

DEPARTMENT OF STATE
WASHINGTON

August 12, 1948

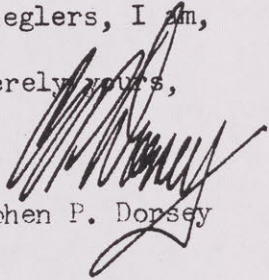

Dear Ali:

I was delighted to receive word today that your brother Charles has successfully arrived in the United States. I am not certain whether we were able to be of any great help to him, although, as you know, I did everything I could. I do wish to take this opportunity to express my admiration for the tireless efforts undertaken in his behalf by a very gallant little lady who wouldn't take no for an answer.

I understand John called on me during my absence in Nantucket on vacation. I hope he will drop in again the next time he is in Washington, and I hope to meet your brother one of these days.

With all good wishes to the Zieglers, I am,

Very sincerely yours,

Stephen P. Dorsey

Mrs. John G. Ziegler,
125 Hubbard Avenue,
Stamford, Connecticut.
