Dr. Adrian Kantrowitz  
Maimonides Hospital  
4802 Tenth Avenue.  
Brooklyn, New York 11219

Dear Adrian;

I know, of course, that you have a limited budget. The sum mentioned, I thought of strictly as a maximum for future augmentation from other sources. I of course, realized the limitation of a basic stipend. It is quite clear to me, that if there still should be any interest on your part and Dr. Dennis' on my possible affiliation, my function would have to be better specified. As I expect you to be at the College of Chest Physicians meeting, this may be the place to discuss the outstanding issues.

With best regards to your nice wife.

Sincerely,

Karel B. Absolon, M.D.
