

Best Wishes to a

WAVE

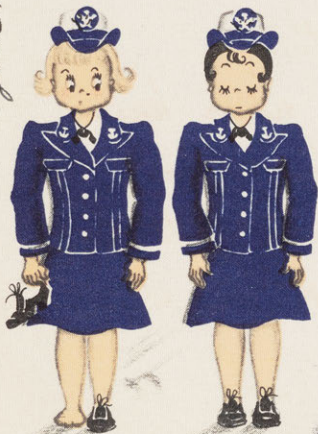

Just a line to
let you know
GOOD WISHES

are with you
wherever you go

Put it on
they're your new pumps!!

Ellen

You'll have to rise
at the **CRACK** of **DAWN**
And report
for duty with
never a yawn!

Couldnt resist
sending this

You'll learn some things
you never knew
That every sailor has to do!
And though you may never go to sea-
You're a **NAVY WOMAN** - yes siree!
