

Bulgarian Calls For Soviet Stress On Atomic Energy

MOSCOW (AP)—Soviet Premier Nikolai Bulganin today called on his party to use atomic energy to achieve victory in the coming years. He claimed the Soviet Union was ahead of all countries in peaceful uses of atomic energy and urged his audience at the 20th Communist party Congress to keep this lead. Bulganin formally introduced the six-five-year plan and assured the delegates that collective leadership of the party would continue. "If the 19th Century was the age of steam," Bulganin said, "the 20th Century—the age of electricity—is becoming the age of atomic energy which harbors unlimited possibilities for the development of productive forces. "We Communists must fully grasp the greatest discovery of the 20th Century—the peaceful use of atomic energy at the service of... the cause of building communism. In the peaceful uses of atomic energy our country is ahead of other countries. This lead we must keep in the future as well."

GOP Finance Chairman Called For Questioning Two-Pronged Money Probe

WASHINGTON (AP)—A special committee probed further today into the use of "oil money" for political contributions while the Senate edged toward a broad investigation of campaign donations, lobbying and legislative influence. The special committee looking into the \$2,500 offered to and rejected by Sen. Francis Case (R-Ind.) during the natural gas bill debate called Joseph Wisbart, Nebraska state Republican finance chairman, for questioning about a like contribution from John M. Neff, lawyer-lobbyist for the Superior Oil Co. of California. It was Neff, an attorney from Lexington, Neb., who made the offer to Case's campaign fund. Both the Senate committee and a federal grand jury are looking into the contribution to the Nebraska GOP committee as part of an investigation of the proffered \$2,500 donation to Case.

FCC Warning Of Censorship Move

NEW YORK (AP)—Commissioner Robert E. Lee said today the Federal Communications Commission does not want to censor radio and TV advertising but that the practices of "a few sharp operators" may force action by Congress in this field. In an address prepared for a meeting of the Radio and Television Executives Society, Lee emphasized his criticism was directed only at "shortsighted minority." He asserted this group "through cynical disregard for the rights of the customer and legitimate advertiser has reached the point where the proper function of advertising as a useful agent in our economy is seriously threatened." Lee said the files of FCC, the Federal Trade Commission and Better Business Bureaus throughout the country reflect public condemnation of some advertising practices. He mentioned the offering of merchandise not actually intended for sale, the "knocking" of certain merchandise in order to switch customers to more profitable items, the advertising of goods not available in sufficient quantity to meet reasonable demand, and "inordinately" long commercials. "For myself," he said, "I sense a ground swell of public revulsion that is making itself felt not only in the industry but in Congress as well. "The FCC as presently constituted believes in the industry and abhors any thoughts of censoring advertising or copy and this attitude is healthy for the industry, but do not force congressional action that will throttle you into a government vassal. This will surely come if an outraged public demands it."

Pitt Law Enforcers Meet For Annual Association Gathering

Some 121 Pitt County law enforcement officers and their guests attended the annual meeting of the Pitt County Peace Officers Association in Greenville last night. The members of the association heard State Auditor Henry Bridgers discuss a referendum which is to be held March 28 when certain classes of law enforcement officers will be able to vote on whether or not to merge the present retirement system with social security. Officers also heard Col. James R. Smith, commander of the State Highway Patrol, urge them to support the merger of the two systems. The attorney general ruled that only municipal policemen would be exempted under the law. So the March referendum was seen as that law enforcement officers other than municipal police might vote on the merger plan. Bridgers said that a bill is now pending in Congress which would extend the social security coverage to municipal police also.

Judge 'Scooped' By News Service

HAZARD, Ky. (AP)—Former Circuit Judge S. M. Ward got "scooped" by the Associated Press. He said he didn't know he was a candidate for judge of the circuit until he read an A. P. dispatch from Frankfort listing him as a candidate. He surmised that friends signed his declaration papers and sent them to the secretary of state.

of the Communist Central Committee would "insure the party from grave blunders and guarantee us new victories in the building of communism." The government chief, who shares the brightest spotlight with party boss Nikita S. Khrushchev, appeared to be reassuring the 20th Congress of the party that there is not now and will not be a struggle for personal power behind the Kremlin walls. Bulganin urged the Congress to approve the new five-year plan for a big boost in industrial production. The Premier said the success of the five-year plan depended on a fundamentally correct policy in all fields. He praised Khrushchev's reference to the peaceful coexistence of Socialist and capitalist systems, and the form of transition to socialism in various countries. He said Khrushchev's report was "permeated with a deep and firm confidence in the triumph of the great cause for which we are working."

That group is supposed to wind up its work by March 1. Donald R. Ross, who resigned last week as U.S. Attorney from Nebraska, told the committee Neff had contributed \$2,500 to the Nebraska GOP committee last October after talking to the state's two senators about the bill. With tears in his eyes Ross testified Neff had tried to hire him and pay \$500 to his children in connection with the lawyer-lobbyist's activities on behalf of the gas bill. Ross said he rejected Neff's employment offer and promptly returned passbooks Neff sent to him on a Lexington savings and loan association made out with \$100 for each of Ross' five children. At his home in Lexington, Neff said he could not comment since the matter is before a grand jury.

302 Descendants Surviving Woman

Some 302 descendants, ranging down to six great-great-grandchildren, survive Mrs. Lovie Greene Daniels, 115, who died at the home of relatives in the Hamm's Cross Road community Friday night. The Negro woman, who was born Feb. 22, 1840 in pre-Civil War days, passed away in her sleep. Mrs. Daniels is survived by four daughters and two sons. In addition there are 30 grandchildren, 128 great-grandchildren, 132 great-great-grandchildren and six great-great-great-grandchildren. The four daughters surviving the woman are: Mrs. Addie Chapman, Mrs. Carolina Williams, Miss Della Greene and Mrs. Nettie Alexander, all of Pitt County. The two sons are Johnny Greene of Goldsboro and Charlie Greene of Pitt County. Funeral services are to be conducted Wednesday afternoon at 2:30 p.m. at the Sweet Oak Free Will Baptist Church. The Rev. Zeb D. Harris will officiate.

Prison Term For Vandal-Burglars

CHARLOTTE (AP)—Prison sentences of seven to 10 years face a pair of Charlotte youths who shocked this city earlier this month with a series of destructive break-ins. William Bennett Hill, 18, and Grady Van Bumparker pleaded guilty to six charges of breaking entering, larceny and damage to property. They were sentenced yesterday.

ABC Store Vote In Hendersonville

HENDERSONVILLE, N. C.—Hendersonville voters balloted today on whether to establish an ABC liquor store here. Divisions have waged an intensive campaign against the proposal. A special legislative act authorizing the election provided that, if a store is approved, profits would be distributed this way: 50 per cent to the city, 25 per cent to the county, 12 per cent to the city board of education, 12 per cent to the county board of education and one per cent to the city-owned library.

Debate On Farm Bill Is Delayed

WASHINGTON (AP)—Debate on the controversial farm bill was delayed today by the Senate's prolonged arguments over the amount of money its committees can spend this year. Senators already have spent three full working days in wrangling about committee funds—a chore that in the past often has been handled in a single day. A number of disputed allotments still awaited consideration. Nevertheless, Sen. Ellender (D-La.), Agriculture Committee chairman, expressed hope the farm bill could be taken up late in the day and finally acted on Friday.

But most senators considered Ellender's estimate highly optimistic since farm legislation is one of the most politically explosive issues before Congress in this national election year. The principal farm bill fight is expected to be over proposed reauthorization of high, fixed price supports on basic crops, which the administration strongly opposes. However, there are numerous lesser farm provisions to be fought out on the floor. Ellender, aided by Minority Leader Knowland (R-Calif.), has been waging an unsuccessful battle to cut the various committee requests. The Louisiana Democrat contends that the larger committee staffs grow, the harder it is to cut them, because he said they could work to justify their existence. However, he has not succeeded in putting through any drastic reductions in committee allotments for this session although a few groups have voluntarily accepted small cuts. So far, the Senate has voted \$1,700,000 in extra funds for its committees, plus regular annual allotments which amount to \$111,000 each for most of the groups.

Carroll, 35 and a 1951 graduate of N. C. State, expressed regret at having to leave Greenville. "It was an extremely difficult decision," he said, "but the offer was one that I just couldn't say no to." His salary here is \$5100 yearly. Immediate praise of Carroll's work here came from those present as soon as Rev. Topping completed reading the letter. City Councilman A. C. Ruffing told Carroll, "You've made Greenville a mighty good man and we're certainly going to miss you." Tyson Bilbro—"You look like (Greenville's) recreation program" under the worst conditions and did a marvelous job." Bilbro also introduced a motion unanimously accepted, that the commission accept the resignation "reluctantly, with regret and with best wishes."

Seeking Yadkin Hydroelectric Plant Go-Ahead

WASHINGTON (AP)—Carolina Aluminum Co. of Badin, N.C., wants to build a \$13,800,000 hydroelectric plant on the Yadkin River in North Carolina. The company asked the Federal Power Commission for a license for a hydroelectric project to include the new development along with three existing dams on the Yadkin. The proposed dam, called the Tuckertown development, would be located about eight miles upstream from Badin. It would be 1,255 feet long and would form a reservoir about nine miles in length. The power house would contain three 18,300 horsepower turbines directly connected to three 13,333 kilowatt generators. The three existing plants have a total capacity of 134,500 kilowatts. The three operating dams are the High Rock, Narrows and Falls developments, all in the same general area as the proposed plant. They would be in Stanly, Montgomery, Davidson and Rowan counties. An Alcoa spokesman in Pittsburgh said the proposed hydroelectric plant would permit the company to proceed with a modernization program at its Badin works. He added: "The area around Badin has increased in population and the available electric supply is getting slimmer and slimmer. We want to be assured of a sufficient supply of electricity. If we are assured of that, through building the hydroelectric plant, we would be able to install the newest and most modern equipment which would enable us to produce more aluminum. This would not necessarily be an increase in employment." He said all plans for modernization are being held in abeyance pending action on the application to the power commission.

Young Hoods Are Held In Knifings

CHICAGO (AP)—Three members of a teenage gang were seized by police today and admitted taking part in the assault and stabbing of a parolee today in a North Side sandwich shop. Detectives who arrested the three youths and are searching for nine other members of the gang, said that the unidentified stabbing Walter Muller, 21, and Roland Wood, 20. They also admitted, the detectives said, that they were "just out looking for a fight" when they went into the sandwich shop. The detectives said William Janusch, 19, an electrical engineering student at the University of Illinois, admitted stabbing the young men. Held with him without formal charge were Ronald Jeffers, 18, and William Abel, 17. Victims of the latest outbreak of youthful gang violence were treated at a hospital for cuts. They told police one of the gang slammed a door in the face of Muller's brother Roy, 17, and an argument ensued. The elder Muller and Wood were stabbed by one of the youths who flashed a pocket knife. The gang then fled. Police said all the youths involved are white. Last week Clement Macis, 15, was sentenced to 16 years in prison for the shotgun slaying of Kenneth Subbaroy, 19, in a South side teen-age gang's vengeance raid. Eight other youths also were sentenced to prison in connection with the killing.

Merchant Directors Vote To Advise Closings Start Apr. 3

Merchants Association board of directors voted last night to recommend that local places of business close for a half-holiday on Wednesday during the spring and summer months. As has been the custom for many years, the directors recommended that local businesses begin closing Wednesday afternoons on the first Wednesday following Easter, which will be April 4, and continue the closing until the Wednesday prior to the opening of the Greenville tobacco market.

Better Offer Elsewhere, Warren Carroll Leaving City To Lose Recreation Director

was appointed to begin the search for a replacement. The commission also agreed to recommend Ford McGowan to the City Council as a replacement for Turnage. McGowan was chosen from a threesome composed of himself, J. B. Kittrell, Jr. and Sherman Parks. Dr. John O. Reynolds was named to investigate the possibility of using college students as assistants with the recreation program. Tentative plans would call for academic credit being given the students. College students, Carroll said, would provide a great help in working with youngsters in fields of art, music, dramatics and athletics.

More Snow For Stricken Europe

LONDON (AP)—Heavy snows and bitter winds spread still more misery over frozen Europe today, locked in the 22nd day of its worst freeze-up of the 20th century. Deaths from the weather totaled at least 727. Weathermen cautiously said milder temperatures might be in the offing, but that brought fears of widespread flooding from thawing rivers and snows. Italy, one of the worst hit countries, faced new Communist-backed relief riots. Demonstrators clashed with police in several traditionally poor Southern towns where cold has brought new hardships. Communist East Europe called out troops to keep industries moving. Czechoslovakia ordered soldiers into coal mines. Hungary put troops about its giant Stalinovars steel plant after heavy snows snarled operations. Britain too used troops for snow clearing. This was the recorded death toll from the cold spell: France 181, Italy 98, Turkey 72, Yugoslavia 70, Britain 53, Holland 43, Denmark 38, Germany 34, Greece 30, Austria 22, Spain 21, Sweden 20, Portugal 17, Belgium 13, Switzerland 12, Norway 9 and Poland 4. Frigid weather came back to Spain. The Balearic Islands favorite sunshine spot for tourists, lay under thick snow. Barcelona had thunder, hail, rain—and then a blizzard. Snow plows had to rescue a movie unit stuck in the Pyrenees Mountains. Paris shivered in its coldest Feb. 21 on record—8 degrees. Wine growers in the Bordeaux area feared half their vines were dead. The winter already has cost hundreds of millions of dollars in spring crops. New snows covered most of northern Italy. Rome reported a big increase in deaths not directly caused by the weather. RESIGNING POST—Greenville Recreation Director Warren Carroll last night resigned his position here to accept a similar job with a trucking firm at Cherryville. The resignation, accepted by the Recreation Commission "reluctantly, with regret and best wishes," takes effect April 1. (Reflector Photo by Bob Hilldrup).

Cheap Stock For Presidents' Friend

CLEVELAND (AP)—George E. Allen, a friend of presidents, was permitted to buy for a penny a share valuable stock in a Canadian ore venture, United States revenue agents claim. The transaction was disclosed yesterday in papers filed in connection with a tax claim against Cyrus S. Eaton, Cleveland industrialist in U. S. Tax Court. Allen, a confidant of former President Truman and an occasional golf partner of President Eisenhower, was allowed to purchase 10,000 shares of stock in Steep Rock Iron Mines, Ltd., at a cent a share, revenue agents said. They put a value on the stock at the time of the purchase, June 22, 1943, at \$2.25. He paid \$100 for shares valued at \$22,500, they said. The merits in the case were not delved into as a third postponement of the trial was agreed to. Besides Eaton, the tax suit involves William R. Caley, president of Otis & Co. and partner in the pending purchase of the Cleveland Indians baseball club. Consolidated-Premium Iron Ores, Ltd., a Eaton and Daley, also is party to the court case. The government wants to tax Eaton for \$1,572,000 and Daley for \$388,000 or Consolidated-Premium for \$2,386,000.

Traffic Toll

RALEIGH (AP)—The Motor Vehicle Department's tally of highway deaths and injuries for the 24 hours ending at 10 a.m. today: Killed 0, Injured (rural) 0, Killed this year 116, Killed to date last year 132, Injured in 1955 17,869, Injured in 1954 15,600.

Gold Point Christian Church Scene Of Keel-Beach Wedding

ROBERSONVILLE — A background of pine and fern centered with floor baskets of white gladioli flanked by candelabra holding lighted tapers formed the setting for a four o'clock wedding at the Gold Point Christian Church Sunday afternoon, February 12, when Miss Nettie Ferrell Beach and Clifton Leroy Keel were united in marriage.

The Reverend Harold F. Brown, the bride's pastor, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Durand Beach of Robersonville and the groom is the son of Mrs. Tessee Vanderford Keel of Robersonville and the late Clifton Leroy Keel.

A program of nuptial music was presented by Mr. Bob Craft, pianist, and Miss Jo Ann Warren, vocalist.

The bride, given in marriage by her father, wore a dress of Chantilly lace and tulle fashioned with a fitted strapless bodice and a matching jacket with long tight sleeves ending in a point. The ballerina skirt was designed with five rows of beautiful lace. Her illusion veil was attached to a tiara of sequins and pearls. She carried a bouquet of roses, carnations and ribbon streamers.

Miss Barbara Roebuck of Robersonville, the maid of honor, wore a ballerina length dress of blue lace and tulle over taffeta and her heart-shaped bouquet was made of pink carnations.

The bridesmaids were Miss Sharon Keel, Nan Vanderford, Janie Edmondson and Norma Keel. Their gowns were of pastel shades of net over matching taffeta. Their flowers were similar to those of the honor attendant's.

Mr. P. A. Vanderford was his nephew's best man. Mr. Jerry Beach, brother of the bride, and Mr. Howard Vanderford, uncle of the groom, served as ushers.

The bride's mother wore a dark green dress with pink accessories and a pink carnation corsage. The mother of the groom wore black with matching accessories and a corsage of white carnations.

For a trip to Florida, the bride chose a charcoal gray wool suit with a white collar. She selected black accessories. She removed the white rose center from her bridal bouquet.

Mrs. Keel graduated from Robersonville High School in the class of '55.

The groom was a member of the 1952 class. He has been employed by the H & H has Company since completing his two years in the U. S. Army.

The couple will make their home at the J. D. Roberson apartment on Railroad Street.

Prior to the Keel-Beach wedding rehearsal, Mrs. Jack Whitley was hostess at a buffet supper honoring Miss Nettie Ferrell Beach and Mr. Clifton Leroy Keel.

The members of the wedding party were greeted by Mrs. Whitley. Upon arrival, the bride was presented a corsage and a gift.

The supper consisted of ham, chicken, deviled eggs, creamed potatoes, peas, hot biscuits, homemade cake and coffee.

Saturday evening, immediately following the Keel-Beach wedding rehearsal, Mr. and Mrs. Durward Beach, parents of the bride-elect, entertained at a cake cutting in the recreation hall of the Gold Point Christian Church.

Miss Janie Edmondson and Mr. Jerry Beach greeted the guests at the door.

The table, covered with lace, was decorated in green and white. A two-tiered wedding cake topped with a bride and groom was cut by the young couple. Mrs. Clifton Keel Sr., Miss Nan Vanderford, Miss Barbara Roebuck and Miss Sharon Keel assisted Mrs. Beach in serving the cake, lime punch, nuts and mints.

The goodbyes were said by Miss Jo Ann Warren and Mr. Mack Cherry.

Beauty School Closed One Week
The Greenville Beauty School will be closed the week of February 27 through March 3 while Mrs. Julia Harris and Mrs. Lois Twine attend the International Beauty Show at the Statler Hotel and the Robert Flance Hair Design Institute in New York.

Duchess Of Windsor Says She Was Unprepared For A 'Storm'

NEW YORK (AP)—The Duchess of Windsor says she was "unprepared and unarmed" for the storm stirred up by her romance with former King Edward VIII more than 19 years ago.

In the first installment of her autobiography published in the current McCall's magazine, the former Wallis Warfield Simpson writes:

"Rather late in life I found myself not only in love but loved a few modern women could ever expect to be loved with a great throng at stake, a vast empire seething, and with the most obscure details of my previously unnoticed existence reverberating in the four corners of the earth—when these extraordinary happenings overtook me, slowly at first, then with the rush of an avalanche, I was unprepared and unarmed."

Edward abdicated the British throne Dec. 11, 1936, for "the woman I love." His romance with the Baltimore divorcee had produced a crisis throughout the British Empire.

"Nothing that I had known before or learned seemed to apply to my new circumstances," the duchess writes. "I stood quite alone and defenseless in the eye of the storm. Mistakes were made by me and by others whom I might have influenced but for the lack of communication and understanding."

"Had I had my way, when at the eleventh hour full understanding finally came to me, this story would have had a different ending. If indeed there had been occasion to write it at all."

A sidelight in the first chapter is the duchess' admission that she rarely looked before she leaped.

"With me, however, it has been a case of just landing, and more often than not in defiance of the maxim of never leaping before taking a prudent look. Quite apart from other differences, women

seem to be divided into two groups—those who reason and those who are forever casting about for reasons for their own lack of reason. While I might wish it to the contrary, the record of my life now that I have for the first time attempted to see it whole, places me with the second group. And I see something more; this has been, if not my personal tragedy, my continuing folly."

Three Programs In Spring Series

The East Carolina College Entertainment Committee will offer three major attractions in its spring series of programs, Chairman James W. Butler, has announced. The series is attended by patrons from a wide area in this section of the state.

Nan Merriman, internationally known mezzo-soprano, will present the opening program when she sings at the college March 7 at 8 p.m. in the Wright auditorium.

Walter Noona of Norfolk, Va., 1954 graduate in music at East Carolina College, will return to his alma mater April 12 to give a concert of work for the piano. While a student at East Carolina, he appeared here as soloist with the North Carolina Symphony Orchestra and the East Carolina Orchestra and made frequent appearances in this state and Virginia. He was a pupil of Dr. Robert Carter of the college faculty while at East Carolina.

A nationally known news analyst will appear on the Entertainment Series sometime in March, Mr. Butler states. Final arrangements for this program have not yet been concluded.

30 Years Ago Today

THE DAILY REFLECTOR
February 21, 1956

A unit of the National Guard for Greenville and Pitt County was the principal topic of discussion at last night's meeting of the Rotary Club and the club went on record as favoring the organization of such a unit in this city. Gen. J. Van B. Metts of Raleigh addressed the club on National Defense.

At the meeting of Group No. 1 of the N. C. Banking Association which convened in Ahoskie yesterday, G. W. Prescott of Ayden National Bank was elected president; J. E. Waldrop, Greenville Banking and Trust Co., secretary-treasurer; and W. H. Woodard, vice president of Greenville Banking and Trust Co. State committeeman E. H. Foley, assistant cashier of the National Bank, spoke on "AIB Chapters of Counties."

Births

Cobb
Born to Mr. and Mrs. Martin Lee Cobb, Rt. 1, Fountain, a son, Martin Lee Jr., on Feb. 18 at Pitt Memorial Hospital.

Roberson
Born to Mr. and Mrs. James David Roberson, 1001 N. Pitt Street, a daughter, Jackie Lynn, Feb. 18 at Pitt Memorial Hospital.

Brickhouse
Born to Mr. and Mrs. Bennie Mack Brickhouse, 703 E. 1st St., a daughter, Angela Lee, Feb. 20 at Pitt Memorial Hospital.

Flanagan
Born to Mr. and Mrs. E. S. Red Flanagan, 403 Eastern Street, a daughter, Mary Iva, Feb. 20 at Pitt Memorial Hospital.

Bowen
Born to Mr. and Mrs. Hersel Lee Bowen, Rt. 2, Winterville, a son, Thomas Melvin, Feb. 20 at Pitt Memorial Hospital.

Christian Church Business Meeting
All members of the Eighth Street Christian Church and Sunday School are invited and urged to attend a business meeting on Wednesday night at 8 at the church.

At that time the proposal for the new building which will serve as additional facilities for the Sunday School and church will be presented. The type of building, its cost, and the method of raising the money will be presented at that time. It is hoped that this will be a most enthusiastic meeting. Please remember the time—Wednesday, Feb. 22, 8 p.m.

WHEATHEARTS
IMPERIAL NEWS (AP)—A woman's auxiliary of the Nebraska Wheat Growers Assn. has been formed. It is called Nebraska Wheathearts.

Social and Personal

All items for this page received after 10 a. m. will be published the following day. Dial 6166—9 a. m. to noon; 1 to 4:30 p. m.

Jim Sutton underwent surgery on Monday in Pitt Memorial Hospital.

Mr. and Mrs. J. H. Coole and children of Creswell, Fla. are visiting Mrs. Coole's parents, Mr. and Mrs. J. B. Worthington, Rt. 1, Winterville.

Social Calendar

TUESDAY

8:00 p.m.—Faculty Wives of East Carolina College meet in Alumni Building.

8:00 p.m.—Board of Directors of League of Women Voters will meet in City Council Room.

8:00 p.m.—Chapter 149 O.E.S. meets.

8:00 p.m.—A. A. meets over Globe Hardware.

8:00 p.m.—Woodmen of the World meet at the Church of God.

8:00 p.m.—The Altrusa Club will meet with Mrs. Mary Dunn Moore and Miss Elizabeth Quinley at Quinley Manor. Mrs. J. B. Spilman will give the program.

8:00 p.m.—Bridge and Canasta Tournament sponsored by the Woman's Club at Club House.

BAND BOOSTERS TO MEET
The Greenville High School Boosters Club will meet tonight at 7:30 in the band room.

Bible Study
The Women of the Woman's Society of Christian Service of St. James and Jarvis Memorial Methodist Churches, including the Wesleyan Service Guild, will have their second session of the Bible Study on "The Five Spiritual Classics" on Thursday, February 23, from 10:00-11:00 a.m. in the Lydia Wooten Room. Rev. W. M. Howard will be the leader for this class and use for his subject "Saint Augustine." It is not too late to join this class.

Entertain Couples Club
GRIFTON—Mr. and Mrs. Mark Phillips were hosts to members of their couples club on a recent evening at their home on McRae St. Three tables were appointed for bridge in the living room. A lovely arrangement of white carnations and greenery graced the mantel.

The high scorers for the evening were Mrs. Edward Hart and Mr. J. M. Hart. Others playing were Mr. Edward Hart, Mrs. J. M. Hart, Mr. and Mrs. Roger Johnson, Mr. and Mrs. David Parker, Mrs. Archie Rogers, Dr. and Mrs. W. E. Rasberry.

As cards were laid aside, ice cream, cake and coffee were served.

Clothing Drive Continues
The Junior Woman's Club Drive to collect used clothing for needy persons will continue through Friday, February 24th. A Pitt County family composed of a mother and five children is in dire need of clothing. The father is serving a 14 months prison sentence for assault in another county. Other charges will be brought against him when he is released from prison. The mother is receiving an Aid to Dependents Children's payment for the children who are all girls, ages 5, 4, 2 and 1 week old. This is just one of many needy families in Pitt County who will benefit by clothing donated to the Children's Clothing Closet, which is sponsored by the Junior Woman's Club in cooperation with the welfare department. Persons wishing to donate adult or children's used clothing can telephone Mrs. Cornelius Boone at 5850 and a club member will collect the clothing.

The number of boy babies usually exceed the number of girl babies by about 106 to 100.

Winterville
The marriage of Miss Emogene Nobles to Robert Hoyt Powell was solemnized at the home of the bride's parents on Sunday, January 29th, at 3:00 o'clock in the afternoon.

The bride is the daughter of Mr. and Mrs. J. L. Nobles of Winterville. The groom is the son of Mr. and Mrs. C. H. Powell of Roanoke Rapids.

Rev. E. G. Cole performed the double ring ceremony before an improvised altar of palms, buckeye greenery, standards of white gladioli, and seven-branched candelabra holding burning white candles.

A program of nuptial music was presented by Miss Irma Sue Worthington, niece of the bride.

The couple entered the room together, unattended.

The bride wore a printed silk dress with an aqua spun linen under fully lined with the same print as the dress. With this she wore a small white hat and navy accessories. She carried a white prayer book topped with a white orchid, showered with Stephanotis and white streamers.

The mother of the bride wore a navy dress with matching accessories. The mother of the bridegroom wore a charcoal grey suit with black accessories. They both wore corsages of red roses.

The bride is employed by the N. C. State Highway Commission, Raleigh.

The bridegroom attended State College before serving four years in the U. S. Navy. He has resumed his studies at N. C. State College.

Immediately following the ceremony the couple were entertained at a reception in the home by the bride's sister and brother-in-law, Mr. and Mrs. Durwood Worthington.

Guests were greeted by Mr. and Mrs. Rick and presented to the receiving line, composed of the bride and groom and their parents.

Mrs. Ann Day presided at the register.

Mr. and Mrs. William Nobles directed the guests to the dining room where a color note of green and white was used. The dining table was covered with a white crocheted cloth over green, centered with an arrangement of white snapdragons and fern and crystal candelabra holding white candles.

Miss Carolyn Evans presided at the punch bowl. Assisting in serving bridal ices, decorated mints and mixed nuts were the bride's nieces, Misses Ramona Nobles, Rickie and Corrine Jackson. Miss Polly Ann Nobles, sister of the bride, Mrs. Julian Worthington and Mrs. Raymond Cox assisted throughout the home. Goodbyes were said to Mr. and Mrs. Durwood Worthington.

Later, the couple left for a wedding trip to New Jersey.

The Powells are living at 3402 Hillsboro St., Raleigh.

Powell-Nobles Wedding Vows Spoken In Home Ceremony

Winterville—The marriage of Miss Emogene Nobles to Robert Hoyt Powell was solemnized at the home of the bride's parents on Sunday, January 29th, at 3:00 o'clock in the afternoon.

The bride is the daughter of Mr. and Mrs. J. L. Nobles of Winterville. The groom is the son of Mr. and Mrs. C. H. Powell of Roanoke Rapids.

New Mexico Is Program Topic

New Mexico, the "Sunshine State" was the program topic when the Round Table Book Club met Tuesday afternoon with Mrs. E. R. Browning.

Continuing the study of the United States, Mrs. J. E. Winslow gave a colorful portrayal of New Mexico, calling it "truly a land of enchantment and opportunity."

Fourth in size and forty-first in population, it was one of the last states to be admitted to the union. Today it is rapidly developing in all phases of life and resources.

"Its culture today is a pageant of four peoples: the Indians, Spaniards, Mexicans and English. It is the one state that is bi-lingual with both English and Spanish being used."

The climate is suited for agriculture—fruits and grains—and the raising of horses and cattle. The latter accounts for the popularity of dude ranches and rodeos. On these, Indians, cowboys and college students work and play side by side.

"New Mexico is a paradise for artists, photographers and writers with its lovely mountain scenery, vivid colors of the Indian and Mexican influence and photogenic clouds," Mrs. Winslow said.

Interesting places within the state's boundaries mentioned by the speaker were Santa Fe, one of the oldest cities of the United States, the Aztec Ruins which contain 500 rooms; Gilets Cliff Dwellings; Carlsbad Caverns and White Sands National Monument at the world's largest gypsum beds.

Following Mrs. Winslow's talk, Mrs. C. O'H. Horne read an article from the United States News forecasting some of the peaceful uses of atomic energy.

For the meeting, the Browning home in Brookgreen was decorated with a Valentine motif of red carnations and spring flowers. Mrs. Browning, assisted by Mrs. W. W. Howell, served a sweet course and coffee to her guests on arrival.

Books were exchanged by members.

Mrs. Joseph Steelman and Dr. Lucille Turner were special guests for the afternoon.

ACCUSED OF SHOOTING MOTHER:—Gordon Harris, 16, accused by police of fatally shooting his mother, Mrs. Evelyn Harris, 44, in a Pawtucket, R. I., trailer camp, is pictured at scene of the crime (Feb. 18). Police said he told them she'd be better off dead because of the hard life she lived. (AP Wirephoto).

Opera Workshop Gave Entertaining Production

by George E. Perry
A larger than average audience was unusually entertained Monday night when the Opera Workshop of East Carolina College presented its first production, Gian-Carlo Menotti's grotesque opera "The Old Maid and the Thief." This work is perhaps the composer's most hilarious production, and the cast of four captured every bit of humor inherent in the score. Furthermore, they all sang well, and acted their roles in a most convincing fashion. Myrl Mannes was the loquacious Miss Todd, Gail Mullen the persistent Laetitia, June Crews the

gossipy Miss Pinkerton, and Steve Farish the passive but likeable Bob. Miss Mannes was appropriately spinstery, and yet when the male element entered her life, was suddenly filled with unexpected excitement, and a noticeably higher blood-pressure. She was clever and alert to the change of tempo and temperament required by her role. Miss Mullen was at first coy, but then changed to the decisive individual who knew what she wanted and was out to get it. This showed up so nicely in her movements, especially the way she adroitly kicked the ironing-board open and shut. Miss Crews was appropriately the same throughout—interested in gossip, living for gossip, and feeding on gossip. Steve Farish portrayed some excellent moods—love of life, comfort, desire, boredom, even intoxication (his off-stage song during the latter was downright hilarious). Vocally speaking, all four singers were about on a par, with possibly Steve Farish and Gail Mullen standing a bit ahead. Mr. Farish showed a nice lyric quality, particularly in his aria about his love of roaming. Miss Mullen maintained an excellent consistency in her role so far as standard is concerned; further, she produced some nice changes of vocal quality—sometimes romantic, sometimes sarcastic, sometimes lyric. Actually, the vocal burden of the production rested on her, and she carried it convincingly. Her role as the composer intended it, tied the opera together, and of this she did a neat job.

Open House Honors Pastor

GRIFTON—On Sunday afternoon between the hours of 3 and 5 o'clock, "Open House" was held at the Grifton Presbyterian Church on Dawson Road to honor the new pastor, the Rev. W. E. Link, and Mrs. Link who have recently established their residence at 419 N. Pitt St.

Receiving during the afternoon with the guests of honor were elders and their wives, Mr. and Mrs. George Saleeby, Mr. and Mrs. Herbert Waters, Mr. and Mrs. Toby Cascott. The refreshment table was lovely with a white damask cloth and centered with a crystal bowl of early spring flowers in yellow and white. Tall white candles in crystal holders flanked this. Alternating in the pouring of lime ice punch and serving open face sandwiches, cookies and mints to carry out the yellow and green color motif, were Mrs. Floyd Spellman, Mrs. Tom Watson, Mrs. George Fuller. Acting as hosts and hostesses in other parts of the building were Mrs. R. E. Dixon, Mrs. Herman Sutton, Mr. and Mrs. Denver Sasser, Mrs. LeRoy Cherry, Mr. Floyd Spellman and Mr. Tom Watson. Mrs. James Murray was in charge of the decorations.

Benefit Show To Be Staged

A fashion-talent show will be given by the Ladies of the Moose on Wednesday, February 29, at 8 p.m. at McClinton Auditorium.

Proceeds will go toward providing a nursing education for a local girl. The fashion show will feature a large selection of clothing and will be designed to give the audience an insight into new colors and styles for Easter.

A talent show featuring all local talent will complete the night of entertainment.

Persons interested in modeling or participating in the talent show are asked to contact Mrs. Louise Carrigan at the Diana Shop or Mrs. Hilda Laughinghouse at Bostic-Sugg Furniture Company.

Annual Ladies Night Event Scheduled By Local Association

Greenville Service Station Association will observe its annual Ladies Night with a dinner tomorrow evening at the Best Yet Restaurant. Time is 7 p.m.

Chairman Darwin Waters has announced that special guests for the occasion will be C. F. Dority and Clifford Carroll of the N. C. Service Station Association.

Elmer Moore, chairman of the entertainment committee, has secured Mrs. Margaret James, vocalist, and Mrs. Christine Smith, pianist, to provide a musical program.

All service station operators and their wives in Greenville and nearby towns are invited, chairman Waters said.

Mrs. Rosalie Gray Dies In Onslow Co.

Mrs. Rosalie Collins Gray, 49, died at her home in Onslow County late yesterday afternoon. Funeral arrangements are incomplete.

A native of Jones County, Mrs. Gray was the daughter of the late Raleigh Collins and Robena Parsons Collins.

Survivors include her husband, Major M. Gray; five daughters, Mrs. Chester Beamon, of Snow Hill; Mrs. Paul M. Willenberg, Lexington Park, Md.; Lorraine, O'Neill and Sandra Gray, all of the home; six sons, Floyd, of Jacksonville; Joshua, of Durham; Ray, of Tampa, Fla.; Major, now in the Navy; Walter and Milton, of the home; three sisters, Mrs. Mable Hoffman, Mrs. Lessee Pollock, of Mayeville and Mrs. Nelva Price, of New Bern.

Mrs. Fannie Gardner Dies This Morning

Mrs. Fannie May Gardner, 74, died at 8:30 o'clock Tuesday morning at her home near Winterville following a month of illness. Funeral arrangements are incomplete.

Mrs. Gardner, daughter of the late John J. and Georgia Kittrell May, was born in Pitt County and had lived most of her life in the Winterville Community. She was married to Walter Gardner in 1905 and he died in 1912. She was a member of Red Oak Christian Church.

Surviving are a son, Wilbur Gardner, of the home; a sister, Miss Ella V. May of the home; and a brother, Hazard H. May of near Winterville.

If your cream pitcher drips after each use, try buttering the underside of the spout.

PRINCESS BRIDE... Fabulous wedding gown in white shadow printed Swiss organdie over blue taffeta, with romantic full skirt, slender princess line, designed by Gaston Mallet.

Fabulous Look For Those Bridal Gowns

AP Newsfeatures
Gaston Mallet is a young French-Canadian designer, now in New York, who believes that all brides are beautiful, but that some are not given a chance to prove it.

For several seasons now, under the encouragement of his friend and employer, Murray Hamburger, he has been working to give every bride the kind of wedding gown that will make her as beautiful as she has the right to be.

Mallet does not believe that every wedding gown must look just like every other—a theory that was widespread among bridal dress manufacturers until recent years.

His collections present more than a score of completely different designs twice a year—some simple, some elaborate, some tailored, some romantic—so that almost any bride can find the kind of gown exactly right for her type.

This spring Mallet has two themes. One is the little girl look which he likes for the very young bride. The other is strictly fabulous and definitely romantic, designed for the glamor bride.

In the latter category is a magnificent gown of delicately etched white Swiss shadow printed organdie over blue taffeta. Cut on princess lines, it has a modest neckline, short cover-up sleeves and a skirt that flares into a misty froth of fullness, with a full cathedral train.

Sweet Gum Grove Club Entertains Husbands At Dinner

SWEET GUM GROVE—Fifty members and guests were present for a buffet dinner at the Sweet Gum Grove community building Thursday evening.

The occasion was the annual "Husbands Night," given by the local home demonstration club members.

Club president, Mrs. Lewis Whitehurst, welcomed the guests, and Marion Nobles responded. The Rev. J. B. Naron gave the invocation.

Miss Barbara Wilchard gave a reading on family life, while assistant Home agent Lois Jones and assistant Farm agent C. J. Goodman presented a demonstration stressing the importance of growing more and better food crops in 1956.

Mrs. John Whichard led recreation. Mrs. Paul Worthington of Bethel, a special guest, and Eric Whichard won the door prizes, boxes of Valentine candy.

SAVORY STEW
Add a half teaspoon thyme to a plain beef stew to give it rich flavor.

Other guests included Miss Margaret Stephens, assistant Home agent, Mrs. J. B. Naron, Mrs. Alberta Taylor of Greenville, Dennis Alexander and family of Robersonville.

TWO PART HARMONY... a blend of lovely, muted colors in an inspired print-and-plain cotton duet. The skirt floats from unpressed pleats... a banded waist echoes the colors of the wide yoke-collared blouse. Sizes 7 to 15.

Funeral Services For John G. Potter Today

Funeral services for John (Ira) G. Potter, 69, will be held from the Greenville Funeral Home at three p. m. today. Rev. Rashie Kennedy will officiate and burial will follow in the family cemetery near Albertson.

Mrs. Potter died at the home of a daughter, Mrs. L. B. Huffman, in Rocky Mount Sunday night. He had been in declining health for several years.

A retired farmer, he was born in Duplin County and married the late Queenie Cavanaugh.

Survivors include five daughters, Mrs. James Paschall, of Newport News; Mrs. Huffman; Mrs. Frank Miller, of Richmond; Mrs. Wilbur Perry of LaGrange and Mrs. Pat Smith, of Goldsboro; two sons, Herman Potter of LaGrange and Horace Potter, of Goldsboro; 12 grandchildren, three great grandchildren and one sister, Mrs. Minnie Harper, of Kinston.

Appering In Stage Production

Scene from Sidney Kingsley's tense three-act drama "Detective Story" shows Alvis B. Carr of Rocky Mount (at desk), Junior at East Carolina College, in his role of New York City Detective Jim McLeod with other principals in the cast. The play will be presented tonight at 8 p. m. in the McClinton auditorium as a workshop production of the East Carolina Playhouse. The public is invited. Pictured with Mr. Carr are (left to right) Nancy Crouse of Lexington, Kenneth R. West of Wilson, and Barbara L. Harrell of Raleigh.

Girl Scout Council Meets

Mrs. W. R. Reading will act as chairman of the Girl Scout Cookie Sale which will begin on March 11. This announcement was made at the February meeting of the Girl Scout Council last week.

The annual sale of Girl Scout Cookies coincides with the observance of National Girl Scout Week which is March 11-17.

The cookies, 6,500 boxes, are being purchased this year from the Weston Biscuit Company. Ten percent of the profit from the sale will be given to the individual troops making the sales and the remainder of the profit will be given to Camp Hardee, the Pitt County Girl Scout Camp on the Pamlico, to buy additional equipment.

Mrs. F. D. Duncan reported to the Council on the progress of the building program at Camp Hardee. She stated that a new recreation hall and five new units for the intermediate scouts will be erected as soon as the weather permits clearing the site. Mrs. Charles A. White, council president, announced that L. M. Buchanan, finance chairman, will act as treasurer of this building program.

Mrs. White welcomed Mrs. J. H. Thomas, the new secretary of the Council, and announced the following new committee members: Mrs. Luther Moore, telephone chairman for the program committee; Mr. Tom Chapin, member of the Camp Hardee committee; and Mrs. E. L. Henderson, program chairman, who will also act as chairman of the campership committee. Jack Marsden is a new member of the Rotary Club's Camp Hardee Committee.

Mrs. Edgar Barrett announced that Farmville Girl Scouts will give a tea for their parents and those

Pastel Shades Noted At Supper Party

GRIFTON—Mrs. L. L. Mewborn was a gracious hostess on Friday night when she entertained at supper and bridge at her home on McRae Street.

Guests were received in rooms pleasantly decorated with spring flowers.

In the dining room pastel shades, with yellow and blue predominating, were effectively used with lighted blue candles in crystal candelabra.

A delectable turkey supper and lemon tarts for dessert were enjoyed. Five tables were placed for the games and club high score prizes went to Mrs. Robert Mewborn and Mrs. H. P. Quinerly and the visitor's prize to Mrs. Joe Gosdaly. Others present were Mesdames Denver Sasser, J. L. Quinerly, W. I. Blissett, Jack Chapman, Richard Nelson, L. D. McCotter, Truman Williams, Kenneth Talton, Alton Chapman, J. L. Tucker, Mark Phillips, Edwin Reeves, C. E. Stone, Misses Marie Chapman, Hazel Patrick, Louise Mewborn and Bert Johnson.

Falkland Students In Founders Day Event

FALKLAND—Sixth grade students presented a Founders Day program at a meeting of the Falkland Parent-Teachers Association last week.

Boy Scouts also participated in the program. The Rev. L. B. Manning gave the devotional, and PTA president, Mrs. Carson Baker, presented the organization with a plaque for its contribution to the N.C. Parent-Teacher building fund in memory of the

Bowling Party For Intermediate Group

Intermediate Training Union of Immanuel Baptist Church will have a bowling party tonight.

The 13 and 14 year olds will meet at the church at 7 p. m. and from there will go with their counselors to the bowling alley.

About 36 per cent of Americans over 65 years old have no income of their own.

Lobbying Probes Stir Up Some Bad Publicity

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—In the past 102 years Congress has investigated lobbying seven times. The result: a lot of bad publicity for lobbyists but no law to control them. Now Congress seems ready to start an eighth investigation.

Kefauver 'For' Lowering Age Of Voter To 18

MINNEAPOLIS (AP)—Dropping the voting age to 18 cannot bring anything but good for the nation and the time for such legislation is now, Sen. Kefauver (D-Tenn.) told a University of Minnesota convocation audience today.

The senator said such a change was needed, "if only to keep the nation on an even electoral keel." "What I mean," Kefauver said in his prepared text, "is that the life expectancy is going up and up, and every year our society contains a larger number of old people. Consequently, the decisions we make at the polls are coming to reflect a disproportionate weight of judgment by the aged. . . . "We honor them and venerate them. But who can deny that a person's outlook at 70 is different than it was at 30? And who will say that the older viewpoint is better than the younger, or vice versa?"

"Ideally, we should have a balance of viewpoints. The best and easiest, and I think the only way to strike that balance is to lower the voting age to 18 and give youth its chance to be heard." Kefauver's talk came between visits to St. Paul and Minneapolis industrial plants and a luncheon with university faculty members. He will wind up his four-day Minnesota campaign tour with a public rally at the labor auditorium tonight.

The senator, opposing Adlai Stevenson for Democratic delegates in the state's March 20 presidential primary, ended his outstate appearances last night at Faribault. There he told a Junior Chamber of Commerce that farmers' purchasing power is the lowest since 1940 and that it is affecting business on the nation's rural main streets.

After spending the night here, Kefauver departs by commercial airplane tomorrow for Alabama.

CANDIDATE—John N. Frederick (above), Charlotte insurance man, has announced he is a candidate for Commissioner of Insurance of North Carolina, subject to the Democratic Primary May 26. Frederick, an independent insurance adjuster for the past fifteen years, is a native of Anson County.

did not result from an investigation. It was passed without much examination in 1946 when Congress was reorganizing itself. There is nothing illegal or wrong about lobbying. Every individual or group has a right to try to get Congress to pass the kind of legislation it wants. But lobbying can cross over into the corrupt class by the way money is used to influence voting.

This is an election year and whether this new inquiry does a real job or shadow-boxes depends on: (1) The willingness of the full Senate to make an all-out inquiry, an attitude which will be revealed in the authority the Senate gives its committee; and (2) whether the Democrats and Republicans on the committee let their investigation degenerate into a political fight.

The Senate is expected to create a special committee made up equally of Democrats and Republicans.

The first such investigation by Congress was in 1854 when lobbying had become a national disgrace. The last was in 1950 when a House committee, also made up equally of Democrats and Republicans, got involved in intense partisanship.

The chairman of that committee, the late Rep. Frank Buchanan (D-Pa.), described lobbying at the end of the inquiry as a "billion-dollar industry."

A report by his committee disclosed that 152 corporations spent \$32,124,835 on "activities relating to attempts to influence legislation between 1947 and 1949" although they had reported only \$750,000 under the Lobbying Act of 1946. Thirty companies refused to tell what they spent.

Congress did nothing then to make the Lobbying Act stronger. There are a lot of defects in the present law but the basic one seems to be this: Congress required lobbyists to register with Congress but did not appoint any individual or group to police the law and the lobbyists.

Selective Service Tests Scheduled

College students in Eastern North Carolina who are interested in taking the Selective Service College Qualification Test have until midnight, Monday, March 5, to submit application, it was announced today by Dr. Harold E. Taylor of East Carolina College, test supervisor. The test center in this area is the college here.

The purpose of the test is to provide evidence for local Selective Service boards so they may consider student deferments for military registrants. To be eligible to apply for the test, scheduled to be given April 19 to college students in 875 test centers throughout the United States, Alaska, the Canal Zone, Hawaii, and Puerto Rico, a student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction, and must not have previously taken the test.

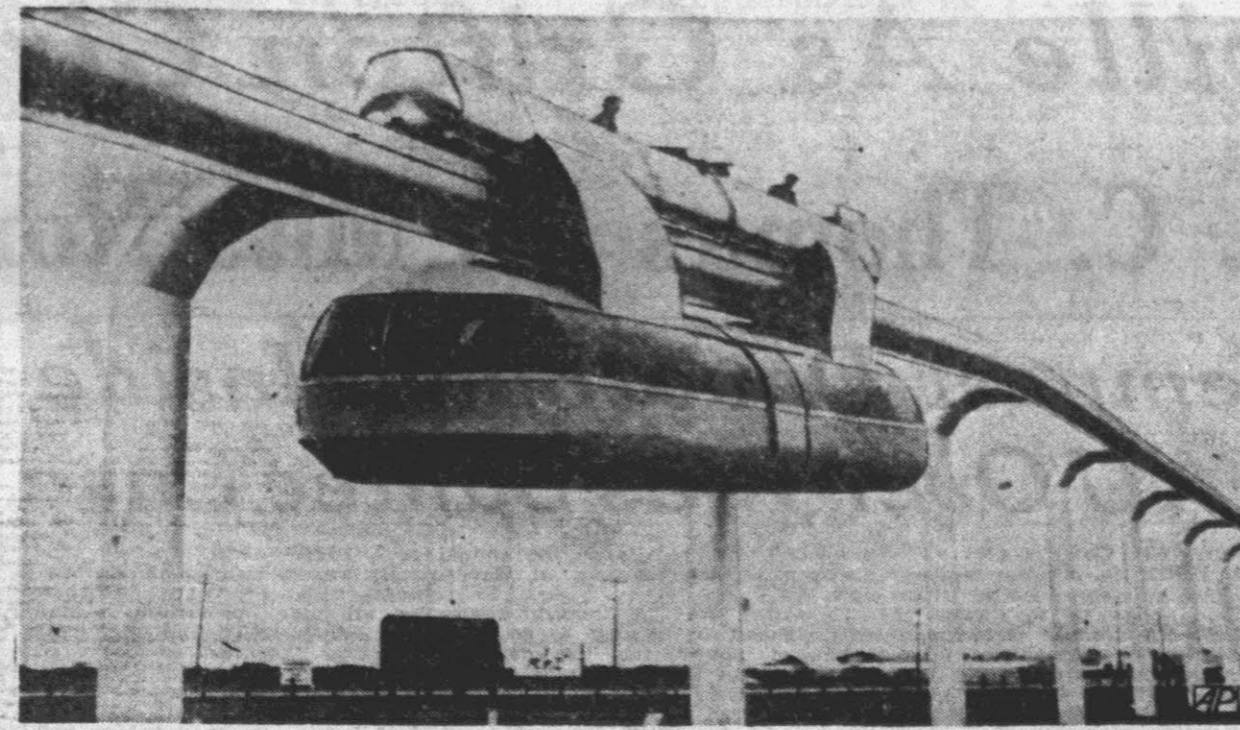

Students interested in taking the test to qualify for possible draft deferment in order to continue their college education are urged to have their completed application postmarked no later than midnight, March 5. Applications dated after March 5 will not be accepted.

'Scanty' Clues In Theft Probe

LOUISVILLE, Ky. (AP)—Police said they had only "scanty" clues to work on in their investigation of some thefts.

Seven women in the same area reported thieves entered their unlocked basements and stole an assortment of rayon and nylon—well-scanties. Losses ranged up to \$19.

STOLEN RELIGION
KILGORE, Tex. (AP)—Mrs. Margaret J. Hoyal, librarian, says among the books most often stolen from the public library are those on religion.

TRAIL BLAZER.—A 55-passenger coach hangs from single rail prior to its first operating test at Houston, Tex. The \$100,000 pilot line is 970 feet long. Murrell Goddell, Monorail president, said the coach—powered by diesel electric, gasoline or gas turbine—costs \$600,000. Traffic executives from numerous cities were present for the test. (AP Wirephoto.)

CITIZEN COUNCIL MEETING.—This is a section of about 800 persons who attended a rallying meeting of the Tuscaloosa, Ala., County White Citizens' Council at the courthouse. Looking over papers in front are, from left, Jim Guthrie; Leonard Wilson, a student of the U. of Alabama and temporary chairman of the organization; and Jesse Hall, vice-chairman. Man at right is not identified. The Council is for segregation. A Negro co-ed, Autherine Lucy, was recently excluded from the university campus. (AP Wirephoto.)

Exams Wind Up Winter Quarter

East Carolina College students will complete this week their final examinations for the winter quarter. The spring quarter will begin Wednesday, February 29.

Tests will be administered Thursday and Friday of this week in all courses. Classes will be discontinued at the college Saturday, Monday, and Tuesday, February 25-28 in order that instructors may complete the correction of papers and the preparation of grades for the permanent records in the office of the registrar.

Registrations for the spring quarter will take place next Wednesday in the Wright building, and classes will meet Thursday. Vice President Leo W. Jenkins has announced that classes will meet Saturday, March 3. Undergraduates may enroll in classes through March 6, when registration for the quarter will close. The spring quarter will end Monday, May 20, with the 1956 commencement exercises at the college. Included in the quarter will be the annual spring holidays, extending this year from April 7 through April 10.

Power Line And Mud Saved Life

AMARILLO, Tex. (AP)—Doctors credited a power line and soft mud with saving the life of a construction worker who fell more than 100 feet from the top of the Petroleum Building in downtown Amarillo. Paul Martinez, 32, was hospitalized for a compound fracture of his right leg, a cut ankle and shock. He struck a power line about 70 feet down which softened his fall into an alley of mud.

Mystery Dime

MENOMINEE, Mich. (AP)—Paul Ihde, dumping out dust he had cleaned from cold air ducts in his home, found an 1838 dime. He's still wondering how the coin, smaller than used now, got in there.

Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes... Relief Lasts for Hours!
New York, N. Y. (Special)—The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription. The secret is—Primatene combine. Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms. Each performs a special purpose. This formula is so effective that it is the physicians' leading asthma prescription—so safe that now it can be sold without prescription. Only tiny tablets called Primatene®.

ECC Committees Make College Welfare Study

With the idea of improving instruction, particularly in written and spoken English, and of promoting the general welfare of students and faculty members at East Carolina College, President John D. Messick of the college has appointed committees to survey various areas of campus life and to formulate suggestions as to policies to be followed in the future.

The committees are now at work and will report their progress to President Messick and the college faculty at a meeting scheduled for Tuesday, February 21. Approximately fifty faculty members are serving on these groups.

Areas covered by the committees are improvement of instruction, curriculum, admission and retention of students, faculty welfare and policies, personal and family living, citizenship education, and general education and the humanities.

Also contributing to the study are the committees on Educational Policies, Graduate Study, Intercollegiate Athletics, Student Personnel, Teacher Recruitment, and Student and Faculty Social Life. In discussing instruction with members of the faculty, President Messick has placed particular emphasis on the improvement of standards in written and spoken English and in reading ability. Noting that many students enter college unprepared in these fields, he has stressed the responsibility of all teachers in the college departments of instruction to make the student conscious of the need of improvement and to work with him toward acceptable performance.

Several new non-credit classes in speech and written composition, planned for the benefit of students needing special assistance, are now in progress at the college. East Carolina has maintained for several years laboratories in reading and speech which are organized to aid the student with individual problems.

\$250,000 Prize

NEW YORK (AP)—The sponsor of The \$250,000 Question plans a new television show with a grand prize of a quarter of a million dollars.

A spokesman for the sponsor, Revlon cosmetics, said the show will be called "The Most Beautiful Girl in the World." He said three pretty girls will compete each week with a final winner picked once a year.

The biggest cash prize on television so far has been the \$100,000 top award on The Big Surprise. The new show may start this summer, Revlon said.

The U.S. produced 46 million board feet of lumber in 1955, but only 37 1/2 million board feet in 1954 although the population was 80 per cent greater.

Bethel Stuns Winterville As Grifton Girls Gain Win

Latham, Smith Set Hot Scoring Pace In Tourney

By BILLY ARNOLD
Reflector Sports Writer
SCORES
Grifton 55, Stokes 50 (girls)
Bethel 75, Winterville 40 (boys)

Monday night's third round of the Pitt County Tourney, at East Carolina College, saw the Grifton girls come from behind to take a 55-50 victory over Stokes. And the Bethel boys continue their court success with a stunning 75-40 win over Winterville.

Stokes, paced by sharp-shooting Nina Perkins and Billie Angle, took off on a quick lead in the first contest of the evening. Dawn Smith dropped in several field goals to narrow the lead, and the score at the end of the first quarter was 12-12.

Second quarter action was much like the first. The Stokes defense was strong and guards James, Harris, and Toler held the respected Grifton girls to 12 points for the second time. Angle, Perkins, and Lillie Turner slipped in 16 tallies for the favored Stokes squad, and at halftime, Stokes held a 29-24 advantage.

Smith Gets Hot
Fancy Dawn Smith, Grifton's answer to the prolific Miss Perkins, found her range in the second half and began to hit with shot after shot. Lu Raye Mewborne and Pat Turner added seven and 13 markers to the cause and Grifton was rolling. The Black and White eked out one point more than their opponents in the third quarter, but were still on the losing end of the score.

The final period of play was a thrilling one for both sides, and one that saw the lead change hands three different times within the final two minutes.

Smith tied the score with a push shot, only to have a field goal by Nina Perkins to put the Blues ahead again. Mewborne dropped in a bucket and the score was once again deadlocked. Smith hit for Grifton again, and a foul on Stokes' Billie Turner gave the G-Girls possession of the ball with only eight seconds remaining. The game ended, 55-50, in favor of Grifton.

Dawn Smith tallied 35 points to top the winners, and Nina Perkins scored 29 for Stokes.

Latham Sparks Bethel
First-ranked Bethel called heavily upon the services of husky Bryan Latham last night to defeat Winterville 75-40. Latham and his crew had little trouble with the Winterville squad and chalked up an easy triumph.

Latham dumped in 21 markers to take high scoring honors for both teams and was followed by a teammate Vance Taylor with 16. Winterville's tall Jack Sawyer was held to 14 points.

It was Bethel all the way through the contest. The Red and White cagers pushed off to an early 15-11 lead in the first quarter and were never in danger. Latham, Taylor, Bobby Manning and Billie White smashed the nets steadily to keep their team in front and played fine defensive ball against the efforts of Sawyer and William Corey, the two big guns of Winterville.

At halftime, the score rested at 20-16. Winterville fought back strongly in the third period, but the consistent firing of Latham and the clutch-shooting of Bob Jack Manning left no chance for a Winterville win.

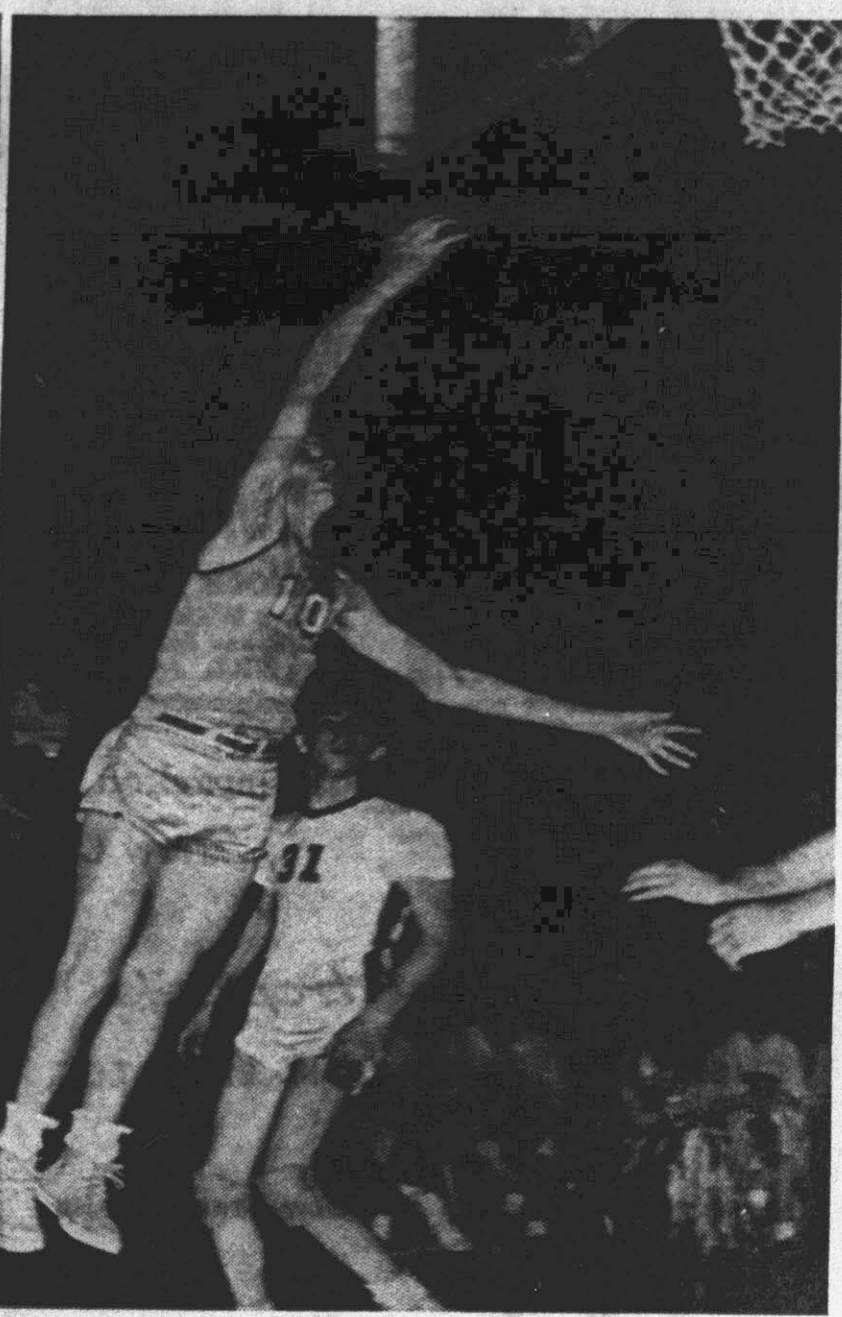

Third Quarter, 34-22
It was 54-32 going into the final period and Coach Latham, of Bethel, was using his substitutes. Wade Ward, Charles Ward and Tom Cooper continued to hack out the points and Winterville's chances ticked away with the clock. The final score stood: Bethel 75, Winterville 40.

Tonight's semi-finals will find Farmville playing Winterville in the girls bracket, and Farmville competing against Ayden in the boys ranks.

The boxes:

GIRLS	
Grifton	Stokes
Sith 35	Angle 12
Stokes 13	Perkins 29
Mewborne 7	Turner 13
Koon	Toler
Burney	James
Vanderford	Harris
Subs: Grifton—Reaves, McCotter, Taylor, Coward, Dennis, Stokes, France, Stallings, Mece, Stocks, Pridden, Overton, Cherry.	
Score by periods:	
Grifton	12 12 15 16-55
Stokes	13 16 14 11-50

BOYS	
Bethel	Winterville
Latham 21	Gorman 8
D. White 2	Stox 3
Manning 5	Sawyer 14
W. Ward 4	Runkle 1
Taylor 16	Cox 2
Subs: Bethel—W. White 11, C. Ward 6, Cooper 5, Martin 5, Andrews, Briley, Winterville—Corey 9, Wingate 2, Vincent 1.	
Score by periods:	
Bethel	15 14 23 21-75
Winterville	11 5 16 8-40

HOLE-IN-ONE—Bethel's Willard White pumps from the side for two points in the Bethel boys' rout of Winterville in the semi-finals of the Pitt tournament last night. White contributed 11 points to the Bethel cause.

GETS TWO—Stokes-Pactolus' sharpshooting Nina Perkins hooks over a defender head for two points in last night's rowdy Pitt County Conference tournament semi-finals game. Although her team lost to Grifton the fiery little playmaker scored 29 points. Reflector Sports Photos by Billy Arnold.

Undeclared Rory Calhoun Rising In Ring Esteem

NEW YORK (AP)—Undeclared Rory Calhoun has won 13 straight fights, but his handlers are in no particular hurry to push the fine young middleweight prospect.

"We're going slow and easy," said Manager Frank Bachman and Trainer Charley Goldman today after Roaring Rory bombed and stopped hard-hitting Angelo Defendis of Brooklyn in five rounds of a lively televised scrap at St. Nicholas Arena last night.

Calhoun, a solidly-built, 23-year-old boxer from White Plains, N. Y., cut Angelo over both eyes, staggered him twice in the fifth round and dropped him for five as the fifth ended.

The bell rang as Referee Teddy Martin tolled five over Defendis. Dr. Alexander Schiff signalled to Martin to end what had become a one-sided affair. Under New York rules it was recorded as a five-round technical knockout.

Calhoun, 5-9 and 161½ pounds, was a 3-1 favorite over the 22-year-old, 165 1-4 pound Defendis.

Tempest Developing Inside AAU Over Wes Santee Case

By ED CORRIGAN
NEW YORK (AP)—A bitter tempest within the Amateur Athletic Union developed today in the wake of Wes Santee's lifetime suspension.

While the star American miler went about his duties as a Marine lieutenant in Quantico, Va., one of the top officials of the Missouri Valley Section of the AAU accused the organization's Executive Committee of "bungling the case badly."

The Executive Committee found Santee guilty of accepting about \$1,500 in excess of allowed expenses last year and barred him for life.

"The action was a slap in the face to the Missouri Valley Section," said Registration Committee Chairman Julius Koenigsdorf of Kansas City. "It also violated the AAU bylaws in the process. They state specifically that application to full amateur status can be acted upon only at the annual meeting of the Board of Governors."

He added that he thought Santee was correct in going to court in hopes of reversing the decision. The Missouri Valley Board of Governors cleared Santee of charges of excessive expenses late last year only to have the case reopened by the parent body.

A high-ranking AAU official hit back at Koenigsdorf. The official, who asked that his name not be mentioned, told The Associated Press: "We could have brought Koenigsdorf up on charges too. He was either concealing information from us or he was derelict in his duty. He knew about Santee's expenses."

AAU Secretary-Treasurer Dan Ferris was calm, however. "Koenigsdorf is a good AAU man, and once he sees all the facts of the case, he'll agree with us," Ferris observed.

By way of keeping Santee out of competition, Ferris sent a telegram to all meet promoters warning them they would lose their AAU sanction "forever" if they permitted Santee to run. Ferris admitted he took the action "in case someone should obtain an injunction."

That is exactly what Santee and his attorney Charles P. Grimes plan to do. Grimes, in fact, said he hoped to have the papers drawn up in a few days and get quick results.

Appraised of Ferris' telegram to the meet promoters, Grimes said: "It is characteristic of the AAU's arrogant attitude throughout the proceedings that a very interesting attempt by the AAU to commit contempt of court in advance."

For his part Ferris was not particularly worried over Grimes' threat to bring the case to the courts.

"We've never lost a court case where the question of our jurisdiction and power to enforce the rules and regulations were attacked, he said."

Buc Team Captain In ECC Infirmary

It was learned this morning that East Carolina's basketball captain J. C. Thomas is ill and will not make the trip to Lexington with the team for the North State Conference tournament.

Coach Howard Porter stated that Thomas was suffering from a confirmation of the regular season championship, is in the college infirmary with a badly infected throat.

Porter said Dr. C. F. Irons, college physician, told him yesterday that Thomas was suffering from a strep throat and likely would not be able to make the trip.

"Dr. Irons said he would notify me if Thomas improved," Porter announced, "but said not to look for the call, because Thomas' condition is supposed to get worse."

Thomas and his teammates were to leave Greenville today for Lexington and the tournament which starts Wednesday night. East Carolina plays its first game against Catawba at 9:30 p.m. Wednesday.

The loss of Thomas will certainly hurt the Buc's chances. The fighting captain was a standout floor man besides scoring 368 points over the season. He made a terrific bow in his last regular season start against ACC Saturday night by scoring 30 points.

Three Top Contenders In ACC Go Into Action

By THE ASSOCIATED PRESS
The nerve-racking Atlantic Coast Conference basketball race pits on the biggest do-or-die show of the season tonight with three of the four top contenders in action.

The focal point of the pressure-laden action will be Raleigh, where loop-leading North Carolina tangles with the mighty Wolfpack of North Carolina State. Duke takes on Virginia, one of the ACC's lesser lights.

A North Carolina win would steady the shaky hold the Tar Heels have on the lead and put them within one game of the regular season title. A Tar Heel loss probably would drop the race into a four-way tie at the top.

Frank McGuire's UNC quint holds first place with a 10-2 ACC record. Wake Forest, by virtue of last night's 76-60 win over Maryland, comes next at 10-3. Duke and N.C. State are 9-3.

National prestige, the top spot in the loop, the choice position in the ACC tournament, a long-standing neighborhood rivalry, the rubber game in this year's series and the possibility of school scoring record by State's All America center Ronnie Shavlik will be driving elements in tonight's go on the Pack's home court.

N.C. State also will be goaded by an upset loss to Maryland in its last outing. That humiliation undoubtedly had much to do with the Wolfpack's drop from fifth to sixth place in the national rankings. UNC, meanwhile, jumped from 10th to ninth place.

The two national powers have met twice this year. The Wolfpack playing superb basketball, handed North Carolina a thorough 82-60 trouncing in the final game of the Dixie Classic. But the sophomore-studded Tar Heels bounced back to upset the Park 73-69 in a conference session.

The 37-year-old former assistant to George Barclay will replace Len Eshmont, who left Coach Eddie Erly staff for Virginia, where another former Navy assistant, Ben Martin, has been named head coach.

Belichick was with Barclay from 1953-55, and before that was backfield coach at Vanderbilt and head coach at Hiram College, Ohio.

He was graduated from Western Reserve in Cleveland and played with the professional Detroit Lions and with Navy service teams before becoming a coach.

Like other Navy assistants he was signed to a one-year contract. Terms were not disclosed.

Moore Puffs To Ten-Round Win

SAN FRANCISCO (AP)—Archie Moore, a plump 197 pounds, said today he'd train down and defend his light heavyweight boxing title in London next summer but in the meantime planned to do as he pleased.

His comment was occasioned by a cablegram from English Promoter Jack Solomon. It arrived shortly after he puffed to a 10-round decision last night over young Howard King of Reno before a crowd which paid \$8,323 to watch the workout.

The cable directed Moore to get permission from Solomons before doing any further fighting before the June 5 title defense against Yolande Pompey of Trinidad.

"Hugh," granted ancient Archie still holding his assertion that he's only 39 but looking older with the extra weight, "so now that Solomons is my manager, too."

"Well, I've got a fight scheduled with Bob Dunlap down at my home town, San Diego, next week and I figure on going through with it."

Moore had more punch than he could put last night. But he decked the 21-year-old King twice in earning the decision in his first ring showing since Rocky Marciano knocked him out last September.

The Reno youngster was down for eight counts in both the first and ninth rounds, but managed to stay out of trouble otherwise.

Poll Sees Reshuffle In Ranks Of Top 10 Teams

By NICK ELLENA
The Associated Press
San Francisco has all but permanently appropriated the No. 1 spot among the nation's college basketball teams, but the rest of the top 10 underwent a complete reshuffling today in the Associated Press poll.

Three unranked teams rose up to beat foes in the select 10, and the free-wheeling Dons were left as the only undefeated quintet in major college ranks.

Louisville, although upset by Xavier (Ohio), atoned by beating Dayton for the second time this season and knocking the Flyers from the runner-up spot down to fourth.

Illinois moved into second place and Louisville vaulted into third on the ballots of sports writers and broadcasters.

Kentucky's defeat by unranked DePaul dropped the Wildcats down a peg to eighth place. And North Carolina State, after dumping Duke suffered a damaging loss to unranked Maryland and dropped one spot to sixth.

Vanderbilt moved from sixth to fifth on the strength of victories over Tulane and Tennessee, but the Commodores' tenure may be short-lived after dropping an SEC decision to Kentucky last night 76-55.

Other changes in the top 10 saw North Carolina (No. 9) swap places with Temple (No. 10) and Alabama move to seventh from eighth. The Dons sailing along on the wings of an undefeated string of 46 games, amassed 86 first-place votes and a total of 1,301 points. San Francisco now has held the top spot for 16 straight weeks, five from last season.

The Illini, who accumulated 18 first-place ballots and 1,708 total points on the usual basis of 10 for first, 9 for second, etc., strengthened their second-place spot with a rousing 102-77 victory over Purdue last night.

St. Francis of Brooklyn dropped its first game over the weekend after 18 victories to St. Joseph's (Pa.).

The leaders, with first-place votes in parentheses:

1. San Francisco (86) 1,301
2. Illinois (18) 1,078
3. Louisville (15) 899
4. Dayton (2) 782
5. Vanderbilt (9) 529
6. N.C. State (10) 509
7. Alabama (10) 403
8. Kentucky (6) 308
9. North Carolina (4) 297
10. Temple (1) 266

Former Barclay Aide With Navy

ANNAPOLIS, Md. (AP)—Navy today announced the signing of former North Carolina Backfield Coach Steve Belichick to a similar position on its football coaching staff.

The 37-year-old former assistant to George Barclay will replace Len Eshmont, who left Coach Eddie Erly staff for Virginia, where another former Navy assistant, Ben Martin, has been named head coach.

Belichick was with Barclay from 1953-55, and before that was backfield coach at Vanderbilt and head coach at Hiram College, Ohio.

He was graduated from Western Reserve in Cleveland and played with the professional Detroit Lions and with Navy service teams before becoming a coach.

Like other Navy assistants he was signed to a one-year contract. Terms were not disclosed.

'Shower Of Stars' For Ayden Students

By JEANNETTE WORTHINGTON

AYDEN HIGH SCHOOL. The Student Council sponsored a local "Shower of Stars" during the regular chapel period last Wednesday. Glen Bowen acted as master

of ceremonies. Sue Fort and Linda Worthington sang a duet, "I Get So Lonely." Faye Bowen delighted the audience with her interpretation of "Mary Had a Little Lamb." Patricia Ann Cox did a song and dance number, "Tapping Out a Merry Beat." Carol Manning and Geneva Wilson sang "The Bible Tells Me So," accompanied by Sue Fort. "Sixteen Tons" was "Pee Wee" Conway's contribution to the program. Betty Lou Ross, JoAnne Williams, Carol Faye Harper sang "Good Night Sweetheart." Mr. E. F. Johnson, Mrs. Sue Noble, and Mrs. LaRue Evans acted as judges and when they announced their decision Patricia Ann Cox and the trio—Betty Lou Ross, JoAnne Williams, Carol Faye Harper—had tied for first place. The master of ceremonies asked these girls to present their numbers again. The judges then announced Patricia Ann Cox the winner. She was presented a Valentine box of candy.

At a call meeting of the NFL last Thursday afternoon, the following new members were elected: Horton Jolly, Ronnie Tripp, Richard Stroud, Leslie Stocks, Francine Cannon, Elizabeth Thomas and Jessie Hardee.

The FBLA has completed a School Handbook containing information about each club at AHS—Beta Club, National Forensic League, Future Business Leaders of America, Future Homemakers of America, Future Farmers of America, Student Council, Chorus, Band, Tri-Hi-Y, and the Athletic Association. Information concerning the various subjects taught and a list of the members of our faculty and the local school board members also appear in this handbook. Jenny Lou Stokes, president of the FBLA, presented one of the handbooks to Faye Bowen, Student Council president, in chapel Wednesday. Each student and faculty member will receive a handbook.

Miss Susie Dixon and Mrs. Harris' seventh graders have been studying glass. To conclude their project they have picked up many bushels of glass on the campus and in the ball park. Thank you, seventh graders, for helping to keep our campus, at ole AHS a clean, safe place to play!

Virginia Cavanaugh, an outstanding junior, had her tonsils removed Friday. We wish for Virginia a speedy recovery.

The juniors began practicing their play, "Room No. 13," today. Watch this column for the date this hilarious comedy will be presented at Ayden High.

Another highlight of the activities at AHS last week was the pep talks on sportsmanship made by Coach Stuart Tripp; Lindy Dunn, president of Athletic Association; Burt Tripp, captain of the boys' team; Sonny Smith, scorekeeper; Faye Bowen, captain of the girls' team; and Connie Lou Dunn, chief cheerleader. All the speakers urged players and spectators to practice good sportsmanship on the court and on the sidelines during the

tournaments to be played this week.

All the high school students traveled to Greenville last Thursday to the Pitt County Health Department for chest X-rays.

The Tri-Hi-Y members have been selling home-made candy and cookies to the students recently, and hot coffee to the teachers at recess. This was their money-making project and they report it as successful.

Betty Lou Cannon, a popular senior, was named Citizen of the Week during chapel period Wednesday. Congratulations, Betty Lou!

Greenville's high building rate continued into the first month of 1956 with the building inspector issuing permits for \$98,200 in new construction.

Building Inspector George Gardner reported that permits were issued for four apartment houses and three dwellings during the month of January. The residential construction was valued at \$53,000.

Permits for three commercial units were issued valued at \$45,200. Three alteration permits were approved by the building inspector valued at \$6,000.

Total valuation of new construction set an all-time record in 1955. Reporting on the fire department, Gardner said that six box alarms were received by the department during January. In addition 15 telephone calls reporting fires were received. Firemen were called to rural areas six times and the rescue truck was called out nine times last month.

Police Quick To Bring A Guest

POLICE, 18 DES MOINES, Iowa (AP) — A 73-year-old woman with an income of only \$30 a month called police to say she wanted to buy a ticket to the annual policemen's ball.

She explained that she lives alone and that one night two years ago a stranger pounded at her door. She said she dialed the telephone operator and asked for the police.

"Before I hung up the receiver two policemen were here taking the man away," she said.

Two policemen were sent to her home with a complimentary ticket to the ball.

Expert Solves 'Theft' Of Auto

ASHLAND, Ky. (AP)—It wasn't much trouble for Willard Eaves, business executive, to solve the mystery of his neighbor's missing car. After all, he used to be a FBI agent.

Eaves recalled that he and his wife had agreed to have their own car equipped with new sparkplugs and a muffler. He asked her if she had phoned for a garage man to come and get the car. She had. Eaves had told a different garage man to make the same repairs. Both had shown up, the first driving off in the Eaves car, the second in the neighbors'. That was the theory Eaves phoned to police and he was right.

MANAGER BOOSTS CITY
TUCSON, Ariz. (AP)—City Manager Porter W. Homer is doing his bit to help the mushrooming city of Tucson grow. His wife gave birth to twins, bringing the number of Homer children to five.

Just Chance Led To Foursome

DALLAS (AP)—Aleta, Lequita, Vinita and Finita have been living happily together.

But soon it'll be just Aleta, Lequita and Vinita because Finita is leaving for a job in Rhode Island. The girls, Aleta Rice, Lequita Byars, Vinita Chumley and Finita Giblith, say it was just chance that led them to share an apartment.

Themes And Themes Given Senior Class

By LINDA NICHOLS

WINTERVILLE HIGH SCHOOL. Such downhearted facial expressions have rarely been seen before as the senior class was briefed on the prospected and dreaded research themes. Such selected subjects as "Baseball," "Moving Picture Industry," "Juvenile Delinquency," "Plastic Surgery" and "The Conquest of Polio" have been chosen.

Now that information searching has begun, everyone is taking the opportunity to get "the family car, pick up a crowd," and go to the EOC and S h e p p a r d Memorial Libraries. As ever, they intend to mix a little play with their work.

Chief cheerleader Carolyn Evans invited her co-cheerers—Tommy Dale, Betty Jean Mobley, Janice Boyd and Connie Bowen—to a spaghetti supper Tuesday night. The menu also included tossed salad, hushpuppies, iced tea, and cherry pie with ice cream. After eating, they slowly dragged to the gym where a ball game between Winterville and Chocod took place. "Everyone of us nearly turned green!" Carolyn exclaimed, as she recalled how they felt and looked after doing a couple lively yells.

With Richmond as their destination, Ruby Lee McArthur, Preston Cannon, Wayne McLawhorn (a former WHS graduate), Martha Wilson and Mrs. Nina McLawhorn set out at 6:30 p.m. Friday. They were the guests of Wayne's sister, Mrs. Jimmy Wood. "Saturday night we

had a ball!" Ruby Lee exclaimed. It seems that the fun began when a number of couples came over and the card playing and dancing began. They even made some tape recordings of everyone's singing. These were "screams," Ruby Lee properly described.

Jeanette Moye was warmly accepted with rounds of applause as she sang "Band of Gold" and "Rock and Roll Waltz" in "Holiday Ahoj," a musical comedy sponsored by the Jaycees February 14 and 15. "Nettie," who wouldn't mind in the least making a future career in show biz, is now looking forward to her next appearance in Fayetteville where "I'll actually be given the opportunity to sing with a band," she beamingly announced.

Third period classes were interrupted Thursday when a southeastern assembly program came to school. Mr. Clark introduced the entertainers as Mr. and Mrs. Valentine with their trained birds. Everyone watched with close interest as the cock-a-toos were put through different and difficult trick passes.

It seems another spaghetti dinner was taking place Tuesday night. Ruby Lee McArthur had as her guests Preston Cannon, Martha Wilson, and Wayne McLawhorn. A tossed salad, bread, iced tea, and lemon pie completed this menu. Afterwards, the couples played cards and gabbled until "only 10 p.m." (Martha's an EOC student—and the night does have a curfew).

Passing the classroom during shorhand period, one is likely to hear such records as, "If I Loved You," "No-Not Much," or "Memories Are Made of This." The students write in shorthand the songs being sung and—in short—enjoy the

music. Continuing to take advantage of the future Junior-Senior banquet, more members of the junior class gathered at the home of James Stox Wednesday night to make further plans. Alfred Garris, Peggy Craft, Sidney Baker and Barbara Evans were among those who put their brains together while sipping drinks and chomping on peanuts.

With tournament play-offs at hand, we too have high hopes of being "County Champions." The finals being played at East Carolina will climax Wednesday night.

Honor roll students last marking period were:
12th Grade—Maggie Castelleo, Faye Mills, Peggy Mobley, Ruby Lee McArthur, Janice Stox, Shirley Tyndale.

11th Grade—Doris Crawley, Frances Gold, Betty Jean Mobley.
10th Grade—Janet Allen, Margaret Jane Case, Dorothy Evans, Barbara Manning, LeRoy Mills.

9th Grade—Boyce Cox, Richard Gorman, George Jackson, Moye Waters, Shirley Churchill, Jo Anne Hathaway, Joyce Jones, Gay Nell Manning, Mary Anne Worthington.

Hubcaps Stolen, Thief Left Note

BOISE, Idaho (AP)—John Zeltne of Nampa, Idaho, discovered the hubcaps were missing from his car and found this note, apparently left by the thief:

"Roses are red,
"Violets are blue.
"Oldsmobiles are nice
"And I like your hubcaps, too."

STUTTERS FORM CLUB
AUSTIN, Tex. (AP)—Stutters at the University of Texas, believing self-ridicule is one of the best forms of treatment, have organized themselves into The Spit and Sputter Literary Society. The society meets weekly and members take turns serving as chairman.

If YOU require an Extra Firm Support for every inch of your body TRY SLEEPING AT ITS LEVEL BEST

As Advertised in LIFE

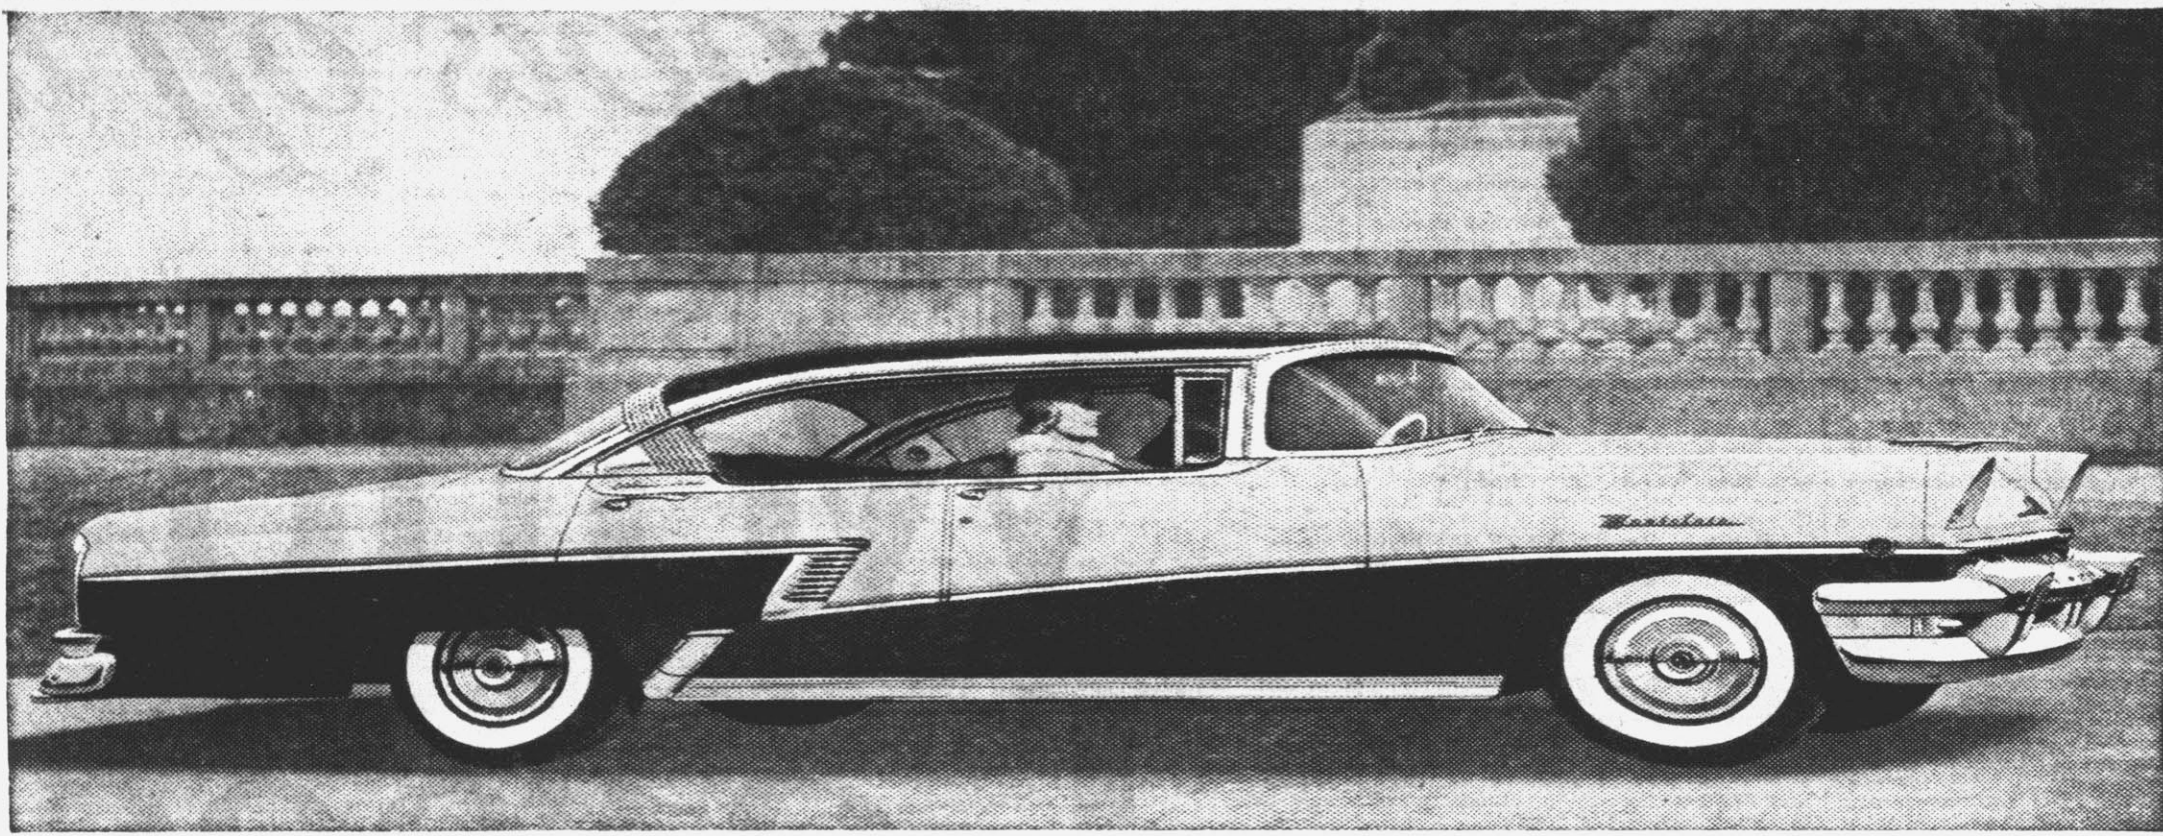

SOUTHERN CROSS FIRM-MATT
With New **SPRINGWALL**

THE SECRET OF SPRINGWALL
Twelve carbon steel rhomboid springs absorb the shocks that make an ordinary mattress sag at the edges. This amazing reinforcement adds years of comfort and wear!

\$69.50

If you are one of those people who feels the need of a firm, natural sleeping surface, one that supports your head, hips and feet with the same level comfort, investigate Southern Cross FIRM-MATT with the added development of the famous SPRINGWALL. Independent laboratories rate Southern Cross SPRINGWALL first for firmness. It supports the body at four vital pressure points specified by orthopedists. Yes, neck, trunk, pelvis and limbs get the proper support when you sleep on a FIRM-MATT.

NEW MONTCLAIR PHAETON 4-DOOR HARDTOP—Newest, most beautiful 4-door hardtop of them all. No center pillars, of course. But more important, no view-cramping curve to the roof. Rear-seat passengers enjoy full visibility. Dramatic styling touches distinguish the Phaeton from all other 4-door hardtops.

Here's why so many small car owners are moving up to the Big M!

- 1. PROVABLE VALUE**
You get far more car for your money. Big-car size, weight, and power. Big-car luxury and prestige. Remember, too, that Mercury's low starting price, low operating cost and consistently high resale value make Mercury the top value in its field.
- 2. REFLEX-ACTION PERFORMANCE**
You not only get high horsepower in the BIG M, you get a car with the reflexes of a champion athlete. Go, stop, climb, pass—THE BIG M responds instantly to your every command. And on rough roads and curves—THE BIG M adjusts instantly for your ease and comfort.
- 3. LOW COST**
Prices start low for THE BIG M. For example, the Mercury Medalist is priced below many models in the "low-price 3."* And you have a wide choice of body styles in Mercury's newest, lowest-priced Medalist series.
- 4. BIG M BEAUTY**
Mercury has a look of distinction all its own. You see it in the sleek, road-hugging profile. In the fresh, youthful lines. In the sparkling new colors—rich, deep-luster solid-tones, radiant two-tones, and dramatic new Flo-Tone color styling.
- 5. SAFETY-FIRST DESIGN**
There's a whole new family of safety advances. For example, at no extra cost, you get an impact-absorbing safety steering wheel and triple-strength door locks. And, as options, there are seat belts, a padded instrument panel, even padded sun visors.

Come In Today!
Check our low starting prices—and high trade-in allowances

LET YOUR MERCURY DEALER SHOW YOU HOW EASY IT IS TO MOVE UP TO THE BIG MERCURY!

Books For Lenten Reading Are Now On Display At The Library

A collection of books for Lenten reading is now on display at Shephard Memorial Library. The collection includes books selected from both Roman Catholic and Protestant Lenten reading lists prepared by Helen Hayes, noted actress, and Chad Walsh, professor of English, Beloit College, respectively. Volumes from the Catholic list available at the local library are: AROUND THE YEAR, by Maria Augusta Trapp, which Miss Hayes suggests for reading aloud in families and Sunday Schools on each feast day or season. THE BENT WORLD, by J. V. Langmead Casserley, who expresses no defeatism in a study of East-West tensions, but presents a stern analysis of civilization. FLESH AND BLOOD, by Frances Mauriac, a lovers' tale. INTRODUCTORY PAPERS ON DANTE, by Dorothy L. Sayers, who seeks to clarify 'The Divine Comedy.' JOURNEY TO SOMEWHERE, by John Patrick Carroll-Abbey, founder of the famed Boys' Towns of Italy. He tells the poignant story of a postwar Italian wait. NO MAN IS AN ISLAND, by Thomas Merton, his own reflections on certain aspects of the spiritual life. RED SHOES FOR NANCY, by Marguerite Hamilton, a rollicking account of what to most could be unbearable tragedy set in this rushing, mechanical, artificial age with love and beauty in the midst of it all. RETRIAL OF JOAN OF ARC, by Regine Pernoud, who strives to bring Saint Joan out of the stained glass window and into reality. THE ROAD TO 'HUMAN DESTINY,' by Mary LeComte du Nouy, a biography of du Nouy, the writer. THE SPEAR, by Louis De Wohl, a novel of biblical times. TREMENDOUS TRIFLES, by G. K. Chesterton, a book of his essays. TWENTY TALES OF IRISH SAINTS, by Alice Curtayne, a series of 'delightful tales,' which Miss Hayes suggests should be read aloud to the children. Books suggested on the Protestant list include: BENEFITS OF HIS PASSION, by London is about 10,800 miles from Bombay via the Cape of Good Hope and about 6,300 via Suez.

Remember, Take Off Old License

Area residents whose motor vehicles still carry 1955 license plates on the front are in danger of a court citation, State Highway Patrol Cpl. Carl E. Whitfield said today.

It makes no difference, Whitfield said, if legitimate 1956 licenses are attached to the rear of the vehicles. State law, he added, says no motor vehicle shall display an out-of-date license.

Patrolmen have been issuing citations since Thursday to those motorists who had not displayed their 1956 tags but have been tolerant with drivers still having the 1955 plate on the vehicle's front.

Citations will be issued from now on however, if the 1955 plate is being displayed.

Since only one license plate was issued this year, many motorists apparently have been lax in removing the tag from the front of their vehicles.

Forger Cashed In On Tickets

CHICAGO (AP)—Criminal ingenuity enabled an ex-convict to cash checks stolen from mailboxes. Police said Charles F. Mullins, 35, admitted stealing about \$28,000 in checks from mailboxes. For each check he would search out an auto with a parking violation ticket on it. He would then forge the name of the check payee to read the ticket and endorse the check to pay the fine.

Mullins said clerks collecting the fines always refunded the balance without question. Federal authorities are holding him on mail theft and forgery charges.

Cadillac

Stepping Out...With His Two Loves!

It's the hour of twilight! And what happier prospect could a man ask for a wonderful evening. For tonight he's stepping out with his two favorite companions—the lady in his life... and the car in his life! And you can rest assured that the "car of cars" will make a contribution all of its own to his evening's enjoyment. First of all, there will be the inner satisfaction a man always feels as he steps into his Cadillac and settles behind the wheel. All about him will be the inspiration of Cadillac's luxury... and beauty... and graciousness. Then there will be the thrill of Cadillac's marvelous performance. Driving will be so easy and so effortless that every mile will be a mile of relaxation and pleasure. There will be the contentment that comes with Cadillac's great safety... and the comforting

knowledge that he—and his lady—are surrounded with every comfort and safeguard known to automotive science. And, finally, there will be the joy of arriving in the "car of cars"... and of catching those glances of admiration that will come his way as he pulls to the curbstone at journey's end. Little wonder, then, that Cadillac owners have a great affection for their motor cars. And their sentiments etch themselves all the more deeply in the light of Cadillac's great economy and practicality. For how wonderful it is to know that the satisfactions of Cadillac ownership are coming from motordom's soundest and wisest investment. Why not come in soon—with your lady—and "step out" for an hour or so at the wheel of a 1956 Cadillac? The car is waiting for you... and we'll be delighted to do the honors!

Washington, England Will Fly Stars And Stripes Tomorrow

By ALVIN J. STENKOFF
WASHINGTON, England (AP)—The Stars and Stripes will fly bravely tomorrow in this Durham County village in honor, say the Englishmen who live here, "of our George Washington."

For some centuries ancestors of the first President of the United States lived in this North Sea coast village 255 miles north of London. And the community feels that although Washington was born in far-off Virginia, it has some special claim to him.

There are even many here who

are convinced that the design of the Stars and Stripes had its origin here, and that the stern eagle of the great seal of the United States was originally a Durham bird.

A ceremony has been arranged for the first President's birthday this year at the 2 1/2-story gray stone building known as Washington Old Hall, ancestral home of early Washingtons. The American flag will be raised.

So far as is known, not a single member of the Washington family now lives here. Historians have remarked that the first President's marks to have taken little interest in his English antecedents. The Washingtons and Wessingtons who remained here were loyal to the British crown.

Contacts are being re-established now and Washington Old Hall, managed by an Anglo-American committee, is being set up as a museum and a center to foster Anglo-American amity. It is attracting an increasing number of American visitors, and Washington hopes to become as popular as that other Washington shrine, Sulgrave Manor near Northampton, to which the family moved after long residence here. The immediate English progenitor of George Washington was his great-grandfather, Col. John Washington, who left Britain for the American Colonies in 1657.

The site of Washington Old Hall here is uncertain, but according to one chronology it was in existence in 1183. It tumbled into decay, and it would have vanished from the earth after condemnation in 1836 had not been saved by a committee which raised a restoration fund here and in the United States.

American Ambassador Winthrop accepted it as American property at a ceremony last September. His remarks on that occasion gave a great boost to the contention that the designs of the American flag and the great seal have their origins here.

At some time, probably before 1300, the Wessingtons or Washingtons adopted a coat of arms, which is to be seen today in the library of Durham Cathedral, and over a doorway of Hylton Castle.

The design consists of a seal at the top of which is a line of three stars, and across which are three stripes. Surmounting all is a bird with raised wings which looks something like a dove, but a little imagination can make an eagle of it.

Commenting on this, Ambassador Aldrich said: "Who can resist the conjecture that here, at Washington Old Hall, is the true origin of the Stars and Stripes, and the great seal of the United States government?"

"It is surely more than coincidence that the Washington arms combined the stars, the stripes and the eagle 2 1/2 centuries before America was even discovered, and five centuries before it became a nation."

Coat Pocket Is Town's Office

RICHMOND, Va. (AP)—The Virginia Water Control Board sent notice after notice to the town of Newcastle (pop. 240) asking for its plans for pollution abatement. No answer. Finally the board summoned the town's representatives to a hearing.

"The first we heard of this hearing," said Thurman Britts, commonwealth's attorney for Craig, the county in which Newcastle is situated, "was a story in the newspapers." He added that the notices went to the mayor and "when the mayor gets a letter he puts it in his pocket and forgets it."

I admire the simplicity of your government," said Rosa Walker, board member, "but I must insist someone pay more attention to keeping in touch with the board."

Weather Data Is Big Lure On TV

By CHARLES MERCER
NEW YORK (AP)—For some incomprehensible reason I'm a sucker for weather forecasts on television. I'll cut off a spectacular any time for a quick forecast of what it's going to do tomorrow.

The weather never has any being on my activities. I've lost my rubbers and don't own an umbrella and I'll have to get to the office no matter what happens. But time I will to anybody on the screen who offers a forecast.

The curious thing about it is that in this area there is only one good TV forecaster in my way of thinking. His name is Tex Antoine. He appears only locally on the NBC-TV outlet.

All TV and radio forecasters get their information from the Weather Bureau, of course. But Antoine is the only one who makes me comprehend how it might rain or it might shine. He's authoritative, but not dictatorial. With an eloquent shrug he can explain how it might not turn out the way he expects at all.

There are a lot of women forecasters on TV around the country. Personally I'd give all of them other assignments. Weather is a man's business. When a woman gets into it she's either too positive or too negative. She always makes me aware she's a woman when I only want to concentrate on the weather.

A tall, slim fellow with a flair for a good phrase and a talent for drawing, Antoine was a radio announcer for 12 years before he suddenly put him on the weather beat. In the past few years he's become such an expert that he's now writing a book about you know what.

My increased interest in weather since the advent of a TV set is shared by many. Antoine assured me. His mail proves it. How fundamental weather is to the human condition is shown, he believes, by the fact that angry letters almost always arrive in periodic of depressive weather.

"Depressive weather seems to have a real relationship to cardiac conditions and the schizoid personality," he said. He pointed out: "People generally are more interested in weather during the winter than in summer. But the time of greatest interest is when a hurricane is approaching. A forecast of rain usually leads to some silly phone calls such as, 'Will it rain by 11 o'clock tonight?'"

Father's Famous Name Was No Help To Erich

By BOB THOMAS
HOLLYWOOD (AP)—Does it pay to bear a famous man's name? Erich von Stroheim Jr. doesn't think so. For almost 20 years he has been struggling to get ahead in the movie business, with only modest success. He is the son of the famed actor-director, one of the legendary figures of Hollywood.

"There's not much advantage in having a famous name," said young Stroheim, 39. "Often it can be a disadvantage, especially if your father happens to be a man of extraordinary talent. People expect you to have some of that talent, too. When you can't produce, they are disappointed in you."

He is now second assistant director on "Step Down to Terror," and his story gives an interesting sidelight on the lives of famous men's sons.

No Secret Talk In His Office

BOSTON, Mass. (AP)—Mayor John B. Hines wants no secret telephone talks in his office. He ordered junked an old sound-proof telephone booth that had been installed years ago by a predecessor.

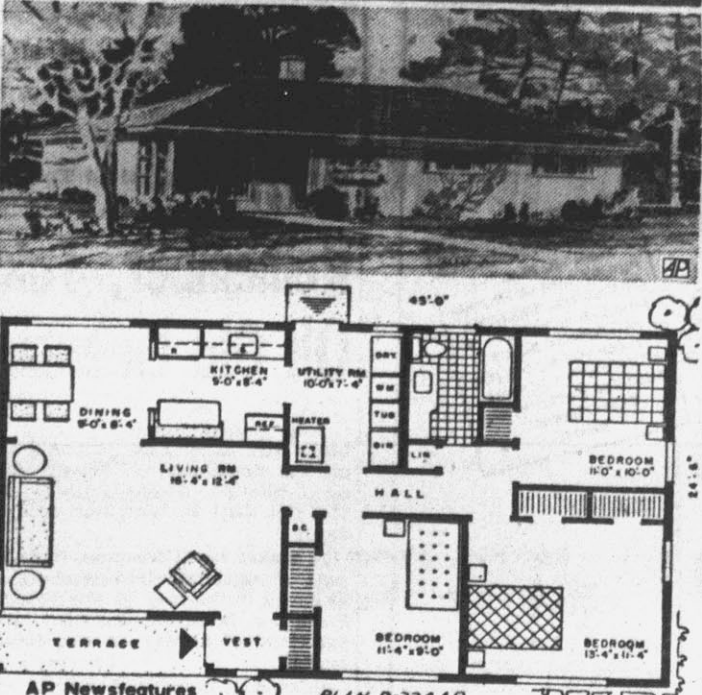

District Postal Meeting Here

J. Knott Proctor, Greenville postmaster, will be host at a March 3rd meeting of the First District Postmasters to be held at Respass Brothers Barbecue.

All area postmasters are urged to attend the meet which will begin at noon and will include a luncheon.

"Weather just isn't and I don't think ever will be that predictable," Antoine said. "It's like standing at the edge of the Atlantic and demanding to know just what wave will wet your toes."

HOMES FOR AMERICANS

LOW COST construction is envisioned in this plan for a basementless house. Large rooms are efficiently arranged in an economical rectangular plan. There are three bedrooms and bath, spacious living room with dining, kitchen and utility room including laundry. Yet the house covers only 1,106 square feet. Closets are indicated by shaded areas. This is plan P-334AP by Samuel Paul, architect, 89-51 164th St., Jamaica 32, N. Y.

Ford Co. Netted \$437 Millions

DETROIT (AP)—The Ford Motor Co., in its first public report, says that its net profits for 1955 totaled a record \$437 million dollars.

Those profits are equal to \$8.19 a share on its common stock, now publicly held for the first time.

Ford reported its total sales for 1955 were \$5,594,000,000, compared with \$4,062,300,000 in 1954, when profits were \$227,800,000, equal to \$4.31 a share.

Ford's \$8.19-a-share compared with \$4.3 by General Motors Corp. on a profit of \$1,189,000,000, and a return of \$11.49 by Chrysler Corp. on profits of \$100,083,320. The difference in per share earnings is attributable to the wide difference in common shares outstanding.

Ford, like the other two of the Big Three, reported a record production in 1955. It said car and truck production totaled 2,614,558, compared with 1,990,020 units in 1954.

Its total assets at the end of 1955, Ford said, were \$2,585,300,000, up nearly half a billion from 1954.

Ford estimated the net worth of the company at \$1,868,200,000, up \$274,900,000 from Dec. 31, 1954.

The statement of earnings and sales was the first ever made public by Ford. As a closely held family corporation it wasn't required to publish such figures until it offered its stock to the public a few weeks ago.

Ford stock started off at \$64.50, but since has dipped to \$61.25 bid and \$61.50 asked over the counter.

Statisticians expect a sharp increase in the number of U.S. marriages around 1960 when "baby boom" babies begin to reach the age of marriage.

East Carolina Orchestra Plans Jamesville Concert

The East Carolina Orchestra will present a concert in Jamesville March 8 at 8 p.m. in the school auditorium there, according to an announcement by Dr. Kenneth N. Cuthbert, conductor of the orchestra and director of the department of music at East Carolina College. Mrs. Charles Maydwell of Jamesville, violinist, will be soloist.

The concert will be sponsored by the Jamesville Band Parents. Mrs. Roland Coburn, president of this organization, is in charge of local arrangements, including the sale of tickets.

Mrs. Maydwell has taught public school music, band, and glee club in both Black Mountain and Jamesville. She is a graduate of the American Conservatory in Chicago and of the University of Miami, where she received the bachelor of music degree in education. She also studied in Boston and at Oberlin College Conservatory of Music.

She has played in a number of instrumental ensembles, including the University of Miami Symphony Orchestra and the Florida State Symphony. While teaching for the Brazilian Air Force during World War II, she was a member of the Sao Paulo Amateur Symphony.

The East Carolina Orchestra is now in its fifth year under Dr. Cuthbert's direction. A college-community group, it is composed of students and faculty members at East Carolina and of selected musicians from various towns in Eastern North Carolina.

Best Insurance To Avoid Wreck

SOMERVILLE, Mass. (AP)—The best way to avoid an automobile accident? While filling out an automobile accident report at police headquarters, one woman found the question: "How could you have avoided the accident?"

"By staying home," she replied.

High Price To Drop Corn Crop

CHAMPAIGN, Ill. (AP)—W. N. Thompson, agricultural economist with the University of Illinois, says it would require payments of \$50 to \$60 per acre to attract Midwestern corn land into a soil bank.

"It would seem to me that the inducement would need to be at least that on 7-bushel-an-acre corn land to be attractive to many farmers," he says.

"A smaller payment would attract land in the corn belt fringe, and poor land in the corn belt."

Saved Himself Another Trip

CLINTON, Tenn. (AP)—The county clerk couldn't understand why the defendant insisted on posting \$500 bond, even though the grand jury had found no evidence to indict him on an assault and battery charge.

Then they found out that on the way to the courthouse he had: 1. Run two red lights. 2. Run three stop signs. 3. Traveled 90 mph in a 45 mph zone and 4. Driven on the wrong side of the street.

"I want to save myself another trip back here," the man explained.

Retirement Has Compensations

MATHEWS, Va. (AP)—Mathews county has 14.7 per cent of its population over the age of 65. The average in this age group in Virginia counties is 6.9 per cent and in cities 6.4 per cent.

People don't live longer here, but the fishing is unusually good and the quiet rural scene is away from industry yet close to cities.

IN THE HANDS OF MORE AND MORE FARMERS

Telephones have been put into the hands of more farmers during the past five years than in any other like period of time. And the job of building lines and installing rural telephones is speeding right along.

Good equipment, over half-century of experience, and the "spirit of service" of trained employees assures farm customers of dependable service day in and day out.

Serving all the farmers who have begun to want telephone service during recent years is a big and costly job. But that job is being done. Total telephone installations in Eastern North Carolina rural areas this year are expected to set a new record. Last year alone, over 3,500 telephones were put in the hands of new rural subscribers.

CAROLINA TELEPHONE and TELEGRAPH COMPANY.

Stock And Market Reports

NEW YORK (AP)—Prices moved narrowly in the stock market today in the early afternoon.

The list was thoroughly mixed with no outstanding trend in any major division.

Some changes went to around a point either way but most were in the smaller fractions.

Trading simmered down to a pace around two million shares for the day.

That compares with 2,530,000 shares traded in yesterday's slightly higher market.

Here is the way principal areas of the market looked:

Steels down, motor, rubbers mixed, aircrafts mixed, utilities higher, and airlines higher.

Kennecott, Copper and Phelps Dodge were slightly higher on the heels of their price boost for copper.

Anacosta started the ball rolling last Friday with a rise of three cents to 46 cents for the metal.

International Paper was off between 1 and 2 points, and Long-Bell Lumber was up between 3 and 4 points as International defended its proposed merger with Long-Bell against Senate demands for an investigation of monopoly aspects of the plan.

Ford Motor over the counter traded at a gain of 1/8 to 1/4 over yesterday's close.

The company reported record high earnings for last year.

At noon, the Associated Press average of 60 stocks held unchanged at 150. It was up 2 cents yesterday and \$2.80 the previous session, largest gain for any single day in the past five months.

CHICAGO (AP)—(USDA)—Salable hogs 9,000, slow early, later fairly active, generally steady to weak on butchers under 240 lb and steady to strong on weights over 240 lb; sows mostly steady, instances weak; no local slaughter Wednesday account holiday; few lots mostly No. 1 and 2s with No. 3 and 4s light.

Chicago live hogs low as low as 11.50; No. 2 and 3s 270-350 lb 11.00-11.50; narrow outlet for weights under 180 lb, few lots 160-175 lb unevenly low at 9.00-10.50; 350-600 lb sows 9.75-11.50; few 350 lb and lighter to 11.25; good clearance.

Salable cattle 6,000; calves 300; steers average choice and better 1,250 lb down to strong, other grades and weights along with heifers slow, about steady utility and commercial cows 25-30 lower; canners and cutters steady to 25 lower; bulls fully steady; other classes steady; load high prime 1,251 lb steers 25.00; several loads prime 1,125-1,206 lb weights 23.50 - 24.00; part load

Airplane Plant Pickets Scuffle With Workers

FARMINGDALE, N. Y. (AP)—A jeering, fist-flailing crowd of pickets scuffled with nonstrikers again today at the strikebound Republic Aviation Corp., main plant.

Police arrested four of an estimated 200 pickets and charged them with disorderly conduct.

Several pickets were reported bruised in the tussle and one was taken to a nearby hospital with undetermined injuries.

A number of nonstriking personnel slipped through the picket lines and entered the plant.

Some 638 others arrived on two Long Island Rail Road trains and entered the plant without interference, inasmuch as the strikebound plant is on Republic property.

Some company activities were resumed shortly afterward including test flying of all aircraft produced for the government.

Republic had suggested that employees could take trains of the Long Island Rail Road to gain entrance to the property without interference from the picket line.

The company had asserted its intention last night to keep its plants open despite outbreaks of violence.

"The company," said Vice President John J. Ryan, "will take all necessary steps in the courts and with law enforcement agencies to restore law and order."

"Republic intends to keep its plants open,"

A spokesman for the International Assn. of Machinists said none of Republic's 12,000 production workers reported for work on the first full day of the wage strike yesterday.

A company spokesman said, however, that "deliveries of the atom-bomb-carrying Thunderstreaks and other commitments to the U. S. Air Force are continuing."

A \$ 7 million backlog of half a billion dollars in government orders for jet fighter-bombers and guided missiles.

Over 7,000 engineers, scientists, supervisors and office employees at the firm's four Long Island plants did not go on strike with the production workers early Sunday.

The main plant is here and three smaller ones are at Port Washington, Greenlawn and Hicksville.

Justin Ostro president of the union's Republic local, offered to supply 4,000 passes for office employees so they could get through picket lines un molested.

A group of fist-wielding strikers surged and shouted against non-strikers who tried to break through picket lines yesterday morning and again last night.

Cars were backed up for a mile outside the gates of the main plant here when night shift nonstrikers came to work. Pickets formed human walls against approaching cars. Some hurled themselves into the hoods of the cars.

Many persons suffered bloody noses, black eyes and bruises.

More than 50 pickets, including 10 Communist Party members, were arrested on assault or disorderly conduct charges. They were released on bond.

The union sent a telegram to Gov. Averell Harriman protesting against what it said were "brutal attacks" by police on picket lines. Another telegram to police officials asked a halt to "the black-jacking and clubbing of union members and the reckless escorting of strike-breakers into the plant."

Hold Merchant In Pistol Death

COLUMBUS, Ga. (AP)—A white department store owner was being held without bond on a murder charge today in the pistol slaying of Dr. Thomas H. Brewer Sr., 61-year-old Columbus Negro leader.

The B&O announced that Tommy Brewer was the 100,000th visitor to the company's museum of railroad history here. To honor Tommy and the occasion, the railroad presented the boy with one share of common stock.

The solicitor general reported a witness said Brewer, a prominent Columbus physician, reached into his pocket Saturday night just before he was shot to death in the office of the department store owned by Flowers. A pistol later was found in Brewer's pocket, Land said.

Brewer had "threatened to get" Flowers shortly before he entered Flowers' office in the rear of the F&B Department Store, the solicitor general said.

Land said apparently there was no connection between the slaying and any activity of the National Assn. for the Advancement of Colored People, in which Brewer was a leader.

E. E. Farley, president of the Columbus chapter of the NAACP, said Brewer was dissatisfied with the police investigation of the arrest of an intoxicated Negro in front of Flowers' store two weeks ago and wanted Flowers to appear as a witness in the case. Flowers refused, he said.

J. D. Gurganus of the Pactolus community was bound over to Superior Court under \$2,000 bond yesterday by Magistrate Frank Brooks. Gurganus is charged with burning a pack house on the Paul Davenport farm.

The pack house was totally destroyed by fire Saturday evening. Gurganus is a tenant on the farm.

He will be tried at the term of Superior Court beginning March 19.

THEY WERE ANNOYED INDIANAPOLIS, Ind. (AP)—The manager of a trucking company called police and complained a 26-year-old woman entered the terminal and stripped to the waist.

"She annoyed the workers," Frank Pryor said.

The woman was charged with disorderly conduct and resisting arrest.

Psychologist Is Rotary Speaker

Dr. Lucian L'Abati, psychologist with the Pitt County Mental Health Clinic, discussed for Rotarians last night workings of such a clinic.

The assistant director of the clinic told his audience clinical psychology has advanced rapidly by the medical field. Most major cities today, he said, have mental health or child guidance clinics, but few small cities like the size of Greenville have such facilities.

"Greenville should be grateful to Dr. Walter C. Humbert," Dr. L'Abati said for the establishment of the mental health clinic here. "He has worked miracles."

In clinic work here, Dr. L'Abati said, the psychiatrist, the psychologist and the social worker will operate as a team with both the psychologist and the social worker carrying out their duties under the direction of the psychiatrist.

The purpose of the clinic, he pointed out, will be to offer assistance to people to prevent serious disorders which otherwise would require confinement and treatment at a psychiatric hospital. The clinic will work with both children and adults.

Dr. L'Abati was introduced by Dr. E. W. Larkin, Jr.

Lumbee Indian Bill To Senate

WASHINGTON (AP)—A bill now in the Senate would permit about 4,000 Indians living along the Lumbee River in North Carolina to become known as Lumbee Indians.

The bill was passed by the House yesterday. The Indians are farmers and businessmen living in Robeson and adjoining counties.

The people stem from early American colonists and certain tribes of Indians originally inhabiting the coastal regions of North Carolina.

The Indians concerned in Robeson County voted in 1951 to adopt the name and in 1953 the North Carolina General Assembly also approved the name.
