Dear Leonard

I thought that you may want to have the attached reprint. I am writing a biography of Billroth and I was fortunate to get together many Billrothiana and materials.

I will want to spend some time in a good library and verify a few things; I thus would like to visit your place sometimes in the next few months and of course would want to see your library as well. Would any particular date be suitable? Best regards!

Sincerely

Karel B. Absolon, M.D.
