Land Called Glory

WTNC

We'd like to express sincere thanks to Chancellor John Howell, East Carolina University and all of our friends for their support in making our dreams become a reality.

We'd also like to extend a special thanks to our director, Gregory Horton, who composed and arranged all of the material on this album. Because he has devoted so much time, he has allowed the East Carolina University Gospel Choir to achieve its goal of spreading gospel through song.

Last but not least a heart felt thanks to Steven Pierce for his gracious contribution.

*Cordial thanks to Mega Sound Studios.
