Lawmakers Urge New Crackdowns On Communists

Demand State And Local Action, Backed By Laws, To Root Out Reds

Washington, Oct. 15—(AP)—The conviction of 11 national Communist leaders in New York stirred demands in Congress today for state and local crackdowns, back by laws to root Communists out if they go underground.

Rep. Velde (R-III) said the staff of the House un-American Activities committee has been "alerted" to the possibility that the Communist party may publicly dissolve, with its members operating thereafter from behind the scenes.

Party officials have disclaimed any such intention. Capitol Hill greeted the New York jury's verdict with almost unanimous acclaim, although Rep. Marcantonio (ALP-NY) called it a blow to "the basic American right of free political opinion and free political association."

Most members of the House and Senate declared the decision should establish to everyone's satisfaction that the Communist party's purpose is the overthrow of the government by violence.

Some saw in the jury's action a signal for a national drive to wipe out all "subversive" elements in the country.

Velde, a member of the un-American Activities group, said: "I sincerely hope that the end of this long trial will be but the beginning of a crusade to wipe out forever the remaining forces of subversion and espionage in the United States of America."

He said Attorney General McGrath should hasten final disposition of the case through the court of appeal, so similar prosecution can be brought against state and local Communist leaders.

Senator Mundt (R-SD) declared the New York convictions emphasize the need for speedy passage of the Mundt-Nixon bill, which he helped write last year. Mundt said the bill would outlaw secret activities by Communists and require them to "operate in the open."

"The Mundt-Nixon bill," Mundt said, "makes Communists cut the umbilical cord binding them to mother Russia or suffer the consequences for their disloyal and un-American activities."

Rajk Is Executed As Traitor By Hungarian Reds

Budapest, Oct. 15—(AP)—László Rajk, former No. 2 Communist in Hungary, was executed today for treason, a foreign ministry spokesman announced.

Rajk, once Hungary's foreign minister and also this nation's former police boss as interior minister, was convicted by a five-judge peoples' court on Sept. 24. It was charged he conspired to overthrow the Hungarian government, with American help, and substitute for it a regime subservient to Premier Marshal Tito of Yugoslavia.

Vandenberg Is Out Of Hospital

An Arbor, Mich., Oct. 15—(AP)—Senator Arthur H. Vandenberg was released today from University Hospital. He was ordered, however, to rest without interruption for 90 days. The Republican foreign affairs leader was operated upon Oct. 3 and half of his left lung was removed. His condition today was described as "excellent."

Little Schools Going

At One Time There Were 200,000 One-Teacher Schools, Less Than 80,000 Are Left; South Dakota And North Dakota Still Have Many; Why They Are Going
By VERN HAUGLAND

Washington, Oct. 15—(AP)—The little red schoolhouse is being torn down or abandoned at the rate of several thousand a year.

The U. S. Office of Education says there were 200,000 one-teacher schools in 1916 and less than 80,000 today.

Even so, says Dr. Walter H. Gaumnitz, Education Office specialist on small and rural high schools, fully 45 per cent of all the schools in the United States are still of the one-teacher type.

Generally speaking, says Gaumnitz, rural school districts are consolidating to establish larger schools with more highly trained teachers.

This involves bus transportation to outlying districts. In 1918 schools transported about 200,000 children. Now more than 3,000,000 children are being transported annually.

In the past 30 years, says Gaumnitz, the number of one-teacher schools has decreased by 90 per cent or more in Ohio, Washington, Maryland and Indiana. On the other hand, fewer than one out of every three such schools has been eliminated in South and North Dakota, Nebraska, Illinois and Wisconsin.

11 Communists Convicted Of Plots Against U.S.

These 11 top-ranking Communists in the United States were convicted in federal court at New York Friday of conspiring to teach overthrow of the U. S. government by force. They were remanded to jail to await sentence Oct. 12. From left in front are Robert Thompson, 34; Henry Winston, 35; Eugene Dennis, 44; Gus Hall, 39, and John Williamson, 46. From left at rear: Jacob Stachel, 49; Irving Fottash, 46; Carl Winter, 43; Benjamin Davis, 46, formerly of Atlanta, Ga.; John Gates, 36, and Gilbert Green, 43. (AP Wirephoto).

Hard Times Face U.S. Communists

Eleven Of Leaders Behind Bars, Yesterday's Verdict Seen As Bringing Reaction In Congress; Reds Deny Underground Plans

New York, Oct. 15—(AP)—Eleven of the nation's top Communist leaders were behind bars today with their Communist party in America facing a fight for its life. They were convicted yesterday as plotters of violent revolution against the country they professed to love.

Red Germany Is Hoping For Pact

Peace Treaty And Alliance With Russia Sought By Chiefs

Berlin, Oct. 15—(AP)—Communist leaders of the new East German republic bared their hope today that they will soon obtain a peace treaty and a formal alliance with Russia.

Under the prospective treaty, East German would renounce all claims to former German territory held by the Soviet Union, Poland and Czechoslovakia.

Finds Wild Herd Of Dwarf Cattle In Lost Canyon

Jamestown, N.D., Oct. 15—(AP)—A Jamestown man says he has discovered a wild herd of dwarf cattle in a lost canyon. He has five of them to back up his story.

Minimum Pay Bill Compromise Is Set For Action

Washington, Oct. 15—(AP)—Legislation lifting nation's minimum pay scales by 35 cents an hour was readied today for final congressional action with the qualified blessing of secretary of Labor Tobin.

Lady With A Gun

Venice, Calif., Oct. 15—(AP)—Mrs. Sylvia Stieglitz was waiting for a bus. A hoarse voice ordered her to hand over her purse, and there was a gun to emphasize the demand.

Reports Holdup On Evans Street

Early Morning Robbery Near Court-house Netted \$17

By CHESTER WALSH
A highway robbery occurred on Evans street, within half a block of the courthouse early today.

Wright Shaw, colored carpenter, 1214 West Fifth street, reported to police that four Negroes—two men and two women—in a 1936 Buick car, with a Kinston license on the rear, held him up twice, but didn't get his money until the second attempt.

Police quoted Shaw as saying that he is a carpenter and does small contract work; that he was on his way to work about 4 a. m. today when the Negroes in the car stopped him on West Fifth street near the railroad; that they said "this is a stickup," and called for his money.

Bradley Reports USSR Can Field 300 Divisions

Washington, Oct. 15—(AP)—Gen. Omar N. Bradley was quoted today as saying that Russia is capable of putting 300 divisions into combat within 60 days.

Chief Of Staff Cuts Tour Short

Tokyo, Oct. 15—(AP)—Gen. J. Lawton Collins, U.S. Army Chief of Staff, will cut short his Japanese inspection tour to return to Washington and present the army's side in the military unification dispute.

'Business Of Education' by Babson

Babson Park, Mass., Oct. 14—Vacations are over. Youngsters are back at school. What will they learn this year that will make them happier, better integrated personalities?

UN Committees Rush Settlement Of Balkan Issues

Lake Success, Oct. 15—(AP)—Special United Nations committees rushed efforts today to settle the Balkan conflict and to dispose of the question of Italy's prewar African colonies.

A special 21-nation subcommittee of the Assembly's Political Committee met until the early hours of this morning and planned weekend meetings in an effort to draft recommendations on the Italian colonies question.

House Members Serve Notice On Divided Services

Key Members Say Unification Must Be Made To Work; Denfeld Also Agrees

Washington, Oct. 15—(AP)—House members served blunt notice on the bitterly quarreling armed services today that military unification must be made to work.

Expressions from key members of the armed services committee indicated clearly that the navy's sharp criticism of pentagon high strategy has convinced them that blame for flaming military differences rests in administration of the law rather than in the law itself.

Rep. Kilday (D-Tex.) said that on that point he shares the opinion of Adm. Lewis E. Denfeld, chief of naval operations.

Denfeld summed up the navy's case against defense policy makers on Thursday as a failure of the clashing services to cooperate their efforts—not failure of the intent of the law.

"I think it all means simply that the unification law means to be administered in accordance with its letter and spirit," Kilday told a reporter.

"That also was the opinion of Rep. Price (D-Ill.). The committee hearings prove that one thing definitely needs to be done—give unification a chance to work."

Rep. Brooks (D-La.), who has shown some disapproval of the navy's criticism of defense policy, asserted unification "hasn't even been put into effect yet." But he added:

"Maybe out of the welter of talk we can salvage an idea that will make unification more workable."

Rep. Johnson (R-Calif.) said he thought the hearings themselves had "distinctly helped unification."

"The hearings have emphasized that military unification means balance—putting each service to its best use," he said in a separate interview.

"The navy has given the committee, which handles all the nation's security problems in the house, a much clearer conception of its role and mission."

"This has not minimized the role of the air force. But it has brought to the American public an understanding of military roles, so that any effort to unduly minimize the part of any service can quickly be discerned."

Strike Near For Big Aluminum Co

Pittsburgh, Oct. 15—(AP)—Nine plants of the giant aluminum company of America face a strike at 12:01 a. m. (EST) Monday.

Alcoa and the CIO United Steelworkers Union last night broke off pension and insurance negotiations. The company said the breakup came after the union refused to accept the pension and social insurance plan offered by Alcoa.

Message From Stalin

He Termed Advent Of East German Republic As 'Turning Point In History Of Europe'; A Shrewd Observation; Significance Rests On Importance Of Germany To World
By DeWITT MacKENZIE

Joseph Stalin has sent a message of congratulations to the leaders of the new Soviet-dominated East German republic in which he characterizes the advent of this regime as a "turning point in the history of Europe."

That sweeping statement may be window dressing for a formal occasion, but it's one which shouldn't be dismissed lightly as just another bit of political propaganda. It is a shrewd observation by one of the world's shrewdest minds. It certainly is within the range of possibility though it may not be probable.

The significance, as I see it, rests in a point which this column has been emphasizing—that Germany is the heart of European continental developments. That was true before the great war, and it will be true again.

Rival Union Chiefs Cool To Lewis' Bid For Solid Front

White Sulphur Springs, W. Va., Oct. 15—(AP)—Cool silence from rival union leaders today hung over John L. Lewis' dramatic bid for a united labor front in the coal and steel strikes. But a few low mutterings of dissent could be heard just offstage.

AFL President William Green had no comment on the United Mine Workers chief's suggestion yesterday that nine of his international unions join with the miners to provide a proposed \$2,500,000 a week for Phillip Murray's striking steelworkers.

Murray, at Pittsburgh, was just as silent. But in Washington, an official at AFL headquarters had this to say: "If the steel workers need any help, they are certainly capable of asking for it themselves."

Observers also noted that the steel strike was putting a crimp in Lewis' bargaining with the coal operators. As long as steel plants weren't gulping coal into their huge furnaces, it left that much more for the more moderate users.

Red Conquerors March Into Abandoned Canton

Hong Kong, Oct. 15—(AP)—Chinese Communist conquerors walked into Canton today. Their spearheads shot beyond the late Nationalist capital toward the boundaries of Britain's crown colony of Hong Kong.

The pro-Communist newspaper Wen Wei Po said green-clad Red troops "completely liberated" Canton this morning after an "orderly and peaceful" entrance into the South China metropolis, cradle of the revolution that overthrew the imperial Manchus.

Communist troops slashed down the Canton-Kowloon railway leading to the mainland border of this crown colony. Hong Kong calmly awaited the approach of the Reds, expected sometime tonight. No trouble was expected.

Military dispatches reported the Communists were by mid-morning at Cheungmiktan, rail town only 20 miles from the British frontier.

Over 35,000 British troops were on guard in a broad security belt just south of the frontier. They were backed with tanks, artillery, naval power and air cover.

Nationalist troops garrisoning the Kowloon border last night began withdrawing in the familiar pattern just enacted by Canton's defenders and before that at Shanghai, Nanking and many another city. They fled westward, apparently hoping to escape by sea.

The fate of the 80,000 Nationalist troops who had garrisoned Canton was not known. The city's fall imposed a virtual news blackout on the progress of their retreat.

Over 30,000 British troops were on guard in a broad security belt just south of the frontier. They were backed with tanks, artillery, naval power and air cover.

Moscow Defies Hero Superman

Moscow, Oct. 15—(AP)—Superman is under fire in Moscow—propaganda fire. The Literary Gazette declared today the American comic strip hero, who can whip either bullets or locomotives with his bare hands and impervious hide, is nothing but a tool of Wall Street.

Along with other comic strip heroes, said the Gazette, Superman is designed to make fascists out of children, depraving them so they can be more easily handled by Wall Street.

British To Talk On Red Dangers

London, Oct. 15—(AP)—High diplomatic and military planners of the British Commonwealth will meet in Singapore early next month to consider the threat of communism in the Orient, official sources said today.

In addition to Britain the governments of India, Pakistan, Ceylon, Australia, New Zealand and the Malay Federation are expected to be represented.

Joseph Stalin has sent a message of congratulations to the leaders of the new Soviet-dominated East German republic in which he characterizes the advent of this regime as a "turning point in the history of Europe."

That sweeping statement may be window dressing for a formal occasion, but it's one which shouldn't be dismissed lightly as just another bit of political propaganda.

The significance, as I see it, rests in a point which this column has been emphasizing—that Germany is the heart of European continental developments. That was true before the great war, and it will be true again.

40 Years Ago Today

THE DAILY REFLECTOR October 15, 1909

The one hundred and sixtieth anniversary of the founding of the university was celebrated October 12 with fitting commemorative exercises in Memorial Hall.

There will be plenty of folks from this section going to the Raleigh fair next week.

The season for chapped lips is coming on. But it is hard to keep the chaps away from them any time when they are pretty.

Dr. Dixon Speaks To Medical Auxiliary

The Pitt County Medical Auxiliary held its annual fall meeting at the Proctor Hotel on Tuesday, Oct. 12, at one o'clock.

The president, Mrs. J. M. Barrett, presented the guest speaker, Dr. G. Grady Dixon of Ayden, who gave a most enlightening talk on "Socialized Medicine."

Following this most interesting program, the president presided over a business session, outlining in detail the work of the Auxiliary for the coming year.

Betty Pearl Joyner Becomes Bride Of Henry H. Flake

The marriage of Miss Betty Pearl Joyner, daughter of Mr. and Mrs. J. A. Joyner, and Henry Harper Flake, son of Mr. and Mrs. Louis Flake, was solemnized in an informal candlelight ceremony Saturday afternoon, October 8, at 4 o'clock in the Ballard's Presbyterian church.

Rev. J. W. Hassell, Presbyterian minister of Greenville, officiated, using the double ring ceremony.

Given in marriage by her uncle, H. N. Chiles, the bride wore a gown of length of Eleanor blue velvet, her veil of French illusion was worn over a cap of the same material as her dress and her mitts were also of matching material.

The bride's only attendant was Miss Jean Crawford. She wore a dress of mauve and wine taffeta with black accessories.

The bridegroom had as his best man Carl Lee Sutton. Ushers were Louis Holway and Durwood Tyson.

Mrs. Flake, mother of the bridegroom, wore a dress of black morie taffeta with black accessories and a corsage of pink carnations.

Following the ceremony the parents of the bride entertained at an informal reception at the home of Mrs. Verna Joyner, grandmother of the bride.

The bride's table was covered with a lace cloth centered by an arrangement of white flowers in a silver bowl flanked on either side by white tapers in silver holders.

Mrs. Flake was educated at the Arthur high school and the Raleigh School of Commerce and for the past several months has been employed by the welfare office in Greenville.

Mr. Flake received his education at the Arthur high school and is at the present employed at the Carbon plant in Greenville.

SOCIAL CALENDAR

SATURDAY 4:00 p. m.—Mrs. Amos Leggett will entertain at a Coca-Cola party in honor of Miss Virginia Gaylord, bride-elect.

THURSDAY 8:00 p. m.—Buffet supper at Country Club for club members and their families.

FRIDAY 6:30 p. m.—Kiwanis Club. 6:30 p. m.—Mrs. W. L. Wooten and Miss Lillian Wooten will entertain the Scales-Gaylord wedding party and out of town guests at dinner.

SATURDAY 10:30 a. m.—Mr. and Mrs. Lee Hannah, Mrs. Sydney Dunn, Jr., Mr. and Mrs. Red Perkins and Miss Virginia Perkins will entertain the Scales-Gaylord wedding party and out of town guests at breakfast.

SUNDAY 6:15 p. m.—Mr. and Mrs. Louis W. Gaylord will entertain the Scales-Gaylord wedding party, members of the families and out of town guests, at a reception at their home on Country Club Drive.

Masonic Notice Greenville Lodge No. 284 A. F. & A. M., will hold a stated communication Monday night at 7:30. All Master Masons are cordially invited.

H. J. SAWYER, Master A. R. HOUSE, Secretary

Greenville Rent Control Office To Be Reopened

The Greenville rent control office which closed in April will reopen, it was announced today.

The new rent control station will be served each week by an official from the regional district office in Goldsboro on Wednesday afternoon.

A man from the rent office will be in the office each Wednesday afternoon from 1 until 4 o'clock.

The office will be open so that they may give advice and receive complaints from the people, it was stated.

John Perry Jr. is the area rent control director stationed in Goldsboro.

Grand Officers To Visit O.E.S.

The Greenville Chapter 140 O.E.S. is looking forward with great pleasure to their meeting Tuesday night October 18 with Mrs. Edna Moog, of Greensboro, Worthy Grand Matron of the Grand Chapter of North Carolina and Dr. J. Frank Duke, of Washington, Worthy Grand Patron of the Grand Chapter of North Carolina, making their official visit to the chapter at this time.

All members are urged to attend the meeting at 8 o'clock and enjoy the visit of the Grand officers. Miss Alya Ray Taylor, Worthy Matron of the Greenville chapter, will preside and all officers will be dressed in their appropriate colors.

The luncheon at Third Street school has been having from 80 to 100 people to eat in it every day. The luncheon is not big enough to hold everybody at the same time, so the first and second grades have to eat at 12 o'clock and the rest at 12:30.—Dennis Bullock.

THIRD STREET SCHOOL NEWS

Our Chapel Program Last Friday, October 7, Miss Stancille's seventh grade had charge of chapel. Rev. Ralph R. Johnson minister of the Pentecostal Holiness church, conducted the exercises.

Firemen Visit School On Thursday, October 13, two firemen came to Third Street school. One of the firemen rang the fire bell. After we all got out of the building the firemen turned on the siren. He showed the children how the ladder goes up when they are going to put out a fire.

P. T. A. Meeting Last Wednesday the P. T. A. met. There were many mothers present.

Fire Prevention Week-Pupils at Third Street school have been having fire drills. At first we knew we were going to have a drill. Then Harry, our janitor, rang the bell and we didn't know it. Miss Foley, our principal, asked one of the firemen to come out and give us a surprise ring. The fireman came right at recess and everyone thought it was recess, but we had a fire drill any way. The firemen went up on the building, and showed us how the ladder worked. Then we had our recess.—Peggy Allen.

Our Chapel Program Last Friday, October 7, Miss Stancille's seventh grade had charge of chapel. Rev. Ralph R. Johnson minister of the Pentecostal Holiness church, conducted the exercises. He made a very interesting talk.—Peggy Elizabeth Coward.

Firemen Visit School On Thursday, October 13, two firemen came to Third Street school. One of the firemen rang the fire bell. After we all got out of the building the firemen turned on the siren. He showed the children how the ladder goes up when they are going to put out a fire. The firemen climbed up the ladder and got on top of the building. Then they came back down and put the ladder back in its place.—Barbara James.

P. T. A. Meeting Last Wednesday the P. T. A. met. There were many mothers present.

Eastern North Carolina Sees New Marketing Venture

Operatic Performances In Greenville To Feature Young American Artists

Charles L. Wagner's presentation of the popular operatic double bill, "Cavalleria Rusticana" and "I Pagliacci" at the Wright auditorium on the evening of Sunday, October 30, will serve to introduce to local music lovers two gifted young American artists: Marguerite McClelland, who sings the role of the ill-starred Nedda in "I Pagliacci," and Tenor Ernest Lawrence, in the title role of the Rustic Cavalier.

Miss McClelland has been called one of the most promising of America's younger singing actresses. While she was a student at Louisiana State University, she sang leading roles in all college productions, and was voted "Darling of LSU" by the campus male population.

"Life" ran a four page story on Miss McClelland and she soon found herself entered as "Miss Louisiana" at the Atlantic City Beauty Pageant of 1946, in which contest she took top vocal honors including a substantial scholarship for further vocal studies. In "Pagliacci" her voice and physical charms will drive three of the opera's characters — Silvio, Tonio

and Canio—to distraction.

Miss McClelland studied voice with Paul Althouse, former leading tenor of the Metropolitan Opera, and coached concert repertoire with Stuart Ross. Screen tests and movie offers were deferred until it was felt that Miss McClelland was thoroughly prepared to enter the highly competitive contest of a musical career, but numerous television engagements proved the highly professional quality of her showmanship and the natural beauty of her voice. She made her nationwide radio debut as a guest of James Melton on "The Harvest of Stars" program. In her first season of concerts, she made an instant hit, receiving everywhere that greatest of compliments — return engagements. Commenting on her first recital in Memphis, The "Press-Scimitar" said, "Miss McClelland is one of the fortunate few on whom the gods were not satisfied to bestow merely one or two talents. They showered upon her all the things for which many maidens pray in vain—beauty, talent, charm, personality, plus intelligence, which is usually at the bottom of their list. Her voice, a sweet, smooth soprano, warm and pliant, is an

instrument which many a more experienced singer might well envy. Her Brahms numbers were done with the most exacting artistry and Musetta's Waltz showed the flair of the real prima donna."

Her first operatic assignment was the arduous role of Juliet. On tour with Charles L. Wagner's production of Gounod's "Romeo and Juliet" she won popular acclaim and rave press notices throughout the country, and Mr. Wagner asked her to sing the coquette role in "Pagliacci" in the present tour.

Born near Houston, Texas, Ernest Lawrence made his way to that musical Mecca of North America, New York, where his voice soon won the interest of Paul Althouse, former leading tenor of the Metropolitan Opera, who is currently regarded among the country's top vocal teachers.

He made his debut in a performance of "Aida," given in New York in 1943—a performance which also introduced Gertrude Ribla, who is also a member of Mr. Wagner's present company. Since then, Mr. Lawrence has appeared in a wide assortment of roles with such companies as the Fort Worth Opera,

the Connecticut and Trenton Opera Associations, and Fortune Gallo's San Carlo. In the Fall of 1945, he sang some forty performances of The Duke in Charles Wagner's touring production of "Rigoletto."

In its first two seasons, Ernest Lawrence became the mainstay and undisputed favorite of the New Pacific Opera Association in San Francisco. He has also appeared in light opera in various parts of the country, and has won fame in radio and oratorio. As a singer of Bach's difficult works he won special praise for a recent performance of the St. Mathew Passion in Kansas City, and he has recorded the "Magnificat" for RCA Victor with the Robert Shaw Chorale.

In 1948, Mr. Lawrence was a semi-finalist in the Metropolitan Opera Auditions of the Air. This past summer has been a particularly busy one for him, with a series of performances of the New Pacific Opera at Stern Grove, San Francisco, followed by a six week opera season in Guatemala, San Salvador, Honduras and Costa Rica. In six seasons, Lawrence has earned the reputation of being one of the most versatile, dependable and rapidly advancing tenors of the times.

Sweet Potatoes Sold In Bethel By Auctioneers

Bethel, Oct. 15—In the world's largest tobacco producing county this week, the chant of the tobacco auctioneer gave way to a new chant which marked a new venture in the marketing of agricultural products in eastern North Carolina.

The second sweet potato auction market to be opened in North Carolina came into being in Bethel Tuesday under the sponsorship of 28 businessmen of the Bethel community who have launched upon a program of agricultural diversification for this section of the state.

For Eastern North Carolina, where there have been no sweet potato auction markets, the new method of selling the yams attracted the attention of hundreds of people in addition to the growers who brought their potatoes from Pitt, Edgecombe, Martin, Moore, Vance, and Halifax counties to be auctioned by the truckload.

A Unique Auction

Although livestock auctions and tobacco auctions are familiar sights in this section of North Carolina, the sweet potato auction provides something still unique in the method of selling products to the highest bidder.

The sweet potatoes are brought into the Bethel market packed in bushel baskets and loaded on trailers, carts and trucks. Sample bushels from each load are graded, and marked to determine the grade of the entire load. The potatoes are then auctioned by the load to the highest bidder among the nine buyers, which have been active on the Bethel market since its opening.

After a load is sold it is taken to the warehouse, regraded by a government grader, checked and stored in the buyer's section of the huge storage warehouse. The farmer receives the receipt for his sale which is taken to the local bank and cashed.

Future Money Crop

On the sunny Tuesday morning of this week, a large crowd gathered at the Bethel auction market to watch the first sales in the new enterprise, and as many potato growers came just to see what would happen as came to sell their potatoes. Those who came to the opening auction heard Joe Gurley of the state marketing division, Pitt County Agent S. C. Winchester, and other agricultural leaders hail the opening of the market as the beginning of a movement which would mean thousands of additional dollars in the pockets of farmers of eastern North Carolina in years to come.

Sales for the opening day totaled 698 bushels, while the prices ranged from \$1.50 to \$2.35 per bushel. Through yesterday the auction market had sold approximately 2,400 bushels of potatoes, and growers had averaged a price of \$1.90 per bushel for their offerings.

The operators of the market expressed satisfaction at the first week's operations, and J. P. Harris, one of the originators of the market, said, "We feel confident we will sell more than 40,000 bushels of potatoes this season. The sales remain open Tuesday through Friday from 9 o'clock in the morning until 5 o'clock in the afternoon. The market will remain open until the second or third week of November, or until the digging season in this area is over.

Long Planning for Market

As Tuesday's opening sales, things went smoothly, but behind the smooth operation of the market were months of research, planning, and hard work.

Originators of the idea of a sweet potato auction market in Bethel were J. P. Harris, S. C. Ives, and J. L. Brown. The three men began last February to promote the idea of establishing such a market, and secured all available information about similar markets in other states, and the one other sweet potato auction market in North Carolina. The original sweet potato auction market in the state is at Tabor City where the market was organized in 1947.

Patterned After Tabor City

As J. P. Harris said, "We have patterned the Bethel auction market after the Tabor City market as near as we have known how."

The first step in promoting the market was to contact between 65 and 75 sweet potato growers in Pitt, Martin and Edgecombe counties, and to find their reaction to plans for such an auction market.

Next a group composed of Clinton Everette, X. E. Manning, J. P. Harris, and J. L. Brown went to Raleigh where they conferred with officials of the state marketing division and were advised to proceed with the organization of the auction market on a conservative basis.

The promoters returned to Bethel and decided definitely to organize the company. Approximately 10 businessmen of the community attended the organizational meeting and began the solicitation for stock. By March 31 the corporation for the auction company was completed, and practically every businessman in Bethel holds at least one \$25 share of stock in the company.

Directors named for the organization are J. P. Harris, Sr., chairman, F. L. Blount, X. E. Manning, W. C. Whitehurst, M. L. James, J. L. Brown, secretary-treasurer, L. N. James, W. J. Smith and C. W. Everette.

Built Storage Warehouse

Upon the completion of the organization of the market, the operators found it would be necessary to have a storage space for the potatoes sold on the market, so S. C. Ives, F. L. Blount, Jr., X. E. Manning, J. C. Wynn, J. L. Brown and J. P. Harris formed the Bethel Storage Company which constructed a concrete block building capable of storing 40,000 bushels of potatoes. The warehouse is equipped with a hot-air heating system for curing the potatoes, and washing and grading machines which are used in preparing and packing the potatoes for shipment to other

Sweet potato growers and stockholders of the Bethel Auction company gather around the baskets as Joe Gurley (left) of the state marketing division explains the grading of the potatoes at the opening of North Carolina's second sweet potato auction market. (Daily Reflector photo).

Auctioneer J. L. Brown (left) checks the ticket on a load of sweet potatoes just purchased by buyer Tom Andrews (right) who marks down his own memorandum. Approximately 2,400 bushels of sweet potatoes were sold at the auction market during the first four days of operations. (Daily Reflector photo).

The opening of Bethel's auction market was hailed by Joe Gurley (left) of the state marketing division, and Pitt County Agent S. C. Winchester as a step toward the diversification of agriculture which is needed in eastern North Carolina. Growers at the opening day's sales heard company representatives pledge the auction company to producing better grades of sweet potatoes in this section of the state, and aiding the farmers in growing more cash crops. (Daily Reflector photo).

The storage house is kept at a minimum temperature of 55 degrees, and during the two to three weeks of curing, the potatoes are reduced from five to ten per cent in both volume and weight.

Potential Potato Section

Agricultural specialists who have studied the soil and climate of Pitt, Edgecombe, Martin and surrounding counties have declared this section of the state potentially one of the greatest sweet potato producing areas in the nation. Agricultural leaders have long supported the movement for diversification of crops where the soil is suitable, and with the quota regulations on cotton and tobacco becoming more rigid with each passing season, leaders in North Carolina have predicted a bright future for a money crop in the long-disregarded sweet potato.

Science Dashes Couple's Dream Their Son Is Found

Ann Arbor, Mich., Oct. 15—(AP)—Six-year-old Tommy (Neil) scampers happily about the Michigan children's institute today unaware that he doesn't have a papa and mama.

The friendly couple who had hoped to claim Tommy as their son had given up before the evidence of science.

Heartbroken, Mr. and Mrs. Arthur Thompson left last night for their Dayton, Ohio, home after blood tests showed Tommy could not be their missing son, Ronald, kidnaped five years ago.

But Tommy was not told. "We are keeping him busy and will tell him when the time is right,"

Clarence Ramsey, institute director, said.

Tommy, a ward of the state of Michigan, will be bonded out, Ramsey said. Later an adoption will be arranged.

The boy's affection for the Thompsons had grown during the four days of waiting for the outcome of an investigation.

He had snuggled up to Mrs. Thompson and had started calling himself "Ronnie."

The heartbreak was severe for the Thompsons.

Sobbing, Mrs. Thompson said: "I feel in my heart that God won't let me down. I'm going to keep on searching. I believe God will eventually return our child to us."

Dr. Charles Cotterman, who made the blood tests at the University of Michigan, described the results as "conclusive."

The blood of the Thompsons' two small children was used in the tests in addition to that of the parents and Tommy.

The tests were of the "MN" type used to determine maternity. More than 300 tests were run.

Children's Institute reports indicate Tommy is the son of an unwed mother. The state took him away from a Mexican family in whose custody he had been placed.

Since then he was boarded at the home of Mr. and Mrs. Lorraine Foote at Hickory Corners. The Footes had noted physical resemblances between their little ward and recently published description of the missing Ronnie.

Population Soon Above 150 Million

Washington, Oct. 15—(AP)—The United States population will go above 150,000,000 "some time this month," the census bureau predicted today.

Acting Director Philip M. Hauser said the bureau's estimate for September 1 was 149,696,000 and that the current rate of growth—244,000 from August to September—means the 150,000,000 mark will be passed some day this month.

The September 1 figure includes some 492,000 Americans serving overseas in the armed forces.

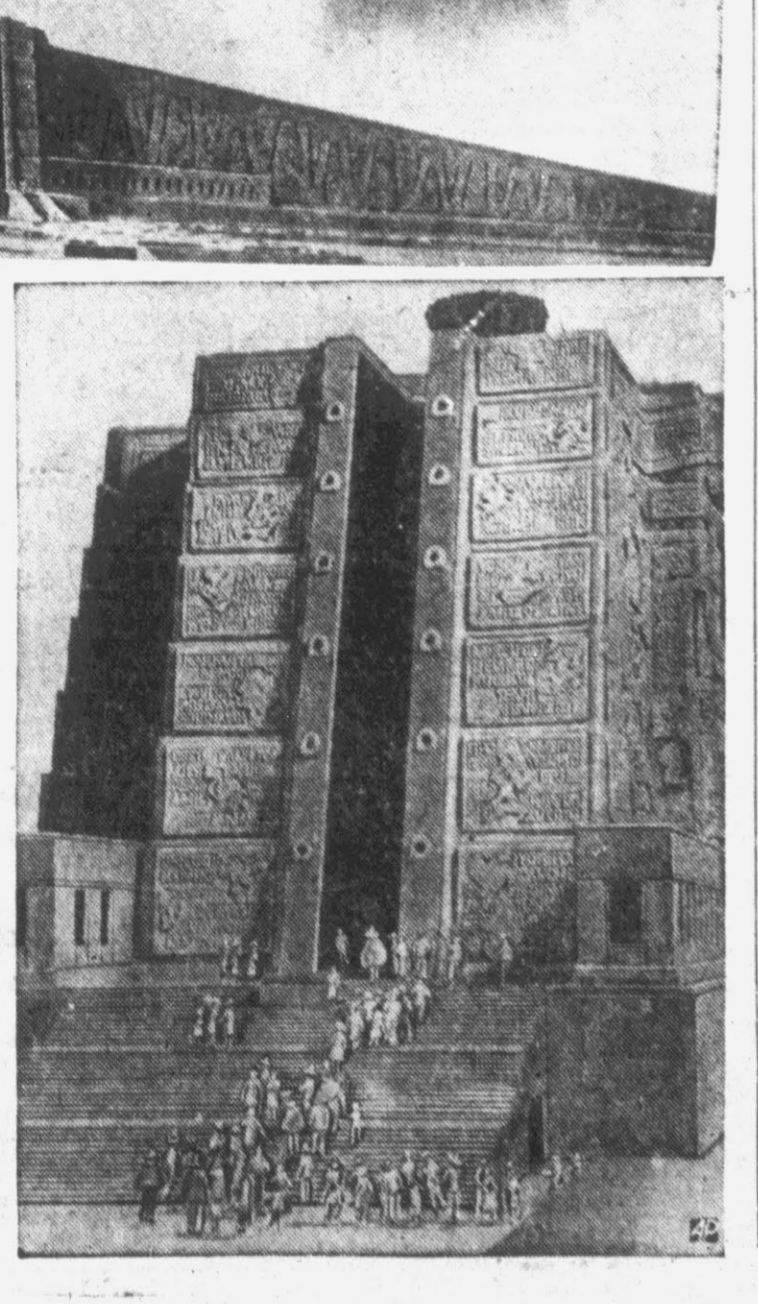

R. Young Named To Athletic Committee

Robert C. Young, alumnus of East Carolina Teachers College and business man of Bethel, was recently appointed a member of the Inter-collegiate Athletic Committee of the college. He replaces Robert Eason of Rocky Mount, whose term expired this fall.

Young is one of three alumni of the college who are representatives on the committee. Others now serving are Steward Tripp of Ayden and Baxter Ridenhour of Burlington. James B. Cummings of the college faculty is chairman.

Tomb For Columbus Being Built

LIGHTHOUSE MEMORIAL — A tomb for Columbus is now being built in Ciudad Trujillo, capital of the Dominican Republic. These views of the concrete and steel structure are taken from a plaster model. The real building will be a kilometer long and 120 feet high in the form of a recumbent cross. The 21 American republics are working together on the \$5,000,000 building to be completed by 1952. It will be a lighthouse, a museum and library besides a tomb. History of each of the 21 republics will be carved on the front of the structure by sculptors from the countries involved. The work was started April 14, 1949, Pan American Day. The design was made by J. L. Gleaves of Scotland to symbolize the international brotherhood of the Western Hemisphere. The sponsors of the project say it will be the biggest memorial to a single man since the building of the pyramids. The light on the top will be designed to guide both ships and planes.

Grimesland PTA Has Meeting On Tuesday

The Grimesland PTA met Tuesday, October 11 in the school auditorium with Mr. Ben Oakes presiding.

Special music was presented by Sallie Griffin, followed by the audience singing the new PTA song, "Onward Every Parent."

Rev. C. G. Nickens, Methodist minister, gave the devotional on the subject, "The Church and Its Relationship to the Community."

Mrs. Forrest, Mrs. Phipps and Miss Lewis won the room counts.

The chairman of the committees then gave their reports. Mr. Robert Wilson, chairman of the Budget and Finance committee, said that his committee estimated that Grimesland School would need \$400 this year for the successful completion of its ground improvement program.

Mrs. T. P. Fleming said, "It is possible to make the Grimesland School grounds one of the prettiest in North Carolina. Let's all help to make it a fact, instead of a vision."

Mrs. Paul Clark gave a short preview of the PTA programs for the coming year.

Mr. Bright presented an interesting movie on "Safety in the Home and on the Farm," which was enjoyed by all.

The average annual cotton crop of Texas is so large that its value approaches the total value of the production of gold, silver, zinc, and copper mines in the United States.

Waste Of War Helps Germany Rebuild; Scrap Metal Is Sold

By CARTER L. DAVIDSON
Berlin (AP)— Allied bombs brought Germany destruction and defeat — plus a thriving postwar business in scrap steel.

Out of the air-raided rubble in such cities as Berlin, Hamburg, Frankfurt and Duesseldorf, Germans are now digging twisted and rusted beams and girders worth millions.

Britain is a main buyer for exported scrap metal. A contract now being filled calls for delivery to England of 600,000 tons of high grade steel scrap before the end of this year. For it the German economy will receive \$19,800,000. This scrap is worth about \$18 a ton.

Most of that scrap for Britain is coming from the British and American zones. Part of it is being fed into the export trade through the canal barges that lead from Berlin.

Erwin Schneider, salvage director of the West Berlin government's economic department, says scrap canals at the rate of more than 1,000 tons a day. At least 80 per cent of it is for export, the high grade construction steel with which Berliners build their reinforced steel and concrete buildings.

He estimates that 100,000 tons, worth \$1,800,000, has been recovered and lies stockpiled in ugly twisted heaps on cleaned-out lots in the wrecked capital.

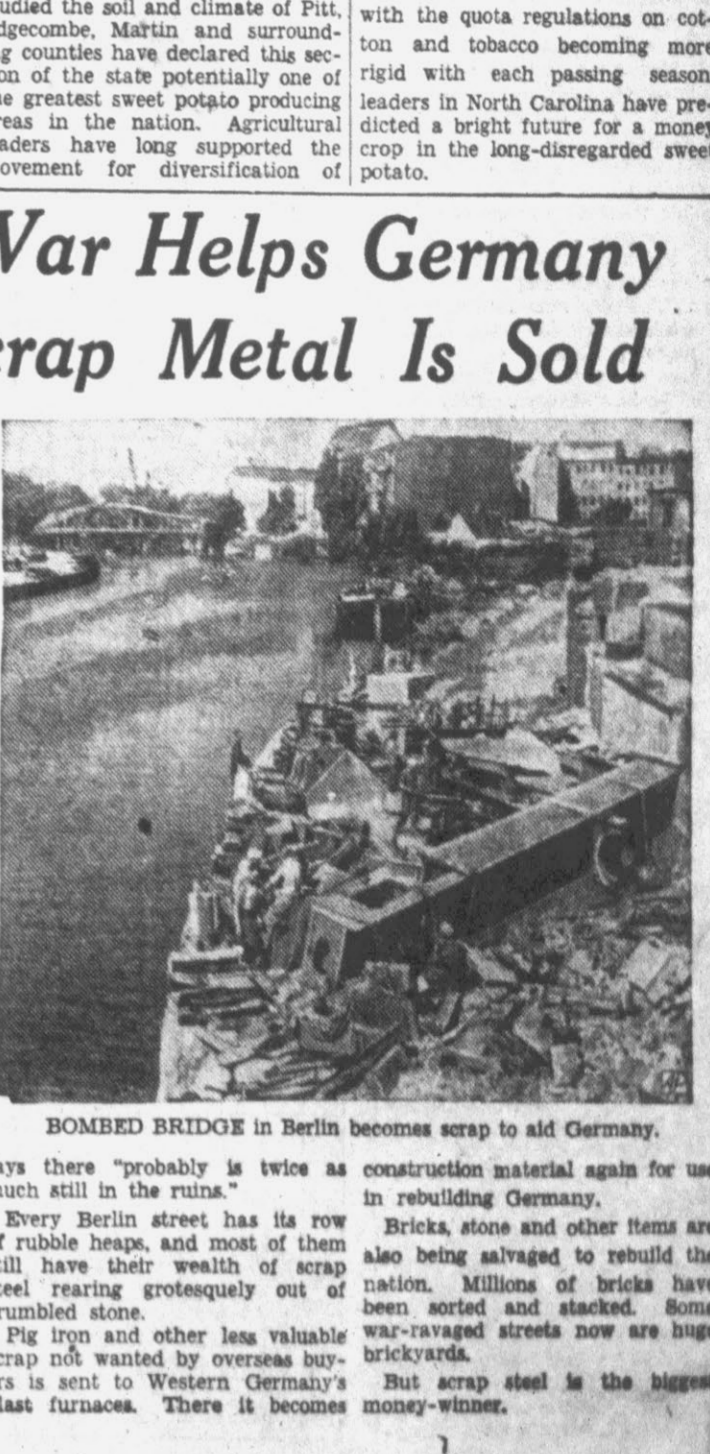

Schneider, a salvage dealer for 20 years before the Hitler regime, also

BOMBED BRIDGE In Berlin becomes Paul to aid Germany

says there "probably is twice as much still in the ruins."

Every Berlin street has its row of rubble heaps, and most of them still have their wealth of scrap steel rearing grotesquely out of crumbled stone.

Pig iron and other less valuable scrap not wanted by overseas buyers is sent to Western Germany's blast furnaces. There it becomes

BOMBED BRIDGE in Berlin becomes Paul to aid Germany. construction material again for use in rebuilding Germany. Bricks, stone and other items are also being salvaged to rebuild the nation. Millions of bricks have been sorted and stacked. Some war-ravaged streets now are huge brick-yards. But scrap steel is the biggest money-winner.

Strength FOR THE DAY

THE WORLD'S BEST HOPE Most people when they think about God think only of what God can do for them, not what God can do for them.

Don't look out over the world and ask yourself how God is ever going to make anything out of this sorry mess, unless some of us get to work and are willing to be used by the gigantic and humbling enterprise of doing the impossible.

Jesus told his friends that unless they became bondservants they were of little use in his kingdom. He placed all his hopes and built his kingdom on the disposition and efforts of humble men.

There are not many who have this willingness, but that little remnant constitutes the world's best hope.

Around Capitol Square

By LYNN NISBET SCHOOLS — The public school system is the most important thing in North Carolina. It ultimately affects more people than any other phase of governmental operations.

TRANSPORTATION — Operation of school buses took first place in popular thinking by reason of the tragic accident in Nash County last week which cost the lives of seven children and injured three dozen more.

HISTORY — There is some demand now for a special session of the general assembly to provide state aid in purchase of school buses.

By J. J. (JACK) EDWARDS, JR. Somebody Told Me...

There was a day when the only reason to turn on your radio before noon was to hear the Fred Waring morning show over NBC.

The Music Rack comes from eight to nine in the morning, which is a perfect time to hear someone raking the boss over the coals.

Hart, the station manager, has put the station's tape recorder to work on commercials.

OPPOSITION — Many legislators opposed the plan on the theory it would work hardship on those counties which had prorated out of local tax funds a sufficient number of buses.

By this time in our conversation Boss Hart had wandered over to his new car. "Very nice," I said.

Boyle's Column

By HAL BOYLE New York — (AP) — Many people get rid of a feeling of inferiority today by lying down on a psychiatrist's couch.

He began as a youthful \$5 a week instructor in a dime-a-dance hall. Today, rich and bunion-free at 54, he operates a \$22,000,000 annual dance business.

The cathedral of this rumba and waltz empire is a huge studio off Madison Avenue in mid-Manhattan that grosses \$1,200,000 annually.

A regular office building—so students can come and go without letting the world know they are taking dancing lessons.

"Most of the adults who want to learn to dance are between 40 and 60," explained Mrs. Murray. "And 65 per cent of our pupils are men. The reason? Men study things—women don't. We're lazy."

The latest Murray gimmick is a lifetime course. Anyone who takes this \$5,000 course of 1,000 hours can then return and dance free two hours a month for as long as his arches last.

"Our course is different from the lifetime fountain pen offer," smiled Mrs. Murray. "We don't put them under water."

torium seating 500 people. It will also have galleries where famous art of India will be exhibited and a library of works on and by Gaudhi.

The India League of America, founded 10 years ago with headquarters in New York has some 1200 members, mostly Americans representing 40 of the 48 states.

"Passage by the U. S. Congress of the resolution authorizing erection of the memorial already has created a tremendous flow of good will in India toward the people of the United States," Mr. Singh told me.

Congressman Celler, who introduced the resolution in the House says, "The bill symbolizes the closeness of cultural and spiritual relations between India and the United States and should foreshadow even greater unity between the two great nations."

"The ways of Gandhi are the ways of the universe. Gaudhi did not live for India alone. He set a pattern of life for peoples everywhere to follow. It is well that we in the United States offer this tribute of respect to his memory and hereby show our admiration for the great commonwealth of India."

WASHINGTON LETTER

By JANE EADS Washington—Plans are under way for an imposing memorial here to Mohandas K. Gandhi, Indian Nationalist and religious leader, who was assassinated in January 1948.

Congress has approved a resolution authorizing the memorial, and a newly-formed Gandhi Memorial Foundation will be responsible for its erection and maintenance.

The site will be designated by the U. S. Fine Arts Commission, which passes upon location and types of such projects in Washington.

Sirdar J. J. Singh of New York, president of the India League of America, announced the formation of the Foundation. It will soon launch a public appeal for funds for the memorial all over the United States. The Foundation hopes to raise \$10,000,000 for the structure.

Within six months the Foundation expects to announce prizes for the best design for the memorial and best design for the grounds. The Foundation, according to Mr. Singh, hopes to begin work within a year and to finish within three years.

The memorial will have an auditorium seating 500 people. It will also have galleries where famous art of India will be exhibited and a library of works on and by Gaudhi.

The India League of America, founded 10 years ago with headquarters in New York has some 1200 members, mostly Americans representing 40 of the 48 states.

"Passage by the U. S. Congress of the resolution authorizing erection of the memorial already has created a tremendous flow of good will in India toward the people of the United States," Mr. Singh told me.

Congressman Celler, who introduced the resolution in the House says, "The bill symbolizes the closeness of cultural and spiritual relations between India and the United States and should foreshadow even greater unity between the two great nations."

"The ways of Gandhi are the ways of the universe. Gaudhi did not live for India alone. He set a pattern of life for peoples everywhere to follow. It is well that we in the United States offer this tribute of respect to his memory and hereby show our admiration for the great commonwealth of India."

Here is a picture of Main Street, Typicaltown, U.S.A. It is a glimpse of any town—our town. Its busy thoroughfare lined with shops of all kinds signifies the free business life which American communities enjoy. To change this scene is unthinkable. And yet, this very picture is endangered by the many evils that haunt our land today. Atheism, communism, crime, and delinquency fill the air, and there are wars—and “rumors of wars.”

To combat these enemies, we need love, fellowship, tolerance, and understanding—and the source of such weapons is to be found in the Church.

In order to equip more people with the banners of Christianity, in order to bring us all a fuller realization

that the Church can save the things we hold dear, there is appearing in this newspaper each week a series of religious pages. They contain beautiful, human-interest pictures, and the brief, colorful stories serve us all as reminders of our religious obligations.

This series is part of a nation-wide campaign designed to stimulate and renew interest in the Church—a need which concerns the very nature of our living.

And the people making this program possible, in cooperation with this newspaper, are those whose shops and establishments line the streets of our town. At the bottom of these pages is a list of names—the laymen and businessmen who feel the necessity for bringing the Church within the vision and grasp of more people.

To do this is to strengthen our way of life, to better it, and to make it more secure against the forces which seek its destruction.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Green Phantoms Take 26-0 Loss At Hands Of Powerful Ahoskie Eleven

Indians Successfully Make Two Goal-Line Stands In Last Half To Keep Greenville Squad Scoreless

Ahoskie — Coach Jack Young's powerful Ahoskie Indians ripped through Class A Greenville high school for four touchdowns in the first half here last night to score their 20th consecutive victory 26-0.

The Indians massed two goal line stands in the last half to hold their opponents scoreless and mark up their 10th consecutive game in which they have not been scored on.

It was the real test of Ahoskie's football strength. They had rolled up impressive victories over small schools in three games this season but last night's contest was their first 1949 win over a North-eastern Class A Conference opponent.

Ahoskie won the Class B State Championship last year.

The Indians scored twice in each of the first two periods, then exhibited powerful defensive prowess to hold the Phantoms scoreless through the last half.

Fullback Jimmy Williamson, a 185 pound boy, broke loose for 19 yards and the Ahoskie first touchdown in the opening minutes of the game. Tommy Umphlett, halfback, kicked the point to give the winners an early 7-0 lead.

Later in the first period Umphlett passed 14 yards to Williamson in the Greenville end zone for a second touchdown to lead 13-0 at the end of the first quarter.

A partially blocked punt on the Greenville 31 set up Ahoskie's third score. On the succeeding play Umphlett passed 24 yards to Quarterback Jordan and two plays later Umphlett smashed four yards for the score.

It was Umphlett again who set up the final Ahoskie touchdown late in the second quarter with a 50 yard punt return on which he ran all the way to the Greenville five yard line before he was brought down by Walter Perry. Reserve quarterback Perry bucked through the middle on a quarterback sneak for the extra point to give Ahoskie its 20-0 lead.

Ahoskie's heroic but vain efforts to score dominated the second half. Twice they threatened with Jimmy Cox leading long drives deep into Ahoskie territory. Greenville lost the ball on a fumble on the three yard line at one point and lost on downs inside the Indians' 10 yard line on another occasion.

First downs favored Ahoskie 18 to 10.

Score by quarters:
 Greenville 0 0 0 0—0
 Ahoskie 13 13 0 0—26

Touchdowns—Williams, Umphlett (2) and Perry; Extra points—Umphlett (2).

Sport Slants By Pap

Francis Rogel, a 200-pound fullback, is a bulldozer on the gridiron.

Bulling along the gridiron for Penn State these brisk autumn afternoons is a 200-pound fullback, Francis Rogel by name, who for two successive seasons has rolled up better than 600 yards against formidable opposition. Lion Coach Joe Benken, who avoids superlatives, doesn't think there is a better fullback in America.

Rogel, a 21-year-old, 5-foot-10 bruiser is a Penn State senior who is destined to have the pro pushing his doorbell the moment he closes out his intercollegiate career. He has been the No. 1 ground-gainer for the Nittany Lions ever since he came to the campus as a sophomore in 1947. He gained more ground in the Cotton Bowl in 1948 than any man on the field.

Southern Methodist University's Doak Walker included, and went on last year to duplicate his outstanding play of the previous year.

Bob Higgins, since retired, who coached Rogel during his sophomore and junior years, adds his voice to the chorus at Penn State College and nominates the Bulldozer for Back of the Year honors this fall.

Rogel is a physical education major and one of the best-liked players on the squad and on the campus. He is pointing for a professional football career, after which he hopes to land a coaching job. "Eventually, I want to coach," he says. "But first, I'd like to have a fling at the pro brand of football."

Notre Dame And Tulane Tilt Tops

South Bend, Ind., Oct. 15—(AP)—Notre Dame, the nation's top-ranked college football team, and revenge-seeking Tulane, the country's No. 4 team, clash before a capacity 57,000 at Notre Dame Stadium today.

The Fightin' Irish were pegged as two-touchdown favorites in this meeting of two unbeaten powerhouses. But Tulane was goaded by bitter memories of a 59-6 trimming by Notre Dame in their last encounter in 1947.

Since that trouncing two years ago, Tulane was sprouted into the Tartar of the Southeastern Conference, a rip-roarin' machine which already this season has bowled over Alabama, Georgia Tech and Southern Louisiana.

The Southerners also will be shooting at Notre Dame's record of 31 games without a defeat. The Irish defeatless string includes two tied games. Tulane has won 12 in a row.

Neither club is at top strength for today's crucial encounter which will might propel the winner to the National Championship.

The Irish swing into the pivotal

Midgets Topple Kinston Imps By Margin Of 13-6

Greenville's Mighty Mites toppled the Kinston Red Imps 13-6 here yesterday to score their second consecutive victory of the year as against one tie.

Coach Bill Kittrell's boys scored in the first and last quarters and held Kinston to a lone tally in the second period to win.

Halftime score saw the two teams all tied up 6-6.

Halfback Bob Howell scored Greenville's first touchdown late in the first when he rounded right end behind good blocking and ran 48 yards to paydirt. The try for extra point failed as Kinston's highly improved Imps overpowered an attempted buck through the line.

Kinston's score came after a long downfield march highlighted by Ken Brinkley's powerful plunges through the Greenville defenses in which he marked up four of Kinston's five first downs.

Little Darwin Williams, a 65 pound quarterback and captain of the Kinston team, went over for the Kinston touchdown on a quarterback sneak.

The try for extra point failed, leaving a halftime score of 6-6.

Bob Shackelford, halfback, skirted end and roared 29 yards to Kinston's one to set up the winning touchdown for Greenville. It was Kinston Quarterback Williams who finally pulled Shackelford down three feet short of a tally. Shackelford went off tackle on the first play to score the game's deciding touchdown and an end run was good for the point to give Greenville a 13-6 win.

Lineups: Kinston—Sutton and Brown at end, Lanier, Seymour, Pittman, Henley at tackles; Bradford and Jackson at guard, Abbot at center, Williams at quarter, Carter and Hearn at half, Brinkley and Rochelle at full.

Greenville—Billy Johnson and Billy Bost at ends, Ronald Duffin and Billy Arnold at tackles, Walter Perkins and Tom Smoot III at guards, Sam Winchester at center, Pete Sawyer at quarter, Tommy Key Norris and Bob Howell at half, and Bob Shackelford at fullback. Substitutes seeing a lot of action were: Billy Dunn, Gene Duffin, Charles Hollingsworth, Hughie Harrison and Tommy Saleed.

Farmville Eleven Takes Second Consecutive Win In Conference

Farmville—Farmville high school unleashed a dazzling running attack here last night to rout Robersonville 32-0 and rip to its second consecutive Coastal Athletic Conference victory.

Robersonville never threatened, its ground attack held in check by the powerful Farmville line and its aerial offense grounded by the alert playing of Coach Elbert Moye's secondary.

Two of the Farmville touchdowns were scored on intercepted passes. Claude Tyson, Farmville's 155 pound ace halfback, started the scoring parade on the second play of the game when he went around end for 40 yards and a touchdown.

The visitors held Farmville scoreless throughout the remainder of the first quarter. Early in the second period, however, Joe Smith, Farmville quarterback, intercepted a Robersonville pass on the 35 and scooted to paydirt. George Wooten kicked the extra point to put Farmville ahead 13-0.

A few minutes later Clarence Jones intercepted a Robersonville pass on his own 45 and raced 55

yards for a third touchdown to give Farmville a 19-0 halftime advantage.

It was Halfback Joyner again in the opening minutes of the second half who scooted 25 yards to score Farmville's fourth touchdown on an end run. The play was set up when George Wooten blocked a punt on the 25.

Reserve Quarterback Randolph Allen bucked through on a quarterback sneak, broke into the clear and ran 55 yards to the Robersonville next week in what should be the game of the year in Coastal Conference play.

back again as referee Jack Downey finished the ten count.

It was Charles' second successful defense since he beat Joe Walcott to win N. B. A. recognition as successor to Joe Louis last June. The titleholder stopped Jose Lesevich in August.

Charles outboxed the challenger in the opening round landing left hooks and rights to the face, but Valentino won a margin in the second and third with a punishing attack on the champion's midsection.

The fourth was considered about even but Charles' boxing skill and his long range shot to the head gave him the edge in the remaining sessions. Charles appeared to take command after sending Valentino right to his heels with a stinging back to the nose late in the fourth round.

The Associated Press score sheet and most of the boxing writers had the champion out in front at the start of the eighth.

Referee Downey and Judge Frankie Carter, both San Franciscans, had Valentino in front by a single point. Judge Frank Manfredro of Frasco had Charles ahead by two points after the seventh.

Heavyweight Champ Wins Slambang Bout With KO

San Francisco, Oct. 15—(AP)—Lean, trim Ezzard Charles is still the National Boxing Association's heavyweight champion. Pat Valentino of San Francisco is the beaten challenger.

The Cincinnati Negro, a swift foot-sharp punching 182 pounder, knocked out mop-haired Valentino in 35 seconds of the eighth round of their scheduled 15-rounder last night at the San Francisco Cow Palace. Valentino weighed 168 1-2.

The first heavyweight championship battle held in this area in forty years, it was a slambang fight that had the record crowd of 19,500 fans cheering wildly at times.

Charles crushed Valentino's title hopes with a smashing right to the jaw. The challenger, who had exchanged blow for blow in furious rallies, went down with a thud. He tried to stagger to his feet but fell.

Charles won a smashing right to the jaw. The challenger, who had exchanged blow for blow in furious rallies, went down with a thud. He tried to stagger to his feet but fell.

Cleveland Takes Mighty Revenge

Los Angeles, Oct. 15—(AP)—The Los Angeles Dons would highly prefer that San Francisco refrain from humiliating the defending champion Cleveland Browns of the All-America Conference.

The Dons paid dearly for the San Francisco 56-28 win over the proud Clevelanders last Sunday because the enraged Browns came on down here last night and took revenge on the helpless locals to the tune of 61 to 14.

The win left Cleveland with a league record of five wins, one loss and one tie, the Dons with two wins, five defeats and no ties.

It also set several new records in its wake, including an unprecedented headcase for the Dons in taking the worst licking in their three years in the league.

Otto Graham of Cleveland set up a new low mark in throwing six touchdowns passes, eclipsing the five Frankie Albert registered for San Francisco against them last Sunday. A throng of 27,437 witnessed the affair.

In All-America conference games tomorrow, Buffalo plays at San Francisco and the New York Yankees at Baltimore.

In the National pro league tomorrow, Chicago Philadelphia Eagles play at Chicago, Pittsburgh at New York, the Los Angeles rams at Detroit, the New York Bulldogs at Washington and the Chicago Cards play Green Bay at Milwaukee.

Kid Gavilan Has Easy Win Over Aging Beau Jack

Chicago, Oct. 15—(AP)—Making his first start since he was knifed in a Harlem Street scrap, Cuba's Kl Gavilan slammed a 10-round unanimous decision over Beau Jack in Chicago Stadium last night.

The second stadium show of the International boxing club drew a disappointing crowd of 5,189. Gross receipts were \$22,429.

The I. B. C. now plans a possible match in Chicago between Gavilan and Charlie Fusari. Gavilan also may again meet Sugary Ray Robinson although the Cuban has already lost two decisions to the welterweight champion.

The 23-year-old Gavilan, outweighing his opponent 148 to 140, had Beau Jack on the ropes in the third round with a volley to the head, but the one-time Augusta, Ga., bootblack would not go down.

Actress Cancels Radio Series

New York, Oct. 15—(AP)—A scheduled series of Sunday night radio shows by Actress Helen Hayes, whose daughter died last month, has been cancelled.

The agency handling the show, scheduled to start Oct. 9 over the Columbia Broadcasting System, said yesterday Miss Hayes cabled her decision from Honolulu where she and her husband, Charles MacArthur, are on a trip.

Carries Now

Fayetteville, Ark.—(AP)—Alvin Duke, Drumright, Okla., Indian who is captain of the Arkansas football team this season, has charged out of the obscurity of a blocking back post into the limelight.

Duke for three seasons was Arkansas' blocking back and defensive stalwart but the switch to the T from the single wing put blocking backs out of business. Hard-running, 180-pound Duke quickly caught on as a halfback.

Ezzard Willing To Do It Again

San Francisco, Oct. 15—(AP)—Champion Ezzard Charles, a fair man in the ring and quick to make a buck, would welcome Pat Valentino back into the ring anywhere, anytime.

"He's a good fighter," said Charles, a \$40,000 smile on his face. "I'll fight him again anywhere anytime."

The N. B. A. champ his ebony skin glistening with sweat shrugged off Valentino's punches much as he had in the ring. The only time he hurt me," Charles said, "was a left hook to the head. The Cincinnati Negro had little to say about Valentino's wanted infighting.

"Maybe," said Charles, "tomorrow or the next day by insides will be sore, but I don't hurt there tonight."

To a handler, Charles added: "Thought you told me to watch that right hand of his. Shucks."

As for the eighth round knockout punch, Charles dismissed it in a clinical matter.

"He dropped solid," he said.

As a matter of fact, 19,500 paid customers will testify to that today.

But Valentino, his nostrils streaming blood, struggled to a feeble knee before buckling.

Several Titles Already Gone In Yacht Regatta

Elizabeth City, N. C., Oct. 15—(AP)—The International Moth Boat Regatta was several titles along as it wound into its second round on the Pasquotank river here today.

Bob McGurt of the Margate Yacht Club, Margate City, N. J., was the new South Atlantic states open champion going into today's races for the little 11-foot-est-rigged boats while Peggy Kammerman of the Evening Star Yacht Club, Atlantic City, N. J., held the girls International title for the second straight year.

Also settled in yesterday's opening round was the inter-club team title, won by the Evening Star Yacht Club.

In the day's final race, McGurt won the first of three heats for the International open Moth championship.

Jackie's Stars Chalk Up Win

Greensboro, Oct. 15—(AP)—Jackie Robinson's barnstorming Negro All-Stars defeated the Southern Negro All-Stars 11-6 here last night before 6,000 fans.

Larry Doby, Cleveland outfielder, led Robinson's team at the plate with four singles while Robinson bunted safely twice.

Chapter 1

All of the time she was trying on trousseau hats at Sophia's, Arleta was rebelling. She sat like a wax model, the even flow of her aunt's and Sophia's voices washing over her.

"Now this, Mrs. Ainstree, for spectator sports," murmured Sophia. "The taffeta beret in pastel shades."

"Smart," agreed Mrs. Ainstree. "don't you agree, Arleta? Arleta!" Mrs. Ainstree caught the level look from Arleta Langtry's dark eyes. Instantly the slim, modish figure disappeared and in its place was a stocky little girl, feet spread wide, pigtail spread at the same angle. And the look in her eyes was the same as that in those mirrored eyes as she had said, "If bein' a lady means lyin', count me out."

Quickly Mrs. Ainstree rose, slipped and nodded at Sophia. "Shall we wait until tomorrow to try the others?" She glanced at her watch. "We're really due at the airport."

In the car she sat so quietly Arleta reached out a conciliatory hand. "I'm sorry, Aunt Letta, but I'll have no use for such delicate hats on the ranch."

"If you spend your honeymoon at the ranch,"

Alarm shadowed the dark eyes. "You haven't heard from Cal?" He hasn't telephoned you or wired?"

"No, Arleta. But, good gracious, child, it stands to reason. The house has been vacant for years; it won't be habitable."

Arleta shook her head. "You don't understand. You've never seen it. It's built of weathered log and rock. It couldn't fall or rot away."

Later, as Arleta sat watching the thickening sky, Mrs. Ainstree spoke again. "You haven't considered Cal's preferences, Arleta. How will he enjoy a month in that remote—"

"It isn't remote! Besides, he told me I could make a choice. And, Aunt Letta, the voice swelled with emotion, "I want to go home."

Mrs. Ainstree's lips settled in a determined line. She must see this through. She must keep Arleta, her namesake, from learning why she had never been allowed to return. The girl's engagement to Calvin Sheridan had been an answer to her year-long prayers. Once they were married she could relax her vigilance. If Calvin had only confided in her before flying West to investigate the last of the Langtry holdings.

The chauffeur had looked back. "Don't think any ships are landing here today, Mrs. Ainstree. Fog's thickening every minute. Want I should turn back?"

Dimly she heard her aunt tell Martin to drive on. They would check with the airport. They had quarreled before he left; his very leaving was part of that quarrel. Like a record repeating itself over and over she heard their quarrel.

Sees Draft Call

Boston, Oct. 15—(AP)—The nation's Selective Service director believes there may be a draft call in the near future.

Maj. Gen. Lewis B. Hershey told a news conference yesterday that "there are grounds for thinking that there is going to be another draft call in the near future."

He added, however, that he had no orders for such a call but pointed out that ground forces are under their quota by about 25,000 men.

Hershey came here for a tour of state draft facilities.

Parker Has His 'Little Joke' With Amateurs

New York, Oct. 15—(AP)—Almost on the eve of his turning professional, Frankie Parker, a top-flight tennis player for almost two decades, enjoyed what he considered a little joke on the amateur overlords of the game today.

All players who remain amateurs until Oct. 15 are eligible to be ranked by the U. S. Lawn Tennis Association. The announcement that Frankie was going to turn to the cash and carry game was made earlier in the week.

"I just wanted to see where they'd rank me, knowing all along that I was going to become a professional," Frankie said. Frank has been rated in the top ten ever since 1933, "and naturally I'd like to be ranked again this year."

Federalists In Annual Meeting

Charlotte, N. C., Oct. 15—(AP)—United World Federalists of North Carolina opened their third annual state convention here today.

Speakers on the opening program of the two-day session included Alan Cranston, national president of the World Federalists, and Henry W. Brandis, director of the University of North Carolina law school.

Clay, Jackson Voters At Polls

Asheville, N. C., Oct. 15—(AP)—Voters in Clay and Jackson Counties went to the polls today on the question of continuing the legal sale of beer and wine.

Four other counties in Western North Carolina in earlier referendums this year rejected the legal sale of the beverages. They were Burke, Transylvania, Watauga and Rutherford.

Hard-Coal Leaf Curers Regarded As Experimental

Raleigh, N. C., Oct. 15—(AP)—Hard-coal tobacco curers are "still very much in the experimental stage," says a state tobacco expert.

Dr. W. E. Colwell, in charge of tobacco research for the N. C. Agricultural Experiment Station, made the assertion about the anthracite curers yesterday.

Tests are being made at N. C. State College on the curers, he said, but the results will not be known for several weeks.

Meanwhile, officials of the college's extension service disclosed they counseled farm agents several weeks ago to "discourage the continued use" of hard-coal burners "until more is known about the effect of leaf quality."

Tobacco companies are declining to purchase leaf cured in these hard-coal curers on the grounds they have "objectionable features," it was learned Thursday.

The companies have instructed their buyers to refuse to bid on tobacco cured in this manner, said W. P. Hedrick, tobacco marketing specialist for the State Department of Agriculture.

This action, he estimated, probably would mean a loss of between \$50,000 and \$150,000 this year to farmers who used the hard-coal curers.

Pre-Dawn Fires Raze School And Two Negro Homes

Columbia, S. C., Oct. 15—(AP)—Two pre-dawn fires here razed a Negro elementary school and threatened serious damage at the State Fair grounds.

Columbia Fire Chief A. McC. Marsh said he thought both were started by a fire-bug.

Firemen reeled more than 1,000 feet of hose to shoot water into the flaming school. The loss there was estimated at \$36,000. Two Negro homes and four smaller buildings also were damaged.

Mrs. Clarence Burton estimated that a small fire in an empty barn at Burton Stables on the State Fair grounds caused \$300 in damages. The stables are the winter home of scores of top racing thoroughbreds, among them the King Ranch and Maine Chance Farms strings.

N. C. Furniture Production Tops

Chicago, Oct. 15—(AP)—North Carolina has become the leading furniture producing state in the union.

Twenty years ago the Tar Heel state ranked fifth.

Charles M. Kindel, president of the National Association of Furniture Manufacturers, said yesterday the order in value of production is: North Carolina, New York, Indiana, Illinois, Virginia and California. In his address to the association, Kindel said the order in 1929 was: New York, Illinois, Indiana, Michigan and North Carolina.

London's Wild Cats Raid Tower

London, Oct. 15—(AP)—The wild cats of London's bomb rubble jungle attacked the ancient fortress, the Tower of London, last night.

The governor of the tower sent an urgent call for aid today to the people's dispensary for sick animals.

He reported the cats—house cats turned wild as lynxes—battled the resident cats of the tower and tried to raid quartermaster stores for a bite to eat.

No Threat From Small Hurricane

Miami, Fla., Oct. 15—(AP)—A small tropical hurricane was expected to continue creeping northward during the day, but it offered no threat to land.

The storm, with winds up to 85 miles an hour near the center, was located at 5 a. m. (EST) about 610 miles southwest of Bermuda.

Chief storm forecaster Grady Norton called it "a dangerous small hurricane."

Shipping in the path of the storm was advised to use caution.

VA Says NSLI Dividend Applications Are Lagging

Veterans Administration reports that its central office in Washington has received applications for the National Service Life Insurance special dividend from approximately two-thirds of the veterans who are eligible for the payments. This means that something in the neighborhood of 5,000,000 veterans have yet to mail in their applications.

VA urges World War II veterans to give this matter their attention, as dividends will be paid only to those who make application. According to VA, the large volume of applications must be processed before they can write the checks and mail them, commencing in January, 1950.

The central office reports that some 50,000 applications have been received unsigned. Veterans are cautioned that to be valid the applications must bear the veteran's signature.

Other mistakes that have been found in applications are as follows: Some veterans have failed to write in their service serial numbers. This number is very important for identification. Some veterans have written their date of enlistment in the space where the service serial numbers should be written.

Some veterans have sent in sample application forms torn from a newspaper or magazine. The VA machines can use only the official VA forms.

Also, veterans are reminded they should write plainly the address where they can be found for the next six months, for the mailing of checks.

Dividend application forms are available from all post offices, veterans' service organizations and all VA offices.

The VA will commence mailing checks to eligible veterans in January, 1950. It estimates that at the rate of 200,000 checks per working day, it will require several months to complete the mailing.

Pitt Farmers Asked Contribute Corn To Refugees, Orphans

By CHESTER WALSH

The farmers of Pitt county are now being asked to be the "good, good neighbor," and contribute some kind of food for the benefit of overseas refugees and orphans, whose lives have been made unhappy and destitute by World War II.

Dr. H. Glenn Harey, pastor of Eighth Street Christian Church, reminded today that under the Marshall Plan, this country is sending money to war devastated countries to be spent for rehabilitation. He also reminded that this food now being contributed by farmers of the state goes to people "who do not have any money and can't buy anything."

Pitt county farmers, Dr. Harey said, are asked to contribute two freight cars of corn for the State "Friendship Train" of 150 cars. The farmers of the 13 townships of Pitt county have been asked to contribute corn to the worthy cause.

The collection dates will be Nov. 7-12.

J. L. Harris is general chairman of the "Friendship Train" food drive, Mrs. E. T. Meeks is secretary.

J. H. Arnold Rites To Be Held Sunday

James Henry Arnold, 76, died at his home in Grimesland at 4:10 o'clock Friday afternoon following several weeks illness. Funeral services will be conducted at the Black Jack Free Will Holiness Church at 3 o'clock Sunday afternoon by the pastor, the Rev. Jim Norris of Pink Hill, assisted by the Rev. D. J. Little, Holiness minister of Farmville, and burial will be in Greenwood Cemetery in Greenville.

Active pallbearers will be the grandsons—Roger Bell, Jasper Bell, Evon Bell, Jimmy Boyd, Paul Arnold, Ziet Arnold and Murray Arnold.

The body will be carried to the church one hour prior to the time of service.

Mr. Arnold was born, reared, and spent his entire life in the Black Jack and Grimesland communities. He was married to Bettie Lou Smith of Pitt county in 1894 and was a member of the Black Jack Free Will Holiness Church.

Surviving are his wife; three sons, C. Raymond Arnold of Grimesland, Jodie G. Arnold of near Washington, and Harvey D. Arnold of Rose Hill; six daughters, Mrs. R. C. Bell of Blount's Creek, Mrs. S. B. Boyd of Rocky Mount, Mrs. Albert L. Carney of Washington, Mrs. Zornie E. Boyd and Mrs. Herman O. Buck of near Black Jack, and Mrs. N. Lake Buck of Grimesland; 37 grandchildren; 11 great grandchildren; a sister, Mrs. Lodie Wayne of near Chocowinity; and a brother, John Allen Arnold of near Black Jack.

Education And Business

But no one seems ever to have told them what has developed the inventions into great American industries. High school graduates should know that it was the investment of private capital, the intelligent management of industry and the sweat of willing workers pulling together as a team that made America great. They should know that all of its weaknesses has made it possible for them to have the highest standard of living in the world.

Our high school graduates should be given, in addition to a study of the various "isms," an impartial report of the American businessman's point of view that excessive taxes discourage venture capital and the initiative that made us great. It should be made crystal clear to students that unless business, big and small, can develop in the future as it has in the past, the economic advantages will not be as great for future workers and investors as they have been for past generations.

Woodmen Of World To Hold District Meeting New Bern

The secretary of the Bright Belt Log Rolling Association, Woodmen of the World, C. G. Simmons, Kinston, has announced that the fall session of the association will be held October 26, at the Armory in New Bern, starting at 3 p.m.

The log rolling association, or district meeting, as it is more commonly known, consist of camps in the following counties: the mount, Craven, Carteret, Edgecombe, Greene, Halifax, Jones, Lenoir, Nash, Onslow, Pamlico, Pitt, Wayne, Washington, and Wilson. Approximately 4,000 members of the Woodmen of the World, reside in these counties. They look forward to the semi-annual meetings so that they may have the fellowship of fraternalism and gather ideas regarding camp activities and promoting the general welfare of the Log Rolling Association.

Elmwood Camp No. 12, New Bern, will be the host camp. Members of this camp have planned a varied and interesting program for the occasion. Among the activities planned will be a tour of New Bern for the wives and ladies of the members, and a theatre party. The tour will be held at 3 p.m. while the members are holding their business session. The theatre party will come off at 5 p.m. during which time the degree work will be conferred to a number of candidates.

The banquet will be served at 7:30 District Manager R. E. Simmons, Kinston, will preside over the evening affair as master of ceremonies. The principal speaker for the night session will be Judge D. E. Henderson of Charlotte, a past Head Consul of North Carolina and a native of Onslow County.

Speaker for the afternoon session will be Charles A. Hines, Greensboro attorney, and a national director of the Woodmen of the World. Head Consul H. A. Melvin of Charlotte will appear on the program giving state activities for the past six months.

Hard Times . . .

Continued from page one

Miss Elizabeth Gurley Flynn, a party national committee member, denied that the verdict would drive Communists underground. She said the party will still "operate as usual."

But some reaction in Washington was that the verdict put the party outside the confines of law. There also were demands for stronger crackdowns on Communism.

Rep. Harrison (D-Va.), of the House un-American Activities committee, said the verdict confirmed that the "Communist party is an illegal conspiracy."

Rep. Velde (R-Ill.), a member of the same committee, urged that the verdict spark a "crusade to wipe out forever the remaining forces of subversion and espionage" in the U. S.

Across Capitol Hill, Senators Mundt (R-SD) and Ferguson (R-Mich) were expected to use the verdict to try to pry through the Senate new Communist-registration laws in the next session.

Alumni Chapter Is Organized For Littleton Area

Eisenhower has said that "the army of persons who urge greater and greater centralization of authority and greater and greater dependence upon the Federal treasury are really more dangerous to our form of government than any external threat that can possibly be arrayed against us." What are the schools in your community teaching about this?

Alumni of East Carolina Teachers College in and near Littleton have organized a new chapter of the college alumni association. At a dinner meeting held Thursday evening, October 11, at the home of Mrs. D. W. McPherson of Littleton, details of organizing the new chapter were completed and officers were elected.

Membership of the Littleton chapter at present includes eleven former students at the college. Other graduates living near Littleton in Halifax and Warren counties are expected to join the group and to increase the number.

Officers elected to head the new alumni group are Mrs. McPherson, president; Mrs. Kathryn Davenport Clark, vice president; and Mrs. Lillah Glenn Nelson Smith, secretary-treasurer.

Dr. John D. Messick, East Carolina alumni secretary, and Mrs. Susie Webb of the alumni office staff were guests at the meeting in Littleton. Dr. Messick was principal speaker on the evening's program.

The Littleton chapter is the second to be organized this fall by the East Carolina Alumni association. In September an alumni group for Washington county was formed in Roper.

Greenville Chapter Of Alumni Group Has Meeting On Friday

Members of the Greenville Chapter of the alumni association of East Carolina Teachers College held a combined business and social meeting Friday evening at the alumni office on the campus. Special guests of the evening were Dr. and Mrs. Kenneth Bing and Frank Fuller, new members of the college staff this fall, and President and Mrs. John D. Messick.

Mrs. Eleanor Hardy Dall presided at a business session. Members voted to set \$100 as a goal for funds to be used in beautifying the patio adjoining the soda shop on the campus. Other projects for the year which were voted on favorably were plans to contribute to the athletic scholarship fund at the college and to provide funds for furnishing the new home recently purchased for the college president.

Hostesses at the social meeting were Mrs. Dall, chapter president, Miss Verna Belle Lowry, Mrs. Marquerite Ricks Pearce, Mrs. Emily Johnson Hardy, Mrs. Susie Williams Webb, and Mrs. Dorothy Willard Johnson. The alumni office was attractively decorated with arrangements of dahlias and marigolds. Mrs. Messick and Mrs. Ruth Garner, alumni secretary, assisted the hostesses in entertaining.

distant school often enough to aid the teachers in understanding and motivating the education of their children.

And what has happened to the teacher of the one-teacher school? "She has been absorbed into society," says Gaumnitz. "Many have married, or gone into other occupations. Others have continued their education and obtained jobs in the new, larger schools."

Trio Are Injured In Auto Accident

A wreck last night at about 7:30 sent three people to the hospital with injuries and badly damaged two vehicles.

State Highway Patrolman Paul C. Whitley reported today that the wreck occurred about three miles from Greenville on the Farmville highway.

A car operated by Josiah L. Nobles, Winterville, attempted to make a left turn when it was struck by a truck operated by Richard L. Joyner, 1405 Broad Street, Greenville.

The car was struck in the side and was damaged to the extent of about \$650, and went off the road onto the shoulder of the highway, but did not turn over.

Injured in the car when it was struck by the truck were Mrs. Polly Nobles, Winterville, injury to head, cuts on left arm and right leg; Betty May Moye, Box 105, Winterville, cuts on both ankles. The driver, Nobles, suffered numerous bruises and cuts. All of the injured were taken to Pitt General Hospital for treatment, Whitley stated.

The truck, a 1 1/2 ton truck, was owned by the Ormond Wholesale company of Greenville. Damage to the truck was about \$200.

Cases Tried In Police Court Friday Morning

Cases tried in Police Court Friday included the following:

Reckless driving, James L. Chapman, colored, judgment suspended on payment of \$15; Thomas Allen and Enos J. Dall were not guilty.

Drunk: Willie Jones, colored, \$15; Rayfield Sawyer, \$25; David E. Davis, \$15; John R. Taylor, 30 days in jail or \$15; Jesse D. Roberts, (and disorderly conduct and profane language), 30 days at the County Home or pay \$15.

Speeding: Robert J. Staton, \$30; Claude W. Harris, \$20.

Non-support of illegitimate child: Eddie Mack Davis, colored, three months on the roads, sentence suspended on payment of court costs and he is to pay to the Welfare Department \$5 a week for support of his child. The judge ordered that Davis pay \$25 for support before he could leave the courtroom and placed him on probation for three years.

It cost George W. Spain a lot of money for not having proper brakes on his car and for failure to stop at a stop sign. The court fined him \$20 for the bad brakes and not stopping at a stop sign, and \$25 and costs for not having an operator's license.

Affray: Charles H. Kinlon, 30 days in jail or pay \$15 and he was ordered to obtain gainful employment at once. Edward J. Kinlon was not guilty.

Crashing red light: Joseph Fishbein of Florida, \$10.

Henry Junior McLawhorn, colored, was given 30 days in jail or pay \$15 for trespass.

Joe Frank Hopkins, paid \$15 for assaulting a female and he was ordered not to have any contact with the prosecuting witness for six months.

Black Creek Girl New Secretary Of YWCA

Margaret Marie Aycock of Black Creek has been elected secretary of the YWCA of East Carolina Teachers College. Miss Aycock, a junior at the college, has been an active member of the organization for the past two years.

Two other cabinet officers of the YWCA have also been appointed to fill vacancies on committees. Callie Marie Kinard of Wenona is now a member of the World Fellowship committee; and Margie Smith of Kinston, of the Religious Education committee.

Message . . .

(Continued from page one)

The start of World War II gave us a brief preview of what a Russo-German alliance could mean. Moscow and Berlin signed the non-aggression pact which enabled Hitler to send his military steam-roller across western Poland while Russia, by agreement, marched in and annexed the eastern portion. It happened that the two fell out and a universal conflagration followed, but that didn't detract from the exhibition of efficiency displayed by the Russo-German combine while it lasted.

So with all this as background it's easy to see why the cold war centers in control of Germany The Western Allies are going all-out to attract the Eastern German republic into the Western German government. The Russians, working through the East German government, are equally bent on winning over West Germany.

And the side which wins this battle will have won the cold war.

Drunken Offender Gets Prison Term In Police Court

In Police Court Friday, Judge J. W. H. Roberts convicted Francis Dancy, regular offender, for being drunk on three charges and sentenced him to the County Home for 30 days on each charge. Two of the sentences are to be served consecutively; one of them concurrent.

Eugene Baldree On Labrador Maneuvers

Eugene G. Baldree, seaman apprentice, USN, of 302 North Lee St., Ayden, as a crew member aboard the destroyer USS Dennis J. Buckley, is now taking part in joint Navy and Marine Corps cold weather exercises off the coast of Labrador in the vicinity of Hamilton Inlet.

The exercises will continue for approximately four weeks, of which time about ten days will be spent in Canadian waters.

HIT AND RUN DRIVER

Henry Barnhill, colored, of near Winterville, was convicted in Police Court yesterday of hit-and-run driving and given six months on the roads. Sentence is to be suspended on payment of \$50 and \$14 to the prosecuting witness.

Duane Pillette made his first major league start for the Yankees in Detroit's Briggs Stadium, where his father, Herman, was pitching when Duane was born in 1923.

Heavy Penalty For Possessing Non-Tax Paid Whiskey

Judge J. W. H. Roberts, in Police Court yesterday, found William A. Mercer, colored, guilty of illegal possession of non-tax paid whiskey for purpose of sale and fined him \$100.

Prayer for judgment was continued in the case of William J. Smith, colored.

Little Schools . . .

(Continued from page one)

distant school often enough to aid the teachers in understanding and motivating the education of their children.

And what has happened to the teacher of the one-teacher school? "She has been absorbed into society," says Gaumnitz. "Many have married, or gone into other occupations. Others have continued their education and obtained jobs in the new, larger schools."
