Amarillo, Texas 79102

Gentlemen:

We would like to publish an information brochure on our Research Laboratory in the near future and are interested in exchanging ideas on this type of publication. Does your Research Laboratory publish such a brochure? If so, we would very much appreciate receiving a copy of it and also any other suggestions you might have.

Thank you for your kind cooperation.

Sincerely,

Walter D. Meester, M.D., Ph.D.
Director of Research
