announcement Mr. and Mrs. N. D. Saxon, of Phenix City, Ala., announced the birth of a son on September 24 in Dr. Joseph Smith clinic.

Mrs. Saxon was formerly Miss Estelle Denton, of Tarboro.

Service League Board The Board of the Service League will meet with Mrs. James T. Little on Friday morning at 10:30.

More than five million Americans work as truck drivers.

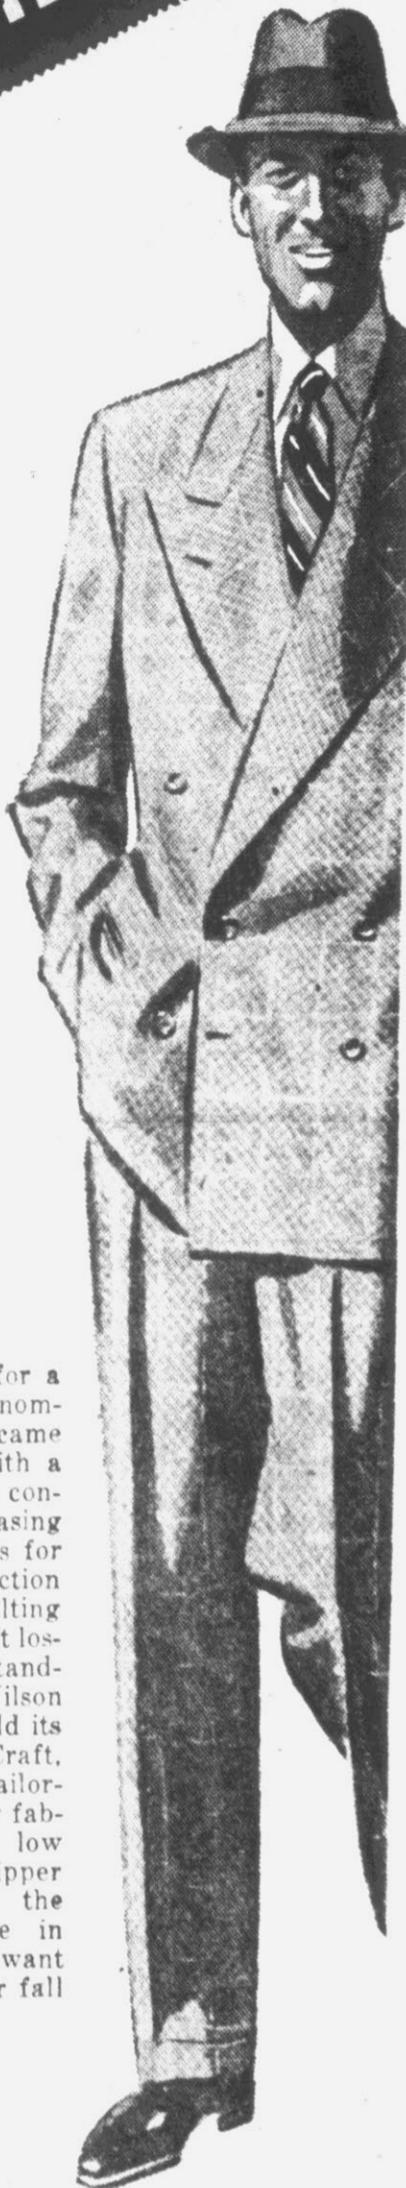

F. W. B. Prayer Service The Greenville Free Will Baptist Church will meet tonight at 7:30 p. m. for prayer service. Rev. C. J. Harris will be in charge of the service. The members of the congregation and visitors are urged to attend this service.—R. B. Crawford, pastor.

The National Safety Council says horse travel was more dangerous than is automobile travel today with about 30 fatalities per 100 million miles of horse travel in 1909 (the peak of such travel in the United States) compared with seven deaths today for each 100 million miles of auto travel.

# Errol Flynn Protests Payment Of Taxes On Taxes In Mix-Up

Hollywood, Sept. 27—(AP)—Errol Flynn is over a barrel.

The income tax he pays on Lili Damita's alimony keeps pyramiding in cost every year. But still, says Lili's attorney, it means less out of Flynn's pocket than if she paid it herself.

Two wives ago, in 1941, Flynn (who since has married and been divorced by Nora Eddington, now Mrs. Dick Haymes) entered into a property settlement agreement with Miss Damita. He agreed to pay her \$18,000 a year.

Provision was made in the agreement that Flynn should reimburse her for any increase in her income tax caused by his payment to her

of the \$18,000 alimony.

In 1944, says Adrian Kragen, her lawyer, Flynn paid Miss Damita \$18,000 alimony, plus \$10,000 taxes on the 1943 alimony. The government held that all this was income to Miss Damita, so she was required to pay taxes on \$28,000, which amounted to \$17,000. Flynn reimbursed her for the \$17,000 in 1945, and additionally gave her the regular \$18,000 alimony.

That was a total of \$35,000 he gave Miss Damita in 1945. The tax on \$35,000 was \$21,000, so in 1946 Flynn gave her \$21,000 plus \$18,000, or \$39,000.

In 1947 the tax rates were lowered. The tax on \$39,000 was only \$21,000, the same as it had been on

\$53,000 the previous year. So Flynn gave Miss Damita \$39,000 again in 1947.

In 1948 Flynn gave Miss Damita \$18,000 alimony plus \$22,000 on the previous year's combined income.

In 1949, Kragen estimates, Flynn will have to pay \$18,000, plus \$22,000 on the 1948 combined total of \$40,000. The totals are deductible from Flynn's income tax report.

However, says Kragen, Flynn's income is so high (reportedly over \$200,000 a year) that the deduction means more to him than the \$22,000 he paid Miss Damita last year for her income tax. A Superior Court last week held the agreement was valid, despite protests by Flynn's attorney, Robert Ford that Flynn

was paying taxes on taxes. Ford said he would appeal.

The agreement stands good, says Kragen, until Miss Damita dies or remarries.

### 4-H Club Members' Achievement Week November 5-13

College Station, Raleigh, Sept. 27—North Carolina's more than 115,000 4-H Club members will join with nearly two million other boys and girls throughout the United States in observing National 4-H Achievement Week, November 5-13, L. R. Harrill, 4-H leader for the State College Extension Service, announced today.

Special programs will be held in practically all of the State's 100 counties, Harrill said. Newspapers, radio, exhibits, and posters will be used extensively in calling attention to the accomplishments of club members during the past year. Church services, special meetings,

window displays, stunts, and membership drives are among the activities which have been planned.

The three-fold purpose of the observance is to report to the nation on over-all 4-H achievements, recognize outstanding club members, leaders, and parents, and provide a basis for planning next year's program.

Harrill said reports from State leaders indicate that a new record has been set by 4-H members this year. More than 75 per cent of the boys and girls enrolled have completed a wide variety of farming and homemaking projects, and achievements in these projects have topped those of any previous year.

### Joe Louis Plans To Build Homes

Los Angeles, Sept. 27—(AP)—Joe Louis Homes, Inc.

Under this firm name, the former world's heavyweight champion seeks to build several hundred non-

**FAIR GREETERS**—Princesses of the Court of Agriculture greet visitors to the Los Angeles County Fair in Pomona, Cal. Top to bottom are: Nell Murphy, Louise Lewison, Prudy Ricca, Gwen DeVall, Ethel Dovey and Jeanne Gaekle.

restricted homes on a 54-acre tract in the San Fernando valley.

Louis petitioned the Los Angeles planning commission yesterday for a zoning change to permit construction of the low cost housing project at Pacoima. The ex-champ said the houses, containing 700 to 900 square feet, will sell for \$7,000.

### Big Enrollment For Annapolis

Annapolis, Md., Sept. 27—(AP)—The Naval Academy's 105th academic year is under way, with an all-time high of 3,466 midshipmen enrolled.

Classes started yesterday.

Among the 1,131 new plebes are the academy's first Japanese-American and two Negroes.

## If you want a better beer...not a bitter beer...you want genuine lager beer

Seeing is believing... and tasting is testing. When you're in St. Louis, see the new \$64,000,000 expansion of the huge Home of Budweiser. You'll see why there is much more Budweiser available now. You'll see how the lagering process that produces Budweiser really ages this fine brew much, much longer than the 15 to 30 days allotted to ordinary beer. You'll see the patented method that traps by-products of fermentation and absolutely prevents them from letting bitterness get into the finished product. Meanwhile,

raise a glass of golden, foaming Budweiser to your lips and inhale and taste the goodness that sets this beer apart from all others. There's nothing like it... absolutely nothing.

## Open First Bids Today On Rural Road Program

Raleigh, N.C., Sept. 22—(AP)—The first bids on work under Governor Scott's \$200,000,000 rural road program were scheduled to be opened today.

The bids were part of a list of 20 projects the State Highway Commission was to open in the hall of the House of Representatives. It was one of the largest lettings since the end of the war. Construction involved will cost about \$2,510,000 and involve 268 miles of road.

The \$200,000,000 rural road program will be officially launched Thursday when the bids will go before the highway commission for confirmation.

The rural road projects in today's

letting number 10 and call for surfacing on 190 miles of dirt roads in 11 counties.

Tomorrow bids on the first \$50,000,000 portion of the \$200,000,000 rural road bond issue will be opened. State Treasurer Brandon Hodges, in whose office the bonds will be opened, and Governor Scott and the Council of State will negotiate the bond sale.

The Contestoga wagon used in the U. S. covered wagon days was 16 feet long and its wheels were as high as a man.

### ADMINISTRATRIX'S NOTICE

Having this day qualified as administratrix of the estate of Guy Caton, deceased, this is to notify all persons having claims against the estate to file them with the undersigned on or before the 23rd day of August, 1950, or this notice will be pleaded in bar of recovery. All persons indebted to said estate will please make immediate payment.

This August 23, 1949.  
PEARL CATON, Greenville,  
Route 4, administratrix of the  
estate of Guy Caton.  
Aug. 24-31 Sept. 7-14-21-28

### NOTICE OF SALE OF SCHOOL PROPERTY

Under and by virtue of authority contained in G. S. 115-86 of North Carolina and pursuant to a resolution of the Pitt County Board of Education, the undersigned will offer for sale and sell for cash at public auction before the courthouse door in Pitt County, Greenville, North Carolina on Friday, the 14th day of October, 1949, at 12:00 Noon the following described lands:

Beginning at a point approximately 600 yards north of the Norman Edwards corner at a large pine on the East side of the Pactolus-Grimesland road, thence 70 yards East to a stake, thence 70 yards North parallel to the public road to a stake, thence 70 yards west to a stake on the side of the public road leading from Pactolus to Grimesland, thence along the Pactolus-Grimesland road, 70 yards to a stake, the beginning, containing 1 acre, more or less, to be designated as "Clarke's Neck" school lot, and being the same land conveyed to Pitt County Board of Education by Thomas R. Andrews and wife, Earl Proctor Andrews, by deed recorded in book R-24 at page 64 of the Pitt County Public Registry.

This sale is being made because the property is no longer needed for school purposes and the purchaser will be required to deposit 10% of the amount bid on day of sale.

This the 12th day of September, 1949.

PITT COUNTY BOARD OF EDUCATION.

By Joe S. Moye, Chairman.  
S. O. Worthington, Atty.  
Sept. 14-21-28 Oct. 5.

## MODERN GIN PLANT

We are now operating our cotton gin. Due to the excessive rain this season it will pay you more than ever to take advantage of our modern cleaning and drying equipment. Assure yourself of a better grade and staple by bringing your cotton to our gin.

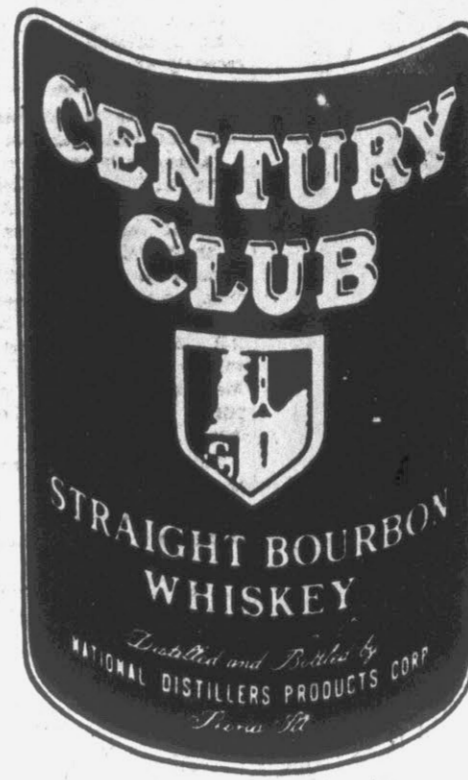

Samples are drawn from each bale of cotton to be graded by the Department of Agriculture.

We are receiving agents for the North Carolina Cotton Growers Association, or we will buy your cotton.

### Charter Yacht Explodes Near Beaufort; Burns

A yacht under charter to Capt. Eddie Rickenbacker, president of Eastern Airlines, exploded in the Inland Waterway near here late yesterday. It was destroyed in a fire which followed.

Those on board were the captain and owner, Arthur Hamm, and three crewmen—Gus Sundstrom, Charley

Sundberg and Olaf Olsen—all from Miami. Hamm was hospitalized with burns and the crew members were burned slightly.

It was the 85-foot yacht Fortune, bound from New York to Miami, its port of registry. None of those aboard could say what caused the explosion.

### Prominent Speakers Will Address Executives Club

Seven outstanding speakers will appear at meetings of the Pitt County Executives Club from October 20 through next April 18. Dr. John D. Messick, club president, has recently announced the program for the current season.

The series of addresses for the 1949-1950 club year not only offers a variety of information and entertainment but also presents a group of speakers of national and international reputations as authorities in their fields. Topics range from discussions of world affairs, economics, and labor problems to a lecture-entertainment on magic and a talk on popular music. Meetings will be held, as during last year, in the North Dining Hall on the campus at East Carolina Teachers College.

The dates, topics, and speakers are:

October 20—Dr. H. H. Chang: "America's Stake in Asia"

November 10 — John Temple Graves II: "Free Enterprise—The Magnificent American Proposition"

December 1—Geoffrey O'Hara: "Music Hath Charms"

January 4 — Whiting Williams: "What's On the Worker's Mind"

February 1 — Harry C. France: "The Money Medley"

March 22 — J. Elder Blackledge: "Riding a Magic Carpet"

April 18—Samuel D. Rosen: "Economic Freedom"

Dr. Chang, distinguished Chinese diplomat and founder and editor of the most widely read English language weekly in China, "The China Critic," will open the series. He speaks fluent English and is noted as a speaker for his sense of humor as well as for his grasp of world affairs. His talk will deal with problems of Asia from the intelligent Asiatic point of view.

John Temple Graves, who is said to be America's most widely read Southern newspaper commentator is scheduled for the November program. Editor, author, lecturer, and economist, Graves is an outstanding advocate of "Free Enterprise" in the America of the future.

Geoffrey O'Hara, composer of twelve operettas and of such popular song hits as "K-K-K-Katy," "Give a Man a Horse He Can Ride," and "One World," and Whiting Williams, who learned about labor

problems by working at all kinds of jobs from corporation executive to coal miner, will appear in December and January, respectively.

Harry C. France, one of the leading investment counselors in the western world; J. Elder Blackledge, who is an expert on magic and its history from the earliest times; and Samuel D. Rosen, American citizen who was born as peasant on the banks of the Dnieper, was educated in universities both in this country and in Russia, and has visited Russia four times in the last thirteen years, will complete the 1950 series of programs.

### Plan Recommend Home For Aged

Winston-Salem, Sept. 28—(AP)—The State Baptist Convention will be asked to authorize a state Baptist home for the aged here.

A special committee formed to consider such a home for Winston-Salem agreed here yesterday to recommend the step to the annual meeting of the convention in Raleigh Nov. 15-17.

Winston-Salem has the advantage of such medical facilities as Baptist Hospital and the Bowman Gray School of Medicine, the committee pointed out.

The Pilot Mountain Baptist Association had been considering operating a home for the aged here. It had started raising money and obtained a five-acre site. The association has offered the site to the convention for a state-wide home. The committee decided to recommend that the convention take over the Pilot Mountain Association project on a state-wide basis.

### Longer Skirts Reached Russia

Moscow—(AP)—Folk motifs and a longer skirt are features of the new Soviet styles.

Adaptations of ancient Russian handwork from the various republics of the country are features—particularly on blouses—in the new styles. They make colorful and neat decorations, most of them being in red and white. While nothing like the "New Look", skirts are longer this season.

### YOU CAN RELIEVE FUNCTIONAL PAIN

Cardul has been used by millions of women in 87 years. Every bottle is accurately controlled by laboratory tests. You are assured soothing, calming relief for functional monthly pain. Cardul acts two ways: (1) Taken as directed, the antispasmodic effect reduces the functional pain and strain—lessens the nervousness, and cramps—associated with monthly periods. (2) Taken regularly as a tonic, Cardul helps build resistance. Buy at your drug store today. Ask for Cardul by name.

*The car that likes to be compared!*

# PLYMOUTH

Great Value is built into every beautiful inch of the new Plymouth. For the positive proof—compare! Put this greatest Plymouth ever built up against the other cars—feature for feature, dollar for dollar, mile for mile!

Look at all three of the leading low-priced cars. Plymouth—and only Plymouth—has the famous Air Pillow Ride—now smoother than ever.

The new, more powerful Plymouth engine has a compression ratio of 7 to 1—low-priced car "A" has 6.8 to 1—low-priced car "B" has 6.6 to 1. You get greater performance because Plymouth's higher compression squeezes more power out of every drop of gas.

Plymouth is the only low-priced car with the spectacular new double safety feature—*Safety-Rim Wheels with Safe-Guard Hydraulic Brakes*. Patented retaining humps hold the tire straight on the rim in the event of a blowout. Powerful brakes give quick, safe, accurate stops, without grabbing or biting.

These are just some of the reasons why the new Plymouth is the car that likes to be compared—not just to other low-priced cars—but even to cars costing hundreds of dollars more!

Visit your Plymouth dealer who will be glad to arrange a demonstration ride.

With sidewall tires, chrome wheel covers and rear fender scuff guards optional at extra cost.

Of 22 quality features found in high-priced cars—the new Plymouth has 21... low-priced car "A" has 13... low-priced car "B" has 4. That's why the Plymouth today—more than ever before—is the low-priced car most like high-priced cars!

# YOUNG'S

# Hampden-Sydney Prepares For Pirates' Pass Attack

East Carolina Teachers and Hampden-Sydney will meet on the football field for the first time in the history of the two colleges Saturday afternoon at Death Valley. Game time is 2:30 o'clock.

The Hampden-Sydney squad was given a detailed report Monday of the East Carolina - Lenoir-Rhyne game which was played here last Saturday.

They immediately went into serious drills in preparation for the coming contest. The Tigers are placing particular emphasis on pass defense. It has been the aerial attack led by the Bucs Roger Thrift which has been the major offensive threat in Pirate games this season.

Coach Morgan Tiller's Tigers are anticipating a rough evening of football. Spotters were particularly impressed by the defensive action of Coach Bill Dole's squad in the game with Lenoir-Rhyne.

In their game with the Bears the Buccaneers forward wall was led by co-captain Stan Peel of Williamson who recovered two Lenoir-Rhyne fumbles, his second and third opposition fumbles recovered in two games.

Hampden-Sydney will likely be given considerable trouble from big

Ken Booth, a sophomore tackle from Tarrytown, New York, who played the entire Lenoir-Rhyne game sharing defensive honors with Peel John Daughtry, Bob Bradley and Pete Prominski were also outstanding in Coach Dole's line last week and are expected to see considerable action against the Tigers.

For the Tigers, who opened their 1949 season against Guilford at Greensboro, N. C. last week, the inaugural meeting with ECTC will furnish the first of three opportunities to appear before a home delegation. Mixed in with the other two home games, Hampden-Sydney has five road trips, including jaunts to two different states and the District of Columbia.

# Cardinals Throwing Away Pennant In Final Stretch

Pittsburgh, Sept. 23—(AP)—Anybody who thinks the National League pennant race is over ought to take a second look at the St. Louis Cardinals.

The League leaders are playing

Coach Tiller of the Tigers will have the added services of an experienced end to help strengthen Hampden-Sydney's passing game Saturday.

The new flanker is Brown Dameron, of Montross, who played with Frank Summers' team of '46 as a freshman. Dameron did not go out for the squad until several days before the Tigers' game with Guilford. He made the trip with the team, but saw very limited service.

If Dameron comes around as Tiller expects him to in practice this week, he will be used at left end on offense when the Tigers start tossing the ball. He is over six feet tall and has a reputation of being a good pass receiver.

anything but championship baseball—certainly not like the 6-1 favorites they were made by the oddsmakers only 24 hours ago.

True, they still lead the Brooklyn Dodgers by a full game with only four to go, but no longer are they the sure things they appeared a day or two ago.

To be brutally frank about it, the Cards have played sloppily in three of their last four games and were fortunate to win one of the two contests—last Saturday's 3-2 decision over Chicago's cellar-dwelling Cubs. The only time they really looked like flag contenders was last Sunday when they swamped the Cubs, 6-1.

Manager Billy Meyer of Pittsburgh, whose sixth placers whipped the Redbirds last night, 6-4, only said what nearly all of the 27,233 customers thought, when he remarked after the game:

"The Pirates didn't win it. The Cards threw it away. The Cards looked terrible tonight but I still think they'll win the pennant. I look for the Dodgers to drop one in Boston and one in Philadelphia, while the Cardinals should sweep their series with Chicago."

# Duke Squad Gets Quality Test In Tennessee Game

By The Associated Press  
Coach Wallace Wade won't have to wait any longer than Saturday afternoon to find out just how much his 1949 Duke Blue Devils resemble the power-laden Dukes of old.

For Saturday, the Blue Devils tangle with Tennessee at Knoxville. And a victory over the fast-rising Volunteers would firmly establish the Dukes as a team to be reckoned with on the National scene.

Such a triumph would be the signal for breaking out warning flags at Navy, Wake Forest, North Carolina, and Georgia Tech. Those teams are the other major obstacles standing between the Blue Devils and a successful 1949 season.

Saturday's game certainly will relieve Wade of any doubt he may have had about the meaning of last week's 67-0 Duke victory over Richmond. So far, "the old master" has wondered whether it was exceptional strength on the part of the Dukes which brought about the one-sided victory, or exceptional weakness on the part of the Spiders.

Tennessee whipped Mississippi State last weekend, and this week Wade has kept Duke busy finding defenses for the Volunteer brand of hocus pocus. There were indications yesterday the defenses still need a lot of polish.

In a long workout, opposing freshman players several times got away for long gains while using Tennessee plays against the varsity line. Gains were recorded both in passing and running.

Wade's injury workers were less-than-successful, however, as tackle Lloyd Isenberg returned for contact work after a two-week absence.

# Burlington Wins Carolina Crown

Raleigh, Sept. 23—(AP)—Burlington trounced Raleigh, 9-3, last night to take the seventh and deciding game of the Carolina League's baseball championship play-off.

The Bees, who squeezed into the first division by half a game, were aided by the superb two-hit pitching of Larry Hartley, a husky right-hander. It was Hartley's second win of the series.

# Remembered

Martinsburg, W. Va., Sept. 23—(AP)—Hack Wilson's old baseball friends gathered in a corner of a graveyard here yesterday and unveiled a small stone monument over the big guy's grave.

The tapered granite block, 10 feet high and about 30 inches square at the base, bore an etching of crossed bats and a baseball, with this simple inscription:

"One of baseball's immortals, Lewis R. (Hack) Wilson, rests here."

# Walker Figures Boston Favorite

By The Associated Press  
Peashead Walker was one fellow who picked up his ears last night when Oklahoma coach Bud Wilkinson started belittling the 46-0 shellacking Oklahoma handed Boston College.

Wilkinson had some complimentary words to say about B. C. and you can lay your money that Walker won't wait any later than today to start drumming them into the ears of his own Wake Forest Deacons. The Deac tangle with Boston College on Friday night.

The Eagles are "a good team" and will be tough for anybody, Wilkinson declared. That's just what Walker has been saying all along. The Wake Forest coach even rates his Deacons underdogs in the scrap scheduled for Braves Field, Boston, under the lights.

Key injuries also dampen Walker's National enthusiasm. Saturday's losing effort against Southern Methodist sidled an even half-dozen Wake Forest players. Left tackle Bill George was put out indefinitely with a broken bone in his left foot. Right tackle Jim Stanton suffered a strained neck which will keep him from participating in the game with the Eagles. Two other tackles, a center and a halfback were less seriously hurt.

# Suffered Shock From Ball Game

Springfield, Mass., Sept. 23—(AP)—James H. Kingston, 65, who told police he suffered a shock Monday as the Boston Red Sox defeated the New York Yankees, 7-6, was found lying beside his radio last night, 27 hours after the game ended.

Kingston, who lives alone, was discovered by his sister, Mrs. H. J. Dodds after her telephone calls went unanswered. He was reported in "fair" condition at Mercy Hospital. He told police he was conscious all the time but was unable to move.

**PIN-WORMS GO!** New Treatment Gets Real Results  
Don't let your child suffer a single needless minute of distress with Pin-Worms. And it can happen. Medical experts report that an amazing number of children (and adults too) are victims of these ugly pests that live and grow inside the human body.  
You should and can do something about Pin-Worms. A new scientific treatment—Jayne's P-W Vermifuge—offers real relief. P-W contains a special, medically-approved ingredient that destroys Pin-Worms in the intestine and removes them from the body.  
So watch for the warning signs of Pin-Worms in your family... itching, nose picking and especially the nagging, irritating rectal itch. Then ask your druggist for P-W, the small, easy-to-take tablets perfected by the famous Jayne Co., specialists in worm remedies for over 100 years. Destroy those Pin-Worms...relieve that itch. Just Remember: P-W is for Pin-Worms!

# Ayden High Sharpens Team For Rugged Tilt Against Phantoms

Ayden high school's Tornadoes warned in advance that they are in for what probably will be their toughest game of the season, settled down to heavy workouts this week in preparation for their Friday night tilt with the Green Phantoms of Greenville high school.

Coach Stuart Tripp's eleven which last week roared over Wakeland High 34-0 have already been advised by the coach that Friday night's game will not be a duplicate performance.

The Tornadoes will be invading

the home premises of the North-eastern conference team which opened its year with a 13-6 win over the Edenton Aces and held the win over New Bern Bears, powerful contenders for the conference championship, to two touchdowns last week.

For their first time this year, Coach Bo Farley's Phantoms will be favored to win.

But they are chanting for an upset at Ayden High this week as the Tornadoes sharpen their attack for

the encounter. Reports from Ayden say that Coach Tripp's boys regard the Friday night game as the most important of the year as far as they are concerned.

Here in Greenville the Phantoms are likewise getting ready for the contest. Reports say they are expecting a scrappy opponent in the Ayden eleven and are not by any means viewing the game as a push-over or of the "scrimmage season" variety.

# Stage Again Set For Bosox Blow

Washington, Sept. 23—(AP)—One year ago today, Red Scarborough, a pitcher employed by the lowly Washington Senators, went out and beat the high and mighty Boston Red Sox, 4-2.

It was a blow from which the Red Sox never recovered. For as it turned out, Scarborough's victory threw them into a found lying beside his radio last night, 27 hours after the game ended.

Kingston, who lives alone, was discovered by his sister, Mrs. H. J. Dodds after her telephone calls went unanswered. He was reported in "fair" condition at Mercy Hospital. He told police he was conscious all the time but was unable to move.

And here are the Red Sox, winners of 11 in a row, a game ahead of the New York Yankees in the tight pennant race, and eager and ready for the kill.

Probably it's too much to ask Scarborough, who doesn't have the likes of Ted Williams and Vern Stephens batting on his side, to halt the Red Soxers again.

But he's managed to show 12 victories and 11 defeats for a team which loses two games for every one it wins.

# Doctors To Seek Reason For Poor Showing In Ring

Los Angeles, Sept. 23—(AP)—Rookie Heavyweight Clarence Henry, protege of Jack Dempsey, will undergo a physical examination today to find the reason, if any, for his sorry showing against Veteran Jimmy Bivins of Cleveland.

Bivins scored a technical knockout in the eighth of their scheduled ten rounder last night at the Olympic. The Los Angeles fighter, previously unscathed in his only 10 pro fights, went down under a series of light punches. Earlier, he hit the canvas twice for no count although ring observers had difficulty seeing any effective punches landed.

Bivins weighed 181, Henry 183 1/2.

# Harvard Tackle Lineman Of Week

New York, Sept. 23—(AP)—Harvard took a drubbing from Stanford on the Pacific coast last Saturday, but nevertheless came up with the football lineman of the week in 23-year-old Howard Houston.

In the first Associated Press poll of the grid season the 200-pound Senior tackle from Haverhill, Mass., today was named the top line-man of 38 nominations.

# Raschi Hits Stride And Yankees Again Confident

New York, Sept. 23—(AP)—With Vic Raschi back in winning form, the New York Yankees are confident of carrying the American League pennant race down to the last day of the season.

"Raschi has his fast ball back," said Manager Casey Stengel in the clubhouse after Vic racked up victory No. 20 by a 3-1 margin over the Philadelphia A's yesterday.

As things stand now, Stengel expects to pitch Raschi in Sunday's game with Boston. If things break right for the Yanks, that could be "the" game of the year.

"It's Tommy Byrne and Ed Lopat against the A's," said Stengel. "That would bring up Alie Reynolds Saturday and Raschi Sunday. Of course, that's all subject to change."

Joe Coleman (13-14) will oppose Byrne today. Tomorrow Manager Connie Mack is going to use Phil Marchildon (0-3), who hasn't pitched more than 3 1-3 innings since April 21.

It is understood that Mack told the Yanks he would pitch Marchildon against them because he took a chance on him against Boston. Sept. 2, Marchildon was out for three months from May 30 to Aug. 26 with arm trouble. The Red Sox knocked him out in a five-run first inning the last time he worked.

## DOUBLE TROUBLE

By WILLIAM HOBSON

AP Newsfeatures

Chapter 16

Down at the home ranch that night the Randalls and Seltzer were playing poker for matches. Mike Randall was teamed with Mrs. Seltzer, who was just learning the game, against his wife and John Seltzer.

He reached into a vest pocket and brought out a huge watch, glanced at it for the umpteenth time, and then began to wind it with a key. "It's after eleven. Them kids said they'd be back by ten. I wonder what's happened to 'em?" Mrs. Seltzer laughed. "Haven't you forgotten that you were young once yourself, Mike? They'll be along pretty soon."

Randall yawned. "Well, they can come along and be blowed. I like my sleep. I'm cleaned anyhow, so I'm going to bed."

"You menfolk go on to bed," Mrs. Randall said. "We'll wait up for the youngsters."

They bid their good nights and Randall went in and pulled off his clothes. He rolled into the big four-poster bed and slept the sleep of a healthy man living an outdoor life.

A tap came on his shoulder. He awoke at once and was surprised to see the faint first touch of dawn coming through the window. His wife was still dressed. She hadn't gone to bed.

"Mike, it's after four and those kids haven't come back yet. I'm worried. Do you suppose something could have happened to them? Ellen and Mary would never spend a night in a line cabin with three men, particularly when they promised to be back last night."

Mike Randall hit the floor in his sock feet and began yanking.

by an ambusher last night and may die."

All the fire went out of Mike Randall's eyes. He let out a sigh and his shoulders drooped. Slowly he sheathed the cap-and-ball and rubbed his sweaty palm against his chaps. He went in, looked at the bandaged figure on the bed, came out in silence. This was different. Joe was one of his men. That made very much of a difference.

"Turk," he said feebly, "go out and lead Star around until he cools off and then rub him down and put a blanket over him. How that big devil can run!"

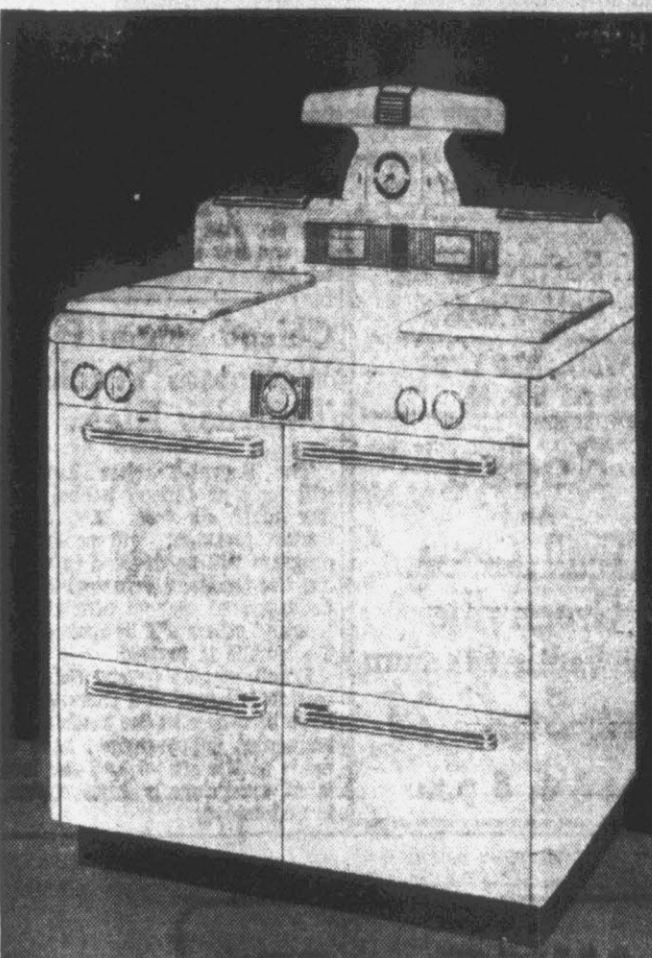

(To be continued)

**NOTICE TO CREDITORS**  
Having qualified as executor of the estate of James Edwards Owens, deceased, late of Pitt County, North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them to the undersigned at Fountain, N. C., on or before the 16th day of September, 1950, or this notice will be pleaded in bar of their recovery. All persons indebted to said estate will please make immediate payment.

This 16th day of September, 1949.  
J. M. HORTON, Executor of the Estate of James Edwards Owens, deceased.

## Hudson sales zooming coast to coast

and we're joining in with the **BEST DEALS** IN OUR HISTORY

It just had to happen! When America is presented with a car—the New Hudson—that is obviously years ahead in styling and performance, there's action everywhere! And now, from Maine to the western Rockies and beyond, Hudson ranks first, second, third or fourth in sales among cars in all price classes in markets of all sizes!

40 YEARS OF ENGINEERING LEADERSHIP

**WHAT a picture! Hudson sales for the first seven months this year over 30 per cent ahead of last year! Already more than 114,000 people have switched from cars of other makes to own a "step-down" designed New Hudson!**

So why shouldn't we join in this surge of success with the best deals in our history?

You're invited to enjoy a Revelation Ride in the only car that brings you the most of the four great things people want most—beauty, roominess, road-worthiness, and all-round performance. Yes, it's America's 4-Most Car!

For road-worthiness, as an example, Hudson's "step-down" design provides the lowest center of gravity in any stock car—yet there's full road clearance! Result: the safest, steadiest, hug-the-road ride ever known!

Come in, real soon. Bring your car along. See how much it will bring right now, traded in on a year-ahead New Hudson!
