The East Carolina University Bands

The ECU Bands include the Symphonic Wind Ensemble, Symphonic Band, Concert Band, two Jazz bands, Basketball Pep Band and the ECU Marching Pirates. More than 350 students from a variety of departments and degree programs across campus participate in the band program each year. The ECU Marching Pirates is the largest student organization at ECU and has performed at numerous bowl games, National Football League games, NASCAR events, and for President George W. Bush during his visit to the ECU campus in 2001. This diverse group of more than 200 performers is actively involved in supporting the spirit and traditions of ECU Athletics, and plays an active role in university recruitment. The band annually appears in special performances at high school marching band festivals throughout the mid-Atlantic region of the United States and hosts ECU Band Day, which involves more than 1,600 high school band students performing at half-time with the ECU Marching Pirates.
