The East Carolina Choir tours annually in the spring in North Carolina and neighboring states. On the tours of 1977 and 1978 the choir performed before approximately eight thousand people in schools, churches, and cathedrals in five states including appearances at Rockefeller Plaza and St. Patrick's Cathedral in New York and Washington Cathedral in Washington, D.C.

Recording sessions for all compositions on this album were made in the chapel of S. G. Wilkerson & Sons, Inc. We extend our appreciation to the Wilkerson families for their generosity and cooperation.
