

Russia Accused Seeking Vassal State In China

Nationalist Gov't Says Red 'Bandits' Become Part Of Aggressor Bloc

Canton, Oct. 4—(AP)—The Nationalist government today accused the Soviet Union of using the Chinese Communists to make China a Russian vassal state.

In a statement prompted by Russia's swift recognition of the new communist "Peoples Democracy of China," acting President Li Tsung-jen asserted:

"The Chinese communist bandits under the direction and leadership of the U.S.S.R., have become part of the Communist International aggressor bloc."

Earlier, Nationalist Foreign Minister George Yeh had declared at Lake Success that Russian recognition of the "bogus regime" at Peking was "not only an act of aggression against China but also a threat to the peace and security of the Far East."

Yeh personally read his government's note to Russian charge d'affaires Vladimir Varskov just 2 1/2 hours after the Soviet Union officially recognized the Red government and severed relations with the Nationalists. Yeh told Varskov relations with Russia were ended.

Only the Soviet Union and two of her satellites—Bulgaria and Romania—have accorded the Chinese Red government recognition.

(In Washington, the U. S. State Department said it will make no move toward recognition until congressional leaders have been consulted.)

(In London it was reported the U. S., Britain and France are expected to assess this week their attitude on recognition.)

Declaring the Chinese communist party has been dominated from its beginning by the Soviet Union, acting President Li said:

"We are determined to wipe out the communists. Military setbacks will not shake this determination. If all China falls to the communists then world democracy and the security of mankind will be seriously threatened."

The man who took over when Generalissimo Chiang Kai-shek "retired" as China's president conceded the profit motive might cause some nations to recognize the Peking regime. He said this would be considered an unfriendly act by the "Chinese people."

Eight-Hour Hunt Reveals 'Wanted Man' In Jail

Baltimore, Oct. 4—(AP)—After an eight-hour search, Baltimore police found their man yesterday.

Howard Mosby, 16, arrested on a disorderly conduct charge and released on bail, had asked to be kept in jail because he "didn't want to be late for the hearing next morning."

The police obliged, but failed to make a notation on the docket.

When Mosby didn't appear at the hearing, the search began. It wasn't until late afternoon that a red-faced turnkey remembered Mosby was in the lockup.

Said Magistrate A. A. Kozlovsky at the hearing:

"It looks like we owe you a little time now. Case dismissed."

Proposes Baruch Offer Atomic Defense Advice

Washington, Oct. 4—(AP)—Senator Knowland (R-Calif.) proposed today that the Senate-House Atomic Committee ask Bernard M. Baruch how this country ought to get ready for any possible atomic attack.

The California senator told a reporter he thinks Baruch's suggestions would be invaluable for the committee, which is due to go into the civilian defense question in closed sessions later in the week.

Baruch, who helped write the American plan for international control of atomic energy, said in a statement in New York last night that the Russian atomic explosion makes it imperative for this country to set up a standby mobilization plan.

He said the United States should reexamine its strategy for keeping the peace and stand firmly on its insistence for "nothing less than a truly effective international control of atomic energy."

Baruch said this country can't wait until the bombs begin to fall before it decides what to do about mobilizing its industries and assigning its population to war tasks.

Senator McMahon (D-Conn.), chairman of the Senate-House Atomic Energy Commission later in the week. The congressional group has been reviewing the atomic program in the light of the Russian development.

Tomorrow, however, it will take time out to tackle the problem of

PLACED EIGHTH

Waterloo, Ia., Oct. 4—(AP)—North Carolina's team placed eighth last night in the 4-H Club dairy cattle judging contest in connection with the National Dairy Cattle Congress. Maryland was first among the 18 teams.

Little Damage In Texas Hurricane

Houston Surprised By Relatively Little Damage; Force Diminishing As Storm Heads Inland; Rice And Cotton Hurt

Houston, Oct. 4—(AP)—A hurricane, screaming out of the Gulf, smashed into this Texas Metropolis today and surprised everyone by doing little damage.

A few plate-glass store windows were broken as the wind swept in behind torrential rains. Some streets and underpasses were flooded.

Debris was whipped down streets and trees bent horizontal as 90-mile-an-hour winds whipped the city, whose 800,000 and more residents make it Texas' largest.

The hurricane, snatched from the Gulf late last night, striking first at the industry-rich coast between Matagorda and Freeport, about 60 miles south of here.

One person was missing, much of a rich rice crop destroyed, and cotton heavily damaged as the hurricane twisted inland. Rains up to 7.21 inches at Port Arthur fell throughout the coastal area.

An exact estimate of total damage was impossible until further checks could be made. But it appeared heaviest damage was to rice and cotton, and that the coast's vast and sprawling industry was relatively unharmed.

Galveston, Island resort city about 50 miles southeast of here, caught the edge of the storm. But its high seawalls saved it from great damage.

Its force diminishing, the hurricane headed toward the Palestine-Lufkin area of east Texas where it is expected to hit early this afternoon. A vast oil field in that area but little damage was expected.

The New Orleans weather bureau indicated the hurricane already had lost much of its punch when it hit Houston about 1:30 a. m. today.

The bureau said it had lost its clearly defined "eye"—the center of the storm near which destruction is greatest—when it reached Houston.

This morning many of the city's residents scoffed at the idea that a hurricane had passed in the night. "Lots of wind and lots of rain, but no hurricane," was the verdict of hurricane-wise Houston residents.

Hurricane warnings may have cheated the big winds of human casualties.

Most towns in its path were but-tuned up, many residents had fled to inland cities. Five thousand persons sought shelter in Houston's city auditorium and Sam Houston coliseum.

They were calm, even cheerful. Many mothers carried babies in arms.

There was one person reported missing in the storm area. Jimmie Simpson, 21, Palacios, Tex., hasn't been reported since he volunteered to swim to shore from a stalled cabin cruiser in Matagorda Bay Sunday. His companions on a fishing trip were towed in by another boat.

County Advised To Revise Bonds Plans

Pitt Commissioners Told Action Would Make Possible More Stable Tax Rate; Approve Hard-surfacing Of Seven Roads

Approving petitions for the hard-surfacing of seven Pitt county roads, and discussing the matter of issuing a portion of the hospital bonds voted by the county received the principal attention of the Pitt county commissioners yesterday at their regular monthly meeting.

D. R. Hollowell, certified public accountant who is auditing the county's books, went over the financial condition of the county with the commissioners, and expressed the opinion that a portion of the hospital bonds voted by the county should be issued. The commissioners recently authorized the issuance of bond anticipation notes for the county to pay for the county's portion of the expense of constructing the new hospital.

Hollowell pointed out to the commissioners that the issuance of \$250,000 of the \$352,000 bonds voted by the county for the hospital would spread the maturity of the county's debt over a longer period of time, and would make possible a more stable tax rate for the county with less fluctuation of the rate from year to year until the hospital debt is paid.

No final action was taken on the matter, however, pending a report

(Continued on page eight)

Vandenberg Said Resting Comfortably

Ann Arbor, Mich., Oct. 4—(AP)—Senator Arthur H. Vandenberg, who underwent a six-hour lung operation here Monday, was reported resting comfortably in University Hospital today.

In the operation, one half of the 65-year-old senator's left lung was removed. His condition during the operation was described as excellent.

That Chinese Puzzle Term Appropriately Represents Chaotic Condition Brought About By Civil War; United Nations Problem; Recognition Of Red Regime And Related Questions

By DEWITT MacKENZIE

Chinese ability to devise problems which are difficult to solve has given rise in the western world to the term "Chinese Puzzle" as descriptive of anything intricate.

That term appropriately represents the chaotic condition to which civil war has brought old China. Having within her borders more than a fifth of the globe's population, she continues to be accorded the rank of one of the big five world powers. Yet she is part Communist and part Nationalist, with two rival governments, both seeking the favors of foreign nations.

Russia was quick to recognize the new Communist regime established in Peking, and the Chinese Reds now have invited formal recognition by the rest of the world. Meantime the United Nations has before it a Chinese Nationalist charge that Russia is backing the Chinese Reds with military aid.

That's the Chinese puzzle which America, Britain and other powers have to solve. It's a tough one and filled with dangers.

Britain announces that she is ready to discuss the new Red regime with 18 other nations, comprising the North Atlantic Alliance and the

Brief Coal Field Peace Broken By Gunfire, Death

Twin Pensions Strike Costing \$30 Millions Daily; Steel Picketing Quiet

Pittsburgh, Oct. 4—(AP)—Gunfire and death broke the brief calm in the strife-scattered mine fields as the twin strikes of 900,000 steel and coal workers ground on today at a staggering cost of more than \$30,000,000 a day.

Violence flared in Tennessee. A Virginia miner was killed in a rock fall. Picketed machinery at a Pennsylvania bituminous pit. America's economy staggered and creaked in the wake of the two-pronged pensions shutdown.

John L. Lewis' 400,000 soft coal diggers who work in the bowels of the earth east of the Mississippi have been strike-idle since Sept. 19. That's 16 payless days.

And 800,000 of Phillip Murray's CIO steelworkers struck 95 per cent of the nation's steel mills and iron ore mines last Saturday.

Pensions are involved in both disputes.

Steel picketing in orderly and quiet—everywhere.

But there has been little peace in the coal fields. A week ago gunfire, rock-throwing and explosions ripped the mining countryside.

Violence broke out anew yesterday. Matt Bunch, UMW international representative, said 20 union miners on a "peaceful mission" were ambushed at Pikesville, Tenn., by non-union miners. Three were shot, one seriously. Two others are missing. No arrests were made.

Bunch said between 75 and 100 shots were fired by men hiding behind bushes as the UMW miners walked up a small path toward a non-union mine. At Whitehall, State Patrolman Harold Wade said striking UMW members were in an ugly mood over the incident and there was talk of their arming themselves.

At Grundy, Va., Johnnie Compton, 23, was killed in a rock fall that buried the truck in which he was hauling non-union mined coal. An employee of a strike-bound mine was questioned several hours, then freed.

Expect Doubling Of Atomic Work

AEC Said Seeking Greatly Increased Appropriation

Nashville, Tenn., Oct. 4—(AP)—President Truman will ask Congress to double the nation's atom bomb production program as an answer to Russia's possession of that weapon, the Nashville Tennessean reported today.

Mr. Truman, at the request of the Atomic Energy Commission, will ask for emergency funds before Congress adjourns, the paper said in a copyrighted Washington dispatch.

The AEC, the article said, wants the President to ask Congress to double its 1950 appropriation of \$78,000,000 and to okay \$30,000,000 to \$60,000,000 for construction during the present fiscal year.

(Senator Hickenlooper (R-Iowa) said last week in Washington that appropriations for the nation's atomic weapon program allowed in advance for Russian developments.)

The program from the start, he added, has been based on the assumption that Russia sooner or later would produce atomic bombs.

Hickenlooper declared in the senate today that it was too early to say whether additional money will be needed for the atomic program here.)

Harvest Moon In Total Eclipse

Washington, Oct. 4—(AP)—The harvest moon—one of the best bets in the song-writer's book—will have dimmers on this year.

There will be a total eclipse of the moon on the night of October 6-7, favorably visible in the United States and Europe. But don't bank on seeing a virtual blackout such as occurred the total lunar eclipse of last April.

Chances are that observers to whom the moon eclipse is visible will see only what is normal for such an eclipse—the moon changed from its usual silvery-white color to orange-red, but still visible.

Patrol Reminds Local Motorists

The State Highway Patrol office in Greenville reported that motorists are still passing public school buses, on the highways while the buses are loading or unloading passengers.

A North Carolina state law requires that all motor vehicles stop when they approach a school bus unloading or loading children.

In the recent weeks the patrol office has had several cases of cars speeding past a parked bus, while the bus had out its stop sign and was taking on passengers.

Any person who is found to have passed a school bus will be cited to court, patrolmen said.

Preliminary Work To Start On New Schools For County

Members of the Pitt County board of education yesterday tentatively approved and authorized preliminary work beginning the first school construction projects to be financed in Pitt county under the new state grants in aid, made possible to the counties of North Carolina through legislative action and the recent \$25,000,000 bond issue for schools.

The school officials instructed architect J. W. Griffith to begin drawing plans for a proposed new six-room elementary school building for Negroes at Fountain, and a 10-room addition to the Negro school at Ayden.

County Superintendent of Schools D. H. Conley, said today, although actual construction work on the two projects can not begin until a survey of the county school system is completed by the state department of public instruction, and the proposed projects are approved by state officials, the local board of education hopes the buildings will be ready for occupancy when the county schools open for the school year next fall.

Under the legislative appropriation and the school bond issue, Pitt county will receive \$541,758.35 of state money to be used in the construction of school buildings within the county school system.

Conley explained this morning that paper work for the state survey of the county school system is being done by the local school officials at the present time, and is expected to be completed by the end of next week. He said he has been informed by the state department of public instruction that the survey of the

Truman Reviews 20,000 Troops

Ft. Bragg Shows Off Its Latest In Weapons, Techniques

Fort Bragg, N. C., Oct. 4—(AP)—Twenty thousand troops of the fifth corps passed in review for President Truman and high army officials today. A drop of air borne infantry and light artillery ready for instant battle action was to follow.

The President arrived by plane from Washington at 10 a. m. to witness a day-long program of airborne operations demonstrating the latest tricks in moving fully-equipped ground forces by air to capture an "airhead."

Mr. Truman was greeted on arrival with a 21-gun salute. Lieut. Gen. John R. Hodge, commander of the 5th Corps, and Alvan C. Gillem of the 3rd Army, met him at Pope Air base with Gov. W. Kerr Scott, and Gen. Mark Clark, commander of the Army ground forces.

Together, they walked a short distance away and stood at attention while a band played the Star Spangled Banner.

Then the President inspected the honor guard of the 1st battalion, 528th Air Borne Infantry, led by Major Harold Greer of Astoria, R. I.

From there the President motored to Army field force board No. 1 to inspect the latest in field artillery weapons still classed as highly secret.

Start Campaign For Formation German Gov't

Berlin, Oct. 4—(AP)—The Russian Army's newspaper here endorsed today the imminent creation of a "national government" in Berlin by German Communists.

The official newspaper of the Soviet occupation army said the German people had demanded the new government "to overcome the Western powers' policy of division and to build a united, independent, democratic Germany."

It claimed the new government would be "a sovereign and independent organ, representing and protecting the true interests of the German people."

It denounced the leaders of the West German federal republic at Bonn as "miserable puppets, completely controlled by foreign imperialists."

Reject New Term For Leland Olds On Power Body

Washington, Oct. 4—(AP)—A Senate commerce subcommittee voted unanimously today against approving a third term for Leland Olds on the Federal Power Commission.

The subcommittee includes four Democrats and three Republicans.

The full interstate commerce committee is slated to meet tomorrow morning and may act formally on the subcommittee's recommendation then. Since the full committee has only 13 members, the subcommittee constitutes a majority of it.

Olds, 58, has served on the commission since 1939. He was first appointed to it by President Roosevelt.

Proclamation

WHEREAS, the Junior Woman's Club is sponsoring the Watson Memorial Wing of Pitt General Hospital which cares for underprivileged children, and

WHEREAS, it is to the mutual interest of all citizens of Greenville, and

WHEREAS, all funds received by the Junior Woman's Club will benefit negroes as well as white children.

NOW, THEREFORE, I, W. S. STAFFORD, Mayor of the City of Greenville, do proclaim and designate Saturday, the 8th of October, 1949 as Watson Memorial Tag Day in the City of Greenville.

Witness my hand and official seal of the City of Greenville this third day of October, 1949.

W. S. STAFFORD, Mayor

Attest: J. O. Duval

Judging Starts Today For Pitt Fair Exhibits

Three Judges Begin Difficult Task; Exhibits To Remain On Display Throughout Week; Record Number Of Swine In Pens

Tonight has been set aside as Ladies' Night at the Fair. Officials said this morning that all ladies, accompanied by a paid admission, will be admitted to the grounds free. They will have to pay the federal tax, however, it was explained.

Three judges began the difficult task of judging some 300 individual farm and home exhibits today in Pitt County's American Legion sponsored Fair, already tagged the greatest ever to be held in the county.

Judging of the numerous educational, farm crop, home canning, floral, sewing, and other exhibits began shortly before noon this morning with A. T. Jackson, New Bern County Agent; Paul Cox, New Bern Assistant County Agent, and Miss Lovelace Waller, New Bern Assistant Home Agent, doing the judging.

This afternoon they will pick the winners in a poultry exhibit boasting some 74 chickens. The poultry was entered by 4-H members and adult farmers from all over the county.

Following the judging exhibits will remain on display throughout fair week.

Hundreds of premiums are being offered.

The display building today is lined with exhibits including everything from canned goods to a tiny home made automobile.

One of the highlights of the fair will be tomorrow's judging of some 60 swine entries, boasting the best hogs produced in the county by 4-H'ers, Future Farmers of America and members of the Purebred Swine Association.

Jack Kelly, swine specialist of the Agricultural Extension Service, will be the judge.

Included in the swine exhibits are 30 hogs raised as projects of 4-H members. They will compete not only for the grand champion prize, a Duroc Jersey offered by the Drum Hatchery of Greenville.

Tokyo Urchins Chisel On Chest

Tokyo, Oct. 4—(AP)—Tokyo's urchins, always eager to make a fast buck, or yen, competed with Community Chest workers today.

Trooping behind fund solicitors, who doled out red feathers to donors, the urchins sold duplicate red feathers for a small fee.

Many Japanese bought and displayed them in the belief they had donated to the Chest funds.

Lewis May Join In Coal Parley

Bluefield, W. Va., Oct. 4—(AP)—Another contract talk between United Mine Workers officials and coal operators starts here today (3 p. m.).

There were reports circulating here last night that John L. Lewis, powerful head of the UMW, may put in his appearance.

Social Security Plans Don't Look For Increased Benefits This Year; House May Pass Legislation By End Of Week But Requires Senate Action To Become Law; Outline Of Changes

By JAMES MARLOW

Washington, Oct. 4—(AP)—Don't raise any false hopes in your mind—if you're one of those benefitting from the Social Security program now—that the benefits will be increased this year.

Don't look for any increase in benefits before next year at the earliest. True, the House today was ready to tackle a bill making changes in the Social Security law.

And before the end of the week the House may pass it. But—that's still only the House acting. There can be no new law unless the Senate also approves, and it's not expected to do that before 1950, if then.

The Social Security program is broad. The House bill would change most of it, but not all. Here is an outline of the present program and then, in parentheses, the changes the House bill would make.

1. Old age and survivors insurance. This is the Social Security-old age pension. It is given to workers who, having been covered by the law since 1937, are their wives when they reach 65; the wife receiving half the amount her husband gets; and to a retired worker's widow if she is under 65 at the time of his death

but has children under 18 dependent on her.

(The House bill would increase the payments all these get.)

2. About 36,000,000 workers are in jobs covered by the Social Security pension law. A covered person is one who has the Social Security tax reduced from his pay. It's his tax which goes toward paying his pension when he retires. Many people are not in "covered" jobs and therefore face old age without a pension.

(The House bill would add 11,000,000 workers to the list of those 36,000,000 now covered. People now not covered but who'd be covered under the House bill include many self-employed people like small storekeepers, regularly employed domestic servants, employees of state and city governments, employees of non-profit organizations like churches, the Red Cross and so on.)

3. A "covered" person now has

Admirals Assert Navy Morale At 'Dangerous Low'

Documents Say National Security Imperiled; Vinson To Seek Inquiry

Washington, Oct. 4—(AP)—A secrecy-shrouded sheaf of papers indicating deep concern among high officers over Navy morale brought a promise today of a thorough congressional investigation.

In the documents—which came to light under highly unusual circumstances—three top admirals say the spirits of Navy men are at such a low ebb that national security is imperiled.

Chairman Vinson (D-Ga.) said the House Armed Services Committee will "get to the bottom of this" as soon as possible. The committee will be busy for some time yet with its B-36 bomber investigation, scheduled to be resumed tomorrow.

The Navy complaints were contained in typed copies of papers signed with the names of Admirals Louis Denfeld, chief of naval operations; Vice-Admiral Gerald F. Bogan, commander of the First Pacific Task Fleet, and Admiral A. W. Radford, commander-in-chief of the Pacific Fleet.

They were slipped to newsmen last night in a downtown office building by a naval source who stipulated that his name not be used. There were indications that the Navy might start a probe to find out who turned them loose.

The three admirals, Vinson said, should be given an opportunity to "freely express what is on their minds, if they want to."

The gist of the documents was this:

1. A statement by Denfeld that a "Navy stripped of its offensive power means a nation stripped of its offensive power."

2. An assertion by Bogan that Navy morale has sunk "almost to despondency" because of belief that the nation is being sold "a false bill of goods."

3. A statement by Radford that most Pacific Fleet officers concur in Bogan's and Captain John G. Crommelin's views. Crommelin has publicly charged that the Navy's attack force is being "rubbed to death" by Russian bombers.

Sea Lion To Try Channel Swim

Paris, Oct. 4—(AP)—A sea lion, prodded by press agents, is going to try swimming the English Channel. But it isn't true that the sea lion will be challenged to a race by a crocodile from the Cairo zoo.

The National Broadcasting Co., of New York, is sponsoring the sea lion's efforts. For a time today it appeared that the crocodile, described as 60 years old, also would be in the swim—but Cairo officials said that was an obvious hoax.

Red China Asks For Recognition

Washington, Oct. 4—(AP)—The communist government of China has formally requested recognition by the United States.

The State Department reported the request was made in a letter to the American consul general at Red-controlled Peking over the weekend.

Watson Memorial Tag Day Set For October 8

The annual Tag Day for the Dr. T. M. Watson Memorial fund, sponsored by the Greenville Junior Women's Club, will be held Saturday with club members and Boy and Girl scouts helping with the solicitation of funds for child welfare work in Pitt county.

Originated with funds from the treasury of the Junior Woman's club, the Watson Memorial fund is a living memorial to the late Dr. T. M. Watson, an outstanding pediatrician of Pitt county. The fund has grown steadily since its beginning, and has been dedicated to the underprivileged children of Pitt county who are in need of medical attention.

The work done through the Watson Memorial fund during the past year won for the Greenville Junior Women's club the Plebe Jackson state award for outstanding child welfare work.

In addition to the more than \$2,000 previously spent for medicine and surgery, and to supplement much needed equipment in the children's wing of Pitt General hospital, the fund has provided during this year for two eye operations, seven tonsillotomies, one X-ray treatment, hospitalization for nine children, milk, drugs, baby food and groceries for underprivileged children, one anti-rabies treatment, one for the children's wing of the local hospital, and a donation to the national society for crippled children.

On Saturday club members and Boy and Girl scouts will pass out Watson Memorial tags in return for donations to the fund, and in addition to the solicitors, booths will be located at several store entrances to accept contributions to the Watson Memorial fund.

PERSON FOR PROGRAM

Kansas City, Mo., Oct. 4—(AP)—A federal judge sentenced Negro A. J. Brown to 18 months in prison yesterday on a Mann Act charge involving a 15-year-old white girl.

Now, for the first time, you can have famous Dorothy Gray Cellogen Cream at this special low price! If you're over 30, count on its constant of active, estrogenic hormones to help you hide birthdays. Stock up and cover! Limited time only.

40 Years Ago Today

THE DAILY REFLECTOR
October 4, 1909

This is truly a glad day for Greenville and Pitt county, as it marks the opening of the East Carolina Teachers' Training school, an event that has been labored for and looked forward to for nearly three years. While most of the work done to secure the passage of the bill was by the people of Greenville and Pitt county the bill itself did not provide where the school should be located but left the selection open to competition. Seeing the school was to be a certainty, it was a prize to be coveted, and many Eastern towns, some of which had taken little interest in the first agitation, went to work in an effort to secure the school. The contest was both long and spirited, but Greenville and Pitt county joined hands and voted together \$100,000 and a choice of several beautiful sites, and there was great rejoicing when the State Board of Education, in whose discretion was the matter of location decided that the school should come to Greenville. Verily, this is Greenville's glad day.

Called Meeting of Third St. P. T. A.
A special meeting of the P. T. A. of Third Street school is called for Thursday night at 7:30 in the school auditorium. The parents are urged to attend this meeting with the school board to discuss the building program for the school.

Sixtieth Anniversary
The Patient Circle of The King's Daughters and Sons cordially invite you to attend their Sixtieth Anniversary Tuesday, October the eleventh eight o'clock in the evening at the Woman's Club.

Mrs. Johnson Hostess To Contract Club

Grifton.—A pretty party was given on Thursday night at the home of Mrs. Roger Johnson on Main street when she had as guests members of her contract club and additional players for four tables of bridge. Fall flowers in pleasing arrangements were used as decorations. During the games Coca-Colas were passed and a sweet course as cards were laid aside.

After four progressions Mrs. Glendel Tucker was holder of high score for club members and Mrs. Milton Hart, second. The visitors high went to Mrs. Claude Hart. Other players were Mrs. Walter Murphy, Mrs. Elizabeth Hart, Mrs. Walter Patrick, Mrs. Roy Jackson, Mrs. Nannie McGlohon, Mrs. Ben G. Tucker, Mrs. Julius Chauncey, Mrs. Manley Lee, Mrs. Elmo Smith, Mrs. Sam Nelson, Mrs. Josh Worthington, Mrs. Carey Garris and Mrs. Wilbur Murphy.

Frances Briley Becomes Bride Of Howard M. Riggs

Miss Frances Earle Briley, daughter of Mr. and Mrs. Jessie A. Briley of Simpson, N. C., became the bride of Howard Manly Riggs of Winterville, N. C., in an impressive double ring ceremony at 8 p. m., October 1, 1949, in the Salem Methodist Church in Simpson. The Rev. C. D. Nickens, pastor of the bride, officiated at the ceremony before an array of ferns and white gladioli interspersed with candelabra holding lighted wedding tapers. A program of nuptial music was presented by Miss Elizabeth Edwards and Mrs. Edgar Denton, soloists.

The bride wore a white wool dress with black accessories. Her shoulder corsage was of red roses. The ushers were James C. Briley, Henry Briley, brother of the bride, J. N. Riggs, brother of the groom, and Bill Loftin.

The bride is a graduate of Grimesland high school and attended East Carolina Teachers College. For the past year she has held a position as stenographer at Lautares Jewelry Company.

The bridegroom was graduated from Winterville High School and served overseas in World War II. He is engaged in farming.

After a wedding trip, Mr. and Mrs. Riggs will be at home in Greenville. Following the wedding rehearsal a cake-cutting was given Friday night by Miss Rosa Lee Briley and Mrs. James C. Briley at the home of Mrs. Briley in honor of Miss Frances Briley and Howard Riggs whose marriage took place Saturday night. The guests were received by the hostess. Presiding at the punch bowl was Mrs. R. L. Little, assisted by Miss Jean Briley. After the honorees had cut the first slice of cake, it was served by Miss Rosa Lee Briley. The bride's table was covered with a red cloth and centered with an arrangement of white flowers. About 45 guests, including members of the wedding party, families and friends, were present.

Woman's Club To Hear Dr. G. Johnson

The Greenville Woman's Club will open its year's activities with a dinner and program on Friday, October 7 at the Woman's Club beginning at 7:00 p. m.

Featured as the main speaker for the occasion will be Dr. Guion G. Johnson of Chapel Hill, noted author, research specialist and civic leader.

Dr. Johnson is a graduate of Mary-Hardin Baylor College, Belton, Texas, and of the School of Journalism of the University of Missouri. She received her doctorate in History and Sociology from the University of North Carolina

and has spent most of her life in Chapel Hill.

For ten years Dr. Johnson was a member of the Institute for Research in Social Science of the University of North Carolina. During that time she wrote "A Social History of the Sea Islands of South Carolina and Georgia" and "Antebellum North Carolina." She taught naval history in the V-12 program during World War II. At present she is engaged in a research project in cooperation with her husband and son concerning the Indians of the South Atlantic Coastal area and spent most of the past summer at Pembroke College as her working base.

Dr. Johnson has two sons, Benjamin, a graduate student in Harvard and Edward, a sophomore in the Chapel Hill High School. Her husband is Dr. Guy B. Johnson, research professor in the University of North Carolina.

Serving her second year as chairman of the International Relations Department of the State Federation of Women's Clubs, Dr. Johnson has prepared a program to meet the needs of the clubs in this field. She is in great demand as a speaker because of her knowledge of his-

tory, present world conditions and her ability as an analyst and commentator.

In her address to the Greenville Woman's Club Friday evening Dr. Johnson will speak on the subject "Current Trends in World Affairs." Club members and their families and other interested individuals in Greenville are cordially invited to attend the dinner and program. Reservations at \$1.25 per person should be made not later than Wednesday night, October 5. Please make reservations through Mrs. J. B. White, telephone 3464 or Mrs. J. R. Carrington, telephone 4569.

Mrs. Cherry Hostess Lydia Wooten Class

The Lydia Wooten class of the Methodist church met on Monday night, September 26 at the home of Mrs. Walter Cherry. The meeting was called to order by repeating "The Lord's Prayer" in unison.

A short business meeting was held. Reports for the year were given. New officers for the coming year were

selected as follows: President, Mrs. Leon Russell; vice president, Mrs. A. P. Baker; secretary, Mrs. John Aske. Treasurer, Mrs. J. W. Tyndall.

The topic of the devotional "Joy to Be Found in Being a Christian," was given by Mrs. Jasper Jones.

A short social hour was enjoyed. Refreshments were served by the hostesses.

Mrs. Reynolds Gives Guild Program

Circle No. 2 of the Wesleyan Service Guild of the Methodist Church met on Monday evening at the home of Miss Jane Hadley and Mrs. Rose Hadley Fambrough, with Miss Hadley, president, presiding.

Mrs. Dorothy W. Johnson gave the devotional. With the thought of the recipients of the proceeds of the "Week of Prayer and Self Denial" in mind, Mrs. Johnson used as her subject, "Helping Others."

Mrs. R. P. Rogers, chairman of the program committee, introduced Mrs. Charles Reynolds, of the Woman's Society, who gave a most interesting account of the "School of Missions" which she attended at

Lake Junaluska during the summer. Mrs. Reynolds also gave vivid descriptions of the outstanding speakers and their subjects.

During the business session which followed, plans for the new year were made. It was announced that Miss Thelma Exum would replace Mrs. Dorothy Lewis Wilkerson as overall Guild Treasurer. Miss Hadley presented facts concerning the second quarter supply project, "Al-

dersgate," near Little Rock, Arkansas. The group voted to support this project. The group also decided to cooperate in the carrying out of the "Pieces for Peace" project, a project initiated by the United Council of Church Women.

Following the business delicious refreshments were served by Miss Hadley and Mrs. Fambrough, assisted by Mrs. W. F. Rhem.

ABC Board Will Meet Tomorrow

State Alcoholic Beverage Control Board will meet in regular session tomorrow. ABC board chairman R. W. Winston will present a report on the progress of his drive against bootleggers. The board also will hold hearings on several proposals to revoke wine permits. Final plans will be worked out for the meeting here

Raleigh, N. C., Oct. 4—(AP)—

Ellison S. McKissick (above) of Easley, S. C., was elected president of the new American Cotton Manufacturers Institute which was formed at a meeting in Charlotte, N. C. Friday. Organization of the institute followed dissolution of the old American Cotton Manufacturers Association and the Cotton Textile Institute, Inc. (AP Photo).

U. S. Buying In Congo Declines

Brussels—(AP)—Newly published Belgian Congo trade statistics show the colony to have a trading profit of about \$8.2 million during the first quarter of 1949. The Congo's exports are mainly palm oil, tin, copper and iron ore as well as precious stones. Biggest trader was Belgium herself taking 45.5 percent of the exports and providing 40.3 percent of the imports. American buying slipped from 30.8 percent of the Congo's exports for 1948 to 25.5 for the same period this year.

Children's Fund Shipping Food

Lake Success—(AP)—The United Nations International Children's Emergency Fund moved five thousand tons of food and goods to nine European countries in one week to mark its second anniversary. The shipment was for needy children in war-devastated countries. It included 15 tons of dried milk and 19 cases of penicillin from the United States, 15 million vitamin capsules from Canada, and milk margarine, meat and soap from New Zealand.

Faces Trial For 1916 Shooting

Beckley, W. Va., Oct. 4—(AP)—Thirty-three years ago Fletcher Fox was shot and killed during an argument in Terry, W. Va. Yesterday, Doan Young, 62, was indicted by the Raleigh County grand jury on a murder charge growing out of the old shooting. Young was arrested in White Sulphur Springs, W. Va., last summer on an assault charge. Police said an investigation showed he had been sought for more than three decades for the Fox killing.

Preston Tucker Called To Trial

Chicago, Oct. 4—(AP)—Preston Tucker and seven other promoters of an unsuccessful multi-million dollar rear engine automobile company were called for trial today on criminal charges of mail fraud and securities act violations. Judge Walter L. LaBuy summoned a venire of 200 prospective jurors. Additional seats have been installed

in the Federal District courthouse in anticipation of large crowds. A public address system with microphones for lawyers, witnesses, and Judge LaBuy has been rigged. The trial is expected to make public details of vital interest to hundreds of dealer and distributor franchise holders and stockholders who invested nearly \$30,000,000 in Tucker Corp. The company, which never got into mass production and actually turned out fewer than 60 hand made automobiles, is undergoing reorganization under federal court supervision. The kind of ocean bottom on which they rest.

Egypt Promoting Tourist Trade For U. S. Dollars

Cairo—(AP)—Egypt is easing her customs regulations in an effort to attract more tourists—particularly Americans. Henceforth tourists can bring in all personal effects without payment of duty. These include cameras, radios, binoculars and typewriters which formerly were subject to duty. Personal jewelry also is exempted if the tourist signs a statement listing it upon arrival. The same procedure

will hold for foods, perfumes and tobaccos.

There will be no limit on the amount of gifts and souvenirs manufactured in Egypt which tourists can take out of the country. A special Tourist police force has been set up. Tourists can have escorts from it during their travels if they desire.

INQUEST TUESDAY NIGHT

Coroner Griffin H. Rouse will hold an inquest at the courthouse Tuesday night at 7:30 to investigate the death of James Spencer, colored, of Pinetown, who was killed when he fell from a log truck near Farmville last Friday afternoon.

OF GREENVILLE

Family Lived In Park 7 Months

Birmingham, Eng. —(AP)—For almost seven months 41-year-old Mrs. Mary Smith and her three small children lived like rabbits in Birmingham parks. They slept under bushes and in tool sheds, tidied themselves in the washrooms, ate when something came their way.

A magistrate could hardly believe the evidence and police said they couldn't understand how they managed it so long without detection. Mrs. Smith, deserted by her husband and homeless, was told last March to place the children in an institution. She couldn't bear to part with them, and took to the parks. Said Police Sergeant John

McCabe: "Stranger still, the children were clean, well dressed and well nourished."

It ended as Mrs. Smith had feared. Homes will be found for the children and the mother was placed on probation for "exposing the children to unnecessary suffering."

Prison Term For GI-Bill Frauds

Charlotte, N. C., Oct. 4—(AP)—Eight ex GIs charged with defrauding the Veterans Administration of a total of \$4,536 today faced prison sentences of a year and a day each.

They were charged with getting money under the GI bill of rights while posing as students at the second ward (Negro) high school here.

Seven pleaded guilty. John Hicks pleaded innocent. Federal Judge Wilson Warlick sentenced them all.

Poland China Hog Sale Rocky Mount

College Station, Raleigh, Oct. 4—North Carolina's Spotted Poland China hog breeders will hold their annual State show and sale at Worsley's stockyards near Rocky Mount on Thursday, October 6. The show begins at 10 a.m. and the sale at 1 p.m.

Consignments include 38 animals from some of the leading breeders in the state. Four head come from the farm of Claude A. Askew of Conway and three from Piedmont Good Will Farm of Gastonia.

Next Bond Sale To Be In January

Raleigh, N. C., Oct. 4—(AP)—The next sale of bonds to support North Carolina's \$200,000,000 rural road improvements program probably will be in January.

Last week the state sold a \$50,000,000 block of bonds as Governor Scott's secondary road program got underway.

State Treasurer Brandon Hodges revealed yesterday he plans to call for sale of the next block of rural road bonds soon after the first of the new year.

Raw Meat Keeps Cat Going At Ripe Old Age

Santa Barbara, Calif. —(AP)—Is your cat listless, grouchy, bored with life? If so, you might try on your kitty the diet Daniel A. Battler feeds his pet. Battler's cat joined his family as a kitten. That was 20 years ago. And she has amazed the family by remaining frisky despite her old age.

The venerable feline, a centurion by human standards, "never comes into the house," Battler says. "She's restless, almost wild. Spends most of her time roaming the neighborhood looking for excitement." Battler thinks maybe the rugged diet she gets might explain her spryness and longevity. He feeds her regularly: raw beef, raw fish raw liver, cottage cheese and occasionally floats an egg or two in her milk bowl.

Beirut School Helps Refugees To Help Selves

Beirut, Lebanon —(AP)—The American University of Beirut has set up a "little Marshall plan" for students among Arab Palestine refugees. The heads of this oldest U. S. educational institution in the Middle East started an educational program last year based on the principle governing the European Recovery Plan—help people to help themselves.

Applicants—who were to receive from education plus allowances for sustenance—were carefully screened, since the funds were limited. priority was given to students closest to graduation when the war started.

During the 1948 school year, the University extended assistance to 234 Palestinian refugee students. University heads are hopeful that their appeals for the program during the coming year will raise enough money to cover expenses and expand the number of students receiving help.

Air Lines Cut Accident Rate

New York —(AP)—Schedule airlines, members of the International Air Transport Association, reduced fatal accidents in 1948 to one for every 30,487,279 passenger miles. The figures in 1947 was one in every 21,184,108 passenger miles.

Forty-three of the member lines reported that they had no fatal accidents at all during the year.

LONDON, Oct. 4—(AP)—Sixteen-month-old Mary Burke slept unharmed while a lightning bolt streaked into her bedroom and blew a light fixture from the ceiling.

Actress Marie Wilson, not precisely dressed for the occasion, empties beans into a kettle at the Senate restaurant kitchen in Washington, getting some first hand information on preparation of that senators' menu standby—bean soup. On this pose, the scream was real. Marie lost her balance and almost fell in with the beans. (AP Wirephoto.)

Want A Voice In Selecting New UNC President

Chapel Hill, N. C., Oct. 4—(AP)—Students want a voice in the selection of a new president of the consolidated University of North Carolina.

The student council said yesterday it had asked that students sit as observers on a University board of trustees committee which will recommend a successor to Frank P. Graham. He has been appointed a U. S. Senator.

The council includes representatives of the three schools which make up the consolidated University. They are the University of North Carolina at Chapel Hill, North Carolina State College in Raleigh, and the Woman's College in Greensboro.

Lightning Skips

London, Oct. 4—(AP)—Sixteen-month-old Mary Burke slept unharmed while a lightning bolt streaked into her bedroom and blew a light fixture from the ceiling.

Beer Business Leaving Taverns

Raleigh, N. C., Oct. 4—(AP)—The beer business, says a man who should know, is drifting away from the state's taverns, pool halls and roadhouses.

C. A. Upchurch, Jr., head of the State ABC Board's Malt Beverage Division, made the statement yesterday.

He declared the beer business is becoming centered at the corner grocery and the downtown restaurant. The gasoline service station is a close third.

Upchurch pointed to the grocery store situation as evidence that his drive to put beer on a more respectable plane is producing dividends.

Between 800 and 1,000 more grocery stores are handling beer now than a year ago, he declared.

"I like to believe that the figures show we are bringing in a better type of retailer as we eliminate the bad types," he said.

There are believed to be about 100,000 javelina wild pigs in the United States, the herds centering just north of the Mexican border.

The citron is one of the oldest citrus fruits known to man, and is mentioned in the early part of the Bible.

Montreal Leads In Little Series

Montreal, Oct. 4—(AP)—Three runs in the bottom half of the fifth inning were enough to give the Montreal Royals a 3-1 victory over the Indianapolis Indians in the third game of the Little World

Twenty-One Go On Trial Today In Narcotic Case

Spartanburg, S. C., Oct. 4—(AP)—Twenty-one men and women charged with participating in an alleged \$1,000,000 dope ring go on trial in federal court here this afternoon.

They are charged with violating the federal Harrison Narcotics Act. The FBI said the ring operated from Pennsylvania and New Jersey to South Carolina.

A 42-count indictment was returned in Greenwood last May. It charged widespread traffic in large quantities of morphine sulphate hypodermic tablets stolen from Sharpe and Dohme, Philadelphia manufacturing chemists.

The defendants are from South Carolina, North Carolina, Virginia and Philadelphia.

Sixteen Iron Lungs For India

Lake Success — (AP) — The United Nations World Health Organization has sent 16 iron lungs to India to help combat a sudden outbreak of infantile paralysis.

Who plans to attack poliomyelitis on a world wide scale. As part of its program it asked member countries to help create an international pool of iron lungs which they could draw on in emergencies. Who has also begun preparations for the coordination of research.

Newcombe, Reynolds Likely Starters In Series Opener

Shotton And Stengel Silent On Prospects For Mound Starters; Odds Appear Out Of Line On Looking At Records

New York, Oct. 4—(AP)—Don Newcombe and Allie Reynolds emerge as the probable pitchers for tomorrow's Brooklyn-New York Yankee World Series opener after a mind-reading session with the opposing managers.

Burt Shotton, elderly keeper of the Brooks, says "you'll know tomorrow" about the Dodgers' starter at the Yankee Stadium Casey Stengel of the Yanks still is huddling with his brain trusters. The jury may be in by sundown.

For the Dodgers it's almost certain to be Don Newcombe (17-8), the jumbo-sized rookie righthander, or Preacher Roe (15-6), the crafty southpaw ace. Roe needs several days rest between starts. Newcombe, if he opens, could work three times in a seven-game series.

As for the Yanks, it's strictly a guess. About the only sure bet is that fireman Joe Page will be striding in from the right field bullpen along about the sixth or seventh inning some time during the Series. He did it 60 times this season, 20 times for Reynolds.

Reynolds (17-6), ineffective in a 3-3 inning chore against the Boston Red Sox Saturday before Page took over, is ready.

Tommy Byrne (15-7), the unpredictable southpaw who usually either is very good or very bad, is a possibility. Despite his wildness, Stengel has handed many key games to Tommy.

Ed Lopat (15-10) might get the nod from Stengel. However, the chunky lefthander was belted out in three innings by the Philadelphia A's Friday.

The odds, which now are close to 3 to 1 in favor of the Yanks, appear out of line. It's not such a lopsided thing as that, although the pick here is the Yankees in six games.

Both clubs were weary and battered. The Yanks' 71 injuries have received top billing because such important men as Joe DiMaggio, Yogi Berra and Tommy Henrich had been affected, but the Dodgers' hospital list has been imposing, too.

Phantoms' Schedule Is Growing Tougher

Scotland Neck Game Friday Marks End Of 'Easy' Ones; Younger Players To Show Wares Says Coach Farley

Coach Bo Farley's Green Phantoms looked forward to their Friday night home encounter with Scotland Neck this week with the realization that after this weekend's game they will start into the big end of the batting order of their season schedule.

Starting the 14th, the Phantoms will face Asheboro, Kinston, Elizabeth City, Roanoke Rapids and Washington in that order. All of them are rated very powerful teams.

Commenting on the remainder of his schedule, Coach Farley admitted yesterday that, "We'll be having some rough sledding after Friday night."

The Phantoms should win this week's game, bringing their season record to 3-1. But they are taking no chances, remembering what a close battle an underdog Ayden high school's eleven gave them this past weekend.

It is in this week's game that Coach Farley hopes to use a number of his younger ball players, many of whom have seen little or no action on the gridiron this season.

"All our games so far have been so close that we couldn't afford to do any experimenting," Farley explained. He pointed out that many of his squad members are 10th grade boys and other underclassmen who will be the basis of next year's outfit.

He is giving the younger boys an opportunity to shine this week in practice and plans to give as many as possible a taste of action Friday.

Some of the young boys are showing up especially well. Farley says Billy Wooten, a 10th grade fullback, has already proven himself in practice and has seen first string action. Jake Higgs, another 10th grader, even broke into the starting lineup at halfback and looked very good.

In the line Farley is already using a number of his underclassmen as starters including Leon Moore, end who led the forward wall against Ayden; Wallace Conway and Joe Rowland who are playing bangup games at tackle and guard.

In Friday night's game Farley hopes to use Kent Lee and Bobby Perry, a couple of other boys who are slated to see considerable action with the Phantoms in coming seasons.

One boy possibly will not see any action in a game this year. And he is one of the best linemen on the squad right now. He is eighth grader Onra Joseph, a small but spunky lad who may play four years of firststring football starting next year. Should Farley use him now, he would be ineligible his senior year since a conference ruling allows only four years of conference play for each man.

Kuhel Released, Senators Shopping For A New Pilot

Washington, Oct. 4—(AP)—The eighth place Washington Senators of 1949 today were shopping for a new manager to pilot their 1950 baseball team in the American League.

"The book is open," said Club President Clark Griffith after announcing the release of Joe Kuhel as manager last night.

Griffith, who has been in the habit of naming a former Senator to head his charges, said "I don't know about that," when asked if he was going to stick to tradition. "I have some men in mind. I haven't talked with anyone yet."

With the final standings for the '49 season showing the Senators 47 games behind the American League Yankees, Griffith said he had to let Kuhel go.

"It's just baseball," Griffith said. "I found no fault with Joe's managing. It was just the breaks that ruined Joe. Joe's a fine boy and in the two years with us things just didn't break for him. It's time for

the Senators to try something different."

As for the ball club itself, it had its moments during the season just ended. About the middle of May the club stirred up a wave of enthusiasm among its followers by returning from a western trip with a string of nine straight victories.

But somewhere along the line something happened. The club dropped a lot of games by one run. The pitching was hot and the hitting was cold or vice versa. The players couldn't click. They'd run up a fifteen game losing streak just like that. They wound up with Washington's worst won-and-lost record in 40 years.

Ezzard Charles Schedules Three Exhibitions

San Francisco, Oct. 4—(AP)—Three four-round exhibition fights by Ezzard Charles, NBA heavyweight champion, have been announced.

Charles' manager, Jack Mintz, said he would meet Rex Lane, former National AAU heavyweight from Lewiston, Utah, Oct. 17 at Salt Lake City.

Four-round exhibition bouts are slated also Oct. 18 at Los Angeles and Oct. 20 at Sacramento. Charles' opponents there have not been named.

The champion defends his NBA title here against Pat Valentino Oct. 14.

Series Ticket Prices 'Quoted In Uranium'

New York, Oct. 4—(AP)—Visitors who have tickets to the world series in this baseball crazy city face the problem of finding a place to sleep.

And many who have a place to sleep are scurrying around trying to buy a ticket to the games, which start Wednesday at the Yankee Stadium.

Most hotels already were booked to capacity. Rooms were at a premium virtually everywhere. Ticket situation was almost hopeless for those who came to New York on the chance of picking one up. All reserved and box seats have been sold out at both Yankee Stadium and Ebbets Field.

One shopper looking for tickets said prices were "being quoted in uranium."

Pirates' Boxing Team Open Drills And Seek Bouts

By EUGENE PRICE
East Carolina's boxing team which roared to a 5-1 season record last year will open its 1949-50 drills today with light workouts under Instructor Johnny Long, one-time contender for the welterweight crown of the world.

Twenty-two candidates, including last year's entire squad and a number of highly rated freshman boxers, met with Long and Athletic Department Head Dr. N. M. Jorgensen yesterday and will begin light workouts today.

Officials are negotiating for eight matches, four of them home meets, with some of the best boxing teams in the east and south, it was reported today. The first match is expected to be held here around mid-December. The only definitely scheduled match to date is with American University here in February.

"The schedule we're working on now will put us up against some of the best intercollegiate boxers in the country," Long said this morning. And though he expects to have a better team than last season, he predicted that the record probably will not be as good as last year.

"We have some rough matches last year but we had some which were not so tough too," he said. But the stocky little ex-pro is confident that his squad will make a good showing in competition with the best of them. He will be counting on the tried and proven services of last year's co-captains, Redwan David and Ken Stargardt. David was undefeated, highlighting his season with a first-round knockout at American University. Stargardt lost but one fight, that to American U. by decision.

Cleon Smith, East Carolina's outstanding lightweight, is also back and will probably lead the lightweight contenders this year. Paul Hansell, Charlie Edwards, Harvey Stull, Bill Torrains, and the rest of last year's team are also back to give promise of a topflight pugilist squad.

There are a number of new boys who are expected to play leading roles in the boxing picture at East Carolina this year too. They include Homer Thomas, a 26-year-old Whiteville boy who chalked up four first-minute knockouts as a high school boxer. Crowell Williamson, the 18-year-old lad who won the Charlotte, Fayetteville, Raleigh, Wilmington and Greensboro Golden Gloves crown last year, will be relied upon heavily for action this year.

Jack Gray, a 135-pounder who was sidelined because of a knee injury last year, is reported in good shape for action this season. Long says Gray, who hails from the Outer Banks, looks very good and will probably be featured in a number of matches this year.

Another of the more promising newcomers is Bill Cole, the 135-pound boy who scored two wins over East Carolina pugilists last year. He is enrolled here this year with a scholarship for his ring abilities.

The Syracuse - Colgate football battle booked for Nov. 19 will be the 50th contest in the series which began in 1891.

Ball-Thrower

New York, Oct. 4—(AP)—The first World Series ball will be tossed out by a nine-year-old boy, a victim of New York's heavy infantile paralysis epidemic this year.

He is Bruce Howard, and he will watch the Series as a guest of Baseball Commissioner A. B. Chandler.

State, Davidson In Crucial Game

Davidson, Oct. 4—(AP)—Two short weeks ago Beattie Feathers and Charley Jamerson were enthusiastic, optimistic football coaches as they busied themselves for their opening games.

Today each finds himself on the verge of disaster. Feathers has seen his North Carolina State team shoot the works on successive Saturdays, only to lose to North Carolina and Clemson.

Jamerson's Davidson team found some statistical solace from a 47-7 setback at the hands of power-packed Army and made ready for its next assignment, a rarity in which Davidson found itself the favorite. But a gang of swiftness from Presbyterian College in Clinton, S. C., came up here Saturday night and ran the Wildcats dizzy for a thumping 27-7 upset victory.

Thus it is that both coaches face a major morale building task as they prepare for their Southern Conference meeting at Charlotte Saturday night. A third straight setback awaits the loser which by that time may be headed into a tailspin from which it never will recover.

State has not played a bad ball game yet. The Wolfpack more than held its own for three periods before North Carolina rushed over three quick scores in the last quarter for a 26-6 opening game victory.

Against Clemson's defending conference champs State outgained the enemy, but couldn't muster the punch at crucial moments.

Sing-Sing Plans To Hear Series

Ossining, N.Y., Oct. 4—(AP)—All the factories at Sing Sing prison will close down at the start of each game during the World Series to enable the prisoners to listen to the contests.

See Wednesday's REFLECTOR for our Annual Oct. SALE Friendly Furniture Co.

903 Dickinson Avenue

Michigan Grid Squad Again Rated Tops In Annual Poll

New York, Oct. 4—(AP)—Michigan once more is the nation's best college football team, in the opinion of the experts who voted today in the first Associated Press poll of 1949. The results returned the Wolverines to the same position they held when the 1948 season closed.

As a matter of fact, the top ten teams produced by the initial balloting of the young campaign looks surprisingly like the same ten which came out of the final poll at the end of the '48 campaign.

A total of 34 sports writers and broadcasters decided that Michigan's Western Conference champions belonged on top again.

Notre Dame, the runner-up in the final 1948 poll, landed in second place again this time. Oklahoma fifth in 1948, drew the No. 3 position although it collected 17 first place votes to 15 for Notre Dame.

On the basis of ten points for a first place vote, nine for second, eight for third, and so on, Michigan topped the list with 688 points. Notre Dame has 627 and Oklahoma 565.

Surprisingly enough, Michigan barely squeaked past Michigan State

7-3, in its opener but whipped Stanford, 27-7, last week. Notre Dame has beaten Indiana, 49-6, and Washington, 27-7, while Oklahoma has defeated Boston College, 46-0 and Texas A. and M., 33-13.

Tulane, winner of two Southeastern Conference games against tough opposition, drew four first place votes and placed fourth. The Green Wave finished in 13th place last year.

Minnesota, which could do no better than 16th last November, captured the No. 5 spot, followed by North Carolina, Army, Southern California, Southern Methodist and California in that order.

All the first ten except Minnesota, Tulane and Southern California were members of the select circle at the close of 1948.

For the record, here's the way the top ten looked in the final 1944 poll: Michigan, Notre Dame, North Carolina, California, Oklahoma, Army, Northwestern, Georgia, Oregon and Southern Methodist, in that order.

Pirates Lose No Time In Preparing For Elon

The East Carolina Pirates, and Coach Bill Dole, lost no time taking to the practice field today in order to prepare for their forthcoming game with Elon College.

Over the week end the Pirates lost to Hampden-Sydney 20-7 and Coach Dole has lots of work to accomplish before taking the field against a fast Elon club that lost to the Conference defending champions, Appalachian, 14-0 last Saturday.

Coach Dole drilled his boys hard Monday and plans similar drills for the remainder of the week. Dole was far from satisfied with the showing his boys made and both he and the entire squad are looking to better things in the future.

Although beat 20-7 the score does not indicate touchdown opportunities the Pirates failed to cash in on. On one occasion the Pirates were within the Hampden-Sydney 8 yard line but in four downs failed to hit pay dirt.

Mac Lewis, 160 pound guard, suffered a nose injury against Hampden-Sydney and might be lost to the squad for the rest of the season.

On the other hand two bright spots appeared for the Pirates. Jack Benzle, 155 pound halfback, played his first game for the Pirates since being injured in early season practice. Benzle returned a Hampden-Sydney punt 22 yards before being tackled on the 8 yard line. Frank

Maennle, power-driving fullback, saw limited service against Hampden-Sydney. Maennle was injured in the Marine game and missed the Lenoir-Rhyne encounter. Benzle and Maennle will both be ready for unlimited service against Elon and will add strength to the Pirates attack.

The Elon game will be played Saturday afternoon and will be the official homecoming for the Pirates.

Of course it's Lincoln

THE LINCOLN COSMOPOLITAN SPORT SEDAN
White side-wall tires, road lamps, and HYDRA-MATIC* transmission optional at extra cost.

"Why," we are frequently asked, "do so many people prominent in public life drive Cosmopolitans?"

"There are many reasons," we usually answer. "Prominent people drive Lincoln Cosmopolitans not merely for the extra comforts they offer—the luxurious 'Salon Styling' of the new interior... and the wonderful smoothness of Lincoln power combined with HYDRA-MATIC*—but for the superbly distinctive styling of the Lincoln Cosmopolitan itself."

Incidentally, we always like to point out that you need not be a statesman or a diplomat or even a financier to enjoy this distinction, too. For prices are much lower than you may think. When may we place this fine car at your call?

THERE OUGHTA BE A LAW!

DOUBLE TROUBLE

AP Newsfeatures By WILLIAM HOBSON

Chapter 21
He watched them walk toward the house and then led the three horses inside the corral to unsaddle. Harry Seltzer came in and swung down and stripped the gear from the back of his mount. He didn't look much like an Easterner now. The Seltzers were going to look around for a ranch that winter and Harry was learning the business first hand.

"I had an idea you'd be back," he said quietly.

"Did you?" Joe snarled at him. "Ever since Mary and I were kids we've been closer together than the average brother and sister. We helped each other with lessons, fought each other's fights, and had few secrets from each other. She's quiet-looking and sensitive, but underneath her exterior there's a lot of fire. She told me what happened up there in the room just before you left. It was a dirty trick, making her fall in love with you, because she's never been in love before. Now she's broken-hearted. I think you're a rotten cad to have done it, and the only reason I don't beat your head off is because of that bad shoulder."

with a white handkerchief, John Seltzer said. "Son, that wasn't a very manly thing to do, fighting a half crippled man."

"Who's half crippled?" Joe bellows at him. "I don't need but a good arm to lick him from here to town."

"All right, all right," snorted Mike Randall. "I'm going to put you on night guard with the Morgans until you get well. Then you go right back to the line camp."

He went inside, slammed the bag on his old bunk, and went into the kitchen. "Hello, Clarence," he greeted the cook. "Got a drink? I need it badly."

"Offhand I'd say that you do," agreed the cook. He brought out a bottle and Joe took a tremendous swig to ease the terrible pain in his shoulder. He cut his shirt away with a pair of borrowed scissors. He pulled away the last of the shirt,

Judge Roberts Convicts Seventeen As Drunk; Fines Five Motorists

By CHESTER WALSH

In Police Court Monday, Judge J. W. H. Roberts reviewed the usual "Monday morning parade of week-end drunks" and passed out justice to the defendants accordingly. One of those to face His Honor was Elard E. Doxtolor, a Cherokee Indian who came here with a "T-Indian" scheduled to show 30 days at the county jail, assisting in keeping the courthouse premises in order, or pay \$25.

Seventeen persons were called for trial for being drunk. All were found guilty. Five motorists were convicted of driving without operators' licenses.

Here's the lineup as they passed before Judge Roberts:

Rommie Jones, who was convicted, appealed to Superior Court. Sam Stocks, 30 days or pay \$20; Jesse E. Edmondson, 30 days or pay \$30; Jimmy McCoo and McKinley Hazelton, both colored, each \$15; Hodges Bunch, colored, \$25; Homer Phillips and Roy G. Scott, each \$15; Benjamin Reaves, colored, (and disorderly conduct), \$20; Beatrice Miller, colored, \$15; Levi Green, colored, \$15; Alford M. Pierce, 30 days or \$15; Joseph M. Newton, \$15; Johnny Mack, colored, \$15; Alvah Bar-

field, 30 days or \$15; Elard E. Doxtolor, Cherokee Indian, 30 days in jail or pay \$15; Robert Carmon, colored, \$15.

Judge Roberts called attention to the increasing number of motorists who are appearing in Police Court for driving without operators' licenses. He reminded that the state law provides for even heavier penalties than he is passing out for these law violators.

Five motorists were in court on the charge of driving without operators' license. All of them were fined \$25 and costs. Incidentally, if the defendant does not pay the fine he, or she, serves 30 days in jail. Those convicted were Robert L. Boyd and Robert L. Hales, white, and James H. Johnston, William C. Knight and Lee E. Glover, the last named three colored.

Levi Green, colored, was given six months on the roads for assault with a deadly weapon.

Bonnie R. Stocks was given six months on the roads for larceny from Mrs. Nancy Blafas.

William H. Miller, colored, paid \$15 for assault on a female.

Archie S. Ruffin, colored, larceny, case not pressed with leave. That means the case may be reopened at any time.

John L. Walters, colored, paid \$50 for larceny and \$5 to the prosecuting witness.

Several cases scheduled for trial this week were postponed.

Service League Work Described

By CHESTER WALSH

"I jes do the best I ken where the Lord put me at, and it looks like I got a happy fellin' in me most all the time."

Mrs. Wiggs of the Cabbage Patch said that in a wonderful book of more than a generation ago.

Mrs. James T. Little, president of the Greenville Service League, quoted the lofty sentiment in her after-dinner speech at the Greenville Rotary Club's weekly supper meeting last night when she reviewed the activities of the "Good Samaritan" organization during its service of more than a decade.

Mrs. Little struck a responsive chord when she reminded the Rotarians that the women who have labored in the humanitarian work of the Service League appreciated the sympathetic and effective support of their husbands.

Program Chairman Leon Roebuck called on J. B. Kittrell to present Mrs. Little. In describing her, Kittrell did not use these words, but he meant that the speaker and the others engaged in Service League activities are "the women who live in the house by the side of the road and are friends to men." The speaker talked informally. She used convincing anecdotes in prose and poetry to emphasize the Service League's message of good will.

Mrs. Little's voice had the ring of good cheer in it when she announced that recently 11 women had joined the Service League. She thanked the Service Leaguers for their hearty and generous response to calls for service. She enumerated the various activities of the league naming the committee chairmen and the league's projects.

Some of them are: Membership in the Laughinghouse hospital bed at Pitt General Hospital, Girl Scout campership, publicity, the lending chest, layettes for worthy families with babies, finance, placement, the Thrift Shop in which articles of clothing are dispensed to worthy people, the emergency charity fund hospital service and so forth.

The Rotarians gave Mrs. Little a warm reception after the meeting. President Ercel Webb presided. He made various announcements and welcomed visiting Rotarians and other guests.

James R. Worsley, secretary of the Pitt County Fair, presented Norman Chambliss, well known fair promoter and manager of the Pitt County Fair. He pledged typically good agricultural fairs here, clean shows and to put "Pitt County on Parade."

Chambliss introduced Ken Maynard, famous Hollywood western star, a feature at the fair this year Maynard and Sally Montana and

three musicians and vocalists from Maynard's show made a big hit with the Rotarians.

Ken Maynard made the hit of the evening when he and his musicians led the Rotarians in singing "Home on the Range."

Special guests at the meeting were Attorney James R. Worsley, Jr., Russell Mayo, Tom Brown, Harry Edwards and Snowdie Edwards of Ayden and Chester Walsh.

County Advised . . .

(Continued from page one)

from W. E. Esterling, assistant director of the state local government commission, on the financial condition of the county and recommendation on the issuance of the bonds.

Petitions for hardsurfacing the following roads in the county were approved by the commissioners and forwarded to the state highway commission; the Stantonburg road; the road in Fountain township running from Seven Pines on highway 121 four miles to highway 222 to Phillips store; the old Creek road in Greenville township; the road in Pictolus township connecting highway 30 and highway 33 as a junction at Pictolus; the road in Swift Creek township from Johnson's Mill to Epworth Church, known as the old Ayden-Vanceboro road; the road in Greenville, Bethel and Carolina townships running from the Pines on highway 11 by way of Staton's Mill to Hickory Grove church; and the road in Swift Creek township running from Davis Ford by way of Gardnersville to Coxville.

Alderman Heber B. Tripp of Greenville appeared before the commissioners and reported on the conditions of the armory, curb market and port terminal, all of which are owned jointly by the county and the city of Greenville. Tripp recommended repairs at the armory which the commissioners approved and authorized the county's pro-rata share of the expense paid.

County Health Officer Dr. T. G. Basnight appeared before the commissioners and requested \$4,000 in the health department's equipment fund be transferred to other funds since the equipment can not be obtained. Basnight's recommendation that the money be used to hire an additional nurse and pay for a new junior sanitarian for the health department was approved by the commissioners.

The commissioners passed a resolution earmarking \$2,150 of funds previously appropriated for use in the construction of Pitt County Memorial hospital to be used for leading X-ray and similar medical equipment.

An offer of \$500 was made by the commissioners to the city of Greenville for a 30x30 foot plot of land on the courthouse square behind the courthouse which is owned by the city. It is the property on which the city's old standpipe was located. The commissioners approved the appointment of F. D. Wainston as manager of the Farmville storage warehouse, exempted the Greenville White Shrine from payment for taxes for sponsoring a circus in the county, and disposed of other routine business.

Piney Grove News

It was a beautiful day for the Tyson reunion last Sunday, and all who were present had a wonderful time. Lunch was served on the grounds around 12:30 and there was an array of fine food. I won't say who, but a certain party ate so much that I know he didn't eat a thing Monday. Music was rendered by Mrs. B. L. Tyson on her accordion and old familiar songs were sung by all. This year we met at the home of Mr. and Mrs. J. H. Tucker and next year we go to Mr. and Mrs. N. S. Tyson's.

Mrs. and Mrs. V. I. Hockaday were the guests of Mr. and Mrs. R. R. Tyson Sunday.

Mrs. Bernice Causey, who has been visiting her children in Norfolk for the past week was home for the reunion. Mrs. Graham Allen came with her.

Our revival started this past Sunday night and we are having a wonderful meeting. Our pastor, Rev. R. N. Hinman, is conducting the services and Lawrence Tyson directs the singing. Special music is rendered every night, and services begin at 7:30. Won't you come out and be with us? A cordial invitation is extended to all. This revival will run through Saturday night and services will be Sunday morning at 11 o'clock with Sunday school beginning at 10.

Mrs. S. A. Humbles was out to church last night after having been very ill recently. Hope she will continue to improve.

Drunk Cyclist

State Highway Patrolman Dick Chadwick yesterday arrested Louis Adams, 50-year-old rural resident, on the charge of riding a bicycle while drunk or under the influence of some intoxicant.

The patrolman arrested the cyclist on the New Bern highway near Greenville when the bicycle "appeared to have gotten out of control." Adams will be tried in Police Court Friday.

The state law provides a heavy penalty for driving any kind of vehicle on a highway while under the influence of liquor or narcotics, Patrolman Chadwick said.

Two Cars Involved In Minor Mishap When Passing Attempted

Two cars were involved in a minor wreck on the Old Oak Road near Bethel about 10:30 a. m. it was reported by Patrolman Perry of the State Highway Patrol today.

A small station wagon operated by Lawrence Almo Buchanan of Middlebrook, Virginia, was struck as it attempted to make a left turn, when a truck driven by Francis S. Clark, 100 Jarvis Street, Greenville, started to pass the car.

Damage to the car was about \$25, while the damage to the truck was estimated at \$10.

Clark was told to report to court to answer charges of passing a car at an intersection without giving the necessary warning, Perry said.

This was the third wreck in the past several days which has resulted when a car or truck attempting to make a left turn has been struck by a car coming from behind at the same time.

Miss Hollie Waters Funeral Wednesday

Miss Hollie S. Waters, 81, died at her home near Vanceboro at 4 o'clock Monday afternoon. She had been ill for the past three weeks and in failing health for the past six years. Funeral services will be conducted at the home at 3 o'clock Wednesday afternoon by the Rev. W. R. Crowder, Methodist minister of Vanceboro, and burial will be in the Bryant family cemetery near Vanceboro.

Miss Waters was born, reared, and spent her entire life in the same community in which she died. She was a member of the Vanceboro Episcopal church.

Surviving are two sisters: Mrs. Mary L. Arnold of the home and Mrs. W. T. Harrell of Fairmont; a brother, Asa J. Waters of near Vanceboro; seventeen nieces and nephews; and 33 great nieces and nephews.

Patsy Ann Gatlin Rites On Wednesday

Patsy Ann Gatlin, 11, was accidentally killed at about 8:40 o'clock Monday night at her home near Tarboro. Her brother was moving a shotgun when it accidentally discharged and hit her in the head. Funeral services will be conducted at the home of Mr. Oscar Ellis of Vanceboro Wednesday afternoon at 2 o'clock by Rev. Frazier, Presbyterian minister of Lawrence, and burial will be in the Vanceboro cemetery.

Patsy Ann was born in Craven County and had been living near Stokes for the last eight months. She attended school at Speed and was in the fourth grade.

Surviving are her step-father and mother, Mr. and Mrs. Fred Boyd of near Tarboro; her father, Bruce Gatlin of Vanceboro; two sisters, Alne and Frances Gatlin, both of the home; five brothers, Sterling, Jerry, Bruce Jr. and Billie Gatlin, all of the home; and one half-brother, Howard Boyd of the home.

deducted one per cent of his pay up to the first \$3,000 of it every year; and his employer pays a tax of one per cent on the salary of each of his covered employees up to the first \$3,000.

(The House bill would apply the tax to the first \$3,600 of pay and increase the tax deduction from one per cent to one and one-half per cent right away; 2 per cent in 1950 2 1-2 per cent in 1951; 3 per cent in 1952 and 3 1-4 per cent in 1953.)

4. The Federal government now helps states in paying money to aged persons in need. (The House bill would increase this help.)

5. The Federal government now helps states in paying money to blind people who need such help. (The House bill would increase this help.)

6. The Federal government now helps states in making payments to relatives of children where one parent is dead and the children need help. (The House bill would increase this help.)

7. The Federal government now helps states with money in trying to protect children in danger of becoming delinquents. (The House bill would increase this government help.)

8. The House bill would add something new to the Social Security program: provide Federal help for people who become permanently and totally disabled.

That Chinese . . .

the western Democrats.

Like Nationalist Generalissimo Chiang Kai-Shek, General Chou as a youth was a disciple of Dr. Sun Yat-Sen, father of the Republic. Indeed, Chou worked with Chiang in those early days, but they broke over the question of Communism which Chou embraced.

It's an ironic circumstance that one of the vice-chairmen of the new Red government at Peiping is Madame Sun Yat-Sen, widow of Dr. Sun. She is sister of Madame Chiang Kai-Shek. This column recently advised you that Mme. Sun probably would play an important part in a Red government. The great name of Sun Yat-Sen is likely to be a valuable asset to the Peiping regime.

One out of six auto drivers involved in a fatal accident has been drinking.

Judging . . .

(Continued from page one)

Three showmanship prizes are also being offered to the 4-Hers.

The record number of swine include OIC's, Poland Chinas, Berkshires, Duroc Jerseys, and Hampshires. There were approximately 50 hogs in the pens at 10:30 today and a number of other entries were expected before noon. Pitt Assistant County Agent C. J. Goodman said.

The hogs will be sold at auction on Saturday beginning at 11 o'clock. Judging will probably get underway at 10 o'clock in the morning.

REST and perfect SLEEP

sleep on a **KARPEN Pil-O-Rest**

The relaxing comfort of sleeping on fluffy channeled pillows, supported by a firm completed inner-spring unit, can be yours—only if you sleep on a Karpen Pil-O-Rest mattress. There's nothing to compare with this combination of just the right amount of "cushioning comfort" with just the right amount of healthful support. Karpen spent years in research to determine just how much cushion and just how much support was necessary . . . and the patented construction of the Pil-O-Rest is the result. We're proud to present this outstanding mattress.
