*Federal and  
Comm?*

Mr. Ernest G. Barnes  
11706 Eden Road  
Silver Spring, Maryland  
20904

Dear Ernie:

Thank you for sending me your resume, and this letter will acknowledge its receipt. As you know, the Carter people have requested that all job applications be accompanied by a resume.

I will forward your resume on to the Carter transition team along with a letter concerning your qualifications. I will also be discussing job possibilities with them in person in the coming weeks.

Thanks again for the resume and best wishes for the holiday season.

Sincerely,

Robert Morgan
