STUDENT RECREATION CENTER

"Great things happen because people dream, and great things happen because people are committed."

Chancellor Richard Eakin
Groundbreaking Ceremony

Many people shared the vision of a comprehensive recreation facility on the campus of East Carolina University, and many people have been committed to the development and construction of the Student Recreation Center. A brief historical perspective will exemplify this dedication and commitment.

November 1987	Student Government Association President Scott Thomas initiated a Resolution indicating "overwhelming support from the student body" for the building of a student recreation center.
September 1988	The East Carolina University Board of Trustees granted approval for planning, financing and construction of the Student Recreation Center.
Spring 1989	A Student Recreation Center Planning Committee was developed and planning initiated.
May 1990	The University of North Carolina Board of Governors authorized the Student Recreation Center as a new self-liquidating capital improvement project.
July 1991	The East Carolina University Board of Trustees approved the Mendenhall location site for the Student Recreation Center.
January 1994	Groundbreaking Ceremony
January 1997	Grand Opening
March 1997	Dedication Ceremony

"The new facility will provide immeasurable enhancement to student life at ECU."

Vice Chancellor Alfred Matthews
Groundbreaking Ceremony

Truer words have never been spoken! The Student Recreation Center is not only a facility, but the initiation of a commitment to the development of a healthy lifestyle that will enhance both the personal and academic excellence on the campus of East Carolina University.

The Student Recreation Center is dedicated to the thousands of students whose commitment and support turned this dream into a reality.
