Excess Profits Tax Battle Threatens Delay Vital Bill

Hot Senate Issue Brought To Fore When Connally, O'Mahoney Try Attach 'Rider'

Washington, Aug. 25.—(AP)—A fierce Senate battle over a move to attach an excess profits levy on corporations—with the outcome in doubt—threatened indefinite delay today for a \$4,508,000,000 tax-boosting bill.

No Instructions On Civil Defense

Local Planning To Go Ahead Despite State's Silence

No news has been received from the State Civilian Defense Board, Pitt County Civilian Defense Chairman J. H. Rose reported today.

"I am still waiting for some official orders from the state office," Rose stated this morning.

Britisher Dies At Fort Bragg As 'Chute Fails

Fort Bragg, N. C., Aug. 25.—(AP)—A young British Army officer was killed here yesterday when his parachute failed to open.

McCloy Warns Russia Ready East Germany

Berlin, Aug. 25.—(AP)—East Germany's Red leaders met today to study ways of blocking rearmament of West Germany.

Tar Heel Blood Is On Way To Korean Front

Asheville, Aug. 25.—(AP)—Blood from the Red Cross regional blood center here is on its way today to the Korean battlefield.

Washington, Aug. 25.—(AP)—The issue exploded as senators Connally (D-Tex) and O'Mahoney (D-Wyo) yesterday offered an amendment, calling for an 85 per cent levy effective last July on business profits that exceed what they define as normal.

"Politically, if we are going to control prices and wages," Connally said, "we must control profits."

But George warned that pinning the excess profits tax to the bill might prevent any final tax action this year.

If the administration wants a tax bill now, George declares, "it seems they would stop this crowd" from pressing the excess profits levy.

Meanwhile, the CIO bitterly assailed the tax boosting bill drawn by the finance committee as a boon to wealthy taxpayers.

The committee of "Americans For Democratic Action" called the bill a "profiteers' paradise."

Quick Vote

Washington, Aug. 25.—(AP)—House leaders today drove toward a quick vote on more than \$50,000,000 worth of funds to run the government and build up U. S. military strength.

Most controversy centered around a compromise \$33,859,000 one-package bill financing most government agencies for the year which started July 1.

In the background was a \$16,371,000,000 emergency measure to finance the Korean fighting and build up the military might of the United States and its allies against communism.

There was relatively little controversy over this measure. Its passage late today or tomorrow was taken for granted after a round of speech-making.

Undecided As To Fate Of Slot Machine Cases

The matter of whether or not the three slot machines which were used to house slot machines found at the Greenville V.F.W. Club will be destroyed has not been settled as yet.

Dr. Messick Named To National Body

Dr. John D. Messick, president of East Carolina Teachers College, this week was named a member of the five-member national committee on accreditation of teachers colleges.

Supreme Court To Begin Term

Raleigh, N. C., Aug. 25.—(AP)—The State Supreme Court opens its fall term Monday. It will begin hearing Tuesday by calling for arguments in eight cases.

On Getting A Pension

Washington, Aug. 25.—(AP)—The rules for getting social security old-age pensions have been softened for the old and middle-aged.

To get a pension, you must work a certain minimum time in a job covered by the law and earned a certain minimum pay.

The government figures pension rights by calendar quarters, not by days or years.

If you earn at least \$50 a quarter in a covered job, you get credit for one quarter of coverage under social security.

You don't have to work any given number of hours or days in a quarter. Nor do you have to work continuously now in the program.

New Army Draft Of Over 50,000 Anticipated Soon

November Call Expected; More Reservists Are Ordered Into Ranks

Washington, Aug. 25.—(AP)—A call for more than 50,000 draftees in November is expected to be the next major step in the army's buildup of manpower.

With the end of the Korean conflict not yet in sight and an increase in American troop strength in Germany under consideration, a call of at least such proportions is considered highly likely.

The expected November call, like the current program to give the army 100,000 inductees by the end of October, would affect men between 18 and 26 picked by local draft boards.

It would follow up an increase of 47,000 announced by the army yesterday in the number of enlisted army reservists to be called involuntarily to active duty between now and November 10.

The additional enlisted reservists to be ordered to duty are individuals who are not members of organized reserve corps units.

In addition, the army has previously announced that 8,432 individual reserve officers of the grade of captain or lower are being ordered to duty.

The army buildup also includes an undisclosed number of reserve units smaller than divisions, four national guard divisions and two national guard regimental combat teams.

In announcing the new call for individual enlisted reservists, the army said that age limits will be 19 through 35, except for some specialists in the technical and administrative services.

The enlisted reservists will come from both volunteer and inactive reserve. Priority will be determined by the number of dependents each has and the need for their military skills.

Of the 62,000 enlisted reservists covered by a previously announced call, 32,000 already have received orders.

Malik To Raise Formosan Issues

Lake Success, Aug. 25.—(AP)—Rusia's Jakob A. Malik is expected to throw the explosive Formosan question into Security Council discussions today.

However, the anti-Communist countries led by the United States are determined to keep the Council's eye on the Korean ball.

Red China's Foreign Minister Chou En-Lai gave Malik an opening yesterday by sending cables to him and to U. N. Secretary General Trygve Lie demanding the ouster of American forces from the island now controlled by the Chinese Nationalists.

The only American force in that area is the seventh fleet, which President Truman sent June 27 to prevent an invasion by Communist forces from the mainland.

At the same time Truman appealed to Nationalist leader Chiang Kai-Shek to cease bombing of the mainland.

He said his aim was to neutralize Formosa and prevent the Korean war from spreading.

Coinciding with Chou's cable to Lake Success, a Chinese government spokesman in Canton, China, accused Britain's armed forces in Hong Kong of carrying out a "deliberate" plan to "encroach upon Chinese sovereignty."

British forces were charged with five violations of Chinese air territory and territorial waters since July 8. All the incidents were minor but the charges were considered significant inasmuch as Britain is negotiating with the Peiping Regime for opening of diplomatic relations.

Seizure Of Railroads Is Ordered

Truman And Cabinet Discuss Threat Of Strike; Unions Deny Breaking Pledge

Washington, Aug. 25.—(AP)—President Truman today ordered seizure of the nation's railroads at 4 P. M. (EST) Sunday.

Washington, Aug. 25.—(AP)—President Truman talked over the nationwide railroad strike threat with his cabinet today.

No one would say what action was planned but there were growing reports the government would seize the railroads no later than tomorrow night.

Railroad conductors and trainmen, who called the strike for next Monday, have said they would work under government seizure.

The cabinet session lasted an hour and a quarter.

Attorney General McGrath told reporters they "talked the whole situation over thoroughly," discussing "all the different angles."

Asked if seizure papers have been drafted, he repeated, "You will have to talk to the president about what he is going to do."

In response to questions, McGrath said another possible strike stopping move, other than seizure, would be to seek a court order against a walkout.

While the cabinet was in session, railroad trainmen and conductors sent to the White House a denial that they had broken any pledge when they called a strike for next Monday.

Mr. Truman told a news conference yesterday that the strike called by the Brotherhood of Railroad Trainmen and the Order of Railway Conductors late Wednesday was put out within an hour after he had been assured by both management and unions that there would be no walkout.

The unions' telegram to the president this morning said: "We wish to personally advise you that at the concluding conference presided over by Doctor Steelman, in the east wing of the White House from 3 to 4 p. m. Wednesday, August 23, 1950, no mention whatsoever was made regarding the calling of any nationwide strike, and therefore any statement to the effect that we had broken our pledge is 100 per cent false."

It was signed "respectfully" by W. P. Kennedy, president of the trainmen, and R. O. Hughes, president of the conductors.

Western Nations To Keep Council's Eye On Korean Ball

Lake Success, Aug. 25.—(AP)—Rusia's Jakob A. Malik is expected to throw the explosive Formosan question into Security Council discussions today.

However, the anti-Communist countries led by the United States are determined to keep the Council's eye on the Korean ball.

Red China's Foreign Minister Chou En-Lai gave Malik an opening yesterday by sending cables to him and to U. N. Secretary General Trygve Lie demanding the ouster of American forces from the island now controlled by the Chinese Nationalists.

The only American force in that area is the seventh fleet, which President Truman sent June 27 to prevent an invasion by Communist forces from the mainland.

South Koreans Counter-Attack New Red Thrust On New Route To Taegu

Warehouse Floors Crowded With Tobacco Piles

The above scene is typical of those to be found on the Greenville tobacco market each and every day. More than eight million pounds of tobacco has been auctioned on the local market putting an estimated four million dollars into the pockets of tobacco farmers through today's sales.

Surprise Move

Detroit, Aug. 25.—(AP)—In an unprecedented move for the auto industry, Chrysler Corp. and the CIO-United Workers today announced minimum hourly raises of 10 cents for all Chrysler's 120,000 employees over and above their recently signed contract.

The company estimated the total cost at \$25,000,000 yearly. About 93,000 hourly rated workers will get a flat 10 cents an hour boost.

Some 7,000 skilled employees will get that and an additional five cents an hour. About 20,000 salaried employees will get seven per cent raises, with a minimum of \$17.50 more a month.

Harry Bridges To Be Released

Appeals Court Reverses Ruling On Commie Follower

San Francisco, Aug. 25.—(AP)—Harry Bridges—by order of the Ninth U. S. Court of Appeals—is to be released from jail.

In a two-to-one decision late yesterday, the court ordered that the CIO Longshore leader be freed. It reversed an Aug. 5 federal court ruling revoking his \$25,000 bail.

In April, Bridges was convicted of having lied—by swearing that he never was a Communist—to obtain citizenship in 1945. He was born in Australia.

He was freed on bond pending appeal from that conviction.

Three weeks ago, U. S. Prosecutor F. Joseph Donohue demanded that Bridges' bond be revoked and he be jailed as a threat to the security of the United States.

Federal Judge George B. Harris agreed, and sent the union president behind bars.

Donohue argued that Bridges' speeches opposing U. S. intervention in the Korean war followed the Communist line.

The majority opinion described Bridges' jailing as novel and startling.

"There is no showing," said Judge William Healy and William Orr, "that Bridges has in the present position committed any recognizable crime, or that he has himself counseled or advocated sabotage or sought to foment strikes or the establishment of picket lines on the waterfront."

Mercury Reached A High Of 89

The highest temperature to be recorded in Greenville during the past 24 hours was 89 degrees according to official weather observer Mrs. Carl Maiden.

The lowest reading was 67 degrees and a reading of 70 was reported at eight o'clock this morning.

Professional observers generally take a dim view of anything like an early termination of the conflict.

Even those who don't regard another World War as inevitable, believe the "cold war" will continue for a long, long time.

Whether the "cold war" will develop eventually into a "hot war" will depend on the degree of military preparedness achieved and maintained by the Democracies.

8 Million Pounds Of Leaf Sold For Week

Over Three And A Quarter Million Dollars Paid Out Prior To Today's Sales On Greenville Tobacco Market

More than three and one quarter million dollars have been paid out on the Greenville tobacco market this week prior to today's sales which will add another million dollars to the week's operations.

Sales Supervisor W. L. Whedbee stated this morning that prices on the medium and common grades today were as high or higher than on opening day and that the growers were still expressing satisfaction with the prices.

Whedbee estimated approximately two million pounds on the floors today but said all sales would be completed and the floors cleared for Monday's offerings.

UN Police Force Urged By Group Of Lawmakers

Washington, Aug. 25.—(AP)—A bipartisan group of 15 Senators and 15 House members urged the establishment of United Nations police force, made up of volunteers from small nations, to aid in combatting aggression.

As proposed by the sponsors of a resolution, to be introduced later in the day, the force would operate under an arrangement designed to prevent a Soviet veto of action to quell aggression.

The plan was outlined at a news conference in the office of Senator Sparkman (D-Ala) who was named by President Truman yesterday as a United States delegate to the U. N. Assembly meeting next month.

Sparkman declared there are "hundreds of thousands of volunteers throughout the world who want to join in the fight against the Communist aggressors in Korea and elsewhere."

He said he didn't know whether it would be possible to get around a Soviet veto of the proposal but "we must try."

The proposed police force would consist of land, sea and air forces, directed by a nine-member "police authority"—three from the United States, three from the British Commonwealth and France and three collectively elected by the smaller member states.

As the sponsors explained it, the Security Council could block affirmations of the authority only by affirmative action. Thus the United States would be in a position to veto any attempt in the Council to call off the police force.

Cold War To Go On

Just Another Term For World Revolution Which Bolsheviks Planned A Generation Ago; Task Is To Keep It From Developing Into Hot War, If We Can

By DEWITT MACKENZIE

One of the questions most often shot at me by readers is whether there is any hope of an early end to the "cold war."

Professional observers generally take a dim view of anything like an early termination of the conflict.

Even those who don't regard another World War as inevitable, believe the "cold war" will continue for a long, long time.

Whether the "cold war" will develop eventually into a "hot war" will depend on the degree of military preparedness achieved and maintained by the Democracies.

Allied Units In Major Battle On Central Front

Wartorn; Bombers, Fighters Beat At Ten Divisions North Koreans Have Along 120-Mile Perimeter

Tokyo, Saturday, Aug. 26.—(AP)—A major battle over a new road to Taegu city broke out Friday in the Korean central warzone mountains.

It was being fought between Allied South Koreans and the invading reds 12 to 25 miles north and east of Taegu.

Counter attacking South Koreans regained ground they lost Friday morning. The first blows had been dealt by a forward force of 6,000 troops and tanks, probing before a 20,000-man Red force.

It was the communists' fifth try of the week to open a road down from the mountains to the largest city left in the allied southeastern corner of Korea.

General MacArthur's Korean release early Saturday reported South Koreans north of Taegu were continuing to hack away at red infiltrating troops.

The summary said about 150 of the enemy had been driven into a walled city nine miles north of Taegu. The city was not identified by name.

The release also told of a large concentration of enemy troops and equipment and vehicles near Haejong on the north central front.

It said United Nations forces along the Northwest Naktong river area Friday beat off enemy patrol operations of unknown strength, inflicting casualties on the reds.

An allied spokesman said late Friday the South Korean sixth division was holding back reds who drove southward toward Yongchon from position east of Kumwha.

The reds turned to this route from the "bowling alley" corridor where they failed four times in five days to crash through—at a cost of 3,500 men. Kumwha is 12 miles north of Taegu.

A Yongchon release to Taegu by a "major road." The battle line was astride a main highway and railroad running from Uisong to Yongchon. The road passes through flat country good for tank fighting south of the mountains.

All through Friday, the 62nd day of a war that has already claimed more than 100,000 lives, allied bombers and fighters beat at the 10 divisions the North Koreans have now around the whole 120-mile battle perimeter.

From the east coast to Taegu and south to coastal Chirju allied planes bombed, strafed and rocketed the red troops. Fire bombs were heaped on supplies behind the lines and on installations and airfields.

The main fighting raged east of the blood-soaked "bowling alley" corridor near Kumwha. The bloodiest combat was around Chongno 25 miles north of Taegu and seven miles east of Kunwi, spreading the combatants over a blazing 12-mile front.

On the Sea of Japan coast 21 miles east of this battle, North Koreans stabbed down from Yongdo and shoved back a South Korean regiment before Kiyge, nine miles northwest of Pohang port. The South Koreans dropped back a mile.

British Tommies Leave To Join Korean Fighting

Hong Kong, Aug. 25.—(AP)—Fifteen hundred British infantrymen sailed tonight to join United Nations forces in Korea—warned that they would be facing Russian weapons and strategy.

The men of the Argyll and Sutherland Highlanders and Middlesex regiments boarded the aircraft carrier Unicorn and cruiser Ceylon in a cruise-like atmosphere.

But Malcolm MacDonald, British commissioner general for southeast Asia, told them: "They would be fighting North Koreans, but the Reds' weapons, and training and strategy were Russian."

"Every time you strike at the North Koreans," the commissioner said, "you will be striking a blow at the communist attempt to conquer not only Asia, but also Europe; not only Korea, but also Great Britain."

"You will be fighting in North Korea as much in defense of your homeland as if you were fighting on the fields of France or even on the beaches of England itself."

"This is the first time in history that the free people of the world have been mustered in arms under authority of a great organization like the United Nations. Therefore you will be fighting as crusaders."

Top Army, Navy Chiefs Return From War Zone

Washington, Aug. 25.—(AP)—The Chiefs of the Army and Navy returned today from a quick visit to the Korean war front and said they "sensed a general offensive spirit and air of optimism" by all the American fighting men.

General A. Lawton Collins, Army Chief of Staff, and Admiral Forrest P. Sherman, Chief of Naval Operations, arrived back in Washington where they left only last Saturday morning.

In the Far East, they conferred with Gen. MacArthur and visited the war front and the ships of the Navy in the battle area.

Sherman told reporters that the spirit of offensive and optimism was present "in the Army, Navy and Air Force—all of them."

Social and Personal

All news for this page received after 10 A. M. will be published the following day. Dial 3356-8 A. M. to Noon; 1 to 4:30 P. M.

Miss Elizabeth James has returned home after spending the past two months at Camp Bearwalls near Hendersonville, N. C. Last week she visited Miss Linda Downs in Athens, Ga.

Mrs. J. R. Etheridge, Misses Flo Stovall, Agnes Fullilove and Elizabeth James will spend the weekend in Williamsburg, Va.

Miss Ann Thatcher of Tryon, N. C., and James Bullock of Winston-Salem have been spending this week with Mr. Bullock's parents, Mr. and Mrs. L. M. Bullock.

Mrs. Stella Carrico is a patient in Pitt General hospital.

Mr. and Mrs. James Whichard, accompanied by Mrs. W. C. Jenkins and son Billy, visited Natural Bridge, Virginia, Tuesday.

Friends of Mrs. Harvey Hicks will regret to know that she is ill at her home, 630 Pitt Street.

Mrs. Joe Taft and children have returned home after spending the summer at Lake Junaluska.

Card of Appreciation
The family of Mr. Carlos Harris wish to express their sincere appreciation for the lovely things done for them during Mr. Harris' sickness and death.

Sweets Sale at Winterville
There will be a sweets sale in front of Boyd's store in Winterville Saturday afternoon, August 26.

The Forlimes Christian Workers class will be on hand to sell the many cakes, pies, etc.
The proceeds will go to the Winterville F. W. B. church building fund.

W. S. C. S. Executive Board
There will be an important meeting of the executive board of the Woman's Society of Christian Service at the Jarvis Memorial church Monday, August 28, at 4 p. m. All officers, secretaries, chairmen of standing committees and of circles are urged to be present.—Mrs. Ed. Batchelor, president.

Bullock - Thatcher
Mr. and Mrs. Herbert Thatcher, of Tryon, N. C., announce the engagement of their daughter, Ann Jackson, to James Bullock of Winston-Salem, son of Mr. and Mrs. L. M. Bullock of Greenville, N. C.

Ballard's X Roads News

There will be a prayer service in Ballard's Presbyterian church on Friday evening, August 25, at 8 o'clock. Prayers will be made for conditions facing the world today. Everybody is invited to this service.

Elmer Lee Stocks and son of Washington, D. C., were Sunday guests of Mr. and Mrs. W. B. Crawford.

Mrs. Eborn Pittman of Kinston was a recent guest of Mrs. Ray Crawford.

Mr. and Mrs. James R. Crawford announce the birth of a daughter, Jean Susan.

Miss Thelma Flanagan of Charlotte is visiting her sister, Mrs. E. M. Tyson.

Mr. and Mrs. Albert Tyson, Miss Mary F. Hobgood and G. T. Tyson, Jr., attended the "Lost Colony" at Manteo last week.

Miss Frances Crawford and Alton Thomas were Atlantic Beach visitors Saturday.
Mrs. L. R. Jones visited her daughter, Mrs. Earl Bowen, in Plymouth last week.

UMSTEAD SPEAKS
Raleigh, N. C., Aug. 25.—(AP)—Former Senator William B. Umstead will be the keynote speaker tonight at a rally of young Democrats of the fourth congressional district.

40 Years Ago Today

THE DAILY REFLECTOR August 25, 1910

On Thursday evening Mr. William Patrick gave a delightful sail complementary to Miss Lillian Burch's company. Misses Susie Perry and Hazel Mitchell, of Kinston. The boat left the wharf at 8 o'clock, going down to Grimesland. The lunch was served by the young ladies. It was an ideal night for sailing and on arriving home everyone assured Mr. Patrick that the evening was spent very pleasantly.

Among those in the party were: Frank W. Wilson with Miss Mitchell.

Willie Wilson with Miss Perry. Jim Hackney with Miss Mary Shelburn.

Tom Dupree with Miss Burch. Bascom Wilson with Miss Mary Smith.

William Patrick with Miss Verne Smith.

Birth Announcement
Mr. and Mrs. Otha C. Cozart, of New Bern, announce the birth of a son, Otha Carrington, Jr., on August 19, in St. Luke's hospital. Mr. Cozart is the former Miss Mildred Langley of Greenville.

Open Grimesland School Aug. 29

Everything is in readiness for the opening of the Grimesland school on Tuesday, August 29, according to announcement of L. V. Godwin, principal.

During the summer, work has progressed on the new agriculture building which will be ready for occupancy early in September. Also, the elementary building has undergone major repairs in a renovation program.

Members of this year's faculty are as follows:

New members: Mrs. Lucille Sumrell Edwards, 4th grade; Mrs. Arthur Corey, Greenville, 5th grade; Mrs. Frances White Madry, Scotland Neck, public school music and the high school gym club; Mrs. Dorothy Hyder, high school English, French.

Last year's members who are returning: Miss Lucille Swindell, 1st grade; Mrs. Hilda R. Stells, 1st & 2nd combination; Mrs. Bettie Tyson Forrest, 2nd grade; Mrs. Pauline Spain, 3rd grade; Mrs. Edith Worthington, 5th & 6th combination; Mrs. Mary Porter Phipps, 6th grade; Mrs. Aletha Brickhouse, 7th & 8th combination; Miss Catherine Spearman, 7th grade; Mr. William Bright, 8th grade; Mrs. Guyie Clark, commercial; Mrs. Annie T. Cozart, science; Miss Oma Bliss Lewis, Math; Mrs. Dorothy Hendrix, home economics; Mr. William E. Little, agriculture.

Grownups Have Fun In Children's Games

Louisville, Ky.—(AP)—Grownups can have fun playing children's games. That fact has been learned by recreation directors from the city playgrounds.

They play the games as part of their weekly meetings. They take refresher courses in such things as marbles, rope skipping, hopscotch kick the can and wheelbarrow racing.

Talking motion pictures got their start back in 1908. One of the first patents was issued to Eugene August Lauste, an engineer who worked for Thomas A. Edison.

SOCIAL CALENDAR

FRIDAY

6:30 p. m.—Kiwans club.

6:30 p. m.—Exchange club.

SATURDAY

7:00 p. m.—Mr. and Mrs. Charles Braswell will entertain at dinner at their home on East Tenth street in compliment to Miss Peggy Rose Smith.

7:30 a. m.—Credit Women's Breakfast club meets in Proctor hotel dining room.

SUNDAY

1:00 p. m.—Mr. and Mrs. L. B. Tucker will entertain at luncheon in honor of Miss Peggy Rose Smith, bride-elect.

Flynn's Wedding Set For France

New York, Aug. 25.—(AP)—A switch in plans for the marriage of film star Errol Flynn and 21-year-old actress Patrice Wymore will put the ceremony in France instead of Kansas, a Warner Brothers spokesman says.

The spokesman announced yesterday that Miss Wymore plans to fly to France next month for the marriage.

AMERICA'S WEAPONS

AP Newsfeatures
The Army's standard trench knife with its six and three-quarter inch blade of high quality steel. It has a non-slide grip of corrugated rawhide. This knife was introduced in World War II.

The U. S. S. Mackenzie, typical destroyer with 2,525 tons standard displacement. It has a speed of 35 knots, a main battery of six five inch rifles and five 21 inch torpedo tubes.

A 240 mm. howitzer of the U. S. Army. It was the largest mobile gun used on the Italian front during World War II. The white streak leading from the breach of the gun at the right is the firing lanyard.

Probe Story Of X-Ray Profiteer

Washington, Aug. 25.—(AP)—An army report that a Milwaukee doctor is getting an average of \$1,125 a day to X-ray draftees drew swift promises today of investigations by the army and on Capitol Hill.

At Milwaukee an army officer confirmed that Dr. Irving Cowan has averaged \$1,125 a day for his work this month, Sundays excluded, to X-ray and check plates of men examined at the Milwaukee Induction Center.

Maj. Raymond W. Bliss, army surgeon general, told reporters he had "no knowledge of this situation."

"I shall check on it," he said. An inquiry was also promised by Rep. Vinson (D-Ga.), chairman of the House Armed Services Committee.

Capt. Thomas Appleby, Jr., public relations officer at the Milwaukee Induction Center, said Dr. Cowan gets \$5 each for making and checking chest X-rays, and that more than 4,500 X-ray plates were made at the center to date this month. That would total more than \$22,500.

The X-ray pictures are taken at the center on a machine owned by Dr. Cowan. Two technicians get \$1.50 an hour to operate it.

The 8th army, through a spokesman in Chicago, said the army is short of X-ray equipment because most of its X-ray machines were sold as surplus after World War II.

"It sounds expensive, but it's the best we can do," he said of the contract with Dr. Cowan.

Cold War . . .

(Continued from page one)
violent "cold war" from developing into something which might set progress back for generations. One of the brightest spots in this grim picture is the manner in which the United Nations has emerged in leadership through its handling of the Korean crisis.

This peace organization seems suddenly to have found its feet. I like the line used by director general Trygve Lie in a recent speech. Said he bluntly:

"The job of the United Nations is to do all it can to prevent a third World War, by conciliation whenever possible, by force when necessary."

That's the policy being applied to the Korean situation. But it must not be overlooked that the policy may only be effective if the member nations provide the wherewithal.

The strength of the U. N. lies in the strength provided by its members. That is one cogent reason why the Democracies should so equip themselves that they will be prepared not only to defend themselves but to back the U. N. in maintaining peace.

In the pariance of radio, an amateur is one "interested in radio technique solely with a personal aim and without pecuniary interest."

Plant Breeders Keep Right On Seeking Improved Hybrid Corn

By LAWRENCE N. ELDRED
Chicago, Aug. 24.—(AP)—Plant breeders aren't through improving hybrid corn yet, though they've been at it for several decades.

At the University of Illinois College of Agriculture, for instance, they are working on a half dozen fronts:

In producing hybrid seed corn, it has been necessary to remove the corn plant's tassel. The detasseling job costs around \$1,500,000 a year in Illinois alone. But now plant physiologists think they soon will eliminate detasseling from the American farm scene.

On another front, growing tall corn looks and sounds fine, but it is difficult and costly to harvest the crop by machine. If the ear could be grown at about knee length, combining could take place in the field, as small grains are reaped.

The plant men have about 25 mutations now in which the ear grows close to the ground. Their problem is to introduce this factor into present high yielding hybrids.

Then there is the search for hybrid strains which will be tolerant or resistant to plant diseases, unappetizing to corn borers and other enemies.

Another attempt concerns producing a corn plant which will bear many ears instead of only one or two.

And finally, the scientists are trying to change and specialize the contents of the corn kernels themselves. They want a corn which is tailored for a high oil content, another with a low oil content; another with a high protein content, and still another with a low protein content. Each of these would have particular uses in making feed and

is difficult and costly to harvest the crop by machine. If the ear could be grown at about knee length, combining could take place in the field, as small grains are reaped.

The plant men have about 25 mutations now in which the ear grows close to the ground. Their problem is to introduce this factor into present high yielding hybrids.

Then there is the search for hybrid strains which will be tolerant or resistant to plant diseases, unappetizing to corn borers and other enemies.

Another attempt concerns producing a corn plant which will bear many ears instead of only one or two.

And finally, the scientists are trying to change and specialize the contents of the corn kernels themselves. They want a corn which is tailored for a high oil content, another with a low oil content; another with a high protein content, and still another with a low protein content. Each of these would have particular uses in making feed and

Of these the one advance which seems most likely soon in the eyes of the College's plant experts is the ending of the difficult and costly detasseling task. Experiments in this have been going on for a couple of years.

The goal is to produce a sterile male hybrid corn plant. The method is to spray a chemical over the whole plant, well before the tasseling stage, say when growth has reached 30 to 40 inches. This chemical is called maleic hydrazide.

It is called a growth regulator and already has been used to delay blossoming of fruit trees beyond the likely frost date, to kill wild onions and crabgrass, and to prevent suckers from forming on tobacco plants.

Plant breeders are making no recommendations yet for use of the spray. They emphasize that experiments have shown too strong a dose will prevent the ear from forming, as well as keep the pollen from shedding.

But they will go so far as to admit results thus far are "encouraging."

Beard Campaign: Razors Too High

Lucknow, India.—(AP)—The governor of Uttar Pradesh has threatened to start a "grow more beard" campaign if the razor blade prices do not come down.

Addressing a traders' conference here recently, Governor Sir Homy Mody warned the businessmen that he himself would go from door to door urging men to grow beards until profiteering on razor blades was stopped.

Would Extend Mortgage Law

Washington, Aug. 25.—(AP)—Senator Maybank (D-Sc.) has introduced a bill to prevent foreclosure of mortgages on homes of servicemen for 12 months after they leave uniform.

The present law, he said, protects them only for three months. The mortgages involved would be those guaranteed by government agencies such as the VA or FHA.

for any cow registered by the ministry was 50,000 quarts. "Stavit" is described from a Damascus cow and a Dutch bull.

Reavis - Harris Vows Spoken In Ballards Presbyterian Church

In an afternoon ceremony, Wednesday, August 23, at five-thirty o'clock, in the Ballards Presbyterian church, Miss Lillian Bowling Harris, daughter of Mr. and Mrs. Clyde C. Harris became the bride of James William Reavis of Halifax, son of Mrs. Virginia Reavis, of Raleigh and Lewis H. Reavis of Henderson.

The altar, banked in Oregon fern, dispersed with seven-branched candelabra and baskets of white gladioli, formed the setting for the wedding.

Preceding the ceremony, a program of nuptial music was presented by Mrs. Haywood Smith, pianist, and Mr. Elbert Holmes, soloist, both of Farmville.

The Rev. Robert Bradshaw, pastor of the First Methodist church, Wilkeson, officiated at the double ring ceremony.

The bride given in marriage by her father, wore a gown of duchesse satin. Tiny white buttons fastened the fitted bodice. The portrait neckline was outlined with chantilly lace. The sleeves were fitted and ended in calla points over the hands.

Her full length veil of French illusion edged in matching lace fell

from a tiara of orange blossoms. She carried a cascade bouquet of white roses, tube roses and pom-poms.

Honor attendants were Mrs. Norman R. Wooten, sister of the bride, and Mrs. Ben Harper of Snow Hill. Her bridesmaids were Miss Dorothy Reavis, sister of the groom, of Raleigh, Mrs. William H. Crawford of Greenville, Miss Joyce Hargrove of Enfield, and Mrs. W. I. Harris of Halifax.

They wore gowns of organdy over taffeta. The honor attendant wore American Beauty red while the bridesmaids wore lime green and yellow slips beneath white organdy ankle length dresses. They wore matching sashes, bonnets and ballerina shoes, and wore white short gloves. Each carried bouquets of mixed summer flowers.

Honorary bridesmaids were Miss Sue Worthington and Miss Ann Crawford of Greenville, Miss Betty Kaye Harris, Miss Becky Strickland, Misses Sarah and Louise Butts of Halifax, Miss Susanne Rodgers of Scotland Neck and Miss Barbara Hudgens of Enfield. They wore pastel gowns and each a white aster in her hair.

Groomsmen were William Brown, Joe Welch, George Medlin, Joe Gay and Gilbert O'Neal of the State Highway Patrol and Norman Wooten of Farmville. Best man for the bridegroom was Lt. A. W. Welch of Greensboro, also of the Highway Patrol.

The flower girl was Miss Nesa Ann Page, daughter of Mr. and Mrs. Thurman Page of Greenville. She wore a white organdy gown and carried a basket of rose petals which she scattered in the path of the bride.

L. F. Worthington, son of Mr. and Mrs. Chester Worthington of Greenville, was ring bearer.

MRS. JAMES WILLIAM REAVIS

For her daughter's wedding, Mrs. Harris was dressed in an ice blue lace gown. She wore a corsage of American Beauty roses. Mrs. Reavis was dressed in a gown of American Beauty red and wore a corsage of white roses.

Following the ceremony, the brides parents entertained at a reception at the D. A. R. chapter house in Farmville.

Mr. and Mrs. Fred Moore greeted the guests and Mrs. L. R. Jones introduced them to the receiving line.

After the bride and groom cut the first slice, the four-tiered wedding cake was served by Mrs. P. C. Draper of Halifax. Mrs. Lester Turnage,

of Farmville, served from the other end of the table. The honorary bridesmaids assisted in serving.

Sheriff and Mrs. Ruel Tyson of Greenville presided at the register, and goodbyes were said to Mr. and Mrs. Jack Moye of Greenville.

Mrs. Bruce Strickland and Miss Betty Rose Wilkerson rendered special music during the reception.

Later in the evening the couple left for a wedding trip. For traveling, the bride changed to an aqua two-piece dress with suede and velvet accessories. She wore a corsage of white roses and tube roses.

After September 1, the couple will be at home in Enfield, North Carolina.

Violate Statutes In Funds Appeal

Raleigh, Aug. 25.—The National Cancer Hospital of America, located in Detroit, Michigan, is appealing for funds from citizens all over the state in violation of the North Carolina statute regulating solicitations, it was announced today by Dr. Ellen Winston, commissioner of the State Board of Public Welfare.

"The fund raising appeals of this hospital," said Dr. Winston, "were first brought to our attention in May of this year. We immediately forwarded the vice-president of the National Cancer Hospital of America a copy of the North Carolina statute and the form to be used in making application for a license to solicit funds in North Carolina in conformity with the law's provisions. We have had no reply to this communication. During the last week citizens from various sections of the state have called the State Board of Public Welfare by telephone in clearance of the status of the hospital under provisions of the state solicitation law. We, of course, have informed them that the hospital is not licensed to solicit funds, and such appeals are in violation of the state statute. In response to a request for state-wide notification of the non-licensed status of the National Cancer Hospital in its current fund raising campaign, the State Board of Public Welfare is issuing this statement."

Dr. Winston further explained that the National Cancer Hospital of America has no relation to the American Cancer Society, the North Carolina Division of which for several years has been licensed annually under the provisions of the statute to conduct its fund raising campaign during the month of April.

Final Schedule Superior Court

Judge Chester Morris of Pasquotank County will preside over a one-week criminal term of Superior Court here next week. Some important cases are on the calendar for hearing.

A civil term of court will be held here the week of September 11 and another civil term is scheduled for the week of September 25.

A special two-weeks criminal term of Superior Court will be convened here the week of October 2. The Judge is to be appointed.

A civil term of court will be held here the week of October 23.

A mixed term of court will be held here the week of October 30. This term will be principally devoted to the trial of criminal cases.

The final term of Superior Court for the year will be held the week of November 20. A judge is to be assigned.

Spicy Foods Called One Cause Of Cancer

Los Angeles—(AP)—Hot and spicy foods probably are one cause of cancer of the stomach, says Dr. Claude E. Welch of Harvard University. He is here teaching in the University of California Summer Session.

He says stomach cancer is common in Mexico where spiced foods are the rule. He also says that Japanese women who wait until their husbands eat before serving themselves escape such cancer. Their food cools before they eat it.

The first zoo in the United States was established in Philadelphia in 1874.

Frustrated Shirley May Leaves Her Family Home

Dighton, Mass., Aug. 25.—(AP)—Unsuccessful Channel swimmer Shirley May France has quit the family home after what she described as "a personality conflict" with her father.

And, she says, she does not intend to return.

The husky 18-year-old girl has taken up residence with her coach Harry Boudakian, and his wife. She said they are her "best friends."

Her father, J. Walter France, said she walked out with the parting farewell: "Goodbye, Mr. France. Have a good time with your neighbors."

Newsmen reached the young woman at the Boudakian home last night—24 hours after she disappeared from her Somerset home.

Shirley May said she decided to break with her family after "an argument with my father over plans for the future—all he was interested in was money."

She said her father wanted her to make a personal tour while she is anxious to return to Somerset high school to enter her junior year. Boudakian is athletic coach at the school.

"As far as her mother and I are concerned she can stay away for ever," France said. "We did the

very best we could for her."

France said his daughter showed her first "resentment" while training in England this summer for her second Channel attempt. Her attitude, he added, caused him to return home ill.

State Received More Than Sent

Chapel Hill, N. C., Aug. 25.—(AP)—In more than two and a half years the National Foundation for Infantile Paralysis has sent \$2,536,672 to North Carolina.

That is more than has been sent to the National body from State fund drives in the same period. The 1950 state March of Dimes drive netted \$949,901 and the 1949 campaign \$1,215,000.

The figures were announced here by Mrs. Phillips Russell, state campaign director for the March of Dimes.

NOTICE OF SALE OF REAL PROPERTY

Under and by virtue of power and authority vested in me by that certain Deed of Trust executed by Katie R. Peaden and husband, W. Frank Peaden, to J. H. Harrell, Trustee, dated December 31, 1949, and recorded in Book H-25 at page 615 in the office of the Register of Deeds of Pitt County, North Carolina, default having been made in the payment of the indebtedness secured therein, the undersigned trustee will on Sept. 25, 1950 at 12:00 M. offer for sale and sell to the highest bidder for cash, that certain lot or parcel of land lying and being in Falkland Township, Pitt County, North Carolina, adjoining the lands of Mrs. Annie Peaden, Mrs. W. H. Moore, and others, and specifically described as follows:

Beginning at the southwest corner of Mrs. Annie A. Newton's lot, adjoining the lot of Mrs. Annie Peaden, and running westwardly with said Annie Peaden's line about 300 feet to a stake near a pond, the same being the corner of Mrs. Annie Peaden's lot; thence with said Peaden line in a southwesterly direction about 140 feet to the corner of Mrs. Annie Peaden's lot near an old tram road; thence in a north-easterly direction about 150 feet to the old school house lot, running parallel with the old tram road about 9 feet from a tobacco barn; thence with the old school house lot northwardly about 50 feet to the Greenville-Tarboro Road; thence northwardly with said road about 240 feet to the corner of Mrs. W. H. Moore's lot; thence westwardly with Mrs. Moore's line about 300 feet to Mrs. Annie A. Newton's line; thence southwardly with Mrs. Annie Newton's line about 90 feet to the beginning, and containing one and one-half acres, more or less.

The above described property will be sold subject to all prior encumbrances.

This the 24th day of August, 1950. J. H. HARRELL, Trustee. Aug. 25 Sept. 1-8-15.

Robins Move Into Three-Way Tie For Third Place On Blanking New Bern

Ray Keys Pitches Third Shutout Of Season As Locals Take 1-0 Victory Against Bears; Robins Now Tied With New Bern And Wilson For Third Place In League Standings

By BERT MOYE

Ray Keys pitched his third shutout of the season for the Greenville Robins here last night with sterling four-hit hurling as the locals took a 1-0 victory over the New Bern Bears. The win for the Robins moved them into a three-way tie for third place in Coastal Plain League standings with New Bern and Wilson.

Keys struck out a total of 11 men and issued only one free pass to first. In the five out of seven frames it was three up and three down for the big right-hander. In only one frame did he get into serious trouble, that being in the eighth frame when the bases became loaded on two singles and an error with none out. But Keys then displayed his ability as a hurler as he fanned the next two batters with the third man flying out into left field to retire the side and end the Bear threat.

The Robins' only run of the game in the fourth frame. Ralph Bartolozzi doubled into right field and Sal Valvano followed with a single into short right field with Bartolozzi taking third. Joe Guidice then hit a long fly into deep right field almost to the fence with Bartolozzi racing home from third for the marker.

Buster Matthews went the route for the Bears and limited the Robins to four hits, two of which were doubles by Bartolozzi and Allegretti and singles by Dick Bland and Valvano. He walked three men and struck out four. The loss for Matthews was his ninth of the season and his first to the Robins. He had previously won from the Robins in the early part of the season.

The win for Keys was his tenth of the season and his first against the Bears, having dropped two previous contests. Keys' four hits in last night's contest were all singles and were scattered among four New Bern players.

The shutout for the Robins was their fifth of the season over clubs

in the league and the first handed to the Bears by the Robins this season. The win now gives the Robins eleven wins-out of the total of 17 games played between the two clubs this season.

The Robins journey down to New Bern tonight to play the Bears in a double-header to wind up the season play between the two clubs. On Saturday night they go to Tarboro and then return home Sunday afternoon to meet the A's at Guy Smith Stadium at three o'clock.

With the Goldsboro Cards and the Robins winding up their season schedule or Wednesday night in Goldsboro, herewith is a summary of how the two teams fared against each other during the current season. In a total of 30 games, the Robins won 10 games and the Cards won 10 games. In the 20-game series between the two clubs the Goldsboro club scored a total of 112 runs while the Robins scored 85. The wins include six by a one-run margin, one by a three-run margin, two by a four-run margin and one by a six-run margin. In the lost column the Robins dropped four games by a one-run margin; one each by two, five, seven, nine, ten and fourteen runs respectively. The Robins shut out the Goldsboro Cards once 1-0 during the season with Pete Braun doing the hurling for the Robins. The Cards shut out the Robins once by a 9-0 score with Bob Musenfechter being on the mound for the Cards. During the season they played two extra inning games with the Robins taking both of them. The first was a 10-inning contest which the Robins won 7-6; and the other contest was a 4-3 win for the Robins which went for 12 innings. They played one double-header during the season with the Robins taking the first contest 6-5, and the Goldsboro club taking the second game by an 18-8 score.

Baseball Scores

Sam Jethroe, base burglar of the Boston Braves, is in top standing for rookie-of-the-year honors. The fleet-footed Negro is playing in the majors for the first time and he has already proven his ability.

Many people said that Jethroe would never make the big time, that the best he could do was possibly a minor league position. But he has ignored that possibility and is performing steady with the Braves.

The Braves paid \$100,000 for Jethroe but he has paid that investment back. He has more than lived up to his reputation. During the first month of the season he batted .343 to lead the Braves in batting. He probably won't steal 80 bases the way he did at Montreal last year, but you can be sure that he is going to be in the top group when the season is over and history is made.

I saw Jethroe play in Raleigh, North Carolina, this past spring and when he came to bat for the first time you would have thought the mighty Ruth was strolling to the plate. The fans sat anxiously in their seats and called for Jethroe to get on base so they could see him run. Well, Jethroe more than obliged. He rapped a hit, a single for the average player, into right field but when he stopped he was on third base. No wonder he is tagged as the fastest runner in baseball today.

Jethroe is a switch hitter and seems to be as good in any position as the majority of the players are in one. He doesn't run at a gallop, but smooth. He seems to glide around the bases. Most of the time, if there is anyone running in front of him, he runs with his brakes on; the man has to or someone would get ploughed into the ground.

A bright future seems to be ahead for Sam Jethroe, barring injury or sickness. Certainly no one can say that he has been detrimental to major league baseball because he has been every inch a gentleman. One thing for sure, he adds color to the game.

Appreciation Night

Business Manager Russ Filley of the Greenville Robins announced today that Saturday night, September 2, has been set as Manager Randy Hefflin, and Player Appreciation Night for the Robins, in which the local team will be honored and the fans' appreciation shown for their efforts all season.

Filley also announced that Chester Walsh had accepted the chairmanship of the committee which will be in charge of making Appreciation Night a success. The other members of the committee are Chris Kares, B. D. Johnson, Charlie Blair, Mrs. Alton Clapp and Mrs. Jessie Lee White.

Robinson Again Risks His Crown

Scranton, Pa., Aug. 25—(AP)—For the second time in two weeks Sugar Ray Robinson defends a boxing championship tonight—and once again the Harlem Dandy isn't going to become rich for his efforts.

At 9 p. m. (EST) Robinson engages Jose Basora, hard-hitting Puerto Rican, in a 15-round bout for the middleweight championship, Pennsylvania version. Jake LaMotta holds the National Boxing Association middleweight title.

Robinson has been guaranteed a take of \$7,500 or 35 per cent of the gate, but he owes the Pennsylvania Boxing Commission \$1,000 and damage suits totalling some \$5,000 are pending against Robinson for running out on a previous date with Basora.

The Sugar was supposed to fight Basora here July 16 but he bowed out complaining of a sore back. Commission physicians examined him and found nothing wrong with his back.

Two weeks ago Robinson declined Charley Fusari in a bout for Robinson's world welterweight title. The Sugar gave his purse to the Damon Runyon Cancer fund.

Second No-Hit, No-Run Game For 12-Year-Old Boy

Williamsport, Pa., Aug. 25—(AP)—A 12-year-old Houston, Texas, lad today grabbed the spotlight in the Little League world series here by pitching his second no-hit, no-run game in a row.

In registering a 3-0 near-perfect victory over Westerly, R. I., yesterday, sandy-haired Bill Martin, struck out 14 batters, allowing only one man to reach first base on a walk.

The chunky little righthander blanked San Diego, Cal., last Friday at Austin, Tex., in the Texas-California Regional playoffs.

Tigers Survive Yankee Assault But Now Face Red-Hot Boston

By JOE REICHLER
 Associated Press Sports Writer

Are the Detroit Tigers leaping out of the frying pan into the fire? Having escaped the "kill" with a comeback to salvage the last game of a near disastrous three-game series with the Yankees in New York, the Tigers moved cautiously today into the lair of Boston's 10-in-a-row Red Sox.

Manager Red Rolfe entrusted the task of halting the Sox to Paul (Dixie) Trout, currently the hottest pitcher on the Tiger staff. Southpaw Mel Parnell, always a tough pitcher for Detroit to beat, was named by Manager Steve O'Neill.

No matter what happens in the

two-game series the Tigers are assured of leaving Boston still in first place. They made certain of that yesterday when they overcame a 3-0 deficit to conquer the Yankees, 6-3.

Had they lost yesterday, the Tigers would have seen their once comfortable lead shrivel to a half-game advantage. As it is, the Bengals own a two and a half game lead over the Yankees and Cleveland Indians.

The Indians swept a two-night doubleheader from the Senators in Washington, 3-1 and 5-3, to climb into a virtual second place tie. The fourth place Red Sox won their 10th straight, defeating the Saint

Louis Browns, 6-2. They trail the pace makers by four and a half games.

Thus far, the Tigers have not found the Yankees as tough as usual. They've already whipped the Red Sox 11 times in 18 meetings.

It was Hal Newhouser who got the Tigers off the hook yesterday. He scattered four hits after the third inning to register his 11th victory, his first since July 17.

Jaycees To Handle Sale Of ECTC Football Tickets

The Greenville Junior Chamber of Commerce, acting on a request from ECTC Coach Bill Dole, voted last night to take charge of the sale of season tickets for the home football games the East Carolina Pirates will play this fall.

The tickets will be given to the Jaycees as soon as they are received from the printers and they will probably be put on sale on Thursday of next week.

With an expanded enrollment at the college this fall there will be only 846 of these season tickets sold to the public. The price of a set of tickets is \$8.75 which entitles the owner to have a reserved seat at each of the five home games. All of these games, with the exception of one, will be played on Saturday nights.

The Jaycees took the responsibility for the distribution of the tickets after hearing a request from

Coach Dole in which he outlined his plans for this year's team which he says will be somewhat better than last year.

In making this statement the coach said he was not trying to "get out on a limb," but was just looking at the facts. "Our team can't help but be better," he assured, "since we have practically the same team back, plus added experience and some new players."

In the remainder of the business session the Jaycees heard a report on last week's meeting with the Farmville Jaycees which was highlighted by a softball game matching squads from the two towns.

The only other business brought to the group's attention was that of making contributions to be used in paying the hospital expenses of past national president of the Jaycees, Seldon Waldo, who is critically ill.

Schroeder Bears Major Burden In Cup Matches

Forest Hills, N. Y., Aug. 25—(AP)—The Davis Cup challenge round got under way today and the United States' chances of a successful defense against Australia were placed squarely on the shoulders of Ted Schroeder.

Non-playing Capt. Alrick Man chose Schroeder, the La Crescenta, Calif., refrigerator salesman who never has lost a cup match, to play in both singles and doubles. That means Ted will see action in all three days of the matches.

He took the court in today's second match against 20-year-old Ken McGregor, a last minute Aussie single choice. In the other singles, Tom Brown of San Francisco faced Australia's No. 1 operative, Frank Sedgman.

Stranahan Gets Gallery's Nod

Minneapolis, Aug. 25—(AP)—Everybody has climbed on the Frank Stranahan bandwagon at the National Amateur Gold Tournament.

Seldom, if ever, in the 50-year history of the meet has such a prohibitive favorite emerged in the semi-final stage.

Stranahan himself is almost as confident as the railbirds. The internationally known 28-year-old Toledo golfer has never gained the semi-final round before.

In today's scheduled 36-hole action among four survivors, the indefatigable Stranahan draws John P. Ward. Ward is one of the tournament's surprises, having survived where all other former champions, Walker Cup players and other better known amateurs, have failed.

Originally the wireless distress call at sea was "CQD" but this was changed to "SOS" primarily because its coded three dots, three dashes and three dots are made easier to read.

The RANGE DOCTOR

by OSCAR J. FRIEND

Chapter 12
Most people had to work hard or pay in some manner for what they got, but there was one person so favored of the gods he had only to wander aimlessly around to stumble on good fortune at every turn. This effortless child of destiny was Sheriff Hugh Matlock.

For no reason at all Matlock went fishing on Monday. By early afternoon he had caught two medium sized catfish and was about to call it quits when he gave a tentative pull at his line. Behind the elasticity of the cording there was a dead weight which told him he had probably snagged a piece of submerged driftwood. With a prodigious sigh of patient weariness at the scurvy trick chance had played on him, he hauled away. Before the line was half in, his sleepy eyes were wide open in amazement and he was playing the line carefully against the current. He had snared the body of a man.

Matlock recognized the truculent chin and sandy-red hair. This was the body of Rusty Scanlon, and there was a five-hundred-dollar reward for this outlaw, dead or alive. The sheriff did not stop to question this gift of the Brazos. Methodically he caught his horse, lashed his find across the saddle, and set out for town aloft.

Joe Haskell came to the door of the barber shop at the sight of the sheriff on foot. Wearing Matlock's horse to an swining post and entered the shop.
"Got a dead outlaw for you, Joe. Take him in and send for the coroner."
Matlock relaxed in the serene assurance he had earned every cent of the reward money. He did not get up as Dr. Logan, accompanied by Griggsby, entered the shop.
The editor fired a crisp question at him: "Who's the dead outlaw, Sheriff, and where'd you kill him?"
"The name's Rusty Scanlon, and I fished him out of the Brazos," he answered, heavily, transferring his attention to Logan. "Want to look him over, Doc?"
Logan, biting his lip, flung back the concealing blanket with a swift motion. As Haskell bent forward to

APPLICATION FOR PAROLE

OF
ANDREW JACKSON FORREST
Application will be made to the Commissioner of Paroles and the Governor of North Carolina for the parole of Andrew Jackson Forrest, convicted at the April term 1949, Superior Court of Pitt County for the crime of accessory to highway robbery and sentenced to serve a term of not less than 4 years nor more than 6 years.
All persons who oppose the granting of said parole are invited to forward their protests to the Commissioner of Paroles without delay. This 25th day of August, 1950.

Pitt May Lose Representative N.C. General Assembly In Re-Appportioning

By NOEL YANCEY
Raleigh, N.C., Aug. 25—(AP)—Some counties stand a good chance of gaining and others of losing representation in the Legislature as a result of the latest population nose-count.

If a constitutional mandate is followed, the 1951 General Assembly will re-appoint its membership in accordance with the latest population figures.

An Associated Press check of preliminary census figures indicates that some changes in representation are called for by shifts in population during the 1941-50 decade. Some counties lost in population, others increased slowly and still others grew rapidly.

The census figures indicate that Alamance County and Rockingham County may each gain one member in the House of Representatives while Cabarrus and Pitt Counties may each lose one representative. This would give Alamance and Rockingham two representatives each and Pitt and Cabarrus one each.

Alamance gained 13,506 inhabitants during the decade for a total of 71,835, and Rockingham added 7,067 for a total of 64,965. During the same period Cabarrus gained only 4,517 for a total of 64,010 and Pitt picked up 2,526 for a total of 63,750.

Counties which fell just short of the population necessary for two representatives are Cleveland with 64,216 persons, Wayne with 64,174, Pitt and Cabarrus and New Hanover with 63,242.

Mecklenburg, with 196,163 inhabitants, and Guilford with 190,152, will hold on to their present quotas of four representatives each.

The figures also indicate that Forsyth, Wake and Buncombe will retain three members each. Forsyth's population under the latest count is 145,076, Wake's 135,942 and Buncombe's 122,857.

Six other counties will keep two representatives each. They are Gaston with a population of 110,706, Durham with 100,641, Robeson with 87,733, Cumberland with 82,892, Rowan with 75,232, and Johnston with 65,751.

Although the constitution says the Legislature should reapportion its membership after each 10-year census, it doesn't always do so. After the 1930 count, the legislators couldn't agree on reapportionment. The wrangle was renewed at each session for several years and finally was put off until after the 1940 census when the present division of legislative seats was agreed on. Ironically one of the counties which stood to lose a House seat after the 1950 census and did lose one in 1940 was Rockingham.

Apportionment of House membership follows a formula laid down in the constitution. This gives a seat to each of the 100 counties regardless of population. The remaining 20 seats are divided among the larger counties on a population basis.

The constitution says that in assigning the 50 Senate seats the state shall be divided into districts. These districts are to have equal populations as nearly as possible, counties within a district must be contiguous and counties cannot be divided.

This, plus the practicalities of politics, make the job of districting the state for the Senate seats extremely difficult. It makes virtually impossible the job of predicting how Senate reapportionment will be done.

Superior Court Completes Term

Pitt County Superior Court adjourned yesterday afternoon with a backlog of court cases being carried over until the next term of civil court.

The last case to be tried before presiding Judge Chester Morris yesterday dealt with the case of D. L. Turnage vs. R. F. MacLawnhorn.

The jury debated the case until around one o'clock yesterday afternoon before returning a judgment in favor of Turnage for \$3,000. The case was brought after MacLawnhorn failed to pay an agreed commission for the sale of farm property, according to Turnage's lawyers.

However the case was appealed to the Supreme Court.

A non-suit was entered in the case of Jessie Cogdell vs. R. D. Whitehurst after a day-long argument by both sides.

A judgment of \$5,000 for injuries received in an automobile accident was received by Carrie C. Freuler in the case against James Moye. The prosecution claimed Freuler received personal injuries when a car in which he was a passenger was involved in an accident with one driven by Moye. The court claimed that Moye was operating the car in "a negligent manner," resulting in the accident.

Hurbert Mozingo was ordered to pay the sum of \$248.23 to the Greenville Curing Company, plus interest in a judgment handed down yesterday. The case was tried Wednesday.

Acra Nelson vs. Elmer Nelson resulted in alimony without divorce. Frances C. Baldeare was granted a divorce from Joseph Baldeare and the custody of the children.

Radio Tower Is Coming Down In Station's Move

A familiar landmark in and around Greenville for the past ten years, the radio tower of WGTC on the Falkland highway, will be torn down today, according to a report received from Manager Hartwell Campbell.

The tower which soars 155 feet into the sky, is being taken down and moved to the new site of the station's transmitter station, where three giant towers will be put into operation.

The change in the towers was brought about by the increase in power granted the local station recently by the Federal Communication Commission.

The new power grant will bring the station up to 5,000 watts day and night time power.

Campbell said that one of the three towers has been constructed on the new site located several miles out on the Falkland highway, and that the other two are expected to be put up next week.

On Getting . . .

(Continued from page one)

Starting Sept. 1, anyone then 65 or older can get a pension if he has only six covered quarters to his credit since 1936. Although it probably won't be more than \$20 or \$25 a month, he can get it by applying to his nearest social security office.

Congress didn't stop there. While it was at it, it decided to lower the requirements for everyone down to the age of 5. Those now 45 or younger will need, under the new law just as under the old one, 40 covered quarters to their credit before getting a pension at 65.

The following table shows the changes Congress made with, first the age of a worker, then the number of quarters he needed at that age under the old law and, in parenthesis, what he needs under the new one:

75 or over—6 (6); 75—8 (6); 74—10 (6); 73—12 (6); 72—14 (6); 71—15 (6); 70—18 (6); 69—20 (6); 68—22 (6); 67—24 (6); 66—26 (6); 65—28 (6); 64—30 (6); 63—32 (6); 62—34 (6); 61—36 (6); 60—38 (10); 59—40 (12); 58—40 (14); 57—40 (16); 56—40 (18); for people now 55, 54, 53, 52, and 51—40 (20); people now 50, 49, 48, 47 and 46—40 (30); for everybody now 45 or under—40 (40).

All those changes go into effect Sept. 1. You can see what they mean for older workers in terms of years, since four quarters equal one year in a man's life.

Under the old law a man now 62, who had no coverage, would need 34 quarters or 8½ years more work before he could get a pension. He'd be over 70 then.

"Misuse of God's Divine Privileges." Music by the junior choir. Sunday is Youth Day. All young people are invited to share in the services.

A special program will be featured at the 7:45 service. Come and bring your friends.

5 p. m.—V. C. E. meeting, Mrs. Nelle Mumford, president. Wednesday night prayer meeting. We call upon every Christian to pray that lasting peace may come to the world.

Sycamore Hill Baptist church will observe the 21st anniversary of its pastor, Rev. J. Alpha Nimmo, Sr., on Sunday, August 27, at 2:30 p. m. The anniversary sermon will be preached by Rev. W. H. Owens, pastor of the St. Paul Baptist church, Tarboro, accompanied by his choir and congregation.

All members and friends are invited to honor with thanksgiving to God for these years of faithful service rendered by the pastor.

Each department is asked to report in this service and to aid in preparing the refreshments in the basement of the church.

Rescue Truck Called For Emergency Trip

The Greenville Fire Department's rescue truck was called to White's Store around eleven o'clock this morning to carry a Negro woman, Nora Moore, to the hospital.

The woman became ill as she was leaving the store. Doctors at Pitt General Hospital stated that she was all right, just suffering from the heat.

She was taken to her home at 606 Cooper's Lane.

South Koreans . . .

(Continued from page one)

and a half before a tank-led smash by the Reds.

The east coastal battle was touched off by a twin South Korean attack to the north from Kigye and the coastal Hunshae area immediately north of Pohang. Two South Korean divisions—the Capital and Third—jumped off in the offensive.

On the extreme southern front between Chinju and Masan Port, 27 air miles west of Pusan, the No. 1 allied port, two red divisions appeared to have built up for a sweep to the east.

Earlier Friday the Masan front blazed with tank-led combat. The fighting got so close that hand-grenades were used by American Negro infantrymen of the 24th regiment. Principal action was in the oft-exchanged saw tooth hills of Sobuk near Tundok, 10 miles northwest of Masan.

Long guns of the enemy tanks were being used as artillery. This indicated to headquarters intelligence officers that allied plane and ground attacks had cut down communist artillery pieces.

British and American naval forces attacked enemy harbor installations. An American heavy cruiser blasted the reds at two places—Songjin, 150 miles north of the 38th parallel and communist troop concentrations north of Pohang.

British naval forces made a commando raid in the maze of islands off the port of Inchon, near Seoul. The commandos destroyed a communist supply dump and a radio installation.

Premier Meets Union Leaders On Strike Issue

Ottawa, Aug. 25—(AP)—Prime Minister Louis St. Laurent met union leaders today in an effort to settle a nationwide rail strike which has clamped a stranglehold on this country's economy.

The union leaders remained grimly silent as they emerged from an hour-long meeting to which they were summoned by St. Laurent in the Canadian government's first intervention in a labor dispute.

"We were asked to see the prime minister and we've seen him—that's all," said Frank Hall, negotiator-in-chief for 15 international unions with 90,000 members, "you'll have to ask the prime minister for any more information."

Henderson Man Is Injured When Struck By Local Taxicab

H. A. Moss, 35-year-old manager of the FCX Store at Henderson, was painfully but not seriously injured yesterday afternoon, when a taxicab allegedly driven by Robert L. Vandford, knocked him down at Dickinson and Grande avenue.

Moss swore out a warrant against the taxi driver charging reckless driving and personal injury. Vandford, a driver for the A Taxi Company, provided bond and was released. The case will be tried in Police Court September 1.

Moss went to Pitt General Hospital for a checkup and he was released. He was in Greenville on business with A. S. Warren of Raleigh, district manager for the FCX stores.

Funeral On Saturday For Mrs. D. S. Spain

Mrs. Fannie Johnston Spain, 86, widow of D. Spain, died in Pitt General Hospital Thursday night at 8:35 o'clock following several years of illness. Funeral services will be conducted at Mt. Pleasant Christian Church, near Greenville, Saturday afternoon at four o'clock by Dr. Cecil Jarman, pastor of the First Christian Church of Wilson, and burial will be in Mt. Pleasant Church cemetery.

Mrs. Spain, daughter of the late John and Jane Ringgold Johnston, was born and reared in the Falkland community. She was married to Mr. Spain, April 22, 1890, and spent all her married life in Greenville. Mr. Spain died in 1944.

Surviving are a son, D. S. Spain, Jr., of Greenville; three daughters, Mrs. Agnes Settle of the home, Mrs. Harper Holliday of Dunn, and Mrs. C. R. Hinshaw of High Point; 7 grandchildren and 6 great grandchildren.

Philippine Reds Raid Army Camp In Bold Attack

Manila, Saturday, August 26—(AP)—The Philippines army was reported bringing up light tanks early today to cope with Communist-led Hukbalahap guerrillas who attacked an army camp 100 miles north of Manila.

A Manila Herald correspondent reported ten soldiers had been killed and four wounded in the guerrilla attack which began Friday night and was still in progress early today in the town of Tarlac.

The attack was launched on Camp Macabulus, about one mile from the town.

Army headquarters said the camp was set afire.

Light tanks from Camp Oliva, about 40 miles south, were reported being rushed to Tarlac.
