

FTC

November 19, 1976

Mr. Ernest G. Barnes
11706 Eden Road
Silver Spring, Maryland 20904

Dear Ernie:

Carroll has told me of your recent conversation and since then we have received a copy of your resume. Things now are quite chaotic within the Carter camp but shortly things should begin to settle down some. Please let us know when you think some consideration might start being given to the seats on the FTC so we can try to make a contact for you. In the meantime, we will keep your resume in hand and you in mind.

Sincerely,

Robert Morgan
