Mr. Paul J. Johnson  
Chairman, Board of Trustees  
Albert Einstein Medical Center  
Office of the Chairman of the Board  
123 South Broad Street  
Philadelphia 9, Pennsylvania

Dear Mr. Johnson:

Karel Absolon has written me in a very enthusiastic vein concerning what he saw and of his contacts with Members of the Board and Staff on his recent interview there. I have the feeling that if your Board and Staff give Karel a friendly Nod, you will find him all I say and a bit more. He does have the qualities of a Leader, I feel. You will find him, I am certain, in a receptive mood.

With cordial good wishes,

Sincerely,
