Dear Dr. Absolon,

Thank you for your response to the notice in the
September Newsletter of the American College of
Surgeons and for your letter.

Your letter has been turned over to the dean's office
and you should hear from him soon. He will include
a fact sheet on the college for you.

Sincerely,

Egbert H. Fell
Egbert H. Fell, M.D.

P.S. Your very excellent curriculum vitae and background
promises a great deal of help to this institution.
Drs. Owen Wangersten and Maurice Visscher are friends of
mine and I am sure you received a good deal of stimulation
from them. Likewise Walt Lillehei and Varco.
There are no English speaking schools in Gondar but we
do have a small International school on the campus that takes
children from kindergarten through 6th grade. There are good
boarding schools in Addis Ababa.
The mails in and out of Gondar are not too efficient so if
you do not hear in a reasonable length of time please write
me again.
