Dear Doctor Absolon:

Thank you very much for your kind note, and a copy of your curriculum vitae.

I look forward with pleasure to meeting you in the near future, and would extend to you an invitation to stop by my office at any time that you are going to be in Plainview. I am normally out of the office on Thursday afternoon, and Saturday afternoon, and sometimes the latter part of Tuesday afternoon, otherwise I will be in the office daily.

I am hopeful that you will become interested in the Texas Heart Association, as we have all too few cardiovascular surgeons interested in this organization.

Again, I look forward with pleasure to meeting you, and my kindest regards. May I extend a formal welcome to West Texas?

Cordially yours,

Robert H. Mitchell
