Disclose Cost Of Contract Demands

John L. Lewis Says What He Wants Will Cost Coal Operators 30 To 35 Cents A Ton More Than Now; Asserts Industry Could Absorb Cost Out Of Profits

White Sulphur Springs, W. Va., Oct. 13—(AP)—John L. Lewis disclosed today that his contract demands on soft coal operators would cost 30 to 35 cents a ton more than now. He said the industry could absorb it out of profits.

Lewis, at a 75 minute news conference, went into an exhaustive outline of his theory that powerful financial and steel interests were determined to hold up a coal settlement until they "battled it out" in steel.

The UMW president said that if the government must intervene and take over the coal pits, it should order a "bonafide seizure" by running the mines for the benefit of the people instead of the mine owners.

Lewis said that past seizures of the coal mines had been "make believe, papier-mache affairs."

He told reporters he was not suggesting seizure and declared: "We are willing to fight this out. The mine workers have whipped these operators and are willing to do it."

"We ask no aid. We prefer to be left alone, but if we are not left alone to defeat them on their own grounds, then we ask fair treatment."

Lewis said that he could not at this time disclose a breakdown of the 30 to 35 cent demand. He added that the White Sulphur Springs negotiations with northern and western operators and those with the southern coal producers association at Charleston, W. Va. were deadlocked.

He said that the union negotiators had not yet had opportunity to present their specific demands to the operators because of the steel influenced interests. He said these interests dominated both negotiations and had set up "road blocks."

Lewis minimized the use of fact-finding boards of any kind to settle his dispute and threw his support behind a recent statement of AFL president William Green opposing the fixing of wage rates or working conditions of such boards.

While Lewis made no direct bid to CIO president Philip Murray to join hands with him in the parallel steel and coal strike, he expressed sympathy for the pension fight of the 500,000 striking CIO steelworkers. Lewis' own miners have been on strike since Sept. 19.

Washington, Oct. 13—(AP)—Two committees worked against time today to speed funds for the \$1,314,010,000 foreign arms program through Congress before the Senate and House quit for the year.

The House appropriations committee was expected approve the money bill by tomorrow a. m. the latest. And the Senate appropriations group cleared the way for a quick decision by holding special hearings in advance of House approval.

Washington, Oct. 13—(AP)—A seasonal decline in North Carolina's milk flow continued during September, the federal-state crop reporting service said today.

September production was estimated at 136,000,000 pounds. This was 14,000,000 pounds less than in August and 2,000,000 pounds below the milk flow for September 1948.

Raleigh, N. C., Oct. 13—(AP)—A board of health reported today there were 42 cases of poliomyelitis in North Carolina during September.

This compares with 400 in September last year when the state's worst polio epidemic was raging. For the year through September 195 cases were reported compared with 2212 in the first nine months of last year.

Senators See An 'Out' In Deadlock Over Air Force

May Go Along With House On 58 Groups, Let Truman Decide On Spending

Washington, Oct. 13—(AP)—Senate insistence on a 48-group Air Force and equally firm House demands for one of 58 groups deadlocked again today but some senators thought they saw a way out.

The way: Let the Senate give in and appropriate for 58 groups, then let President Truman decide whether to spend the money on the extra 10.

Mr. Truman as late as yesterday backed the 48-group stand, but House leaders say he can't disregard a 306-to-1 vote in their branch of Congress for 58.

The make-up of an air group varies, from one containing 30 big bombers to one made up of 75 fighters.

Senate-House conferees were called back into session this morning for another try at breaking the month-old stalemate over Air Force funds. They are part of the huge military appropriations bill containing around \$15 billions for the Army, Navy and Air Force.

There is no dispute over the Army and Navy spending. Senator Elmer Thomas (D-Okla.), conference chairman, said the Senate may dump the problem into the President's hands as a last resort.

"I want to protect the President if I can by reaching an agreement," Thomas told a reporter. "But we may be forced to leave the decision to him."

The House voted funds for a 58-group combat force and stuck by it. The Senate refused last night to add another \$741,000,000 to the Air Force budget to raise it from 48 to 58 groups in the Senate's bill.

Thomas told the Senate that Mr. Truman indicated at a White House conference yesterday he would not use the added funds even if they were voted.

Testifies Plant Is Kept Idle By Lack Of Power

New York, Oct. 13—(AP)—An official of the Aluminum Company of America (Alcoa) testified in federal court yesterday that the firm has 124,800,000 pounds capacity for smelting aluminum which is lying idle all or part of the time.

The testimony was given by Senator Vice-President Irving W. Wilson under cross-examination in an anti-trust case.

He said the smelting capacity at Massena, N. Y., was idle because power could not be obtained there at any price.

The company, he said considered that power available to run plants at Alcoa, Tenn.; Badin, N. C.; and Vancouver, Wash., was too expensive.

Acheson Pulling No Cold-War 'Punches'

Blast Against Soviet Masters Of Eastern Germany Reveals No Letting Down In Face Of Russian Atom Bomb

Washington, Oct. 13—(AP)—Secretary of State Acheson's blast against the "Soviet Masters" controlling eastern Germany made it plain today that the U. S. is pulling no cold-war punches because of Russia's atomic explosion.

Speaking out for the first time since President Truman made his Sept. 26 announcement of the Russian A-blast, Acheson referred to the newly-created east German state as an "autocratic Communist regime."

At his news conference late yesterday, the Secretary also brushed off protests from four eastern European Communist governments, and assailed the current wave of arrests in Czechoslovakia as terrorist.

Acheson met newsmen after a closed door conference with members of the senate foreign relations committee which dealt largely with the march of Communism in Asia.

What he had to say publicly about Communist developments in Europe lost none of the acid tone which had marked his comments before the White House atomic announcement gave an urgent new turn to the east-west struggle.

Denouncing the new east German government as "subversive" and controlled by Moscow-directed Communists, Acheson pledged continued full support from the United States, Britain and France for the west German republic which, he said, "in sharp contrast has a thoroughly constitutional and popular basis."

Write 'Dissent' To Report Which Absolved AEC

Washington, Oct. 13—(AP)—A congressional report which absolved the atomic energy commission of "incredible mismanagement" charges set critical Republicans at work today on a dissenting comment.

The report clearing Chairman David E. Lilienthal and the other AEC members of the charges was approved by the Senate-House atomic committee late yesterday. The vote was 9 to 6 on straight party lines—Democrats for Republicans against.

Senator Hickenlooper (R-Iowa), who made the mismanagement accusation, promptly labeled the majority report a "cleverly written whitewash" of the committee's investigation last summer. He promised a minority version "highlighting the proof" of his charges.

CIO Peacemaker Says Unity Kept

New Orleans, Oct. 13—(AP)—A CIO peacemaker said today that a secession movement in the southern ranks of the CIO's United Gas, Coke and Chemical Workers union has floundered.

But the secessionist leadership said that wasn't so. The leader of the secessionists is C. W. Daneburg of Greensboro, N. C., vice president of the International union.

Union officials termed the movement a conspiracy to form an independent union.

Question Boy On Missing Infant

Lillington, Oct. 13—(AP)—A 10-year-old Negro described by his father as "a bad boy" who's always causing trouble, was held today for questioning in the disappearance of his 14-month-old stepbrother.

U. S. Bomber In Britain Wrecked

Air Giant Crashes With Bomb Load; 12 Crewmen Killed

Leisham, Eng., Oct. 13—(AP)—A U. S. Air Force B-50 bomber with a load of live bombs dived into a wheat field today and exploded with a roar heard 12 miles away. All 12 crew members were killed.

The plane, designed as the atom-bomb carrying version of the B-29, was on a 180-mile practice mission to the North Sea island of Heligoland with twelve 500-pound bombs.

Villagers said it appeared to burst into flames just before it dropped through a light ground fog and struck the field. Burning pieces of the four-engined ship were blown hundreds of yards in all directions from the huge central crater dug by the blast.

Flaming gasoline set fire to a ring of farm buildings and to 60 tons of stacked wheat. Windows shattered and plaster ceilings fell in Leisham houses. Fire equipment was summoned from nearby Newmarket, 60 miles northeast of London, and from Cambridge, Mildenhall and Oxfordham.

The U. S. Third Air Division in London said the plane crashed at 9:25 a. m., local time (3:25 a. m., EST), only a few minutes after it left Lakenheath Airfield, seven miles away in adjoining Norfolk County, for its Heligoland mission.

Both British and American aircraft regularly use Heligoland for live bombing practice. Heligoland was a Nazi submarine and anti-aircraft base during the war.

Says Charlotte Coal Supply Low

Charlotte, N. C., Oct. 13—(AP)—The president of the Charlotte Retail Coal Merchants Association said today that "three or four days of cool weather will exhaust Charlotte's coal supply."

Ed King, the spokesman, said the current unusually warm spell had been most helpful.

Nobel Peace Prize Goes To Food Expert, Farmer

Oso, Norway, Oct. 13—(AP)—Lord Boyd Orr, a bushy-browed Scotsman who believes wars can be prevented by creation of a world federal government and raising more food to prevent hunger, is the winner of the Nobel Peace Prize for 1949.

The Norwegian parliament's Nobel Committee announced the award last night. Boyd Orr is a food expert and practical farmer. He formerly headed the United Nations Food and Agricultural Organization.

No Nobel peace prize was given in 1948. The 1947 prize went to the American Friends (Quakers) Service Committee and the Friends Service Council, London.

The prize, awarded from a fund set up in 1896 by Alfred B. Nobel, the inventor of dynamite, amounts to \$26,280.22 Norwegian kroner (\$21,839.30). It is awarded to persons deemed outstanding in promoting peace among nations.

Expressing surprise at his selection, Lord Boyd Orr told a reporter in Dundee, Scotland, that he would use the money to promote peace and world government.

He added: "The important thing in the world today is to get the nations to cooperate."

Volume Goes Up On Bethel Mart

More Offerings On New Sweet Potato Market

Bethel, Oct. 13—Bethel's newly opened sweet potato auction market continued to operate on a satisfactory basis today as the volume of offerings increased on the three-day old market.

J. P. Harris, one of the principal stockholders in the auction market, said this morning the sales at the market are continuing "to go along very well, although digging in this area is light."

Harris said the auction company is attempting at the present time to educate the sweet potato growers in the proper manner of grading the potatoes and packing them for market, and offerings on this morning sales were generally better than Tuesday and yesterday.

In a statement today Harris expressed satisfaction at the early operations of the auction company. "Things are going beyond our expectations," he said, "and the offerings this morning were up and resulted in the best morning's sales we have had so far."

Although the market has had no heavy sales yet, Harris said, daily sales are showing a steady increase in the number of bushels of potatoes offered at the market.

The Bethel market became the second sweet potato auction market in the state when it opened its first sales Tuesday morning. Operators have announced plans to sell daily Tuesday through Friday of each week.

Gunmen Shot Up Gambling Game

Muncie, Ind., Oct. 13—(AP)—Two men were killed and five others were wounded early today when two gunmen attempted to hold up a poker game in a downtown cigar store.

The gunmen fled after firing more than twenty shots at the 10 men who, police chief Harry Nelson said, were playing cards in the rear of the store. Later one of the gunmen, wounded in the hail of bullets, was captured and removed to a hospital.

Nelson said he orally admitted his part in the shooting.

Road Patrol To Warn Principals Of Overloads

Raleigh, N. C., Oct. 13—(AP)—Principals whose school buses are found to be overloaded will be warned by the State Highway Patrol beginning Monday, Col. C. R. Tolar announced today.

Action will be taken against the principal if overloading occurs after the initial warning, Tolar, who is patrol commander, said.

This announcement came just one week after the tragic school bus accident in Nash County in which seven children lost their lives. Overloading of the bus involved in that accident was one of two counts on which the Nash County Board of Education was called negligent by a coroner's jury.

New York, Oct. 13—(AP)—The fate of the high command of American communism probably will be decided in the hands of a federal court jury late today.

Air Force Reply To Naval Criticism Set For Next Week

China Reds Race Towards Canton; Hong Kong Alert

British Fear Fleeing Nationalists Might Pour Into Colony; Defenses Ready

Hong Kong, Oct. 13—(AP) Chinese Communist troops today spread directly down the Canton-Hankow railroad to within 30 miles of the dying Nationalist capital.

Eighty thousand government soldiers appeared isolated in the Canton region. The Nationalists, with their leaders already fleeing to Chungking, are expected to abandon the city within 72 hours. Red guerrillas were reported operating on the outskirts.

One escape route followed a twisting rail line 85 miles to British Kowloon territory, and Hong Kong was alerted for any possible kind of trouble.

Over 30,000 Hong Kong garrison troops faced the Chinese border. Backed by artillery, tanks and fighter planes, they were massed along 14 miles of Kowloon frontier. Within this city, which has 2,000,000 Chinese inhabitants, police held anti-rioting exercises.

No trouble with the Red troops was anticipated. In fact, British authorities are trying to avoid any incident which might lead to a skirmish with the communists when they reach the frontier. Police squads manned the border; troops were held about two miles back.

What concerned Hong Kong officials was that Nationalists might flee along the Canton-Kowloon railway and pour over the border into Kowloon on the mainland adjacent to Hong Kong Island. These stragglers then would have to be disarmed.

The British colony is far better defended than it was when the Japanese seized it in 1941. In addition to 40,000 regular British army, air and navy personnel, a force of 4,000 civilian reserves is ready to be called.

The well equipped ground forces also have the protection of naval units. The aircraft carrier Triumph, Cruisers Belfast and Jamaica are based here as well as a number of destroyers and frigates.

President Signs Bill Giving Pay Boost To 'Brass'

Washington, Oct. 13—(AP)—President Truman's signature on a \$300,000,000-a-year military pay bill assured the nation's top brass today of their first general pay increase since 1908.

Mr. Truman signed the bill into law late yesterday. Effective October 1, it provides salary raises for just about every member of the army, navy, air force, coast guard and other uniformed services.

Pay for the very lowest ranks, which has risen since 1939 from \$21 a month to \$75, remains unchanged, but buck privates with five months' service get a \$5 raise.

The generals and admirals fare best under the new scales, with raises running as high as \$300 a month for top officers with 30 years' service.

No Election

London, Oct. 13—(AP)—It was officially announced today that Prime Minister Attlee will not call a general parliamentary election this year.

The announcement followed a cabinet meeting. Earlier the cabinet was reported divided over whether to call an election this autumn or wait until next spring.

Speculation that Attlee might call a "snap" election soon has been widespread since the Labor government devalued the pound. Some Leftwing Laborites have favored an election now on the ground that rising prices resulting from currency juggling might cut into the government's popularity with the voters in a few months.

The Labor government began its five-year term in August, 1945. A general election is not required before next July but Attlee has authority to call one any time he wishes.

Smarming Rebuff To Leland Olds

Senate Overwhelmingly Refused Truman's Nominee

Washington, Oct. 13—(AP)—A smarming 53 to 15 defeat on the re-appointment of Federal Power Commissioner Leland Olds today handed President Truman his third—and sharpest—Senate rebuff this year on an important nomination.

Despite the pressure of party discipline which Mr. Truman marshalled behind the nominee, the Senate refused overwhelmingly to return Olds to the commission for a third term.

The vote came shortly after midnight. It followed weeks of debate which steadily heated in heat and bitterness.

Opponents argued that Olds is a foe of capitalism, that 20 years ago he wrote articles that helped promote Communism.

Senator Edwin C. Johnson (D-Colo.) called him "a warped, tyrannical, mischievous, egotistical chameleon whose predominant color is pink."

Senators supporting the nomination countered with charges that private gas and oil interests were backing the fight against Olds.

Public servant trying to protect consumers by effective utility regulation. Democratic leader Lucas, of Illinois, refused to say after the vote, what effect Mr. Truman's directions for the party to take the Olds fight back to the people had on the outcome.

The President went all-out to win approval for Olds even after the Senate commerce committee had voted 10 to 2 against him. He made appeals directly to Congress. Then he set the Democratic National committee to raking the grass roots in support of the nominee. He asked that the party's National committee-men and Democratic Governors rally support for the nomination.

Shirley Temple Plans Divorce

Hollywood, Oct. 13—(AP)—Shirley Temple's marriage is on the rocks, her attorney announced today.

The 21-year-old actress and John Agar have separated, attorney Geo. Stahlman said, and he is drawing up divorce papers. He said the grounds have not been determined.

A friend, however, said she probably will charge mental cruelty. "There is no career trouble," the friend said.

Defense Secretary Johnson To Also Give Views After Being Caught In Cross-Fire Of Controversy Over Military Policy

Washington, Oct. 13—(AP)—The House Armed Services Committee agreed today to hear the Air Force next week in reply to the Navy's bitter criticism of its B-36 bomber program. Secretary of Defense Johnson also will testify then.

Chairman Vinson (D-Ga.) and Secretary Johnson held a long conference this morning. Afterwards, Vinson announced the schedule for the next phase of the committee's inquiry into military policy.

Vinson said that beginning next week the committee will hear Gen. Dwight D. Eisenhower, Gen. Omar Bradley, Secretary of Air Symington and Air Force officials.

Johnson, as civilian boss of all the armed services, is caught squarely in the cross-fire of the angry controversy over military policy.

He also has come in for harsh words from some Congress members because, by executive order, he has cut back appropriations that the lawmakers made for the Navy.

Vinson publicly accused Johnson yesterday of making "a grandstand play" by economizing on Navy funds. He said the committee "is to have a lot to say about this."

Rep. Bates (R-Mass.), a committee member, expressed strong hope that the hearings into defense policy will cause the junking of Johnson's bitterly-disputed decision to halt construction on a Navy supercarrier.

As these storm warnings were raised on Capitol Hill, the Navy arrayed the last of its top brass before the committee to wind up its case against what it terms an "unbalanced" defense policy too heavily weighted in favor of strategic bombing and the B-36.

Topping the Navy witness list were Fleet Adm. Chester V. Smith, wartime Pacific commander in chief, Adm. R. A. Spruance, Pacific task force commander, Adm. Louis E. Denfeld, chief of naval operations, and Adm. Louis De Florez, top Navy researcher.

First, however, Vinson ordered Vice Adm. Robert B. Carney to tell the committee who signed the Pentagon order that directed an \$800,000,000 slash in defense appropriations for the fiscal year ending next June 30—before Congress had even approved them.

Vinson's blast at Johnson and those he called Pentagon "bureaucrats" was touched off when Carney testified that he had received no opportunity to discuss the proposed cuts until last Thursday, the day the hearings began.

Carney is a deputy chief of naval operations, and also chairman of the joint chiefs of staff budget advisory committee.

The appropriation in which the cuts were made is still awaiting a House-Senate decision over the size of the Air Force.

Apparently, Vinson declared, Johnson decided, "without any notice to the committee," that the armed services needed less than they said they needed.

Vinson charged that Congress thus was by-passed "for the purpose of making a grandstand play" to the taxpayers, and he added sharply: "I don't like that kind of business. It's not treating Congress fair."

LIQUOR SALES OFF

Raleigh, Oct. 13—(AP)—Sales in ABC liquor stores last month were 3.5 per cent below the total for a year ago, the State ABC Board reported today.

The bitter clash between Atheistic Communism and the highly religious population, some 75 per cent of which is Catholic.

In order to get the full significance of what is happening you must understand the tremendous pride of the Czechoslovaks in their new republic, which was born at Versailles out of the first global war to make this world "safe for Democracy."

Devotion to country was profound. The people were as happy and naively proud as a lad with his first long trousers.

Then, less than a generation later, came the second world war which resulted in the Russian occupation of Czechoslovakia and the inevitable inauguration of a Communist regime. This creation of a Red government saw President Eduard Benes, one of the founders of Czechoslovakia, die of a broken heart. It saw Foreign Minister Jan Masaryk, son of the father of his country, die in an unexplained fall from a high window in his Prague apartment.

All these circumstances created fear and distrust among citizens.

Winterville F. H. A.
Winterville High School was a weird looking sight Wednesday due to the fact that the Winterville Future Homemakers were initiating new members.

We could hardly concentrate on our studies for laughing at girls dressed in overalls, short skirts, high heeled shoes, church wear, shoes and socks of a different kind, with their hair platted in pigtails and wearing thick makeup.

The girls who are being initiated today think it is loads of fun as we did when we were initiated last year.

There are 34 new members being initiated of our total of 74 members. We are trying our best to get more to join and are getting wonderful results—Wilma Wiggins, reporter.

Greenville White Shrine Meets
The October meeting of the Greenville White Shrine was held Wednesday night at the Masonic Temple.

Mrs. Blanche Jackson, Worthy High Priestess, presided. A short business meeting was held. Mrs. Elba Lee Rowe reported on the work that was done last month for our material objective, "which is to help those in their hour of sorrow see only darkness and to make life brighter for them." There was a new case that was presented to the Shrine. Mrs. Carrie Munford, past W. H. P., is chairman of the material objective committee. Miss Emogene Duffin, district deputy of District No. 5, gave a very interesting talk on "New Instructions from the Supreme Worthy High Priestess, Zelma Kahn."

Mrs. Jackson announced that Friendly Shrine, Durham, N. C., was holding "friendship night" October 26th and the officers of Greenville Shrine are invited to take part.

Mr. Jesse W. Brown read a letter from the Pitt County Association of the Blind which thanked the Shrine for the part it had taken in helping the blind and handicapped persons of the county.

After the meeting adjourned everyone was invited to the Fred Stokes dining room for refreshments.

Luncheon Given To Honor Miss Gaylord

Mrs. H. L. Ormond entertained at luncheon on Tuesday at 1 o'clock at her home on Rotary Avenue in companion to Miss Virginia Gaylord, bride-elect.

Colorful autumn flowers decorated the home.

A color note of pink was used in the dining room. The bride's table was covered with a cut work cloth and had as a centerpiece an old fashioned nosegay.

The auxiliary ladies were centered with wedding bells and miniature nosegays.

Covers were laid for sixteen.

Mrs. Ormond remembered her honor guest with a corsage and a gift of silver.

Mrs. James Claude Williamson Jr.

Williamson - Gurganus

Bethel, Oct. 9—The marriage of Miss Sallie Joe Gurganus, daughter of Mr. and Mrs. John Linwood Gurganus, Sr. of Bethel and James Claude Williamson Jr., son of Mr. and Mrs. James Claude Williamson, Sr. of Bethel, was solemnized at five o'clock, Saturday afternoon, October the eighth, at the Bethel Methodist Church. The Rev. W. M. Howard, Jr., pastor of the church officiated and the double ring ceremony was used.

The vows were spoken before the church altar which was beautiful with its impressive background of woodards, baskets of pink and white chrysanthemums, and tall branched candelabra containing bluish pink Cathedral candles.

A program of wedding music was presented by Mrs. Harold Staton, organist, and Mrs. Tom Andrews, Jr., soloist.

Given in marriage by her father, the bride wore a handsome wedding gown of petal pink satin, made with a jewel necklace. Through the shoulder line was an insertion of Chantilly lace studded with pearls. The very full skirt, ornamented with pearl embroidered medallions of Chantilly lace, ended in a wide, circular train. Her full length veil of imported illusion fell from a satin cap embroidered in pearls. She carried a white prayer book, topped with a white orchid and showered with tube roses.

Mrs. John Linwood Gurganus, Jr., sister-in-law of the bride, was matron of honor. She wore a period dress of antique gold brocade taffeta, made with a Queen Anne neckline and a full skirt with a flying panel trim. In her hair, she wore a bandeau of gold plumes and she carried a colonial bouquet of bronze pom-pom chrysanthemums, tied with bronze satin ribbon.

Miss Betty Sue Jones of Durham, Miss Jerry Alligood of Greenville and Mebane, Miss Anna House, Betty Smith, Miss Norma Williamson, sister of the groom, and Mrs. J. Van Taylor, Jr., all of Bethel, were bridesmaids. Their dresses were of haze blue brocade taffeta, fashioned similar to the gown worn by the matron of honor. They wore blue plume bandeaus in their hair and carried colonial bouquets of pink pom-pom chrysanthemums, tied with steel blue ribbon.

Little Misses Patsy Jo and Carrie Lin Gurganus, nieces of the bride, were flower girls. They were dressed in gowns of blue French lawn made with tight bodices and bou-

fant skirts and ribbon sashes showered with tube roses. They carried baskets of rose petals, which they scattered in the path of the bride.

Mrs. John Linwood Gurganus, Sr., mother of the bride, wore a formal gown of wine mirror velvet, matching wine accessories, and an orchid corsage.

Mrs. Herbert Brown, sister of the groom, was attired in green taffeta, matching green accessories, and she also wore an orchid corsage.

Attending the groom as best man, Mr. James Claude Williamson, Sr. Ushers were: John Gurganus, Jr., brother of the bride; Herbert Brown; Lee Whitehurst, Jr.; Van Taylor, Jr.; Walter Jack Taylor; Burton Ray Ayres, all of Bethel.

Immediately following the ceremony, the bride's parents entertained at a reception at their home in honor of the wedding party.

The color scheme of pink and white, which had been used in the altar background at the church, was continued in the decorations and the refreshments at the reception.

Receiving at the front door were Mr. D. T. House and Mr. J. L. Brown. The guests were introduced to the receiving line by Mr. and Mrs. R. J. Whitehurst. Mr. and

Mrs. W. M. Howard, Jr. invited the guests into the dining room where Mrs. L. J. Whitehurst and Mrs. J. L. Brown, seated at opposite ends of the beautifully appointed table, served bridal ices and cakes. Others who assisted in the dining room were: Mrs. Clara Roberson, Mrs. Elizabeth Benton, Mrs. A. J. Whitehurst, Mrs. Don Carson, Sr., Mrs. Cary Hammond, and Mrs. J. C. Wynne, Jr.

Miss Camille Staton directed the guests into the hall where they were received by Mrs. Walter C. Whitehurst and Mrs. Walter Latham. Punch was served by Mr. and Mrs. W. H. Manning.

Mr. and Mrs. J. B. Bunting invited the guests into the gift room where they were received by Miss Sallie Brown. Mr. and Mrs. A. M. McWhorter presided over the register which was located in the den. The guests farwell. Others who aided in receiving throughout the house were: Mrs. D. T. House, Mrs. M. M. Edmondson, Mrs. J. C. Smith, Mrs. W. A. House, Mrs. R. L. Goodall, Mrs. W. G. Briley, and Misses Marion Burton, Anne Whitehurst, Janie Ruth Edmondson, Mary Todd Smith, Janice Roberson, Eleanor Ward Staton, and Van Lec McWhorter.

Following the reception, Mr. and Mrs. Williamson left on an extended wedding trip. For traveling the bride wore a suit of charcoal grey broadcloth, trimmed in grey lamb, matching accessories, and the orchid from her prayer book.

Mrs. Williamson was graduated from the Bethel High School, attended Salem College, and is a 1949 graduate of East Carolina Teachers College.

Mr. Williamson is a graduate of Bethel High School and of State College in Raleigh. Following his graduation from State College in 1943, he became a First Lieutenant in the United States Marine Corps and saw extensive foreign service.

Mr. Williamson has recently completed his Masters Degree in Agricultural Economics at State College.

Upon their return, Mr. and Mrs. Williamson will be at home in Bethel until the first of November.

Following the announcement of her engagement, Mrs. Williamson has been extended many courtesies which include the following: A luncheon on the day of the wedding by Mrs. L. J. Whitehurst, Mrs. R. J. Whitehurst and Mrs. W. C. Whitehurst; an informal reception following the wedding rehearsal by Mr. and Mrs. J. L. Brown and Mr. and Mrs. Cary Hammond; buffet suppers for the wedding party by Mr. and Mrs. Z. V. Bunting and Mr. and Mrs. J. V. Taylor, Jr., and by Mrs. H. L. Rives, Sr.; an informal reception by Mrs. Linwood Gurganus, Mrs. Herbert Brown, and Miss Norma Williamson; luncheons by Mrs. W. J. Smith and Miss Betty Smith, by Mrs. J. B. Bunting and Mrs. Tom Andrews, Jr., and by Mrs. F. L. Andrews, Jr., and Mrs. Frank Winesette; Coca-Cola hours by Mrs. F. L. Blount, Sr. and Mrs. F. L. Blount, Jr., and by Mrs. J. C. Wynne, Jr. and Mrs. J. C. Smith; dinners by Mr. and Mrs. Winfred Thigpen, by Mr. and Mrs. Frank McDowell, and by Mr. and Mrs.

Robert Weeks; a dessert hour by Mrs. D. C. Carson, Sr. and Mrs. D. C. Carson, Jr.; a tea by Mrs. D. T. House and Miss Anne House; and bridge parties by Mrs. W. H. Andrews, Mrs. R. H. Staton, Mrs. W. R. Huntcutt, Mrs. W. H. Manning, Mrs. Clara Roberson, and Mrs. E. Manning and Mrs. Joe Butterworth.

Mr. and Mrs. Z. V. Bunting and Mr. and Mrs. J. Van Taylor, Jr. were hosts Friday night at the Bunting home at which time they entertained the Williamson-Gurganus wedding party, out-of-town guests, and members of the family, W. H. Manning.

The home was beautifully decorated with colorful autumn flowers. Mrs. J. L. Gurganus, Sr. and Mrs. Herbert Brown, seated at opposite ends of the table, served ham and congealed chicken salad. The hosts were assisted in receiving by Mrs. Alton Whitehurst of Bethel and Mrs. George Nick Noble of Trenton, daughters of Mr. and Mrs. Bunting.

The honored guests were presented a silver tray by Mr. and Mrs. Bunting and crystal in their pattern by Mr. and Mrs. Taylor.

Friday evening following the wedding rehearsal, from ten o'clock until eleven o'clock, Mr. and Mrs. J. L. Brown and Mr. and Mrs. Cary Hammond entertained the Williamson-Gurganus wedding party at an informal reception.

Mr. and Mrs. W. J. Smith greeted the guests at the front door, and Mrs. Don Carson, Sr. received them in the dining room. Mrs. John Hooker served the wedding cake, while Mrs. Elizabeth Benton, Mrs. W. M. Howard, Jr., Misses Janie Ruth Edmondson and Janice Roberson and Mrs. Clara Roberson passed spiced nuts and party mints and assisted in serving iced pineapple punch.

The color scheme of pink and white predominated in the dining room in both the decorations and refreshment. The table was covered with a handmade cloth over pink and centered with a lovely three-tiered wedding cake. Silver bows containing pink and white flowers were placed at each end of the table and silver candleholders, ornamented with pink and white skirts and containing white candles were placed at the ends of the table. The wedding cake was showered with streamers of white ribbon, tied with green fern and dainty pink flowers.

Mrs. L. J. Whitehurst, Mrs. R. J. Whitehurst, and Mrs. Walter C. Whitehurst complimented the Williamson-Gurganus wedding party at a luncheon on Saturday, October 8, at one o'clock at the Olds Town Inn in Greenville. A delicious three-course turkey dinner was served. Guests for the occasion were members of the wedding party, parents of the members of the wedding party, and out-of-town guests.

Deer Season To Open On Friday

Raleigh, N.C., Oct. 13—(AP)—The state's deer season will not be affected because of an epidemic of deer deaths, say the Wildlife Resources Commission.

The season begins Saturday. Clyde P. Patton, the commission's executive director, stated flatly yesterday "there is no immediate possibility of closing the deer season."

He revealed it still has not been determined what is causing the wholesale deaths among the deer. The condition is prevalent in several states along the Atlantic Seaboard. Patton said examinations have been made of several dead deer brought to Raleigh, but no organism has been found that might be dangerous to humans.

He cautioned hunters, however, to take precautions when dressing deer and not let any of the animals' blood get into skin cuts or abrasions, and to cook the meat well. Patton said about 100 deer have been found dead over the state in the past few weeks, and there is no way of estimating how many others might have died.

To Revive Little Theater Guild Here; Meeting Next Week

A movement was started here at the Sheppard Memorial Library last night to reorganize the Greenville Little Theater Guild to produce short plays during the fall and winter.

Mrs. June H. Rose and Mrs. Howard Mims and others who had part in the Little Theater Guild here some years ago were there and pledged their support.

Evelyn Beasley, of New York City, who has been living in Greenville several years, presided. Others experienced in theatricals present were enthusiastic and promised support to the movement.

The Greenville Little Theater Guild will be formally organized at a meeting at the library next Tuesday night at 7 o'clock. Officers will be elected, plays will be selected and plans for having a contact with playmakers at the University of North Carolina are to be carried out.

Many of the group present last night, including Charles Whedbee and Annie Laurie Askew and others in the Little Theater Guild in the late 30s and 40s, recalled the good work Mrs. June Rose and Richard Walsler, noted Tar Heel author and teacher, did for the venture here.

In addition to others mentioned above present at last night's meeting were Jane Broadwell, Margaret Clark, Mrs. Phyllis McLawhon, Ada R. Jones, Mrs. Lindsay Savage, Mrs. Chester Walsh, Frances Gross, Mrs. Dora Howell, Evelyn Latham, Chester Walsh and others.

Displaced Persons Bill Is Released

Washington, Oct. 12—(AP)—The Senate Judiciary committee finally turned loose the displaced persons bill today, opening the way for a Senate vote.

But the measure, voted out 7 to 3 over opposition from Chairman McCarran (D-Nev) who is in Europe, goes to the floor without any recommendation one way or the other on whether it should pass.

The House-passed measure would let more of Europe's homeless enter this country.

Today's action boosted the administration's chances of getting the bill enacted before Congress adjourns, although a bitter floor fight is in prospect.

Five Pitt Youths Attend Mars Hill

Mars Hill, Oct. 12—A report from the registrar's office shows five students from Pitt County enrolled at Mars Hill College for the fall semester, two who are from Greenville.

These Pitt County students are: Adam W. Davis, Greenville, Raleigh B. Lee, Jr., Greenville; Welba Jean Baker, Rt. 2, Farmville; Lula Gray Kemp, Farmville; John C. Andrews, Jr., Ayden.

A total of 911 students are enrolled at the College for the first semester, exclusive of special students. Of these 492 are men and 418 are women; 529 are first year college students, 373 are second year students, and 9 are irregular students.

Methodist Council Meets At Church

The Worker's Council of the Methodist Church School met Tuesday evening in the Ellington Bible Class room. At six-thirty the officers and teachers were served an attractive salad plate followed by a delicious dessert.

Mr. J. H. Rose, superintendent of the Church School, presided. Mr. Rose asked that each division superintendent, department superintendent, teacher and officer answer to the roll call.

Rose commended the staff for the fine work of the past year and challenged the present staff to continue to meet the needs of the Church School program. Rev. Leon Russell expressed his appreciation to the council for making the church school a vital part of the whole program of Christian education; and guiding and directing the lives of young people into Christ-like living.

Superintendent Rose expressed his appreciation to the young people of the church who are now in the church school program as officers and teachers. Luther Moore as the new superintendent of the Adult division and J. B. Kittrell, Jr., as president of the Young Married Couples' class were recognized. Mrs. Kenneth Hite was welcomed into the fellowship of workers in the church school. Rose gave a tribute to Mrs. R. M. Zahniser for her long years of service in the church and church school.

The Worker's council was dismissed by Rev. Russell offering the closing prayer.

Immediately following the Worker's council the board of education met and approved the list of officers and teachers for the church school year 1949-50.

Plan Hearings On Education Aid

Washington, Oct. 12—(AP)—A House Education subcommittee will start field hearings this month on proposed federal school aid for children of workers living on federal property.

Chairman Bailey (D-WVa) said the group's itinerary will include Norfolk, Va., Cherry Point, N.C., Charleston, S.C., Oklahoma City, San Antonio, Orange, Texas; Phoenix, Ariz., Los Angeles, Bakersfield, Calif., Salt Lake City, Hastings, Nbr., Omaha, San Francisco, Seattle and Richland, Wash.

It will go south on October 24 and begin its western swing on October 31.

The group will include Reps. Bailey, Irving (D-Mo), Steed (D-Okl), Morton (R-Ky), and Nixon (R-Calif.).

THE GIBSON DISTILLING COMPANY, NEW YORK, N. Y.

Red Oak News

At a recent business meeting of the Sunday school members it was voted to change the beginning of the Sunday school year from January to November 1 so that it would coincide with the beginning of the church year.

A committee was appointed to prepare a slate of officers and teachers for the year beginning on the first Sunday in November.

The following officers and teachers were elected: Superintendent, F. L. Allen, Sr.; assistant, Milton May; secretary and treasurer, Spooky Morgan and assistant, Edgar Denton; adult class, H. H. May with Mrs. Doc Smith as assistant; Martha Jolly Young, married couples class teacher, Mrs. B. L. Tyson and Mrs. Clarissa Edwards May, assistants.

The Sunshine class will have as its teacher again this year, Mrs. Travis Crawford, assisted by Milton May.

Mrs. James Allen will have charge of the Juniors and Mrs. J. T. Manning, Jr., has been elected to be her assistant.

The Busy Workers class will have Mrs. Amos Evans as teacher and Mrs. Mimi Denton will be her assistant.

Mrs. Bill Jenkins, assisted by Mrs. Charles Tucker will have the beginners.

One of the most important classes in Sunday school, the nursery department will be headed by Mrs. Almeta Page and Mrs. Effie Kittrell.

It is hoped that the members of the church and Sunday school will rally behind these people and have the very best Sunday school next year in the history of the church.

It was a very enthusiastic group of young women who met at the lovely home of Mrs. Joe Joyner last Monday evening for the first meeting of Circle No. 2 for the new year.

The new chairman, Mrs. James Sydney Allen, presided and the secretary, Mrs. Travis Crawford, read the minutes of the last meeting.

The following people answered to the roll call: Mesdames Audrey Jordan, Ruth Crawford, Wilma James, Dot Edwards, Edna Simmons, Rubelle Crawford, Inez Haddock, Margie Allen, Odell Evans, Mary Belle Joyner, Lillian Jenkins and Annie May.

Six visitors from circle No. 1 were present and thoroughly enjoyed the meeting. They were Mesdames Mary Stocks, Ora Allen, Leota Tyson, Ethel Allen, Mary Smith and Nina

Tripp. Mrs. Jesse Jordan gave a most encouraging treasurer's report.

The menu for the supper which circle No. 2 will prepare and serve at the "Country Auction" to be held on October 21 was planned and several committees were named.

There will be another meeting of circle No. 2 at the home of Mrs. Carl Crawford next Monday night, Oct. 17, with Mrs. Earl Simmons as assistant hostess.

Mrs. Joyner served dainty party sandwiches, olives, nuts and Coca-Cola.

Circle No. 1 will meet with Mr. and Mrs. Ois Kittrell next Sunday evening, October 18th, at seven o'clock. Every member is urged to be present.

Perfect Background for a Lady!

Sometimes, we think a lady never looks so lovely as when she's seated at the wheel of a Cadillac car.

First of all—the looks serene . . . for she knows she is driving the world's most distinguished motor car.

She looks confident, too . . . for she knows she is driving a mechanical masterpiece—a car that is as dependable and safe as human ingenuity can make it.

She looks rested and at ease . . . for there is no strain at all to her driving. The big motor moves the car as if by automatic propulsion—steering is virtually a response to her wish—and the brake pedal calls for little more than the weight of a foot.

And, finally, she looks—as we said—so lovely . . . for here is the perfect background for a lady. If she has chosen the model and the color and upholstery

with care—as the fullest complement to her personality—she is the spot-lighted high-light in a gorgeous picture!

This message, of course, is addressed to a man—to a man with a lovely lady whom he delights to see at her best—and whom he wants surrounded, wherever she drives, with every safeguard an automobile can provide.

Come in, Sir—and see us. You are looking for a Cadillac!

Striker Says He Was Punched And Blackjacked By Policemen

Tarboro, N.C., Oct. 12—(AP)—Robert Stokes says he was punched and blackjacked during his arrest by three Tarboro policemen. The policemen deny they struck him. The conflicting testimony highlighted yesterday's session of the trial of the four men. It continued today before Recorder Herbert Taylor.

The case stems from a strike by the CIO Textile Workers Union of America against the Hart Cotton Mill here. The strike today entered its sixth month. The mill has reopened and more than 100 of the 850 workers who struck are reported back on the job.

Stokes, a member of the union, is charged with resisting arrest. The policemen, Wiley Bullock, Robert E. Quincy and Elwood Pittman, are charged with assaulting Stokes with a deadly weapon with intent to kill.

Stokes was arrested about 11 days ago. The three policemen said Stokes cursed them as they were escorting a bus load of workers from the mill.

Stokes testified that Bullock punched him in the police car. He said he was hit with a blackjack as

the three officers put him in a jail cell. Quincy and Pittman testified that neither they nor Bullock struck Stokes. They said that Stokes became unruly as he was being taken to jail, and the car was stopped a few times to keep him under control. Their testimony corroborated that of Bullock the previous day.

Dr. Howard Hussey took the witness stand and said that he had closed a cut in Stokes' head with five or six stitches.

The doctor said that when he came into the jail he got the impression that he smelled alcohol on Stokes' breath.

District 10 PTA Meeting Planned

Washington, N.C., Oct. 12—The annual conference of District 10 of the North Carolina Congress of the Parent-Teachers Association will meet in Washington, N.C., at the John Small School auditorium Wednesday, October 19, at 1 o'clock.

Russell M. Grumman of Chapel Hill, president of the N. C. Congress of Parents and Teachers will be the principal speaker. His topic will be "Challenges and Opportunities of Our Thirtieth Year."

Others on the one-day program are: Mrs. J. W. Burke, Executive Secretary; Miss Genevieve Burton, Field Secretary; Dr. Leo Jenkins, State Chairman of School Education.

District chairman is Mrs. Scott Topping of Pantego and general chairman is Mrs. Moye Harrington of Washington.

District 10 is composed of Beaufort, Carteret, Hyde, Craven, Jones, Lenoir, Onslow, Pamlico, and Pitt counties.

Luncheon will be served in the school auditorium.

Lives To Tell Of Fight With Bear

Fairbanks, Alaska, Oct. 12—(AP)—Dan Luddington fought a close-fought bout with a grizzly bear and won, but he was hospitalized today with 200 stitches.

Luddington met a she-grizzly with her cub head-on near Summit Lake. "My rifle failed to fire the first bullet," he recounted, "and she got me down. She was pawing, mauling and raking me with her claws and I was trying to get away and at the same time reload my rifle."

"It seemed like my head was in her mouth when I got another shell in the chamber. I managed to get my rifle around while she was dragging me by one leg."

"The bullet hit her in the chest and she dropped."

Luddington painfully inched himself a mile to a road where he was picked up by an Alaska freight line truck.

He told his story in the Fairbanks hospital. Luddington, owner of a roadhouse near here, had 200 stitches taken in his face, scalp, arm and leg.

Fountain School PTA In Meeting On Wednesday

The Fountain elementary school P.T.A. held its regular meeting Wednesday night in the school auditorium.

Mrs. Jasper Morgan presided over the meeting which was attended by a large crowd. During the business session committees were appointed for the annual harvest festival which will be held at the school on October 21. The president urged all the members present to come to the festival and take part in the contest and fun which has been planned.

A barbecue supper will be served in the lunchroom from 6 to 8 o'clock.

The fourth grade won the attendance prize given by the PTA each month for the grade having the best attendance.

A program under the direction of Mrs. Carol Walston and pupils from the school, showed the progress which has been made in the public school music by means of several dance and song numbers.

The fourth grade did a dance; first and second grades, songs; third, songs; fifth, sixth, seventh, and eighth rendered several songs.

Fountain School Is Selecting A Queen For Harvest Festival

A contest among the pupils of the Fountain graded school to select a queen who will reign over the annual harvest festival is going strong according to reports received from that school.

The queen of the harvest festival will be chosen from the group of 16 candidates on October 21. Each of the girls have selected a king who in turn is trying to get votes for his candidate.

The queens in the contest are, Sara Smith, Ann Hardy, Parmie Moore, Joan Hathaway, Barbara Rose, Glennie Matthews, Sue Dilda, Carolyn Harris, Jewel Gardner, Norma Carraway, Margaret Owens, Ernestine Mosley, Edna Dunn, Nell Gray, Katherine Baker, Kings, Edward B. Beasley, Billy Walker, Bobby Corbett, Robert Jones, Clyde Killbrew, Jeff Jefferson, Larry Dilda, Horace Glenn, Carlton Vandiford, Robert Killbrew, Bill Owens, Billy Baker, Lawrence Boseman, Sigbee Dilda.

COLORED NEWS

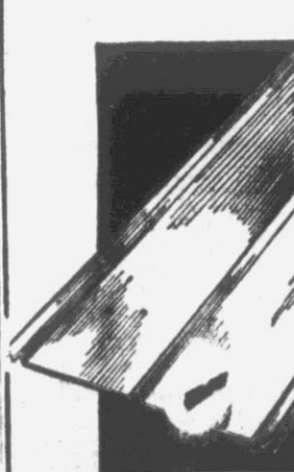

We wish to thank both white and colored for their kindness during the illness and death of our son and brother.

Mr. and Mrs. Henry Freeman and Family.

Mrs. James Hinton Gray and daughter, and Mrs. L. Banks of Baltimore, Md., arrived Sunday to attend their brother's funeral which was held Tuesday, October 11. Mrs. Banks will remain in Greenville until Sunday.

Although the schools are only three miles apart, Santa Clara and San Jose State have met but three times on the gridiron.

State Has 11,817 Motor Vehicles

Raleigh, N. C., Oct. 13—(AP)—The state of North Carolina finally has found out exactly how many cars

and trucks it owns. The division of purchase and contract yesterday completed an inventory showing the state owns and operates 1,434 cars and 10,383 trucks. Division director Charles Williams released the figures. He said it was the first such list obtained by any agency. Williams said the inventory will enable his division and the budget bureau to check immediately on the

makes and performance of state vehicles and determine how and to whom each vehicle is assigned. The state highway commission is the largest operator of state vehicles, the figures show, with 577 passenger cars and 3,676 trucks. Williams' division is one of at least 34 state agencies which reported operating no cars. Officials and workers in these agencies get a travel allowance of seven cents a mile, either for trips in their own cars or on public carriers.

Delay Hearing Of Bond Suit

Raleigh, Oct. 12—(AP)—Attorney General Harry McMullan said today a hearing on a road contractor's suit against the Highway Commission has been postponed until Oct. 21. McMullan said Judge W. C. Harris notified him that he would be unable to hear the case on Friday of this week, as scheduled. Judge Harris said he was confined to his home under doctor's orders, McMullan reported.

The attorney general also said it might be tomorrow before he files the state's answer to the suit. He had expected to have the answer ready today. The suit was brought by Nello L. Teer of Durham. He is asking that the commission be restrained from using secondary road bond money to buy road-building machinery and for stabilizing dirt roads.

Bus Avoids Crash With Speeding Car

Mrs. P. C. Kemp, 206 Eastern street, a passenger on a city passenger bus, was painfully injured when it suddenly stopped to avoid a collision with a speeding car, driver unknown, at First and Liberty streets, about 11 a.m. yesterday. The car did not stop, it was stated. Earl Porter, bus driver, said he applied his brakes to avoid an accident and Mrs. Kemp was thrown to the floor. James Ray Pittman took her to Pitt General hospital. She was not seriously injured.

Californians Lead Tourists In Europe

London —(AP)—California sent more tourists to Britain during the 1949 season than any other state in the union, the Travel Association says.

Of Americans who came here, 16 per cent were from California; 10 per cent from New York; 7 per cent from Massachusetts, 6 per cent from Pennsylvania and 6 per cent from New Jersey. The total number of tourists was 61 per cent of the total number of tourists in 1948.

Taxicab Drivers Adopt Orphan Dog

Springfield, Ill.—(AP)—Bones, an orphan dog, is a regular non-paying customer of cab drivers here. Bones was adopted by 24 cabbies a year ago when he didn't know where his next can of dog food was coming from. He liked his owners, but he didn't like their cabs. The black and tan hound broke his front leg six months ago. Since then he discovered a cab is mighty handy transportation. If a driver starts to pass him by, Bones takes after him. When the cab stops, he climbs in.

Bridges Perjury Trial Date Set

San Francisco, Oct. 13—Harry Bridges' trial on charges of perjury and conspiracy to defraud the government will start on November 14. Federal district Judge Robert B. Harris yesterday denied a series of motions by which counsel for Bridges attacked the indictments on various constitutional and legal grounds.

Sen. Hoey Praises Leaders Of South

Durham, Oct. 12—(AP)—Senator Hoey (D-NC) says "Every worthwhile progressive and humanitarian measure passed by the Congress in 20 years has been under the direction and guidance of Southern leadership in Congress."

That's what he told the 53rd annual convention of the North Carolina Division, United Daughters of the Confederacy, here last night. "The South," he declared, "preserves today the spirit of the Confederate soldier in its utter independence and courageous approach to all public questions." He said that the civil rights program is being advocated in response to radical pressure groups. The program, he said, is based on political considerations rather than interest in the public good, Hoey commented. Gov. Kerr Scott will address a convention dinner tonight. The three-day meeting will adjourn tomorrow after election of officers.

KILLER MUST DIE

Louisville, Ky., Oct. 12—(AP)—Earl D. Bircham, 45, called a notorious public enemy by the FBI, must die in the electric chair for the slaying of a Louisville policeman. An all-male jury deliberated a little more than an hour last night before returning a verdict of guilty of murder in the shooting of Patrolman John Tennyson.

Torn Between Hopes And Doubts In Search For Son

Hastings, Mich., Oct. 13—(AP)—Torn between hope and doubt, an Ohio couple wondered today if they had found their baby son kidnapped five years ago.

Blond, blue-eyed William "Tommy" O'Neill, 6, a ward of the state of Michigan, is the lad in question.

State police were helping Mr. and Mrs. Arthur Thompson of Dayton, Ohio, in their efforts to determine if Tommy is their son.

The Thompsons came to Michigan after receiving a report that Tommy might be their own Ronald who was abducted from his home Oct. 7, 1944.

At the time the Thompsons' newly engaged nursemaid, a red-haired woman who gave the name of Alice White, also disappeared. Despite a national search neither was ever seen again.

A recent newspaper account of the case brought a report to Arthur Thompson and his wife, Anna, that Tommy might be their boy.

There are physical similarities, including webbed toes on both feet and a pinched right ear in addition to the blue eyes and blond hair.

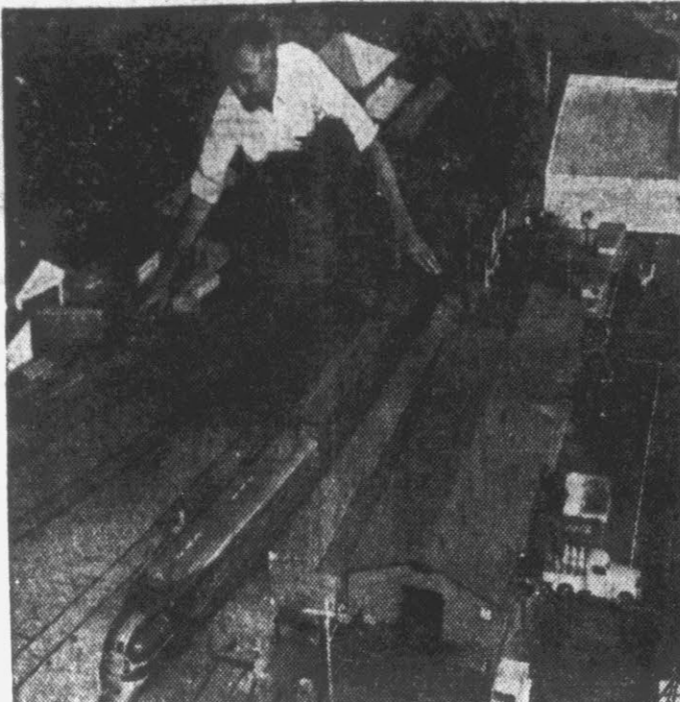

However, the Michigan Children's Institute was not sure about it.

Tommy was made a ward of the institute two years ago. He had been taken from the custody of a Mexican family.

According to the official record, Tommy was actually born to an unmarried Toledo woman who turned him over to the Mexican family.

That's not sufficient to satisfy Mrs. Thompson, however, to whom the physical resemblances are remarkable.

"I have looked over a lot of children since my boy was kidnaped," she said, "and this is the first one I couldn't say was not my child."

Church Women Meet To Discuss Schools Says Belts Cause Pot-Bellied Men

The general meeting of the Woman's Society of Christian Service met Monday afternoon in the Ellington Bible Class room.

Mrs. Ed. Batchelor, vice-president, led the program for the afternoon. Mrs. A. L. Tucker, Mrs. R. V. Mrs. Gus Forbes, Mrs. K. B. Mrs. S. B. Underwood, Jr., Mrs. Paul Murray and Mrs. Beulah Brown assisted in giving a most inspirational and informative program on Missionary Education. The ladies gave a new insight into the value of the schools which are supported by the W.S.C.S. The lives of many boys and girls have been greatly enriched because of the guidance and training they have found in the Mission schools operated under the auspices of the Woman's Division of the Methodist church, they pointed out.

Mrs. S. B. Underwood, Jr., president of the W.S.C.S., presided over the business meeting. Mrs. M. K. Blount, recording secretary, read the minutes of the previous meeting. The reports given by the circle chairmen indicated that many worthy activities are being sponsored by the W.S.C.S.

Mrs. A. W. Baker announced the observance of Quiet Day on October 18, from ten o'clock to eleven-thirty, with Mrs. W. C. Chadwick from New Bern speaking. The week of Prayer Observance will be October 25-31, with all the societies joining in prayer for specific things each day. Mrs. Baker stated.

Mrs. Underwood adjourned the meeting.

Denver, Oct. 12—(AP)—Want to reduce your waistline without dieting, fella?

Wear suspenders, says an expert attending the American Dietetic Association. The slim adviser who doesn't want to be named said the secret is this:

Belt wearing men unconsciously expand their stomachs to keep their trousers from slipping.

He said 26 pot bellied men switched to braces and reduced their waistlines an average of one and five-eighths inches.

Fish Story

Bristol, England, Oct. 12—(AP)—Mrs. Jean Walker heard a rustle in her fireplace. Suspecting a mouse, she went over to have a look.

Flopping on the cold grate was a big, plump goldfish.

Mrs. Walker popped it into the bathtub, washed off the soot, and soon had it swimming about briskly. Her guess:

"A bird must have raided someone's fish pond and dropped it down the chimney."

Brooklyn Zoo Ape Takes Boss' Desk

Brookfield, Ill. —(AP)—A two-year-old orangutan at the Brookfield Zoo recently survived a night of freedom to eat all she wanted.

Tia, the ape, sat on a long director's table eating a banana when Director Robert Bean entered the room the next morning. It, as well as his office, was a mess. Ink spotted a rug. Paper littered the floor and drawers were pulled from a desk. The icebox was raided.

Her menu had consisted of five bananas, a half dozen chocolate bars, and several apples. She topped it off with a double helping of cleansing powder. She even downed a powerful emetic administered by Bean. Tia didn't even burp.

Old-Timer To See Tar Heels, Deacons Clash Saturday

By TOM BOST, Jr.

Wake Forest, N. C., Oct. 13—Probably the most interested of all the approximately 44,000 fans who will attend the Wake Forest-North Carolina football game at Chapel Hill Saturday afternoon is Doc Berry Oliver, prominent 82 year old manufacturer, banker, merchant and philanthropist from Pine Level.

Doc's keen interest in this particular game stems from the fact he was one of the participants in the first collegiate football games ever played in North Carolina, rather ironically it was these same two institutions—Wake Forest and Carolina—that introduced football to the Old North State 61 years ago in October, 1888, in game played at Raleigh. Doc played left end for Wake Forest in that contest and recalls with much satisfaction a 6 to 4 victory for the Deacons. He admits nothing would please him more than for his Alma Mater to turn the trick again Saturday.

Have Difficulty Serving Summons

Honolulu, Oct. 13—(AP)—A United States marshal said today he was trying to find Lt. Gen. Delos C. Emmons, a former military governor of Hawaii, to serve a three-year-old summons.

The retired general is named in a \$130,000 marital law suit brought by Mr. and Mrs. G. G. Herbert Walther of Honolulu in 1946. Marshal Otto F. Heine said his office hasn't been able to serve the summons.

The Walthers' suit claims compensation for alleged unlawful internment during the war.

German Science Now Aiding U. S.

Atlantic City—(AP)—The United States is just beginning to reap the benefits from the huge amount of scientific information captured from the Germans after World War II, says Col. Harry A. Kuhn, U.S.A. (retired), president of the Armed Forces Chemical Association.

"The government so far has released more than 100,000 reports with data on synthetic fuels, jet missiles, chemical warfare agents and other subjects, but it will take years to evaluate all the information," he told the American Chemical Society.

Some of the more important German developments were the Fischer-Tropsch process for making synthetic oil from coal; the manufacture of high concentration hydrogen peroxide; production of white carbon black; the fire-fighting fuel chlorobromomethane; a synthetic substitute for mica, and new insecticides.

PEACE OF MIND

Moline, Ill., Oct. 12—(AP)—Jimmy Carl Jones, 30, seized by police on charges of burglarizing churches, offered this explanation:

"They were the only places where I could find peace of mind."

Police said Jones, a Greenville, S. C., man, broke into three Moline churches one night, police said.

He was charged with burglary and held on \$3,000 bond for a hearing in police court Oct. 21.

Federation Plan Strongly Backed

Washington, Oct. 13 — (AP) — Powerful congressional support was claimed today by sponsors of a plan for a world federation which would be backed by an international police force to subdue any aggressor . . . Rep. Hays (D-Ark), author of a resolution to that effect, said a majority of the House Foreign Affairs committee favors it. He predicted flatly that Congress will approve it in 1950. He said 105 of the 435 House members and 22 of the 96 senators are its sponsors. A long line of witnesses, most of them members of Congress, testified in behalf of the resolution

the House committee opened hearings yesterday. Rep. Vorys (R-Ohio), a committee member, introduced a telegram from Bernard M. Baruch, adviser to many presidents, saying: "I can see no reason why if you can outlaw one form of destruction you cannot outlaw all forms of destruction, that is, war itself." "But," Baruch said, "this must be accompanied by effective and enforceable inspection and control of all instrumentalities of war." Baruch did not take any position on the resolution itself. **MUSIC TO FEATURE JAYCEE PROGRAM TONIGHT AT 6:30** The Junior Chamber of Commerce will hold its bi-monthly supper meeting at the Olde Towne Inn tonight at 6:30. First Woman Is Nominated As U.S. Ambassador

Washington, Oct. 13—(AP)—Mrs. Eugene Anderson of Red Wing, Minn., has been nominated to represent the United States in Denmark as this country's first woman Ambassador. President Truman sent the name of the 40-year-old Democratic National committeewoman to the Senate yesterday to succeed Josiah Marvel, who vacated the Copenhagen post some months ago. There have been women Ministers representing the United States abroad—Mrs. Perle Mesta at Luxembourg is one; Marvel's predecessor in Denmark, Mrs. Ruth Bryan Owens, was another—but no woman ever before has held the full Ambassadorial rank. Since Mrs. Owen was in Denmark the rank of the top U. S. diplomat there has been raised from Minister to Ambassador.

Wilson's Weekly Bulletin

from the *Rector* Kitchens

Old-Fashioned, Time-Honored and Still Tops

Sizzling hot Wilson's Certified Pure Pork Sausage is an appetizer any time of the day. Its economy lies in the fact that it is all edible. During cooking Wilson's sausage meat does not dry up but holds its shape. What flavorful drippings do cook out can be used in cream sauce, gravies, for frying and as a tasty addition to waffles, muffins or pancakes.

PROPER COOKERY

When cooking sausage links, use the excellent Wilson method given on the carton. It'll bring out the right juicy flavor. For patties, cook over low heat for the best flavor and texture. Never hurry the cooking of sausage.

VERSATILE PORK SAUSAGE

Link or packaged for patties, Wilson's CERTIFIED PURE PORK SAUSAGE is excellent with baked acorn squash or baked potatoes. French toast, waffles and eggs all welcome sausage. There never was a nicer egg 'n' sausage combination than the one we feature today. It's simply out-of-this-world for flavor and appeal.

1. Line muffin cups with 1/4 inch layer of WILSON'S CERTIFIED PURE PORK SAUSAGE building meat up 1/4 inch above rim of muffin cups.
2. Break a WILSON CLEARBROOK EGG into each sausage cup.
3. Cover top with a flat, round sausage patty. Pinch outer edges together.
4. Set muffin pan on a drip pan to catch any drippings and bake 350° F. for 30 minutes.

SAVORY SAUSAGE 'N' EGGS

Line 5 muffin cups with 1/4 inch layer of sausage using: 1 lb. WILSON'S PURE PORK SAUSAGE meat. There will be some leftover for covers. Crack WILSON CLEARBROOK EGGS, one at a time, and drop one into each muffin cup. Cover with a sausage patty. Pinch edges together. Place in 350° F. oven for 30 minutes to slowly bake through, setting muffin pan on a shallow drip pan. Lift the browned sausage cup with spatula to hot serving plate. Serve with toast or waffles. As you eat, the egg reveals itself—not hard, not soft, just right. Ummmm!

Bucs Go Through Heavy Scrimmage

Dole Takes Traveling Squad To Cullowhee Friday For Saturday's Game Against Unbeaten WCTC Catamounts

Coach Bill Dole put his Pirates through a hard 3 hour practice session today with the majority of the practice consisting of heavy scrimmage work. Everyone on the squad except those with injuries, took part in the spirited scrimmage. The early part of the practice session was devoted to blocking and tackling—a phase of the Pirates game that has not been up to par in the last two games.

Dole and his 33 man traveling squad leave Greenville Friday morning and arrive in Cullowhee, N. C. Friday night for their Saturday night battle against WCTC's unbeaten Catamounts at Canton. The Pirates will stay at WCTC Friday night, have breakfast, dinner and a pre game meal at 4:30 before departing for Canton to play the game. After the game the Pirates will journey to Asheville for a meal, spend the night there, and after breakfast depart for Greenville.

WCTC, riding high atop the North State Conference standing, will through everything they have at Dole's squad. Despite the Pirates loss to Eion 33-7 the Catamount scouts say the Pirates lose a hard fought 21-20 game to four touchdown favorite Leroy-Rhyme earlier this season and have instructed the Catamounts not to underestimate the Pirates.

Coach Dole, concentrating on building his squad 8-1 at the same time winning as many ball games as possible this year, is mighty proud of the way his boys have shown up against heavier and more experienced teams. With every game the Pirates play they gain valuable experience.

Freshmen and sophomore mistakes have hurt the Pirates this year but such mistakes were expected in the process of building the squad. Despite mistakes and Dole's building process opposing scouts have taken the Pirates off the "breather" list and tagged a team to be reckoned with at any time.

Midgets To Play Kinston Here On Friday Evening

Bill Kittrell's Greenville Mites, in two way tie for top place in mid-get football play, will meet Kinston's Red Imps here Friday evening for their third conference game.

Greenville is currently tied with New Bern with one win and one tie. Neither team has been defeated in conference play.

Friday's game, which starts at Guy Smith Stadium at 4:30, will be second of the year between Kinston and Greenville. Coach Kittrell's boys defeated Kinston 7-0 in their opener. Last week Greenville battled New Bern to a scoreless deadlock.

Kinston meanwhile, has dropped a 12-0 decision to New Bern but smothered Washington's midgets 13-0, hold a 1-2 record.

Coach Kittrell announced today that he probably would start using the two-platoon system in Friday's game and that a number of changes in the lineup may be made. The starting lineup will not be announced before Friday, he said.

In practice this week the Mites have stressed offense. Their offense fell through against New Bern after they repeatedly got within the shadow of the goal posts.

"We don't want the same thing to happen against Kinston," Kittrell said. He pointed out that long drives look good in the statistics but don't win ball games unless they go across the goal line.

A complete list of Kittrell's offensive and defensive teams will be released tomorrow.

Joe Louis Says It's The Money That Draws Him

San Francisco, Oct. 13—(AP)—Joe Louis says "it's the money—definitely not the possibility of a title comeback—that lured him from retirement into an exhibition schedule."

"I do not plan ever to fight for the championship again," a sullen Louis declared yesterday. He seemed irritated that anyone would question the sincerity of his retirement.

Then did he schedule several eastern exhibitions to renew interest in boxing? It has lagged since he retired.

"No." And he added, "there's money in it."

More than one New Yorker here for the Ezzard Charles-Pat Valentin NBA heavyweight title fight tomorrow agreed that Louis probably could use funds.

Fullback John Parrell and End George Brodnax, new players with the pro Detroit Lions, each were assistant coaches at Notre Dame and Georgia Tech, respectively, this spring.

By FRANK ECK AP Sports Editor
New York—Signals out! Officially this week-end is regarded in many quarters as the first big one of the football season. That's because the memorable baseball season and the World Series are out of the way.

It's hard to put the finger on any one big game. There are so many. Feature of the Big Nine will be the Northwestern-Michigan test. Northwestern is picked to help end Michigan's rein in the conference.

In the same league, Minnesota is the selection over Ohio State and Indiana over Iowa.

Another important game in this section is Tulane, a southern power this year, against Notre Dame, possibly the No. 1 team in the nation despite walls to the contrary. Notre Dame should up the Green Wave.

The east offers some traditional games but the action seems oriented with Army and pick Harvard, Penn the victor over Columbia and Cornell to trim Yale.

One of the south's features is the North Carolina-Wake Forest game at Chapel Hill, N. C. North Carolina is the choice in a tight battle.

The southwest has two conference battles. Texas is picked over Arkansas and Southern Methodist, led by Doak Walker, is likely to roll up a score on Rice. Feature in the far west is the annual California-South-

Yankees Aren't Satisfied; Buy Up 2 New Stars

New York, Oct. 13—(AP)—The New York Yankees, announcing they won't stand pat on their present world championship team for 1950, bought two of the brightest stars in the Pacific Coast League today.

Manager Casey Stengel announced the purchase of Jackie Jensen, outfielder who is a former California football star, and Alfred (Billy) Martin, an infielder.

They were bought from the Oakland club, which Stengel managed last year.

No price was divulged but it's rumored the Yankees shelled out in the neighborhood of \$100,000 and five players for the two athletes, who were widely sought after by major league clubs.

"You never sit tight," Casey told newsmen in the Yankees' final press conference of the season yesterday. "You can't afford to stand pat in this league. We're going to try to strengthen our pitching staff although it looked pretty good in the last week. Sure, we could use a couple of pitchers."

"I'd like to improve my outfield a little, too. We're willing to listen to anybody who has something reasonable to offer."

Jensen, 22, is the former football star at the University of California. He is a bonus player. Owner C. L. (Bucky) Laws, in beating 14 big league clubs to his services, lured him at the close of the college baseball season last spring with a bonus of \$40,000 plus a three-year contract at \$15,000 per year.

The Yankees, who must either keep him or let him go via waivers next year because of his "bonus" tag, will undertake the financial obligations.

"My scouts tell me that Jensen is the greatest outfield prospect in the minor leagues," said Casey. "He is fast, has tremendous power, and owns the strongest arm in baseball since Bob Meusel. He's still green, however, but he'll get all the teaching he'll need up here."

Kenneth Woolard Line Coach At Norfolk Base

Norfolk, Va., Oct. 13—Lieutenant (jg) Kenneth A. Woolard, SC, USN, of Greenville, N. C., attached to the Naval Supply Center, Norfolk, Va., is now embarked on his third season as line coach of the Naval Base football team, "The Bluejackets."

Entering the Navy in 1942, as an apprentice seaman, Ken worked his way up through the ranks to the rating of machinist mate second class, when, in 1945, he was selected to attend midshipman school at Fort Schuyler, New York, and commissioned an ensign in March of 1945.

A graduate of Greenville high school, where he centered the ball for the team, Ken was shifted to one of the tackle positions at Missouri State college, which position he occupied so successfully for three years that he was voted co-captain of the team his senior year.

Woolard is the son of Mrs. K. S. Woolard, of 1018 Evans street, Greenville, North Carolina.

any cadet back this year. This is equivalent to 6.1 yards per try.

Raleigh Sprinter Speeds Up Army Gridiron Attack

West Point, N. Y., Oct. 13—(AP)—Speed and more speed is the basis of Army's football attack, and that's why a sprinter from the track team is the cadet backfield.

His name is Jimmy Cain, who in his second of college football is undertaking to fill the shoes of Bobby Jack Stuart, an all-America last fall. He was understudy to Stuart last year, and he learned well.

Cain, a quiet, soft spoken native of Raleigh, N. C., first came into prominence around here as a trackman. The 170-pound halfback was a sprinter of the Army track team. He was lead-off man on the Neptunian championship 330 yard relay team and competed in dashes, both indoors and out.

Until this year, he was unable to harness his speed and had some difficulty eluding tacklers in the secondary. But with his 1948 experience, Cain has demonstrated spots of brilliance in the three Army victories over David, Penn State and Michigan this fall.

Last week, when Army needed him most, Cain was superb as he played by far his best game since donning the Cadet grey.

The Raleigh speed demon was the leader in Army's rushing attack with a net of 45 yards in 10 tries. He scored one touchdown in the 21-7 victory, and caught one of five passes completed by quarterback Arnold Galliffa.

His effort against Michigan sent his total yards for rushing for the season to 147 yards, the highest for

Waivers Sought For Jeff Heath
Boston, Oct. 13—(AP)—Waivers for the purpose of giving him his unconditional release, have been asked by the Boston Braves for Jeff Heath, veteran, hard hitting outfielder.

The Braves, who announced the move just before midnight, said the waiver period would be up today but that Heath is under no compulsion to report to any major league club which might wish to pick him up for the nominal fee of one dollar.

Because he is a veteran of ten years in the majors Heath is free to deal with any club.

Johnny Mize holds the major league record for hitting three home runs in a game during a career—he did it five times.

Will Be On Air
The North State Conference football game between East Carolina Teachers College and the Catamounts of West Carolina to be played in Canton Saturday night will be broadcast over Radio Station WGTC, Greenville.

Station officials announced today that a play-by-play account of the game would be given from the Canton stadium by Sportscaster Jack Hedgepeth beginning at 7:45 on Saturday night.

Setback Handed Phantoms On Eve Of Ahoskie Contest

By EUGENE PRICE
Greenville high school's chances of a victory over 1948's Class B Ahoskie Indians, was dealt a staggering blow today with the definite announcement that Mac Crawford, stellar tackle, was sidelined for the season and that End Jack Nelson may see only limited action in the Friday night contest in Ahoskie.

Coach Bo Farley confirmed this morning a report made early this week that Crawford, a senior and the Phantoms' only varsity lineman from last year, has been forced to give up football for the season.

Nelson, starting end in the Phantoms' four games this year, injured his wrist in the Scotland Neck game and has been out of practice all week. It is problematical whether or not he will be able to start Friday.

The losses may prove to be a lethal blow to the Phantoms' hopes not only against Ahoskie but against Northeastern Conference opponents as well. The loss at tackle where the Phantoms are weak in reserve strength was regarded by Farley as "serious." The Greenville High coach said he would start Eugene Ayers in Crawford's vacated position which would leave only one reserve at tackle, that being Strickland, a big and promising boy but inexperienced. Paul Conway, the Phantoms' big fullback, may be used at defensive tackle to

strengthen the line, Farley said. He may have to move Guard Jim Brady to tackle.

As the Phantoms wound up their pre-game drills Farley admitted that it looked like his boys were in for a rough evening. He indicated that only the heads-up play of every man on the team would prevent a sound defeat.

His boys will be gunning for their fourth win in five games but they will be up against a team unscored on in nine contests and undefeated in 19 consecutive games.

Greenville will probably be outweighed all around by the Indians who have marked up one of the best high school records in the state in three years under Coach Jack Young, co-captain of the 1941 undefeated East Carolina Teachers College eleven.

Coach Young's team smothered Herford's Indians 45 to nothing last week for their fourth win of the 1949 season.

Reserve strength will favor Ahoskie which uses the two-platoon system with experienced and rugged ball players in every position.

Two massive backfield men, 185-pound Fullback Jimmy Williamson and 165-pound Tommy Umphlett, are expected to be the best ball carriers the Phantoms have run up against this year.

Probable starting line-ups for

Greenville will see Moore and Tilghman at ends; Ayers and Wallace Conway at tackles; Vainright and Rowland at guards; Aman at center; Flye at quarter; Cox and Higgs or Perry at half, and P. Conway at fullback.

Ahoskie—Sessions and Hilday at ends; Congleton and Phelps at tackles; Hoggard and Newsome at guards; Karanikas at center; Jordan at quarterback; Godwin at wingback; Umphlett at tailback; and Williamson at fullback.

DOUBLE TROUBLE

By WILLIAM HOBSON

Chapter 29
Rover Boy had come more than thirty miles during the night. He was full of water and united. But he reared and plunged and then Jay got him turned, sawing at the iron jaws, and the great blooded Morgan settled down to a long running lunge and began to eat up the distance between him and those two horses now far out on the plain. Jay fell the surge of his great muscles and watched anxiously for the first signs of sweat to appear on withers and flanks. But Randall had already said that Rover Boy was a cold-blooded devil in whose veins ice ran, and Jay now knew it to be the truth. He was a "cold" horse. They covered half a mile and then a mile and then another mile. Jay drove him on, conserving his wind and letting him set the pace. Three hundred yards behind, Harry Seltsler laid on dull spurs to try and hold the pace.

But there was no holding the pace with a horse that had begun to get warm now and work off the water in its sleek belly. Jay gave him his head and the iron-shod hoofs rang out and Rover Boy settled down to the job of overhauling Blue Star. It went on mile after mile, and now the big stallion's breathing began to be heard above the pounding of his iron-shod hoofs. He was showing later along his flanks and around the bit in his mouth. But the steady drum of his hoofs never wavered and Jay Allison knew that he was riding his greatest ride astride the kind of horse he'd never race again.

Two miles ahead the plain funneled into a shallow draw with ridges climbing up in a V on either side. He knew that Miguel, now three hundred yards ahead and rowling Blue Star cruelly, wouldn't dare try to turn aside. That would give his pursuer a short cut, a chance to catch up. He'd have to go up one of those ridges and it would be there, in the climb of winded horses, that the test would

Fire Drill Check Conducted By Greenville City Schools Today

A city-wide fire drill check was conducted in all the Greenville city schools this morning under the direction of the Greenville Fire Department.

Over 2200 pupils were cleared from the five school buildings in Greenville in about a minute.

The Training school which has an enrollment of about 540 students was cleared in a record time of 58 seconds, firemen said. In the past years when fire drills have been held in the city schools, the Third Street school has been cleared of

some 200 pupils in about 30 seconds, but a mix up in the recess bell and the fire bell caused the group to take a minute to get clear today.

Firemen were quoted as saying this morning that the groups were orderly and quiet, and that the buildings on the average were cleared in a short time.

At the Fleming Street colored school, a faulty bell system forced the fire alarm to be announced by a hand bell on the two floors of the school. In spite of the failure of the bell system the building was

cleared in a minute and two seconds. There are 880 pupils at the school.

Principal Owen E. Dowd of the Greenville High School said that he was well pleased with the reaction of his students with the drill this morning. The high school, which is a three story structure, was emptied in a minute and 25 seconds. "In previous years it has taken us as high as three minutes to get out of the building," Dowd said.

At each of the schools the students were allowed to watch a demonstration of the operation of the hook and ladder truck aerial truck which visited the schools. A ladder was run up on the building showing how one man could operate the truck.

The firemen answered all questions which the little folks could ask about the trucks and several boys and girls were allowed to get on the truck and work the bells and siren.

Several more fire drills will be held from time to time in the city schools, it was announced today. The drills are held each year in cooperation with the National Fire Prevention week, which is observed on October 9-15. Regular fire drills are held during the year in all the schools.

will stand for this Communist crack down. But whether it liked it or not, what can the public do about it with Communist police and military in the saddle?

Obviously we must wait to see. A police roundup of private fire arms started last night throughout the country.

Future Homemakers Of America Install Officers In Meeting

New county Future Homemakers of America officers were installed this week at a meeting of the county chapters in Ayden.

Officers installed were, Toddy Smith of Bethel, president; Joyce Corbett, Farmville, vice president; Pat Simpson, Greenville, secretary; Army Clayton, Winterville, treasurer; Sue Jackson, Ayden, historian; Ruth Whitford, Chocod, parliamentarian; and Novella Sutton, Grimesland, songleader.

Robert Booth was guest speaker for the occasion, discussing legal aspects of marriage and advising the members not to rush into matrimony. He covered such phases of married life as women's rights.

The group was entertained with a talent show which featured jokes by Augusta Overton of Greenville, a piano selection by Jean Moore of Farmville and a quartet from Grimesland composed of Francis Eiks, Novella Sutton, Mirian Reel, and Magalene Hodges.

Ayden's FHA was hostess club. Groups from Bethel, Chocod, Farmville, Greenville, Grimesland and Winterville were present.

A picnic lunch was served in the Ayden school lunch room.

(Continued from page one) time went on this dissatisfaction intensified and grew into outright resistance in many quarters.

The fight between the Communists and the Catholic church has been bitter. Many priests are reported to have been arrested because of refusal to submit to Red Dictation, and churches thus have been left without their pastors. Meantime courses in Communism are said to have been installed in the schools.

The Red government apparently intends to do a thorough job of house cleaning with its present purge. Among the latest developments is the springing up of a new Nationalized business in Prague in shops whose owners had been arrested by the police. The government also has taken what appears to be the first steps toward collectivization of the rich farmlands of the country.

The question arises whether the fiercely independent general public

Kiwanians Meet In Two Places Friday; Some To Ahooskie

Tom Wilson, chairman of the Business Standards Committee, will present the program at the Kiwanis Club's weekly supper meeting Friday night at 6:30. President Arthur Tripp will preside.

Hunter B. Keck will have charge of the program Friday night, October 21. He will present Mrs. C. D. Smith's kindergarten class in a singing and dancing program.

Tomorrow, October 14, about 20 Kiwanians, led by past Lieut.-Governor Ed E. Rawl will go to Ahooskie to be guests of the Ahooskie Kiwanis Club at supper and to attend the football game there between the Greenville High School and Ahooskie High School teams. They will leave from Scott's Service Station, back of Proctor Hotel.

This visitation at Ahooskie is the first in a series of inter-club Kiwanis meetings to be held in the Seventh Division during the fall and winter.

U. S. Steel and many others have to think of John L. Lewis, too. They have coal holdings which Lewis' miners dig for them. Their mines are shut down in the other big nationwide strike.

Lewis is another harrasing influence for Murray. Some government experts think Lewis might

reach an agreement ending the coal strike at a time when it would be most embarrassing to Murray—his one time lieutenant but present-day rival. That might be during the CIO convention.

Lewis was exhibiting a desire to get down to earnest negotiations at White Sulphur Springs, W. Va., this week, after a summer of dawdling by both sides. Their contract ran out June 30.

Famous Fisk Jubilee Singers To Present Concert Monday

Sycamore Hill Baptist Church will present the former Fisk Jubilee Singers in a concert at C. M. Eppes Negro High School Monday night, October 17, at 8:15 o'clock.

"The mere mention of the Fisk Jubilee Singers is a symbol of love and devotion on the part of a group of Negro students who toured America, singing Negro spirituals as they had never been sung before, and they gave command performances before many of the crowned heads of Europe in order to keep the doors of their university open. The present group is an evolution of that first brave one back in 1870," Prof. W. H. Davenport, principal of the school, said.

Among the many tributes paid the group, one comes from a great French music publisher when he called the Jubilee Singers and Madame Curie "the two finest things in the world."

Mrs. James A. Myers, a woman of great spiritual powers, has directed the singers for more than 30 years. Her artistry in directing them is unexcelled in the music world and has won the acclaim of music critics all over the world.
