Charles;

These Australians  
let me down with the  
"take-over" of the Books  
as per index, which you  
also got from me. I have  
all in one pile, so if you  
want to have them I  
would be glad to give it  
to you. You can pick  
it up, maybe a little  
vacation for you this  
Summer. Love  
Ali.
