Dr. Leo Cuollo
Department of Surgery
University of Texas
South Texas Med. School
San Antonio, Texas

Dear Leo

Enclosed is the little booklet on the history of chest surgery that you will find not only worth your while for the Boards, but also interesting reading. You may want to return it to me when we meet in Chicago.

It certainly was a pleasure to see you in Dallas. Do say hello to Joe and Harlon. Best regards!

Sincerely

Karel B. Absolon, M.D.
