Karel B. Absolon, M.D.
2714 W. 10th Street
Amarillo, Texas

Dear Doctor Absolon:

Thank you for your note of August 1, 1967. I was unaware of your earlier studies in this area. The first knowledge that I had of the RISA technique was that of Klotz and Duvall and the fairly simultaneous work of Piper in Australia. I plan to look up your report.

Thank you for supplying this information.

Sincerely yours,

E. Clinton Texter Jr.
