

## Commissioners, School Board Members Ponder Proposed Land Purchase

By STUART SAVAGE  
Reflector Staff Writer  
Pitt County Commissioners and members of the Greenville City Board of Education met yesterday afternoon to discuss the proposed purchase of a 30-acre tract of land off Hooker Road for use as a site for a proposed new Junior high school; but no final action was taken.

the \$150,000 price for the tract, saying the price exceeded the appraised value of the property. Several appraisers reported to the board that the \$5,000 per acre price was excessive and reported that value of the tract was about \$4,000 per acre. Yesterday's joint meeting was held, as required by state law, based on the county board's failure to approve the expenditure which they must do under state statute.

County Commissioners' chairman Charles Gaskins, at the meeting opened, said the county board was charged with overseeing the expenditure of public monies and seeing that the spending "results in full and true value received for same." As a result of the appraisals, "the Board of Commissioners is of the opinion the price is not fair...the public would not get full value."

city school board and himself a real estate agent, said while the \$4,000 per acre appraised value for the tract might be in line if the property were to be sold on the open market for general use, it would not hold true "when you have a specific purpose in mind...it could increase the value." And he said, "for a school building...it is worth more." The site, he emphasized, "was the most ideal site...this is worth more to us — at \$5,000 per acre — than cheaper land further out."

## Hospital Bd. Eyes Added Coverage

By CAROL TYER  
Reflector Staff Writer  
The Pitt Memorial Hospital Board of Trustees decided to request that Congressman Walter B. Jones and Reps. Sam Bundy and Horton Rountree meet with the executive board to examine why occupational therapy may not be included in Medicare and Medicaid coverage.

Smith, the hospital's new occupational therapist, talk about her program. She told how she helps stroke, coronary, accident and other patients improve their coordination, mobility, etc. so they can return to a normal life. Associated with the Occupational Therapy department of the School of Allied Health and Social Professions of East Carolina University, she works with hospital patients on a part-time basis. Occupational

therapy is an important part of any rehabilitation program, so Pitt Memorial Hospital is getting a head start toward the time when it will include a regional rehabilitation medical facility. It is one of three acute hospitals in the state now offering this service. Chief of Staff Dr. Earl Trevathan reported that several members of the medical staff, a trustee, and the hospital administrator met with Dr. Glenn Fordham, dean of the UNC Medical School, and Glenn Wilson, Associate Dean of Community Health Service of the same school, to discuss Pitt Memorial's inclusion in a program to bring additional medical services to this area, while doctors are being trained by the medical staff here. The proposal had been announced as rejected at last month's meeting, but Dr. Fordham let it be known that no rush decision had to be made, so the staff decided to reconsider. A committee was formed composed of Dr. Frank Longino, Dr. W. W. Fore, and Dr. Jack Wilkerson, chairman, all members of the Pitt Memorial Medical Staff; Kenneth Dews, a representative of the Board of Trustees; Jack Richardson, Hospital administrator; and Dr. Edwin Monroe and Dr. Wallace Wooles, representatives of the ECU Medical School. The committee's purpose would be to explore what such a physician-training program could mean to the hospital and to Eastern North Carolina. Dr. Fordham will meet May 30 with the full Pitt Memorial medical staff.

Members of the school board cited the nearness of a 25-acre city Recreation Department park across a proposed road from the school site as being beneficial to and enhancing the proposed school location. School children would be able to use the recreation facilities and the recreation department would be able to use the school property, board members suggested.

Still not convinced the \$5,000 per acre cost for the property was in line, members of the Board of Commissioners suggested that a joint committee composed of county board representatives and members of the City Board of Education meet with owners of the property in an effort to negotiate a lower purchase price.

The land is owned by Plato and Guy Evans of Greenville. In the event a lower price cannot be obtained, commissioners and school board members, according to law, must vote on whether or not to spend \$150,000 for the land. Each board has one vote and if a

## Endorse Soviet Treaty

BONN, Germany (AP) — Chancellor Willy Brandt's tension-easing treaties with the Soviet Union and Poland won ratification majorities in parliament's lower house today but the size of the votes was not enough to override possible upper house objections.

Both treaties won 248 votes from the lower house. They needed 249 to overcome objections in the upper house, controlled by the opposition.

Opposition Christian Democrats said earlier they want the upper house to give the treaties with both the Soviet Union and Poland final ratification, but hardliners within the upper house could still delay if not try to block this.

Brandt would have to bring the treaties back to the Bundestag, the lower house, for another vote if the upper house objects to them, and he would then need 249 votes for final ratification.

The treaties, negotiated by Brandt on trips to Moscow and Warsaw in 1970, renounce the use of force and recognize German territorial losses to the Soviet Union and Poland in World War II. A series of further steps toward relaxation of tensions in Europe is dependent on acceptance of the pacts.

## Managers Eye New Contests Wallace Triumph In Mich. And Maryland

By WALTER R. MEARS  
AP Political Writer  
Gov. George C. Wallace has scored overwhelming victories in the Michigan and Maryland presidential primaries, and his managers are mapping new contests in behalf of their wounded candidate, hoping to deadlock the Democratic National Convention.

Sen. Hubert H. Humphrey was resuming today the campaign he suspended when Wallace was shot. Sen. George McGovern said he would take up the race again Thursday.

Felled by a gunman and partially paralyzed, Wallace received 51 per cent of the Democratic vote in Michigan to score his first Northern victory as a presidential campaigner, and parried that with a 40 per cent

victory showing in Maryland. McGovern ran second in Michigan, with 27 per cent of the vote, Humphrey third with 16 per cent. In Maryland, Humphrey's second place share was 27 per cent; McGovern trailed him with 22 per cent.

The South Dakota senator said he was pleased with what he termed strong showings in both states.

Humphrey congratulated Wallace, but said he could draw no conclusions from Tuesday's two primaries. He said his prospects of winning a second Democratic nomination had not been damaged by the outcome.

On the Republican side in both states, President Nixon won easily over token opposition.

Wallace had been the favorite in both contests, with his oppo-

sition to school busing for desegregation a big plus in Michigan, and with the electorate in much of border state Maryland clearly receptive to his kind of Democratic protest.

But his margins were bigger than expected, and it appeared that votes of sympathy for a felled campaigner, and a stiffened resolve among his supporters, had bolstered his showings Tuesday.

The Democratic ballots in both states were crowded—11 entries in Maryland, seven in Michigan—but only Wallace, McGovern and Humphrey gained significant shares of the vote.

In Michigan, voters could choose the ballot of either party, and Democratic leaders said a massive crossover of Re-

## Doctors Report Wallace Is Continuing To Improve

By DON McLEOD  
Associated Press Writer  
SILVER SPRING, Md. (AP) — George C. Wallace, elated by smashing presidential primary triumphs in Michigan and Maryland, showed continued improvement from gunshot wounds today.

A medical bulletin giving the latest word on the condition of the Alabama governor, partially paralyzed since being shot Monday during an election rally, said:

"The governor spent a comfortable night. He is very alert and aware of his surroundings. He is reading the paper avidly. He is continuing to improve. Paralysis of the legs remains unchanged.

"At this time, despite reports to the contrary, the exact nature of injury to the spinal cord cannot be determined until surgery is performed."

The bulletin, issued by Dr. Joseph F. Schanno, appeared to challenge published reports that Wallace already faced permanent paralysis from the hips-down because of damage to the spinal column.

The Washington Post in today's editions reported that the bullet had severed Wallace's spinal cord. It quoted unnamed

medical sources as saying chances of the governor ever walking again are "zero."

Earlier, Billy Joe Camp, Wallace's press secretary, told a reporter that the Post story

was "unfounded."

Camp said the governor had asked him this morning to get the latest vote totals from the two primaries.

"He was in good spirits,"

Camp said. "He was already aware he'd won the primaries."

There had been indications that Wallace's gunshot wound affecting the spine might not be as serious as had been feared.

## Compromise Plan Will Delay Busing Orders For Eighteen Months

WASHINGTON (AP) — House and Senate conferees agreed today on a compromise school busing provision that would delay for 18 months court desegregation orders requiring busing.

The compromise, reached near the end of an all-night bargaining session, cleared the way for final agreement by the conferees on a \$20-billion higher education bill.

The bill would provide a wide variety of aid for college students and the institutions they attend and also establish a national institute of education to foster research on the learning process, and authorize \$1.5 billion to help schools desegregate.

In reaching agreement, however, the conferees softened three tough House antibusing amendments, which could make it difficult to pass the measure on the House floor. The House, by two overwhelming votes, has insisted the conferees stand by the House provisions.

Civil rights leaders, who oppose any limitation on the courts in desegregation cases, also are urging defeat of the bill when it comes up in the House and Senate. No voting is expected before next week.

The key antibusing amendment agreed to would prevent court busing orders, even those

already issued, from going into effect until all appeals have been exhausted. As adopted by the House the provision would have been permanent law. The conference agreement puts a Jan. 1, 1974 expiration date on it.

Supporters of the compromise hope by that time the Supreme Court will have further clarified the busing controversy. It

is scheduled to hear arguments in a Denver school case this fall and a decision is expected by the summer of 1973.

The agreement also includes language from the Senate bill urging the courts to place limits on busing based on the age of the children and the distance they would be required to travel. And it would prohibit busing a student to an inferior school.

## Over \$550,000

Pitt County Civil Defense director Bobby Joyner said today that estimates of damage caused by a tornado that struck west of Greenville Monday night would total more than \$550,000.

The powerful storm struck about 10 p.m. in the Bell Arthur area, then came to earth again in the area of the intersection of U.S. 264 and U.S. 264A West of Greenville and in the Red Oak and Oakdale Subdivisions.

A survey of the areas involved, Joyner said, indicated an estimated \$184,000 damage was done to houses and other property in the Red Oak section where roofs were torn completely from four homes and others received

heavy roof and other structural damage.

Damage to houses, mobile homes and the Red Oak Christian Church near the U.S. 264-264A intersection was estimated at \$160,500. Joyner noted, while damage in the Bell Arthur area was set at \$52,000.

An estimated \$541,500 damage was done in the Oakdale Subdivision, according to Joyner's estimates.

Three new but unoccupied homes in Oakdale lost their roofs while other dwellings in the subdivision received heavy damage from the storm.

Damage to power lines and poles in the affected areas was placed at \$10,000.

## North Viet Shells Destroy Big U.S. Plane, Ammo Supplies

By GEORGE ESPER  
Associated Press Writer  
SAIGON (AP) — North Vietnamese shells smashed into a big U.S. Air Force transport and stored artillery ammunition and gasoline at the Kontum airfield in the central highlands today, killing seven Americans aboard the plane and injuring the other two.

The enemy gunners hit the C130 transport as it was taking off from the Kontum airfield. The plane cartwheeled and burst into flames.

Underground gasoline tanks at the western end of the airstrip exploded, sending flames 300 feet into the air, and thousands of rounds of artillery ammunition blasted off, shooting out flames and hurling canisters and shells high into the air.

The ammunition had been stacked at the end of the runway after it was unloaded Tuesday night and today from aircraft flying in from Pleiku. An American sergeant at the field said angrily:

"The South Vietnamese take the damned ammunition off the planes and leave it stacked up beside the airstrip instead of

getting rid of it straight away. They just leave it there and it makes a beautiful target for the North Vietnamese. Last week much the same thing happened, and three truck loads with ammo were destroyed."

The U.S. Command announced that seven other Americans were wounded in earlier rocket attacks on the Kontum airfield and that two Army AH1 gunship helicopters were hit by enemy fire 33 miles northwest of Kontum on May 9, with one crewman killed, one missing and one wounded.

Thirty U.S. B52 bombers dropped 750 tons of bombs on North Vietnamese troop concentrations menacing Kontum. Some of the strikes were within two miles of the city limits.

Enemy sappers were blamed for the attack during the night on the ammunition dump two miles east of downtown Pleiku.

Explosions continued throughout the day, and the danger and heat were so great that no one could get close enough to assess the damage.

On the northern front, the North Vietnamese drove government maintenance of a bridge on Highway 1 between Da Nang and Hue with a mortar and ground assault. Then they blew up the bridge, cutting the supply road to the troops on the northern front.

South Vietnamese infantrymen made two more forays to reoccupy Fire Bases Rakkasan and Helen, 15 miles west of Hue. These bases have been used off and on by the South Vietnamese and were abandoned several months ago before the North Vietnamese offensive began.

DEAR ABBY: I'm not very good at writing letters, so I make tapes to send to members of my family. (I am overseas in the service.)

I made two the other evening. One for my wife and one for my mother. I put them in the wrong envelopes and my mother got the tape I made for my wife, and my wife got the one I made for my mother.

I told my wife that when I come home next month I would rather that we just be alone, and I would try to get out of having my mother come to visit us. (My wife and my mother don't hit it off very well.)

In my tape to my mother I said I hoped she could come and visit us when I get home!

Well, my wife wrote and told me she got the tape I made for my mother, so obviously my mother got the tape I made for my wife.

Now what do I do?

WORRIED IN NAM

DEAR WORRIED: Take your lumps like a man. And if things get too hot stateside, you can always re-enlist!

DEAR ABBY: Every time I read a letter in your column from a mother who has practically become unglued because of a shocking letter she has "accidentally come across" while cleaning her child's desk drawers, I am reminded of some of the letters I used to write when I was a teen-ager.

I used to dream up the most fantastic tales to make my out-of-town friends think I was popular and wild. I realize now that some of the stories my correspondents wrote to me must have been equally fictitious.

I'm lucky my mother never snooped in my stationery box or she surely would have had a heart attack — for nothing!

OVER FIFTY

DEAR OVER: Your letter should be included with the literature put out by the HEART ASSOCIATION.

DEAR ABBY: There is a blind man who sells newspapers downtown. He has a seeing eye dog, but yesterday I noticed that he was hesitant to cross the street so I gently touched his elbow and said, "I'll tell you when you have the green light."

He thanked me warmly and said, "I wish more people were educated to let me know when the 'go' light is on. If I get started all right, I'm okay, but last year I was struck by a car."

I suppose because a blind person has a seeing eye dog with him, everyone assumes he needs no help in crossing streets. They don't realize that ALL dogs are color blind, and cannot read traffic signals.

I didn't know this until recently. If you will pass it on, Abby, you will help many blind people.

MRS. E. H. N.

DEAR MRS. N.: I am informed that, although all dogs are indeed "color blind," guide dogs are trained to escort their masters across streets by going with the flow of traffic. However, not all masters have complete confidence in their dogs, so if you observe such a situation, it would be kind to offer assistance.

Problems? Trust Abby. For a personal reply, write to ABBY, BOX 69700, L. A., CALIF. 90069 and enclose a stamped, addressed envelope.

# Satin Is Big Fabric For This Season's Evening Clothes

By ANN HENCKEN  
Associated Press Writer  
NEW YORK (AP) — Whether

it's an extravagant Donald Brooks evening dress or a John Kloss nightgown—nobody's go-

ing to feel like a wall flower in this season's evening clothes.

Satin is a big fabric for "important" gowns—with full, gathered satin skirts. Brooks, for fall, adds a black velvet bodice to a sweep of pink satin skirt for his infanta dress.

Oscar de la Renta builds his Boutique line dress offering around dark, solid satin skirts and blouses topped with cardigan sweaters. In fact, this cardigan of his goes over just about everything—except a group of embroidered chiffon prints.

Bill Blass creates a sumptuous sportswear feeling with his beige cashmere sweater top over a white satin skirt.

look of cashmere and satin, and at the same time, she likes that," said Blass, after his Bill Blass Ltd. show, pointing to a model dressed like a bright bird in a vibrant dress of red, green and black velvet, with feather-trim jacket.

Showstoppers like this are very much visible. Many have those wide dolman sleeves. For Brooks, the knock'em dead look means a crystal chemise dress, just a cut of silver light that couldn't be ignored at a party, unless everyone put on blinders.

However, the quiet pale dresses offered for fall can stop the show in their own way. One of Brooks's best numbers is a dolman-sleeved white crepe

gown. Blass shows the pale look in a peach and brown crepe outfit with cardigan jacket.

The Brooks collection runs from \$200 to \$5,000. But if you're not up to those designer prices, you might want to slip

into a John Kloss for Cira nightgown for your evening out. Others have done it, and the prices are \$8 to \$40.

He makes them in soft prints with deep-cut necklines. Or pastels with billowing skirts, and matching coat-ropes.

## 'Miss Zeta' Named Saturday Night

GOLDSBORO — On Saturday evening, the Zeta Chi Zeta Chapter of Zeta Phi Beta Sorority, Inc. presented its Seventh Annual Pageant using as their theme "Let There Be Peace."

Each year "Miss Zeta" is selected along with the crowning of "Miss Wayne County." Soror Esther M. Porteur, daughter of Mrs. E. Estella W. Porteur of Greenville and the late Mr. Harry Porteur, was selected "Miss Zeta for 1972."

The award was based on Soror Porteur's leadership and scholarship abilities, finer womanhood and exemplifying better sister love among the young and senior citizens.

The presentation was made by Soror Linda Deans, pageant co-chairman. Soror Porteur was

presented a trophy of sterling blue on white ivory background, the sorority colors, blue and white.

This is the second year Soror Porteur received the highest honor presented by the Zetas. She attended the Greenville City Schools, Hunter College, New York, where she started in music and later changing to business education, North Central University receiving the B.S. in business education and the M.S. in business education from the same university.

Three area recitals will be presented by Marie's School of Dance students.

The first recital will be held Saturday, May 20, at 8 p.m. at the Washington High School auditorium.

Farmville Central High School auditorium will be the scene of a recital on May 27 and the Greenville Moose Lodge on June 2. Both recitals will begin at eight o'clock.

"The Greatest Show on Earth" will be the theme of the Washington recital.

The public is invited to attend.

Keep cutting knives sharp by storing them in a knife holder or in a sheath that fits over the blade. Use knives for cutting food—not for cutting paper, string, or for sharpening pencils. Do not let knives soak in water but wash after using. Dry and then put knives away.

In 1969, she completed requirements for the counselor's degree from N.C. Central and has done further study at East Carolina University. Miss Porteur is currently employed by the Edgecombe County Board of Education and is a business instructor at North Edgecombe High School.

She is affiliated with many educational county and state organizations. Soror Porteur is a member of Mt. Calvary Free Will Baptist Church, where she serves as organist for the Senior and Junior Choirs and as a youth leader. She is also active in several civic organizations.

# Miss Marshburn Weds Friday

JACKSONVILLE — Miss Brenda Joyce Marshburn, daughter of Mr. and Mrs. Jack Marshburn of Greenville, became the bride of Lawrence C. Glisson Jr. on Friday at 8:00 p.m. in a candlelight ceremony. The Rev. Roger Russell performed the double ring ceremony in the First Free Will Baptist Church here. A program of wedding music was presented by Carolyn Etheridge, organist, and Shelby Taylor, soloist, who sang, "Theme From Love Story," "More," and "O Perfect Love."

Parents of the bridegroom are Mr. and Mrs. Lawrence C. Glisson Sr. of Rt. 8 Greenville. Given in marriage by her father, the bride was dressed in a gown by Bridal Originals designed of guipure lace with a

high neckline, ruffles, sheer sleeves and an organza skirt extending into a chapel train. She carried a nosegay of mixed summer flowers. The honor attendant was Miss Sharon Shivar of Jacksonville, aunt of the bride. She was dressed in a floor length lavender gown of crepe fashioned with an empire waistline trimmed with daisy lace. She carried a single mum tied with matching streamers. Bridesmaids were Vicki Shivar, Kathy Barber, Janet Marshburn, cousins of the bride, and Donna Mills, all of Jacksonville. Their gowns were styled identical to the honor attendant in pink, yellow, green and aqua. They carried mat-

ching mums with streamers. The father of the bridegroom was best man. Ushers were Donnie Hunnings of Spring Hope, cousin of the bride, both of Jacksonville and Terry Glisson

of Greenville, brother of the bridegroom. The mother of the bride wore a formal length dress of blue and white lace and white accessories. The mother of the bridegroom selected a formal length dress of green taffeta with silver accessories. Both mothers wore corsages of white

carnations. The wedding was directed by Mrs. R. F. Barber, and Mrs. H. T. Burton. Following a wedding trip to the coast, the couple will reside in Jacksonville. Immediately after the wedding, the parents of the bride entertained at a reception in the

## MissMcLaughlin Gives Program At Friday Meet

Miss Dötty McLaughlin was guest speaker at the meeting of the Greenville Woman's Club on Friday. Director of Social Services at the Alcoholic Rehabilitation Center, Miss McLaughlin told of the work being done there to aid the alcoholic in becoming a total person, physically, emotionally and morally. She asked that members save various items which could be used in craft classes at ARC and invited the group to visit the center.

Mrs. W. E. Roseveare, first vice president, welcomed guests and presided during the business session. The Rev. Troy Barrett gave the invocation prior to the covered-dish luncheon. Reports were given by the Fine Arts and Home Life Departments. The Civic Improvement chairman asked members to participate in the newspaper drive. It was announced that Boy Scouts would take care of the club grounds during the summer. Mrs. Roseveare thanked members who helped with the snack bar at the Sidewalk Art Show and also hostesses for the meeting with Mrs. W. A. Pollard as chairman.

## Bride-Elect Entertained At Reception

Miss Katrina Jolly, bride-elect of Leslie H. Garner, Jr., was entertained Friday at a reception at the home of Mrs. Joseph F. Steelman. Hostesses for the occasion were Mrs. Charles King and Mrs. Donald H. Hayes, mother of the bride-elect, and Mrs. L.H. Garner, mother of the bride groom-elect, received the guest. Each of the honorees was presented a corsage of roses and lilies-of-the-valley.

Junior hostesses, Miss Lala Steelman and Miss Kaki King, presided over the guest book and served refreshment. Miss Cindy Worsley, maid of honor, attended the punch bowl.

A floral arrangement of multi-colored roses flanked by burning tapers decorated the dining table. Other rooms featured bouquets of roses, irises, and mock orange.

The honoree was presented with a gift of crystal by the hostesses.

# Campaigning Risks Too Great

Persons representing all shades of thinking in our country have unanimously condemned the shooting Monday of Gov. George Wallace.

This is certainly proper, for such wanton acts strike at the very fiber of our Democratic way of life. Our constitution guarantees us freedom of speech and expression. The courts have guarded this right zealously since the nation was founded. Yet, any obscure and twisted person can silence a man who has something to offer in political debate merely by pulling a trigger.

Those who are called on to comment at such tragic times should have no trouble finding the proper phrases; after all it happens often enough in our modern day society.

We have seen President John Kennedy gunned

down, Robert F. Kennedy shot to death, Martin Luther King hit by a sniper. Now George C. Wallace has been shot point blank and critically wounded as he campaigned for the presidency.

None of these men were doing anything more than what they should have been doing; expressing ideas for the public to accept or reject. Yet in each case a lone gunman would deny the public the right to accept the ideas that these men stood for, or to turn to other men with opposing ideas.

Democracy cannot work as long as we require our leaders to place their lives in jeopardy everytime they make an appearance. It becomes obvious that if we cannot control those who would pull the trigger and take a candidate out of the race, then it becomes necessary to restrain the activities of the candidates and public figures in order to protect their lives.

What we are going to see is an era when those in the public eye cannot move freely among the crowds as Gov. Wallace was doing Monday. The risk is too great. It will be necessary for them to keep their distance from the crowds. Of course, increased surveillance will be necessary to prevent snipers with high powered rifles from menacing the candidates.

None of this is very palatable in a democratic society. We are a people who enjoy meeting the candidates and shaking their hands. We cannot go on, however, asking candidates to take the grave risks that have been thrust upon them. We must do everything we can to protect them, and that includes no longer asking them to press into crowds where the fanatic gunman may be lurking.

# Two Questions On N.C. Judges

By BRYAN HAISLIP

RALEIGH. — Should judges be appointed instead of elected through the partisan political process? Should formal legal training be required of those serving as judges?

Those two questions stand in the way of realizing the full potential of North Carolina's

to upgrading the judiciary. Amendments On Fall Ballot

The fall general election ballot will carry two Constitutional amendments, approved by the legislature on the recommendation of the commission. One would set mandatory retirement ages for judges. The other would establish a commission with power to censure and remove from office judges who fail to meet standards of conduct. A judicial selection procedure proposed by the commission failed to make headway in the 1971 legislature. It would have replaced popular election with an appointive method, based on the so-called Missouri Plan.

Powerful political commitment to the election of judges, said Phillips, "rests essentially on myth and misapprehension."

The myth is that judicial election is somehow basic to the democratic tradition. In point of fact, Phillips said, election of judges is a mid-19th century development.

The founding fathers never considered it as a possibility, he argued.

Argument Against Election "The reason is plain, and remains the basic argument against election. Simply put, it is that the partisan political process is inimical to the judicial process. Whereas our legislative and executive officials ought very rarely to be beholden to their constituencies, it is the most important single requirement of a judge that he be beholden to no one."

The misapprehension is that a change in the method of selection would reflect upon the present judiciary. This is not the case, Phillips insisted.

"...One can be an ardent advocate for abandoning our elective process without impugning the quality of the current judiciary one whit. As a matter of fact, it is doubtful that any state judiciary is entitled to higher marks than North Carolina's for historical freedom from any taint of corruption and, by and large, for dedicated effort."

In similar vein, Phillips said legal education alone is not sufficient qualification for a judge but its absence limits performance. A nonlawyer on the bench does not mean failure of the system, he said, but it does insure that the system cannot operate at full potential.

"We are entitled to a system which maximizes the chances for achieving full potential," he concluded.

# Humphrey Will Remove Gloves

By ROWLANE EVANS and ROBERT NOVAK

WASHINGTON — A

backstage decision by Sen. Hubert Humphrey's campaign to finally take off the gloves against Sen. George McGovern will become clear within the next week when Worried Workers Brigades suddenly turn up at factory gates all over California.

Anti-McGovern tactics in California were opposed by state Assemblymen Walter Karabian, Humphrey's southern California chairman who has close personal ties to the party's left fringe. He was overruled by Mayor Joseph Alioto of San Francisco and other key Humphrey men. Their argument: Humphrey must win the California primary June 6 to be nominated; to win the primary, he must capture the blue-collar vote.

Details were hammered out at a secret Humphrey strategy meeting in Los Angeles Friday afternoon. Although undetermined at this writing, Humphrey himself may join the attack. It was decided no great emphasis be put on the social issues of abortion, amnesty and marijuana which preoccupied last week's Nebraska primary.

Instead, the "anti-campaign" (as it is called by Humphrey operatives) will bear down on blue-collar concerns: the proposed space shuttle, opposed by McGovern, means 20,000 jobs and \$1 billion for California. Defeat of the Lockheed loan would have cost the state 72,000 jobs. Considering how much California has suffered from President Nixon's modest defense reductions, what would happen if a President McGovern carried out his promise to cut over \$30 billion?

Nearly as important to Humphrey is the big Jewish vote. McGovern's lieutenants in California, believing McGovern's present poor showing among Jewish voters puts him behind Humphrey statewide, are now portraying McGovern as

opposed any overt anti-McGovern campaign. However, McGovern's persistent success among blue-collar workers, particularly in Ohio, convinced the Humphrey command he had better worry about getting nominated first and elected afterwards.

# WE AREN'T TO NOTICE THE BARGAINING STOOL!

By LEE BYRD

# Safety Is Not Assured

WASHINGTON (AP) — You're at a political rally and a friendly young man sidles up and gives you a slight, painless nudge in the ribs. He is smiling and the gesture seems to say "Hi, how are ya?" But what he really wanted to know is whether you've got a gun.

It's a little trick often employed by the Secret Service. And if it had been used on the right man Monday, George C. Wallace likely would have been spared the bullets which felled him on a Laurel, Md., parking lot.

Yet who would expect the Secret Service or local police to spot every potential assailant in a crowd?

Not George Wallace, who took the step of adding Alabama state troopers to the corps of federal men who followed him and still felt "fully aware of the possibility" he

would be shot. And having more agents, said Asst. Treasury Secretary Eugene T. Rossides, "would have made absolutely no difference in a situation like this."

At best, the business of candidate protection is one of reducing the risks. But they never are eliminated. Not as long as politicians insist on demonstrating their popularity in handshaking tours and hoopla rallies. Not as long as just a few men are willing to commit a violent act, whether it is upon a Dr. Martin Luther King or a George Corley Wallace.

The late Robert F. Kennedy told his closest aides that if a man wanted to kill him, he'd probably find a way to do it, no matter what. Meanwhile, said Kennedy, a man has to take a man's chances.

But does he? In an era

when newspapers, television and radio can reach virtually every voting man and woman in the nation, is it really necessary to charge through a mob of mere hundreds and thereby subject the will of the majority to the whim of a fanatic?

Or should a man running for the highest office in the land forego such gallantry, like the general who remains at the rear line, as a matter of national interest?

The notion that massive face-to-face contact is necessary is something of an American exclusive among democracies. Too, America leads the world in the number of lethal weapons among its citizens and the ease by which they can be procured. Remember the great gun debate after RFK was shot?

And there were tighter gun controls as a result. And for the first time, major candidates were assigned agents before the nominating conventions. The Secret Service force was nearly quadrupled since that day in Los Angeles, now totaling over 700 agents. But George Wallace was shot nonetheless, as he reached to shake a hand.

Now the protection will be expanded again. Sen. Edward Kennedy, Rep. Shirley Chisholm and Rep. Wilbur Mills have been added to the list of those under guard.

The task of guarding the Democratic candidates is regarded as far tougher by most agents than that of protecting the president and vice president. In White House travels, the routes are known and can be carefully advanced. Buildings are searched in some cases, with men posted on rooftops.

But the primary candidates don't follow such pre-set routine. The Secret Service declines to say how many men are assigned to each candidate, though it could be as many as 50. No more than eight or 10 are usually at the campaigner's side at any one time, however.

At a typical Wallace rally, four Secret Service agents stood on the platform, arms folded or behind their back, (Continued On Page 8)

# Strength For Today

WAKE UP  
Fear is an emotion with which we are endowed for our protection. There are plenty of things in life about which we need to be afraid—bad company, pollution of air and water, war, the growth of crime. Fear has its place in life, and in many areas we need to listen intently to its warnings.

But morbid fear is something else again. Morbid fear is the turning-back of fear upon itself. Some people go through life positively shivering with fear. They have fear of certain events that probably will never happen. In all probability the things of which we have no fear are extremely dangerous, and many of the things that keep us awake at night are never going to happen. A person who is emotionally well set up

has fears, and he needs to have them, but the person who lies awake at night thinking about this awful possibility or that is in an emotionally unnatural and morbid state of mind.

Most of the bravest soldiers in the world entertain fearful anticipations of what may happen to them. Are they poor soldiers because of this fear? Not at all. The dangers inherent in war are real, and the soldier who would not be apprehensive about these danger areas would soon be of no use to his country. The people who are chewing their fingernails over serious situations such as illness, loss of money, demotion, various kinds of failure—these people for who life is a continuous mood of apprehension had better wake up and begin to feel the inherent satisfactions life can bring to all of us.

# Feeling The Price Commission

By JOHN CUNNIFF  
AP Business Analyst  
NEW YORK (AP) — Business is becoming more concerned with the Price Commission.

It used to think of the commission as another bureaucratic irritant that must be lived with. Now the irritation is beginning to sting, and there seems to be growing fears that a running sore is developing.

The commission is being blamed as much as the Vietnam war for stalling the stock market, and there is concern that a timid stock market could undermine business confidence as well.

The reasons for concern are easily culled from conversations at business meetings or from casual remarks during interviews. Among them:

—A realization that the commission's rulings can really cut into profits, a fact that business was slow to appreciate.

—A feeling that the commission's pronouncements are sometimes difficult to comprehend and comply with.

—Evidence that the commission trips over its own red tape, as in inaccurately charging some companies with failing to file required profit reports and then having to apologize.

—Fear that controls may not work. While this latter reason may or may not imply a lack of confidence in the commission itself, it seems clear that some businessmen have lost what little faith they had in controls. Indirectly, this attitude is

reflected in reports of corporate economists that increasingly express the belief that inflation will be rekindled later this year and be a serious problem in 1973.

After supporting the imposition of controls as a desperate but necessary stopgap, some businessmen now seem to wonder why they foresook their traditional belief that a free market is the best market.

Among the more outspoken critics is Albert H. Cox, Jr., chief economist of Edie & Co., and former special assistant to Paul McCracken when he was chairman of Nixon's Council of Economic Advisers.

Edie clients, which include some of the country's largest companies, have just received a "confidential special analysis" on "Nixon,

Grayson, and the outlook," in which Cox lambasts the commission.

Cox implies that it is sometimes the commission's methods rather than its decisions alone that concern business planners. He specifically cites the commission's "publicity" about price rollbacks and non-compliance.

The commission, he states, "does not have the 'horses' to handle such a complex job, and it never will." The word "never" is underlined in the report.

He concludes that if "it," presumably meaning the alleged inefficiency, "goes on too long, profits could be throttled, the upswing in capital spending could be threatened, and unemployment could go higher instead of lower."

## Lodge Organizes Club For Boys

L. B. Anderson, District Ten A & FM deputy, announced that the Masons of Mount Herman Lodge No. 35 have organized the Knights of Pythagoras Club for Boys in Pitt County.

Anderson said that the in-

tention of the youth organization is to promote the development of young men, especially in the areas of religion, education, leadership and health education.

"A worthy purpose calls for the best that anyone can give," the official noted. "To advance the work of these young men and to develop a well rounded program, they need all of us to support them in their efforts"

Glen Stirkland, principal of W. H. Robinson Primary School; David Pullers, principal of A. G. Cox Grammar, and Masons M. G. Frizzell and Simon Hemby formulated a program designed to foster wholesome recreational, cultural and educational, development of children in the Greenville-Winterville community.

They reported that the program outline includes: teenage hops with music and dancing, talent shows, movie parties, basketball games on the yard and in the gyms, Boy Scout Troops, and school plays.

## Will Discuss Solid Waste

Residents of the Black Jack community will meet at the Black Jack Fire Station Thursday evening at 7:30 for a discussion of solid waste disposal.

John Baily, who is coordinating arrangements for the meeting, noted that what to do with trash, garbage, pesticide containers, and other waste is a big concern to people in the community.

Ed Yancey, county extension chairman and Willie Pate, county health sanitarian, will lead the discussion. Yancey will discuss solid waste and show a film about various methods of dealing with the problem. Pate will discuss some of the ways in which a county or community might handle the problem.

The group, it was pointed out, will be brought up to date on the studies and actions of county government toward a solution of the solid waste problem.

All interested citizens are invited to attend the meeting.

## Gets Degree At Peace College

RALEIGH — Connie Lynn Nobles, daughter of Mrs. Robert Pate and Bobby Nobles, both of Ayden, received her associate of arts degree at the 100th commencement exercises at Peace College here Saturday.

Miss Nobles was active at Peace as editor-in-chief of "The Lotus", the school yearbook. She was a member of the Dance Club, President's Advisory Committee, Peace Student Recreation Association, chairman of the Major Intramurals and student delegate to the Faculty Seminar.

She was named to "Who's Who Among Students in American Junior Colleges".

## Four Grads At Campbell

BUIES CREEK — Two students from Pitt County and two students from Greene County received degrees Monday morning as Campbell College graduated a class of 325.

Receiving special recognition for high academic achievement were the following students from Greene County:

Nigel Bruce Barrow, son of Mr. and Mrs. N.B. Barrow of Rt. 2, Snow Hill, summa cum laude (with highest honor); and Mary Rose Barrow, daughter of Mr. and Mrs. R.P. Aiken of Snow Hill, cum laude (with honor).

Also receiving bachelors' degrees were the following Pitt County students:

Jacqueline Moore of Farmville, B.S. in social science; and Kathryn Matilda Barnhill, B. S. in elementary education.

Principal speaker for the commencement was Ned B. Ball of New York City. Ball, a Campbell alumnus of the Class of 1927, is president of Merrill Lynch, Pierce, Fenner and Smith, Inc. He is a member of Campbell's Presidential Board of Advisers.

When Wallace made a major speech, at an auditorium or rally, he stood behind a bulletproof rostrum. He used it in three campaigns in the last eight years, and spoke behind it Monday at Laurel. But then, contrary to his more usual practice, he stepped out to shake those hands.

## Evans-Novak . . .

(Continued from page 4) a champion of Israel. In fact, McGovern, displaying undeniable courage, has been the one Democratic Presidential candidate who has attempted and evenhanded posture in the Middle East. Humphrey's anti-campaign will publicize that.

The word will be spread through the Jewish community that McGovern consistently voted against bills providing military and economic aid to Israel. It will be shown that McGovern expressed concern over the property and psychological losses suffered by the Arab refugees from Palestine with no similar comments about Jews kicked out of Arab countries.

In addition, McGovern will be painted as a proponent of busing, an admirer of black revolutionary George Jackson, and the Presidential choice of left activist Jerry Rubin.

Put simply, the free pass is over for McGovern. No longer can he retain the devotion of his campus-suburban constituency because of advanced ideological positions while winning over blue-collar workers merely because he seems honest and sincere. If he keeps the California workingman, it will be in spite of his positions — not because the workers are ignorant of them. Humphrey's anti-campaign is seeing to that.

DEED TRANSFERED—J. Preston Corey (left) of the Winterville Ruritan Club presents a property deed to trustees Paul Hunsucker (center) and Gervas Vincent, for property bought from the Pitt County Board of Education. The property, a part of the old Winterville school

cost \$1,940. Interested persons donated \$940 to the memory of the late Vernon Cox, a Pitt County commissioner, and the remaining \$1,000 was supplied by the Winterville Ruritan Club. The building is to be used for Girl Scouting in Winterville. (Reflector Staff Photo)

## Nixon Retires To Camp David

THURMONT, Md. (AP) — His summit meeting with Soviet leaders a weekend away, President Nixon has retired to his Camp David retreat here. There was no word on when he would return to Washington.

The President is scheduled to leave for Moscow Saturday morning.

# Jogging Is Not For Everybody

By DUSTON HARVEY  
SAN FRANCISCO (UPI)—A healthy, middle-aged man who spends too much of his time behind a desk decides to take up jogging to keep in shape.

Before he does, he should listen to a warning and a recommendation from a Texas heart expert who has been running 250 space agency executives through a physical conditioning program for the past three years.

Dr. Earl F. Beard's warning is to have a thorough physical checkup first — one which specifically includes a heart check after exercising on a bicyclist or a treadmill.

His recommendation to potential joggers and entrants into other exercise programs is to learn to take their own pulse rate and to regulate their training according to the pulse levels.

otherwise healthy executives from NASA's Manned Spacecraft Center.

In 1,385 quarterly tests, 34 per cent of the executives showed the sudden rhythm changes—or cardiac arrhythmias, as they are known clinically—at one time or another and 11 per cent showed some signs of them in every checkup.

"We don't know the implications," Beard said. "None of these middle-aged men had clinically detectable coronary artery disease.

"We don't know if the arrhythmias are naturally occurring, if they could lead to complications if ignored, or if they are symptomatic of a later

onset of coronary heart disease."

**Careful Observation**

Beard suggested that when arrhythmias are detected during testing—either prior to the start of exercise or during periodic checkups later—they should be interpreted as an indication that training levels need to be lowered.

"We teach our men to take their own pulse rate and to regulate their own training according to pulse rate levels," he said.

He said the exercisers are advised to run at speeds and distances that keep their pulse rates a few beats per minute below the rates for which they've been tested without

developing arrhythmias.

"We're interjecting some element of safety," Beard said. He said the rhythm changes sometimes occurred only during the postexercise period, rather than during exercise, indicating the need for checks at both times.

In his program, exercisers take their own pulse rate immediately and again two minutes after they finish working out.

"We also teach them to recognize changes in heart rhythm during training," he said.

**Amazing Findings**

When the rhythm changes are detected, the executives are asked to cut back the level of

their physical conditioning and are followed "more cautiously with tape-recorded electrocardiograms and other methods."

So far, there have been no serious incidents in the training program—which involves men aged 28 to 63 with a mean age of 41—and it is continuing as an

effort to test the idea that physical training may help prevent heart disease.

"Our numbers are small, but so far not one of our executives has developed clinically detectable coronary disease," Beard said. "That amazes us—but it may only mean that we have a slightly selected group."

## New Zealand's Tourism Earns

WELLINGTON, N.Z. (UPI)—Tourism ranked second only to manufacturing last year in its growth rate as an earner of overseas exchange for New Zealand; and may even move into first place in 1972. New Zealand's Reserve Bank reported that in 1972 overseas exchange receipts from tourist came to more than \$42 million, compared with \$12 million for 1970.

# Public Welfare Seminar Is Scheduled Next Week

Do people get on public welfare and what do you get once you're on it? What can church groups do in the total public welfare effort?

questions that hopefully will be answered for those who attend a seminar entitled, "The Church and Public Welfare" at Moyewood Social Services Center here next Monday and Tuesday.

Sponsored by the N. C. Council of Churches and several Greenville church, the seminar is designed to provide information about welfare program, exploration of legislative issues, some feeling knowledge of poverty plus some models for church action. Persons from 18 Eastern North Carolina counties are participating.

The Monday schedule included an introduction at 10 a.m. by Collins Kilburn of the N. C. Council of Churches and John Lackey, chairman of the Welfare-Hunger Task Group. Robert Ward, Assistant Commissioner of Social Services, will discuss the welfare system in North Carolina its needs and programs the same morning. The first of three commodity food meals will be served at noon. Others will be at 6 p.m. Monday and 6 p.m. Saturday. Mrs. Liz Wilkerson is in charge of this project and is receiving assistance from women from St. James, Jarvis, Holy Trinity,

Sycamore Hill, Immanuel Baptist, Cornerstone, St. Paul's Episcopal, and other Greenville churches. The Rev. Dan Earnhardt will lead a simulation game at 1 p.m., letting participants experience the applying for aid and other procedures that potential recipients go through. At 2 p.m., there will be field trips to visit welfare recipients and social workers and to talk with Miss Dorothy Bolton, director of Pitt County Social Services, and more discussion at 5 p.m. A 7 p.m. film entitled, "No Handouts for Mrs. Hedgepath"

will be followed by a discussion with members of the National Welfare Rights Organization at 7:30 p.m. The Tuesday morning program includes a 9 o'clock discussion of "Welfare and Welfare Reform in National Perspective" led by David Ackerman, a Washington welfare lobbyist. A discussion of "Developing Models for Church Action" which begins at 11 a.m. will be preceded by a report from the Robeson County Church and Community Center. Small groups will attempt to find ways in which Greenville churches

can help meet the needs of the poor and helpless. Persons wishing to register should contact the Rev. Charles M. Smith of Jarvis Memorial United Methodist Church, 752-3103. The registration fee is \$7.

## Present Awards At Annual Event

Annual Greek Week Awards were presented at a banquet held by the East Carolina University Interfraternity Council Thursday.

Awards were as follows: Outstanding Greek Award presented to Tim Hitchcock, IFC president by Dr. Leo Jenkins; Service Award presented by C. G. Moore, vice president for business affairs, to Kappa Sigma Fraternity; Scholarship Award presented by Dr. Robert Williams, Provost, to Kappa Sigma Fraternity; Pi Kappa Phi Award presented by Lou Vaughn, IFC vice president, to Alpha Phi Sorority; Pledge Class Award presented by Dr. James H. Tucker, Dean of Student Affairs, to Kappa Sigma; Alpha Xi Delta Award presented by Miss Karen King to Kappa Sigma; IFC Queen Award presented by Tim Hitchcock to Miss Norma Wallace; Greek Week Trophy presented to Dr. Robert Holt, vice president, to Kappa Sigma; Track Meet Trophy presented by Lou Vaughn to Phi Kappa Pi, and highest scholastic average of Greek Men presented by James Karahalios to Glenn Croshaw. Vaughn presented a gavel to Tim Hitchcock, outgoing president. Hitchcock presented two appreciation gifts, one to

## Board Faced Other Items

Flies in the cooking lab and a shortened last day of school were two of the "minor" subjects faced by members of the Greenville School Board at their meeting Monday night punctuated by a violent thunderstorm outside.

Both subjects were introduced by Mrs. Robert Kittrell.

Mrs. Mrs. Kittrell revealed she had received a request that action be taken to install screens on the doors of the Rose High Cooking Lab, part of the newly completed Home Economics Complex at Rose High School.

"There are flies in the cooking lab," Mrs. Kittrell stated, "and the teachers said they must keep the doors open since the kitchen is not air conditioned."

Associate Principal Glenn Cox said "the building was designed to include screens as part of the construction and that he would look into it."

On the issue of shortening the last day of school, Mrs. Kittrell's motion was voted down. Board members, however, did indicate agreement for School Superintendent Dr. Cleet C. Cleetwood to take action in this matter as an administrative procedure if he felt it was the best interests of the schools to do so.

Mrs. Kittrell had cited "restlessness among the students" on the last day as the reason for her proposal.

## Received Degree From Pfeiffer

MISENHEIMER — A.C. Whichard of Stokes was among the 210 seniors receiving degrees from Pfeiffer College Sunday.

Diplomas were awarded at a ceremony which featured Dr. Willis M. Tate, Chancellor, Southern Methodist University, Dallas, Tex., as a commencement speaker.

Whichard, a biology major, is the son of Mr. and Mrs. C. S. Whichard of Stokes. He was the editor of a student-faculty director for two years, a member of the science club, and president of Alpha Phi Omega, national service fraternity.

## \$8,800 Went To Illegal Drugs

CHARLOTTE (AP) — Police have spent \$8,800 to buy illegal drugs in the Charlotte area in the last 10 months.

Lt. J. O. Bowman of the Charlotte-Mecklenburg Vice Squad, who reported the figure Tuesday, said the undercover campaigns have resulted in numerous arrests for sale and for possession of illegal drugs.

## Jackson, Yorty Topped Muskie

BALTIMORE, Md. (AP) — Two underdog West Coast presidential candidates did better than one-time Democratic front runner Edmund S. Muskie in Tuesday's Maryland primary.

Sen. Muskie of Maine occupies a home in Maryland just across the line from Washington, D.C.

Sen. Henry M. Jackson of Washington had 17,680 votes and Los Angeles Mayor Sam Yorty had 13,647, compared with Muskie's 13,083 with 1,611 of the state's 1,616 precincts reporting. They were 200,000 votes behind winner George C. Wallace.

## Best In Nation

RALEIGH (AP) — For the fourth straight year North Carolina has been honored by the National Safety Council for having the best program of teaching defensive driving in the nation.

The safety council's regional director, James E. Civiis of Atlanta, came to Raleigh Tuesday to present the award to Motor Vehicles Commissioner Joe Garrett.

In the last 6½ years, North Carolina's defensive driving program has produced 106,581 graduates, including 19,640 during the past year.

## CHAIRMAN DIES

CHARLOTTE (AP) — Walter B. Nivens, 56, who two months ago became the first black chairman of the Mecklenburg County Board of Elections, died in his law office Tuesday night, apparently of a heart attack.

## Leisurely Walk In 7 Counties

WINSTON-SALEM (AP) — Brooks Hayes, 73-year-old Democratic candidate for Congress in the 5th District, started a leisurely walk across the seven counties of the district Tuesday.

There will be days between each walk. He plans to travel a continuous path, finishing about a month before the November election. The counties are Ashe, Alleghany, Stokes, Surry, Wilkes, Forsyth and Davidson.

Hayes walked about five miles along U.S. 332 between West Jefferson and Jefferson in Ashe County Tuesday.

He is trying to unseat Rep. Wilmer D. Mizell, 41-year-old Republican seeking a third term.

Next to Rhode Island, Delaware is the smallest state.

# Humphrey Campaign Trouble Appears Deepening

By CARL P. LEUBSDORF  
AP Political Writer  
DETROIT (AP) — Sen. Hubert H. Humphrey's campaign appears to be in deepening trouble as the race for the

Democratic presidential nomination moves west towards California's crucial primary June 6.

Short on funds, the Minnesota senator has cut back in some states to put virtually all of his resources into California, where he hopes to halt the momentum of Sen. George McGovern's drive.

If he can't, the nomination may be McGovern's.

Humphrey and McGovern meet in a head-to-head battle in the California primary, where Gov. George C. Wallace of Alabama is not on the ballot. The winner of the California primary takes away 271 national convention delegate votes.

The results in Tuesday's two primaries illustrate Humphrey's increasing problems.

In Michigan, a state he car-

ried in the 1968 presidential election, Humphrey finished a poor third, more than 100,000 votes behind McGovern, of South Dakota. He did especially poorly in blue collar and suburban areas.

In Maryland, only an overwhelming majority in Baltimore's predominantly black 7th Congressional District enabled Humphrey to finish ahead of McGovern for second place behind Wallace.

The results were the latest in a series of weaker-than-expected performances by Humphrey in the industrial heartland that was the center of his 1968 strength and promised to be so again this year.

In Pennsylvania, though the clear winner of the preference vote, Humphrey won 55 delegates to a strong showing of 39

for McGovern. In Ohio, a bare 20,000-vote statewide majority saved Humphrey from a disaster by giving him 38 at-large delegates for a total of 74, to McGovern's 66.

Only a strong showing in a black congressional district in Cleveland saved Ohio for the Minnesota senator. Similarly, black votes were responsible for his second-place showing in Florida and for the one congressional district he won in Wisconsin.

In Michigan, even his black support began to diminish. McGovern increased his share of the black vote, and New York Rep. Shirley Chisholm won some of it, too.

Now, the Democratic primary race moves on to states which, for the most part, seem more favorable to McGovern

than to Humphrey.

In Oregon, in fact, Humphrey has decided against contesting next Tuesday's primary. McGovern's only active rival is Rep. Patsy Mink of Hawaii.

## Volpe Visiting Cities In N.C.

RALEIGH (AP) — Secretary of Transportation John Volpe is to be in Raleigh, Charlotte and Greensboro Thursday.

In Charlotte he will take a look at the federally sponsored Alcohol Safety Action Project, which tries to get drunken drivers off the roads.

In Greensboro he will address a Chamber of Commerce banquet.

Humphrey plans some campaigning for Rhode Island's primary the same day. Polls there show McGovern ahead.

In New Jersey, which holds its primary the same day as California, Humphrey appears to have strong organization and labor support. But McGovern has a strong volunteer organization and appears to be in position to capture close to half of the state's delegation.

In New York, which will elect 238 of its 278 delegates on June 20, Humphrey appears in even greater difficulty. Though he once listed it along with California as a vital state, the Minnesota senator was unable to file a delegate slate and is relying on uncommitted slates of party regulars.

The result is that McGovern supporters now appear to be

virtually unopposed for 92 of the New York delegates and are in good position to more than double that June 20. McGovern aides talk of winning between 200 and 240 of the New York delegates.

Gary Hart, McGovern's campaign manager, says the senator will have 1,300 delegates—just 200 shorts of the 1,500 needed to nominate—after the New York primary, if the South Dakota senator wins in California.

It's a crucial if, but far from an unlikely one. Polls show McGovern gaining, though still a bit behind as of early May. Humphrey aides concede McGovern will out-spend and out-organize them in California.

They count, however, on Humphrey's appeal among industrial workers, the state's

substantial Jewish population and the blacks and Chicanos, who make up 25 per cent of the state's Democratic vote.

## Dr. Vick Will Address LPNs

Dr. Bernard Vick will be the guest speaker at a meeting of the Licensed Practical Nurses Association Thursday at 8 p. m. at the Pitt Memorial Hospital Education Center.

All working and non-working LPNs are urged to attend.

Many male insects do not survive the winter but survival of the species is assured through the females which are fertilized before winter sets in.

## Advised To Heed Exchange Rates

WASHINGTON (UPI) — Don't meddle with black market money when traveling. The Air Transport Association advised U.S. citizens traveling abroad to stick to the official rate on foreign money exchange. The association warns that trading money on the black market is a serious offense in many countries—and there also is a danger of being stuck with counterfeit.

(Continued from page 1) operating costs in determining the base to which the five per cent would apply. Bad debts could not be considered as charity care. Hospital would be required to budget in advance for patients expected to be unable to pay. To obtain credit for charity care, a hospital would be required to determine charity care on or before admission.

Richardson said Pitt Memorial is providing about this much charity care, but that the disturbing thing about this requirement is that it would entail much more investigation at the time of admission and more paper work, among other factors. The American Hospital Association has requested that time in which these regulations must become effective be increased from 30 to 90 days.

## Commission . . .

(Continued from Page 1) a tie develops, the Clerk of Superior Court must review the proposal and break the tie. If the losing board wishes, the matter then may be appealed to Superior Court.

In other action yesterday, commissioners approved a three-year lease for a half-acre of land at Pitt Memorial Hospital to Pitt Medical Associates Inc. to be used as a parking lot.

Under the lease agreement Pitt Medical Associates must spend from \$15,000 to \$20,000 in improving the lot and pay the county \$2,000 per year rent for the property.

An option for a seven-year renewal of the lease at \$2,000 per year was also included in the agreement.

Commissioners were also told that the Littlefield land fill site has been approved by the State Board of Health.

The Littlefield site, located between Ayden and Grifton is currently being developed as a sanitary landfill by the county as it moves into a pilot solid waste disposal program.

Utah has more than 60 museums, including one which displays dinosaur fossils found in the state.

# Pinewood Derby Is Spring Concert Held By Cub Pack Slated Tonight

Cub Scout Pack 385 of St. James Methodist Church held its annual Pinewood Derby Tuesday night at the Fellowship Hall of the church.

Some 50 Cubs and 29 adult scouting leaders participated in the event that saw trophies awarded for best racing car appearance and design as well as for the fastest entries.

Overall pack winner in the speed competition was Bill Saunders while Craig Gardner of the Webelos Den captured second place. Bernie Campbell won third place in the racing category.

Individual den winners in the speed competition were: Den One, Larry Talbert; Den Two, Bernie Campbell; Den Three, Michael Lemmond; Den Four, Sammy Hodges; Den Five, Bill Saunders; and Den Six, Tommy

Little. In the judging for the best in appearance and design, Victor Hudson took top honors from Den One. Charles Fadel captured first place for Den Two; Michael Lemmond, Den Three; Carl Woodworth, Den Four; Bill Saunders, Den Five; Allen Broadhurst, Den Six; and Craig Gardner, Webelos Den.

Allen Broadhurst won first place in pack competition for appearance and design while Craig Gardner took second and Carl Woodworth third.

## Chain Reports Profits Soared

CHARLOTTE (AP) — J. B. Ivey & Co., department store chain, reported Tuesday that first-quarter profits increased 91 per cent, to \$192,141 from \$100,563 in the first three months of last year.

Sales rose about 12 per cent, to \$14,226,469 from \$12,652,289.

Stockholders at the annual meeting approved a two-for-one common stock split, plus a new issue of 200,000 shares. This is intended to improve the marketability of the stock and raise money for general purposes. There now are 449,000 shares outstanding. After the split and the new issue there will be more than one million.

Shares are traded in the over-the-counter market, and have been selling in the neighborhood of \$35 recently.

Rose High School's spring concert will be held tonight at 8 o'clock.

Participating groups are Chorus I, the Mixed chorus, the Treble Chorus, and the Ensemble. Miss Lou Hoffer is the conductor and Miss Anna White and Miss Mary Bryan Matney are accompanists.

Some selections by Chorus I include "Sunrise, Sunset"; "Cantata Domino"; and "Cranberry Corners."

The Mixed Chorus will sing "Alleluia" by Randall Thompson; "Evensong" by Haydn; and "How Lovely Is Thy Dwelling Place" by Brahms. They will

also do three hard rock jazz numbers, which will be accompanied by a combo composed by Miss Ann Petrie, Larry White, Steve Jackson, Jack Corbett, and Miss Anna White; and selections from The Music Man.

The Ensemble will sing "Jesu, Joy of Man's Desiring by Bach; and a medley of songs by The Carpenters.

The Treble Chorus will render Beethoven's "Come To Me"; "Now Is the Month of Maying" by Morley; and "One Hand, One Heart" from West Side Story. Tickets will be on sale at the door—75 cents for adults and 45 cents for students.

## Share \$70,000 In Damage Suit

NEW YORK (AP) — Actor Cary Grant and Baroness Gracia Von Furstenberg will share a \$70,000 settlement in their suit for damages arising out of an auto accident in March 1968.

The two were injured on the Long Island Expressway when the hired limousine in which they were riding to Kennedy Airport was struck by a truck. The actor was en route to California and the baroness was accompanying him as far as the airport.

The settlement, reached Tuesday before acting State Supreme Court Justice Leonard Sandler, was against the Red Bird Truck Rental Co. and Cardinale Trucking Co.

## Greene Central, Robersonville Advance

### Rams Shoulder By Washington

By WOODY PEELE  
Reflector Sports Editor  
SNOW HILL — Johnny Earl Johnson tossed a two-hit shutout at Washington High School last night to enable Greene Central to advance to the second round of the Class 3-A Baseball Playoffs, 4-0.

Johnson was in command just about all the way, despite the fact that Washington put together five threats over the seven innings. Most of this was caused by an injury to catcher Robert Ivey. He injured his hand several days ago, and has been unable to make the throw to second. This allowed those Washington runners who did reach base to easily gain second.

The trouble for Washington was reaching base. Only twice did they do it with less than two outs. Only one man got as far as third base, when the Pam Pack put together its best threat in the sixth inning.

But by then, the Rams had rushed away to a 4-0 lead and it really didn't mean that much at the time.

Greene Central, the Eastern Carolina Conference champion, now 18-2 for the year, took advantage of five errors made by Washington, the Northeastern Conference titlist. Two of their four runs were unearned.

By winning, Greene Central moves up the 3-A ladder, and will meet the winner of the Southern Durham-Smithfield Selma contest winner. Game time will probably be on Friday.

Johnson, in going the route, saw only six Washington baserunners. He allowed two hits, walked three, while another reached on an error. He struck out 14.

Washington's first threat came in the second, when William Woolard got the first hit off Johnson, with two out. Woolard stole second, but Johnson fanned the next batter to get out of the first jam.

In the second, again with two away, Steve Hickerson walked. He also stole second, but when he attempted to take third also, Johnson wheeled and threw him out.

In the third, Wayne Woolard led off with a single and also stole second. But Johnson struck

out the next three batters, again getting out unscathed. The fourth saw Josh Hardison reached on an error with two away. After stealing, he died at second after another strikeout.

The best Washington effort came in the sixth. Hickerson led off with a walk and after one was out, Rodney Perry walked. With two away, both runners stole up a base, putting the first Washington runner at third. But Johnson calmly struck out the next batter to end the inning.

Meanwhile, Greene Central was keeping the pressure on Washington. Robert Ivey started it in the first inning, reaching on an error. He stole second and reached third on another miscue. But it came to no avail.

Finally, in the third, the Rams pushed two runs over, taking the lead for good. With one out, Ivey walked and Mike Perry singled to left. Stevie Williamson reached on a grounder behind third, loading them up. Billy Williamson then cracked a single to center, scoring both Ivey and Perry for the 2-0 advantage.

The fourth saw another run come across. Donald Taylor singled and took second on a passed ball. Johnson reached on an infield single, but was cut down on Ivey's grounder to second. The relay, attempting to double up Ivey was thrown away, however, and Taylor, who had taken third on the play, trotted home with the third Ram run.

The final run came over in the fifth. Stevie Williamson led off with a walk and stole second. With two away, Danny Whitley's grounder to short was thrown away, and Williamson came around to score the final run.

Adams reached on an error, scoring Williams and Pace, and an error on Tommy Carpenter's hit scored Adams to put the Lions ahead, 5-4.

R.C. tied it up with one in the third. Ricky Bolonde doubled and came around on a wild pitch, making it 5-5.

In the fourth, R.C. pushed ahead with two runs and never trailed again. Joe Shoe walked and moved up when Reggie Selby walked. Both moved up on an error and Shoe scored on Hardee's ground out. Bill Twagwell reached on an error, scoring Selby with the seventh R. C. run.

They added five in the fifth inning, then scored seven in the sixth to wrap it up.

## Rick Monday Clobbers Three Homers As Cubs Run By Phillies

BRUCE LOWITT  
Associated Press Sports Writer  
"It was too much Monday on Tuesday."

That, Philadelphia Manager Frank Lucchesi sighed, was the only way to describe what Chicago's Rick Monday did to his Phillies Tuesday night.

In the first inning, Monday hit a home run.

In the third inning, Monday hit a home run.

In the fifth inning, Monday hit a home run.

In the seventh inning—nope. Monday fouled out.

"It took me six years to have a night like this," the 26-year-old center fielder said after his three consecutive homers, the first one a three-run blast, powered the Cubs to an 8-1 victory. "I don't know if I'll ever have another."

In other National League action, Pittsburgh edged St. Louis 4-3, Houston topped Atlanta 6-5, the New York Mets defeated Montreal 7-3, Los Angeles whipped San Diego 2-0 and Cincinnati swept a two-night doubleheader from San Francisco, 4-3 and 2-0.

"I've never been in a position in the lineup for home run hitting," said Monday, who once hit three in a game with the defunct Mobile club of the Southern League in 1966, was brought up to Kansas City later that season and was acquired by the Cubs this year in a pre-season trade with Oakland. "I batted second, then eighth and finally, last season, I was platoon."

All but lost in Monday's heroics was a brilliant perform-

ance by teammate Burt Hooton. The rookie pitcher tamed the Phillies on just three hits. One of them, though, was Greg Luzinski's sixth homer. "I may dream about that one," said the knuckle-curling right-hander, who threw a no-hitter at Philadelphia on the second day of the season.

Monday said he had ideas of a fourth homer when he stepped to the plate in the seventh inning.

"I didn't know how many had ever hit four home runs in one game but I knew you could count them on the fingers of both hands. I was up there to give it a go."

So after hitting three homers, equalling a feat achieved 190 times before, Monday failed to do what nine others had done—four in a game. "I took a bad swing at a fastball," he shrugged.

Rich Hebner's three-run homer capped a four-run first inning for the Pirates that sent the Cards tumbling to their sixth straight setback.

Luke Walker went six innings—his longest stint of the season—to pick up the victory. "It was sure nice when we got those four runs in the first inning," he said. "When you have a lead like that you don't have to be as careful. And when you haven't pitched much, it becomes even more important."

Orlando Cepeda had a pretty good night at the plate for the Braves—but not good enough. He hit a pair of homers to give Atlanta a 5-3 lead. But Houston struggled back within a run, then won it—and gave unbeaten

reliever Jim Ray his sixth triumph—in the eighth as Bob Watson tripled home the tying run and scored the winner on Bobby Fenwick's double.

Tom Seaver also became a six-game winner as the Mets winning their fifth in a row and 18th in the last 23, pounced on the Expos for four runs in the second inning, two of them on Bud Harrelson's double, to widen their National League East lead to four games.

The Dodgers, remaining a game ahead of second-place Houston in the West, got a four-

hitter from Bill Singer and extra-base, run-scoring hits from Duke Sims and Willie Davis.

Pete Rose drove in the winning runs in both ends of the Reds' sweep. In the first game, with the score tied 3-3 in the eighth, he reached out and hit a grounder to third on what was supposed to be an intentional walk. And when Jim Hart bobbled it, Dave Concepcion scampered home with the decider.

In the nightcap, he backed Jack Billingham's three-hitter with a two-run single. Julian Javier had a three-run homer in the opener, his first in a Cincinnati uniform, and Dave Kingman had his seventh for the Giants.

### UNC Group Sets Meet

The University of North Carolina Educational Foundation will hold its area meeting Thursday at 6:30 p.m. at the Greenville Golf and Country Club.

The Foundation is the money-raising arm for UNC's athletic program.

Coach Bill Dooley is expected to be present and will show a film of the 1971 football season's highlights. Several players from the team are also expected to be present.

It was not known today whether basketball coach Dean Smith would be able to attend. The meeting is open to the public. Tickets at \$6 each, which include dinner and a cocktail party, are available by contacting Doyle Hayes at North Carolina National Bank, 758-3471

### Eagles Set Down Chowan By 5-0

WINDSOR — Robersonville's Golden Eagles, off on their annual trip to the State Class A Playoffs, got past the first hurdle yesterday, downing Chowan, 5-0.

Doyle Farmer tossed a three-hitter in the shutout and won his eighth game without a loss this year. He struck out seven and walked one during the afternoon. Two of those who reached base against him were later embarrassed, however, as he picked them off first base.

Chowan, the Tidewater champion, offered only one threat during the afternoon, in the sixth inning. In that frame, they got two of their three hits and put runners on first and third, but the Eagles got out without damage.

Robersonville had already put the game out of reach by scoring two runs in the second and three in the third.

In the second frame, Matt Wilson and Phil James got

things going, but reaching on walks. James was cut down at second as Larry Jackson hit into a fielder's choice. The relay to first, trying for the double play, was thrown wide, however, and Wilson continued on home with the first Robersonville run. Jackson, who took second on the play, gained third on a wild pitch, and then scored on Mike Matthews squib single down the third base line.

The third saw three more Eagles cross the plate. Ed Warren led off with a walk and Ricky Brown singled. Loyal Corey laid down a sacrifice bunt that was errored, letting Warren score. Sammy Mobley walked to load the bases and James hit a sacrifice fly to score Brown. Corey stole third and then scored on Jackson's single.

In the fourth and fifth, Robersonville again offered threats, but couldn't bring them off.

The Eagles will now meet Creswell, a 7-0 victor over Chocowinity in the second round of play. That game, scheduled for Friday, is to be set up for time and place later today.

## R. C. Topples Lions In Opener

R. C. Cola opened the North State Little League season a day late yesterday, rolling to a 19-5 victory over the Lions.

The win gave them temporary possession of first place since no one else has played as yet.

R. C. pushed over four runs in the first inning to take the lead. Leon Hardee walked and Bill Twagwell singled. Doug Selby then tripled both runners in. Ricky Bolonde doubled to score Selby and John Worthington reached on an error, scoring Bolonde for the 4-0 lead.

The Lions came back with five in the second, however, to take the lead. Jesse Baker doubled and Dennis Simko was hit by a pitch. Mike Williams singled in Baker and Petee Pace reached on an error, scoring Simko. Mike

Adams reached on an error, scoring Williams and Pace, and an error on Tommy Carpenter's hit scored Adams to put the Lions ahead, 5-4.

R.C. tied it up with one in the third. Ricky Bolonde doubled and came around on a wild pitch, making it 5-5.

In the fourth, R.C. pushed ahead with two runs and never trailed again. Joe Shoe walked and moved up when Reggie Selby walked. Both moved up on an error and Shoe scored on Hardee's ground out. Bill Twagwell reached on an error, scoring Selby with the seventh R. C. run.

They added five in the fifth inning, then scored seven in the sixth to wrap it up.

# Elks Outlast Integon, 12-11

The Elks outlasted Integon, 12-11, yesterday in the opening game of the Tar Heel Little League.

The win left the Elks in first place until today's game, since no one else has played.

The Elks took the lead in the first with a run. Mack Stocks walked and stole second. Jarvis Campbell reached on an error and David Randle sacrificed Stocks in.

Integon came up with three runs in the second to move ahead. Bruce Redgate walked and took second on a passed ball, scoring when Roland Smith reached on an error. Jeffery Miles doubled him in and Blair Smith walked. Miles Jameson walked, loading the bases, but both Miles and Smith went down trying to score on passed balls. David Houston walked and Bobby Wiggins doubled to score Jameson with the third Integon run.

The Elks came right back to gain the lead again, scoring six

runs in the second. Don White walked and moved up on a passed ball. Greg Hargett also walked as did Stocks. Jimmy Lee singled in White and Hargett scored on a passed ball. Randle walked and Reggie Spain hit a grand-slam homer, making it 7-3.

Integon came back to score five in the third to regain the lead, but the Elks matched that with two in the third, moving back ahead, 9-8.

Integon pushed back ahead, 10-9 with two in the fourth, but three by the Elks in the fourth put them ahead to stay, 12-10. Randle walked in the fourth and scored on Spain's triple. William Sneed reached on an error after a passed ball scored Spain, and he scored on Stocks' walk after Lance Cain and White had singled.

Mike Jameson and Miles each had two hits for Integon, while Spain had two for the Elks.

# Meadowbrook Only Unbeaten

The two unbeaten teams in the National Division of the Church Softball League suffered their first losses last night as Trinity clobbered Grace, 20-9 and Black Jack beat Immanuel, 9-4. In the other game, Meadowbrook remained unbeaten in the American Division, taking a 13-4 win over Presbyterian.

In the National, Immanuel holds the lead with a 3-1 record, while Black Jack and Grace are both 2-1. They are followed by Mt. Pleasant, Oakmont and Trinity, all with 2-2 record. Maranatha is last at 0-4.

In the American race, Meadowbrook is now 5-0. Presbyterian is next at 3-2, followed by St. Jams, 1-1, and Christian, 1-2, St. Gabriel, 1-3, and Belvoir, 0-4.

In the first game, Trinity pushed over seven runs in the first inning to take the lead. Grace came up with four in the second to pull back into the game. Trinity added two in the third, while Grace came up with two in the fourth to close the gap to 9-6.

BALTIMORE (AP)—Trainer Homer Pardue isn't ready to predict a Preakness victory for No Le Haze, but he's going to at least try a different racing strategy against Riva Ridge.

"We're going to lay up real close this time," Pardue said of Saturday's 1 3/16-mile Preakness, "and if there's no pace, we're going to force it. My horse has speed, if we want to use it."

No Le Haze was the runnerup to Riva Ridge in the Kentucky Derby, finishing 3/4 lengths behind at the end of the 1 1/4-mile test following a late rush.

Although No Le Haze made up three lengths in the stretch, Riva Ridge was under a hand ride by Ron Turcotte and not exactly being pushed.

"We could have been too far off the pace," Pardue said. "Not at the half-mile pole, but we were at the three-eighths pole after setting back too long. We didn't move quick enough."

Pardue didn't rap jockey Phil Ruffbicco, who previously rode No Le Haze in winning the Arkansas and Louisiana derbies, but merely observed: "This time we'll move quicker."

Riva Ridge, who has started only four times this year and is well rested, is given a good chance to win the Preakness and the Belmont Stakes, on June 10, to become the first Triple Crown winner since 1948.

Pardue isn't ready to concede that Riva Ridge, a 10-time winner in 13 career starts, is in the super horse category, but observes: "I'll have more to say about that after Saturday."

Pardue expects the early speed in the Preakness to come from Eager Exchange and Freetex, although he doesn't figure Upper Case to go to the front as he did while finishing last in the five-horse Preakness Prep on Saturday.

Upper Case will run as an entry with Riva Ridge, but Pardue doesn't think trainer Lucien Laurin will use Upper Case as a "rabbit" to force the pace.

Then, in the fifth, Trinity scored six to put it out of reach. Donnie Bowen singled and Doug Norville reached on an error, Steve Cayton doubled and Wayne Seen and Lloyd Johnson both singled. Leroy Sasser doubled and scored the final run on a double by Al Davis.

Trinity added five more in the seventh, while Grace got three in the inning.

In the second game, Immanuel got all four of its runs in the first to hold a brief lead. Black Jack got three in the first, then added the tying run in the third.

In the fourth, Black Jack came up with four to take the lead for good. Billy Elks, George Holland, and Roy Hardy all singled. Phillip Smith reached on an error and became the final scorer of the inning.

Black Jack added one in the fifth to close out the scoring.

In the final game, Presbyterian took the lead with a run in the first, but Meadowbrook tied it with on in the second. Presbyterian went back out with one in the third, but Meadowbrook again tied it in the fourth. Presbyterian went back out with a run in the sixth, but then the dam broke for them.

Meadowbrook came up with 11 runs in the top of the seventh to wrap up their win. Carson Heath doubled as did Gordon Bunting. Carl Powell singled and John Huber doubled. Bob Harris and Wayne Nelson both reached on errors. Dwight Foster and Vic Wade both homered, and Bucky Roebuck reached on an error. Heath also reached on an error and Bunting singled. Powell doubled in Bunting with the final run.

Presbyterian managed to add one in their half of the seventh.

# White Sox Run String To Six In A Row, 2-1

By HERSCHEL NISSENSON  
Associated Press Sports Writer

Stan Bahnsen, thinking man's pitcher, meet Mike Kekich, thinking man's pitcher.

Bahnsen, who thought that four days' rest between starts was too much when he pitched for the New York Yankees, is trying to convince himself that a mere two days isn't so bad, either, now that he's with the Chicago White Sox, where the more work the merrier is pitching coach Johnny Sain's motto.

Working with only two days' rest, Bahnsen beat the Minnesota Twins 2-1 Tuesday night with help from Vicente Romo and Terry Forster as the White Sox ran their winning streak to six games and made it 12 of 13 on the plus side at home. The Twins were the last team in the majors to lose two games in a row.

"You set yourself up mentally to pitch with two days' rest," Bahnsen explained, "and if you can do it physically, you can do it."

Kekich, whose development last season was the reason the Yankees felt they could trade Bahnsen, worked seven strong innings—he's pitched creditably every time out—in New York's 3-1 triumph over Cleveland.

"In the middle of last year, Mike began to mix up his pitches and think ahead," said manager Ralph Houk. "He's always been a fine competitor with a great desire to win, but it's only been since last year that he's started to pitch."

Elsewhere in the American League, Baltimore trounced Detroit 8-3, California shaded Oakland 4-2, Boston downed Milwaukee 5-1 in 10 innings and Kansas City blanked Texas 5-0. Bahnsen had a 2-0 lead and a one-hit shutout going into the

sixth inning, when he yielded a run on three singles. Romo came on and induced Harmon Killebrew to foul out for the final out. After Romo surrendered a one-out single in the eighth, Forster took over and retired the last five batters, blowing third strikes past Killebrew and Bobby Darwin.

Kekich also needed relief and got it from Sparky Lyle after walking the leadoff batter in the eighth, although he was touched for only four hits.

Bobby Murcer's first hit in 23 at-bats touched off New York's three-run uprising in the fifth inning, featuring Ron Blomberg's run-scoring double and an RBI single by Rich McKinney, the man the Yanks obtained for Bahnsen.

Baltimore made it two straight over Detroit with some lusty hitting for a change. Boog Powell had a single, double and tie-breaking home run and rookie catcher Johnny Oates slammed a two-run double. Doyle Alexander relieved Mike Cuellar, who was kayoed in the first inning, and allowed four hits the rest of the way, including a Norm Cash homer.

The race in the AL East has Cleveland on top by one game over Detroit and 1 1/2 over Baltimore. Things also tightened up in the AL West where Minnesota leads Oakland and Chicago by 1 1/2 games, with the A's 11 percentage points a head of the White Sox.

California scored three times in the third inning—Bob Oliver

triple home one run and scored on Ken McMullen's single—to beat Oakland and Lloyd Allen, the third Angel pitcher, fed a game-ending double play ball to Mike Epstein with the bases loaded.

Boston's Ray Culp lost his shutout when Milwaukee's Darrell Porter homered with two out in the ninth inning. But the Red Sox erupted for four runs in the 10th.

# Bettenhausen Boys Want To Finish Dad's Dream

INDIANAPOLIS (AP) — There is a mandate in the Bettenhausen family that one of the Bettenhausen boys must win the Indianapolis 500-mile race.

"My father was killed trying to win it," said one of his sons, handsome, soft-spoken

Gary. "There are three boys and we've more or less agreed that one of us is going to accomplish what he tried so long and so hard to do."

"Mother not only agrees, she has encouraged us to develop the talent he left us. We are doing that, on our own and

mostly without help from anybody.

"Indianapolis is a tradition to the Bettenhausens, sort of like a second home. For 13 years while Dad was racing in the 500, we spent the month of May at the Speedway. Even as kids, we realized the frustrations, the fleeting joys and the ups and downs of the drivers. We could always tell when Dad had a good day. He'd bring us candy."

"Then he was killed while doing another driver a favor. He was always doing favors for other drivers, like driving their cars to help them solve minor problems. He was so good that he was always being asked to do that."

"On the morning we left our farm in Tinley Park, Ill., to go to the Speedway for the 1961 race, mother made Dad promise he wouldn't get in anybody else's car."

"But Paul Russo had spent the winter at our farm helping us build a grain curing bin. He worked his hind legs off helping us, particularly with the welding. He was good at that."

"So we got to the Speedway and Dad was again the hottest driver around...."

"Russo was having problems with his car, and he asked Dad to take it out for a few laps to see if he could find out what was wrong. Until then, Dad had kept his promise; he hadn't been in a car other than his own for the first time since he hit the Speedway in 1946.

# Little Mint Is Alone At Top

The Little Mint moved into sole possession of first place in the Ladies Softball League last night with a 14-7 victory over previously unbeaten Beltone.

In the other games, Coca-Cola ripped Azalea Mobile Homes, 29-6, and Piggly-Wiggly downed Three Steers, 15-2. Little Mint is now 5-0 in the league while Beltone is 4-1. They are followed by Piggly-Wiggly at 3-2, Coke at 2-3, Azalea at 1-4, and Three Steers at 0-5.

In the opener, Coke pushed over two runs in the first inning, but Azalea came up with three to take the lead, 3-2. Coke came right back with four in the second, however, to take the lead for good.

In that frame, Ruth Wielder singled and Regina Pollard got a hit. Linda Summerlin doubled them in and scored when Gloria Clark tripled. She scored on Kathryn Phillips' hit, giving Coke a 6-3 lead.

Coke then broke loose to score 23 runs in the third inning to put the game out of reach. Nancy Taylor hit the lone homer of the outburst. Azalea picked up its final three in the bottom of the third.

In the second game, Little Mint pushed ahead in the first with four runs. Beltone came back with two on a homer by Cynthia Averette, but a two-run homer by Carol Manuel made it 6-2 after two innings.

Little Mint then got what proved to be the clincher in the third. Sandra Kelly singled and Bobbie Jones tripled her in. Wanda Oakley singled to score Jones for an 8-2 lead.

Little Mint added two in the fifth, three in the sixth as Linda Tripp homered, and one in the seventh. Beltone picked up three more in the fourth, one in the sixth and one in the seventh.

In the final game, Piggly-Wiggly got all it needed in the first. Sherry Francis singled and Fay Nichols reached on an error. Dolly Johnson singled and Carolyn Haddock got a hit. Linda Whitehurst reached on, and came around to score the final run on Linda Ross' hit.

Piggly-Wiggly then added two in the second, six in the third, and two in the fifth to wrap up their 15 run total. Three Steers got both of their runs in the second inning.

# Taylor Promises Pay Increases

By THE ASSOCIATED PRESS. Pat Taylor says if he is elected governor he will see that teachers and state employees get a 10 per cent pay boost during the first two years of his administration.

That promise, made by Taylor in a statement issued at his state campaign headquarters, highlighted second primary campaigning in North Carolina Tuesday.

Taylor's rival for the Democratic gubernatorial nomination, Skipper Bowles, was telling a news conference he does not "see what could be gained" by accepting Taylor's challenge for a debate.

"I haven't really thought it out," Bowles told a news conference, "but it's the usual tactic of the man who's behind. He's got everything to gain and nothing to lose."

As Bowles added that he was not rejecting the debate challenge outright, Charlotte tele-

vision station WBTB said it was inviting the four candidates for governor—two Democrats and two Republicans—to appear on a live, hour-long debate program on Sunday, May 28.

The station's news director, John Greene, said invitations are going to Taylor and Bowles and to Republicans Jim Houshouser and Jim Gardner.

At his news conference, Bowles renewed his campaign theme of no tax increases and said to he was willing to study "any tax reform package anybody could come up with," including an income tax proposal made by Taylor Monday.

"As the days roll by," Bowles said, "I'm more convinced than ever that we're not going to need any new taxes."

In a statement read at his news conference, Bowles urged "supporters of all five of my opponents in the first primary to join with me in a positive, constructive approach to gov-

ernment in this state."

"North Carolina has no room for leadership which simply becomes angry or vindictive, determined to prove something no matter what the cost," Bowles added.

"Those days of personal politics are as outmoded as the old political machine and just as ineffective, as was demonstrated May 6th," Bowles continued.

Taylor said his proposed pay boost for teachers and state workers could be financed without increased taxes by current revenue sources.

The lieutenant governor also said state employees who want it that way should be paid twice a month instead of monthly.

"A number of state employees," he said, have told him that it would relieve some budget problems "if they could be paid more frequently."

Meanwhile Rep. Nick Galli-

fianakis held a news conference at which he predicted victory June 3 over Sen. B. Everett Jordan. Galifianakis said Jordan ran second in the first primary "because as a senator he failed to care enough about the average citizen."

Galifianakis charged that Jordan had "failed to visit parts of the state for years on end" and "failed to open enough district offices to bring government closer to the people."

"He confused the quantity of his committee assignments with the quality of his service to the state," Galifianakis said.

Jordan replied that he had opened offices at Raleigh and Charlotte to serve the needs of his constituents and "if the work justifies additional offices, I will always be glad to open them."

Russell Secrest, who is opposed by State Rep. John Ingram of Asheboro in a runoff

for the Democratic nomination for insurance commissioner, told a news conference in Asheville why he favors no-fault auto insurance for North Carolina.

Secrest said a report from the Massachusetts Insurance Department shows that under a no-fault program 90 per cent of the motorists are paying lower premiums than they were paying under the old system.

# A Common Quality In Oswald, Sirhan And Bremer

By TERRY RYAN  
Associated Press Writer  
NEW YORK (AP) — A quiet young man, a loner with few friends and alienated from his family, Arthur H. Bremer was many things in common with Lee Harvey Oswald and Sirhan B. Sirhan.

Such men act on impulse and feel compelled to change the world, says a psychiatrist often called upon by the Justice Department to examine would-be presidential assassins.

Bremer, 21, is accused of shooting Alabama Gov. George C. Wallace as Wallace campaigned Monday for the Democratic presidential nomination in Laurel, Md.

Sirhan was 24 when he fatally shot Sen. Robert F. Kennedy during the 1968 presidential campaign. Oswald was 23 when he assassinated President John F. Kennedy in Dallas on Nov. 22, 1963.

Dr. David Abrahamsen, a New York psychiatrist, has examined more than a dozen people who threatened the president or vice president. He has written a book about Oswald, "Our Violent Society," and researched the personality of assassins.

"These people have a very low level of frustration. They

## Sets Big Budget

CHARLOTTE (AP) — The Charlotte-Mecklenburg County school board approved Tuesday a \$77 million budget for the fiscal year beginning next July 1.

The budget, \$6 million more than the current one, must be approved by the Board of County Commissioners. It appropriates money to complete the replacement of 168 worn-out, state-loaned buses, and to give all school employes a 5 per cent pay increase.

have to act out their impulses whenever the possibility is there," said Abrahamsen. "They feel very threatened. To overcome being threatened, they try to change the world." Assassins and potential assassins often come from broken homes or were otherwise separated from their families, he said. "They often feel alienated and have a need for revenge," he said.

"These people think of the world as a place of chaos and try to clean up the chaos by an extraordinary act such as killing," he said. "They are not really trying to kill a person. They are trying to change the world."

Abrahamsen has never seen Bremer or personally examined Oswald or Sirhan, though he has studied their cases.

Bremer was arrested in Milwaukee last November for carrying a concealed weapon. Os-

wald was reduced one rank while he was in the Marine Corps for carrying an unauthorized personal weapon.

A court psychiatrist who examined Bremer after his arrest last year said Tuesday Bremer did not seem dangerous at the time. Oswald underwent psychiatric tests in grade school and was found to have a passive tendency toward aggression, nothing more.

A minister who interviewed Bremer last year reported Bremer said he had no close friends. On a personal history questionnaire when he was in high school, Oswald answered no to a question of whether he had any close friends.

The minister, Fred E. Blue Jr., said Bremer "appears to bottle up anger but will sometime let it go—I assess him as bordering on paranoia." The defense in the Sirhan trial asserted that he shot Kennedy in

"a state of gathering paranoid rage."

Few people know Bremer well. The sketchy picture that emerges from the comments of his family, school acquaintances and people he worked

## Orders \$390,700

### Be Paid Lawyer

HOUSTON, Tex. (AP) — Houston socialite Candace Mossler Garrison and her nephew, Melvin Lane Powers, must pay lawyer Percy Foreman \$390,700 for his defense of the two before and during a 1966 murder trial.

Powers and Mrs. Garrison were tried in Miami, Fla., in 1966 in the death of Mrs. Garrison's husband, millionaire Jacques Mossler. They were found innocent.

with is that of a fairly intelligent young man who kept to himself the reasons for whatever he did.

"There is no explanation we can give at all," said Theodore Bremer when told his younger brother had shot Wallace.

"All I know is he is a nice kid," said Sirhan's older brother when told of the shooting of Robert Kennedy.

"I can't believe it," Bremer's father said of the shooting. "If my boy did it, he must have got awfully sick."

"My son—it can't be," Sirhan's mother said in 1968. "Ever since he had a fall about a year ago, he hasn't been the same."

Bremer lived with his family in Milwaukee until last fall, when he moved into an apartment by himself. Oswald's father died before he was born, and he was never very close to his mother. Sirhan's father left

the family after quarreling with his wife.

Though he received A's in history and English, Bremer had only a C average in school. Oswald had above average scores on intelligence tests but was a mediocre student. Sirhan had good grades in the schools of his native Jordan but never lived up to his academic potential.

Bremer quit two jobs in Milwaukee without explanation. He just didn't show up. Sirhan held several jobs, but never lasted a year on any of them. Oswald drifted from place to place through most of his adult life and never held a job for long.

Like Oswald, Bremer was a loner.

"He kept to himself. He never tried to be friendly," said Delores Wasche, wife of the manager of the apartment house where Bremer lived in Milwaukee. "He was very

much of a loner."

A landlady in New Orleans said Oswald acted in much the same way.

"When he passed me or my husband in the yard, he wouldn't say anything," said the landlady. "He just kept walking with his head down."

Like Sirhan, Bremer recorded his thoughts in notebooks. Bremer's were found in his apartment.

In one of those notebooks were these words: "Cheer up, Oswald."

Oil slick

SINGAPORE (UPI)—Members of the Automobile Association of Singapore asking for road maps of Europe are being turned down. Seems the club's entire supply of European road maps was accidentally soaked in ghee (Indian cooking oil). The auto club's offices are located under a restaurant.

## Session For Therapists

Fourteen physical and occupational therapists attended a workshop in the anatomy and clinical considerations of the hand at East Carolina University last week.  
 Dr. Hubert Burden, assistant professor of anatomy in the ECU School of Medicine, and Dr. John L. Wooten, Greenville physician, conducted the workshop.  
 Participants represented medical schools and hospitals in Durham, Winston-Salem, Greenville, Chapel Hill, Jacksonville, Raleigh, Tarboro, Kingston and Charlottesville, Va.  
 The workshop was designed as postgraduate review of the morphology, functional anatomy, surgical approaches and rehabilitation procedures of the human hand.  
 Instruction consisted of fulms, clinical sessions, demonstrations, lectures by Drs. Burden and Wooten and by Janet V. Schweisthal and George Hamilton of the ECU School of Allied Health and Social Professions.  
 The workshop was co-sponsored by the ECU Division of Continuing Education and the ECU School of Medicine.  
 Names of workshop participants follow:  
 PITT COUNTY, Greenville — Henri Guyette, L. P. T., Occ. T.; Donna Smith, O. T. R.; and Maria T. Zincone, L. P. T., Pitt Memorial Hospital.

GENERAL TENDENCIES: All kinds of opportunities are now available to you by getting in touch with persons who are modern minded. Be sure to let them know of your talents and desires. Then join with them in a course of action that brings mutual benefits over a long period of time.

ARIES (Mar. 21 to Apr. 19) Find the right methods to please those who are allied with you, either in business or in a personal way, and get ahead faster. Show more affection and reap in the benefits.

TAURUS (Apr. 20 to May 20) Making your home and surroundings more charming is an excellent way to spend part of this day. Figure out an ethical way to increase your income. Take treatments to improve health.

GEMINI (May 21 to June 21) If you make plans now for entertainment that is important instead of waiting until the last minute, all goes without a hitch. Make sure you are properly attired. Be at your best.

MOON CHILDREN (June 22 to July 21) You have to elevate your consciousness if you are to take advantage of today's fine opportunities. Consult a business expert, get the right slant on things and you win out.

LEO (July 22 to Aug. 21) Contacting persons who can make your life more satisfying is fine now. Take the time to perfect special hobbies that you enjoy very much. You can also derive financial benefit from them.

VIRGO (Aug. 22 to Sept. 22) You are able to make the right arrangement now for projects of real worth and scope. Visit with an expert who has the knowhow and the shortcuts that lead to success. Be wise.

LIBRA (Sept. 23 to Oct. 22) Look to a wise friend for ideas so that your life becomes more successful and happier in the future. Attend a social event later and make the right connections that are helpful to you.

SCORPIO (Oct. 23 to Nov. 21) Meet quietly with a bigwig who can be helpful to you in gaining your fondest aims. Listen with interest to ideas given. Act in an intelligent way and make a good impression.

SAGITTARIUS (Nov. 22 to Dec. 21) Go to a new place where you can make the acquaintance of a very worthwhile person who can be of assistance to you. Obtain the information you need and use it to your advantage.

CAPRICORN (Dec. 22 to Jan. 20) If you go over details of a project you have in mind with an influential person, you can get the backing needed. Go to bed early tonight so that you'll be fresh for business in the morning.

AQUARIUS (Jan. 21 to Feb. 19) Go to a quiet place with an associate and talk over ways and means for making a project more successful. You can now reconcile with an opponent and make big strides in the future.

PISCES (Feb. 20 to Mar. 20) Ideal time to gain the cooperation of others where a new plan is concerned so you can be more successful with it, be it business or personal. Co-workers can be most helpful. Avoid gossip.

IF YOUR CHILD IS BORN TODAY... he or she will be one of those charming young people who could be taken up with own good looks and may erroneously think that charm alone could take him, or her, successfully through life. Be sure to teach that dedicated work is more important than beauty, and then this becomes a successful chart since there is much ability here. A government connection would be fine.

**Many Register  
For Workshop**

Tom Willis, director of the East Carolina University Regional Development Institute, announced today that a large number of registrations have been received for the workshop on dredge and/or fill legislation to be held May 25.

The workshop, to be held at the John Yancey Convention Center at Atlantic Beach will begin at 9 a.m.

Willis said the purpose of the workshop is to familiarize as many people as possible with the laws and regulations and the large number of state and federal agencies involved with dredge and fill permits.

The registration fee for the workshop is \$5, including lunch. Registration should be made through East Carolina University, Dredge and/or Fill Conference, P. O. Box 2781, Greenville, N.C. or telephone 758-6229.

The conference is open to all public officials, industrialists, developers, dredge operators, contractors, attorneys and all interested persons.

Among those participating in the conference will be experts from the North Carolina Division of Commercial and Sports Fisheries, the North Carolina Wildlife Resources, the Corps of Engineers, the U.S. Bureau of Sports Fisheries and Wildlife, the National Marine Fisheries Service, North Carolina Board of Health, The Environmental Protection Agency, and the North Carolina Office of Water and Air Resources.

Offer Church Tax Proposal

MANILA (UPI)—A top education official has urged the tax commission to require sectarian schools all over the Philippines to pay taxes.

Dr. Pablo T. Mateo Jr., assistant director of private schools, says property rights in the operation of sectarian schools should be taxed like other schools, based on their income.

Under the present constitution, church properties, schools, colleges and universities are exempt from paying taxes.

# The Worry Clinic A Basic Lesson On Pregnancy

Velma's sex questions may perplex millions of you readers. So scrapbook this case or mail it to young married couples. A

high school course on "Practical Medicine" would familiarize all our people with such vital facts! By GEORGE W. CRANE.

Ph.D., M.D.  
Case T-581: Velma W., Aged 24, wants some medical facts about sex.

"Dr. Crane," she began, "we have been married 3 years and still I am not pregnant!"  
"So I'd like to know what is the best way for a wife to conceive if she and her husband are both apparently normal but still childless."

"And how can a doctor predict when a baby will be born, after the woman is pregnant?"  
"Why do some mothers bear several baby girls but no baby boys, while the very reverse is true in other families?"  
**PREGNANCY FACTS**  
The womb (uterus) can be visualized as resembling an inverted pear.  
Add a trumpet vine flower, extending from each of the upper corners and you have a rough picture of the womb with its two Fallopian tubes.  
At their far ends, those tubes flare out with finger like projections, much like the bell of the trumpet vine's flowers.  
About the middle of a woman's menstrual month one egg (ovum) usually ruptures from either her left or right ovary.  
And her ovaries are outside the Fallopian tubes.  
The sperm cells of the male

are also of two kinds and look like microscopic tadpoles, for they have tiny tails for swimming.  
If a married woman has contact with her husband during the "pregnancy week" of her menstrual month, millions of these sperm cells swim up through the womb; then out the Fallopian tubes and then swarm all over the ovary, waiting for the egg to rupture free.  
Fertilization occurs either at the ovary or in the outer one-

third of the Fallopian tube.  
If the smaller of the two types of sperm cells impregnates the egg, the infant will be a boy.  
The larger sperm cell produces a girl baby.  
Since the female vagina is normally rather acid in its moist lining, and acid tends to paralyze sperm activity, the smaller or male type of sperm may not be able to get into the alkaline interior of the womb on its way toward the ovary.  
This can explain why some women have a series of girl babies.  
And many apparently normal wives who remain childless, may merely need a mild alkaline douche just prior to mating.  
For this alkaline douche (heaping teaspoon of baking soda in a quart of warm water) may thus permit a wife to become pregnant when she has

The Daily Reflector, Greenville, N.C.—Wednesday, May 17, 1972—25 remained sterile for maybe 20 years of previous marriage.  
Among cattle raisers, a 5 per cent lactic acid douche thus is often employed to insure heifer (female) calves, for bull calves are usually less valuable on the farm.  
But the percentage of male calves can almost be doubled by use of a preliminary alkaline douche prior to mating the cow and bull.  
The duration of human pregnancy can be estimated reasonably well by this quick medical method:  
"Count back exactly 3 months from the start of your last menstrual period and then add 7 days!"  
Thus, if Velma's last menstrual period were to begin on June 15, then her baby would probably arrive about March 22nd.

## Guard Against Snail Menace

WILMINGTON, Del. (AP) — The march of the Giant African Snail is among 100 exhibits on display at the new Delaware Museum of Natural History at nearby Greenville.  
Museum scientists say that a younger first brought three of the snails to North Miami from Hawaii in 1966. In two years, tens of thousands of them were ruining gardens, clogging air conditioners and marring the walls of houses.  
Although the Department of Agriculture succeeded in ridding the area of the snails at a cost of \$100,000, officials still maintain surveillance to make sure the voracious creatures don't return. Travelers must have a permit to bring live snails into the United States or face a fine of \$500 or six months imprisonment.

## GOREN ON BRIDGE

BY CHARLES H. GOREN  
to seven himself, but North had already given his all—and he passed.  
West opened the ten of clubs, East played the queen and South won the trick with the king. There appeared to be tricks to burn on the deal and declarer was tempted to cash the ace of spades, cross over to North's king of hearts and then try to run the spade suit. The five and queen of diamonds can be discarded on the king and queen of spades and if the jack drops, South has 13 tricks — six spades, three hearts, one diamond, and three clubs. If this fails, he can still attempt to run the heart suit which merely requires a three-two split. Even should the jack hold out, there is still a chance provided that the player with the long heart is out of spades.  
Altho the odds in declarer's favor are overwhelming, he would have gone down to defeat had he tried for all the tricks inasmuch as West held both major suits stopped and when he gets in with the jack of hearts, he may be expected to cash the jack of spades.  
South observed a way to improve his chances for the small slam at the price of a mere overtrick. At trick two he led the three of hearts and when West followed with the four, the deuce was played from dummy. East won a very cheap trick with the six of hearts and shifted to a diamond. Declarer put up the ace, played the ace of spades and then crossed over to the king of hearts. When East showed out, the merit of South's safety play in that suit was revealed.  
The king and queen of spades were cashed on which the five and queen of diamonds were discarded. The closed hand was reentered with the ace of clubs and the ace and queen of hearts dropped West's jack and thereby established South's remaining hearts, so that he could claim the balance and his slam.

Opening lead: Ten of ♣  
South, the declarer at six no trump, made a very sound investment of 30 points which paid off a profit of nearly 50 times that amount, when a carefully contrived safety play proved essential to overcome adverse distribution in both major suits.  
South's two heart opening should satisfy anyone's requirements and North's positive response of two spades is routine. After the opener's rebid of three hearts, North's raise to four was well chosen. It may prove vital to confirm a fit in hearts. Had he rebid three spades, it would have placed South in an awkward position to take further constructive action.  
With the heart raise, South was determined to reach at least a small slam, in an attempt to go all the way, he embarked on a Blackwood inquiry even tho he held all the aces himself. Over the expected five club response he bid five no trump. Had North shown three kings, it was South's intention to go the limit. When North responded with six hearts, perhaps South should have quit, but he persisted to six no trump in the remote chance that partner might carry on

## Offer Tour Of Old Salem

The Pitt County Historical Society is sponsoring a tour to Old Salem Saturday, according to Dr. Ralph Hardee Rives, program chairman.

The special chartered bus will leave from the Greenville Trailways Bus Station at 7 a.m. and will return late in the day.

Tour group members will arrive at the reception center at Old Salem, where they will be given historical information and see a film about the Moravian settlers who established the Salem settlement in the 18th century. Afterwards, they will visit the restored building within the historical area adjacent to Salem College.

Lunch will be served in the Tavern Dining Room and in the afternoon they will have tea at the Tavern Arbor. Also included on the tour schedule is a visit to the Museum of Early Southern Decorative Arts adjacent to Old Salem, which contains nearly 20 authentic rooms with original furnishings representative of southern decorative taste.

The cost of the tour will be \$11 for the bus, \$2.50 for the guided tour of Old Salem buildings, \$3.50 for the Museum of Southern Decorative Arts, and the cost of lunch at the Tavern. Reservations are being accepted by Dr. Rives, 309 Lewis Street, through Thursday at noon. Checks made out to "Dr. Ralph H. Rives, tour director" must be received by this time, and if sufficient reservations have not been received by this time, the tour will have to be cancelled, Dr. Rives said.

## Agnew Talks With Thieu

SAIGON (AP) — Vice President Spiro T. Agnew conferred with President Nguyen Van Thieu for more than an hour today in a meeting that U.S. sources said was intended to underscore the Nixon administration's support for South Vietnam in the current Communist offensive.

Thieu's press office said Agnew and the president "re-viewed and discussed the general situation in South Vietnam." Aides refused to give any details or to say whether Agnew carried any personal messages between Thieu and President Nixon. But they said the vice president would report to Nixon immediately upon returning to Washington Friday.

Agnew flew to Saigon from Bangkok, where he arrived Tuesday after representing Nixon at the ceremony in Tokyo returning Okinawa to Japan. It was his third visit to South Vietnam, and he stayed three hours and 15 minutes, then flew back to Bangkok.

Accompanying him to the meeting with Thieu at the presidential palace were U.S. Ambassador Ellsworth Bunker and Gen. Creighton W. Abrams, commander of U.S. forces in Vietnam.

The vice president was to meet this afternoon in Bangkok with Field Marshal Thanom Kittikachorn, chairman of Thailand's ruling national executive council, and tonight he was giving a dinner for his Thai hosts.

## Mrs. Wood New Ass'n Officer

Mrs. Peggy Wood, director of Medical Record Science at East Carolina University, was installed as vice president of the N.C. Medical Record Association at Beech Mountain recently.

Mrs. Wood has held positions with Grace Memorial Hospital at Banner Elk and Pitt Memorial Hospital and was an instructor at Lees-McRae. She received her education at Lees-McRae and East Carolina University.

Medical Record Science is a curriculum of the School of Allied Health and Social Professions of ECU.

The steamboat Eclipse, built in 1852, burned 100 cords of wood per day as fuel.
