Dear Joe

It certainly was nice to see you in Minneapolis, I hope the cast will be off soon. Mary and I were both sorry that we could not see your whole family! The occasion of Dr. Wangenstein's retirement was rather touching, I hope everything is going to work out well for Minnesota.

I am delighted to hear that Leo is with you, he is such a fine fellow! I am sure you will succeed! I hope we shall stay in touch and that you will sometime visit us.

I hope to be at the next Texas State Soc. meeting in St. Antonio whenever that is going to be. If you can - pack up and come with your family to the "cold" climate in Amarillo - one of these weekends.

Best regards!

Sincerely

Karel B. Absolon, M.D
