Masons And Oxford Orphanage Honored By Eastern Star

Tuesday evening, Dec. 6, Greenville Chapter No. 149 O.E.S. observed "Orphanage Night" and honored the Masons on this special occasion. An appropriate program was given. For the opening, the group joined in singing "America."

The Worthy Matron, Mrs. Blanche Smith, welcomed the guests. The Worthy Patron, George W. Smith, recognized officers of the Grand Lodge who were present. Mr. Robert L. Martin of Bethel, District Deputy Grand Master of the Fifth District; Mr. James W. Brewer, Senior Grand Deacon; and Mr. W. J. Bundy, Past Grand Master of the Grand Lodge of North Carolina. They were seated in the East.

Mrs. Maude B. Foy, Past Grand Matron of the Grand Chapter of N. C., was present. She also was recognized, given grand honors and seated with the other Grand Officers, Mrs. Blanche Jackson, Grand Ada, and Miss Alya Ray Taylor, District Deputy, Grand Matron of the Seventh District, both members of Greenville Chapter, were recognized and welcomed.

Mr. Martin, a graduate of Oxford Orphanage, kept the undivided attention of the group as he talked on "Life at the Orphanage." He began with the application for admission and went through the different phases of the life of a child as he grows up in the environment of the Home. He said it was the teachings and principles of the Home that influenced him to become a Mason. He told of the different trades taught there and how they had proven to be a great benefit to him.

Mr. Martin paid special tribute to the late Crecy Proctor, who was superintendent while he was at the Orphanage. It moved the hearts of the listeners as he told of the fatherly advice and love of Mr. Proctor the day he left the Orphanage to make his way into the world.

Mr. James Brewer told of the fatherly interest and concern of the superintendent for the children after they graduate and leave the Orphanage. He told of some personal experiences he had had with the present superintendent, Mr. Leon Gray, and he could see a closeness there, the same as between any father and his child. He related instances when the superintendent would come to the aid of his "children" even after they had established their own home.

Mr. Brewer said of the five thousand and who had graduated and left the Orphanage, no felony charges had been made against any one of them.

Mr. Bundy then told of the support of the Orphanage by the Masons. He said that a very small percentage of the children are from Masonic homes, that religion or creed made no difference.

He spoke highly of Mr. Gray, the superintendent, as being a man of the Faith and a heart full of love for the children in the Home, and with their literary, spiritual and physical education the graduates of Oxford Orphanage made citizens to be proud of.

Mr. Bundy in behalf of all Masons present thanked the Eastern Stars for honoring them on this occasion.

Mrs. Maude B. Foy, P.G.M., thanked the Masons for the heritage of Eastern Stars, and said, "We are proud to have a part in the support of so beautiful an organization as Oxford Orphanage. Woman's heart beats responsive to the same inspiration that prompts man to noble deed. And we Eastern Stars are proud to share our love and labor in this service."

Mr. and Mrs. Bill Norwood, new affiliated members of Greenville Chapter, gave two beautiful messages in song. Mr. Norwood sang and Mrs. Norwood accompanied him at the piano.

Prior to the program a regular meeting was held. The Chapter voted to bring canned food to the next meeting to be given to needy families for Christmas. Anyone unable to attend is asked to take their food to Mrs. Ed Ricks and she will get it to the meeting.

The Worthy Matron invited everyone to the Fred Stokes dining room for refreshments.

Oilers Run Over ECC Pirates, 102-58

Rocky Mount Quint Plays Green Phants Here Tonight

ECC SWIM TEAM MAY RUN INTO BIG TIME PROBLEMS Although East Carolina's football, basketball and baseball teams have received the most press attention in the past couple years...

This winter, Coach Ray Martinez' tankmen have carded the most lucrative schedule in the school's athletic history. The appearance of North Carolina State, National Outdoor AAU champs, here Wednesday night corroborated the fact.

In tangling with the Wolfpack, the Buc swimmers met also the North Carolina champions, thus completing meets with state champions of both the Carolinas. Last weekend, they swam Clemson's sandpaper kingpins.

The fine showing against State Wednesday night is a credit to the coaching and recruiting astuteness of Martinez. Upon his arrival here last year, he found a struggling aquatic team that was lucky to get a meet a season. Since, he has built East Carolina a team that can get no competition in the North State Conference and little in their Big Brothers, league Southern Conference.

Martinez took his 15-man squad on the road last week and smacked a stunned Davidson team on its ear. The red-faced Davidson officials wrote the game off as a practice affair but it was noted that they used every variety performer they had.

The same thing happened at swim-minded Wofford. ECC's team piled up such a lead in the early events that Martinez didn't even enter his top divers in the competition. Clemson, long ranked one of the best tank teams in the South, bested the BUCS only in the top-point carrying events, the medleys.

This pleasurable success may be short-lived, however. Martinez may find after this season that a schedule of this kind won't be so easy arranged. Southern Conference and Atlantic Coast teams aren't going to be beaten by a so-called small college and continue the relationship long.

Martinez lured some of last year's finest high school swimmers away from the big schools and consequently the larger institutions are going to be mindful that they don't get embarrassed—but once.

When this difficult problem does arise—and it will—it'll appear most shameful that the North State Conference can't promote inter-collegiate swimming. East Carolina is the only school in the loop that is equipped with swimming facilities.

Taking a long look ahead, the swimming sport at East Carolina could become nil if larger opponents resent being beaten by the Bucs. As long as Martinez is at the helm, East Carolina will have a winner, and there's nobody to beat but outsiders.

PHILLIPS '66' SUCCESS STORY DATES WAY BACK

East Carolina played basketball with Phillips '66' Oilers last night in Wilmington. Every youngster who has bounced the leather sphere is familiar with the Bucs' opposition; the name has become associated with the game like the Harlem Globe Trotters and the Kentucky Wildcats.

The story of the fabulous Oilers dates back 35 years when the first team was organized by a young warehouse worker, K. S. Adams, to provide recreation for himself and other players working for Phillips.

Phillips officials, realizing the employee benefits of the team, soon offered the company's sponsorship. Lou Wilke, now an assistant sales manager of the company, was hired to coach the team. Wilke had established a remarkable record at Phillips University, Enid, Okla., and in two years his Oilers won 96 games, and lost eight.

Following the depression, during which basketball was discontinued, Phillips '66 basketball as is known today was started. In 1936, Harold Schmidt, former University of Kansas star, became coach, and his team won 113 games, losing 23. They finished second in the National AAU tourney twice and third once. Since then, the Oilers have won nine AAU championships and one Olympic crown.

Every Phillips player holds a full time job with the company during and after his playing career which usually extends from two to four years. When not away from Bartlesville, home base, players spend full time on their jobs. Practice comes after working hours on the players' own time. No extra pay is given for the basketball ability.

FUTRELL TEAM HAS GREAT CAMPAIGN

Charles Futrell, son of Mr. and Mrs. K. T. Futrell, and an alumnus of East Carolina College, had a most successful grid season at Laure High School in Maryland.

The young coach became the first Prince Georges County high school coach to post an undefeated season. His team ranked 10th best in the 74-school district of Virginia-Washington-Maryland.

One of the sure bets on the superlative team for the 1955 football season is Gov. Marvin Griffin of Georgia. His tag, "the most narrow-minded."

The North State basketball race is expected to be the raciest in many a year. High Point turned back Atlantic Christian's defending champions, 103-94, last week.

Coach Boley Farley's Greenville basketballers will play host to a visiting AAA Rocky Mount quintet in the GHS gymnasium at 8 o'clock for the second Phant contest of the season. A Jayvee game will start at 6:30.

The two injured first stringers, Harold Edwards, a 6-4 center, and Ike Riddick, an excellent floorman, still are not sure of their playing status tonight. There is a possibility that Riddick will wear the Green and White, however, Coach Farley has not announced a decision as yet. It is doubtful that Edwards will play before next week.

Rocky Mount Tall Rocky Mount reportedly will bring to Greenville tonight the same team that beat the Phants here last season by one point. Leading the crew will be Harold Gilbert, a stellar guard, and gigantic Don Stallings. Stallings is an outstanding center, well over 6 feet tall, who excels in both offensive and defensive play under the boards.

Taking the starting berths tonight for the G-men, will probably be Tommy Norris, Jerry Drum, Billy Johnson, Ray Hardee and Wayne Eldson. These five boys, along with reserve guard Mack Roebuck, combined their efforts Tuesday night to edge Goldsboro's AAA Quakes 63-50, without the services of Edwards and Riddick.

Change in Style The Phantom style of play that Coach Farley has made the trademark of practically every recent Greenville team has undergone a slight change this season. The squad still employs the usual running game, depending upon speed and surprise, however, the 1955-56 cagers seem to have adopted the fashion of play in a somewhat different way—and to their advantage. If the fast break fails to net them two quick points, the boys slow down the action and take plenty of time passing and dribbling around until the right scoring opportunity comes along. Lacking in height, they have to make every shot count. And they did against Goldsboro.

It should be interesting to see if the fast little team can defeat the fast big team tonight in GHS gym. Rocky Mount's taller Blackbirds are favored to take home a victory.

Floyd Patterson Gets Easy TKO

LOS ANGELES (AP)—Young Floyd Patterson may be beat in line at a shot at Heavyweight Champion Rocky Marciano but whether he's ready for such a dangerous assignment is debatable today.

Last night the 20-year-old lad from Brooklyn erased Jimmy Slade, the No. 5 heavyweight contender, from the picture via a technical knockout in the seventh of a scheduled 10-rounder at the Olympic Auditorium.

Patterson knocked Slade down for a nine count in the fifth and the bell probably saved him from a knockout.

Patterson ripped open Slade's right eyelid in the third and he chased the 29-year-old New Yorker all over the ring for the better part of seven rounds. But Patterson couldn't quite catch Jimmy the speller. It was left to the referee, Dynamite Jackson, to do the job.

Jackson stepped in and stopped the affair after 2:05 of the seventh and explained later why he kept telling him to get in there and look good even if he was losing but I guess he felt that he was too outclassed."

Patterson won every round, showed a great deal of punching and boxing ability despite the constant retreating by Slade and was never seriously concerned with the outcome.

There was a flurry of action in the Slade corner between the sixth and seventh. Manager Al Joyner cuffed Jimmy soundly with the back of his hand and Slade drew back to hit Joyner when his other handers forced him down to his chair. Later the manager said he was merely trying to arouse Slade into action.

Patterson said he would fight anywhere against anyone his manager, Gus D'Amato, decides. The manager ducked mention of Marciano and repeated: "I'm just the manager. We'll fight whenever and wherever the promoter decides upon."

A crowd of 7,180 paid \$27,668 to see the match.

Bethel Boys Win Eighth Straight

Bethel high school's boys won their eighth consecutive game last night, defeating Belhaven, 56-42, in a non-conference battle. W. White was high man in the point department for the winners with a total of 22 markers. The home town team pulled to a 6 point lead in the second quarter and remained in front throughout the game.

Bethel's girl aggregation smashed Bethel 73-33 in the night's opening contest, as Morgan of the visiting conquerors compiled a sensational 44 points. The Belhaven crew racked up 19 points in the first period, 17 in the second, and 36 in the third to take a tremendous early lead. Briley of the losers collected 19 tallies.

Pirates' Game East Carolina College opens its home schedule tonight against Coach Earl Ruth's Catawba Indians of Salisbury. The game will start at 8 p.m. in Memorial Gymnasium.

East Carolina will put a 38-game home court winning streak on the line. The Pirates, however, will be favored to keep the record intact against the Indians who finished in the cellar last season. Tomorrow night, it'll be a different story. Lenoir Rhyme's strong Bears will come to town and they will be picked to lick the locals. This was the case last winter, too, when the Pirates upset the Bears, 88-66, here.

The ECC-Lenoir Rhyme meeting will be one of the most important of the season and likely will have great bearing on the final standings.

Campy Is Voted 'Most Valuable'

NEW YORK (AP)—Roy Campanella, baseball's Comeback Man of the year, today joined one of the sport's most exclusive clubs when he was named the National League's Most Valuable Player for the third time.

Only five players have won the coveted Most Valuable trophy as many as three times. The 34-year-old Brooklyn catcher and Stan (The Man) Musial of the St. Louis Cardinals are the only National Leaguers.

Jimmy Foxx, that great slugger who played for the Athletics and Red Sox; Joe DiMaggio of the Yankees; and Yogi Berra, New York catcher are the three in the American League. Berra received his third MVP award a week ago.

One might think that Campanella, who is used to hanging up Kneassaw Mountain Landis plaques (the official trophy given by the league) in his St. Albans N. Y. home would be a little blasé about receiving another. But not so.

"I get a bigger kick out of this one than I did the other two (1951-53)," said the Brooklyn catcher, who beat out teammate Duke Snider by five votes. "I didn't look forward to this one and it is a wonderful surprise."

But immediately Campy said he had no intention of resting on his laurels.

"I think I've got a few good seasons left," he said. "The worst has happened," referring to an injured hand of 1954 which held his batting average to .207 in 111 games. He didn't receive a single vote in 1954, when the Dodgers fell apart and finished a poor second to the Giants.

Campy zoomed back to .318 this year, hit 32 homers and drove in 107 runs as the Dodgers easily won the National League pennant and then beat the Yankees for their first World Series title.

The Campanella-Snyder voting was one of the closest, since the Baseball Writers Assn. took over the poll some 25 years ago.

The Brooklyn catcher, receiving eight first-place votes from a 24-man committee, polled 226 votes compared to 221 by Snider. The Duke also had eight first-place votes.

Eppes Hoopsters Take 47-40 Win

Eppes high school's Bulldogs roared through their first battle of the 1955-56 campaign last night, defeating Ayden 47-40 in a non-conference game.

Coach A. E. Murrell had the Bulldogs five in fine condition last night and the shape of the team had much to do with the victory. The contest was hard-fought and close and the Bulldogs' superior conditioning, aided by the dead-eye shooting of guard James Brington, led to an ultimate win.

Brington collected a total of 22 points to take high scoring honors for the night. He was given a helping hand in that department by teammate Dick Armfield, who netted 10 tallies. Robert Lee Edwards scored 6 points, Harvey Darden scored 4, and Norris racked up 4 to round out the winning 47.

In a preliminary game, the Ayden Jayvees defeated Eppes 25-22.

BRONCOS SEEM SET SANTA CLARA, Calif. (AP)—Coach Bob Feerick's Santa Clara Broncos seem set for the future. Only one senior, Danny Ball, is on the current starting quintet. The others are juniors: Rich Montgomery and Lu Jenkins and sophomores Gary Gillmer and Dick Harrison.

By BRUCE PHILLIPS Reflector Sports Editor WILMINGTON, Dec. 8—The Phillips '66' Oilers gave the East Carolina Pirates a lesson in the art of scoring and defense here last night and took the exhibition game, 102-58, before some 5,000 persons.

The world-famed Oilers were never contested in the game, breaking into a tremendous lead in the early minutes and methodically spreading it out.

ECC's Nick Nichols hit the first basket to get the game underway. Then, six-foot-five Bill Houglund hit two quickies from around the free throw circle and the Oilers were off and running—and run they did, piling up an unsurmountable 60-24 halftime lead.

The Oilers, coached by Gerald Tucker, fielded a starting five that averaged a neat 6-8. At one time in the ball game, they had Chuck Carling (4-9), Burdette Halderson (4-8), Bob Matlock (6-10), Ron Rivers (6-7) and Chet Noe (6-7) in the game—a quint averaging 6-8.2.

The fabulous Oilers ran up a 13-4 lead and moved that out to a 23-10 advantage in the first four minutes. At the 10:24 mark in the first half, they held a 35-12 margin.

It was just a matter of how much the Oilers wanted to score. Evidently they are in a scoring mood right because they racked 126 against McCrary Eagles Wednesday night.

You'd think that the Phillips crew would just be a scoring outfit, but their defense is something to watch. They used a sagging man-for-man against the Pirates and crammed up the middle to where a drive was suicide.

The Pirates were given the outside shots but when they missed, and they did right much of that, it was retreat, fast. The Bucs didn't have a Chinaman's chance of rebounding with the breezy semi-pros. Coach Howard Porter used his starting quint very sparingly, con-

scious of the important North State Conference games tonight and Saturday night. The regulars played about 15 minutes of the game.

Nichols was high man with 18 points, all coming on shots from outside. Captain J. C. Thomas had 12 and Don Harris and Freddie James had six apiece.

Arnold Short, who was AAU All-American in 1955 and scored 711 points last season, was high man for the Oilers with 16 points. Short tallied most of his points on a beautiful fade-away shot which brought him collegiate fame at Oklahoma City University.

Houglund, who was a member of Kansas' NCAA champions, was second with 14 markers. Three 66ers had 11 points, Halderson, Joe Dean and Noe.

Olson Rules 3-1 Favorite To Win

CHICAGO (AP)—Champion Carl (Bobo) Olson, a 3-1 favorite, makes his fourth middleweight title defense tonight against a man who has whipped him twice, aging surfer Ray Robinson, at the Chicago Stadium.

This scheduled 15-round battle brings together a 27-year-old Olson who was flattened last summer by Archie Moore trying an upward climb and a 35-year-old Robinson at the peak of a questionable comeback.

NBC will telecast and broadcast at 10 p.m., EST.

New Mexico U. Coach 'Hanged'

ALBUQUERQUE (AP)—Tommy Popejoy, president of the University of New Mexico, was hanged in effigy last night, apparently by students voicing disapproval of the release of Football Coach Bob Titchenal.

A stuffed dummy bearing a sign "Popejoy" was found hanging from a totem pole near the president's office on the campus.

Wednesday, Popejoy had announced Titchenal would be removed as head coach. New Mexico had a 2-8 football record.

Happy Holidays From Home Furniture

by PEGGY KYLE About this time of year we hear a lot about the "Spirit of Giving." Remembering that the "Spirit" itself is a Gift, let's have open hearts and minds to receive it. The Gift all are entitled to. Once we have the Gift of the Spirit, the "Spirit of Giving" follows.

Also about now, we begin to hustle around getting the house in order for the holidays. The HOME FURNITURE STORE, at 701 Dickinson Avenue has a complete and well-known line of polishes, waxes, and special shampoos for rugs and upholstery. Everything to make your house match the shine in your eyes this season of the year. Best of all, is the new LEWYT vacuum cleaner. Specially made so it sits on the stairs without toppling, you can roll it easily from top to bottom. You can dust furniture, venetian blinds, drapes, books, ash trays, moldings, shelves, picture frames—removing dust from even the most intricately carved surfaces. The LEWYT would make a most practical gift—and just think of all the holidays in the years to come it would provide. hours of drudgery saved for the homemaker. The LEWYT vacuum cleaner is too big to go in "her" stocking, but it will fit nicely under the tree.

Christmas is a gracious season, and the soft glow of lamplight speaks a gracious welcome to all who enter your Merry Christmas door. There's a pair of real Christmas lamps at the Home Furniture I want you to see. About 30 inches tall, they are rather dramatic in their charm. I think, with their green and gold decor in leaf motif that might almost be a holly leaf on their white and brass bases. White shades add to their dignity—the merest bit of braid trim is also in gold and green. These are only one of many styles you'll find at Home Furniture. Lamps by Cambridge with their beautiful handmade and hand-painted shades, exciting ones by Deena, Beth Waisman, and Dunhill—many in correlating groups and for every room in the house.

What lovelier gift than a lamp, one that always calls to mind the giver at lamplighting time? Home Ec Girls Had Teachers To Dinner

By MARY EDNA HAWKINS
Stokes-Pactolus School

The Stokes-Pactolus High School third year home economics girls are being real home ec. girls by cooking this week. Wednesday, the girls under the supervision of Mrs. Sarah Perkins, the tenth grade homeroom teacher and also the home ec. teacher of the first, second, and third year home classes, cooked dinner and invited teachers to eat with them. Their food smells delicious and tantalizes everyone whenever they cook.

Parents of the students. The announcement was Annette Hudson. In charge of devotion was Ann Wynn. The clothes were made and modeled by the girls.

The Glee Club has been practicing for the past two weeks on the songs for the Christmas Pageant. There will be two solos. O, Holy Night sung by Ann Nelson and Star of the East sung by Joyce Overton. The Glee Club will wear white robes. The junior choir is going to help the senior choir in several songs.

A new club has been organized at our school this year. It is the Future Business Leaders of America club. Miss Betty Frances Sutton, the new commercial teacher, is in charge. It has started out well and we think it will help a lot of people who plan to further their education in business.

Impact In N. C.

The new federal minimum wage of \$1 an hour, effective next March 1, will mean higher pay checks at least 170,000 Tar Heel workers.

This was the estimate given last night by Mrs. Pauline W. Horton of Raleigh, federal wage-hour representative. She spoke to the Eastern North Carolina Conference of the National Assn. of Bank Auditors and Comptrollers, meeting in Greenville.

The number is among some 600,000 North Carolinians covered by the wage-hour law, Mrs. Horton explained. However, the majority already are receiving a rate equal to or above the new minimum, she said.

There will be some 2,100,000 American workers who will receive an additional 560 million dollars in pay each year as a result of the change, Mrs. Horton said.

Ministers of local churches have been requested by John G. Clark Sr., president of the Pitt County Tuberculosis Association, to ask their congregations this Sunday to buy and use Christmas Seals.

It has also been requested that the Christmas Seals be used on the church bulletins.

In his letter to the ministers, Clark said in part: "Won't you please ask your congregation to buy and use the Christmas Seals they received November 16. Then in 'deed' we share with the people of the world in the spirit of Christmas, in the priceless heritage, health."

Wages Increased At Nat'l Carbon

National Carbon Company today announced a wage increase of five cents per hour for all hourly employees at the company's Greenville plant.

Equivalent wage increases are likewise in effect at all the company's dry battery plants throughout the country including their plants in Charlotte and Asheville, N. C.

The increase is the result of improvement in the company's dry battery business which began earlier this year and is in addition to wage increases which were granted a few months ago following the upturn in business.

Who Is My Neighbor?

ILLUSTRATED SUNDAY SCHOOL LESSON

By Alfred J. Buescher

Scripture—Luke 10:25-37.

A lawyer who hoped to trap Jesus asked Him what he must do to inherit eternal life.

Jesus told the lawyer that he had answered rightly, and then He said, "This do and thou shalt live."

A man on a journey was robbed and wounded by thieves. A priest saw him but passed by; a Levite did the same, but a Samaritan had pity on him.

At the home of Mary and Martha, Martha busied herself with household duties, but Mary sat at Jesus' feet, listening to Him.

Who Is My Neighbor?

JESUS ANSWERS THE LAWYER'S QUESTION IN A PARABLE

Scripture—Luke 10:25-37.

By NEWMAN CAMPBELL, JESUS, like every reformer since His time, was criticized by those in authority in the religion prevailing at that time.

They hated Him for it, and were determined to catch Him in some saying that they could claim as blasphemy or other criminal offense.

A certain lawyer, we read, came to Him asking an apparently innocent question, "Master, what shall I do to inherit eternal life?"

Jesus answered him, "What is written in the law? how readest thou?" The man answered, "Thou shalt love the Lord thy God with

all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself."

Jesus said he had answered correctly, then added: "This do, and thou shalt live."

The lawyer was not satisfied, and asked, "Who is my neighbor?"

Then Jesus told the beautiful parable of the Good Samaritan, saying that a certain man going from Jerusalem to Jericho, was attacked by thieves, who not only robbed him of his money, but stripped him of his clothes and wounded him, leaving him half dead.

A priest came by, saw the wounded man, and instead of helping him, passed by on the other side of the road. A Levite, an assistant in the temple service, came

and do thou likewise." The place Jesus described as the spot where the man was attacked has had a reputation for robbery for 2,000 years, even to the present time.

It is half way between Jerusalem and Jericho, a desolate place honeycombed by a labyrinth of caves—Henry B. Tristram.

You will notice that the lawyer, in answering the question, who was neighbor to the wounded man, ignored the hated word Samaritan, merely saying, "He that showed mercy."

Christ answered the question, "Who is thy neighbor?" for us all. No matter who is in trouble—his (or her) race, color, creed, when we are kind and helpful, filled with love and pity, we are following in our Lord's footsteps.

His command to the lawyer, "Go thou and do likewise," applies to all of us who believe in Him.

Stock And Market Reports

NEW YORK (AP) — The stock market was quite irregular today with prices slightly higher in the early afternoon.

Aircrafts, steels and motors were the most active of the major groups, but all displayed a mixed to steady price situation. Trading was moderate at a pace around 2,500,000 shares for the day. Benguet Consolidated Mining, which pushed the total up yesterday with 567,800 shares opened today on 45,000 shares up at 17-1/2. The stock, however, wasn't very active today. Yesterday's sales total for the market was 2,970,000 shares.

Price changes usually covered a small range. There were a couple of big gainers—Zenith Radio and American Hawaiian Steamship up between 4 and 5 points.

Panhandle Oil off 1 1/2 yesterday at 12 1/2, was under additional selling pressure today after opening at 11 1/2 on blocks of 5,500 and 4,700 shares.

Chance Vought, a big gainer yesterday, continued on higher today. It opened on 5,000 shares up 1 1/2 at 44. Navy orders backed the rise in the stock.

At noon the Associated Press average of 80 stocks was up 20 cents at \$181.80. That is a new high mark for the average on an intraday basis.

The market hit a high Sept 23 at \$181.80. That was immediately before the market, swept into a major reaction on news of the President's illness. Last Monday

the average got back to the exact level again and then held unchanged the following day. Yesterday it climbed to within a dime of the old high.

STOP, THIEF

CINCINNATI (AP) — Frank Jones wishes someone who stole a dozen doughnuts from his bakery truck yesterday had headed his own warning. Jones' search of the truck disclosed a metal bracelet which apparently had been torn from the thief's arm on a metal rack. It had a medallion which bore the words "stop thief."

Bank Auditors, Comptrollers In Meeting Here

The second quarterly meeting of the Eastern North Carolina conference of the National Association of Bank Auditors and Comptrollers was held here last night at the Greenville Golf and Country Club.

Junius W. Tillery, executive vice president of the Commercial Industrial Bank of Henderson, presided at the meeting. Richard S. Atkinson Jr., cashier, Planters National Bank of Rocky Mount, who is vice president of the conference, was in charge of the evening program.

Mrs. Pauline Horton, representative of the Wage and Hour Division of the U.S. Department of Labor discussed the new minimum wage which will become effective March 1. Mrs. Horton presented her interpretation of the law and the effect it will have on banks in this section of the state.

Following her presentation a panel comprised of Merle K. Stone, comptroller of Fidelity Bank, Durham; W. J. Ausbon, vice president, Security National Bank, Tarboro; W. H. Stanley, vice president and cashier, Peoples Bank and Trust Co., Rocky Mount; and Arthur W. Brown, cashier, Wachovia Bank and Trust Co., Raleigh, represented the members of the conference in asking questions of Mrs. Horton.

More than 100 people attended the meeting. The organization consists of members in 45 eastern counties in North Carolina. Its purpose is to study and discuss bank auditing, controls, operations, personnel, and public relations problems as they exist and to conduct educational programs toward better operational facilities.

J. W. Overton, assistant vice president and auditor, Guaranty Bank and Trust Co., Greenville, headed the committee on arrangements. Representing Greenville banks at the meeting were W. H. Woolard, J. H. Waldrop, J. S. Moye, J. H. Moye, E. P. Hardee, C. R. Taylor, J. W. Overton, Luther Cowan, R. E. Stanton and A. C. Wells of the Guaranty Bank and Trust Co., and John T. Marston Jr., V. M. Community Chest Check

Dr. Leo W. Jenkins, chairman of the Community Chest collections at East Carolina College, is shown to the left above as he presents a check for \$673.40 to General Chairman Ben L. Rouse. Community Chest Is Still Far From Goal

"Community Chest collections still fall far short of meeting the \$15,350 goal," General Chairman Ben L. Rouse said today.

Target date for completion of the drive had been set for tomorrow, the chairman stated. However, there are still a number of solicitors who have failed to complete their assignments.

"An all-out campaign will be waged during the first part of next week to get these final reports in," Rouse declared.

"We hope the last minute reports will do something toward lowering the more than \$5,000 deficit."

This morning the chairman reported that total collections stood at \$9,753.21—still far short of the goal.

He urged local citizens who have not contributed to do so this week or early next week.

"Most of the money contributed to the Community Chest remains in Greenville," Rouse declared, "and practically all of it goes to organizations which in some way effect each and every citizen in Greenville."

Those who wish to contribute may mail their donations to Ben L. Rouse Box 264.

Rouse also asked once again that solicitors complete their assignments and turn collections in next week.

The following break down of collections was released by Rouse today: special gifts, \$6,133.50 city and utilities employees, \$154.55; house-to-house, \$1,020.83; employee lists, \$345.17 branch firms, \$840; city schools, \$518.76 college, \$673.40; general, \$71.

Two highlights of the concert will be a trombone solo by Thomas Speller and a cornet trio, composed of Aubrey Warren, Marvin Everett, Jr., and Dick Wynn.

JAUNTIER MAILMAN WASHINGTON (AP) — Keep your eye out for a jauntier mailman. The Post Office Department has approved a restyling of the garb for 100,000 letter carriers and special delivery messengers. Trousers and jackets will continue to be blue-gray, but hereafter there will be blue instead of grey shirts and maroon ties and uniform-trim instead of the present black.

Recognizing the thought and understanding of the carols, many children find the real true feeling of the Christ Child's birth.

As Christmas approaches the children learn that many people are involved in making the Christmas season a happy one and each one learns to want to do his share in helping. Many of them have already shared experiences and a bit of cheer of the season with some sick or shut-in.

Among the coming activities will be a pageant, "Merry Christmas To The World," by Karin Asbrand. It is to be presented Wednesday night, Dec. 14, at the school by the third and fourth grades.

From this, they learn the customs of the season of many lands, including Spain, Italy, France, Sweden and Holland. This provides experiences for more appreciation of our own people and customs.

Concluding the season's activities, there will be class parties and exchanging of gifts by both teachers and pupils. Thus in their little way the children will do a bit to make and share happiness and joy by spreading the real meaning of the Love that they have learned.

The principal, Miss S. I. Saulter, and teachers invite all parents and friends to visit the school and share the Christmas stories and songs, listen to recordings, view films, see the works of art, or enlist in the discussions and activities and thereby help the child to realize a fuller, merrier and a more joyous holiday.

Let us remember the words of Jesus—"It is more blessed to give than to receive," and that it is in giving that we get.

There will be a church service in the Community Sunday School Building Sunday afternoon, Dec. 11, at 3 p. m. with the guest speaker being John Taylor of Shaw University. This is located in the colored section just off Moore Street in North Greenville across the river. A cordial welcome is extended to all.

On Tuesday night, Dec. 13, at 7:30 the P.T.A. and Choral Club at Robersonville Union School will present "Let Us Adore Him," a pageant in two scenes. Parents participating are from Warren Chapel and Winterville communities. The public is invited.

The Senior Ladies Auxiliary of Sycamore Hill Baptist Church will meet Sunday at 5 p. m. at the home of Mrs. Amy Whitehead on Wyatt St.

The City Missionary Union will meet at Cornerstone Baptist Church Sunday at 3 p. m.

The Sycamore Chapel Usher Board will meet at the home of Mr. James Briley, Etc. 6 Greenville, Sunday at 4 p. m.

Card of Thanks The family of the late Mrs. M. D. Wilson wishes to express its gratitude for the many kind expressions of sympathy during the loss of their loved one. May God bless you. Mr. Frank W. Wilson Sr. and Family

Christmas at Fleming St. School Christmas is coming fast at Fleming St. School. Pupils in every classroom have been inducted into the spirit of the season through a wide-awake program in all subjects, with objectives including social life through first-hand experiences.

They have read or heard the stories of the birth of Jesus, and many others bearing on the season and theme, and through them realize the real broader meaning of Christmas—to love and to give.

Every room exemplifies experiences in art, simply but colorfully decorated, and correlated with other subjects on some particular phase of the Christmas Story.

The decorations include works of art such as drawings relative to the season, cuttings, pictures, Santa's Workshop, his Toy Shop, his Animal Kingdom, the Three Wise Men, the Shepherds and the Manger scene at Bethlehem.

These were all done by the children, who through this medium learn to work together peacefully and in harmony.

Many Christmas carols are being sung with understanding, grace and fervor.
