Dear Dr. Absalon,

I am writing to you in a private capacity. This letter need not be answered. My reason for writing is simply that I had occasion, recently, to meet Dr. Jaromir Vitek, a Czechoslovak citizen who left his country illegally last June. I believe that Dr. Vitek and you were students together at the University of Brno some twenty years ago. In any case, Dr. Vitek has no friends outside of his own country and, as he is presently in a United Nations Refugee Camp located in Capua, Italy, it occurred to me that you might be interested in his predicament. Dr. Vitek strikes me as a rather intelligent person who could make a valuable contribution to society in his field of Orthopedic Surgery, providing he can settle in some non-communist country. Should you wish to correspond with him, please write directly to:

Dr. Jaromir Vitek
United Nations Refugee Camp
Capua (Caserta)
Italy

Sincerely yours,

Edmund A. Bator
