Nurses' Home And School Is Assured

County Commissioners Approve \$60,000 As County's Share In \$150,000 Project; Medical Care Commission Approval Already Gained

A \$150,000 nurses home and nursing school which will operate in connection with the Pitt County Memorial Hospital were virtually assured yesterday when the county commissioners appropriated \$60,000 as the county's part in the construction and equipping of the nurses home.

The \$150,000 project, which will be an addition to the \$1,400,000 hospital already under construction, will be paid for 39.1 per cent from county funds and 60.9 per cent from state and federal funds. Under the action taken by the county commissioners, the county's portion of the money will be paid out of proceeds from the ABC stores.

C. Stuart Carr, chairman of the hospital board of trustees, in a statement given to the Reflector earlier this month for release following the commissioners' meeting yesterday, said the State Medical Care Commission already has approved the Pitt County application for a nurses home, and the trustees of the hospital have approved the plans which have been drawn for the home. The plans have been forwarded to the Medical Care Commission for final approval.

"We hope to open bids for the nurses home about March 1," Carr said, "and construction work will begin shortly thereafter in order to complete the nurses home and open it at the same time the hospital is opened."

The chairman of the hospital board of trustees said the superintendent of nurses for the hospital already has been engaged and will be in Pitt County two months before the hospital opens to interview applicants and arrange the curriculum for the nursing school. He said the name of the superintendent of nurses for the new hospital will be announced at a later date.

Carr said in his statement, "We will definitely have a nursing school, and we hope to complete arrangements with East Carolina Teachers College to enable college students to have the benefits of nurses training in addition to other college work if they desire to do so."

He said the present plans call for the school to begin with approximately 25 students, and he added, "Preference will be given to Pitt County girls."

The nurses' home which is planned for Pitt County is to be a two-story structure which will have 16 double bedrooms on the second floor, 13 double bedrooms on the first floor, a single bedroom and living room for the superintendent of nurses, kitchenette, and a sizable lounge.

Rape Charged To Bethel Man By Teen-Age Girl

Walter Wade Carson, 24-year-old man of the Bethel community, is being held without bond in Pitt County jail for the alleged rape of Dahne Janet Bowers, 17-year-old high school girl of near Bethel.

Pitt County Sheriff Ruel W. Tyson said the warrant against Carson was sworn out early yesterday morning charging him with the alleged attack which supposedly took place between 10 and 11 o'clock Saturday night near Greenville.

Sheriff Tyson said Carson contacted him early last night and gave himself up to officers. Tyson said Carson will be held without bond in the county jail pending a hearing which will be held as soon as the girl's condition permits. She has been confined to a Tarboro hospital since Saturday night.

Dip Into The Budget

New 'Simplified' Budget Is Not Simple; All This Columnist Wanted To Know Was How Many Persons Drew Salaries From The Government; How He Got It

Washington, Jan. 10 — (AP) — I wanted to write something simple that went like this:

"The President figures it will cost about \$42 billion to run the government another year. Of that amount, \$... will be paid in salaries to... people working for the government."

That didn't seem like much work. All I had to do was turn a few pages in the budget and get the answers, I thought.

The President's budget and budget message — together they're as thick as a city telephone directory — went to Congress yesterday.

But I'd heard this was a big improvement — in organization and clarity — over any previous budget message by any President.

Of course, the President didn't write the whole thing himself. He couldn't have written all of it. Various assistants helped out on it together. And it was the assistants who helped the President figure out it would cost \$42 billion to run the government.

In other years, when I wanted to dip into the budget, I always approached on tiptoe with a magnifying glass and two detectives.

Local Telephone Demands Ahead Of Old Estimate

War Years Doubled Expansion; Other Communities Now Catching Up

Ready To Escort Freighter To Any Port But Communist Shanghai

By WAYNE RICHARDSON
Aboard the Flying Arrow Jan. 10

—(AP)—Two American destroyers were always the shell battered freighter Flying Arrow tonight ready to escort her to any port but Communist Shanghai.

They arrived in mid-afternoon. They are the Stickle and Bausell. Lt. (jg) C. L. Stuart of Chico, Calif., who boarded the freighter from the Stickle, said escort would be provided to any port but the ship's destination, Shanghai.

In the distance lurked a Chinese sunboat at dusk. It was the only other vessel in sight although other Chinese Nationalist warships had been visible during the day.

The ship was hit by 30 to 40 Nationalist gun-boat shells in international waters yesterday. She was about twenty miles off the Chinese mainland when the attack started.

Her master, Capt. David Jones, 31, of Chicago, says the shells hit rendered her unseaworthy. He asked for U.S. Naval escort to the nearest port for repairs.

The nearest port is Shanghai, where the Isbrandtsen Line freighter was bound with a general cargo worth \$10,000,000. Chinese Nationalists say they have mined the approaches to Shanghai.

Lt. (jg) C. L. Stuart was shown damage by Captain Jones.

The lieutenant said the two destroyers would remain here as long as the Flying Arrow and the American State Department desired.

(In Bangkok, Thailand (Siam). Vice Adm. Russell S. Berkeley, commander of the U.S. Seventh Task Force, said naval craft will protect American merchantmen on the high seas but not inside Chinese territorial waters.

(There has been no comment from the State Department in Washington.)

(A second Isbrandtsen Line freighter, the Brooklyn Heights, is scheduled to sail for Shanghai tomorrow from Hong Kong. American skippers have been warned by the U.S. State Department they may lose their license if they take their ships into bi-labeled Chinese Communist ports.)

Legal Gambling On Sports Urged By N. Y. Mayor

New York, Jan. 10 — (AP) — Gambling popped up today as a hot political and moral issue in New York state after Mayor William O'Dwyer's proposal that betting on sports contests be legalized and supervised by the state.

Chances for adoption of the proposal were viewed as dim at the state capitol at Albany where several members of the Republican legislative majority voiced opposition.

The Mayor's suggestion, however, gave rise to spirited discussion in many quarters.

Some hailed the suggestion as practical horse-sense, in the view of realists. Others condemned it as legalized betting as a threat to the public's morals.

Still others—including the leaders of the sporting world—remained guardedly non-committal on the potentially hot political issue.

Rep. Kilpatrick On Rural Fire Protection Body

Raleigh, Jan. 10 — (AP) — Governor Scott today named a nine-member committee on rural fire protection. The committee included State Rep. Frank M. Kilpatrick of Ayden.

The committee is to work with fire departments and with local governmental units in making plans for extension of fire fighting facilities in rural areas, the governor's office said in an announcement.

The committee also would study legislation needed to carry out the program.

Creation of the committee was proposed at a conference held here recently on rural fire protection.

Boxscore

Raleigh, Jan. 10 — (AP) — The motor vehicles department's report on highway accidents for the 24-hour period ending at 10 a. m. today:

Killed—1.
Injured—30.
Killed to date—17.
Killed to date in 1949—22.
Injured to date—293.
Injured to date in 1949—303.

Formosa-Bound

Philadelphia, Jan. 10 — (AP) — Ninety carloads of tanks and armored cars consigned to the Chinese government at Formosa were loaded aboard a Turkish freighter at a Philadelphia pier today.

Officers of the Reading Company disclosed that the tanks and cars were transported aboard the Reading Lines from somewhere in Ohio to a pier along the Delaware river in Port Richmond, located in the Northeastern section of Philadelphia.

Loading was begun this morning aboard the 8,077-ton freighter, S. S. Mardin, owned by Maria T. A. S. of Istanbul, Turkey.

Agents for the ship, B. H. Sobelman & Co. Inc., said the ship will depart next week. The agents declined to give detailed information of the consignment stating an agreement with the Turkish company prohibits release of any news reports to the press.

Stafford Again Asks Discretion

Mayor W. S. Stafford yesterday afternoon urged landlords to hold the line as much as possible in raising rents.

In connection with a suggested rent control on local rents, as stated by the chairman of the advisory rent control board, Larry Averette, the mayor stated that he had no statement to make because "I have not talked to Averette" since he made the suggestion yesterday.

However, Stafford said that he would "go along with my former statement" made just after Housing Expediter Tighe Woods announced that controls had been lifted in Greenville and vicinity last December 1.

"I think the people should use great discretion if they have intentions of raising rents," Stafford said. "I have no desire to encourage landlords to make drastic changes in their rents; but if they find it necessary to do so, I would advise them to do so gradually."

He said that he had talked yesterday with several landlords in the city and none of them had thought of raising rents. Stafford urged renters to let the tenants know before hand if they have any idea of hiking their prices.

Outgoing president I. S. Ficklen gave a brief report on the Chamber's activities during 1949 saying that in addition to the agricultural committee's work, the civic affairs committee had sponsored and stimulated the enrollment at ECTC, fire prevention, methods in the city schools and other places, athletic scholarships to ECTC, and had advertising printed in other newspapers in Eastern Carolina to the advantage of the Greenville tobacco market.

Ficklen reported that the industrial committee had done an excellent job in publicizing Greenville for industrial purposes and that the public relations committee had published the "Guide to Greenville" for further advertising purposes. He reported that the legislation on national affairs committee had organized a meeting of citizens of other coastal plain towns to discuss pending legislation in Congress, and had begun to sponsor eight 15-minute radio programs by William J. Byrd in which he discussed topics such as the Hoover Commission report, national aid to education, and socialized medicine.

Alderman H. B. Tripp recommended to the board for one of its 1950 projects that it get behind a paving program in town, primarily extending the paving on First Street. He also wanted the Chamber to push plans for a recreation center for children and students in the town district.

Another suggestion, which will go as a new project, is the construction of a new fire station in West Greenville.

In summing up the activities for the year 1949, Manager Kyzer said that "from the standpoint of varied activities and volume of work done, I think 1949 was as good a year as we've had." He said that the town did not get any new industries but that much constructive work was done toward getting them.

License Tag Sales Under Last Year At This Time

The sale of 1950 North Carolina license tags has been much slower in Greenville this year than it was last, the Motor Vehicle Bureau reported yesterday.

To date 3,506 automobile tags have been sold here as compared with last year's 4,316 on the same reporting date, January 9. The total number of tags sold through the closing date of purchase, January 31st, were 6,185.

In the truck and miscellaneous vehicle class, the Bureau reported that 1,397 licenses have been sold through yesterday while on the same date in 1949 1,528 were bought. The majority of this number goes for trucks. Making up the total figure are licenses issued for motorcycles, trailers, both large and small, and farm machinery.

Meanwhile, City Clerk J. O. Duval reported yesterday that the sale of city tags is brisk, although not as heavy as were sales in 1949. Through yesterday Duval said 1,245 licenses were issued compared with 1949's figure for the same date of 1,296.

Duval said of the sales, which began January 5 of this year, that there was so many wanting licenses that "we can't get our tax balances cleared away." He reminded the public that there is a \$15 penalty on all those wanting tags after January 31, in addition to the cost of the tag.

National Election Date Is Revealed To Cabinet

London, Jan. 10 — (AP) — Prime Minister Attlee told his cabinet Britain's big official secret today: the date of the first national election in five years.

Tomorrow he is expected to let the nation in on it. Word spread quickly that Feb. 23 is the most likely date.

For weeks this has been the date most favored by guessers for the clash at the polls between the ruling Laborites and Winston Churchill's Conservatives.

Attlee's ministers left the meeting to No. 10 Downing Street smiling broadly.

Health Minister Aneurin Bevan assured reporters the prime minister would have an announcement on the election "late" today. But Deputy Prime Minister Herbert Morrison, who was the last to leave Attlee, would tell the newsmen only:

"Stop all this guessing. You are in danger of making fools of yourselves." Morrison will run the party campaign.

Then the lobby correspondents—accredited political experts of the British press—were called into No. 10 for a briefing.

C-Of-C Outlines Proposed Work For Coming Year

Past Accomplishments And Plans For 1950 Discussed Last Night

The board of directors of the Chamber of Commerce held its last meeting of the preceding official year last night and heard progress reports of 1949 and recommendations for projects for 1950.

Meeting in the Alderman room of the City Hall, four directors, Manager W. T. Kyzer, and a handful of members endorsed the Agricultural Committee's report into its 1950 program with the recommendation that the directors approve \$350 for furthering hog sales in the county and recognition of 100 bushel per acre corn farmers.

Under the chairmanship of Hugh Winslow the committee has, in 1949, recommended that a study be made of artificial insemination methods for cattle in order that an association can be set up in Pitt for the benefit of farmers; that the annual farm day, which was held in Greenville early in September of last year, be held again this year; and that the committee continue to sponsor a junior wine show.

Under the direction of John D. Webb the industrial committee reported that it had been studying ways and means of bringing an industrial foundation into Greenville to promote new industry. This foundation, the committee found, is now located in 72 cities throughout the nation, is supported by publicly subscribed funds, the main purpose being to locate real estate and to build new buildings for any outside or local industries that wish to come into the town or expand their present plants.

Chairman Webb stated that his committee would examine the findings more thoroughly and would report on the advisability of such a foundation for Greenville later.

Outgoing president I. S. Ficklen gave a brief report on the Chamber's activities during 1949 saying that in addition to the agricultural committee's work, the civic affairs committee had sponsored and stimulated the enrollment at ECTC, fire prevention, methods in the city schools and other places, athletic scholarships to ECTC, and had advertising printed in other newspapers in Eastern Carolina to the advantage of the Greenville tobacco market.

Ficklen reported that the industrial committee had done an excellent job in publicizing Greenville for industrial purposes and that the public relations committee had published the "Guide to Greenville" for further advertising purposes. He reported that the legislation on national affairs committee had organized a meeting of citizens of other coastal plain towns to discuss pending legislation in Congress, and had begun to sponsor eight 15-minute radio programs by William J. Byrd in which he discussed topics such as the Hoover Commission report, national aid to education, and socialized medicine.

Alderman H. B. Tripp recommended to the board for one of its 1950 projects that it get behind a paving program in town, primarily extending the paving on First Street. He also wanted the Chamber to push plans for a recreation center for children and students in the town district.

Another suggestion, which will go as a new project, is the construction of a new fire station in West Greenville.

In summing up the activities for the year 1949, Manager Kyzer said that "from the standpoint of varied activities and volume of work done, I think 1949 was as good a year as we've had." He said that the town did not get any new industries but that much constructive work was done toward getting them.

Witness Admits Old Masquerade

San Francisco, Jan. 10 — (AP) — The 30-year masquerade of a major government witness was up for further examination in the Harry Bridges perjury trial today.

Bridges lawyers yesterday compelled ex-Communist Editor Lawrence S. Ross to admit he lied about his name, his origin and his schooling. He said he had been his own secret for 30 years—even his wife didn't know the truth.

In a statement admittedly forced by defense questioning, Ross admitted his legal name was not Ross. He was not born in Kentucky, was not the son of a Kentucky planter and was not schooled in Kentucky. This reversed his previous testimony as to his own identity.

His real name, he said, is Rosenstein. He was born in west Poland. His father was a New York garment worker. He and other members of his family followed his father to New York from Poland in 1910. He was schooled in New York City.

Ross, 46-year-old managing editor of the Cotton Trade Journal at Memphis, Tenn., has testified he knew Bridges in the mid-thirties as a fellow Communist. He said Bridges was elected to the party's national central committee in 1936. He stuck by these statements under renewed defense cross-examination after he re-identified himself.

Bridges, Australian-born leader of the CIO Longshoremen's Union, was charged with perjury for testifying at his 1945 naturalization hearing that he had never been a Communist.

Defense counsel indicated they would ask that Ross be held for perjury.

Thurmond Claims Not Invited To Rally In Raleigh

Columbia, S. C., Jan. 10 — (AP) — Gov. J. Strom Thurmond said today he has not been invited to a Southern Democratic party rally at Raleigh, N. C., Jan. 28.

Announced by Jonathan Daniels, North Carolina National Democratic committee man, the conference is intended to rally support for President Truman's legislative program.

"I haven't gotten any invitation," reported Thurmond, the 1948 States' Rights Democratic Presidential candidate.

"And it's not bothering me," he added.

Thurmond long has opposed many of President Truman's policies, particularly the President's civil rights legislation proposals.

"No comment" was Thurmond's only reply to other questions about the Raleigh meeting.

Called To Hunt Armed Fugitives

Blowing Rock, Jan. 10 — (AP) — Officers and highway patrolmen in several counties were called into mountains of Watauga County today to hunt three armed fugitives.

The hunt began this morning after a Mercury automobile wrecked near Valis Highway patrolmen said it contained stolen merchandise.

Three armed men jumped from the car and fled, firing, into the mountains. The highway patrol radio said one fugitive was wounded.

Economy Clamor Gaining In Volume Over Budget Plans

Pitt Commissioners Order Bonds Sold

Action Taken To Pay For Hospital Bond Anticipation Notes; Appropriate Sum For Sweet Potato Specialist

Pitt county commissioners in their regular meeting yesterday passed a resolution ordering the sale and issuance of \$250,000 of hospital bonds to pay for the bond anticipation notes which were issued by the county several months ago.

The commissioners also appropriated \$400 which will be used as Pitt county's part for the remainder of the fiscal year in the joint hiring of a sweet potato specialist by Pitt, Martin and Edgecombe counties.

Also appropriated by the commissioners was \$60,000 to be used as the county's part in the construction of a \$130,000 nurses home at the Pitt County Memorial hospital.

The problem of fire protection for rural areas which has been under consideration by the commissioners for several months was continued under advisement by the board after letter from Mayor W. S. Stafford of Greenville was read stating the recommendation of the Greenville board of aldermen that the county purchase and man its own fire fighting equipment.

The commissioners have petitioned the state highway commission to conduct a survey of the area south and southwest of Greenville for the purpose of constructing a road connecting the highways through those areas and leading to the Pitt County Memorial hospital.

Jesse A. Smith was appointed constable of Farmville township by the commissioners to fill the office which has been vacant for several years.

A request from Mrs. Goldy McC. Hemmingway, nurse of the Pitt health department, that she be given a leave with pay to attend a three month public nursing school at Chapel Hill was granted by the commissioners.

Four petitions for work on Pitt county roads were approved by the commissioners and forwarded to the state highway commission for approval. The petitions were for: hardsurfacing the road in Farmville township from Langs Cross roads to Lewis store; hardsurfacing a road from highway 264 three miles west of Grimesland; making an all weather road from Hamm Cross roads to Simpson and to Galloways Cross roads; and hardsurfacing the road from the Black Jack-Grimesland highway to the Greenville-Washington highway. The last three roads are located in Chicod township.

The commissioners were informed the rent on the Skinner building which is being occupied by the county welfare department will be increased from \$125 to \$150 a month effective January 24.

The commissioners drew jurists, authorized tax releases, signed warrants and disposed of other routine business.

Hear Acheson In Closed Session

Senators Critical Of Formosa Policy Sit In Meeting

Washington, Jan. 10 — (AP) — Secretary of State Acheson defended the administration's disputed Formosa policy today in a closed-door session with Senators critical of it.

Acheson was before the Senate Foreign Relations Committee for a general review of foreign policy.

Sitting in with the committee were a group of Republican Senators who are not members but who had asked for the right to question Acheson face-to-face.

When Acheson went into the committee room, a reporter asked him if he thought he could convince the Senators that his policies are correct.

Acheson quipped: "I'm just a simple boy. I'll tell them the truth."

The committee permitted movie and still cameramen to take pictures for half an hour before they locked the doors and got down to brass tacks with Acheson.

Among the Republican non-members invited to sit in were Senators Tobey (NH), Stantall (Mass.), Knowland (Calif.) and Ferguson (Mich.).

Knowland and Ferguson have led the Republican criticism of President Truman's decision against U. S. government military aid to the big island of Formosa which is the last stronghold of the Chinese Nationalist government.

Moscow Behind Them

Communist China Has Won Sweeping Victories, But China Is Not Communized; Further Conquests In Offing; Manchuria Held By Russia; Chiang Fights On

By DEWITT MACKENZIE

Now that the Chinese Communists have had their sweeping victory bolstered through recognition of their government by Britain et al. what can we expect next? What is the significance of the loss of China to the democracies?

Britain reminds us that formal recognition of a government does not imply approval but merely be acknowledgment of the obvious fact that a going regime has been established. Well that is true, but recognition by a major power is in effect a passport which can carry the new government far with other nations.

That recognition may be an open sesame for further recognitions. Moreover it is likely to strengthen the hand of the Chinese Communists in spreading communism in the Far East.

So we may take it for granted that one of the early developments will be application of pressure by Red China to bring neighboring Asiatic countries into the Communist fold. One of the strangest things about this incongruous situation is that the British Commonwealth foreign ministers, headed by England's Foreign Secretary Ernest

Bevin, are meeting at Colombo, Ceylon, to devise ways and means of preventing spread of communism by the selfish Chinese government which several of them have just recognized. Figure that one out! But to develop our theme, does establishment of the Peiping Communist regime mean that all China's half billion people have been communized? It does not. It means that the Red armies have virtually knocked out the Nationalist forces militarily. The probabilities are that the vast majority of the Chinese people are neither Communists nor Nationalists.

However, the Chinese at this juncture certainly are under Communist domination. And it's worthy of note that the nations which now have Red governments comprise about 1,000,000,000 souls, or close to half the population of the world.

Back of the Peiping government stands Moscow. General Mao Tse-tung, the Chinese Communist leader, is now in the Soviet capital and it is reported that he and the Kremlin are near agreement on overall Chinese-Russian relations. Observers

Social and Personal

All items for this page reserved after 10 A. M. will be published the following day. Dial 2865-6 A. M. to Noon; 1 to 4:30 P. M.

Mr. and Mrs. J. B. James and Miss Eleanor James have returned from Fort Lauderdale, Fla., where they spent the holidays.

James Henry Moseley has returned to his home on 14th street following a tonsilectomy in Pitt General hospital yesterday.

Mr. and Mrs. Bryan Phelps, of Vandermer, N. C., were week-end guests of Mr. and Mrs. Claude Gaskins.

Mr. and Mrs. W. J. Bundy have returned from Florida and Cuba, where they went by plane with Mr. and Mrs. Harvey Smith and Mr. Herman Reid of Beaufort.

Miss Ruth Little of Winterville is recuperating in Pitt General hospital from an operation for appendicitis on Saturday.

Mrs. Martin Swartz has returned from New Orleans after a visit with her son, James E. Williams, Jr., and family.

Engagement Announced
Mr. and Mrs. Chester Worthington announce the engagement of their daughter, Mary Elizabeth, to Jack Dennis Kite. The marriage will take place in the spring.

Announce Birth of Twins
Mr. and Mrs. Hugh C. Winslow announce the birth of twin boys on January 9 in Pitt General hospital.

Birth Announcement
Dr. and Mrs. Wardell H. Mills of Greensboro, N. C., announce the birth of a son on January 9th at Sternberger's hospital in Greensboro. Mrs. Mills is the former Miss Grace Helman of Ford City, Pa.

To Entertain Women of the Church
The men of the church of the First Presbyterian church will be hosts to the women of the church Thursday night at 7 o'clock at the city street department, West Third street. Each man and woman of the church is cordially invited to be present.

Ballard's X Roads News

J. C. Corbitt of Farmville was awarded an emblem at Ballard's Presbyterian Sunday school Sunday morning, Jan. 1, signifying 16 years of perfect attendance. Mary Elizabeth Worthington, member of the adult class, received a 3-year perfect attendance award and Virginia and Frances Crawford, members of the senior class and taught by Mrs. Gilmer Nichols received pins for one year perfect attendance. Several weeks ago Bobby Crawford, member of the Beginners class, received a 3-year perfect attendance award. The new year began with the attendance of 100 present at Sunday school and there was a record attendance at the Sunday evening service, the church auditorium was about filled.

Two new members were added to the church roll on profession of faith, they being Linwood O'Neal and Johnny Brown.

Holy Communion was observed at this service.

Next Sunday evening is the time set for the election of deacons.

The women of the church will meet Friday afternoon at 2:30 in the church. Mesdames H. G. Dunn and Chester Worthington will be hostesses. All members and interested friends are asked to be present.

John Flanagan and Milton May attended a series of ball games played at the new Coliseum at State College in Raleigh last week. They also attended one on Tuesday evening of this week.

Mr. and Mrs. Norman Wooten were recent guests at a banquet in the Myer's Park Country Club building in Charlotte.

Miss Edith Tyson has returned to her school at Pikeville after spending the holidays with her parents, Mr. and Mrs. G. T. Tyson.

Mr. and Mrs. Isham B. Nichols and little son, T. B. of Charlotte, were week-end guests of Mr. and Mrs. Gilmer Nichols.

Mr. and Mrs. C. C. Harris and Miss Lillian Harris have returned from several days vacation in Miami and other parts of Florida.

Mr. and Mrs. J. F. Tyson and little son were guests of relatives in Halifax County during the holidays.

Mr. and Mrs. Kirby Barnes were Wilson visitors Monday.

Donald Blucum and Mrs. C. P. Baucum of Farmville were guests of Mrs. Mamie R. Holoway last Thursday afternoon.

Mr. and Mrs. B. L. Bateman and family were guests of friends at

THE DAILY REFLECTOR
January 10, 1910

In the destruction by fire of the Medical Department of Richmond College on night last week, Mr. Paul Jones, a son of ex-Representative S. M. Jones, sustained considerable loss. Mr. Jones was a member of the dental graduating class and all his instruments were destroyed. Miss Nontie Blow, who has been visiting her sister, Mrs. W. B. Wilson, left this morning for Littleton.

Bath last week.
Mr. and Mrs. Albion Moore of Hopewell, Va., were recent guests of Mrs. P. R. Hines.

Mr. and Mrs. N. R. Joyner of Greenville were Sunday afternoon guests of Mr. and Mrs. Gilmer Nichols.

B. P. Haynes and son, Karl, of Arlington, Va., were weekend guests of Mr. and Mrs. W. H. Elks of Ballard's.

Mrs. Fannie Mae Hines was a guest of her mother, Mrs. Fannie Bowen, in Greenville Monday afternoon.

J. E. Warren of near Belvoir was a Ballard's visitor Tuesday afternoon.

Mrs. J. J. McCoy and daughter, Betty Jean, were Ayden visitors last Sunday.

Mr. and Mrs. David Williford and son of Washington, D.C., were weekend guests of Mrs. J. S. Elks.

Miss Marie Tripp of Pine Tops was a weekend visitor of Mrs. Nettie Nichols.

Billie Suggs spent Sunday with relatives in Greene County.

Mr. and Mrs. Warren Reynolds of Ft. Belvoir, Va., spent several days last week with Mrs. Reynolds' parents, Mr. and Mrs. W. H. Elks. On Thursday Mr. and Mrs. Bennie Faulkner and son Tyan of Winterville were guests also.

James Wooten of Ayden was a Ballard's visitor Saturday.

Henry T. Cox of Ayden was a guest of Miss Sue Elks Saturday evening.

Johnnie O'Neal and Dupree Toler will make a business trip to Charlotte this week.

Noted Scholar To Review Book At Alumni Meet

E. J. Rutin, of the English Department, East Carolina Teachers College faculty, will review one of the outstanding books of 1949 at a meeting of the Greenville Chapter of the ECIC Alumni Association Friday evening at 8 o'clock in the alumni office at the college.

The book chosen by him to review at this time is "Language In Thought and Action," by S. I. Hayakawa, president of the International Society of General Semantics, of which Rutin is a charter member.

Rutin's chief reason for choosing the book is that he considers "how men use words and words use men" is indeed one of the prime problems of the 1950's.

Mrs. Dorothy Willard Johnson, vice-president, will preside during the business session in the absence from the city of Mrs. Thurman Dall.

A social hour will follow with Mrs. Arden Tucker, Miss Grace Smith, Mrs. C. D. Ward, Mrs. George Gardner, Mrs. Mildred Guthrie and Mrs. Wilton F. Fleming serving as hostesses.

The Greenville Chapter of ECIC is one of the largest alumni groups in the state.

Pitt Ministers To Confer Wednesday

The Pitt County Ministerial Association will have an important meeting at Eighth Street Christian Church Wednesday afternoon at 3 o'clock. Dr. H. H. Thompson of Atlanta, Ga., who will conduct the visitation evangelism program in March, will be present for the conference. The ministers of the county are expected to take with them to the meeting their key church workers, it was stated.

SHRINE MEETING

Charlotte, Jan. 10—(AP)—The 55th annual meeting of the Shrine's Oasis Temple will be held here January 19.

DISCUSS PROGRESS

Raleigh, Jan. 10—(AP)—The Parks Committee of the State Board of Conservation and Development met today to discuss progress on the restoration of Tryon Palace at New Bern.

Scout-O-Ree Planned For Greenville February 6-12

The first annual Scout-O-Ree will be held in Greenville by the Pitt district of the East Carolina Council of the Boy Scouts of America during National Boy Scout Week February 6-12, it was announced by Assistant Scout Executive Jack Hogarth yesterday.

The executive said that the Scout-O-Ree would initiate such activity in this section of the state and will be held directly after the annual father-son banquet during National Scout Week, February 6-12.

The Scout-O-Ree will consist of group activity such as knot tying, first aid relay, judgment of height and distance, a blindfold compass course, and knowing the compass.

Hogarth said that the Council was holding "his particular gathering in order that the fathers of the Scouts can find out what they are learning in the Scouting program."

In explaining the different group activities, Hogarth said that the knot tying is divided into two parts—a knot tying race in which four Scouts tie a knot around their legs

Geraldine Allegood Becomes Bride Of William W. Vincent

MR. AND MRS. WILLIAM WALLACE VINCENT

Mebane, N. C.—In a quiet, candid ceremony, marked by beauty and simplicity, Miss Geraldine Allegood, daughter of Mr. and Mrs. Claude J. Allegood of Greenville, N. C., became the bride of Mr. William Wallace Vincent, son of Mr. and Mrs. Don M. Vincent of Mebane, Saturday, December 24, at five o'clock. The wedding took place in the home of the groom's cousin, Mr. and Mrs. William Sellars.
The Rev. Thomas B. Hough officiated at the double ring ceremony. Miss Jocelyn Mackay sang the Lord's Prayer as a benediction.
The couple entered together.
The bride chose for her marriage a two piece original suit of blue gabardine, trimmed with white ermine. She wore matching hat and muff, upon which she pinned a white purple throated orchid.
Immediately following the ceremony, Mr. and Mrs. Vincent left for a wedding trip to points unannounced.
Mrs. Vincent received her education in Greenville City Schools and received her Bachelor of Music degree in voice from Salem College. She is now a public school music teacher in the Mebane school.
Mr. Vincent is in general mercantile business with his father in the Cross Roads community.

Scout Leaders In Meeting Monday

By WYATT BROWN

Thirty Cubbing and Scouting leaders of Pitt District Boy Scouts of America met last night at the Presbyterian Church, Jack Dowdy, District Commissioner, met with the Scoutmaster and Assistant Scoutmasters in a Roundtable for instruction, discussion and going of scouting techniques. Bob Wolf, vice-chairman of the district, met with Pack Masters and Den Mothers for instruction in Cubbing techniques.
Sherman Parks, District Activities Chairman, outlined plans for Annual Boy Scout Week February 8th through 11th. All Boy Scouts and Cubs dressed in uniforms will attend church at the Eighth Street Christian Church Sunday morning February 5th. Through Scout week troops will decorate show windows of leading businesses with Scouting things. On Thursday night of Scout Week a father and son banquet will be held for the Boy Scouts and one night in the week a Blue and Gold banquet for Cubs and parents.

Large Audience Hears Melchior Concert Here

Lauritz Melchior, called by critics 'the world's greatest heroic tenor,' sang last night at East Carolina Teachers College before one of the largest audiences ever to attend a concert on the campus. Approximately 2500 people, including music lovers from Rocky Mount, Tarboro, Kinston, Raleigh and other towns of this section of the state, gave the distinguished star of the Metropolitan Opera an ovation and recalled him to the stage repeatedly for encores.

College Facing Doubtful Future

Charlotte, Jan. 10—(AP)—Southeastern people's college here, accused by the government of fraud, faced an uncertain future today.

The State Committee on Veteran Education yesterday withdrew its approval of the school. That means that subsistence payments to students attending under the GI Bill of Rights will be cut off January 31. The Veterans Administration must make payments only to schools on the approved list.

Calls Attention To Escheats Law

Raleigh, N. C., Jan. 10—(AP)—Attorney General Harry McMullan warned 19 banks yesterday they are not complying with the State's escheats law.

The law provides that unclaimed bank deposits shall go to the University of North Carolina.
McMullan said the larger banks in the state have reported compliance with the law. He asked the 19 banks to which he wrote to comply or explain.

Bookmobile Schedule

THURSDAY
Keel's Store—9:45-10:00
McWorter's Station—10:45-11:30
Bethel High School—11:35-12:15
Bethel Public Library—11:35-12:15

Some shrimplike animals live on the hedges of the ice near the North Pole; others are found in the boiling waters of hot springs.

Melchior's concert was sponsored by the college Entertainment Committee as one of a series of attractions for the present school year.

Leonard Eisner, pianist and accompanist for Melchior, appeared on the program as assisting artist and won warm applause with groups of selections by Chopin, Gershwin, and Liszt.

Melchior's scheduled program included six groups of songs. Most enthusiastically received by the audience were a group of Wagner selections and a series of popular numbers including songs from motion pictures in which Melchior has starred and from "South Pacific."

Following the concert, Dr. John D. Messick, East Carolina president, and Mrs. Messick entertained at their home on Fifth Street in honor of the famous tenor and Mrs. Melchior.

Workshop, Conference Scheduled On Drama At College On Jan. 21

The department of English at East Carolina Teachers College has announced that it will sponsor a workshop and conference on the drama which is scheduled to take place on the campus Saturday, January 21. Invitations to attend are being sent to a large group of teachers in the eastern section of the state and to others interested in the drama and its function in the schools. All who wish to attend will be welcomed by the sponsoring group.

Dr. Lucile Turner, director of the department of English, and other faculty members of the department are arranging plans for the day. Dr. Lucile H. Charles, director of speech and the drama in the English department, is in charge of the program.

Cooperating with plans for the conference are Mrs. Howard Mims, dramatic director in the city high school; Mrs. J. H. Rose of the Rose School of Speech in Greenville; and Mamie Chandler, director of activities among Methodist students at East Carolina.

Presentation of four short plays, a round-table discussion based on these productions, and a luncheon in the college dining hall will be included on the schedule for the day. The plays will be given in the Flanagan auditorium between 10:00 o'clock and noon Saturday morning. Productions will show as nearly as possible what can be done by students working under classroom conditions and with a minimum of scenery, properties, costumes and make-up.

Group presenting these short dramas will be The Rose School of Speech, the Wesley Foundation Players of the Methodist Church in Greenville, the Dramatists of the Greenville High School and the Teachers Playhouse of East Carolina Teachers College. Dr. Charles will serve as chairman of the round-table discussion in the English Laboratory of the Austin building from 1:15 to 2:15 Saturday afternoon.

Closed Talks On Cotton Acreage

Washington, Jan. 10 — (AP) — The House Agriculture Committee met in closed session today to consider legislation proposed by its chairman, Rep. Cooley (D-MO), to limit cotton acreage cuts.

Cooley has invited all congressmen to a special closed meeting with the committee tomorrow.

A special congressional cotton committee last month agreed unanimously to his proposal. It asks that cotton acreage on a farm be at least:

(1) 70 per cent of the average acreage actually planted in 1946, 1947, 1948. Or (2) 50 per cent of the highest acreage planted to cotton in any of those three years—whichever of the two figures is higher.

Congress last year passed a law cutting the 1950 cotton acreage to 21,000,000, or 6,000,000 below 1949. Some growers complained that they

were cut as much as 75 per cent. Cooley said that later the committee will consider the law at a public hearing and deal with all complaints.

Loyalty Pledged By Crocodile's Tooth In Africa

Dunga Territory, Belgian Congo. — (AP) — With songs, dances and drums Dekpe the First became the sultan of 100,000 Azande tribesmen living in 30,000 square kilometers of forest in North-Eastern Congo recently. He came to the throne after vanquishing a court intrigue which arose from the fact that his father Gilima, had 20 wives and a correspondingly abundant number of off-spring, of whom 21 were males.

Though not the eldest, Dekpe became the favorite son. It was his father's dying wish that Dekpe should follow him upon the throne.

Dekpe was proclaimed Sultan and one of the minor chiefs stepped forward to pay homage. Seizing a crocodile tooth, they lifted it on high, scratched the ground with it and then bowed to the new Sultan, saying:

"May I die in the coming year if I do not fulfill what I now pledge by the tooth of the crocodile."

Belgian Shipping Is Near Normal

Brussels — (AP) — Belgium's merchant fleet has almost recovered prewar dimensions. Until Sept. 30, 1949 one hundred ships were flying the Belgian tricolor with a gross tonnage of 414,729.

This compares with the 101 ships in the fleet as of May, 1940, when Belgium was invaded. They had a gross weight of 433,000 tons.

U.S. Books Sell Well In Germany

Frankfurt, Germany — (AP) — Gen. Eisenhower's war memoirs and "Gone With the Wind" have hit the best seller lists in Western Germany. They have sharp competition from "Daddy Long Legs" and "Anthony Adverse."

Germany's book publishers have struck a bonanza in American and British titles. As many as 200,000 in German translation have been sold in one month. Many newspapers are serializing translations of these works.

CLERICAL PAINTER — The Rev. Omer J. Chevrette works on "Peter's Denial," one of thirteen frescoes he has completed for the Church of the Immaculate Conception in Fitchburg, Mass.

Rotarians Shown Films On Europe

By WYATT BROWN

Color movies of the Rhine river, Bavarian Alps and the city of Heidelberg were exhibited for the Rotarians and guests last night by Lt. Col. Warren G. Davis, Unit Instructor for Organized Reserve Corps, whose headquarters is in Greenville. Lt. Col. Davis took the pictures during his tour of duty in Germany following World War II.

Proceeding to the showing of movies, Charles Bisette, chairman of the Rotary Camp Hardee read a copy of a letter sent to the local Girl Scout Council from the Regional Girl Scout Office about camping and Camp Hardee. Commendation was accorded the leaders of Greenville Girl Scouts for affording the scouts opportunities for camping the year around. The letter took note of the fact that Camp Hardee was full during its summer season and had satisfied National standards required of all Girl Scout camps.

Bancroft Moseley presented Louis Gaylord, Jr., president of the Greenville Junior Chamber of Commerce. Gaylord spoke urging study and action about the Hoover Commission report. The local Jaycees are promoting interest in the Hoover Commission report and last night the Jaycee president urged Rotarians to write their representatives in the National Congress insisting on the North Carolina delegation's voting for or initiating measures to secure economies recommended by the Hoover report.

Guests of the club were Dick Franklin of Maplewood, New Jersey, and Dr. H. F. Eason of Wilson. Visiting Rotarians were Arch Flanagan, and Dr. Jaul Jones of the Farmville club, J. B. Bunting of the Bethel club and Leo Grutch of the Graham club. Badger Johnson presented the program last night. Ernell Webb, club president, presided.

Thomas Jefferson recorded planting spinach in his garden in 1811.

Will He Be Forgotten?

Bundy Installs Masonic Officers

The officers for the current year of Greenville Masonic Lodge No. 28 A.F. and A.M. recently were inducted into office during a public ceremony, held in the Masonic Temple here.

The retiring master, Hugh J. Sawyer, presided during the ceremony. After extending a welcome to the ladies and other visitors present for attendance at a public Masonic ceremony, the master of the lodge expressed appreciation for the cooperation and support given by the officers of the Lodge, and the members during his term as master.

He then presented Wm. J. Bundy, past grand master of Masons in North Carolina, who installed the new officers in a solemn and impressive ceremony. After enumerating the duties of the officers, he administered the oath of office, charging them to discharge their duties conscientiously and diligently. Past Master F. L. Whitehurst acted as marshal for the ceremony.

After the installation ceremony James W. Brewer, past district deputy grand master for the Fifth Masonic District, presented the retiring master with a past master's jewel on behalf of the Lodge as a token of its esteem and affection. The new officers pledged their support and cooperation to the new master and for the welfare of the

Lodge.

The following elective and appointive officers were installed during the ceremony: Rufus H. Harrell, master; Walter Glenn Garner, senior warden; Harold E. Alder, junior warden; W. Herman Hardee, treasurer; Arch R. House, secretary; Walter E. Boswell, senior deacon; George Smith, junior deacon; Raymond L. Smith and Carey A. Joyner, stewards; Ed D. Austin, tiler; Nash R. Joyner, marshal; Jesse W. Brown, chaplain; and F. L. Whitehurst, house committee man for three years.

Reelected, but not present for the installation, was B. B. Sugg, trustee for three years.

Dr. Leo W. Jenkins Speaks At Beaufort

Dr. Leo W. Jenkins, dean of instruction at East Carolina Teachers College, was the guest of the Parent-Teacher Association of Beaufort, N.C. Monday evening of this week and addressed a large group of members of the organization. Dean Jenkins' appearance on the Beaufort program was arranged by Mrs. Leslie G. Moore, program chairman of the PTA there.

Training for citizenship as a major goal of PTA work was stressed by the East Carolina dean in his talk. "It is never too early," he said, "to begin training young people for citizenship in a democracy." Such training, he stated, is part of the organization's purpose of making better living for children possible.

The U.S. Bureau of Mines has been studying the effect of washing coal since 1910.

Byrnes Appears In Circuit Court To Argue Appeal

Charlotte, Jan. 10 — (AP) — James F. Byrnes appeared in U.S. circuit court here today in a patent infringement suit.

He argued the appeal of two textile companies in an action that is said to affect 164 other mills. Byrnes, among other things, is a former Supreme Court justice. He lives at Spartanburg, S.C.

Baker Cammack Hosiery Mills, Inc., and Baker-Mebane Hosiery Mills, Inc., appellants, asked reversal of a federal district court decision favoring the Davis company, a holding firm.

Six patents related to elastic top hosiery are alleged to have been infringed by Baker-Mebane, and five of the same patents by Baker-Cammack.

The Davis company's complaints seeks an injunction and an accounting. The appellant's claim that 164 other mills are bound by the federal court's decree, except on infringement charges.

Mild Weather

The highest temperature recorded by the local U. S. Weather Bureau observer was 69 degrees. Lowest last night was 41, and at 8 a. m. today the mercury stood at 51, and it was rising.

Highest temperature a year ago was 69 degree, lowest that night, 41, and at 8 a. m. next day it was 45 degrees.

Sixth Suspect In Fish-Fry Holdup Under Arrest

Goldboro, N. C., Jan. 10 — (AP) — A sixth suspect in the fish fry holdup staged near here last November has been arrested.

Deputy Sheriff Roy Percise said yesterday that Claude Chappell of Raleigh was apprehended in Philadelphia.

Sheriff Paul Garrison said Chappell refused to waive extradition and would be given a hearing in rents left.

Philadelphia Jan. 10.

Five other men previously had been arrested in the case.

The robbery occurred Nov. 8 at an abandoned dance hall named the Hole-in-The-Wall near the Neuse river in Wayne county. Officials said three armed men made away with about \$2,000 in money and jewelry.

Eels in America and Europe leave their streams and swim to the warm Atlantic waters north of the Equator. There they produce their young and die. The young eels swim back to the same homes which their parents would be given a hearing in rents left.

Jackson - Jefferson Dinner Is Losing Tar Heel Significance

By LYNN NISBET
Raleigh, Jan. 10 — North Carolina's capital city is accustomed to occasional visits by distinguished politicians, but come January 28 the old city will have more Democratic top brass than anybody can remember visiting the state at one time before.

In fact, there will be so many national and out of state big-wigs on hand the occasion of the annual Jackson-Jefferson dinner will lose its North Carolina atmosphere entirely. Instead of the annual dinner serving its traditional purpose as a meeting of state Democratic leaders to discuss North Carolina politics, it is more likely to become a circus with quite a ring full of big folks on display.

This situation has arisen because Jonathan Daniels, national committeeman, arranged a southern regional conference for the same date as the state dinner. Vice-President Alben Barkley had previously been announced as principal speaker for the dinner. News that he would be accompanied by his bride of a few weeks added to the attraction, and state Democrats were looking forward to a good time. Then came announcement of the regional conference to which have been invited Democratic governors, national committeemen, members of congress and others from every state from Maryland to Texas, inclusive. This conference will be attended also by leaders in the Truman administration at Washington. Here's a partial roll-call:

Vice-President Alben Barkley; Democratic National Chairman William Boyle and vice chairman Mrs. C. W. Thietz; Secretary of Agriculture Charles Brannon; Secretary of Commerce Charles Sawyer; Secretary of Defense Louis Johnson; Secretary of the Interior

Oscar Chapman; Secretary of the Army Gordon Gray; Under-secretary of State James Webb; Comptroller General Lindsay Warren.

Secondary cabinet positions will be represented by Paul Aiken, second assistant postmaster general; John Graham, assistant secretary of the treasury; Lamer Caudle, assistant attorney general; James Bruce, special assistant to the secretary of state. Others expected include Charles Murphy, special counsel to the President; David Stowe, administrative assistant to the President; Mrs. Georgia Neese Clark, treasurer of the United States; Leslie Biffle, secretary of the U.S. senate; O. K. LaRoque, member Home Loan Bank; Jack Reading, director of publicity; and Mrs. India Edwards, director of women's work for the national committee.

Sure, it's a galaxy of shining stars in the Democratic firmament and their coming to Raleigh is an honor to North Carolina. Their presence also means the Jackson-Jefferson dinner will lose its state significance, and attention will be focused on national and international rather than state affairs. There may be basis for the suspicion that Committeeman Daniels had that purpose in mind when he arranged the common date. There will be less opportunity for Tar Heels to talk about United States senators and members of the general assembly.

The visiting dignitaries will impose an extra burden of a hundred or so seats at the dinner table, which was already expected to be overcrowded with eager Carolinians. With maximum capacity of about 600 diners at the Sir Walter, dinner managers are considering possibility of splitting the affair between two hotels or moving the whole business to the Raleigh auditorium, where there is plenty of room but admittedly poor facilities for serving a course meal.

Raleigh can take care of a state dinner or a regional conference. It does not have facilities to take care of both at the same time. And from national viewpoint and prestige of the national committeeman, the regional conference is more important. That may be why Everett Jordan, state chairman of the Democratic party, observed at a press conference Saturday, "It is unfortunate that the two events were scheduled for the same day."

Gambling Probe At Wake Forest

Wake Forest, Jan. 10 —(AP)—Wake Forest College's student council is investigating gambling charges against some 30 students, according to a council member.

He added that recommendations will be made that some of them be expelled. The council member, who asked that his name not be used, made the disclosure yesterday.

The gambling probe was disclosed a week ago. However, since it coincided with a similar SBI probe, the council withheld its action temporarily.

Both investigations are an outgrowth of the slaying of Roy Coble, whose mortally wounded body was found in a car on the college campus almost a month ago.

Coble was found shot and bleeding to death in the car of Raymond Hair, 23, who ran from the police when they spotted Coble. He still is loose. In Coble's pockets were found checks for several hundred dollars which allegedly were payments for his poker winnings.

Meanwhile, the SBI announced it has searched Hair's home in Fayetteville. SBI Chief Walter Anderson admitted yesterday that such a search was made, but did not say when. It was the first time that police officials had revealed an effort was made to search the home. Hair's father is a prominent Fayetteville dentist.

All Anderson would say about the search was that "Hair certainly was not on the premises."

Discharged Game Warden Indicted

Dobson, N.C., Jan. 10 —(AP)—The Surry County grand jury yesterday indicted William A. White, discharged game warden, on a charge of embezzling more than \$5,000 in hunting and fishing license fees.

Superior Court Judge Dan K. Moore signed a warrant for his arrest. The trial bill alleged that during the five years he was Surry County warden he failed to turn in the money to the State Wildlife Commission. He was discharged last Dec. 7.

Graham Appoints William Staton

Washington, Jan. 10 —(AP)—Sen. Graham (D-NC) announced yesterday that he has appointed William W. Staton, Sanford lawyer, as his secretary in North Carolina.

Staton will not be on the public payroll. Graham is running for election.

Nine Counties 'Disaster Areas'

Washington, Jan. 10 —(AP)—The Agriculture Department has designated nine more North Carolina counties as disaster loan areas.

They are Bladen, Columbus, Cumberland, Harnett, Hoke, Richmond, Robeson, Sampson and Scotland. Many farmers in these counties suffered loss last year from cotton boll weevil and unseasonable rain. Now they may obtain emergency loans from the Farmers Home Administration.

Beer-Wine Vote Planned In Davie

Mocksville, N.C., Jan. 10 —(AP)—The Davie County Elections Board announced last night that it had received enough valid signatures to call a county beer-wine vote. The petitions were presented by dry forces.

The board said it would set the election date probably in a few days.

EIGHT PAROLES

Raleigh, N.C., Jan. 10 —(AP)—The Paroles Commission announced the paroling of eight prisoners yesterday, two of them convicted of second degree murder.

JUNIORS OF THE BALLET — Selected candidates for the Royal Danish Corps de Ballet start their training at the age of seven in a class of the Ballet School at Copenhagen.

New Trial Opens For Prison Head

Rockingham, Jan. 10 —(AP)—The new trial ordered by the State Supreme Court for Ned L. Carpenter was scheduled to begin today in Richmond Superior Court.

Carpenter, former Richmond County prison camp superintendent, was convicted in the court last July of "assault in which serious injury was inflicted" while carrying out prison department regulations.

The indictment charged that Carpenter, as prison superintendent, "did hang Clarence Lett by his arms on the wall for 70 hours."

He was given a nine-month road sentence by Judge Susie Sharp, suspended on condition he pay a \$200 fine. He appealed to the Supreme Court, which ordered that he get a new trial. The high court ruled that Judge Sharp erred in her charge to the jury.

Witnesses at the first trial testified Lett was handcuffed to cell bars for about 52 hours.

Following his trial, the State Highway Commission changed its prison rules, finally reducing the limit to which a man could be handcuffed to 24 hours.

Mining Town Missed Part Of Tradition

Cripple Creek, Colo. —(AP)—Unlike most Colorado gold camps, Cripple Creek had little of Indians, trappers and vigilantes in its early history.

It developed from a gold discovery in the 80s and from the beginning had telegraph, railroads and brick buildings.

Colored News

The Civic League will meet at the Y building tonight at 8 o'clock. All members are asked to be present. J. E. Nimmo, president.

The Explorers and Boy Scouts are asked to meet at the Y building Wednesday night, January 11. T. T. Mitchell, advisor.

Mrs. Mary Taylor has returned from Georgetown, S. C., where she spent almost three weeks.

The Matrons' Social club met at the home of Mrs. Gracie Anderson January 4 with many of the members present. The election of officers was carried out.

Let's get together in this new year and work with a determination and carry out our slogan and meet as often as possible.

The club celebrated its second anniversary with guests on December 29.

The next meeting will be at the home of Mrs. Mary Brewington, Pitt Street extension, on January 11.

Dr. Stoval spent the day in Grimesland Sunday, January 8. While there, he attended the White Oak Baptist church, Rev. C. C. Station, pastor.

He was the dinner guest of Mr. and Mrs. W. N. Payton, Sr. Other dinner guests included Mr. and Mrs. A. L. Mills, Jr. and Mrs. Lillian Ruth Hardy of Greenville, Mr. and Mrs. J. W. Ormond and Mr. J. R. Payton of Ayden, Mr. and Mrs. W. N. Payton, Jr. of Kinston and Miss Marion B. Payton, daughter of the Paytons and a teacher at Beaufort.

CANDY-BAR PAINTER — Six-year-old Nishida Hiroshi, who paints only when bribed with candy bars, works at his home in Tokyo where he will have an exhibition in the Spring.

Enlistments In Army Suspended

Enlistments in the U.S. Army have been suspended for the month of January, T-Sgt. Robert W. Coleman of the Greenville U.S. Army and U.S. Air Force Recruiting station, announced today.

The suspension order does not apply to men reenlisting to fill their own vacancies, those reenlisting within ninety days from date of last discharge from the Army, nor to the enlistment of women for the Women's Army Corps, the recruiter said.

T-Sgt. Coleman stated that the Air Force has granted the Greenville Army and Air Force Recruiting station a quota of 4 enlistments for the month of January, which is an increase over the same quota for December, and is the largest quota received for Air Force enlistments since June 1948.

The recruiter termed the suspension order as temporary, and stated that notice would be given the public when the order is lifted.

More Potatoes, But Not Better Ones

Devis, Calif. —(AP)—Fertilizing a potato field will produce more potatoes, but they won't be any richer than if you didn't, says Dr. O. A. Lorenz of the College of Agriculture here. He analyzed chemically the

potatoes from fertilized and unfertilized fields. Spud for spud, he found that they had about the same content of nitrogen, phosphoric acid and potash.

Rancher Rides Long Gas Line

Astec, N. Mex. —(AP)—Kenneth Blancett, a rancher near Astec, rides nearly 5,000 miles on horseback each year, just to keep an eye on the gas. Blancett is one of four line riders for the Southern Union Gas Company in northern New Mexico. He and his big red stallion, Shamrock, have to buck searing summer heat and bitter winters, mountains, canyons, and desert, snow, mud and sand-whipping winds.

He spends the nights in cabins furnished by the company—cabins which have telephones, gas lights and gas cooking ranges.

Relieve Monthly Distress

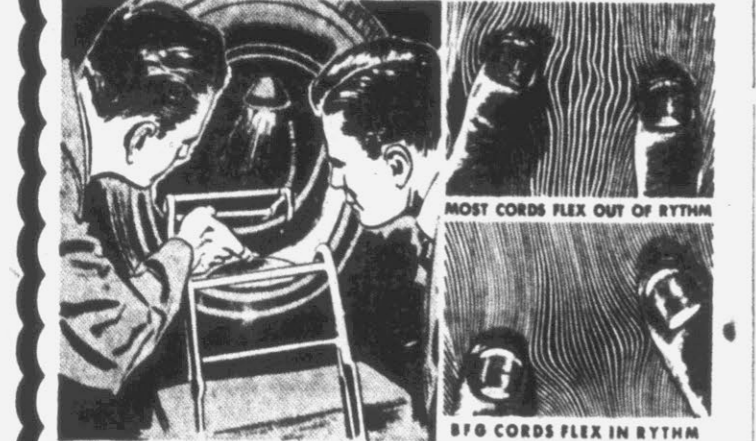

Before Pain Starts
Sounds almost impossible, doesn't it. Yet tests prove that many women who take Cardul a few days before painful periods get happy relief and sometimes suffer no cramps at all. You see, monthly distress is commonly due to spasms of the uterus. By helping control these spasms Cardul has aided thousands of joyful women escape this monthly ordeal. See if Cardul doesn't surprise you, maybe get you by those awful days in wonderful style. It's certainly worth trying! Ask today for Cardul.

Ben Hogan Nears Greatest Triumph

May Be Within A Couple Of Short Putts Of No. 1 Comeback Of All Time; Gallery Is With Him

Los Angeles, Jan. 10—(AP)—Ben Hogan, the erstwhile cripple, may be within a couple of short putts today of his greatest triumph. If he makes it, a lot of fans will call it the No. 1 comeback of all time. But if little Jerry Barber is his victim, that rainstorm Sunday may prove the costliest of his or any other golfer's career. As the field takes off in the final round of the \$15,000 Los Angeles Open, the tendency is to assume that Hogan will win it. He's come back so far now from that Texas highway crash that nothing seems impossible.

But he, and his loudly loyal gallery, may be reckoning without a craftsman almost as cool as ban-tan Ben himself. Barber already has seen a cinch win in this richest of winter tournaments washed into the nearby Pacific, yet he has hounded back to shoot even better golf. The 140-pound golf glove salesman from Pasadena put a one-over-par 72 with his previous 69-68 yesterday to take a two-stroke lead in the tourney at 209. Hogan, who was tied for 16th after the first round, carded his second successive 69 to wind up only two strokes back.

You could get all sorts of arguments in the locker room and grill at Riviera Country Club last night over whether Hogan, who was feared to be hopelessly crippled less than a year ago, can do it. Most of the players think he can. Fair weather is forecast and Hogan reports he's feeling good. His legs have carried him this far and there seems no reason why they can't go another 18 holes. For Barber, the picture has changed a lot since Saturday. Then he was two strokes ahead, but his nearest competitor was Henry Ransom, another virtual unknown. Came Sunday. Almost swimming, he shot a two-over-par 73 while the rest of the field floundered so sadly that only one par was turned in. A lot of the entrants quit, but were given another chance when the rules committee, after long debate, ruled the course unplayable and sponsored Barber's 210 off the scoreboard.

Volts Scheduling Eleven Contests

Knoxville, Tenn., Jan. 10—(AP)—Tennessee's 1950 schedule, announced today by Athletic director Bob Neyland, lists 11 games for the first time in the school's history. The Vols will open next Sept. 23 against Mississippi Southern here. Only other change in Tennessee's slate is the substitution of Washington and Lee for Georgia Tech.

Crowd Pleaser

Hershey—(AP)—Bill Moe, former Minnesota football ace and now colorful defense star of the Hershey Bears of the American Hockey League, has long been a favorite in any city his team visits. In a recent game in Buffalo where the fans are especially fond of Moe, a huge sign was hung on the penalty box, "Reserved for Bill Moe." But Moe fooled them and didn't visit the box all night.

Dead Bird

Philadelphia, Jan. 10—(AP)—Blue Jay is a dead bird as far as the Philadelphia Phillies are concerned. For years the National League baseball club was known simply as the Phillies. Then in 1944 a contest conducted among fans, the name "Blue Jays" was selected. President Robert R. M. Carpenter said yesterday that from now on the team will be known only as the Phillies. The name "Blue Jays," he said failed to catch the public's fancy.

New Rose Bowl Pact Seen Soon

Washington, Jan. 10—(AP)—Kenneth L. Tug Wilson says he expects a new Rose Bowl football pact between the Big Ten and Pacific Coast conferences to be signed shortly. Wilson, Big Ten commissioner of athletics, declined to name the date. He did predict the two conferences would get together this week in New York City at the annual meeting of the National Collegiate Athletic Association and make final arrangements. Wilson also said the new agreement "may be for years to come, not just five." Other Big Ten western conference officials who attended the U. S. Olympic Association meeting here told a reporter that "the Big Ten would like to have the new pact drawn up for a ten year period or longer." There have been some reports that the Big Ten-Pacific Conference Rose Bowl tie-up might be weakening. However, one Big Ten veteran commented: "The Coast's pride won't let them quit now. They're gut to give us a shellacking from now on."

Airport Will Be Baseball School

Philadelphia, Jan. 10—(AP)—Florida's International Airport at West Palm Beach will be the scene of Connie Mack's baseball school this year. Art Ehlers, director of the Philadelphia Athletics farm system, announced yesterday the school will run two weeks starting Feb. 20. The faculty will be headed by Ira Thomas, veteran scout; Chief Bender, one of the Athletics' great pitchers of other years; and Bernie Guest, coach of Pennsylvania's freshmen line.

Mikan Average Hits 28 Points

New York, Jan. 10—(AP)—Averaging better than 28 points per game, George Mikan of the Minneapolis Lakers today stood supreme among the leading scorers in the National Basketball Association. The six-foot-ten Laker center has scored 954 points in 34 games. Mikan's net of 324 field goals and 306 free throws also set top marks for the 17-team circuit. Second to his gangling Mikan is Indianapolis' Alex Groza, who has tallied 798 points in 33 contests for a 24.2 average. Since the northern division of the Pacific Coast Conference was formed in 1923, the University of Washington basketball team has won 260 league games and lost 131.

Sport Slants By Pap

At the rate Chuck Share has been developing, the Bowling Green ace should take his place beside the all-time collegiate basketball greats. Share has everything, including six feet, eleven inches of altitude. In successive years Share scored 246 then 387 and 512 points for Bowling Green so he stands an excellent chance of erasing Don Otten's supposedly unbeatable Bowling Green record of 1,312 points. He needs only 187 points. Share spent much of his freshman year riding the bench but came along rapidly as a sophomore and accounted for an average of 14 points per game. He grew an inch between his sophomore and junior seasons. Even more important was his improvement in handling the ball. The young giant is not one to be satisfied with the assets nature gave him. He spends endless hours perfecting tricks and shots to make his efforts from the pivot more effective. He is forever handling a basketball, polishing his style and adding finesse to his faking and court maneuvers. At the close of last season, Share was voted the most valuable player by the teammates. His top performance came in the Kentucky game when he scored 25 points against the Wildcats' Alex Groza. In addition to controlling the boards, Share has a very good shooting eye, as his 47 percent average for field goals indicates. His overhead set shot from the outside is just about impossible to stop.

Bethel Sweeps Overtime Games From Robersonville

Bethel, Jan. 10—The Bethel Indians took two close games from Robersonville last night as the boys won in overtime 41-37. The score of the girls' game was 25-23. With the score all tied up at the end of the regulation game at 33-33, the boys went on to win in the allotted five minutes going away. W. R. Bullock of the Indians put the game on ice in the last 25 seconds by sinking a free throw. Bethel held off Robersonville for the remaining minutes to send the two teams into the overtime. During the opening minute of this period two juk buckets by Bobby Manning and Frank Hemingway put the Bethel team ahead to stay. A basket by James Keel for Robersonville was the only goal scored during the period by the visitors. The game was marked all the way through by the fact that neither team was separated by more than five points. High scorer for the night was Center James Keel of Robersonville with 17 points. Manning of the locals was runnerup with 10. The girls continued their spirited rivalry in the preliminary. Most of the game saw Bethel leading with a commanding majority but in the waning minutes they let Robersonville catch up and all but put the game into their laps. High scorer for Bethel was Mary Ella Moore with 15 points—high for the night. Next games for Bethel are at Arthur tomorrow night and with Winterville there Friday night.

Pro Football Merger Is Credited With Bringing Better Times Ahead

New York, Jan. 10—(AP)—Weep no more for the pro football moguls—they're in for better times now that the National Football League and All-America Conference have merged. That's the overwhelming sentiment of the country's sports writers who responded to the query in the Associated Press' annual year end poll. The question was: Do you foresee better times ahead for professional football now that rival leagues are merged? Or will professional gates decline? There are happy days ahead in the eyes of 72 writers. Another 15 thought the gates would decline while four were of the opinion that they would stay substantially the same. Of course, it must be remembered that for the past year or two anguished cries emitted from the magnates of the pro football teams. Yet the National Football League not only showed an increase in attendance figures last season over 1948, but the majority of the teams finally "admitted" they made some money. In the All-America Conference, it was a different picture. Attendances fell off, and many of the clubs lost money.

Belt For Athlete

New York—(AP)—Ray Hickok, Rochester, N.Y., sportsman, plans to present a \$10,000 diamond-studded belt to the professional athlete of the year for 1950. Hickok, former captain and stroke of the Rollins College crew, plans to have 150 sports writers vote on the year's top professional athlete.

Phantoms Meet Edenton Tonight

The Greenville High School Phantoms will open their conference schedule at home tonight when they take on the Edenton varsity at the high school gymnasium. Game time is 8 p. m. Having lost their first conference game to Kinston last week, the local five will be out to avenge that defeat and start anew. O. E. Dowd, head of athletics at the high school, said today that Edenton has a much improved team over last year's and that the locals "expect a pretty close ball game." In last season's campaign the Phantoms took two games from the visitors. However, Dowd said, both teams are pretty evenly matched this year because most of the players are of the same age and experience. "With a new coach at Edenton for the past two years," he said, "they have come a long way in improving their athletics." This year's Phantom club is made up mostly of last year's juniors who gave the regulars a run for their laurels and now find themselves on the starting club. With Briley at center, Dillingham and Haynes at forward, and Cox and Sawyer at guard, the locals now have an all-round team which should prove itself in further conference competition. Prior to the varsity encounter tonight, the juniors go on the boards at about 6:30 against the visiting juniors from Edenton. The game last Friday night between the local and Raleigh juniors proved to be one of the best games—junior or varsity—seen hereabouts this season. The Greenville youngsters took that one in overtime, 45-44.

3 Senior Bowl Players Claim 'Loss' On Deal

Dallas, Jan. 10—(AP)—Three of the eight Southwest Conference football players who played in the Senior Bowl at Jacksonville, Fla., figure they "lost" on the deal. Guard Theron Roberts of Arkansas thinks he came out a "little ahead" and the others broke even or were not affected by a Southwest Conference ruling. The Conference notified each of the players that if they participated in the Senior Bowl game financial aid from their schools would end. Southern Methodist guard Jack Halliday, Baylor tackle Rupert Wright and Baylor end J. D. Ison were the ones who "lost." Texas backs Paul Campbell and Ray Borneman figured they "broke even." Southern Methodist back Doak Walker already had turned pro. Another SMU back, Dick McKissack, graduates at mid-term.

Eight Injured In Free-For-All

Fairmont, Jan. 10—(AP)—A free-for-all broke out among spectators at a Negro high school basketball game here last night. Eight persons, including a girl, were hurt after the knife-wielding fist fights and bottle-throwing ended. Afterward shots were fired outside the Rosnwald school but no one was hit. Policeman L. F. Hardin said no arrests were made. There are certain "soldiers" among ants whose duty is to defend the colony.

Patients Hope For An Accident

Fort Bragg, N. C., Jan. 10—(AP)—Patients at the Fort Bragg hospital hope that Private Harold S. Pike will take another ride in his jeep soon. The 504th airborne infantry soldier's jeep struck a deer while he was riding over the reservation during the week-end. He took the injured animal to the post hospital where it was pronounced dead. Venison was on the hospital's menu yesterday.

Davidson Cagers Tangle Tonight With Wolfpack

Richmond, Va., Jan. 10—(AP)—Southern Conference basketball teams today extended their expressions of deepest sympathy to Davidson College's Wildcats. Nobody was dead, but the league squads had a pretty fair idea of what the Wildcats would be feeling like this time tomorrow after tangling with North Carolina State's Wolfpack tonight. For the Wildcats have the unenviable task of meeting State on the rebound—only the third time it's happened in the conference in the last four years. Duke's Blue Devils whipped State Saturday night, 58-55, and it's a bit unfortunate that Davidson had to be next on the State schedule, even though the teams will be playing at Davidson. The Wolfpack's first conference loss under the coaching of Everett Case came during the 1946-47 season, when another Duke outfit licked State, 60-53. Wake Forest was next on the Wolfpack schedule and received a 65-48 drubbing from aroused State. State went unbeaten in conference play in 1947-48, but Wake Forest provided the upset of the year in the 1948-49 season by upending the Wolfpack 52-49. This time it was William and Mary who came next on the State slate, and the Indians took a 66-52 shellacking. What will happen tonight is anybody's guess. But State already holds a 77-43 verdict over Davidson, and 14 other conference teams are just as glad they're not in the Wildcats' shoes. Tonight's schedule is the heaviest of the season with five conference games on tap, including the State-Davidson set. Another top attraction will find George Washington at Virginia Tech in a battle which will see one of the two squads wind up with its second league defeat of the season. Other games on tonight's slate find William and Mary at Maryland, Wake Forest at Clemson and Furman at South Carolina.

Big Night For Indiana Quint

By the Associated Press
The Anderson Packers, the "scoringest" team in the National Basketball Association, today could attribute their slim western division lead to their fine marksmanship. The Packers, who have been averaging almost 89 points per game hit on all cylinders last night, whipping the Shoboygan Redskins, 112-89, at Anderson, Ind.

Chapter 8

Valse considered that, deeply thoughtful for a moment, but not offended. People, he had long ago learned, had a way of saying things which they did not mean and that seemed to him to be particularly true of women.

He found that Wanda Daniels was eying him gravely, and he asked an abrupt question.

"You and Saralee good friends?"

"I guess you could call us that," Wanda agreed.

"This 64—who runs it?"

"I do," she said briefly. She gestured off toward a wooded section in the hills with a nod of her head.

"She went that way," she said.

"Thanks," Valse agreed. "It's a pleasure to have met you, ma'am."

He liked his hat again, turned his horse as she had indicated. Being a woman, Wanda probably believed that Saralee had not meant quite what she said.

He came upon her an hour later. Saralee had dismounted, leaving her horse to graze as it pleased. She was standing beside a tiny stream, gazing down into its depths, when she heard him, and turned with a little start.

Looking at her, it seemed to Valse as though the long years had been swept and this was yesterday again. But he knew that she saw a change in him. There was shock in her eyes, so that he knew that she had recognized him. And with it came a little change—a small, indefinable something in her face, a sort of calculated withdrawal which had not been there in the old days. For a moment the silence held, and then he was off his horse.

"Saralee!" he said.

"What do you want?" she asked.

"Saralee!" he repeated. "Surely you know me?"

Slowly she shook her head. Her voice was almost a whisper.

"I don't know you," she said.

"But you must!" he persisted. In that moment all the uncertainty of the years, the pain and yearning, were in his face, throbbing in the lines of his voice. "Saralee! You must know me. Won't you let me explain?"

She had recovered her composure by now, and was eying him searchingly.

"What is there to explain?" she asked, and then, almost feverishly, she hurried on.

"You couldn't be the man you claim to be. He wouldn't have left me all these years, to wait without a word. And now it's cruel—cruel to come and try to get what doesn't belong to you, and to even claim to be alive. Why don't you go on up the trail and let me have a little peace?"

She turned then, almost running to where her horse stood half hidden by a clump of brush. It was like the flight of a wild thing. Valse followed and his voice stopped her.

"Saralee! You can't go this way!"

"I'm going," she said. "Don't try to stop me!"

"But you know that I'm alive! Won't you even listen to me?"

"I don't know anything of the sort," she said breathlessly. "Please go away!"

She had reached her horse, and she swung hastily into the saddle, jerked it around, and was gone in a sudden burst of speed. Valse stood where he was, gazing after her, his face washed out and empty. He suddenly looked years older.

She had known him—he was certain of that—and knowing him had put wild panic into her heart. Why? His face hardened. Had she told him simply that the no longer loved him, that five years had made a change in her life such as they had made in him, he would have understood, and accepted it. But when she knew that refusal to admit the truth was keeping Armin Zachary in control of the Gun, and Zachary was the man whom she was now planning.

Manhunt Under Way For Pair Charged With Brutal Massacre

Kosciusko, Miss., Jan. 10—(AP)—A critically wounded Negro early today gasped out a story that three white men massacred three members of his family after attempting to rape his 14-year-old step-daughter.

The Negro, Thomas Harris, was shot in the back and lung. A posse of 100 white men combed central Mississippi for two of the white men. A third was captured yesterday.

District Attorney Henry Rodgers identified the captured man as Malcolm Whit, 32. He said the two still hunted are Leon Turner, 35-year-old former convict, and Wendell Whit, Malcolm's 24-year-old brother.

Rodgers said all three had been

held in Attala County jail on charges of attempting to rape the 14-year-old stepdaughter, Pearlina Thurman. But eleven days ago they escaped, using a bear can opener to dig a hole in a cell wall.

Rodgers said Harris gave him this statement:

The two Whitts and Turner came to his home late Sunday night.

Turner told Harris he was going to have Harris' stepdaughter, "or we're going to kill the whole damn bunch."

He marched Harris into the kitchen while one Whit stood guard at the front door and the other at the back. Turner shot Harris in the back and sent him into the bedroom where he killed three children: Frankie C. Thurman, 10, Mary Burnside, 8, and Ruby Nell Harris, 4. The relationship of the children to Harris was not immediately determined.

The white men were armed with a .22 rifle, another rifle of undetermined caliber, and a 38 caliber pistol.

Rodgers said Pearlina told him she hopped out of bed and ran to the back door but was turned back by one of the Whitts. She then scampered through the front door and under the house only to be pursued by the other Whitt who told her he would kill her if she did not come out.

As she came out and started up the front steps, Turner shot her in the arm and right breast. Rodgers quoted her:

"She rested until she regained some strength and then, leaving a trail of blood, went to the home of neighbors to summon help.

Deputy Sheriff Everett Bailey said Harris' wife fled in her nightclothes, taking with her an infant

child only a few weeks old.

He attributed the shooting to "mistaken vengeance." He said officers were convinced the white men returned and shot the Negroes because they believed Harris had turned them over to police last December.

Actually, Bailey said, the tip on the whereabouts of the trio in December came from another source. "It was a case of mistaken revenge," Bailey added.

Important Cases In Police Court

By CHESTER WALSH

In Police Court Monday Judge J.W. Roberts found W. M. Myers guilty of allowing a dog to run at large on the streets and taxed him with \$10 court costs.

A city ordinance requires that owners of dogs shall buy city licenses for the animals. The fee is \$1 for a male dog; \$2 for a female.

The law specifies that dogs shall not run at large on the city streets.

Johnny Taylor, convicted of the larceny of an automobile, was given two years on the roads, sentence to be served concurrently with a term he is serving now.

Woodrow H. Dixon, driving while drunk, was fined \$100 and costs and his driver's license was recommended to be suspended for a year.

Drunk T. W. Rouse, \$20; Robert Harrington, colored, 30 days on the city streets; James D. Stocks, \$15; Willie Buck Hardy, colored, (and indecent exposure), 30 days on the roads.

Archie Ruffin, colored, drunk and disorderly and damage to personal property, \$25 and he is to pay \$5 to the prosecuting witness.

Louis Smith, colored, assault on a female, six months on the roads. Smith gave notice of appeal to Superior Court.

More Rain Falls On Flood Areas

By the ASSOCIATED PRESS

More rain fell today over parts of the flood-stricken areas of Illinois and Indiana. Rescue crews worked to halt further breaks in levees along rampaging rivers and streams.

Strong winds prevailed throughout most of the flood region, creating a new hazard. Weather Bureau officials said the high winds would make "heavy seas" of water in the lowlands. But temperatures were mild, bringing a measure of relief to the hundreds of persons who have been forced to flee from their homes.

Doesn't Approve Of All Entries

Raleigh, N.C., Jan. 10—(AP)—Governor Scott expressed belief today that the three-man field seeking the House speakership in 1951 can produce "a reasonably good" speaker.

But he made it clear at a news conference that he doesn't approve all the men who have announced they will make the race.

Official entrants for the post are Reps. Aron T. Allen of Raleigh, W. Frank Taylor of Goldsboro and Fred S. Royser of Henderson.

"There are certainly some of them who represent the special interests rather than the people," the governor declared.

Asked to be more specific, he replied: "Anybody who's kept up with things knows what I mean."

In the past legislative session, Royster generally supported the governor's program, while Allen and Taylor frequently lined up with the opposition.

The governor ducked a direct answer to a question as to whether he would be active in the contest for speaker. He said:

"I'd like to see a good one, as all other people would."

"I'd like to see one that certainly would have a disposition to work with me. I'd like for him to have a mind of his own—and a willingness to co-operate."

To Review Rules On Sale Of Oleo

Raleigh, Jan. 10—(AP)—At the request of the State Restaurant Association, the State Board of Agriculture is going to review rules affecting the sale of oleomargarine in public eating places.

The board also will discuss several other regulatory matters when it meets Jan. 24.

Jaycee Drive To Support Hoover Report Steps Up

More than 100 letters to representatives in Congress from Greenville citizens have been secured by the local Junior Chamber of Commerce in its campaign supporting the Hoover commission report and economy in the federal government.

Members of three Greenville civic organizations yesterday heard Jaycees speak in support of the campaign. Bancroft Moseley, co-chairman of the project committee, spoke to the Service League at its meeting yesterday morning. Jaycee President Louis Gaylord, Jr. spoke to the Rotary club last night, and Jim White, co-chairman of the project committee, spoke to members of the Lions club.

Moseley, in speaking at the Service League meeting, urged the women of Greenville to contact congressmen and senators by writing personal letters urging economy in the federal expenditures.

"In most homes ladies are charged

Another Loan?

Raleigh, Jan. 10—(AP)—North Carolina may have to borrow another \$5,000,000 to keep its general fund on even keel.

Last week the state floated a \$5,000,000 short term bond issue to meet a general fund deficit. The Council of State had authorized State Treasurer Brandon Hodges to borrow up to \$10,000,000 for the purpose.

At the close of state business last week, the general fund was in the hole for \$375,247.14, State Auditor Henry Bridges reported. However, it went into the black yesterday to the tune of about \$600,000.

However, Bridges said that if it should go back into the red at the end of this week, he would favor going to the banks for another loan.

Diplomatic Blast Seen By Russia

Lake Success, Jan. 10—(AP)—Russia is expected to fire another blast at Nationalist China on the diplomatic front today when the United Nations Security Council convenes for its first 1950 meeting.

The 11-nation council is scheduled to meet at 3 p.m. (EST) to discuss a proposed world-wide non-atomic arms census, but the situation is complicated by these factors:

1. The council president for this month is Nationalist China's chief delegate T. S. Tsiang whose right to represent China already has been challenged by Russia.
2. The Chinese Communist regime in a series of messages has asked the council to expel the Nationalist delegation.
3. Five members of the council—Russia, Britain, Yugoslavia, India and Norway—have granted diplomatic recognition to the Chinese Reds and no longer look on the Nationalists as rulers of China.
4. The United States, although still recognizing the Nationalist regime, is in the midst of a controversy with Generalissimo Chiang Kai-shek's Formosa Island government over the sailing of the American freighter Flying Arrow yesterday by Nationalist warships off Communist Shanghai.

Remains Silent On 'Alienation'

Washington, Jan. 10—(AP)—Miss Ruth Weyand, a white government lawyer, remained silent today on charges of an "illicit love affair" with a Negro woman's husband.

The Negro woman, Mrs. Olive J. Perry sued Miss Weyand for \$50,000 yesterday in district court for alienating the affections of Leslie S. Perry.

Miss Weyand, assistant general counsel of the National Labor Relations board, handles the board's Supreme Court cases.

N. Y. Stock Market

New York, Jan. 10—(AP)—Renewed selling to take profits engulfed the stock market today and swept many share prices down from the crests recently attained.

The declines were more widespread than severe. Losses in key issues were mostly measured in fractions.

Call For Inquiry Denfeld Ouster

Washington, Jan. 10—(AP)—Demands for an inquiry into the ouster of Adm. Louis Denfeld as chief of naval operations today delayed Senate committee action on the nomination of Adm. Robert P. Sherman as Denfeld's successor.

Mail Nomination Blanks For Chamber Directors

Nomination blanks for new directors of the Greenville Chamber of Commerce were mailed to members today. Manager Willard Kyzer said this morning.

The blanks contain the names of 16 members, eight of whom are to be voted upon, for a three year term beginning February 1st.

Those nominated to begin the new term are: Larry Averette, C. E. Blair, A. Hartwell Campbell, C. Stuart Carr, Jr. B. B. Drum, P. L. Goodson, Sr., Floyd F. Hendrix, F. Badger Johnson, D. Grady Nichols, Sherman Parks, Charles R. Poole, Martin Webb, George Wilkerson and E. H. Williford.

The retiring directors, those who have served on the board for three years, are: L. S. Ficklen, president, Robert F. Thompson, vice president, C. R. McBrayer, vice-president, A. R. Barrett, treasurer, R. W. Davenport, John G. Fleming, H. L. Hodges Jr. and Ed L. Rawl.

The new nominees' names must be turned into the Chamber not later than January 21st. Kyzer said. Those elected will, in turn, meet on January 30 at 5 p.m. to elect officers for the coming year among them.

Local 'Phone . . .

(Continued from page one)

at that time ten years lines were put in operation to take care of the potential growth of the town. But due to the war, that brought about unforeseen expansion, the town had grown in five years to what it ordinarily would have in ten, speaking from a telephone point of view.

At present there are still many party lines in operation. In town no more than four phones are on any one line but in the country parties go as high as ten to a line, Harrington said.

The present telephone system represents a merger of two systems. Carolina Telephone and Telegraph Company and the Home Telephone Company consolidated in the mid-twenties under the name of the former company. Home Telephone was in operation here from early in the century until that time with its home office in Henderson.

Dip Into . . .

(Continued From Page One)

the Senate, the Library of Congress, the Capitol architect, the U.S. courts.

I just wanted to find out how many people worked for the government: department heads, civilian employes in the executive branch, the assistants and staffs of the senators and representatives, the stenographers, the elevator operators, judges, U. S. attorneys, court attendants, librarians, in short, everyone regularly drawing government pay.

I finally got the answer which may be a little off but is close enough. It will do. The total is 3,500,000 people, including members of the armed forces, regularly drawing government pay.

The total breaks down like this: armed forces—1,507,000; civilians in the executive branch—1,980,000; legislative branch, including senators and representatives—7,300; N.S. courts—4,300.

And of the \$2.5 billion the President figures government expenses will run next year, about \$11,000,000,000 is for paying those 3,500,000 people.

Hog Market

Raleigh, Jan. 10—(AP)—(NCDA)—Hog prices steady to slightly weaker today, \$15.26 at Washington, Greenville, Wilson, Goldsboro, Tarboro, Kinston and Rocky Mount. Richmond slightly weaker at \$15.80.

Poultry and Eggs

Raleigh, Jan. 10—(AP)—(NCDA)—Fryers and broilers steady, two and a half to three pounds 20-22, heavier weight 18; eggs weaker, A large 36.

Mike Holovak of Boston College, in the 1943 Orange Bowl battle, carried the ball 10 times for 158 yards—the 15.8 average being a major bowl record.

extending his holdings. Russia's two biggest newspapers, Pravda and Izvestia of Moscow, declare that Tibet is to be swept into the stream of world communism. They "root of the world" nominally is under Chinese rule but actually has for centuries been Lama-ruled in isolation.

Izvestia also says the Peking government is determined to free all Chinese territory, including not only Tibet but the islands of Formosa and Hainan. Formosa of course is the base chosen by Generalissimo Chiang Kai-shek for his final defense, and is bound to come under Red attack. And what defense can Chiang make? Madame Chiang in her farweld broadcast as she was about to leave America for Formosa to join her husband, put it like this:

"With or without help we shall fight. We are not defeated. Unrelenting and with the tenacity of life we shall fight and bleed the enemy. Everywhere in China's mainland our guerrillas will keep the torch of liberty.

"The oppressed people on the mainland will be prepared so that at a given signal they will rise up simultaneously and overthrow the yoke of Communist domination with our returning armies. To this we are dedicated with our lives."

That isn't just poetic fancy. It is in fact Chiang's plan.
