

Senator Kennedy's Condition 'Critical'

LOS ANGELES (AP) — Sen. Robert F. Kennedy was shot in the head by a mysteriously silent gunman today after winning the California Democratic presidential primary. He emerged from more than three hours of surgery in "extremely critical condition."

Dallas. Vital signs—pulse and breathing—are in good order, Frank Mankiewicz, his press secretary, told newsmen, but the next 24 to 36 hours will be critical.

He said there "may have been some impairment of the blood supply to the center of the brain"—which controls pulse, blood pressure and tracking of the eye—but "not the thinking processes."

The 42-year-old New York senator came from behind in California's crucial primary to accrue a winning lead over Sen. Eugene J. McCarthy around midnight. Kennedy had proclaimed his win to about 2,000 supporters at an Ambassador Hotel rally and was taking a shortcut through the kitchen to a meeting with newsmen when shots rang out.

Pandemonium broke loose. Roosevelt Grier, giant Negro tackle for the professional Los Angeles Rams, quickly grabbed the much smaller gunman, wrestled the gun from him and held him for police.

Officers later questioned the man for hours at Central Jail, and said he stonily refused to say anything, except "yes" to a question.

Nichols School Site Sale OK'd

By BLANCHE HARDEE Reflector Staff Writer The Pitt Board of Education yesterday approved the sale of Nichols School site and moved a step closer in securing sites for two consolidated high schools.

The high bid for the Nichols property, near Bell Arthur, including a six-room farm building considered in "poor shape" and 2.1 acres of land, was \$4,100. That bid, which was accepted, was submitted by J. V. Nichols of Bell Arthur.

Tentative approval was given by the board to retain the firm of Dudley and S. Architects, to plan a \$1.5 million consolidated high school facility for the Farmville area. The building will be located on a 40-acre site near the elementary school in Farmville.

Although the Farmville site has not been acquired by the board, purchase of the property is expected to be completed in the near future.

Tentative approval was also given by the board to attempt to negotiate for a 30.27-acre site for a consolidated school on N. C. 11 between Grifton and Ayden.

A committee was named to study a report from appraisers and possibly make a firm offer to the owners of the property, Frank, C. E. and Henry Hart.

Appraisers set the value of the land at \$42,670. The board of education has already acquired a site for a consolidated school between Greenville and Bethel and is

in the process of seeking to acquire through condemnation, a 30-acre tract of land on N. C. 43 about seven miles south of Greenville, for another consolidated high school building.

Plans for the North Pitt School project are being readied by architects at the present time.

After hearing a report from a committee which met with residents of the Chicod area, the board voted to move ahead with the addition of a lobby for the Chicod School gym. Leo Hawkins of Greenville was the low bidder for the project, with his bid of \$10,498.

Education board members had discussed the possibility of expanding the playing court at the gym earlier, but cost of the project was considered too high.

New principals for the Ayden and H. B. Sugg High Schools were named by the board yesterday. Jimmy E. Dunn, an Ayden native, was named principal of Ayden High School while an Elizabeth City man, Robert E. Harvey, was appointed principal of H. B. Sugg School.

The board accepted the resignation of Blaine Moye as principal of Winterville High School. No successor to that post has been named.

In other business, the board of education discussed the possibility of annexation by the Greenville School District of Hardee Acres on U. S. 264 east of Greenville, and the Parkers Chapel area along N. C. 30 and an area along Memform (Continued On Page 20)

Presidential Race Today In Disarray

By THE ASSOCIATED PRESS The shooting of Sen. Robert F. Kennedy moments after a rousing California primary victory speech has brought the Democratic presidential race to a standstill and left its prospects in disarray.

His lead over Sen. Eugene J. McCarthy continued to grow in the confusion that followed.

This was the situation, with 16,299 of 21,301 precincts counted: Kennedy 1,074,023, or 46 per cent, McCarthy 988,441 votes for 42 per cent, an uncommitted delegation 286,869 votes, 12 per cent.

McCarthy canceled plans to campaign in Seattle and said he would instead return to Washington, D.C.

Vice President Hubert H. Humphrey also cancelled campaign plans and said he would return to Washington from Colorado Springs, Colo., where he was to make a graduation address at the U.S. Air Force Academy.

The California Democratic winner was to control 174 delegate votes at the national convention. State Atty. Gen. Thomas C. Lynch heading an uncommitted delegate slate, was drawing a vote of about 15 per cent.

California Gov. Ronald Reagan was unopposed as a favorite-son candidate for 86 GOP delegate votes.

—Max Rafferty, California's public schools superintendent, forged ahead of Sen. Thomas H. Kuchel, the assistant GOP leader in the Senate, this morning.

With 15,619 precincts counted, the vote stood at 749,690 for Rafferty, 49 per cent, and 744,360

N.C. Democratic Convention May Be Postponed

RALEIGH (AP) — The North Carolina Democratic convention may be postponed because of the shooting of Sen. Robert Kennedy, Party Chairman Tim Valentine Jr. said today.

"I am keeping in constant touch with Gov. Moore and Lt. Gov. Bob Scott on this matter and cannot say anything definite at this time," Valentine said.

He said a decision might depend on the seriousness of Kennedy's condition.

Valentine said the procedure might be to convene and then immediately recess the convention to a later date "in order to comply with the letter of the law."

Earlier Gov. Moore said he was "deeply shocked" by the shooting and termed it "a tragic turn of events for a democracy."

Here is the text of the governor's statement: "It is a tragic turn of events

for a democracy when public figures must literally put their lives on the line when they enter the political arena.

"I am deeply shocked by the shooting of Sen. Robert Kennedy, and I offer my sympathy to him and the members of his family—all of whom already have suffered so much.

"My prayers are for his full and complete recovery and that this nation not be asked to undergo any more such tragic and violent happenings."

North Carolina Democratic Chairman Tim Valentine Jr. said, "I'm angry, shocked and saddened by this horrible incident. When, oh when will the savage instincts of our land subside. My heartfelt sympathy goes out to his family. I pray for his recovery."

Evangelist Billy Graham said from his Montreat home: "I am terribly shocked and grieved. Not only for Senator Kennedy and his family, but for America."

Summer School Begins June 10

The summer school program sponsored by the Greenville City Schools will begin Monday, June 10. Students in grades 7-12 will attend classes at J. H. Rose High School and students in grades 1-6 will be located at Elmhurst School.

Land Bought For School In Williamston

WILLIAMSTON—The Martin County Board of Education purchased nearly five acres of land in the West End section of Williamston Monday for the purpose of building a new school. Cost of the land was \$19,000.

In other business the board approved the use of three Martin schools for use of Martin Technical Institute for extension classes this summer.

N. C. Hyman was named as principal of Robersonville Elementary School to replace retiring principal Marv Everett. No replacement has yet been announced for principal of the Hamilton school to replace retiring George Haislip.

The Board voted to continue to pay teachers on the 25th of the month.

The Board also assigned students to schools who had exercised a choice under the freedom-of-choice plan.

Eyewitness account on Page 6.

Kennedy lay for a time flat on his back in the kitchen, eyes open, crowd milling around him. Some observers say they heard him say, as he was lifted into a police ambulance, "Oh, no. No. Don't."

Physicians there administered closed cardiac massage, oxygen and adrenalin. "At first he was pulseless," said a doctor who treated him, "then his pulse picked up, and we began to hear a heart beat and he began

to breathe—a little erratically." The doctor, Victor Baz, said Ethel Kennedy, who accompanied her husband in the ambulance, was frightened—she didn't believe he was alive because she couldn't see that he was responding. I put the stethoscope to her ears so she could listen and she was tremendously relieved.

She was "very distraught but superb...ver edgy, but my own wife wouldn't have done as well, I don't think. She was gracious at all times."

Kennedy was taken to Good Samaritan Hospital near downtown Los Angeles. There a team of six surgeons began brain surgery at 3:12 a.m. that lasted about 3 hours and 40 minutes.

Doctors said one bullet struck near the right ear and entered the brain. Another hit in the shoulder. A third apparently grazed his forehead.

Kennedy's press aide said after the surgery that no further effort is planned for removal of the remaining bullet fragment in the skull. "Some fragments of the bullet and bone went to the brain stem," he said, and the senator lost considerable blood.

Only Suspect In Kennedy Shooting Says Nothing

LOS ANGELES (AP) — The man who shot Sen. Robert F. himself and has said but one word—"yes"—since his arrest, Police Chief Thomas Reddin said today.

"He just sits there and says nothing," Reddin told a news conference.

The man is the only known suspect, he said.

The man under arrest was secretly arraigned at 7 a.m. as John Doe and bail was set at \$250,000. Police had earlier booked him on suspicion of assault with intent to commit

murder. The arraignment was on six such counts.

Police Chief Thomas Reddin told a news conference that the man finally broke hours of silence and proved to be "extremely articulate with an extensive vocabulary, very much at ease in conversation, but nothing at all to help our investigation."

The chief said the man refused to identify himself or discuss the shooting.

Asked if the man had any obvious national origin, the chief said he possible could be a Cuban or Jamaican.

The .22 pistol, Reddin said, was traced to previous owners in Los Angeles and Marin City, Calif., but it disappeared two years ago.

The FBI, he said, "has eliminated any possibility at this time that they can identify him for us."

In the man's pocket, Reddin said, was a key to an auto found in the hotel parking lot and belonging to a hotel kitchen employee, not identified.

In Washington, the Justice Department said the suspect's fingerprints had been sent from the FBI office in Los Angeles to Washington to aid in identification.

New Principals Are Announced

New principals for the Ayden High School and H. B. Sugg School in Farmville were named yesterday by the Pitt County Board of Education.

Jimmy E. Dunn, a native of Ayden, was named as principal of Ayden High School while an Elizabeth City native, Robert E. Hary, was appointed principal of H. B. Sugg.

Harvey has been principal of the Ralph Bunche High School, King George, Va., for the past five years. Prior to that time he taught in Johnston County.

He is a graduate of Elizabeth City State College and received his M. A. degree from North Carolina College in Durham. Harvey is married to Esther D. Harvey of Robersonville. They

have two children. Dunn, a 1951 graduate of Ayden High School, received his A. B. and M. A. degrees from East Carolina University. He has also studied at Florida State University.

The Marine Corps veteran taught for four years in Kinston and served as an elementary school principal in Roanoke Rapids for three years before moving to Beaufort. He has been principal of the Beaufort Elementary School since 1966.

Dunn is married to the former Marjorie Boyd of Winterville and they have two children. Dunn is replacing Delano Wilson in the Ayden post, while Harvey will replace F. H. Mebane.

Methodists Vote Large Fund Request

FAYETTEVILLE, N.C. (AP) — Delegates to the United Methodist annual conference today approved a record \$2.5 million benevolence request for the denomination's 11 eastern North Carolina districts.

The budget for fiscal 1969 represents a 10 per cent increase over current expenditures for benevolent projects.

Here is a breakdown of the funds which the districts will divide among the east's 850 Methodist churches: Burlington \$227,849, Durham \$282,918, Elizabeth City \$157,606, Fayetteville \$239,109, Goldsboro \$211,575, Greenville \$222,936, New Bern \$191,435, Raleigh \$338,883, Rocky Mount \$262,703, Sanford \$256,970, and Wilmington \$166,972.

The delegates paused for a moment of prayer this morning for Sen. Robert Kennedy and his family. Kennedy was shot and gravely wounded in Los Angeles early today.

Presiding Bishop Paul N. Gardner ordained seven ministers as deacons and 14 as elders.

PASTOR RESIGNS CHARLOTTE (AP) — The Rev. S. James Stilwell, pastor of the Way of the Cross Lutheran Church at Charlotte, resigned Tuesday because of criticism from members of his congregation of his involvement in peace vigils and the Poor People's March.

Abby Stalls Over Florida Coast

CAPE KENNEDY, Fla. (AP) — Squalls struck the nation's moonport today as Tropical Storm Abby stalled over the Florida Atlantic Coast. Highest winds of 50 miles an hour lashed offshore waters.

Small boats were advised to remain in port from Palm Beach north to Cape Fear, N.C. Gale warnings flew from Palm Beach to Jacksonville.

Nol Pros Warrant Against Jenkins

A warrant that accused Dr. Leo W. Jenkins of allowing obscene literature to be distributed and sold in the East Carolina University book store was not pressed in Pitt County Recorders Court yesterday.

The action came, county solicitor Willis Talton said, after receipt of a letter "over the signa-

ture of William Bingham" requesting the charge be dropped "and because other investigation indicated Bingham has left the state and is not expected back."

Talton added Dr. Jenkins' attorneys were also consulted and approved of the nol pros. Bingham, a former associate professor of English at ECU

signed the warrant against the university president almost two weeks ago, after a university student and a Greenville manufacturing plant worker were arrested on charges of violating the same city code.

The letter Talton referred to said, "I should like to drop the charge against Leo W. Jenkins

which is to be heard in court on June 4, 1968, re: against ordinance 1624, William Bingham". It was addressed to the Pitt County Clerk, County Court House.

Court officials said the letter was received over the weekend. The solicitor, who said earlier the case had been continued un-

til the June 11 term of county recorders court, reported the case was disposed of yesterday in light of the letter and the belief that Bingham had left the state.

"Rather than leave it hanging," Talton said, "we decided to go ahead and nol pros the case."

### Invitation To A Honeymoon

MANCHESTER, England (WNS)—Doris Hanson, 65, received an invitation to meet Queen Elizabeth and imagined that it was in recognition of her 25 years as a civil servant. Her husband bought her an evening

gown, long white gloves and silver shoes, but then word arrived that the invitation was a mistake—it had been intended for Donald Hanson, a city official. "No matter," smiled Doris, "my husband has invited me to second-honeymoon in Majorca instead, and I'm more thrilled than ever."

## Reader Tells Of Wife's Treatment Of Husband

By ABIGAIL VAN BUREN

DEAR ABBY: There is a humane society to protect dumb animals for starvation and neglect. Too bad they don't have a humane society for husbands—

I know a woman who sends her husband to work every morning without any breakfast. (He eats an orange on the way.) Not only that, but she doesn't pack him a lunch, either, and she knows there's no place to buy anything within a mile of where he works. If I didn't pack extra sandwiches in my lunch this guy would starve to death.

When he gets home from work he has to clean up the house and take care of the kids. And on week-ends HE does the laundry. What do you think of a wife like that?

JUST ASKING  
DEAR JUST: Before passing judgment, I'd have to know if the wife is sick or just plain lazy. If she's sick, I'd try to get her some help. If she's lazy, and her husband puts up with it, he may qualify for help from the humane society. (It's for "dumb animals.")

DEAR ABBY: Thru a very reliable source, we found out that our son has been peeping into various neighbors' windows. He is an average high school student, brought up in a respectable home. We have no idea why he does this.

Because of the humiliation that would be brought upon the family, we do not wish to consult a doctor. Can you help us?

HIS PARENTS  
DEAR PARENTS: Yes, I can "help" you by insisting that in consulting a doctor there would be no "humiliation" whatsoever. If your son had a "kink" in

his back, you would seek the doctor to straighten him out, wouldn't you? So why, when he has an obvious "kink" in his thinking, do you leave him helpless? Window peeping is a symptom of a deeper emotion problem and should be neither hushed up nor ignored. You owe it to your son (and to society) to get him to a doctor.

DEAR ABBY: In answer to "No Name, Ohio," I'll bet if her brother-in-law, the postman, had given her a few of those free samples, you'd never have heard from her.

I did a little research on the subject and here are my findings for what they are worth:

First, all free samples are other "junk" mail which is undeliverable due to vacancies, addressee moved, etc., is supposed to be returned to the postoffice to be destroyed.

I understand that some postmasters allow their carriers to take the undeliverable stuff home. Others distribute it to various institutions, but can you imagine the work involved deciding which institution got the last box, and who is more "deserving" of magazines and samples of soap, detergents, and tooth-

paste. Besides, all the original addresses must be removed from the items before giving them away, which presents another problem. The taxpayers are certainly not going to go for hiring more workers just to cut labels off undeliverable stuff.

It is my opinion that products should be advertised in newspapers and magazines and sold in the stores. And this business of sending "free samples" to "occupant" and making delivery boys out of our mailmen should be stopped.

The postoffice should be run for profit, or at least break even, I, for one, say, "Mr. Postman, you may have all the "junk mail" addressed to my house—including the free samples. You've earned them, and I don't want them."

YAKIMA, WASH.

## Miss Holland Graduates, Enlists On The Same Day

RALEIGH — Miss Donna F. Holland, 18, had two reasons to be happy Friday, May 31. She graduated from J. H. Rose High School and enlisted in the Air Force for four years.

The daughter of Mr. and Mrs. J. W. Piver of 1115 S. Overlook Drive, Greenville, Miss Holland is now at Lackland Air Force Base, Texas undergoing six weeks of basic military training.

Miss Holland's stepfather, Mr. Piver, is a veteran of World War II. He served from Australia to England with the Army-Air Corps and flew 26 combat missions as a gunner in the B-17 in Europe.

Donna's brother, Ted, is with the Army, stationed along the demilitarized zone in Korea.

When Miss Holland took the oath of enlistment it filled an of 14 — to enlist in the Air Force. Mr. and Mrs. Piver accompanied her to Raleigh to witness the enlistment ceremony.

Miss Holland said she chose the Air Force because of the opportunities available to young women. She hopes to get into the IBM or data processing field and take advantage of the travel opportunities in the Air Force.

After completing basic training, Donna will be assigned to a technical school or to one of the huge Air Force bases located throughout the United States.

In the future, more young women from Eastern North Carolina will be able to take advantage of the opportunities available in the Air Force. Currently, 6,000 women are wearing the blue uniform. By the mid-1970s, this number will be increased to 13,700.

## Couple Says Vows Saturday Afternoon

Infant of Prague Catholic Church was the setting Saturday at 2:00 p.m. for the wedding of Miss Toni Ann Sirignano and John Joseph Condon 111 of Grifton.

The bride is the daughter of M-Sgt. and Mrs. William William Sirignano of Camp Lejeune. The bridegroom is the son of Mr. and Mrs. Condon of Grifton.

The Rev. James McHugh officiated at the nuptial mass assisted by the Rev. Paul Byron and Msgr. Frank Howard of Havelock.

Mrs. Amelia Valley presented a program of nuptial music. Acolytes were L. and Bobby Barrera of Havelock.

The bride given in marriage by her father, wore a floor-length gown of silk organza and beau de angl lace styled with a portrait neckline, short sleeves and empire bodice. The A-line skirt featured a scalloped hemline.

Her veil of lace and illusion was worn mantilla style extending into a court train. She carried a cascade of red sweetheart roses, white orchids and pom poms.

Miss Leslie Sirignano was her sister's maid of honor. She was attired in a formal gown of rose chiffon with pink and rose trim. Her matching headpiece

was a bow with attached veil. She carried a cascade of pink carnations.

Bridesmaids were Miss Marsha Klasby of Everett, Mass., Miss Kathy Wilde of Belmont, and Miss Diane Lambright of Havelock. Junior bridesmaid was Miss Billie Sirignano, sister of the bride. They were attended as the honor attendant.

Thomas Gerald Steigerwald of Hyattsville, Md., was best man. Ushers were R. Allan Ehrich of West Orange, N. J., Richard J. Salem of Havelock, Danny R. Hines and Lloyd A. Butler of Grifton.

The bride is a graduate of Havelock High School and Massachusetts General Hospital in Boston, Mass., as a medical secretary. She is presently employed at Presbyterian Hospital in Charlotte.

The bridegroom was graduated from Gaston High School and a senior at Belmont Abbey College.

After a wedding trip, the couple will reside in Charlotte.

# Logical, Significant Step For PTI

Decision of the Board of Trustees of Pitt Technical Institute to request Community College status for the Institute marks another significant and logical step in the development of this educational facility which has become so important in the life of this county.

In addition to the request for new status, it is also significant that the trustees reiterated their determination to further strengthen technical and vocational programs as the primary objective of the institution.

Pitt Tech, since its beginning several years ago, has made a great contribution to this county and its people. Through its vocational training and technical programs, it has afforded many local citizens the opportunity to learn new skills and to upgrade their potential for better employment.

At the outset, Pitt County started with an Industrial Education Center under the state's community college program. As its program was devel-

oped and expanded, the facility grew into what is now Pitt Technical Institute, the second step in the level of facilities under the state-wide community college system. The action of the Pitt Tech trustees Monday night initiates the move to the third stage of authorized development, that of a community college which will be able to further expand the technical and vocational programs and provide accredited courses for people in these fields who may later decide to further their training in senior colleges.

Any fears that this move will lead to a de-emphasis of technical and vocational training at Pitt Tech appear unfounded. In requesting community college status, the trustees likewise adopted a resolution expressly stating their intention to expand and strengthen the technical and vocational programs and to continue to make these the primary objective of the institution.

The request for community college status will now go to the State Board of Education which is the governing agency for the state's community college system that includes all Industrial Education Centers, Technical Institutes and Community Colleges. The request provides Pitt County with the opportunity to be in on the ground floor as the state decides which of the institutions in this system will be elevated to community college status during the coming biennium.

In the long run, if the request is approved, it should mean more and better technical and vocational education opportunities for citizens of Pitt and surrounding counties.

# Grassroots At Center Stage

By WILLIAM H. SHIRES  
Reflector Raleigh Bureau

WILLIAM SHIRES

RALEIGH — Democrats from the grassroots, precinct, county and district levels take center stage in Raleigh this week.

The occasion is the party's 1968 state convention on Thursday. By midweek, hundreds of the party faithful will be flocking to Raleigh and crowding the hotel lobbies and restaurants and huddling in smoke-filled rooms—bringing with them the political opinion and advice from all of the state's 10 counties.

The state convention, held every two years, in effect is North Carolina's substitute for preferential primaries prior to the party's national convention.

In many ways, party officials and veteran Democrats feel the convention method is good and serves North Carolina's political needs better.

**A Sounding Board**  
This point and the question of whether North Carolina should adopt a preferential primary will be argued later, perhaps in the next legislative session.

But the state convention does provide a sounding board. There are speeches and resolutions, a platform document and words of wisdom from party leaders and old political warhorses.

It does more for the North Carolina standpoint. It provides a party base from which each Democratic political candidate in the state may launch his election campaign. And it looks toward an overall ticket which, insofar as North Carolina Democrats are concerned, should be in the best interests of the party's candidates.

**How Composed**  
The convention, according

to party rules, is composed of delegates named by the various county conventions, with each county entitled to send one delegate and one alternate for each 300 votes cast for the Democratic nominee in the last general election for governor. That was 1964.

These delegates from each county choose a chairman who casts the vote from that county. If challenged, the convention chairman must call for a roll call vote. The challenge must come from a member of that county's delegation.

In the past, a few challenges within a delegation have had to be referred to grievance committees and arguments dragged on so long that the convention adjourned and the county's vote was never counted. Few expect such bitter and prolonged internal dissent this time. Most state headquarters sources believe the convention will go smoothly. They do not foresee any divisive issues important enough to snag the planned convention procedure.

**Committees Working**  
Convention committees were named some time ago and have been and will be working until time for convening.

One is the platform and resolutions committee headed by Martin Cromartie of Tarboro, and Cromartie's group has worked overtime.

It came up Sunday with a proposed resolution to bind North Carolina's 59-vote delegation to a "favorite son" candidate for president, Gov. Dan K. Moore. The wording of the resolution allows Moore to release the delegation, at any time after the first roll call. This would be the first known occasion of pledging the state's delegation to the national convention, and some are asking "why?"

Among the reasons cited are these. The picture about who will or will not be in the running for the presidential nomination at Chicago is not clear. Few prospective delegates from North Carolina are committed. Most appear to favor vice president Humphrey, but this support is not really firm.

# A Reshuffling Of U.S. Troops

By ROBERT T. GRAY

WASHINGTON (AP) — The Johnson administration is assuring Congress that plans call for U. S. troop strength to be held steady in Vietnam and lowered in Western Europe.

Both questions have been major foreign-policy issues on Capitol Hill.

A recent White House meeting of congressional leaders was told there are no plans for increasing the number of troops in Vietnam beyond the present authorization of 550,000 men.

Secretary of Defense Clark M. Clifford told the group he is determined to fulfill his pledge that South Vietnamese forces take back once again more of the responsibility for fighting the war.

In other public and private discussions, Clifford has talked of the eventual withdrawal of big numbers of U. S. military men stationed in Western Europe.

There have been continuing calls for this move from several members of Congress, including Senate Democratic Leader Mike Mansfield.

The administration has set

no timetable for any cutbacks in U. S. forces in Europe, but for Clifford merely to talk about them is highly welcome to many Congress members.

Some have complained that the maintenance of 300,000 U. S. troops and their dependents as part of the North Atlantic Treaty Organization force has been a major aggravation to the balance-of-payments problem.

Others, such as Mansfield, hold that the present policy is based on post-World War II conditions that no longer exist.

Clifford recently told the Senate Foreign Relations Committee he had informed other NATO member nations they could not expect an indefinite U. S. presence of the current size in Western Europe.

The administration outlook on Vietnam and NATO apparently is soothing the war critics—at least to a degree. And their public opposition to Johnson's Vietnam policies has fallen off markedly since the Paris peace efforts began.

# The Tennis Shoe People

WASHINGTON — No one has heard from the Little Old Lady in Tennis Shoes this election year, although in 1964 she was Barry Goldwater's staunchest supporter and was quoted constantly during the entire campaign.

I was fortunate to run into her the other day on the street. Except for the fact she looked a little grayer and her shoes were a little more scuffed, she had changed little during Lyndon Johnson's years in office.

"Hello, Little Old Lady in Tennis Shoes," I said. "It's good to see you again."

"You say that every four years, but you never come to see me when there aren't any elections going on."

"I'm sorry," I apologized, "but I've been awfully busy covering President Johnson."

"I'll bet you have," she cackled. "You all laughed at me in 1964, but in your heart you know I was right."

"Tell me, Little Old Lady in Tennis Shoes, what have you

been doing for the past four years?"

"Perfecting my serve. When my man lost, I went back to tennis. I've never played better. You got time for a couple of sets? I've got my racket in my shopping bag here."

"Thank you, but I really don't have time to play now."

"Too bad. I could whip the pants off you."

"I know this is a personal question, but who are all the little old ladies in tennis shoes supporting this year?"

"Well, that Ronald Reagan seems like such a nice young man. He's no Barry Goldwater when it comes to thinking, but he dresses so neatly, and he's got such a sincere quality in his voice. I even liked him before he went into politics."

"You had to like him, then," I said.

"Reagan stands for God, home and country," she said, swinging her tennis racket for emphasis. "He believes in the American virtues that all of us hold dear."

"How do you feel about Rockefeller?"

"That socialist? Do you know he tried to steal the nomination away from Barry Goldwater in 1964? He would have, if we hadn't boomed him at the convention."

"Was that your tennis ladies booing Rockefeller?"

"Well, it wasn't Happy," she chuckled as she hit a tennis ball across the street.

"How do you feel about Nixon?"

She paused in the middle of a swing. "Old Tricky Dicky. We tennis shoe people like the old Nixon. The new Nixon gets on our nerves. If we have to go that route we will, but it's the last time."

"You wouldn't consider supporting a Democrat, would you?"

"You must be kidding," she said. "I wouldn't even play one doubles."

"It's that bad, huh?"

"Look, Sonny, we little old ladies in tennis shoes have very high standards. We're not going to throw our vote away on leftist, pinko, deficit spenders who want to flounderate our drinking water. You sure you don't have time for one set?"

"I wish I did," I said regretfully, "but I have to get back to the office."

She put her tennis racket back in her shopping bag. "Too bad," she said. "I've really perfected my backhand."

"I guess I'll see you at the Republican convention."

"You bet your sweet life you will, Sonny," she said, jumping over an imaginary net to shake my hand. "And this time we're going to give it to Rockefeller good. Those Eastern Establishment socialists just never learn."

# Hubert Power Source

By DICK BARNES

DETROIT (AP) — Hubert H. Humphrey's strength in the Michigan delegation typifies how and why the vice president is soaking up votes from non-primary election states for the Democratic presidential nomination.

Old time loyalties, party regularity, a delegate selection system not particularly attuned to public opinion and concern by some blocs with their party position combined almost inevitably for Humphrey in Michigan.

The delegation picked last weekend at an organization-dominated state Democratic convention is nominally uncommitted. But 60 or more of the state's 96 votes lean to Humphrey in varying degrees. Sen. Robert F. Kennedy appears to have most of the others except for two or perhaps three aligned with Sen. Eugene McCarthy.

State Chairman Sander Levin successfully imposed for two months a rule that principal Democrats keep quiet about their preferences. He sought to avoid fratricide in a party badly damaged by the Republican sweep of 1966.

Now he has lifted the ban and the Humphrey camp is pushing for individual delegates to declare their choices, hoping to create a bandwagon which might attract some waverers.

Kennedy forces contend that half the delegation leans toward the New York senator. But they refuse to say even generally where their support lies.

"We know that Humphrey people are making a lot of false assumptions and we don't want to pinpoint them," said William H. Merrill, Michigan chairman of Citizens for Kennedy.

The Kennedy camp is pressing for continuation of the uncommitted stance, hoping to change some minds before delegate preferences are publicized.

A Humphrey staffer conceded that "our problem is hanging on to what we've got."

The delegation was to meet Sunday night amidst the possibility that an immediate preference ballot would be taken. But fatigue set in from the dragged out convention and the meeting was put off until late this week or early next—when delegates will know results of the California primary.

Chairman Levin said both camps pledged they wouldn't push delegates too much until after the organizing meeting. Levin has kept his leanings a secret, but the suspicion of many is that he will go for Kennedy if the cause doesn't seem hopeless.

Sen. Philip A. Hart, expected to be chairman of the delegation, also has kept his preference to himself. William Beckham, Hart's staff chief in Detroit, is quietly working for Humphrey.

Loyalty of old line Michigan Democrats to Humphrey dates to 1948 when the Minneman was elected to the Senate and began helping to build the Democrats' labor-minorities coalition in Michigan with frequent fund-raising appearances.

"Our third senator in those days," is the way one longtime Democrat put it.

Voting For President  
(Henderson Dispatch)

Wayne county's representative in the next Legislature says he plans to introduce a presidential preference primary in North Carolina. It would be something the State has never had and for which there has been no crying demand. Nor is there now. A number of other States have it, and there are those in North Carolina who would imitate them.

Well, worse things could happen. Such a referendum would at least give the public some semblance of a voice in selecting the nation's chief executive. As it is now, and always has been, national conventions, through maneuverings of the bosses, make the nominations. They still would, of course, under this plan. It could not be different unless such elections were held in all the States.

These primaries only select delegates to the conventions, and they would in turn continue to make the choice. But the delegates would be mindful of grassroots preferences and would be influenced by them.

The Wayne representative says he would fit the presidential primary into the State's present system. Presumably he means by that that the voting would be held at the same time as the primaries for State and local offices. At least that could eliminate a special election and would automatically avoid the expense of another referendum.

What the attitude of the 1969 Legislature will be toward the presidential primary idea cannot be determined as of now. Almost certainly, however, political leaders will exercise major influence in the decision, whatever it might be. The idea has some merit for North Carolina the same as for those States which now have such balloting. It may also have its drawbacks, as can be determined by the lawmakers next winter.

# Strength For Today Justice Weighted By A Subsidy

By EARL L. DOUGLASS  
DOCTRINE OF FORGIVENESS

People who are filled with a sense of profound unworthiness and sin should remind themselves that the teaching of all religions is a teaching of hope. There is no such thing as despair except for those who give up and admit themselves defeated. The great prophets of Israel inveighed against their people and denounced the sins of their generation, but they all pointed to an ultimate which was suffused with light. Their message could be summed up in the declaration that "there's a better day coming."

Christianity has at its center the teaching that God Himself has provided a Saviour from sin. "God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should

not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved" (John 3:16 & 17). "Though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool" (Isaiah 1:18). "Whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask anything in my name, I will do it" (John 14:13 & 14). "It is not the will of your Father which is in heaven, that one of these little ones should perish" (Matthew 18:14).

Religious faith bids us look up, not down. God is not a harsh and glowering judge but a Heavenly Father. When we use the faith we have, life becomes suffused with light.

By ELMER ROESSNER

The scales of justice may be weighted by company subsidy of jurors.

Many labor contracts provide that employees called for jury duty are to be paid the difference between jury pay and regular wages. The Ford-United Auto Workers contract has an added fillip: workers on jury duty also get the cost of living differential. Many other employers also pay the difference between jury pay and regular pay.

A 1965 study by the National Industrial Conference Board disclosed that, except for blue collar workers in manufacturing, employees in 90 per cent or more of the companies surveyed receive pay while on jury duty. About 80 per cent of the manufacturers pay blue collar employees while on jury duty.

Of those surveyed, 91 per cent of the banks, 75 per cent of the insurance companies and 54 per cent of the utilities do not subtract jury fees while employees are on jury duty.

**Can Subsidized Be Unbiased?**

ELMER ROESSNER

When a company gives a juror full pay, his jury fees are pure gravy. The system of subsidizing jurors is so established that in many courts clerks automatically give jurors certificates of days served to be

presented to employers.

Most jurors try to maintain impartiality. But I suggest that a juror whose pay is being supplemented by an employer will have at least a subconscious feeling that employers aren't so bad after all; in fact, they are fair and generous. Since most employers who subsidize jurors are corporations, this attitude may spread to corporations generally.

When a juror gets his regular pay in addition to jury pay, the danger of getting a biased juror is even worse. Since the jury pay is a premium, a venireman in these circumstances will be tempted to make an extra effort to get on a jury and may, consciously or subconsciously, conceal any bias during examination.

**Supplements For Judges?**  
If a bank, insurance com-

pany or a utility—companies which are constantly in the courts—were to offer to supplement the pay of judges, many of which are notoriously underpaid, there would be a scream from here to Capitol Hill.

Yet cash supplements to jurors is accepted almost everywhere.

Of course, many employers do not expect favors because they subsidize jurors. When that is the case, the money they pay jurors in their employ is simply a tax—and an unfair tax because it is not evenly levied on the business community.

A law prohibiting the payment of regular salaries, in whole or in part, would be a complete solution to the problem. Coupled with that should be laws that to pay jurors an adequate wage.

## Bullets Wound Five Others In RFK Shooting

LOS ANGELES (AP) — The Police Department today identified those other wounded in the Kennedy shooting as:

William Weisel, 30, 2700 Upton, Washington, D.C., who suffered a bullet wound in the left side near the abdomen. He was taken to Kaiser Hospital, Los Angeles. Weisel is a unit manager for the American Broadcasting Corp.

Ira Goldstein, 19, 4077 Havenhurst, Los Angeles, who received a bullet wound in the left hip. He was transferred to Encino Hospital, Encino. Goldstein is an employe of Continental News Service at nearby Sherman Oaks.

Elizabeth Evans, 16032 W. Placentia, Saugus, Calif., wounded by a glancing bullet at the hairline. She was transferred to Huntington Memorial Hospital.

Irwin Stroll, 17, 6089 Lerner, Los Angeles, who was wounded in the left shin. He was treated and released by Central Receiving Hospital.

Paul Schrade, 43, who received a skull fracture. A spokesman for the United Auto Workers, of which Schrade is a local officer, said doctors were to operate to remove a bullet which lodged in Schrade's head and caused the fracture. He was listed in good condition at Kaiser Hospital.

Patrick Thornton, 208 S. St. Andrews, Los Angeles, sustained a three-inch scalp laceration when hit by a camera. He was treated and released at Central Receiving.  
Officers added that two other persons were treated for shock and released.

York had walked down the same back corridor in the kitchen of the Ambassador Hotel just 15 minutes before. He was in a good mood. He had won California. And he came over to shake my hand. I congratulated him and we talked about his big win.  
Now, I was standing on a steel serving table directly over the same place where we had shaken hands. He lay there struck down by bullets. His right hand held a bleeding side. His face was white. His eyes were open. His lips moved just slightly.  
But he did not cry.

Against the steel serving table, Roosevelt Grier, the huge Negro lineman for the Los Angeles Rams, had the assailant pinned. He held tight to the man's right wrist and he smashed it against the side of the serving table. He tried to free the gun from his hand.

There was this great man, towering over the small man and with all his strength it took him more than a minute to take that gun.

Another man, atop the table, was trying to kick the gunman in the face. "Bastard...kill him," he shouted. And he would have.

Kennedy waited until his victory was secure in the California primary before he came down to talk to his workers. There was a huge crowd in the ballroom. They had waited for several hours.

About 12:15 a.m., (3:15 EDT), the senator's press aides entered the working press room adjoining the ballroom. They said Kennedy would come in a matter of minutes to thank his workers and make a statement for television.

A big crowd filled the lobby outside, and it was decided it would be easier to bring the candidate through the kitchen corridor into the ballroom.

Then the senator came. He had been in Malibu during the day and picked up a fresh sun tan. His press aide, Richard Drayne, preceded him. There were few people in the corridor — some kitchen workers and some television cameramen forwarded of his arrival.

Kennedy began his speech with a remark about the shut out victory that Don Drysdale had just pitched for the Los Angeles Dodgers. It went over big. I listened to him speak for a few minutes, then walked into the press room, because you could not hear the senator in the roar of the crowd. The reception was better on the television in

the press room.  
Kennedy had said that after his speech he would meet with a small group of reporters in the working press room.

A few seconds before he ended his speech, I left the television and went to the door that led to a corridor behind the ballroom stage and off the kitchen. Kennedy would come off the stage and walk down this corridor.

I was only a few feet inside the corridor, walking toward Kennedy, when I saw his head bobbing in the crowd. We were 25 or 30 feet apart. The assailant was between us.

Then there were the shots. They said there were eight of them. Their flash lit up the corridor. I remember thinking there were about five. They came quickly and I wasn't counting.

I ran down the corridor. People bunched in front of me and I jumped on the steel serving table, past the assailant beneath me on my left, and saw Robert Kennedy on the floor in the gray light.

People were screaming: "Get a doctor..." "Get back and give him air..."

They swore and cursed each other.

For a few seconds I did not notice the struggle directly beneath me. Then I looked down and saw the gun. Grier held the assailant and was attempting to take the gun from his hand. The man next to me was shouting, "Kill him!"  
When Grier finally shook the

gun from the assailant's hand, a man next to me picked it up. Bill Barry and Rafer Johnson, Kennedy's other two bodyguards, scrambled to get the weapon — they were afraid the man would kill the gunman.

Then there was a struggle to hold the assailant. They did not want to let him go and Rosie Grier did not want him killed and said so. They picked the assailant up by the legs and hauled him away from Kennedy.

I did not hear this, but one of those walking beside Kennedy said that the gunman shouted: "Let me explain...let me explain," as he fired the shots at Kennedy.

There was turmoil in the ballroom. Kennedy's brother-in-law, Stephen Smith, went to the stage and asked the people to clear the room. The assailant was still in the corridor behind the stage, and so was Kennedy. A doctor came in and attended him.

It seemed that the special officers assigned to the party were reluctant to act. They kept away from the assassin and it seemed a long time before they started to take any one of the four persons who were shot to the hospital.

Then a squad of Los Angeles regular patrolmen moved in with rifles and shotguns. They picked up the assailant by the legs and the arms and carried him from the room.

Jesse Unruh, speaker of the California House, who was with Kennedy, followed the police out

of the hall, warning them that nothing should happen to the assassin.

The crowd was beating on the chairs and the walls. Men and women broke down and cried.

## Bride-Elect Is Honored At Tea

Miss Diane Williams, bride-elect of June 15, was honored at a tea Sunday at the home of Mr. and Mrs. James Williams.

Mrs. Willie Mae Cherry greeted guests and introduced them to the receiving line, composed of Mrs. Mary Watts, the honoree and her mother, Mrs. Mildred Williams.

The appointed table was covered with a white linen cutwork cloth and centered with an arrangement of pink, white and lilac larkspurs.

Mrs. Novella Harrell and Mrs. Ada Lloyd poured punch and served wedding cake. Mrs. Rosa Little presided at the guest register.

Good-byes were said to Mrs. Barbara Johnson and Mrs. Cecilia Williams.

Miss Williams' marriage to Allen D. Bennett of Washington, D.C., will take place June 15 at Mt. Moriah Baptist Church, Washington, D.C.

### DOROHY GISH DIES

RAPALLO, Italy (AP) — Dorothy Gish, one of American film's two famous Gish sisters, died Tuesday night in this Italian Riviera resort. She was 70.

### PRISON PAINTINGS SAID TO REVEAL SECRET PROBLEMS

CLEVELAND (AP) — Black or purple birds indicate turmoil. A tree without leaves on a lonely landscape reveals feelings of desolation. Black and white paintings point out a heavy core of depression or perhaps preoccupation with race.

Paintings by prisoners at the Cleveland House of Correction indicate fears, hostilities and fantasies, says Miss Leola Hutchins, psychiatric social worker with special training in art psychotherapy, who works with the art groups.

The art psychotherapy sessions are divided into two phases. The first 40 minutes is spent painting, followed by a two-hour period of interpretation and discussion guide by Miss Hutchins. The exposure to self-expression often uncovers hidden talent as well as hidden problems, she adds, and many prisoners take to oil painting as a hobby.

### Cadet Received Diploma In Va.

WAYNESBORO, Va. — Cadet Thomas Ray Cannon of Greenville, N. C., was recently awarded his diploma at the 89th Commencement exercises of Fishburne Military School by Col. E. B. Young Jr., superintendent.

Cadet Cannon is the son of Mr. and Mrs. William T. Cannon of 107 Paris Ave., Greenville. He is one of the 79 diploma receiving seniors, 95 per cent of whom will continue their education at the college level.

Cannon was a member of "A" Company and a member of the baseball team. He plans to attend Lenoir Community College in Kinston, N. C.

### Healing Service Thursday Night

The monthly healing service held at St. Paul's Church will be conducted Thursday at 7:30 p.m.

The Rector, the Rev. John W. Drake Jr., will offer a meditation as a portion of the service.

# Waves Of Shock, Dismay Go 'Round The World

## Greene School Board Space Needs Studied; CD Program Reviewed

SNOW HILL—Members of the Board of Education met with Greene County Commissioners Monday and discussed space needed to house board of education offices.

Discussion was in conjunction with a review of the proposed budget for the Board of Education for the 1968-69 fiscal year.

The two boards reviewed and discussed need for office space to house the board of education and the administrative staff which is now scattered in several locations. No decision was reached on the budget.

County Civil Defense Director Fred Speight in a report to the commissioners said he hopes to carry on Civil Defense activities started this year. Plans

for the coming fiscal year include holding first aid classes, medical self held courses, as well as updating the county's operational survival plan, and training county residents in radiation detection.

Commissioners were told that plans are being made to open another rural fire station. That station will be located near Castoria and will serve the Free

Union Church-Castoria-Lizzie communities. They were also informed that the Walstonburg Fire Department is attempting to organize a rescue squad.

In other action, the county commissioners approved a bid for fuel oil from Cox Oil Company. The bid was for a 2.6 cents per gallon discount. The Cox firm was the low bidder among four companies submitting proposals.

LONDON (AP) — Waves of shock, dismay and sorrow went round the world today at news of the shooting of Sen. Robert F. Kennedy.

"God help us," said a GI in Vietnam. "What the hell is going on back there?"

"I feel just like the last time," said another, referring to the assassination of President John

F. Kennedy.

Members of the Kennedy family in Europe were on the telephone to the United States. An aide to France and the senator's brother-in-law, said Shriver was trying to reach members of the family in Los Angeles.

In London, Princess Lee Radziwill said she had spoken to her sister, President Kennedy's widow, but "she tells me the news is pretty confused so far."

Mrs. Jacqueline Kennedy was at her New York Fifth Avenue home when the shooting of her brother-in-law occurred. She was not available for comment.

News of the shooting caused "acute sorrow" at the Vatican, the chief press official there said. He said Pope Paul VI was being kept informed constantly of the condition of the senator, who is a Roman Catholic.

"It's a nightmare—it's terrible," said a Russian woman on a Moscow street.

"It is a great pity that you live in such a country where any person can be shot," a Russian man told an American in the Soviet capital.

Tass, the official news agency, reported the shooting briefly and without comment.

Italian President Giuseppe Saragat expressed shock and dismay and told the Italian Embassy in Washington to keep him constantly informed of Kennedy's condition. Aides termed the shooting "a heinous and vile attempt."

The news reached Europeans first by radio and television broadcasts. News agency offices were besieged by telephone calls. First editions of London afternoon papers spread the

news in huge black type across their front pages.

"This is horrible, horrible," said a spokesman for the Swiss government in Bern, where the cabinet was meeting when the news broke.

"The same thing all over again," said a diplomat in Bern. "Horrid. Horrid."

Crowds gathered at Tokyo newspaper offices to read bulletins pasted in the windows. Men shook their heads in disbelief. Some women wiped tears from their eyes, other muttered prayers.

"Unbelievable," said a Belgian government official in Brussels. "American political ways are frightening."

Greece's military government expressed "deep sorrow" over the shooting, and Premier George Papadopoulos cabled the senator the government's wishes for a speedy recovery.

Sean McBride, secretary-general of the International Commission of Justice, termed the shooting "a symptom of the lawlessness and brutality of our world." His organization is the Western world's organization of jurists, teachers of law and lawyers.

The government of Thailand expressed "deep shock and regret."

Broadcast reports of the shooting stunned South Africans. "Is it true? Is he alive?" telephone callers asked newspaper switchboards. The senator's visit there in 1966 aroused enthusiastic support from students and liberals and angry opposition from conservative whites.

## Reappointed To Head Center

WILLIAMSTON — Lindsay Whichard was reappointed as chairman of the Martin County Alcoholic Information Center Monday by the Martin County Commissioners. Don Warren and Mary Taylor were also named to serve on the Alcoholic Information Center committee.

The commissioners took advantage of their prerogative to name one-third of the directors on the Martin County Community Action Committee. The directors will be named at some yet undetermined future date.

An option in the amount of \$100 was taken on a piece of property in front of the courthouse by the commissioners for the purpose of building an office building and parking spaces.

Mrs. Joseph Johnson was reappointed to head the Veterans Service Office.

Today the commissioners will hold a budget meeting. June 15 is the date set for the budget meeting for the board of education.

## In Saigon, GI's Angry, Stunned

SAIGON (AP) — American GIs and civilians in Saigon were stunned and angered today by the shooting of Sen. Robert F. Kennedy.

"Oh, my God" was the immediate reaction of several servicemen.

The U.S. Armed Forces Radio broadcast wire service bulletins of the shooting to the 530,000 American troops in Vietnam.

The Saigon bureau of The Associated Press and other news offices were deluged by telephone calls asking details of the shooting.

"I'd like to get my hands on that man who did it," said Pfc. Bernard Elwood of Joliet, Ill.

"God help us," said Spec. 4 Willia Negaard of Minneapolis, Minn. "What the hell is going on back there? A man has to risk his life to run for the presidency."

Sgt. John Tucker of Teal City, Ind., put his hand to his forehead and exclaimed: "I feel just like the last time." After a moment he added: "Such a rich family and yet so poor. After this tragic year in the United States, I feel safer over here."

Kennedy toured the Far East in 1962 but did not stop in Vietnam. His brother, Sen. Edward M. Kennedy, made a 12-day visit to Vietnam last January.

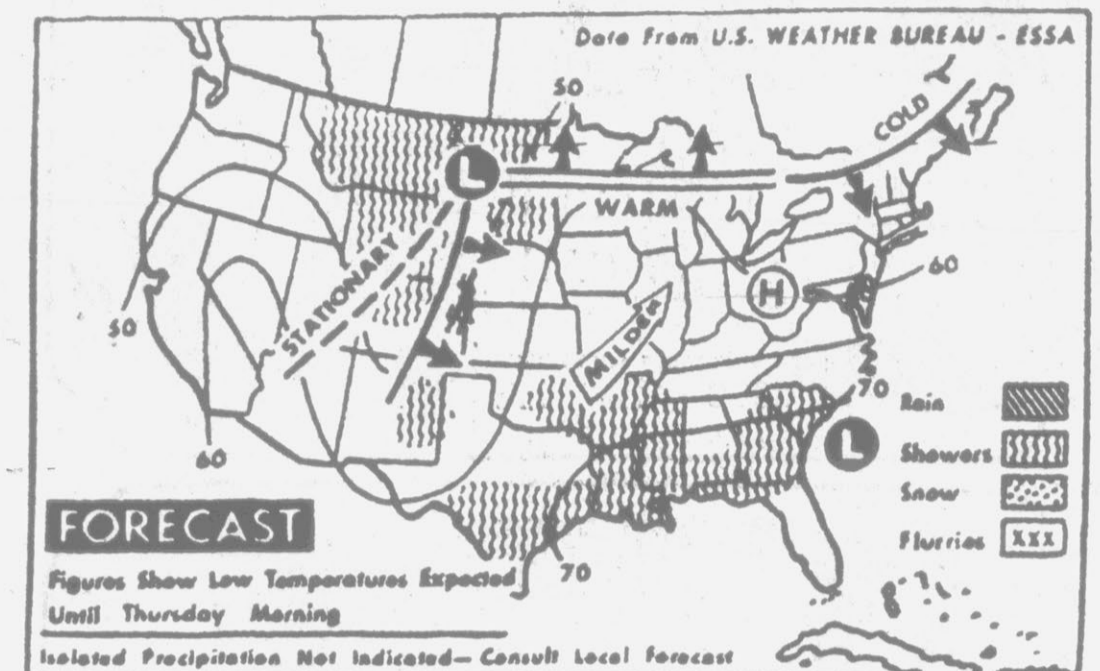

Gen. Fred C. Weyand, who commands U.S. troops in the provinces around Saigon, was talking with a newsman when his aide burst in with the news of the shooting.

"Oh, my God," exclaimed Weyand, "Why do those things happen in our country?"

A U.S. Marine colonel commented: "I think it is frightening. First Jack Kennedy, then Martin Luther King and now another political leader. When you get to the point where anyone who rises and speaks goes down, then this is the first step back to the Dark Ages."

Gray Col. . . .

(Continued From Page 4) opponents of the Vietnam war, such as Sen. Stephen M. Young, D-Ohio, have continued their protests on the Senate floor since the Paris talks began.

WEATHER FORECAST — Widespread showers are forecast for Wednesday night. Showers will spread through the central Plains states and along the Gulf coast. It will be milder in the lower Great Lakes. (AP Wirephoto Map)

## Ghost Of Dallas Haunted Sen. Kennedy's Campaign

By SAUL PETT  
AP Special Correspondent  
WASHINGTON (AP) — Among the overwhelming ironies, one rushes to mind among reporters who have covered Robert Francis Kennedy on his intensive campaign for the Democratic presidential nomination.

It occurred to virtually all of us as we watched the pattern. Invariably, he would bounce down the steps of his campaign plane and, with little protection, plunge into frenzied screaming crowds seeking to grab and tug at him. And inevitably we thought of Dallas and thought that this Kennedy was moving among strangers with much less protection than his brother did on the dark November day in

## Award Goes To ECU Grad

Alvis B. Carr Jr., a graduate of East Carolina University who is now assistant to the director of the Panama Canal Zone Health Bureau, has won a Career Education Award from the National Institute of Public Affairs.

The presentation was made recently by Canal Zone Gov. W. P. Leber following announcement of the national awards provided by a Ford Foundation grant.

The awards give recipients a year's graduate study in public policy and management of public programs in one of eight leading U. S. universities. Carr will attend Indiana University.

A native of Rocky Mount, Carr majored in business administration at ECU and holds bachelor's and master's degrees from the university.

He began his Canal Zone career in 1960 and joined the health director's staff in 1961.

## Memorial Rites Set By NAACP

The NAACP will hold Memorial Services at Phillippi Baptist Church, Simpson, Sunday, June 9th at 7:45 P.M. for slain Civil rights leader, Medgar Evers. This will mark the fifth anniversary of his assassination.

The Memorial Address will be delivered by the NAACP's president, Rev. B. B. Felder.

Music will be rendered by the Ayden Community Male Chorus.

The public is invited to attend.

DRY FISHING  
MOSCOW (UPI)—Andrei Sorokin and Alexei Fedotov have been sentenced to two years in jail for poaching thousands of fish by draining two small lakes with a mechanical pump, according to the newspaper Gudok.

1963. Ironically, it was a thing that he felt, according to his aides, that he had to prove: That he, Robert Kennedy, a United States senator and brother of the assassinated President, could move more freely and with more confidence among crowds than President John-on.

He seemed to do so with a certain sense of fatalism. Those who observed him closely are certain he did not relish being grabbed and pushed and mauled by strangers. It violated his sense of privacy.

But he was, as Kennedys always seem to be, the all-out candidate; he would do what he thought necessary to win.

He talked rarely of possible assassination or the murder of his brother. When questioned, he would say simply he was satisfied with the findings of the Warren Commission, which investigated his brother's death.

He mentioned the late President often in his speeches but it invariably was in an impersonal way. He referred to him as "President Kennedy" and almost never as "my brother" or by his first name. Repeatedly, as he campaigned, there were reminders of the man who campaigned in 1960, in the current candidate's stance, cadence, rhythm, Boston accent, right hand pumping, and almost invariably, after describing deplorable social conditions, this peroration: "I think we can do better. That is why I run for president. That is why I ask your help."

But while there were many reminders, he seemed com-

elled to keep personal memory at arm's length, at least in public. When, on occasion, an admirer in the crowd would offer him a gift memorializing his brother, an etching or quilt, he would try to pull away, murmur a hurried thanks and ask an aide to take the gift.

And then there was this, and it needs to be described carefully: During the lulls in the campaign, at the end of a long day, or during a long flight before the next stop, we often noticed as he rested and finally was alone, a look of infinite sadness, of terrible hurt, in his blue eyes and taut, angular face.

Most reporters noticed this and among those who knew him well, newsmen and staff aides, there was common agreement that that look wasn't there before Nov. 22, 1963.

He was, on the stump, intensive, hard-hitting and frequently very funny, especially in a self-deprecating way that might tend to undermine his alleged ruthlessness.

But away from the platform, he was a man much less inclined to laugh. He would make jokes, listen to jokes but he, himself, seemed to laugh seldom.

And when he could, even during the campaign, he would walk off alone with his dog at night, or early morning, and he leaned forward into the wind, coat collar up, hands deep in his pockets, very much a reminder of a famous picture taken of him on the day the bulletin came from Dallas in 1963.

About Robert Kennedy, there was always that.

## Pepsi-Cola Rolls Over Moose, 10-3

Pepsi-Cola added to its Tar Heel League lead yesterday with a 10-3 romp over the Moose. Pepsi now holds a 7-2 record, a full two and a half games ahead of Greenville Tobacco and Security Life, both 4-4. The Exchange and Elks are tied at 4-5, while the Moose are 3-6.

The Moose picked up the lead in the first inning with two runs. Mike Smith reached on an error and Terry Glissen doubled. Jones doubled to drive in the two runners.

But Pepsi came right back with three runs in their half of the frame to claim the lead. Jerry Griffin opened it up with a single, and stole second. Donald Cannon singled and the two runners both stole up a base. Lonnie Smith was then hit by a pitch, loading the bases. Danny Norris hit into a fielder's choice, scoring Griffin and Cannon, and Smith scored on an error.

In the second the Moose picked up another run, tying it up. Mike Weston walked and Marvin Aldridge singled. Mike Smith and Keith Jones both walked, forcing in Weston for a 3-3 tie.

But it didn't last long, as Pepsi came back for five runs in the bottom of the second. William Carraway singled and Ricky Avery got a hit. David Davis doubled in Carraway and Griffin reached on an error, scoring Avery. Cannon grounded out, but drove in Davis. Smith singled to score Griffin and Norris got a hit, moving Smith up, and he scored on an error.

In the third, Pepsi got its other two runs, for the 10-3 total. Davis doubled and scored on Griffin's single. Cannon reached on an error, bringing Griffin around with the final run.

Aldridge and Jack Jones each had two for the Moose, while Griffin had three and Davis had two for Pepsi.

PLENTY OF JOY IN DODGERTOWN — Pitcher Don Drysdale, left, has an affectionate pat for teammate Paul Popovich in the dressing room in Los Angeles last night after Drysdale blanked Pittsburgh 5-0 with a brilliant three-hitter, setting a major league record of six straight shutouts—and a National League mark of 54 consecutive scoreless innings. Drysdale covers one of the numbers on Popovich's uniform to let the important number "6" show. (AP Wirephoto)

## Ayden Meeting Bears In State Class A Finals

The Ayden Tornadoes will be seeking the State Class A baseball championship Thursday, Friday and Saturday on their home field.

Providing the competition is tough Chatham Central, the Western champion. The school is located at Bear Creek, south of Siler city.

The Thursday and Friday games will be played at 8 p.m., while Saturday's game, if needed to decide the best-of-three series, will be played at 2 p.m.

"They seem to have good pitching," Ayden Coach Bob Murphrey said of the Bears. "They also play fine defensive

ball."

"I didn't get much of a chance to see them, but they also seem to be a pretty good hitting team," he said. "They also have two pretty good pitchers, which will make it harder for us to hope for a two-game sweep."

The Ayden hopes rest on the strong left arm of Paul Miller, who has been their mainstay throughout the four-game series which led to the state finals.

Miller, a senior, pitched 26 of the 28 innings of the state play-offs to date. During this stint, he struck out 57 batters, gave up no earned runs, walked six and gave up six hits.

He tossed one no-hitter, and was relieved in one game after pitching five hitless innings. He had a streak of 15 hitless innings at one point in the play-offs.

"He'll definitely get the call in the opener," Murphrey said. "We'll probably start David McGlohon or Jerry Gibson in the second, and if Miller is ready, come back with him in the third game."

Murphrey feels that Chatham Central will be a tough team to beat twice in a row. "We'll have to play good ball all the way through, and I feel that both teams have an even chance in the series."

There is one problem bothering Murphrey, however. "We're going to have to hit the ball better than we've been doing, and we're going to have to get our pitchers some runs so they can relax a little."

Ayden is also worried about the availability of regular catcher Robert Twilley, who was injured in practice last week. "We don't know whether he's going to be ready or not," Murphrey said. "We probably won't list him as a doubtful starter."

The Tornado coach said he would probably move George Booth in to catch should Twilley be unready. "But that'll leave a hole at shortstop. Bobby Wilson will probably move from right to short, and after

that, I just don't know what I'll do."

The Tornadoes will be seeking to bring the East its third straight championship. Cleveland, which beat Ayden in the semi-finals two years ago, went on to win in 1966, while Robertsonville won in 1967.

## Optimists Get Upset Of Coca-Cola By 13-11 Score

The Optimists may be too far out to win the North State Little League championship, but they want to have an effect on the finish. Yesterday, the Optimists outslugged Coca-Cola for a 13-11 victory.

The loss was only the second for Coke, and cut their lead in the loop to a half game. Coke is now 7-2, while the Kiwanis are 6-2. They are followed by the Lions, 5-3, R. C. Cola and the Jaycees, both 3-6, and the Optimists, 2-7.

Coke opened things up with four runs in the top of the first. Pudge Dicket led off with a double and Park Clark singled. Bobby Kittrell reached on an error, scoring Diket and Prince Bunting doubled in Clark and

Kithrell. Bunting then scored on a fielder's choice by Connie Cannon.

In the bottom of the first, the Optimists came back with four of their own to tie it up. Phil Tetterton singled and Bill Vinson was hit by a pitch. Tetterton scored on Billy Best's double and Vinson came across on Tony Skinner's hit. Jim Weaver singled in Best and Keith Gurganus knocked Skinner across with the tying run.

Coke got back into the lead in the second with a lone run. Bobby Griffin walked as did Diket. Both advanced on an out, and Kittrell hit a sacrifice fly to score Griffin for a 5-4 lead.

In the third, Coke padded its lead with two more runs. Can-

non reached on an error and Jeff Barber singled. Bobby Gardner doubled in Cannon and Barber scored on an error, making it 7-4.

The Optimists struck again in the bottom of the third, pushing into the lead for the first time with five runs, 9-7. R. G. Clark reached on a fielder's choice and Cliff Allen walked. Tetterton was safe on an error, scoring Clark. Both Tetterton and Allen advanced on another error. Vinson singled in Allen and Best singled to score Tetterton. Skinner then doubled in Vinson and Best to put the Optimists into the lead.

Coke came up with another run in the fourth. Kittrell reached on a fielder's choice, advanced on a passed ball and scored on Dill Morbes' single.

But the Optimists countered that with another of their own for a 10-8 edge. Clark doubled, advanced on an out and scored on an error.

In the bottom of the fifth, the Optimists added three more to lead 13-8. Best reached on an error and moved up on a passed ball. Weaver walked and Cam Dudley was safe on another error, scoring Best. Keith Gurganus reached on a fielder's choice, as did Clark, the latter scoring Dudley. Allen then singled in Gurganus for the final Optimist run.

In the sixth, Coke tried to rally, but fell two runs short. Clark singled and Kittrell walked. Forbes doubled them in, and then scored on Barber's single, but it wasn't enough.

Clark led the Coke hitting with three, while Forbes and Barber each had two. For the Optimists, Tetterton, Vinson, Best, Skinner, Clark and Allen each had two.

## Wachovia Gets First Victory

Food Mart, Wachovia, and Coca-Cola picked up victories last night in the Ladies Softball League. Coke downed Little Mint, 5-2, Wachovia beat Empire Brush, 5-2, and Food Mart beat Pollard's, 9-1.

Coke leads the league with a 5-1 record, while Food Mart is a half-game back at 4-1. The Little Mint has a 3-2 mark, followed by Pollard's at 2-2, and Wachovia and Empire Brush, both 1-5.

In the opener, the Little Mint pushed into a two run lead in the first inning. Sandra Kelly and Dorcas Carter both singled and came around on hits by Doris Garris and Viola Harris.

Then in the fourth, Coke picked up all five of its runs for the victory. Successive hits by Jean Harrell, Lonnie Turner, Glo Clark, Linda Summerlin, Gloria Lassiter, Polly Peaden and Sue Campbell brought the runs across.

In the second game, Wachovia won its first of the year. Wachovia picked up a run in

the first, but Empire Brush tied it up in the fourth. Wachovia got two more in the fifth to hold a 3-1 edge, and after Empire Brush got another in the sixth, Wachovia added two in the seventh.

In the final game, Food Mart pushed over two in the first, then allowed Pollard's to score its only run in the second.

Food Mart went on to pick up two in the sixth on a homer by Tess Pittman, and then got five more in the seventh.

## Woody's Ramblin's

By WOODY PEELE

The Southern Conference has refused to become a strong conference.

Earlier this week, the Southern athletic directors, meeting at Virginia Beach, found that they could no longer play "yes-man" for West Virginia University. The Mountainers had left the conference.

So they did the next best thing . . . they became yes-men for Davidson College.

Davidson has threatened to take its baseball and go home if the conference passed a rule making a double-round-robin in basketball, 14 games, mandatory. The Davidson group, waving its flag of national ranking, asked to cut the number down from its present 10 to seven, making a pure mockery of the conference.

Well, the AD's couldn't come right out and do this, especially since the other seven basketball coaches had requested that a double-round-robin be installed in the loop, thereby making the conference what counts, not Lefty Driesell's schedule.

But alas, the AD's found a "compromise." Since there was a 7-1 majority in favor of a 14-game schedule, they decided to keep it at 10, but require that each team play all of the others at least once.

That apparently suited Davidson, since it changes virtually nothing. But now . . . just try and get Davidson out of the confines of the Charlotte Coliseum or Johnson Gym on their campus.

In the past few years, the Wildcats have played most of their games at home (one or the other). East Carolina hasn't been on the schedule for the last few years because, sources say, the Wildcats refuse to come to Greenville.

The conference had a chance to really become a conference. Now apparently, it will become just a means in basketball for Davidson to gain a berth in the NCAA playoffs, and play as few conference games as possible.

East Carolina University is set to hold its first Buccaneer Basketball Camp this month.

Under Coach Tom Quinn and his assistant, Kirk Stewart, two weeks of training and activity are planned.

The first week will be from June 16 to 22, while the second runs the 23 through the 29.

Entries are still available for the camp, Coach Quinn notes.

## St. James In 25-9 Victory

St. James Methodist stayed close to league leading Immanuel Baptist last night with a 25-9 victory over Gum Swamp in the Church Softball League.

Immanuel leads the loop with a 7-0 record, while St. James is 6-1 and Presbyterian is 5-1. Grace is 3-3, followed by Mt. Pleasant, Oakmont and Jarvis, all 2-3, Meadowbrook at 2-5, Pentecostal at 1-5, and Gum Swamp at 0-5.

Gum Swamp took a 1-0 lead in the first inning, but St. James came roaring back in the

second with five to gain a 5-1 edge.

From there on out, St. James was in complete control, adding two runs in the third, 10 in the fourth, two each in the fifth and sixth and three in the seventh.

Homers were hit by Britt (three) in the third, fourth and seventh innings.

Gum Swamp added two in the third, one in the fifth and four in the sixth with Gray hitting a homer in each of the last two innings.

St. James 052 (10) 22 3—25  
Gum Swamp 102 014 1—9 10

## Baseball Plan Is Slightly Changed

VIRGINIA BEACH, Va. (AP)—The athletic directors of the Southern Conference wind up their three-day meeting here today, after adopting several image-building programs.

In action Tuesday, the directors voted to publish a special performance brochure offering a summary of all sports activity during the past academic year.

The directors also agreed to increase the number of football officials per game to five, adding the back judge now being used in other conferences. They additionally agreed to hike the fee paid conference basketball officials from \$70 to \$85 a game.

Adopted, too, was a baseball plan which retains northern and southern divisions but requires each team to play 16 conference games. Teams in one division, for example, will play home single games and double-headers inside its division and one single game with each of four teams in the other division.

The directors also decided the following tournament dates and sites for the coming year:

Basketball—Charlotte, N. C., Feb. 27-March 1.

Wrestling—the Citadel, March 7-8.

March 7-8.

Cross-country—East Carolina, Nov. 11.

SCORING STREAK ENDS

ALBUQUERQUE, N.M. (AP)—

When University of New Mexico's baseball team defeated NCAA champion Arizona State, 3-0, during a regular season game this spring, it was the first shutout suffered by ASU in 43 games. The last time the Sun Devils were blanked was a 3-0 loss to Houston in the 1967 NCAA tournament at Omaha.

OUT AT THE PLATE — Ken Harrelson of the Boston Red Sox is tagged out at home plate by Detroit Tigers catcher Bill Freehan in the sixth inning of first game of their two-night double header at Fenway Park Tuesday night. It all happened when Soxer George Scott doubled to left center with the bases loaded. The throw was from centerfielder Micky Stanley to shortstop Roy Oylar to Freehan. Boston won 2 to 0. ## White Sox Are Given A Dose Of Own Medicine

By MIKE T

Associated Press Sports Writer

The Chicago White Sox, a sickly hitting group of ballplayers, got a taste of their own medicine and found out how distasteful it is.

The Cleveland Indians spooned it out Tuesday night and forced the Sox to swallow two pitty-pat runs in the eighth inning that brought the Indians a 2-1 victory.

An infield hit, a broken bat single and a safe bunt set up the two runs that turned the Sox green. It was the type of pop-gun attack they have been using to get ahead in the American League.

Luis Tiant made the runs stand up with a four-hitter, one of several sparkling pitching performances in the league on a day of light hitting.

Jim Merritt also yielded only four hits in Minnesota's 3-0 victory over the New York Yankees, and Joe Coleman hurled a five-hitter behind Mike Epstein's two-run homer for Washington's 4-2 decision over Oakland.

Gary Bell, with last out help from Sparky Lyle, stopped Detroit on three hits as Boston tripped the Tigers 2-0 before relief specialist Pat Dobson emerged from the bullpen with a five-hitter to give the Tigers a 2-0 decision and a split of their doubleheader.

California nudged Baltimore 5-3 in 10 innings on Tom Satriano's two-run single in the other game.

In the National League, the New York Mets blanked the Chicago Cubs 5-0 in the only afternoon game, and St. Louis nipped Houston 3-2, Cincinnati beat Atlanta 3-1, Los Angeles bounced Pittsburgh 5-0 and Philadelphia defeated San Francisco 5-1 in night games.

The White Sox, true to their

code, were locked in a pitching duel between their own Gary Peters and Tiant and led 1-0 on

The fifth hit off Peters was a walk to Peters, a sacrifice and Bill Voss, hit in the third

inning. Then the tables turned. Chico Salmon's leadoff infield safety in the eighth. Jose Vidal followed with the broken bat hit to right field and Vern Fuller then got the only clean hit of the

inning, a line drive to right that tied the score.

Tiant, now 8-4, beat out a bunt when no one covered first base and the decisive run came across on Larry Brown's sacrifice fly.

Normally slugging Minnesota also resorted to a tip-toe attack behind Merritt, 4-4, on the strength of three sacrifice flies, two by Harmon Killebrew and one by Tony Oliva.

Epstein, making his first appearance since returning from a 12-day stint in the minor leagues to pep up his weak bat, roused the Senators out of a 2-2 tie with his blast in the sixth

inning. The clot doubled his runs batted in to four and his homers to two and raised his batting average of .105.

Bell, 5-1, was breezing to his second straight shutout when two walks got him in trouble in the ninth and Lyle entered and got Jim Price to hit into a force

out.

Bell retired the first 13 men he faced before Detroit got a hit, and his mound opponent,

Mickey Lolich, didn't allow a hit until one out in the sixth

inning. But the safety beat him as George Scott doubled in two runs after two walks and Lolich's error on a grounder.

Dobson, making his first start of the season, got his victory when Don Wert homered off loser Gary Waslewski in the seventh and Price's hit and three walks scored another.

Satriano, a pinch hitter, bounced his hit over the head of reliever Roger Nelson and into center field after three walks, wild pitch and a sacrifice loaded the bases with one out.

Rookie Elrod Hendricks of the Orioles forced the game into extra innings when he hammered a two-run, two out homer in the ninth inning.

## Drysdale Sets History With 5-0 Shutout Win

By DICK COUCH

Associated Press Sports Writer

If Don Drysdale flags down the Big Train this weekend, baseball's newly crowned shut-out king will be happy to have Paul Popovich along for the ride.

Drysdale, the Los Angeles Dodgers' rejuvenated pitching ace, made baseball history Tuesday night by firing his sixth successive shutout — a three-hut, 5-0 masterpiece against the Pittsburgh Pirates.

In erasing Doc White's 64-year-old mark of five straight blank jobs, the towering right-hander ran his string of scoreless innings to 54 — just two short of the all-time record set in 1913 by Washington Hall of Famer Walter "Big Train" Johnson.

But Drysdale, scheduled to make the final assault on Johnson's record when he pitches against Philadelphia Saturday night at Dodger Stadium, might be out of the running today had it not been for Popovich.

The slender utility infielder, who has been filling in at second base for injured Jim LeFebvre, kept Drysdale's string intact with a sixth inning de-

fensive gem after the Pirates made their lone foray past second base.

Drysdale, who had eclipsed Carl Hubbel's National League mark of 46 1-3 innings by throwing a third strike past Bill Mazeroski for the second out in the second, stopped the Pirates on one hit until the sixth.

Then, with one out, pinch hitter Gary Kolb blooped a double into left field and moved to third on a ground out. Maury Wills followed with a slow roller toward second, but Popovich raced in, pounced on the ball, pivoted and threw out the swift ex-Dodger by an eyelash.

Elsewhere in the National League, first place St. Louis edged Houston 3-2 for its seventh straight victory, Cincinnati tripped Atlanta 3-1, Philadelphia downed San Francisco 5-1 and the New York Mets zipped the Chicago Cubs, 3-0.

Detroit and Boston divided 2-0 decisions in an American League doubleheader while Cleveland nipped the Chicago White Sox 2-1, Minnesota blanked the New York Yankees 3-0, California beat Baltimore 5-3 and Washington took Oakland 4-2.

Drysdale, who had tied the mark of five consecutive shutouts — set by White with the White Sox in 1904 — by white-washing the Giants 3-0 last Friday night, struck out eight Pirates and allowed only four base-runners in breezing to his

seventh victory—all of them shutouts—in 10 decisions.

He beat New York 1-0 in his first start, then lost three well-pitched games before beginning his record shutout run with a 1-0 victory over the Cubs on May 14. He then blanked Houston 1-0 on May 18, St. Louis 2-0 on May 22 and Houston again 5-0 on May 26 before tying the record against the Giants.

Drysdale, only member of the old Brooklyn Dodgers still with the club, hit Manny Mota with a pitch in the second inning, gave up a fifth inning single to Donn Clendenon and then stopped the Pirates cold until Wills singled with two out in the ninth.

Popovich, fittingly, tossed out Willie Stargell to end the game and send Drysdale's teammates racing to the mound to congratulate the 31-year-old veteran.

The Dodgers scored three runs in the fourth, two of them on a throwing error by losing pitcher Jim Bunning, to give Drysdale all the help he needed. Wes Parker iced it with a sixth inning homer.

Drysdale took his historic shutout in stride. "There was a lessening of tension after the second inning," he said. "I think I was stronger than in some of the previous games. My control was pretty good and I know I didn't throw as many pitches as I have before."

## Pfeiffer Loses In NIAA Play

ST. JOSEPH, Mo. (AP)—Bill North's two-run triple and the clutch pitching of Rich Stonum moved Central Washington and William Jewell into the winners bracket finals of the 12th annual NIAA baseball tournament tonight.

North's triple drove in the tie-breaking and winning run as Central Washington defeated Pfeiffer, N. C., 6-2, in a ten-inning second round game.

Stonum bailed William Jewell of Liberty, Mo., out of a bases-loaded, one-out situation in the seventh inning against Eastern Michigan and then worked his way out of another jam in the ninth to preserve the Cardinals 4-3 victory.

William Jewell scored what proved to be the winning run in the eighth on Dick Michael's single, an infield out and another single by John Lampton.

In other games Tuesday, Glassboro, N. J., eliminated Sul Rose, Tex., 4-1, and Georgia Southern ousted Buena Vista, Iowa, 7-2.

**What every  
new bride  
should know!**

Let's see!  
His shirts... starch or no starch?  
His eggs... sunnyside up or over lightly?  
His coffee... a bit on the strong side?  
His steak... medium-rare or rare-rare?  
His favorite pie... apple or cherry?

Knowing these things is important.  
Knowing this is important, too:  
A&P is a store you can trust.  
Brides have been doing it for over a century.  
As a matter of fact,  
nobody has ever had  
more brides walk down their aisle than A&P.

We think it's important for brides,  
new or old,  
to find a store they can trust,  
to know that everything they buy is totally guaranteed.

That's A&P policy.  
No matter who makes it,  
if A&P sells it,  
A&P guarantees it.

Is this a good reason for shopping A&P?  
It's one of many.

## Two From ECU Are Finalists For Miss Soya

RALEIGH—Two East Carolina University students are among the five finalists chosen to appear in the "Princess Soya" Contest to be held in Raleigh today at the Velvet Cloak Inn.

The contest is sponsored by the North Carolina Soybean Producers Association.

Local finalists are Miss Carolyn Ann White of Hertford and Miss Jessie Carolyn Rouse of Hookerton.

The daughter of Mrs. Mattie A. Rouse of Hookerton, Miss Rouse is presently a student at East Carolina University, majoring in Elementary Education and Library Science. She is 20 years old.

Miss White, age 19, is the daughter of Mr. and Mrs. Joe T. White Sr. of Hertford. She is studying Mental Retardation at East Carolina University.

The three other finalists are: Miss Annette Harrell Fairless of Colerain; Miss Maggie Beth Godley, Aurora and Miss Betsy Ann Chandler, of Durham.

"Princess Soya" will travel by jet with a chaperone to the American Soybean Association's Annual meeting at the Roosevelt Hotel in New Orleans in August to enter the National Contest.

The national winner will travel abroad to such countries as Germany, England, Spain and Japan to represent the American Soybean Association and the nation's number one cash crop.

## Exhibiting Oil Paintings Here

An exhibition of oil painting by Evelyn Skinner will open at the Greenville Art Center Sunday afternoon. The artist will be honored at a reception from three until five o'clock.

Evelyn Heinemann Skinner is the wife of a Durham pediatrician, Dr. Ben S. Skinner. She was born in Belleville, Ill., and holds the B.S. degree from Washington University in St. Louis. Mrs. Skinner teaches art in Durham, where she is a member of the Durham Art Guild and Allied Arts Group.

Mrs. Skinner has exhibited widely in the Midwest and in the eastern states. Her exhibit at the Greenville Art Center will be open through June 22.

Gallery hours are from 9 a.m. until 12 noon and from 2 p.m. until 5 p.m. Monday through Friday. Saturday hours are from 9:30 a.m. until 12:30 p.m.

HAROLD HECKLED

PEVENSEY, England (UPI)—Police washed away insults to an English king dabbed on the ruins of Pevansey Castle, though the insults, written in French, came a bit late. They were directed at King Harold II, who died in the Battle of Hastings in 1066.

MOUNT OLIVE—Among the 85 students receiving Associate

of Arts or Associate of Science degrees and Certificates Business during commencement exercises at Mount Olive College Sunday were two Pitt County residents. The two local students are: Earl William Bielby, the son of Mrs. Jane Taylor Moore of 101 South Elm Street, Associate of Science degree and Sylvia Catherine Hines, the daughter of Mr. and Mrs. H. Franklin Hines of Fountain, Associate of Arts.

The Worry Clinic Thinking Ahead Averts Some Fatal Mishaps

Tommy's sudden "graduation" was a shock to all concerned. But we can avoid many fatal accidents by thinking ahead and considering all the possible contingencies. When such a tragedy occurs, by all means focus on that beautiful Classroom Up Yonder. To do so more readily, send for the booklet below.

By GEORGE W. CRANE Ph. D., M. D.  
CASE F-586: Tommy T., aged 4, was playing in the alley. He and a neighboring child found a large cardboard box, about 3 feet square. So they used it as a playhouse and were having a lot of fun. But they left it in the middle of the alley! Soon a trucker came along. Thinking it was merely an empty box, he plowed through it, killing Tommy. And the boy's parents were crushed by this shock, for Tommy was their only child.

The trucker, too, collapsed when he found out what he had done. Would you guess the age of the trucker to be 27 or 47? "Dr. Crane, what difference would that make?" you may wonder. Maybe none, but it is my experience with human beings that younger drivers, both of trucks and passenger vehicles, don't think ahead as much as do older, more experienced men and women. Actually, this trucker was only 27, unmarried and not accustomed to having kiddies resort to packing boxes as their "playhouse." Good drivers, however, must always look ahead and consider all sorts of possible contingencies. They should allow for the expected, as well as the unexpected, behavior of others, even if they themselves are superb drivers. When parked cars line the street, a good driver even tries to look under the parked vehicles to see if there are any feet visible. For children often are standing in front of such parked cars, waiting to dash across the street. And if you pass a playground or school yard or see a cluster of youngsters romping, slow down. For their preoccupation with chasing a fly ball may make them momentarily oblivious of their danger when they rush into the street. And never hug the parked lane of cars too closely for you generally have an extra 3 feet between you and the center line. Stay a bit closer to the center line so you will permit the child (or adult) who steps out from a parked car to have an extra step as leeway. Our 50,000 annual street and highway auto deaths are a shocking waste of human life, so we must all try to lean over backwards to prevent accidents. But when death does intervene, you parents can obtain solace by knowing that you loved one has simply graduated a little early from this classroom in God's Cosmic School System. It is quite a severe emotional blow to lose a child. Mrs. Crane and I went through it when our son George was struck from behind at the Navy Air Show while leading his jet formation of Marine fighters. And don't fall for the atheistic malarky about "omitting flowers" or merely have a perfunctory later "Memorial Service." A funeral is a unique type of Graduation Ceremony. The friends and well wishers, in person or by flowers and cards, create an uplifting feeling of the Everlasting Arms, buoying up the bereaved during this time of crisis. For many days thereafter, however, you can't believe what has happened! But time and correct thinking will shift your thoughts to the next Classroom. So send for my booklet "So Long George IV" (Solace for the Bereaved), enclosing a long stamped, return envelope, plus 20 cents. It buoyed up Mrs. Crane and me and contains some remarkable word pictures of that Next Classroom, Plus Edgar Guest's tremendous poem, "To All Parents." Pass it along especially to bereaved parents!

(Always write to Dr. Crane in care of this newspaper, enclosing a long stamped, addressed envelope and 20 cents to cover typing and printing costs when you send for one of his booklets.)

Received Diploma At 84, She Now Aims At College  
WASHINGTON D.C. (AP)—Mrs. Minnie E. Woolridge has just received her high school diploma and is looking forward to going to college. She is 84 years old. Mrs. Woolridge, who worked as a domestic for nearly 60 years, quit school to help support five brothers and sisters when her mother died in 1900. Five years ago she began attending evening adult classes offered by the city's public schools. "I was just so anxious to learn," explains the petite woman with sparkling eyes and silver streaks in her hair. An A student in her English class at Cardozo High School, she expects to continue her education in college. "I am not sur. I can meet the fees," she says, "but this is very important to me. I wouldn't want to stop learning now for anything."

Earns Degree At St. Jos. College  
EMMITSBURG, Md.—Miss Eileen Mary Stell, daughter of Mr. and Mrs. Robert J. Stell of 1204 Crestwood Dr., Greenville, N. C., received the Bachelor of Arts degree with a major in French from St. Joseph College today. During her four years at the Emmitsburg College, Miss Stell was a member of Pi Delta Phi, French Honor Society, Glee Club, and the Marion Association. Miss Stell plans to attend graduate school at the University of North Carolina at Chapel Hill.

RECRUITING EMPLOYERS  
CHICAGO (AP)—Nearly 300 members of the Junior Association of Commerce and Industry are canvassing 6,000 small businesses seeking summer jobs for young people. The volunteers are working for Mayor Richard Daley's Summer Jobs for Youth Committee. The goal for this year is 20,000 jobs. The first radio station with scheduled broadcasts was founded in Detroit in 1920.

In The Armed Services

Staff Sergeant James H. Stokes, son of Mr. and Mrs. B. R. Stokes of Pinetops, is on duty at Cam Ranh Bay in Viet Nam.

Sergeant Stokes' wife is the daughter of Mrs. Ida M. Purvis of Bethel.

Specialist 3 James L. Woolard, Greenville, is a member of the USA Headquarters Area Command, Special Services.

He recently received a letter of commendation from Brigadier General Albin F. Irzyk for courageous duty during the recent "Battle of Saigon." His wife Catherine E. Woodard resides at Rt. 1, Winterville.

Specialist 4 Bruce Rogers, son of Mrs. Carrie Rogers of Greenville left for Viet Nam on December 15, and recently joined the 4th Infantry Division at Kom Tum City in Viet Nam.

Captain David Earl Williams, wife of Elizabeth Williams, recently returned to Fort Bragg after his second Viet Nam tour of duty.

Captain Williams has received the Bronze Star, Purple Heart, Vietnamese Service Me-

dal, Vietnamese Campaign Medal, Good Conduct, Air Medal, and the National Defense Medal.

Star, and the Army Commendation Medal (Third Oak Leaf Cluster).

The awards were presented to his wife, Mrs. Alma Ruth Lambert and her three children, David, Donna, and Darrell, at their home by Major George R. McCormick.

Sergeant Lambert was credited with saving the lives of many persons when he cleared an area of all personnel and fought to keep an uncontrolled fire from reaching an ammunition depot. He was mortally wounded when a nearby stack of ammunition did explode.

Sergeant Lambert and his wife are Vanceboro natives.

U.S.A.F. Staff Sergeant Donald G. Reynolds, son of Mr. and Mrs. D. Lee Reynolds of Williamston has arrived at Schofield Barracks, Hawaii, for 17 weeks of specialized training as a combat security policeman.

Edward L. Mooring of Ayden received his second lieutenant's bars last Wednesday in a special ceremony at the North Carolina National Guard Center in Raleigh.

Cadet Daniel R. Taylor Jr. (above), son of Colonel (USA-Ret.) and Mrs. Daniel R. Taylor, 618 S. Elm St., Greenville, will graduate from the U.S. Military Academy at West Point today. He is a graduate (1964) of Randolph-Macon Academy in Virginia.

Cadet Taylor's father graduated from West Point in 1930.

First Sergeant Fred D. Lambert was awarded post-humously the Soldier's Medal, Bronze

CLAIRBORNE, Ala. (UPI)—completion of the \$23 million Claiborne Lock and Dam is scheduled in fiscal 1969. The dam will back up the Alabama River to a minimum depth of nine feet to the Millers Ferry Lock and Dam 60 miles upstream and provide opportunities for water-related recreation.

The dam, begun in April, 1965, is located in Monroe County, six miles upstream from U.S. Highway 84 bridge at Claiborne and about 15 miles northwest of Monroeville.

the seven, since there were no more club tricks available. West shifted to a small spade. There was a temptation for South to play low from dummy for, if West was leading away from the king, declarer could win the trick with the queen in his hand. He was aware that if West did have the spade king, however, it would have been easy to arrange for East to win the second club trick in order to make the spade play thru the concealed hand. So reasoning, South played the ace of spades—preserving his queen for a later purpose. Trumps were drawn in two rounds ending up in the closed hand and then the last club was ruffed. The ace and king of diamonds were cashed to complete stripping operations and now South led a spade from dummy. East was reluctant to put up the king, for fear that his forced return of a spade would present declarer with a ruff and discard. East followed with a small spade in the hope that West could win the trick—however, South produced the queen and claimed his contract conceding a diamond trick at the end.

## Bank Ordered To Pay \$40,157 Back Wages

WILMINGTON—U. S. District Judge John D. Larkins Jr. has signed a judgment here which orders First National Bank of Eastern North Carolina to pay \$40,157.55 in back wages due 189 of its employees under the provisions of the Fair Labor Standards Act (FLSA).

The order contains an exhibit which shows that the bank has previously paid \$6,051.06 in minimum wages and overtime pay due 57 other employees.

The order further permanently enjoined and restrained the bank, Mitchell F. Allen, Bruce A. Bryant, and Burnice W. Nash, their officers, agents, servants, employees, and all persons acting or claiming to act in their behalf from violating the minimum-wage, over-

## Yo-Yo May Be Seeing Upswing

KANSAS CITY, Mo. (UPI)—The yo-yo, which has had many ups and downs, may be on the upswing again. The little toy, thought to have begun as a weapon used by Filipino hunters, became a rage in this country in the 30s and has now been launched on a new career. Millions of yo-yos bearing likenesses of Charlie Brown, Linus, Lucy and Snoopy, the cast of Charles M. Schulz' comic strip, "Peanuts," have been produced by the Hallmark Cards here. For the benefit of a new generation of yo-yoers, instructions have been drawn up for four classical tricks which many parents may recall—the Spinner, Over the Falls, Around the Corner and Walking the Dog.

## Spy Plane Lost In Pacific Area

NAHA, Okinawa (AP)—A high-altitude U. S. reconnaissance plane and its pilot have been missing in the Pacific area since Tuesday while on a "routine training flight," the U. S. Air Force reported. The Air Force said an air and sea search was launched for the YF 12A SR71—a spy plane described as more sophisticated than the U2. The Air Force said the search was concentrated in the Pacific about 600 miles south of Okinawa and 500 miles east of Manila. The plane was based on Okinawa.

GAT THIS SPRINGFIELD, Mass. (UPI)—William Gunn is president of Smith & Wesson, Inc., manufacturers of firearms.

# Stock And Market Reports

**RALEIGH (AP) — (NCDA)—**North Carolina hog markets today were steady to 25 cents higher. Tops of 19.00-19.50 at Rocky Mount; 18.75-19.50 at Wilson; 18.50-19.50 at Tarboro; 18.50-19.00 at Bethel; 19.00 at Greensboro; 18.75 at Selma; 18.50 at Salisbury; 18.25 at Siler City and Denton.

**RALEIGH (AP) — (NCDA)—**North Carolina poultry market today was steady to firm. Price of live poultry at the farm was 18-13½, mostly 13½ cents per pound.

**NEW YORK (AP)—**The stock market overcame a mild early loss on news of the shooting of Sen. Robert F. Kennedy and moved irregularly higher in fairly active trading this afternoon.

The market canceled an early ratio of 2-to-1 for the downside and showed 80 some stocks higher than lower of about 1,400 issues traded on the New York Stock Exchange.

"The early decline was due more to a dearth of bids than a preponderance of sell orders," said Alan Shaw of Harris, Upham & Co. "Many investors, recalling how the market entered a strong uptrend soon after the assassinations of President Kennedy and Dr. Martin Luther King Jr., decided to wait and see rather than to sell in a hurry."

The Dow Jones industrial average, which showed a slight gain in earliest trading even when the over-all market was lower, readjusted to show a loss of .54 at 916.09 at noon.

The Associated Press average of 60 stocks at noon was off .1 at 337.6, with industrials up .4, rails off .3, and utilities off .3.

Union Tank Car spurted more than 5 points on news that the company would join Litton Industries, under a preliminary agreement for an exchange of shares. Litton was up 1.

Goodrich was by far the volume leader, advancing about 1½. It traded on a huge early block of 232,000 shares, unchanged at 59.

Williams Brothers spurted 10 points on news of a proposed merger with ACF Industries.

Among active stocks, CertainTeed and Sunray DX Oil advanced more than a point each and Brunswick about a point.

Pan American World Airways rose to 23 on a block of 47,000 shares and kept a fractional gain.

Boeing rose more than 2, Phelps Dodge, Control Data, Polaroid and U.S. Smelting a point or better.

Prices on the American Stock Exchange digested a mild loss at the start and then moved irregularly higher in active trading.

# Local People Shocked By Kennedy Shooting

**By RONALD GOLLOBIN**  
Reflector Staff Writer  
Those interviewed in downtown Greenville expressed shock and dismay when asked about their reaction to the news that Senator Robert F. Kennedy had been shot earlier this morning.

James E. Hagan, an off-duty police officer said, "My first impression was that we live in a sick country. Hatred, bitterness, and pure sickness was my first impression."

**PEGGY HOLDING**  
City Manager Harry Hagerty said briefly, "I am shocked and stunned and disappointed in the American public."  
Peggy Holding said, "I think it is terrible. It is scary and frightening that things like that happen all the time." Mrs. Holding takes inventory and orders for Belk Tylers.

**BRUCE BEASLEY**  
Mrs. Bobbie Atkinson said that she had first heard of the assassination attempt on a neighbors radio. "I ran in and told my husband. He cut on the television and has not moved from in front of it since then." Mrs. Atkinson is a saleslady at Belk-Tylers.

## Nichols School . . .

(Continued From Page 1)  
Road.

At present the county and Greenville city boards are operating under a 1966 annexation agreement that calls for a joint meeting of committees of the two boards to review proposals for enlargement or reduction of either of the school districts.

The present policy of the county board is to reject petitions seeking annexation to the Greenville school district from property owners whose property does not lie within the Greenville city limits.

County School Superintendent, Arthur Alford, told the board that before the county board could act on any annexation they must have a request from the Greenville Board of Education for the area. He emphasized that no such request has been made by the city board for the Hardee area.

Approval was given to an in-service training program for school principals. The two-day session was set for June 20-21, and will include instruction in ways to bring about better understanding between the various teachers and pupils in the schools.

A training session was also set for August 29, dealing with the creation of a better climate in working in a desegregated school situation.

## Traffic Toll

**RALEIGH (AP) —** Here is the Motor Vehicle Department's report of highway deaths and injuries for the 24 hours ending at midnight Tuesday:  
Killed—0  
Injured (rural)—15  
Killed this year—715  
Killed to date last year—642  
Injured to May 1, 1968—15,767  
Injured to May 1, 1967—15,878

# 'Free Choice' Plan Is Fairest: Gardner

"The Freedom of Choice plan was the fairest, most equitable way of determining what schools our children would attend," Reece B. Gardner, Republican candidate for the First Congressional District seat, told a group in Ahsokie last night.

"It was almost unbelievable that in a free society that kind of plan would be struck down, not because of any discrimination in its application, but solely because it had not brought about wholesale integration."

Gardner, who is opposing Democratic Congressman Walter Jones, spoke in Pitt County Monday night.

"Thousands of our finest young men have suffered and died in defending Vietnam, but now our government is in Paris trying to negotiate with a group of North Vietnamese who state openly that they will talk only about our getting out of Vietnam and leaving the country to the communists," he said in Greenville.

"If we must surrender, then we should do it now and get our men out of Vietnam and bring them home, instead of leaving them there as political pawns to be murdered and maimed by an unrestrained supply of Asian communists."

## Motor Graders Decision Secret

**RALEIGH (AP) —** It will be "some time" before the decision of the State Board of Award on the purchase of 101 motor graders for the North Carolina Highway Commission is made public.

Two committees were appointed to work with the Williamston Housing Authority. The first committee is to regulate codes and code enforcement. Members of that committee are A. J. Manning, Chairman; Junius J. Horton, J. E. Landi, Edward Beach, and Wilbur D. Edwards.

The second committee is to aid in development of policies and administration of projects. The members of that committee are Henry Leggett, Dr. L. S. Christian, Rev. Claude McDonald, G. T. Hyman, Jr., James Bennett, Mrs. Van Lee Peel, and Mrs. Katie Stillely.

Bids are to be received at the next monthly meeting for fences to be constructed along off-street parking lots at an approximate cost of \$2,000.

# PTI Trustees Not Unanimous

The action of the Board of Trustees of Pitt Technical Institute in requesting the State Board of Education to approve PTI for community college status was not unanimous, officials revealed today.

Three members of the 12-member board voted against the action. The three included A. B. Whitley, Jimmy Brewer and Clifton Everett.

A fourth board member, Chick Wynn was absent due to sickness.

Dr. Robert Lee Humber, chairman of the board, said in his opinion, the opposition came from "an apprehension that the technical instruction at the school might not be provided with the same degree of opportunity and emphasis." Dr. Humber termed it "an apprehension . . . not an opposition."

The trustee head emphasized that "the eight that voted for the change . . . the president and the staff of the institute are all 100 per cent for not only continuing emphasis on technical instruction, but to seek to provide every new course that local needs demand."

Dr. Humber explained that one reason for requesting the change to community college status was to provide a means of transferring credits received at the school to senior colleges in the state. This, he said, would aid students attending Pitt Tech to further their education at senior colleges without losing academic credit.

**HUMPHREY ADVISER**

# The Jamestown ferry goes from candle power to nuclear power in 20 minutes.

After you've seen the historic area around Williamsburg and Jamestown, take a pleasant ferry ride across the James to Surry County and see the story of nuclear power.

At the site of its new nuclear power station, the Virginia Electric and Power Company has opened an information center capable of handling hundreds of visitors daily.

Here you'll see animated displays, slide presentations and a working model of the reactor. (From a balcony you can watch us assemble the real thing.) You'll learn, step by step, how electricity is produced from the mighty atom.

And you'll see why nuclear energy is a safe, clean, efficient way to produce the electricity our growing area needs.

Whether you come by ferry from Jamestown or by road from other areas, Vepco invites you to visit the Surry Information Center and enjoy an informative look into the future.

Open from 10 am to 4 pm Monday through Saturday; from 1 pm to 6 pm on Sunday. For more information call your local Vepco office.
