Planning Board Sets Priorities On Program City Project Costs Talked

By ALVIN TAYLOR
Reflector City Editor

Right-of-way cost for the new highway by-pass, a new high-pressure fire truck, and an activity building for South Greenville Park would receive top priority in the city's proposed \$1,000,445 six-year capital improvement program.

That was the recommendation of the Planning Board last night as its members made a detailed study of the proposals which had been prepared and presented to the board members earlier for consideration.

The Planning Board members set up a priority rating for projects listed under each department and, if their recommendations are followed by the City Council, the projects will be carried out in their listed order.

Public Works
Ranking first for the Public Works Department under the plan is the \$30,000 needed for the city's share of the N. C. 11 by-pass cost. That item was placed first since the city is already obligated to bear half the cost of obtaining right-of-way for the project within the city limits and work on the by-pass has already begun. The money is to

come from Powell Bill funds.

Second project to be accomplished within the Public Works Department would be the Green Mill Run drainage improvement program which is to cost the city \$31,000. The city manager has recommended that the money for that project be provided through a bond issue.

Other projects under the Public Works Department in priority order, their cost and the source of funds: extension of First St. Cotanche to Woodlawn, \$40,000, Powell Bill and Widen Pitt St., First to Dickinson Ave., \$22,000 Powell Bill and general fund; construction and maintenance equipment, \$52,000, general fund and Powell Bill; and automotive equipment, \$38,900, general fund.

Widen Eighth Street, Dickinson Ave. to Evans St., \$5,800, Powell Bill; Elm St. dual lane, \$56,000, bond issue and Powell Bill; storm sewer, Cherry Hill-Vance St., \$51,750, bond issue; storm sewer, Clark St., Tenth to Fourteenth St., \$19,500 bond issue; storm sewer, E. Third and Fourth Sts., \$4,500, Powell Bill; widen Evans, Fifth to Fourteenth St., \$22,000, Powell Bill; widen Cotanche, Second to Third Sts., \$4,

House Plans Early Saturday Session To Speed Tax Bill

RALEIGH (AP)—The House, looking ahead to final adjournment next Wednesday on Thursday, was expected to give quick approval to counties and cities in which beer tax bill.

The third and final reading to the House will come at a special session tonight at 12:05 a.m. No. B. Rodman of Beaufort, House Finance chairman, to explain the tax measure. There was no discussion as approval came swiftly on first reading.

In addition to the beer, tax other major provisions in the bill include: a 3 per cent tax on building materials, to yield three million dollars; a 1 per cent tax on motor vehicle sales, to yield \$30 million; a 1-1/4 million; a 3 per cent gross receipts tax on hotels and motels, 1-1/4 million; repeal of the \$15 maximum sales tax on single articles, one million; a tax increase from 8 1/2 to 10 per cent on liquor, and from 40 to 70 cents on fortified wine, \$1,247,000.

The bill removes farm machinery from the 3 per cent sales tax and puts it in the same category as mill machinery, which is subject to the wholesale tax of 1-20th of 1 per cent. This will result in a revenue loss of one million.

Under the 1-cent beer levy, all of the estimated \$1,760,000 revenue annually will go to the state. The Senate session had proposed that half of the 3-cent tax go to cities

May Be Another Week Before Salk Shots Resumed Uncertainty Goes On

WASHINGTON (AP)—Uncertainty over when the program of mass inoculations against polio can get into full swing seemed likely today to continue at least until next week.

The Public Health Service provided no elaboration on its bare announcement Wednesday that the clearance of embargoed batches of Salk vaccine would be delayed pending further study.

A spokesman said late yesterday that "the best you can assume is that it will be next week before we have any further releases."

The health service declined to comment on the possibility that a technical advisory committee on dosage meeting today at Bethesda, Md., might recommend some change in technique to stretch dwindling supplies.

The National Conference of State Epidemiologists, meeting in Atlanta, had asked the health service for an opinion on whether it might be possible to reduce the current dose of one cubic centimeter to 1/2 cc.

Sen. Hill (D-Ala.) said in an interview, meanwhile, that he will call the Senate Labor committee which he heads to meet Monday to consider several bills empowering the government to assume control of the distribution and sale of the vaccine.

He predicted that the committee will approve standby powers despite testimony from Secretary of Welfare Hobby earlier in the week that there is no need for them.

The health service, a part of Mrs. Hobby's department is making a plant-by-plant study of the manufacturing and testing processes of five laboratories. Inoculations in many areas have been held up in the meantime.

Evidence mounted that some segments of the public were confused and perhaps disturbed by the uncertainty.

When New York City clinics opened yesterday for first and second-grade school children to get their first shots, 79 per cent of those for whom injections had been requested did not show up. Dr. Morris Greenberg, in charge of the

Over \$85,000 Loot In Alabama Theft

JACKSONVILLE, Ala. (AP)—Four armed white men robbed the First National Bank of Jacksonville of between \$85,000 and \$90,000 today, after kidnaping a bank official from his home.

The bandits surprised Jesse N. Wood, assistant vice president and cashier, at his house and forced him to accompany two men to the bank while the other two guarded his wife and two children.

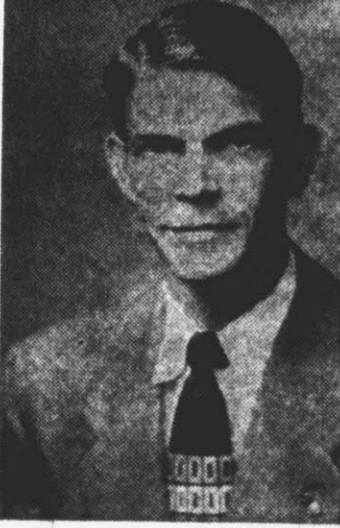

At the bank, they waited inside, meeting employees as they arrive for work, tying them up and putting them in a back room.

When a time lock opened the bank vault they scooped up between \$85,000 and \$90,000 and carried it off in a repossessed bank car. Dan W. Gray, bank vice president, made the estimate of the amount stolen. He said the loss was covered by insurance.

One of the two men who went to the bank was armed with a sawed-off shotgun and the other with a .38 Smith & Wesson.

After raiding the bank vault the robbers forced Wood to help them

New VFW Head

Veterans of Foreign Wars Post No. 7032 at a meeting last night, elected Joe Bass commander for the ensuing year. He succeeds retiring commander Walter Lewis.

James Joyner was chosen senior vice commander; Ed Parker, junior vice commander; George Johnson, quartermaster; Sid Allen, trustee; Kenneth Brown, chaplain; Larry Averette, post advocate; Malcolm Williams, post surgeon.

A joint installation of post and auxiliary officers will be held at the June 3 meeting. A "covered dish" supper will be served.

Prison Term For Wilson Poisoner

WILSON (AP)—Mrs. John Samuel Cockrell, 54, was sentenced today to 12 to 15 years for second degree murder in the rat poison death of her husband last July 18. She had pleaded guilty.

She blinked back tears as Superior Court Judge Q. K. Nimocks pronounced sentence. Her daughter, Mrs. Virginia Morgan, wept.

Nimocks said that without her own admission that she fed rat poison to her husband the state could not have made a case against her.

Mrs. Cockrell had said that a big factor in her marital troubles was the fact that her husband forced her into unnatural sex acts. The judge said it was hard for him to understand why she chose to poison him rather than to try to have him arrested.

Defense Attorney Robert A. Farris, pleading for leniency, cited Mrs. Cockrell's age, her health and her mental condition.

Mrs. Cockrell's lawyer yesterday entered a plea of no contest to second degree murder which the state accepted and the charge was reduced from first degree murder. This eliminated the necessity of a jury.

Two Duke Hospital pathologists testified yesterday that an autopsy on Cockrell showed he died from doses of rat poison.

Dr. Wiley Forbes said Cockrell died from the doses of rat poison. Dr. Haywood M. Taylor, a toxicologist, said Cockrell received poison at intervals at least two weeks before he died. He said Cockrell, a rural storekeeper, received "excessive amounts" of poison.

Dr. Taylor testified that two bottles of arsenic were taken from the Cockrell home contained arsenic rat poison.

Dr. Wilmer C. Betts, clinical director at the State Hospital for the Insane at Raleigh, testified that while Mrs. Cockrell was under his observation she admitted feeding rat poison to her husband twice.

Dr. Betts said Mrs. Cockrell admitted at times that her mind "would come and go." Dr. Betts said in his opinion Mrs. Cockrell knew right from wrong.

Parts Of Four Southwestern States Stricken Flood Destruction Grows

By THE ASSOCIATED PRESS

Rivers swollen by torrential rains raging through parts of four southwestern states were among the most destructive spring floods in years.

Five persons were dead. Four schoolboys were killed during a rainstorm when a lightning bolt fell on youngsters at Kingsville, Tex. A Colorado woman drowned. Mass evacuation was in progress at two southeast Colorado cities, where the state civil defense director declared an emergency.

Scores of homes and business stores were abandoned to rising waters elsewhere in Colorado, Oklahoma and Texas. Northeast New Mexico also was hit by heavy rains.

Authorities in Colorado estimated at least 2,000 persons were isolated or have been evacuated. An estimated 200 persons were moved from homes in scattered Oklahoma communities.

Despite the destructiveness of the four-day storm it brought the first substantial moisture of the year to once-ric agricultural and ranching areas in Texas, logged up to 15 inches of rain and Oklahoma 12.

At Conchas Dam, in New Mexico the rains increased water storage by 60,000 acre-feet. That was typical of once-dry reservoirs throughout the irrigated west.

Highways were closed in much of the four-state area as rolling streams reached flood stage.

Bridges were washed out or threatened. Communications were disrupted. At Lufkin, Tex., a windstorm partially unroofed a supermarket while 80 persons scurried to safety.

Flood warnings were issued for the North Canadian and Cimarron rivers in Oklahoma, and for the Canadian River in New Mexico.

The most critical flood area, however, was in southeast Colorado.

At Trinidad the Purgatoire River, which normally courses at one to two foot depth, reached 25 feet and closed four bridges linking the city's northern and southern halves.

Three homes were swept away by the raging torrents, and 10 railroad cars toppled over at the city's flooded Santa Fe Railroad yards.

Ten blocks of property were under water.

It was the worst flood in Trinidad's history.

Four miles south of that city of 12,204, the village of Starkville was swamped when Raton Creek overflowed its banks. It washed away three homes and the Sacred Heart Church.

Seven hundred inhabitants were sheltered in special quarters at Trinidad.

A dike along Arkansas River crumbled late yesterday at La Junta and sent up to three feet of water swirling into small industrial buildings and private homes. The city's two bridges were higher ground.

Thousands Of Fish To Be Plucked Out Of Lake

LEXINGTON, N.C. (AP)—It was like a fisherman's dream—then became a nightmare as Clearwater Lake, near here, gave up thousands of fish over the past two days.

Nobody needed hook and line. Even the amateurs netted hundreds.

The mass fish-killing process was conducted by the State Wildlife and Resources Commission.

Rotene did the job. It is a substance that smother fish but does not poison them and prevent their use as food.

The whole idea is to determine why game fish have disappeared in High Rock Lake, of which Clearwater is a part, and why other fish are running.

Harry Cornell of the fish division authorized state biologists to conduct the experiment in the 60-acre arm of High Rock Lake.

Only 60 bass were found—the largest a 21-inch, 6-pound black fish. There were nearly 900 pounds of crappies—just two or three inches long. Some catfish also were found. The largest weighed nine pounds. The majority were very small.

As the fish were picked from the water's surface, they were weighed.

Superior Court To Open Monday

Twenty-six cases are slated for hearings before the Hon. Walter J. Bone, judge presiding, next week at Pitt County Superior Court opens its second week of the May civil term.

Monday finds the heaviest docket of the week with 14 cases set. They include Nonia Hill vs. Ralph C. Hill; Alice Fortes vs. Williams E. Fornes; Majorie Owenby vs. Alvin B. Owenby; Daniel Bright vs. Mamie Bright; Augustus Smith vs. Christine Smith; Harry Lee Barrett vs. Louella Barrett; Linwood J. Butts vs. Maxine J. Butts; Carolyn Biggs Nobles vs. Jack Anton Nobles; Farnville Furniture Co. vs. Eva C. Willis, adm.; F. W. Oakes vs. Glenn M. Tucker; Edna Corbett vs. Ed Fleming; Julius C. Streeter vs. Perry King; Robert Johnson vs. Sam Malloy and Clarence E. Manning vs. Claud Dixon.

On Tuesday the court will hear the cases of L. S. Willoughby vs. Pitman Wayne; J. O. Pollard vs. Glen Hills Indemnity Co.; Sam Cherry vs. Paul Julian; and Thurman Vincent vs. Eva M. Corbett.

Wednesday's cases include Johnnie W. Speight vs. James Earl Freeman; Harold Keeter vs. Mary Alice Broadway and Wallace Barrett vs. Kinsey Heath.

Thursday which marks the court's final day, has a schedule including Lillian Barnes vs. Russell Carter; Carolina Daniels vs. Russell Carter; Lillian Barnes vs. Russell Carter; Walker Electric Co. vs. Laura Burger; Jesse E. Edwards vs. Bettie H. Edwards and Charles Lee Taylor vs. Ruby Glenn Taylor.

Davey Crockett Now Said Born In Stubborn State Of Franklin, Not N. C.

HICKORY, N.C. (AP)—Now comes an ex-president general of the United Daughters of the Confederacy.

She would get in her two cents worth (Confederate money) on Davey Crockett.

Mrs. Glenn Long of Newton says, Charles Raper Jonas, her own congressman is wrong. What's more the fellow who wrote the song is wrong, too.

Davey Crockett, says Mrs. Long, wasn't born in North Carolina or Tennessee. He was born in the state of Franklin, that historic area in the western North Carolina mountains that was peopled with the stubborn cusses south of the Mason-Dixon line.

In 1784, the people of Watagua district broke away from North Carolina and formed their own sovereign state, with John Sevier as governor. Mrs. Long would have it known, North Carolina, stubborn

Demo Chairman To Visit N. C.

CONCORD, N.C. (AP)—Democratic National Chairman Paul Butler will make his first visit in that capacity to North Carolina tomorrow.

The Indiana party leader will speak at a statewide rally at Young Democratic Clubs, in the Concord National Guard Armory. An audience of 1,200 is predicted by the three Cabarrus County YD Clubs, sponsors.

First event on the day's program is a 1 p.m. caucus of the 9th District YD Clubs. The state YDC executive committee also will meet.

Jaycees Install New Officers Last Night

Dr. M. W. Aldridge, local dentist, was installed as president of the Junior Chamber of Commerce in ceremonies at the Moose Temple auditorium last night.

Dr. Aldridge was elected earlier by members of the club along with a full slate of officers.

He, and other Jaycee officers for the coming year, were installed by Jake West, a National Director representing the North Carolina Jaycees.

The new president succeeds Frank Dail, insurance agent, who has led the club during the past year.

Also taking office in ceremonies last night was Mrs. Brooks Beddingfield, who succeeds Mrs. Clark Stokes as president of the Jaycees, the Junior Chamber of Commerce woman's organization. She was installed by Paul Geer, a district Jaycee vice-president.

Other Junior Chamber of Commerce officers who assumed their positions last night are: Ford McGowan, first vice-president; Harry Douglas, second vice-president; James Rodgers, secretary; Roscoe King, treasurer; Polly Williams, state director. New club directors are: Clark Stokes, Craven Hughes, W. E. Hudson, James W. Boykin and Jimmy Sutton. Other directors whose terms did not expire this year are: W. M. Seales, Charles Hudson, Jack Wilchard, Frank Strawn and Past President Frank Dail.

New Jaycee officers in addition to Mrs. Beddingfield are: Mrs. Clark Stokes, vice-president; Mrs. Joe Bob Mace, recording secretary; Mrs. Bob Mace, corresponding secretary; Mrs. Ford McGowan, director; Mrs. James Lafferty, director; Mrs. Warren Carroll, director.

The installation of officers night was combined with Ladies Night. Acting as toastmaster for the evening was Milton Williamson. The invocation was pronounced by Dr. Ledyard Ross.

Following the dinner which was prepared and served by the Women of the Moose guests of the club were introduced. Mrs. Clark Stokes gave the president's report for the Jaycees and Frank Dail gave a similar report for the Junior Chamber of Commerce.

Officers for the two clubs were then installed in separate ceremonies by Paul Geer and Jake West. The Jaycee creed was led by J. B. Smith followed by a floor show under the direction of Jim Lafferty.

To end the program prizes valued at more than a \$1,000 were given away in a drawing conducted by W. M. Seales, who solicited the gifts from local merchants.

Highlight of the drawing was the award of a 1947 automobile to Jim Lafferty as grand prize. The vehicle was donated by White Chevrolet Co. Chairman of last night's Ladies Night program was Phil Moore.

Coffee Prices Again Reduced By Distributors

NEW YORK (AP)—Coffee prices are coming down again.

The two biggest independent distributors of coffee, General Foods Corp. and Standard Brands, reduced wholesale prices today and some chain stores said they will pass on the reductions at retail right away.

General Foods trimmed the price of Maxwell House regular coffee by four cents a pound at wholesale, dropping it to 88 cents. It cut Kaffee Hag and Sanka by five cents a pound and knocked two cents off the price of the two-ounce jar of instant coffee and proportionally more off larger sizes.

Standard Brands' Chase & Sanborn also was reduced four cents and the company's instant coffee was cut by two cents on the two-ounce size and four cents on the four-ounce jar.

Fire Arms Are Sold At Auction

An accumulation of confiscated firearms was auctioned off piece-by-piece at noon today on the courthouse steps.

The firearms, confiscated by county and Greenville law enforcement officers, were auctioned by the Clerk of Court's office as prescribed by law. There were eight shotguns and nine pistols offered at the auction. Proceeds from the sale will go to the county school fund.

Trial Opens For Father, Mother

FAYETTEVILLE, N.C. (AP)—A Pope Air Force Base sergeant and his wife, charged with torturing her 5-year-old son, went on trial in city court here today.

Sgt. Robert E. Gilmore, 23, is charged on three counts of assault with a deadly weapon. His wife, Mrs. Florida Shirley Copps Gilmore, 30, is charged with being an accessory.

Air Force officials said Gilmore admitted punching the boy, burning his foot with a cigarette and putting tape over his mouth because he did not mind.

They quoted Gilmore as saying the lad, Lenny Copps, slept in the bathtub because he wet his bed.

National Director Jake West (left) congratulates Dr. M. W. Aldridge (center) who was installed as the new Junior Chamber of Commerce president last night. Looking on is Frank Dail, outgoing president. (Reflector Photo by Alvin Taylor.)

Little Merit Found In Buffer Of Neutrals Proposal

By JOHN M. HIGHTOWER

WASHINGTON (AP)—U. S. officials find little practical merit so far in proposals for the creation of a European buffer zone of neutral nations between Russia and the Western Powers.

Like President Eisenhower, they are not willing to write off the whole idea at this point. They believe it to be a project in which the Soviet government is interested, probably for devious purposes. But there are now so many unanswered questions that they see little future for it.

The dominant view of informed diplomats is that Russia's real purpose in diplomatic maneuvering of the last several months, including its agreement to the neutralization of Austria last week, is to create in Western Europe a condition of weakness—a power vacuum.

According to this theory, a situation would develop which would eventually give opportunity for the Reds to gain control of the vast industrial and manpower resources of Western Germany.

That belief is so deeply rooted in the U. S. government that if the Soviets actually have any less aggressive objective in view, it will take long negotiations and extended evidence of their intentions to persuade American officials to change their view.

Eisenhower, at his news conference Wednesday, avoided criticism of the idea of creating a belt of neutral states across Europe. But he noted that in the case of Austria the capacity for self-defense has been preserved. He indicated that the only neutrality he would be interested in would be an armed neutrality.

This has a direct bearing, authorities said today, on the German problem. For the neutrality which the Soviets proposed for Germany in laying out a world disarmament program 10 days ago was a disarmed neutrality. American and other occupation forces would be withdrawn and Germany would be permitted only the internal forces necessary for law and order—in other words, police.

That kind of neutralized Germany authorities said, is totally opposed by the United States.

A Germany armed sufficiently to protect itself against sudden attack but not allied with either of the two great power groups would be potentially capable of yielding the balance of power in Europe. It is doubtful whether any government, West or East would want to create that kind of situation deliberately.

At the same time, diplomats said it is obvious that Russia is violently opposed to a unified Germany armed and allied with the Western powers as West Germany now is in NATO.

The United States has not and may not present, after policy studies are completed, a completely negative attitude on the question of a neutral grouping of European states.

Instead, both the President and Secretary of State Dulles in effect have said they would challenge the Soviets to pull back their own forces and—if they want a neutral buffer—to create one out of the satellite states.

To date the best information available to the U. S. government indicates that the Soviet Union is not the least bit interested in rolling back its power from its forward positions in the heart of Europe to the U. S. S. R.'s national boundaries.

It is also true that to date the Big Three Western governments have shown no interest in permitting Germany to become a power vacuum into which Communist strength could eventually move nor in permitting it to become the pivotal state in the world power balance through armed neutrality.

SOCIAL AND PERSONAL

All items for this page received after 10 a.m. will be published the following day. Dial 6166-9 a.m. to noon; 1 to 4:30 p.m.

J. Charles Whiteford is a patient in Pitt Memorial Hospital.

St. Raphael School Luncheon
A stuffed pork dinner for the benefit of St. Raphael School will be held Sunday, May 22, from 12 to 2 p.m. at the cafeteria of St. Raphael School, 2006 East Fifth Street. Adults \$1.00; children 60c.

Hortense Moyer Junior Circle Meets
The Hortense Moyer Junior Circle of The King's Daughters met at the home of Ronita Respass. The meeting opened with the prayer of order. Rosemary Eagles read the Love Chapter from the Bible. Betty Ann Jones gave a most inspiring program entitled "An Open Door" taken from the "Silver Cross" Magazine. President Ronita Respass read a letter from the administrator of the hospital thanking the group for the stamp corsages that were given. Refreshments were served and the meeting adjourned.

Presented In Recital
Miss Barbara White, a student of Paul Peterson at Salem College School of Music, was presented in a recital Monday, May 16, in the Memorial Hall at 7:30 p.m. Miss White, a soprano, sang "Sommei Dei Radamisto," "Quando m'en Vo' Soletta," "Ungeudil," "Dubist die Ruh," "Tot Lo Sapete," "Bonjour, Susan," "Black Is The Color Of My True Love's Hair," "Ride On King Jesus," and "Miranda." Miss White is the daughter of Mr. and Mrs. Charles A. White of this city. Her parents, Elizabeth George White, Anna Louise White, and Mr. and Mrs. Paul Greene of Chapel Hill attended the concert.

Young Matrons Class Meets
BETHEL—Mrs. Brantley Chesson was hostess to the Young Matrons Sunday School class of the Baptist Church. There were seven members present.

A few verses of scripture dealing with judging was read and Mrs. Chesson and Mrs. Alton Carson used the topic "Fault Finding" for the program. This was a selection on judging and fault finding and was very interesting.

Mrs. Herman Andrews closed with a prayer.

Mrs. Linwood Briley, leader, presided at the business meeting. The secretary, Miss Joanna Aboynous, read the minutes of the last meeting which stood approved. Mrs. Bert Carson gave her report for the Community Missions. Plans for the coming month concerning the community missions work were discussed and made.

During the social hour, strawberry shortcake and coffee were served.

In 1954 there were 2,285,000 gas fired water heaters sold in the United States.

C. Heber Forbes

Plan Initiating New Officers

A traditional candle-lighting service to be held Sunday by the East Carolina College YMCA and YWCA will have as chief event the initiation of new officers for the 1955-1956 term. The ceremony will take place at 7:30 p.m. in the McGinnis auditorium and will be an event of the 46th annual commencement exercises on the campus.

Shirley Haskins of St. Louis, Mo., who has worked at East Carolina during the present school year on a grant from the Danforth Foundation and who has assisted with student religious activities on the campus, will be principal speaker on the program. She will be introduced by Frank Moore of Farmville, president-elect of the college YMCA.

In a symbolic candle-lighting service, officers of the two organizations for this year will transfer to new officers their duties and responsibilities in the organizations. Principals will be Eileen Lilley of Gatesville and John T. Hayes of Durham, retiring presidents, and Mr. Moore and Grace Jones of Kinston, presidents for 1955-1956. A program of music will include selections for organ by Janet Watson of Greenville, a solo by George H. Earnshaw III of Erwin, and the playing of taps as officers of the religious organizations file from the auditorium bearing lighted candles.

Famous Fifth Avenue Discussed At Round Dozen Book Club

BETHEL—Mrs. Robert Davis entertained members and invited guests at the Round Dozen Book Club. The meeting took place at the Respass-James Barbecue House in Greenville.

After arrival of the last guest, a three-course barbecue chicken luncheon was served and enjoyed by all.

The program leader, Mrs. F. L. Blount Jr., chose a most interesting topic, "The Golden Mile." She described New York's famous Fifth Avenue, which is the golden mile, and stated that the street has and will always be an avenue of wealth and love. She brought out in her discussion how the aristocratic and wealthy people had gradually let business firms establish there.

The business meeting was very short with various matters being discussed. The club will disband until the month of September.

The guests for the afternoon were Mesdames S. C. Whitehurst, R. E. Riddick, J. L. Gurganus Jr., Wade Ward and Grover Whitehurst.

Mission Work Is Topic Of Program At YWA Meeting

BETHEL—The regular meeting of the Young Women's Association of the Bethel Baptist Church met with Miss Joanna Aboynous. There were eight members present.

The business began by the vice-president, Jeane Stewart, calling the meeting to order. Other routine matters were discussed and transacted. Miss Barbara Watson, community missions chairman, gave her report.

Miss Shirley Jean Whitehurst read a few verses of scripture and then gave a most interesting and informative program on "City People." It was a discussion of the mission work being done in the cities. She made several statements concerning the minority group.

Training School For HD Leaders Tuesday

A leaders' training school for all Pitt County Home Demonstration foods and nutrition leaders will be held Tuesday at 10 a. m. in the auditorium of the county agricultural building.

Home agent Mrs. Lillie Little will conduct the school, designed to train the foods and nutrition leaders for the June club demonstration on "Good Vegetable Dinners."

Mrs. Little said all leaders should be present for the course.

Hamburger Fry Given For Chicod Seniors

CHICOD — Seniors at Chicod High School were entertained at a hamburger fry at Sandy Lake last week. The party was given by the class mascots, Brenda Haddock, daughter of Mr. and Mrs. Andrew Haddock, and Jeffery Hardee, son of Mr. and Mrs. J.B. Hardee.

Following the outdoor supper, the group returned to the school where they were special guests of the school alumni. There they enjoyed an evening of entertainment and refreshments.

New President Of Jaycetts Installed Here

Mrs. Brooks Beddingfield (center) was installed as new president of the Jaycetts at the annual Junior Chamber of Commerce Ladies' Night last night. Conducting the installation ceremonies was Paul Geer, district Jaycee vice-president (left). To the right is Mrs. Clark Stokes, outgoing Jaycett president. (Reflector Photo by Alvin Taylor.)

Ladies Home League Of Salvation Army Holds Quarterly Meet

The Ladies Home League of the Salvation Army met last night for their quarterly spiritual meeting at the local Post.

Their special guest for this occasion was Mrs. Ruel Tyson, who is a member of the local Advisory Board. She portrayed for them the "Motherhood of Hannah." The ladies were challenged with the question: "How do you rate in your home as a mother?" The message was very timely and really brought to the attention of the ladies their responsibility to their children.

Mrs. Myrtle Flynn and Mrs. B. T. Lewis served refreshments after the meeting and everyone had an enjoyable time.

Grace F. W. B. Announcements

Sunday School with classes for all ages will be directed by Ernest Tinnin at 9:45 a.m. Attendance is still climbing with a record attendance last Sunday. Morning worship will be conducted by the pastor at 11 o'clock. At 6:45 will be league time again with the Child Committee taking part on the program. Edward Earl Sutton will direct the league in his usual friendly manner. Evening worship will be at 8 o'clock with Rev. J. O. Fort bringing the message. The pastor will be at Belvoir school bringing the Baccalaureate message at 8 o'clock.

Monday at 8 p.m. the official board meets at the church for their monthly meeting.

Tuesday at 8 p.m. the sick committee will meet to plan and to better organize their work. Also, Tuesday at 8 p.m. there will be a prayer service at Nannie Mae's, 1111 Washington St.

Monthly church conference will be held Wednesday at 8 p.m. The church covenant says "We will not forsake the assembling of ourselves together for church conferences."

Thursday, 8 p.m., is Sing Time. Those willing to help sing in the choir on Sunday morning and Sun-

day night are urged to make every effort possible to be present. Those desiring to subscribe to the Free Will Baptist paper for three months, please give your name, address and forty-five cents to the Literature Committee (Mrs. J. D. Little, chairman, or Mrs. Dewey Dixon, secretary). Please do this as soon as possible in order that the club rate and a ten per cent saving may be obtained.

Morning meditations on television at 9:45 Monday through Friday of next week will be conducted by Rev. Kennedy with some guest speakers.

The Sunday morning church service during June will be broadcast. Everyone is welcome to all services.

'Books and Stuff'

By DR. ED HIRSHBERG

Tardily but finally we're getting to an important literary event for the South that recently was issued out of Charlottesville, Virginia—the Spring edition of The Virginia Quarterly Review. It's the 30th anniversary number, and is devoted to southern writers and what they have to say about the region. . . . For the literary folks, there's "The Outlook for Southern Writing," by Randall Stewart, editor of Hawthorne's Notebooks and next year to become head of the English Department at Vanderbilt. . . . Eudora Welty, novelist from Mississippi, contributes "How I Write," a revealing account of what happens to her when she gets down to the act of writing something. . . .

North Carolinians contributing to this very important and interesting edition of The Virginia Quarterly Review are Jonathan Daniels, Rupert B. Vance, and Frank P. Graham. . . . Daniels writes an article called "Men at a Corner," a provocative piece about unemployed Negroes in a social situation where their labor is needed but their color prevents them from getting good jobs. . . . Rupert Vance, who is Kenan Professor of Sociology at U. N. C., talks about the progress of city over country living in "The Urban Representative for India and Pakistan in the long-standing dispute over Kashmir," writes "The Need for Wisdom: Two Suggestions for Desegregation," concerning his ideas about carrying out the Supreme Court decision against segregation in the schools. . . . We want to thank our colleague in the E. C. C. Office, Department, Dr. Louise Greer, for loaning us the edition of this latest Virginia Quarterly, and we hope you get a chance to see it—Miss Copeland certainly has a copy at the Sheppard Library. If

Social Calendar

- FRIDAY**
- 6:30 p.m.—Kiwanis Club
 - 8:30 p.m.—Exchange Club
 - 8:30 p.m.—Miss Betty Lois McGowan and Mrs. Roy Coburn will entertain at a buffet supper for Miss Joyce Ann Smith, bride-elect.
 - 7:00 p.m.—The J. B. Jacksons and the John Ewells will be co-hosts to the covered dish supper of the Couples Class of the Eighth Street Christian Church to be held at the church.
 - 7:30 p.m.—Red Men meet.
- SATURDAY**
- 5:00 p.m.—Rehearsal for the Mathews-Warren wedding in First Presbyterian Church.
 - 5:00 p.m.—Mrs. Roy Coburn, Mrs. Paul Murray, Mrs. R. W. Stark and Mrs. T. M. Watson will honor Miss Barbara Lane and Miss Betty Lois McGowan, brides-elect, at a garden party at the home of Mrs. Roy Coburn.
 - 6:30 p.m.—Lt. Kent Lee and Mr. Milton Foley will entertain at a stag dinner for Mr. Lewis Howe at Respos-James'.
 - 7:00 p.m.—Mrs. T. J. Farrar, Mr. and Mrs. Prescott Martin and Mr. and Mrs. Wilson Davis will entertain the Mathews-Warren wedding party, members of families and out-of-town guests at a supper party at the Martin home in Tarboro.
 - 8:00 p.m.—Rehearsal for the Howe-Smith wedding at Eighth St. Christian Church.
 - 9:30 p.m.—Mrs. W. S. Cherry, Mrs. Alton Spain and Mrs. Harry Wilson will entertain the Howe-Smith wedding party and out-of-town guests at a cake cutting at the home of Mrs. Cherry.
- SUNDAY**
- 11:00 a.m.—Mr. and Mrs. L. S. Howe Sr. will entertain the Howe-Smith wedding party and out-of-town guests at breakfast.
 - 12:30 p.m.—Mr. and Mrs. H. L. Hodges Sr., Dr. and Mrs. E. B. Aycock, Maj. and Mrs. E. T. Lloyd and Mr. and Mrs. Howard Hodges Jr. will entertain the Mathews-Warren wedding party, members of families and out-of-town guests at luncheon at the home of Mr. and Mrs. Hodges Jr. in Garden Circle.
 - 4:00 p.m.—Ori Scout Court of Awards will be held at Jarvis Memorial Methodist Church. Parents and all friends of scouting are invited to attend.
 - 4:00 p.m.—The wedding of Miss Adelaide Warren and Mr. Edgar H. Mathews will take place in the First Presbyterian Church. Mrs. C. M. Warren and Mr. and Mrs. Cary D. Warren will entertain at the reception in Fellowship Hall of the church immediately following the ceremony.
 - 4:00 p.m.—The wedding of Miss Joyce Ann Smith and Mr. Lewis Howe Jr. will take place in the Eighth St. Christian Church. Reception immediately following the ceremony at the home of the bride, 1603 E. Fourth St.

No-Scrub Way To Gleaming Floors

Everybody has heard of the housewife who kept her kitchen floor so clean you could eat off it.

We never met her. But we know how she did it. She did it the hard way. On her hands and knees—with a scrubbrush. Today, you can keep your linoleum or asphalt tile immaculate with only a fraction as much effort.

Just apply Glaxo, the wonderful floor coating. Its water-clear finish seals out dirt so well you can clean it in a flash. Glaxo eliminates waxing, and you put it on only about twice a year.

Tea Honor Brides-Elect

Mrs. E. Graham Flanagan entertained at tea for Miss Betty Lois McGowan and Miss Cora Pauline Moore, and honoring Miss Adelaide Warren, on Wednesday at four o'clock at her home on the Falkland Highway.

The hostess presented the honorees with rose corsages upon their arrival, and later they were the recipients of flat silver in their chosen patterns.

Guests were received at the door by Mrs. Raleigh Lee and introduced to the receiving line which was composed of Mrs. Flanagan, Miss Moore, Miss McGowan, and Miss Warren.

The dining room table, from which Mrs. R. L. Moore and Mrs. Floyd McGowan poured tea, was adorned with a large silver compote filled with red roses and baby's breath.

On each side of a table placed in the bay window of the dining room were two vases of red roses. After refreshments were served guests were invited to the terrace for a social hour. Arrangements of spring flowers were used to decorate the terrace. In the hall and living room designs of larkspur and roses were used.

Approximately 45 guests called during the afternoon.

Today's Review

We're interested, for purely family reasons, in Bob Hilldrup review of FEAR STRIKES OUT, printed below. Hilldrup has recently distinguished himself as a staff reporter on this paper by his handling of the prison break story last week-end, and also has written sports for several years, so he speaks with authority. . . .

FEAR STRIKES OUT. By Jim Piersall and Al Hirschberg. Boston: Little, Brown & Co., 1955.

For those who follow baseball closely, the May edition of FEAR STRIKES OUT, by Jim Piersall, Boston Red Sox outfielder, and Al Hirschberg, noted sportswriter, is "must" reading.

The story of a promising ball-player's successful battle with mental illness, this book offers a new insight into the life of one of baseball's most promising players. Hirschberg and Piersall have collaborated to turn out a story that should find particular favor with the younger, sports-minded generation.

Beginning with Piersall's birth in Waterbury, Conn., 25 years ago, the authors trace his life through childhood, with its burning ambition to be a professional athlete and on into his first major league success when mental illness strikes him down.

Piersall had become renowned as one of the game's most promising young stars when, in 1952, his mind went completely blank in the lobby of a Florida hotel. Seven months later he awoke in the violent ward of a New England mental institution, unaware that for much of the previous seven months he had become nationally famous with his weird actions on and off the diamond.

Though apparently cured now of his affliction, Piersall has not been enjoying the success in the major leagues that stayed with him during his illness. A 300 hitter during his first seasons in baseball, Piersall had, at this writing, fallen to a pathetic 100 mark.

Some books devoted to the story of one man and his life enjoy a success by readers of all types of literature. Although this doesn't appear to be one of them; for those interested in baseball and perhaps the agonies of the mentally ill, FEAR STRIKES OUT will have a definite appeal.

—BOB HILLDRUP

30 Years Ago Today

May 20, 1925

Governor McLean has issued a finance statement showing the state debt balance to be \$9,356,105.51.

On Tuesday afternoon, the last regular meeting of the Round Table for this year was held with Mrs. J. E. Nobles, who has been a guest of the club since the removal of Mrs. Paul Fitzgerald from the city. Mrs. J. W. Higgs gave the story of Stone Mountain, paying tribute to its gifted designer, Gutzon Borglum.

Neighborhood Club

The Elmhurst Neighborhood Club met at the home of Mrs. Dick Paul on Elm St. with fifteen members present. Mrs. Norman, vice chairman, called the meeting to order and Mrs. Woodrow Flanary called the roll and read the minutes. As this was the last meeting of the summer, the club planned a picnic for Wednesday, June 15.

The meeting was adjourned and delicious refreshments were served by the hostess, Mrs. Dick Paul.

Pitt Mental Health Ass'n Is Planned

A small group of people met at Sheppard Memorial Library last Monday at the instigation of the Greenville Business and Professional Women's Club in the interest of forming a mental health association for Pitt County.

Those at the meeting represented the Lions Club, Rotary Club, Credit Women's Breakfast Club, Third Street Parent-Teacher Association and Professional Women's Club and the Vocational Rehabilitation Service. It was agreed that each person present should report to his organization about any action taken at this meeting. They are expected at the next meeting to take back the attitudes of their organizations about forming an association.

Charles Cobb was elected temporary chairman of a committee to arrange a public meeting here on May 31. Time and place will be announced later. In addition to Cobb, committeemen are Dr. Mildred Southwick, Mrs. Polly Dail, Lt. E. T. Lewis and L. M. Buchanan.

W. H. Brown gave a brief summary of the work of mental health associations. He had experience in an association at Asheville that had been active several years. It appeared to be the sense of the Greenville meeting that sentiment favors the setting up of a mental health association in Pitt County and to promote an educational program on mental health. Brown stated.

Christian Science

The fact that lasting beauty is gained through spiritual understanding of God's radiance and strength will be stressed at Christian Science services Sunday.

The Lesson-Sermon entitled "Soul and Body" includes the following verse from the Bible (Psalms 96:6): "Honour and majesty are before him: strength and beauty are in his sanctuary."

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (247:10-12, 13-15): "Beauty, as well as truth, is eternal; but the beauty of material things passes away, fading and fleeting as mortal belief. . . . Immortality, exempt from age or decay, has a glory of its own—the radiance of Soul."

The Golden Text is from Psalms (104:1): "Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty."

Bible School Activities Begin In May At Farmville Churches

FARMVILLE—Bible School at the Farmville Methodist Church will be held May 30 through June 3 from 8:45 until 11 o'clock each day. Children four years through 15 may attend classes and after the first day, the Silver Streak will pick up the students. Mrs. Ed Davenport will serve as dean of the school, with the following women serving as teachers and assistants: Mrs. Herbert Hart, Mrs. R. L. Joyner, Mrs. James Jones, Mrs. Robert Teel, Mrs. Sarah Barrow, Mrs. George Moore, Mrs. Roderick Harris, Mrs. Carl Beamon, Mrs. J. D. Joyner, Mrs. Archie Speight, Mrs. Edgar Thomas, Mrs. E. N. Pettaway, Mrs. Larry James, Mrs. LeRoy Rollins, Mrs. L. C. Vereen and the Rev. L. C. Vereen.

Miss Agnes Quinerly is superintendent of the Bible School at the Farmville Christian Church. The subject for the classes beginning at 9 o'clock each morning, May 30 through June 3, will be "Heroes of the Cross." The following teachers will conduct the various classes: Nursery, Mrs. R. D. Rouse Jr., Mrs. Charles Stokes and Ann Francis Allen; Beginners, Mrs. Claude John-

School at Immanuel Episcopal Church. Classes will begin at 9 a.m. Monday, May 30, and continue through Friday of that week. All departments will study the life of Jesus. The Rev. Hume Cox will be in charge of the school.

Miss Agnes Quinerly is superintendent of the Bible School at the Farmville Christian Church. The subject for the classes beginning at 9 o'clock each morning, May 30 through June 3, will be "Heroes of the Cross." The following teachers will conduct the various classes: Nursery, Mrs. R. D. Rouse Jr., Mrs. Charles Stokes and Ann Francis Allen; Beginners, Mrs. Claude John-

son, Mrs. G. M. Shirley and Dean Allen Jr., and Marion Pickett; Primary II, Mrs. Harvey Winstead, Janice Atkinson and Clarabelle Flanagan; Junior I, Mrs. Harold Rouse, Sue Flanagan and Jane Russell; Junior II, Mrs. B. S. Smith Jr., Mrs. Wallace Barrett and Theodora Albritton; Intermediates, Mrs. Leonard Flanagan, Mrs. David Jones and Pat Jones. Music will be under the direction of Miss Marcia Forbes. Paul Cox, S. D. Bundy Jr., James Henry Bundy, Tommy Wainwright and William Edward Hobgood will assist.

Art Gallery To Close

The Art Gallery, located on the second floor of Sheppard Memorial Library, will close Monday, May 23. Those who have not seen the Claude Howell show will have their last opportunity Saturday and Monday to do so.

A SERIOUS TALK TO PEOPLE WHO ARE DEAD TIRED!

You may be dangerously taxing your entire system when you allow fatigue, nervousness, poor appetite and sleepless nights to drag you down **BECAUSE YOUR BODY IS VITAMIN AND IRON STARVED.**

Do You Know These Facts?

When you lack strong red blood—when your system is vitamin starved you must feel listless—nervous—irritable. This is because weak blood is circulating through your system, taxing your heart—putting a burden on every vein—capillary and artery in your body. This means that vital organs—your kidneys—liver—lungs—and your digestive system are feeling the strain. It is an effort for them to function as nature intended. That's why you get chilled easily—you are too tired to make decisions—too tired to think clearly even about the most simple problem. You are just too tired to enjoy life, and become a drag on your family and friends. If you allow yourself to suffer from iron and vitamin starvation for a prolonged period—think of the damage you may have done to your general health.

Bexel Special Formula is especially important if you are over 40.

As you grow older, be sure you are getting the essential vitamins and iron to keep your strength up, your body functioning properly! With BEXEL Special Formula, the high-potency capsule, you get the blood building and strength-giving factors you may need after 40.

Why you can depend on high-potency Bexel to help build rich red blood FAST!

Each high-potency BEXEL Special Formula capsule gives you 5 times the daily minimum requirements of iron; more than the daily minimum requirements of all the B-vitamins that doctors will tell you are essential for proper nutrition; plus Vitamin B₁₂ and trace minerals. These wonderfully strengthening capsules are recommended for mothers-to-be, when a sufficiency of iron and vitamins is vitally important to their health.

Feel Better—Look Better—Work Better OR YOUR MONEY BACK!

Get an economical bottle of BEXEL Special Formula from your druggist. Take 1 capsule daily (2 for double potency). If within 30 days you don't feel wonderfully better . . . your money back in full!

Penny for penny—you get **MORE value in high-potency BEXEL Special Formula Capsules!**

As A Whole It's A Good Job

Legislators, harassed by state problems since early January can breathe a sigh of relief now that their big problem—money to operate the state for two more years—has been resolved.

There is little if any possibility that either house will balk at going along with the recommendations of the conference committee which ironed out Senate and House differences in the edious finance bill. In spite of individual misgivings legislators may have at certain provisions of the bill, they will not now risk upsetting the appellate and dragging the session out any longer.

The finance bill as it now stands will add \$9,768,000 annually to state coffers from the pockets of North Carolinians. That in itself is a sizable tax increase for the people of the state; but we find some consolation from the fact it is a far cry from the original estimates which said \$50 millions in new revenue would be needed to balance the biennial budget.

As this legislative session draws to a close, it can be said in all fairness that the lawmakers this year faced the most difficult state financial problems since the depression sessions of 1931 and 1933. Members of both houses worked diligently on the state's financial problem. We feel that the conferees were wise in going along with Senate recommendations on four of the five points at which the House and Senate differed in the final revenue bills, and likewise compromising the difference over the beer tax proposed by the Senate.

They Killed A Bill And Saved Lives

By killing a bill, the House has saved an untold number of lives on the highways of North Carolina. The speed limit is to remain at 55.

The legislators kept the state's highway safety guard intact by voting down the bill which would have raised the speed limit to 60 miles per hour for daytime travel on primary highways. As The Reflector previously stated, such a law would only have caused confusion over the speed limit in the state, increased the average rate of speed of highway traffic, and resulted in more highway fatalities.

Now that the speed limit fight is over (at least for this session) perhaps the motorists of North Carolina can concentrate on the Slow Down and Live campaign which begins on a state-wide basis June 1 and will last for 101 days. So far this year 50 more persons have been killed on the state's highways than during the comparable period of 1954. And speed has been a contributing factor in a majority of the deaths.

A Reasonable Increase Or No Increase At All?

President Eisenhower's veto of the bill to boost the pay of some 500,000 postal employes shouldn't have come as a surprise. The President indicated his objection to the bill passed by the House and Senate which would have raised the pay 66 half million postal employes an average of 8.6 per cent.

The President has indicated he is agreeable to pay increase of 7.6 per cent, but no higher, for the group of postal employes covered by the bill.

If there is insufficient support in Congress for the bill as it stands to override the President's veto, steps should be taken to push through a bill which will be acceptable to the White House. Otherwise this group of postal employes will receive no pay boost although the President and Congress agree they should have one. The question of how much certainly can be compromised between Congress and the White House.

Postponement Makes Job More Difficult

Postponement of the second in the series of polio vaccine shots for first and second grade youngsters of Pitt is going to put a greater burden upon parents of the county to see that their children receive the second shots.

It is regrettable that the second in the series of shots could not be given Thursday and Friday as originally scheduled. It would have been much easier for doctors, health officials and for parents. Since the vaccine was not available, however, no one can be blamed for the postponement.

Since Monday will be the last day of this school year in the county system, the second in the series of polio shots will be given to first and second graders during the summer vacation period. Obviously it will be more difficult to assemble the children for the vaccinations during vacation time than it would have been had the shots been given this week.

When sufficient vaccine for the second shots is available in the county, parents should make every effort to have their children on hand for vaccinations at the appointed times and places.

Strength for the Day

By EARL L. DOTGLASS
SO LET US READ—AND HEED
We often hear it said that the Bible continues day after day to be the world's best seller. This is true, and it is a truth which ought to keep us encouraged in the midst of many things designed to discourage us.

But because Bibles are sold does not necessarily mean that Bibles are read. A lot of them are put on the top shelf of a bookcase, or laid on the living room table and allowed to collect dust. When the Bible was first translated into English, a copy of it was chained in the lecterns of English and Scottish churches, and people formed queues and were given so many minutes to stand in the lectern and read. Today with all the opportunity we have for knowing God's will and Word, the Bible, while it remains the best seller and, taken all in all, is the most widely read book in the world, is not read as much as its huge sale would indicate.

But there are ministers all over the country who are realizing the situation and doing something about it. In one state alone, one denomination has received pledges from 34,000 people to read a considerable portion of Scripture each day and to meditate upon it. A Bible list prepared for daily reading between Thanksgiving and Christmas each year and issued by the American Bible Society, was eagerly snatched up by churches and business houses until its circulation exceeded anything the organization ever dreamed of. The Bible is meant to be read. That is its function.

National Whirligig

Strike Violence Hurts Alliance

WASHINGTON—Violent railroad and telephone disputes suffered in a number of normally strike-free southern states may jeopardize the farmer-labor alliance which Walter P. Reuther has thrown together on Capitol Hill, and which the CIO president envisages as a permanent fixture in American politics.

Reuther's leading role in several Congressional controversies is more important than generally realized, and prophetic of his future strategy. Almost singlehandedly, he put the anti-administration farm bill through the House by five votes by rounding up members dependent on labor's support for reelection.

He hopes to repulse the White House again by raising the minimum hourly wage level to \$1.25 instead of the 90-cent figure wanted by Eisenhower. He has lined up with the public power group, although numerous CIO unions have voted against Federal ownership and operation because of unfavorable wage and working conditions. Not once has Reuther backed an Eisenhower project in the domestic field.

REUTHER'S TACTICS—His tactics in the farm fight precipitated warnings that the southern bloc would regret its acceptance of the Detroit man as a "political bedfellow." With several other labor bosses, including George L. Meany, president of the American Federation of Labor, Reuther testified before the House Agriculture Committee in favor of rigid 90 per cent farm supports.

NEED LABOR BALLOTS—Besides sponsoring this propaganda, Reuther forced or persuaded almost every member from the great industrial centers, Democrats and Republicans, to support the 90 per cent figure. It may mean higher food prices for urban workers, but the M. C.'s could not refuse for political reasons they need CIO-AFL ballots.

Reuther's admitted aim upon consummation of the CIO-AFL merger is to penetrate Dixie's postwar array of factories, many of which moved there with the expectation of lower, nonunion wages. In view of this clash of interests, it is doubtful if Representative Cooley and his associates will welcome a minimum wage scale of \$1.25.

Reuther has begun his southern organizing campaign already. His unions have contributed \$1,250,000 to the striking telephone workers in seven states. A. J. Belne, president of the CIO Communications Workers, which called the telephone strike, joined Reuther in testifying for the farm bill.

SPECIAL UNION DUES—In fact, Congressmen first learned of Reuther's southern operations from angry union members of his automobile organization. They complained in letters to Capitol Hill that Reuther had imposed special dues of \$7.50 for May in order to finance his political crusade.

Representative Clare Hoffman of Michigan, who has observed Reuther's unionizing and politicking successes in that state, warned Cooley against a tie-up with the CIO chief. He said:

"Reuther intends to give this country a Labor Government. And our Democratic friends had better profit from what happened in Michigan. Reuther, and Gus Scholle, CIO state president, took over the state of Michigan, politically. They elected a Governor, G. Mennen Williams, to four terms. They have filled almost every previously Republican-held office with Democrats. They elected a United States Senator. And Walter Reuther aims to become Vice-President of the United States."

Somebody Told Me

Unaware Hearing Was Faulty

I say old man, are you deaf? You might be turning in that direction and not be aware of it. Yesterday there was a salesman in our store, Ken Wheatley, from Rockville, Md. He was wearing a hearing aid.

The story Ken had to tell about his deafness was almost fantastic. At 33, he had lost 35 per cent of his hearing before he knew it! Ken figured that it started when he was in combat during World War II and had grown worse at such a slow rate that he wasn't aware of it. Then one day not long ago he was trying to talk on the phone and couldn't hear the party on the other end well enough to understand what they were saying. So he put his wife on, and she had no trouble whatsoever. That convinced him that it was time for an examination.

When the doctor determined that 35 per cent was gone he said, "Let's try treatments. They'll either make you better or worse. If they make you worse we'll fit you with a hearing aid." That's what happened. The treatments reduced Ken's hearing to 40 per cent.

In case you've wondered, this is being written to show the value of hearing aids. Ken and I discussed the column and agreed that if there's anyone around with poor hearing, who's leary of a hearing aid, they should be convinced of the value of the device.

For Ken, the aid opened a world that he had forgotten about! It has been so long since he heard an automobile thump against the dividers in the pavement that he had forgotten about it!

When he first put on the hearing aid he would be walking down the street and hear a strange

hum. Then, he would realize that was a neon sign or perhaps a transformer on a pole, other sounds that he had forgotten.

The aid is worth its weight in gold to Ken as a father. He had been missing many of the pleasant sounds his children make, but never failing to hear the screams. A few days after putting on the aid he was amazed to hear his two and one-half year old son singing Sha-Boom.

Ken turns the aid off occasionally. When he's driving there's no need to hear the road noise, so he turns a switch and is in silence. If his wife starts roaring he does the same thing.

But generally speaking the hearing aid has opened a new world for Ken. He had almost forgotten what it's like to hear a bird singing.

And I thank you.

What Other Editors Are Thinking

PROPER PRIORITY (Kinston Free Press)

The current policy of the Federal Government relative to the release of the Salk vaccine for use of children in the five-to-nine-year age group is a logical and humane approach to a very difficult problem. It will be on a voluntary basis and some will criticize that approach, but it is certainly aimed at the most susceptible group of children. That is as it should be.

Around Capitol Square

Tribute To Courteous Service; No Alcoholic Study

By LYNN NISBET
APPRECIATION — Reps. Thomas White of Lenoir and Cloyd Philpott of Davidson were hosts at breakfast the other morning to the assistant sergeants at arms and doorkeepers who serve the House members. "These are some of the most faithful and courteous people around the capitol," said White.

QUAIL — The proposal to permit the domestic raising of quail for marketing brought several dozen members of the N.C. Wildlife Federation to oppose it. It would open the doors, they argued, to poachers and thieves who would trap wild birds and sell them for food, since it would be impossible to adequately identify the carcass to show whether it was of a bird raised in a cage or caught in a trap. Sponsored by Reps. Charlie Bryant and Charlie Falls the bill originally applied only to Gaston, but five other counties were added.

ALCOHOL — There will be no special commission to study the problem of alcoholic beverage control during the next two years. Rep. Shearon Harris of Stanly made a valiant effort to get his bill authorizing such a commission out of the Local Government Committee, but failed. Representatives from ABC areas obviously felt it was a disguised attempt to develop support for a statewide referendum.

That is the basis of controversy which has raged for years. There are landowners who diligently cultivate field game and stream fish in much the same spirit they cultivate fields and gardens. There are many other people who consider hunting and fishing only in the respect of recreation and sport. And there are some who regard fields and streams and their natural denizens as public property from which anybody should have the right to take game for any purpose. Most of the wildlife laws are made to curb the activities of the last named group.

Worth Noting

Stores Tilting Rates On Carrying Charges

Stores in several sections of the country have increased their carrying charges on installment accounts according to reports to the National Retail Dry Goods Association. Not unfavorable customer reaction was reported. A Cleveland store has increased its carrying charge from 6 to 7.2 per cent and a Florida store increased its charge from 6 to 8 per cent.

Worth Noting

Worth Noting

These are the occasions animosities are forgotten or ignored, when gifts are exchanged and tributes paid by members to each other. Even though some of the tributes carry hidden bars, they are taken in good grace. Majority of the chairmen have already entertained their committees at breakfasts or dinners.

During the early weeks of the session Governor and Mrs. Hodges had all members of the General Assembly, many of the clerks and news-people connected with the Legislature in relay breakfast parties. All these events are essentially social, where the problems that confront the State are relegated to background casual discussion, if mentioned at all.

Worth Noting

These are the occasions animosities are forgotten or ignored, when gifts are exchanged and tributes paid by members to each other. Even though some of the tributes carry hidden bars, they are taken in good grace. Majority of the chairmen have already entertained their committees at breakfasts or dinners.

Business Today

English In Business

By ELMER ROESSNER
The other day J. Harold Janis, a professor himself, said that businessmen are doing more for the English language than the professor because they insist on employees who can use it correctly.

Now comes Stuart Chase, no slouch in the brains department himself, who says that businessmen are stumbling over road blocks in the language and are confusing both themselves and their customers.

The writer, an economist, speaking at an American Management Association luncheon, was talking about insurance men, but businessmen in other fields will twitch at his criticisms.

Insurance men and those other professions, he said, use words that are vague or misleading or that have more than one meaning. Seven factors he listed to define "insurable value," came up with seven different definitions.

The six major road blocks in the language, he said are these:

1. Confusion of the word with the object to which it refers. This leads to tendencies to take the word for the deed and to sell the package rather than the product.
2. Confusion of facts with inferences and value judgment. There is an inclination to say, "These are the conclusions on which I base my opinion."
3. Judging things in terms of black and white, without leaving room for shades of gray. The insurance adjuster, he said rarely finds an assured who can be trusted to report a loss with 100 per cent honesty; equally rare

is a real crook.
4. False identification based on words alone; for example guilt by verbal association. This tendency to conclude that, because two people or two groups have one characteristic in common, all their characteristics are interchangeable "is tearing the country apart."

5. Gobbledygook — using five words where one would suffice, or a five-syllable word instead of a one-syllable word with the same meaning.

6. Careless use of abstract terms. "We should be aware of the level of abstraction that we are on. In order to understand each other, both parties to a communication must have the same referent in mind."

For the insurance men, Mr. Chase recommended a committee to prepare standard definitions for trade terms. Such a committee, he added, should have "a strong delegation from the lowly assured."

CHECK—CASHING CHARGE RILES TOLEDO LABOR

While stores in many parts of the country encourage customers to bring in their checks for cashing (and to linger and shop), the grocers of Toledo got together and agreed to charge 10 cents for every check cashed.

Thereupon union leaders announced that unless the charge is dropped, they will demand employers pay in cash or allow workers time off to cash checks during banking hours.

It looks as if the rule will be changed.

Dreaming Is For Middle-Aged

By HAL BOYLE
NEW YORK (AP)—Reflections of a Pavement Plato:

Youth is a dream, but the great dreamers of this world aren't the young. They are the middle-aged.

This is particularly true today, when the generations seem to have reversed their traditional order in the pattern of life.

In the past it was the young man who was regarded as idealistic, impractical, and emotionally immature. The middle-aged man was supposed to be a solid, sober, quiet head of the family, practical in outlook and the real balance wheel of civilization.

He might be in a rut in both a business and social sense, but he enjoyed his rut to a considerable extent. It was at least better than having to run all to protect him from the winds of adversity. And he had to remember, after all, he had reached "the age of responsibility."

If this distinction between young and middle-aged men ever had any truth, it seems to have less truth now.

The young man today is the planner, the schemer, the one who wants to tie all the loose ends of his life in a neat little package. He often isn't trying to avoid a rut; he is looking for a nice cycling rut to "live it up," and become a settled citizen.

His dreams are all in black and white. He doesn't emerge from college stuffed with a nonsensical dramatic ambition to change the world overnight. He has no yearning to become a martyr in the pursuit of an unattainable goal. His goals are quite practical—a safe and secure job, a safe wife, a good car, a sound house in a sound neighborhood.

Basically, the average young man seems ruled by one idea—he wants a sure thing in life. He wants to be middle-aged.

It is the middle-aged man now whose dreams are in technicolor and are played on a wide vision screen. He is the great adolescent of our time. He wants to be young in the way youth used to be young.

The less secure a human being feels the more he turns to his dreams, and the wilder grow his fantasies.

Look inside the skull of a middle-aged man—or, to a slightly lesser degree, a middle-aged woman—and you discover a great big confused, overgrown problem child.

Security, which seems a possibility to a young man, is a lost impossible dream to a middle-aged man. He has weathered too many financial depressions and world wars to put complete trust in either the durability of money or peace.

Medicine may eventually slow the ravages of time in other, but he looks in the mirror and sees any such scientific victory will come too late to benefit him much.

The middle-aged man feels he was born a generation too late to share the resignation of the elderly, a generation too soon to share the present hopes and self-confidence of the young.

Whatever became of the smug middle-aged? It isn't a period of smugness anymore. It is the young who are smug, because they know exactly what they want and feel they can get it.

It is middle-aged people today who are crying to "live it up," who fight the rutted roads they travel, who seek impossible escapes from the prison of reality, who try to do new things they can't and seek to become what they cannot be.

Whether it be from idealism or foolishness or both, the middle-aged man, a peculiar victim of history caught without the consolations of the past or the faith of the future, has become the great dream-spinner of the present, a hopeless romantic in a practical present.

The next time you meet a middle-aged man, don't laugh at him. Just pat him on the back and say:

"I understand. Every child wants candy it can't have. Just bear up. When you finally grow up and settled down, everything will look better."

Hezekiah Attempts Reconciliation ILLUSTRATED SUNDAY SCHOOL LESSON By Alfred J. Buescher

Scripture—II Chronicles 27-30; Micah 6-7.

King Ahaz was a worshipper of Baal. He gathered together the vessels of the house of God and cut them in pieces. He also shut the doors of the House of the Lord.

When Hezekiah came to the throne he gathered the Levites together and ordered them to open and cleanse the House of God. They did so and reported to the king that it was ready.

Hezekiah wrote letters to all Israel and Judah asking them to come to Jerusalem to keep the Passover. His messengers went through all the country. Some mocked and laughed, but others came.

A multitude of people came to the great revival in Jerusalem and kept the Passover. There was rejoicing and singing and the Levites blessed the people. MEMORY VERSE—II Chronicles 30:9.

Hezekiah Attempts Reconciliation

HE INVITED ALL ISRAEL TO COME TO JERUSALEM TO KEEP THE PASSOVER

Scripture—II Chronicles 27-30; Micah 6-7.

By NEWMAN CAMPBELL. AFTER the death of Uzziah his son Jotham was king. He reigned from 750-735 B.C. He did not enter the temple of God and his people were corrupt. After Jotham came Ahaz, who was a worshipper of idols. He built altars to Baal and sacrificed on them, and he closed the door of the temple and took away the vessels thereof and cut them in pieces. All Judah was demoralized and sank deeper and deeper into idolatry. The Syrians conquered Judah and carried away many, and Israel also took a host of their brother Jews captive to the northern kingdom. They were sent home later when the prophet Obed intervened for them. At last we have a lesson about a noble king of Judah who not only restored his own people's faith in the Lord their God, but caused a great revival of the entire divided nation of Israel. "Hezekiah began to reign when he was five-and-twenty years old, and he reigned twenty years in Jerusalem." In his first year "he opened the doors of the house of the Lord, and repaired them." He brought the priests and Le-

MEMORY VERSE

"The Lord God is gracious and merciful, and will not turn away His face from you, if ye return unto Him."—II Chronicles 30:9.

The Golden Text

Hezekiah spreading the letter before the Lord.

"The Lord your God is gracious and merciful, and will not turn away His face from you, if ye return unto Him."—II Chronicles 30:9.

vites (sons of Levi who aided the priests in the care of the temple and its treasures), and told them, that the doors of the porch of the temple were closed, the lamps put out, and there had no incense burned nor burnt offerings made in the holy place unto the God of Israel.

For these things, said Hezekiah, "the wrath of the Lord was upon Judah and Jerusalem, and He hath delivered them to trouble... as ye see with your eyes."

The Levites and priests went into the temple and cleansed it thoroughly and sanctified it and then came and reported to the king. Early the next morning Hezekiah rose and gathered the rulers of the city and went to the temple to sacrifice to the Lord.

"And the Levites stood with the instruments of David, and the priests with the trumpets. . . . And when the burnt offering began, the song of the Lord began also with the trumpets and with the instruments ordained by David—king of Israel. And all the congregation worshipped, and the singers sang, and the trumpeters played on copyrighted outlines produced by the Division of Christian Education, National Council of the Churches of Christ in the U.S.A., and used by permission. Distributed by King-Features Syndicate

their voice was heard, and their prayer came up to His holy dwelling place, even unto heaven."

This is the first time we have had any account of singing in the Bible since the deliverance of the Hebrew people from the pursuing army of the Egyptians when Moses and the children of Israel sang a wonderful song.

Our lesson today has a far happier ending than any we have had in recent months.

The battle of good against evil is never ending. From early childhood to the end of our lives we are assailed by temptations. Everyone in the whole world knows that when we do what is right and pleasing to God and His Son Jesus, we are happy, and even if we have griefs we can meet them with courage because we know we will receive help from above. Let us close with the eighth verse of the sixth chapter of Micah, which is also included in our lesson:

"He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God."

Pirates Defeat Catamounts, 9-2

Take Opener In Playoff Series For Loop Crown

By BRUCE PHILLIPS
Reflector Sports Editor

East Carolina's Pirates last night spanked Western Carolina 9 to 2 here behind the five-hit pitching of Tomm Pruitt to take the lead in the two-out-of-three playoffs for the North State Conference baseball championship.

The two teams, Eastern and Western division winners, meet tonight at 7:30 in Guy Smith Stadium in the second game. If a third game is necessary it will be played tomorrow afternoon.

The East Carolina hitters jumped on Western Carolina's ace southpaw Jim Kuykendall and banged his slants as if they owned him. The locals collected 11 hits off the stumpy thrower to score four earned runs, five unearned.

Meanwhile, Pruitt, fast-balling righthander, was rolling along in typical form for the Pirates, allowing only five safeties and permitting only one earned run. The freshman phenom struck out five and walked three.

The charges of Coaches Jim Mallory and Earl Smith had earned their first chance at the title and meant not to be outdone from the start. They exploded for four runs in the first stanza and led all the way.

Manick Tones led Ball after President Dr. John D. Meesick's fine throw in the first ball ceremonies, shortstop Jerry Stewart gained new life on an error of his high pop up by the first baseman. Coach Mallory put the hit and run on and it worked beautifully. Cecil Heath, the next man up, hit safely behind the runner into rightfield. Gaither Cline moved the runners down a base with a sacrifice bunt. Bill Cline worked Kuykendall for a walk and Nick Smothers hammered a sharp single into centerfield, scoring Stewart and Heath.

Two more scores moved across the plate before Kuykendall rested. Bill Cline tallied on the third baseman's error of Ray Pennington's grounder. Smothers came home in practically the same motion when the first baseman threw wild trying to get Cline.

Everybody in the Pirates line-up except Pennington got at least one base hit in the victory. Cecil Heath was the leader with three hits in five tries. Bill Cline and Bucky Reep had two base knocks apiece.

The biggest blow of the game was Jerry Stewart's tremendous home run in the eighth inning with nobody aboard. The blond freshman hit Kuykendall's second pitch an estimated 400 feet in the air for an inside the park roundtripper.

Smothers was the RBI leader of the year. His timely single in the first inning produced two scores. Stewart, G. Cline and B. Cline had one RBI apiece.

The WCC Catamounts hit the offerings of Pruitt hard but not in the base hit areas. Their biggest inning was the fourth when they pushed two runs across. Shortstop Bob Holcomb singled and was followed by a single by catcher Dwight Sherrill. The former came home on Heath's fielding error and Sherrill tallied on a fielder's choice.

Only one visiting player got more than one hit. Mac Rhodes, Catamount rightfielder, added three slants for two hits in four official trips to the plate. Fred Linder, Holcomb, and Sherrill collected the other bingles.

For Pruitt, it was his eighth win against one loss in the conference. The loss was Kuykendall's fourth of the year. Mac Cherry has been named to pitch tonight's game for the Pirates.

Robinson Back On Third Base

BROOKLYN (AP) — Jackie-of-all trades Robinson, who has been riding out a fierce baring slump, is the "new" third baseman of the Brooklyn Dodgers.

Manager Walt Alton announced today that he was abandoning his revolving door method of handing the third base job. Don Zimmer and Don Hoak return to the bench and Robinson, hitting an anemic .230, takes over regularly again.

"I don't think it does any of them any good to keep switching," said Alton. "Jackie should hit. He always has. I'm going to give him a real long chance to get going."

Midget Racers Will Be At Wilson Track

WILSON—Auto racing fans in Eastern North Carolina will get a look at Midget racers for the first time in several years at the Wilson Speedway Sunday afternoon.

Promoter Joe Weatherly of Norfolk is bringing to Wilson one of the most popular divisions of auto racing. The tiny Midget racers travel much faster than the modifieds and late models, and their size makes them appear to be even speedier.

Last year's NASCAR Midget division champion, Chuck Arnold of Stamford, Conn., who will be here Sunday, recently set a speed record of 131.86 miles per hour for Midgets at Daytona Beach, Fla.

There will be three heat races of 10 laps each, and a 50-lap main event at the local half-mile dirt track Sunday. Time trials will begin at 1:30 o'clock, with the heats to follow immediately. A pot of \$2,000 will be at stake.

In the feature race, 18 cars will run although a field of from 20 to 25 of the best Midget auto drivers in the country is expected. In NASCAR midget racing, the main event is limited to 18 cars.

Arnold is just one of the great drivers who will come to Wilson. Another is Freedy Meeker of Norwalk, Conn., who is the present point leader in the NASCAR Midget division. Meeker has finished third in national standings for the past two years, and this season is aiming at the championship.

Charlie Miller of Allentown, Pa., one of Midget racing's all-time greats is signed for the Wilson Speedway race Sunday. A long-time top competitor, Charlie was fourth in National Midget standings in 1954.

Fountain's Donald Johnson and Edward Dilda had 12½ points apiece to take individual honors. Eight Pitt County schools participated in the events held at the Farmville athletic field. Other schools not mentioned above participating were Falkland, Chicod, Farmville and Grimesland. The summary:

90-yard dash—Fountain, Donald Johnson.

Relay race—Ayden, Mills.

Standing broad jump—Winterville, Mills.

Running broad jump—Winterville, Andrews.

High jump—Ayden, Bateman.

Baseball throw (accuracy)—Chicod.

Baseball throw (distance)—Fountain, Capps.

Sack race—Falkland, McGlohon.

Wheelbarrow race—Winterville, McGlohon.

One-up race—Fountain, Dilda.

Spoon and marble race—Ayden, Manning.

One-legged race—Fountain, Johnson.

Three-legged race—Fountain, Backing—Fountain, Dilda.

Cast-Off Hearn First Pitcher To Win Six Games

By ED WILKS

The Associated Press

So guess who's the first National League pitcher to win six games this season? Not the big names, Spahn, Erskine, Newcombe? Nope. It's a guy named Jim Hearn, the right-hander nobody wanted.

He picked up No. 6 yesterday at Milwaukee as the New York Giants beat the Braves 3-2 in the only major league game scheduled. That edged the Giants into second place, three percentage points ahead of Chicago's Cubs.

It was the fourth complete game for Hearn, who has lost two. Only Milwaukee's Gene Conley and Philadelphia's Robin Roberts have completed five.

The Braves touched Hearn for 10 hits, but only two went for extra bases and he left eight stranded. After getting his 3-2 lead the 6-3, 200-pounder gave just four hits over the last five innings. In all he fanned six and kept his errant control in check to walk only one.

It was wildness that contributed to Hearn's 1954 disappointment. He was put on the shelf as a starter with the world champs after Sept. 1 by Manager Leo Durocher. At season's end, he was on the block. But nobody stepped up to get Hearn, one of the hero's in the

Fountain Takes Field Day Honors

Fountain capped field day honors in the annual event for Pitt County seventh and eighth graders held recently.

Fountain's team racked up 44 points to nose out Ayden with 31 points. Winterville was third with 29 points and Betnel fourth with 17 points.

The scoring was based on five points for first place, three for second, two for third and one for fourth.

Fountain's Donald Johnson and Edward Dilda had 12½ points apiece to take individual honors.

Eight Pitt County schools participated in the events held at the Farmville athletic field. Other schools not mentioned above participating were Falkland, Chicod, Farmville and Grimesland. The summary:

90-yard dash—Fountain, Donald Johnson.

Relay race—Ayden, Mills.

Standing broad jump—Winterville, Mills.

Running broad jump—Winterville, Andrews.

High jump—Ayden, Bateman.

Baseball throw (accuracy)—Chicod.

Baseball throw (distance)—Fountain, Capps.

Sack race—Falkland, McGlohon.

Wheelbarrow race—Winterville, McGlohon.

One-up race—Fountain, Dilda.

Spoon and marble race—Ayden, Manning.

One-legged race—Fountain, Johnson.

Three-legged race—Fountain, Backing—Fountain, Dilda.

Giants' little miracle of 1951. He won 17 that year, including the first game in the pennant playoff with Brooklyn.

Hearn had just one really shaky moment yesterday. Danny O'Connell made his fourth straight hit a leadoff double in the ninth. But Hearn let him get only as far as third while ending it. Hank Aaron got the other long hit off Hearn, a solo homer in the second.

Willie Mays' single scored the first Giant run in the fourth and his sacrifice fly brought home the winning run in the fifth after Don Mueller's double had tied it and chased loser Ernie Johnson.

The Giants head home from the West 7½ games behind Brooklyn. New York is at Pittsburgh tonight to play the Pirates. Brooklyn is at home again trying to snap a three-game losing streak against the Phils. St. Louis is at Cincinnati and Chicago at Milwaukee.

In the American Cleveland takes its 1½-game lead to Detroit. Runner-up New York is home to Baltimore. Kansas City is at Chicago and Boston at Washington.

Exchange Wins Third In Row, Lacing Elks By 4-8

Exchange Little Leaguers, seeking the Tar Heel League crown, won their third game in as many starts yesterday by lacing the Elks 4 to 1 behind the expert pitching of Fountain.

The Exchanger hurler was touched for only five hits and one run, that unearned. Saue pitched for the losers and allowed fewer hits—four—but ones of more timely nature.

Barry Roberts led Exchange at bat with a single and double. Corbett was Elks' big gun with two singles.

The game featured fine fielding plays. Bill Greene made two nice catches in rightfield for Elks and Bill Neal James pulled two sparkling maneuvers at second base for the winners.

The box:

Elks	A B R H E	Elks	1 0 0 0 0 0-152
Proctor, c	3 1 0 1	Exchange	3 0 0 0 0 1-462

GHS Track Team Goes Into State Meet At Chapel Hill

The long 1955 track season comes to an end this afternoon for the Greenville Phantoms as they enter the annual state meet in Chapel Hill. Thirteen of the Phantoms qualified for the state event by placing in the top four at the district meet in Raleigh last Friday.

The Greenies, who have one of their best all-around teams in history, are hoping to place among the top three schools in the state event. It would be the highest place any Greenville track team has made in the past decade. Coach Bill Kittrell's squad placed third in the district meet in Raleigh.

The Phantoms placed third in the Eastern District Meet, which is considered the strongest district in the state. They are hoping to get more points in the state event than do either of the teams that outscored them at Raleigh Friday. Durham, which has been state champ or runner-up for the past eight years, was runner-up to Raleigh in the big meet last week. Both teams have fine all-around clubs.

Greenville's strength is in its chances of winning firsts. Raleigh and Durham both will count on taking plenty of thirds and fourths. The only sure bet from either school is Ed Brawley, Durham broad jumper. Raleigh's Jack Wilson, a sophomore speed demon, threatens to be the outstanding member at the meet. His 100 and 220 yard dash times are among the best that have ever been recorded in the state.

Greenville has several boys that are counted on to take places in the top three at the state meet.

Harold Edwards is the big gun. Edwards is the defending state champion and top favorite to keep his crown this year. Edwards has high jumped over six feet several times and would have to do so tomorrow in order to set a new state record.

Other Greenville hopefuls are miler Wayne Bishop, broad jumper and sprinter James Speight, pole vaulter Bob Shackelford, and shotputter Larry Powell. All are hoping to place in the top three.

Speight got second in the broad jump and fourth in the 100 yard dash at Raleigh and figures he can do better in both. Last year he was fourth in the state meet in the broad jump.

Bishop finished fourth in his sophomore year in the mile to become the first sophomore miler ever to place in the event. This year he and two other milers are the co-favorites to win the title. Charles Van Avery from Charlotte and Joe Leffert from Winston-Salem both have turned in times of 4:41 for the mile.

with AAA competition they have won three and lost three dual meets. One loss was to Raleigh by 1-3 of a point. They won the Northeastern Conference meet by scoring 20 more points than all of the other schools combined. A third place finish in the district completed their season until the final meet today. Regardless of how they come out today, the Greenies will know they have had a successful year.

Shackelford has improved his pole vaulting this year and has cleared 11'2". He is one of the top favorites. Powell has tossed the shot right at 46' and hopes to improve this mark today.

The Greenies have had a successful year so far this year. In meets

I'm a Banker

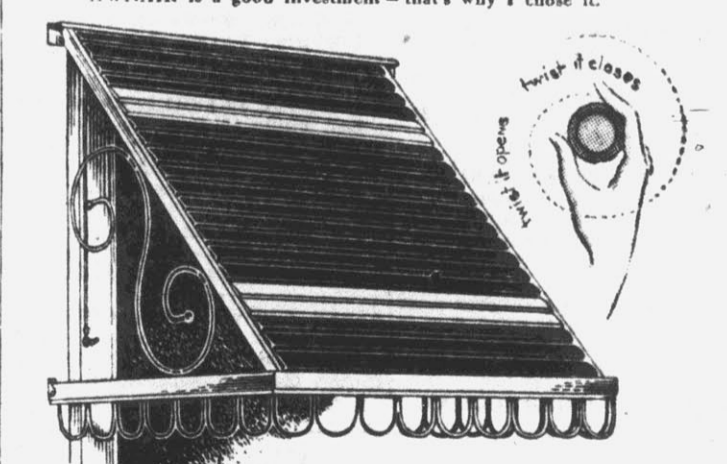

I CHOSE AWNAIR BECAUSE...

I like a sound investment of permanent value!

AWNAIR's heavy gauge aluminum and stainless steel construction — mean permanent improvement to my property. Its Porcelain finish is sealed into the metal with tons of pressure — the most permanent beauty finish on the market.

AWNAIR pays dividends in graceful good looks, smart color and comfort too. The exclusive Indoor Knob Control appeals to my entire family — just a twist of the knob and adjustable louvers open and close from indoors, giving them light, air and view when they choose!

AWNAIR is a good investment — that's why I chose it.

C-of-C Dinner Reservations Due

Chamber of Commerce members have been requested to have their reservations for the organization's annual membership dinner meeting next week in by Monday. The meeting will be held Thursday at 7 p. m. at the St. James Methodist Church, with Ben E. Douglas, director of the North Carolina Department of Conservation and Development as guest speaker. Members are urged to make their reservations now "so the ladies of the church can know by Monday how many persons for whom to prepare dinner," Civic Affairs Committee chairman James A. Taylor stated. This committee is in charge of arrangements for the affair. Taylor also noted that the seating capacity of the church auditorium is limited and reservations will be accepted for members, their wives and guests in the order they are received.

NO ONE ELSE DETROIT (AP)—Predicting President Eisenhower will be drafted to run in 1956 and will win, Sen. Wiley (R-Wis) said yesterday. "There isn't anyone else who has developed sufficient stature to be a winner on the Republican ticket."

Chicod Valedictorian Is Accorded Reader's Digest Ass'n Recognition

CHICOD — Jakey Bryant, valedictorian of the graduating class at Chicod High School, has been given the annual award of the Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community. It was announced today by F.H. Hodges, principal. Bryant will receive an honorary subscription to The Reader's Digest for one year and an engraved certificate from the editors, "in recognition of past accomplishment and in anticipation of unusual achievement to come." The Reader's Digest Association has presented these awards yearly in senior high schools throughout the United States and Canada to the highest honor student of the graduating class. Bryant is the son of Mr. and Mrs. W.C. Bryant, Rt. 1, Vanceboro. He was selected by principal Hodges and the school teaching staff. CROMER, England (AP)—The storm-battered Turkish steamer Zor sank in the North Sea yesterday. All 11 aboard were rescued.

Proclamation

As Mayor of the city of Greenville I endorse and ask the citizens of Greenville and Pitt County to support "4-H Camp Day," May 28. The purpose of this drive is to complete the Negro 4-H Club Camp in Onslow County now under construction. I am informed that the 4-H Club Foundation has on hand \$31,500, and that Negro 4-H Club members, leaders and parents contributed over \$29,000 of the amount raised by the Foundation. They will need an additional \$37,000 to complete construction of the camp. I gladly endorse the cooperation and support of all citizens of this county in helping Negro 4-H Club members provide this camping facility in the state for their members. Pitt County's Negro 4-H Club members have a special interest in the construction of this camp because it will provide the only facility for this group to participate in camp life in the state. A 4-H Club member or leader will call on you for your contribution towards this effort between now and May 28. W. L. WHEDBEE, Mayor City of Greenville, N. C.

No Hollywood Allure For Japanese Star

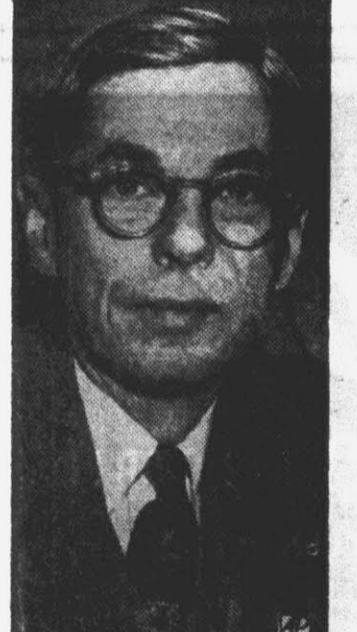

HOLLYWOOD (AP)—Here's one actress Hollywood will not be able to lure—Japanese star Mitsuko Kimura, who intends her current picture to be her last. Latest of the foreign lovelies to be imported by Hollywood (Whatever happened to the all-American girl?) is Miss Kimura, who combines striking beauty with an almost painful shyness. This week she suffered through her first screen kiss. The bussing took place with Aldo Ray in "The Gentle Sergeant," which was filmed largely in Japan. Mitsui couldn't have been less happy. "I have never kissed any man in public, even in Japanese films," she remarked. "It is not our custom in private life. We bow and embrace but we do not kiss." As a matter of fact, she confided that she has kissed only one man before this week. He is her husband Ken Fukunaga, a former GI from Salt Lake City. She did 19 films before she was picked to play the wife of Sgt. Hugh O'Reilly of the Gentle Wolfhound Army outfit. He's the one-time "jap-hater" who ended up adopting an Osaka orphanage. She was asked if "The Gentle Sergeant" will be her last picture. "I hope so," she replied. Her husband, who was a pharmacist in the Army, said they will return to Japan after he takes

Governor's Veto Wins Him Honor

BALTIMORE (AP)—Gov. McKeldin's recent veto of a bill restricting the nocturnal wanderings of cats in Prince George's County has brought him wide acclaim. A cat lover in Gary, Ind., nominated him for president for his stand in favor of feline freedom at night. The American Feline Society has announced it will give the governor an award June 2. From the "Chatham Park Mouse Watchers Ass'n" of Chicago came a letter from "Mickey" noting that if cats hadn't been persecuted in Europe rats would not have spread the black plague which depopulated a continent. It concluded with the offer that if the state has a rodent problem, "please do not hesitate to call on any of our local associates for help."

TYPHOID RATE HIGH

HAGEN, Germany (AP)—Typhoid cases in the southern Ruhr have mounted to more than 300.

NOW AMBASSADOR — James B. Conant, former U. S. High Commissioner, has been confirmed by the Senate as Ambassador to new sovereign Republic of West Germany.

What's the best place to save for cowboys, Indians and space cadets?

Of all the reasons for saving money—and there are hundreds—certainly none is bigger or more important than building up a nest-egg to take care of your children's future. And where's the best place to build up your nest-egg?

Right now, 14 million Americans think the best place is an insured Savings and Loan Association!

In fact, Americans are now putting more of their savings account dollars into these Associations than anywhere else. The reasons are simple:

ONE—You get excellent returns. That's because insured Savings and Loan Associations invest most of their funds in sound, steady-paying home mortgages.

TWO—You have complete safety. Your savings are protected by good management and substantial reserves. They are insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation—an agency of the U. S. Government.

THREE—These Associations are local organizations. They offer friendly, helpful and convenient service.

And here's another point: When you're thinking of buying a home, remember that insured Savings and Loan Associations are the nation's largest single source of home mortgage loans. They make liberal loans. They see to it that you get the money quickly—and at moderate rates.

Why not come in and open savings accounts for yourself and for your children today. And if you need a home mortgage loan, let's talk about that, too!

SAVINGS AND LOAN FOUNDATION

The Savings and Loan Foundation, Inc. is an organization of insured Savings and Loan Associations from coast to coast—dedicated to the preservation of democracy through thrift and home ownership in every American community. Address: 1111 E Street N. W., Washington, D. C.

Look for this emblem. It identifies associations insured by the FSL IC.

Highway Bill Debate Is Opened In Senate Today

WASHINGTON (AP)—The Senate opens debate today on a Democratic bill to double present federal aid spending for road building.

Republicans planned to try to substitute President Eisenhower's plan for it.

Majority Leader Lyndon B. Johnson (D-Tex) said there would probably be no votes until the middle of next week. Both sides expect the issue to be settled by late next week, however.

The Democratic measure, written by Sen. Gore (D-Tenn), would greatly increase spending on all of the four federal-aid highway systems—interstate, primary, secondary and urban. For these it would authorize a federal-state outlay of \$17,941,000,000 over the next five years. It would double the present rate of spending in the first year, and triple it by the fourth and fifth years.

The Eisenhower proposal would allot 38 billions of federal and state funds for the four systems over 10 years, but would concentrate 26 billions of this on the 40,000-mile interstate system designed to link up all parts of the nation.

Under the President's plan, the federal government would put up 25 billions for the interstate, or nearly the entire cost, and raise 21 billions of it by a 30-year bond issue.

This feature has been heavily criticized by some Democrats, notably Sen. Byrd (D-Va), who contend it involves heavy interest charges and also is a technical violation of the federal debt limit.

610,000,000 to the interstate system over five years, with \$9 put up in federal funds to each \$1 by the states. The added money would be provided by direct federal appropriations, and Gore has suggested a boost from 2 to 3 cents a gallon in the federal gasoline tax to help meet the cost.

Senators Bush (R-Conn), Martin (R-Fa) and Clinton (R-N.J.) released a minority Public Works Committee report contending the sum proposed in the Gore bill was inadequate to build up the interstate system, which they called "the backbone of our highways."

Promoter Asks Permission To Hold Bullfights

INDIANAPOLIS (AP)—Promoter William H. Lipkey, of Kokomo, Ind., asked Gov. George Craig yesterday for permission to stage what he called bullfighting.

As he describes the show, nobody gets hurt—especially the bull.

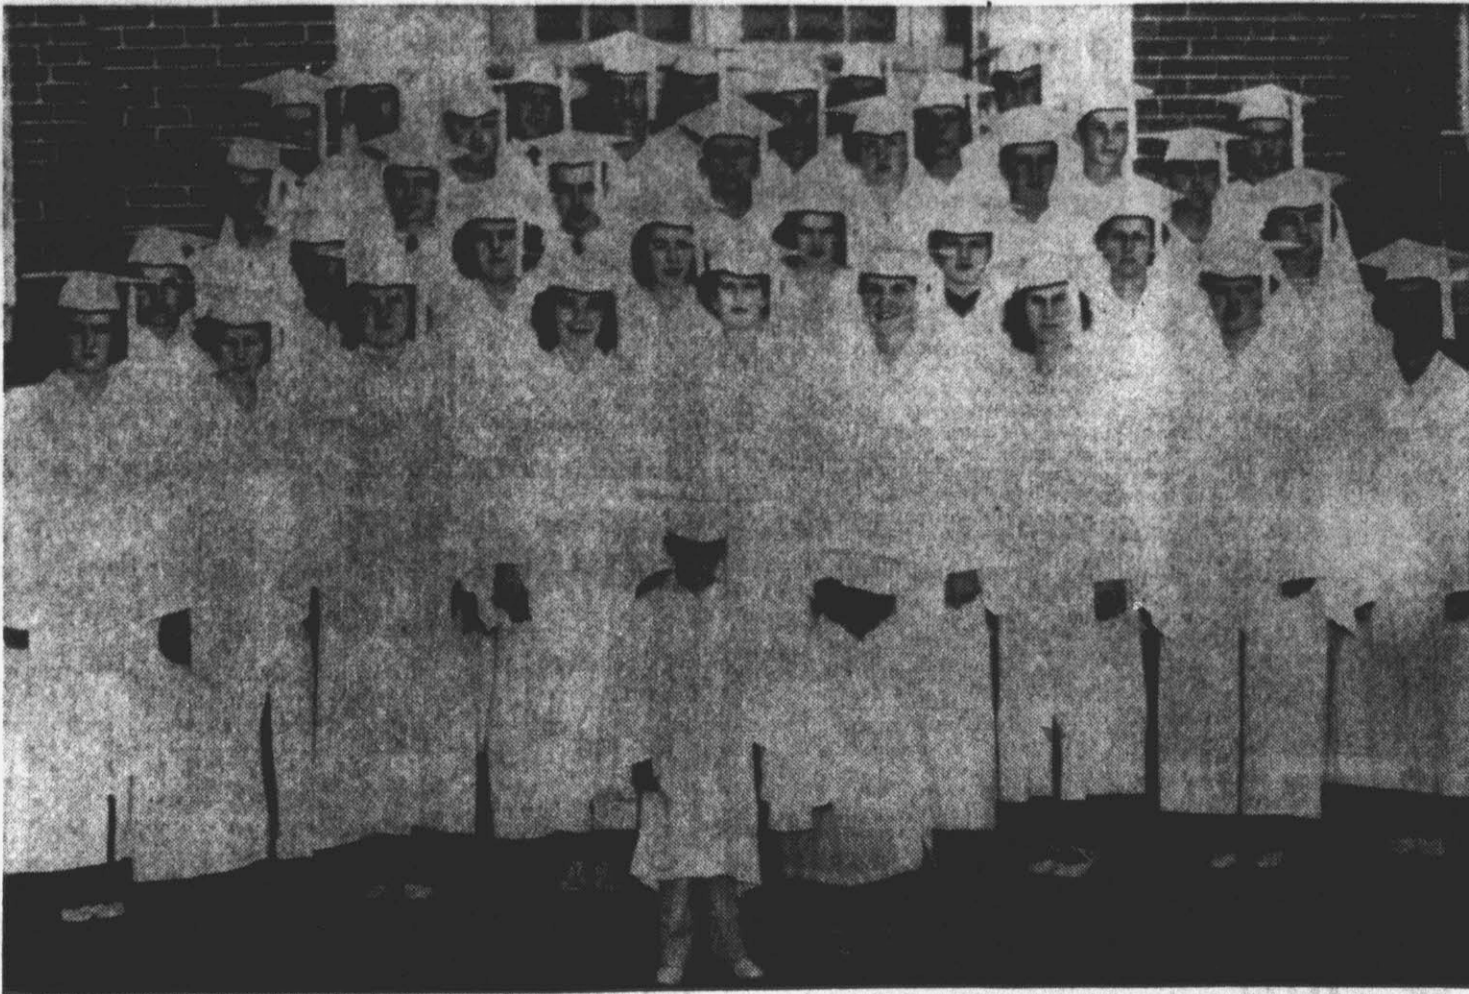

"Instead of using barbed instruments we will substitute suction cup devices and picador's lance will be padded rather than sharpened," Lipkey explained.

The matador gets a sword, but it's only for protection. He won't kill the bull.

Lipkey operates auto race tracks at Kokomo and Lafayette, Ind.

The governor sent the request to Arca-Hindman, head of the Indiana Athletic Commission. Hindman sent it back, saying he thought it came under the jurisdiction of the Amateur Athletic Union.

Belvoir-Falkland Has 37 Graduates

Number of 1955 graduates at Belvoir-Falkland High School totals 37. Not in the order pictured above they are Janie Case, Corrine Clark, Marie Gurganus, Gladys Hathaway, Jean Mills James, Vivian James, La Rue Jones, Barbara James Little, Joyce McLawhorn, Vivian McLawhorn, Peggy Moore, Mary Jane Moye, Goldie Nelson, Ernestine Nichols, Nettie Singleton, Louise Spain, Adell Stancill, Sherry Warren, E. Class majors are Geraldine Case and Buck Moore. (Reflector Photo by Margaret Culbreth.)

Thirty-Six Are Called For Jury

Thirty six persons have been summoned for jury duty in Superior Court here next week and 14 excused from the preliminary list, Sheriff Ruel Tyson said yesterday.

The thirty six who will serve in May's second session of the civil term include R. R. Alexander, Carolina; James B. Allen, Farmville; Hoover Baker, Farmville; J. T. Bland, Carolina; J. P. Brewer, Belvoir; L. E. Brewer, Belvoir; William Bright, Ayden; James Ray Crawford, Beaver Dam; Marvin Deans, Falkland; Frank J. Diener, Jr., Greenville; Charles V. Edwards, Winterville; William H. Elks, Greenville; Robert L. Fulford, Beaver Dam; Mrs. Carolyn G. Garris, Greenville; John B. Gay, Fountain; Lester Gay, Fountain; B. T. Gray, Belvoir and Lee Haddock, Chocod.

Also, A. F. Harrington, Greenville; Charlie Hawkins, Chocod; Ed James, Greenville; C. R. Kline, Swift Creek; James Thomas Lang, Farmville; T. H. Langston, Winterville; Mack Donald Lewis, Belvoir; Clarence J. Little, Beaver Dam; Edwin A. Little, Ayden; Linwood O'Neal, Beaver Dam; Mrs. Almeta Page, Beaver Dam; Mack Pollard, Farmville; William H. Smith, Greenville; Elmer Stokes, Greenville; Mrs. Gordon Stroud, Fountain; Ann Marie Sutton, Greenville; L. W. Sutton, Chocod and David C. Taylor, Chocod.

Peron Backers Vote End Ties To Church

By FRED L. STROZIER
BUENOS AIRES, Argentina (AP)—Argentina's Peron-dominated Chamber of Deputies gave overwhelming approval last night to the President's demand to end Roman Catholicism as the state religion.

In the first formal step toward amending the constitution, the lower house voted 121-12 for the government-backed proposal. The anti-Peronist Radical block was the only opposition. The bill calls for election of a national convention to change the nation's basic law.

The bill now goes to the Senate, where Peronistas hold all 34 seats—and then to the President for signature.

The deputies' session, climaxing two days of debate on the crucial issue, wound up with boisterous demonstrations both in the chamber and outside.

Deputies pounded on their desks and shouted "Peron! Peron!" Outside several hundred Catholic youths paraded toward the Capitol, chrousing "Argentina is Catholic" and "Long live Christ the king" until police dispersed them.

Earlier in the evening thousands of Catholics packed the metropolitan cathedral and 70 other churches in Buenos Aires for evening masses. Officially they were observing the Feast of the Ascension. But the unusual number of evening masses made apparent the church authorities intended a demonstration of support.

Police stationed heavy concentrations near the principal churches but the marching youths were the only demonstrators.

Advices Against Foreign Aid Cut

Removal from the constitution of references to the church would spell the end of all financial aid to church schools and discontinuance of the small salaries paid from government funds to cardinals, bishops and other churchmen.

The Senate already has passed a bill canceling the tax exemption of churches and religious bodies. Both House and Senate also have approved a bill to end Catholic religious education in public schools.

Peron has been carrying on an open battle with the church in this mainly Catholic country since last November. He has accused some members of the clergy of seeking to undermine his regime. Since November, 41 priests have been arrested, but many were later released.

The church has denied the government charges and Vatican organs have accused Peron of dictatorial tactics.

Good Exhibition Is Embarrassing

OMAHA (AP)—It was a snappy exhibition of how to handcuff and chain a dangerous prisoner that U.S. Marshal William Raab gave the Kiwanis Club yesterday.

Embarrassing too. When Raab looked for the keys to free volunteer Lyle Remde he didn't have them. He had left them at his office.

And that was where the pair went to get Remde free.

BUDGET REIN BILL
WASHINGTON (AP)—The Senate has passed a bill to set up a Senate-House committee on the budget to keep a rein on the federal spending. It now goes to the House, which twice has failed to adopt such a measure.

WASHINGTON (AP)—Sen. George (D-Ga) said today it would be "fatal" for the United States to choke off its foreign aid programs in the face of an approaching Big Four conference and possible tension easing.

"Now is the very time for our government to show every disposition to go forward with our aid programs," George said in an interview. "We have to do those things, including spending large sums abroad, that we might very well hesitate to do in view of the recent developments."

The developments include the German rearmament treaties, the Austrian treaty and the outlook for a conference this summer among President Eisenhower and the British, French and Soviet Premiers.

George, chairman of the Senate Foreign Relations Committee, said this nation "cannot afford" not to continue expensive foreign aid.

That is more true, he said, of economic than military aid.

Avoiding any prediction George indicated the foreign relations group is likely to approve the Eisenhower administration's 3 1/2-billion-dollar aid bill in "substantially" its present form.

Senate Minority Leader Knowland (R-Calif) said:

Police Court To Resume May 30
The next session of Police Court will be held at City Hall May 30 at 9 a.m.

Judge Charles H. Whedbee, recuperating from an operation at Pitt Memorial Hospital, will preside.

Court Clerk E. Johnston Dees reported today that the Police Court docket today appears to be light.

Chicod School Piano Pupils Present Recital Program; 37 Take Part

CHICOD—Some 37 pupils of Mrs. Bob Kittrell were presented in a piano recital at Chicod High School Monday and Tuesday.

Participating in the recital program were Mike Mills, Jim Edwards, Freddie Foster, Evelyn Venters, Jeannette Gardner, Norma Faye Smith, Evelyn Smith, Jimmy Page, Jennie Carol Adams, Phyllis Paramore, Cheryl Sutton, Mary Latham Smith, Carolyn Jean Stokes, Linda Kay Cox, Margie Faye Haddock, Betsy Smith, Mary Louise Hudson.

Patricia Evons, Margie Taylor, Sandra Gaskins, Phoebe Cherry, Carol Sue Stokes, Carolyn Ann Jones, Mary Linda Porter, Melva Keeter, Geraldine Hudson, Virginia Ann Mills, Janice Taylor, Brenda Taylor, Rebecca Mills, Patsy Smith, Clinton Earl Venters, Barbara Ann Stokes, Linda Cherry, Eleanor Venters, Nancy Sue Dixon and Mary Ida Gray.

Recognized for having made the

most progress this year were Linda Cherry, Carolyn Jones, Jeannette Gardner and Nancy Dixon, while Patricia Smith, Rebecca Ann Mills, Jim Edwards and Clinton Venters were recognized for having memorized the most musical numbers this year.

Found A Fortune In Deposit Box

DETROIT (AP)—Executors of the estate of Mrs. Emma McKenzie were surprised yesterday to find a fortune of \$300,000 upon opening her safe deposit box. The 75-year-old widow of a tailor had lived simply in a flat here.

Mrs. McKenzie, who died March 27, willed her estate to the Michigan Humane Society and the Detroit Institute for Cancer Research. There are no known relatives.

Drag River For Priest And Boy

ANNAPOLIS, Md. (AP)—Dragging operations were resumed today for the bodies of a Catholic priest and a high school student who apparently drowned when their leaky boat capsized in South River.

No trace of the Rev. Dominic Palladino 35, of Revere, Mass., and 18-year-old Joseph Monaldo, of Washington, was found yesterday. The Rev. John Skelly, 27, of Philadelphia, and Peter Nicholas, 17, of Washington, swam more than a mile to shore. The priests and the boys were on a holiday from Archbishop John Carroll High School in Washington for the Feast of the Ascension.

THERE OUGHTA BE A LAW By FAGALY and SHORTEN

FLASH GORDON

THE BOSS OF BROKEN SPUR

My Nick Sumner
A quarrel with his girl, Christie Toland, had sent Kerry Riordan from the Broken Spur ranch into town on a spree that had lasted for days, and brought him back to the ranch minus funds and in debt. To face "the music" with his laugh, but generous benefactor, Bob Malory, who denounces him roundly as a fool, pointing out to him that the early little nester girl, Lita Dawson, with whom he, Kerry, had been consorting, is "poison." To be done with all this, Kerry decides to marry Christie Toland at once, but when he calls on her he finds her with a new beau, one Wayne Cameron, an icy-eyed stranger who will escort her to the community's week-end dance. So, spitefully, Kerry rides over to the Dawson abode, a miserable shack, where he is ardently welcomed by Lita, while her drunken old father pokes about somewhere in back of the shack.

hair. "You hadn't oughta make me say it, Kerry. I—I can't go to the dance 'cause I ain't got nothin' fit to wear. I wouldn't want you to take me an' be 'shamed o' me." Kerry's throat hurt with pity. "Look honey," he said "I made a big killin' in town the other day, and you know me, money burns a hole in my pocket. If I keep it, I'll just get in another game and lose it. So I'd like to do something with it, that I'll get a lot more fun out of." He saw that Lita had turned her head so that one velvet-brown eye was peering at him around the cloud of hair. Shyly he held out one of the crisp twenties. "You take it and buy yourself something pretty to wear to the dance." Her face was averted again.

Stock And Market Reports

RALEIGH (N) — (NCDA)— Hog prices steady to 75 higher. Tops 18.75 at Beaufort; 18.50 at Bluff City, Nahunta, Clarkton, Fair Bluff, Warsaw, Whiteville, Bailey, Snow Hill, Farmville, New Bern, Kinston and Benson; 18.25 at Elizabethtown, Micro, Clinton and Fayetteville; 18.00 at Dunn, Mount Olive, Newton Grove, Tabor City, Smithfield, Shallotte, Lumberton and Rich Square; 17.75 at Goldsboro; 17.50 at Jacksonville, Plymouth, Tarboro, Enfield, Kenly, Wilson, Rocky Mount, Woodland and Washington.

RALEIGH (N) — (NCDA)— Central North Carolina poultry markets: Fryers and broilers firm with most sales based on next week's prices; farm price 26 1/2-27, f.o.b. plant 25 1/2; Raleigh eggs steady, A large 38-40.

Asheville fryers and broilers firm following 1 cent advance, farm price 27 1/2, f.o.b. plant 26 1/2; eggs steady A large 36-40.

NEW YORK (N)— The stock market advanced today in a halting manner with aircrafts weak.

In the early afternoon, prices were between 1 and 2 points higher at the outside to around a point lower.

Trading was moderate at a pace under yesterday's 2,380,000 shares. Aside from the lower aircrafts,

most major divisions were definitely higher including steels, motors, merchandising shares, copper, chemicals, railroads, airlines and utilities.

Among higher stocks were Santa Fe Railroad, American Telephone, Bethlehem Steel, General Motors, Kennecott, Copper, Sears Roebuck, R. H. Macy, Gimbels, RCA, American Cyanamid, Allied Chemical, and United Air Lines.

City Products was down between 4 and 5 points on a few sales. Also lower were Boeing, Bath Iron Works, Douglas Aircraft, Westinghouse Electric, Baltimore & Ohio and Textron.

CHICAGO (N) — (USDA)— Salable hogs 6,500; moderately active, steady to 25 lower on butchers; mostly steady on weights 230 lb and over; sows steady to mostly 25 lower; most choice 190 - 220 lb butchers 18.00-19.00; largely 18.50 and above on choice No 1 and 2 grades; a few lots mostly choice No 1's to 19.15; and a deck choice No 1's 200 lb 19.25; most choice No 2 and 3's 230-250 lb 17.00-18.25; a few No 1 and 2's 230 up 18.50; bulk 270 - 300 lb 16.00-17.00; a few lots 290-300 lb 15.00-15.25; bulk 450 - 600 lb 12.00-13.00; good clearance.

Mild Weather In Area Yesterday

The highest temperature in the Greenville area yesterday was 84 degrees. Lowest last night 60, and at 8 a. m. today it was 68.

Yesterday a year ago, the highest temperature here was 93 degrees. Lowest that night 56, and at 8 a. m. next day it was 59. Nearly one inch of rain fell here during a thunderstorm that day.

PROPAGANDA TOUR

CHICAGO (N)— General Manager Rudolph Bing says the Metropolitan Opera has been discussing with the State Department a European tour as a propaganda move.

General Reviews 'Slide Rule War' With Russians

BOSTON (N)— The United States is engaged in a "slide rule war" with the Soviet Union that now has the world's largest combat air force and a growing stockpile of nuclear weapons, the commander of the U. S. Air Force Research Development Command said today.

Lieut. Gen. Thomas S. Power said that to the concepts of "hot war" and "cold war" must now be added that of the "slide rule war—the race to maintain technological superiority."

He spoke at a conference on "Air Power and New England" sponsored by the New England Council and the Air Force Cambridge research center.

Modern warfare must delegate more and more of the fighting—and even the thinking—to the machine, Gen. Power asserted.

"Air Power and New England" not only a new kind of war, they mean also a new kind of peace," he said. "For peace in the atomic age can be maintained only through a posture of strength which discourages a potential aggressor from inviting atomic retaliation."

The Soviets have "resources in manpower and materiel we could not possibly match," he said. "That is why we must rely primarily on qualitative superiority," he said, and this superiority must be overwhelming to deter the Soviet bloc.

Gen. Power said that the Soviet Union has some 20,000 combat planes with bombers "comparable to our B47 and B52" and "an advanced guided missile program."

While noting the Soviet's air muscles, Gen. Power said "we have been doing rather well ourselves" in the slide rule war.

"The Air Force now has the finest strategic bomber group in the world," he said, and all fighters are now jet propelled.

"We are confident that adequate qualitative superiority in the air is—and will be—on our side."

Lottery Boss To Face New Charge

GREENSBORO (N)— Convicted lottery boss F. D. (George) Smith, now serving time in the State Prison, will be returned here June 6 to face federal charges of violations of wagering laws.

Federal indictments have been returned against Smith, Alfonso Gill, Theodore Mayes, Lyman Griffin and Milton Bowden. Smith is charged with running a lottery business. Gill with being his first lieutenant, Mayes with being a pickup man, and Griffin and Bowden with being lottery ticket writers.

Smith now is serving 10 years for lottery conspiracy and bribery. After the 10 year sentence, he must serve 16 to 25 years for the hit and run death of a young boy.

Minor Accident In City Thursday

Greenville police investigated one minor accident at the intersection of Ninth and Washington Streets yesterday.

The collision, which involved automobiles driven by Thomas Whitaker, 20, 911 Washington St., and Mrs. Myrtle Buck, 304 W. Second St., caused damage to both vehicles estimated at \$150.

Investigating officers made no arrests in connection with the collision.

MAN WITH A DEEP PROBLEM — Bjorn Naeslund, competing on a new rough-riding motorcycle course at Stockholm, Sweden, freed his machine to finish second in race.

Nationalist Air Force Head Cites Rising Red Air Power

By SPENCER MOOSA

TAIPEI, Formosa (N)— The chief of Nationalist China's air force today reported the Chinese Reds have 800 combat planes within a 600-mile radius of Formosa.

Gen. (Tiger) Wang Shu-ming said the Red air units include MIG15s and some MIG17 jets, TU2s and IL28s. The TU2 is a twin-engine bomber. The IL28 is a twin-jet bomber.

Shanghai and Nanking are among the bases in the 600-mile radius from which Communist planes could attack Okinawa and the Philippines, as well as Formosa, Wang said at a news conference.

He said the Reds were building four more new airfields and improving old ones on the mainland opposite Formosa.

The Communists are capable of launching air attacks against Formosa any time they choose, he said.

"Judging by the redeployment of Communist troops, we can say their purpose is war; not only against Formosa, but the whole of Southeast Asia," he said.

Large-scale air raid exercises, specially ordered by President Chiang Kai-shek, who apparently does not feel the public is fully alive to the danger of air attack, were staged today for 2 hours and 15 minutes throughout Formosa.

and the strategic Pescadores 40 miles off the west coast.

Radio communications with the outside world were suspended, all trains halted on the big island, and Taipei's Pine Hill Airport was closed during the drill.

Bad weather prevented a scheduled paratroop assault on the airport but ground troops fought a simulated battle for it. The defenders were adjudged the winners. Top Nationalist and American officials watched the "battle."

Trucking Firms Strike Back, Invoking Lockout

LOS ANGELES (N)— Trucking companies struck back at an AFL Teamsters Union strike by invoking a lockout today that started halting major trucking operations in California.

The shutdown is expected to spread through 11 Western states. The California Trucking Assn. ordered its hundreds of member firms that have contracts with the teamsters to halt all but essential trips.

The teamsters struck yesterday morning against three major freight carriers in a contract dispute over wages, and health, welfare and pension benefits.

After a meeting of the employer association here yesterday, a spokesman explained the shutdown action by saying:

"A strike against one is a strike against all."

Only "for-hire" trucking firms are involved in the dispute. However, other key trucking industries throughout the West will be affected because of interconnecting shipments.

Eventually the work stoppage is expected to affect 100,000 trucking company employes in the 11 Western states. An industry spokesman said trucking may be curtailed as far east as Chicago, St. Louis and Kansas City.

"Trucking concerns throughout the 11 Western states can also be expected to take similar action," a spokesman for the California group said after yesterday's meeting.

The struck firms are the Pacific Intermountain Express, Pacific Motor Trucking and Consolidated Freightways.

Both management and union forces said the tieup might be a long one.

An industry spokesman said: "Everything the public uses will be affected—everything we eat, wear and use in production of commodities."

Old contracts gave the drivers \$2.14 an hour or 7 cents a mile, whichever was greater.

The teamsters originally demanded 10 cents more an hour, an additional 8 cents next year and the following year, plus health, welfare and pension benefits.

Colored News

Friends of Minnie Hardy, 1208 Railroad St., will regret to learn that she is a patient in Pitt Memorial Hospital.

There will be a men's fashion show for men on Sunday, May 29, at 3 p.m. at South Greenville School, sponsored by the Celebrity Club. There will be a small admission charge.

Mr. Garfield Edwards, 1408 S. Lee St., Ayden, died Tuesday afternoon after a brief illness. He was born in Greene County and has lived in and around Pitt County all his life. Funeral services will be held

Sunday at 2 p.m. at Zion Hill Baptist Church. Burial will be in the Zion Hill Cemetery.

Surviving are his wife, Mrs. Armistia Edwards of Kinston; three sons, James and Willie Edwards of New York and Robert Lee Edwards of Goldsboro; one daughter, Mrs. Alice Anderson of Greenville; three sisters, Mrs. Anna Blount of Ayden, Mrs. Mattie Ajtche of Kinston and Mrs. Katie Edwards of Wilson.

Foundation Gift Honors Madry

CHAPEL HILL, N. C. (N) — Burlington Industries Foundation has presented a \$1,000 gift to the University of North Carolina Journalism Foundation in memory of the late Robert W. Madry.

Madry was director of the University News Bureau for more than 30 years. He died on April 8.

The gift was announced by Holt McPherson of High Point, president of the journalism foundation, who said it was the fifth such amount received from the Burlington foundation.

BANANA HAVOC
BOGOTA, Colombia (AP)— A hurricane tore down more than a million banana trees in Magdalena Department yesterday.

City Projects . . .

(Continued From Page 1)

\$3,200. All the funds would come from the general fund.

Two swimming pools costing \$125,000 and \$80,000 would receive last priority to be financed by bond issue.

Added by the board and to receive top priority would be the acquisition of new land to be used for parks and playgrounds.

A \$6,000 items for miscellaneous office equipment during the six years would come from the general fund as recommended by the city manager and approved by the board.

Police Department

Police department items received no priority rating from the board. They only recommended that they be handled on an annual expense basis. Recommended during the six-year period for that department are: automotive equipment, \$25,500; office equipment, \$1,400; photo and fingerprint equipment, \$1,015; radio equipment, \$3,600; pistol range, \$1,000 and a stand by generator, \$500.

All would be financed from the general fund.

Under the plan \$300,200 of the \$1,090,445 needed to carry out the program would come from Powell Bill funds; \$217,015 from the general fund and \$416,230 from bond issues (including swimming pools). Special assessments (curb, gutter, paving) would raise \$187,000 of the amount.

Last night's meeting was a special meeting called for the purpose of considering the proposed six-year spending program. Board members set the special session at their last regular meet to give ample time for consideration of the program.

The board also asked the secretary to write a letter to Moseley Bros. Insurance agency to "suggest and request" that they set back a new building which they plan to build on Washington St., 10 feet to allow for future widening of that street.

CONGRATULATIONS

Congratulations to the Rural Electrification Administration on this the 20th Anniversary of the R.E.A. program and on its success in providing Electric Service for the Rural Communities of the Nation.

We are proud to have had a part in this worthy effort which has drawn our rural friends and city dwellers closer together in mutual progress.

Our first rural line was built in the year 1926, and through foresight of those in authority progress has continued until today Electric Service is available to everyone in our service territory who desires it.
