

VILHJALMUR STEFANSSON
IN CARE OF
AMERICAN GEOGRAPHICAL SOCIETY
BROADWAY AT 156TH STREET
NEW YORK

October 20, 1924.

Dear Mrs. Fletcher:

I am enclosing a letter from someone in
Los Angeles who pretends to have an interview with Ada Blackjack.
Do you know anything about it? There is no hurry, so just reply
by letter. Please return the letter to me when you have read it.

I am enclosing my lecture schedule. As always,
letters are "General Delivery" and telegrams in care of Western
Union. As you see by the schedule, I shall be in New York most
of the time between the first and the 10th of November.

Viljalmur Stefansson
