Dear Doctor Absolon:

I appreciate your letter of January 17th and the accompanying curriculum vitae and reprints. I will be glad to hold your interest in a position here in mind. However, my schedule does not allow a convenient time for you to make a formal visit here during the next several weeks. If it appears to me that it will be mutually beneficial for you to come and spend several days here to become acquainted with the opportunities and the faculty, I will write you to arrange a suitable time.

Sincerely yours,

James S. Clarke
