Dear Sadie,

I have just-realized that
it is nearing March and I do
not know if the N.B. Taxes are paid.
If you cannot collect rent suppose
you send them the exact-amount of
city & co Tax and let me send you
a check before the March penalty goes
on.

What do you suppose is the reason
Mary does not pay the rent? If
her sub-renter is bad pay we better
push her so she can get them out.
I get so upset about the way the war
is going (I mean coming) nearer &
nearer that I most-forget my own
business. I would like to sell that-
house now if I can. I think I should
bring the original price or more now.

I know "you all" are upset too as any talk of evacuation reminds "Mama" of the evacuation she went thru and naturally she would feel if I talk of more. Mr. Claypoole writes about it the prep. in case" and I gets Caroline all upset - men don't think. she is moving to Ocala today because it is further inland -

I saw in the paper about Caleb Bradham suing his ex wife to see his daughter - who did he marry? The paper said Haydee Morris from near N.B. Was she Dave Morris on "St Elias" river?

Who is the William Dunn on Morehead city road?

I know Bessie is nearly crazy - Is her grandson there or in Panama now - I guess she doesn't know where Francis is now.

If you want to have a good laugh see "Louisiana Purchase"

Best regards to all. I excuse abrupt close as I must write more, dress for dinner & go. back with Henry to attend to some urgent business - to save time - so long. Sincerely.
