Thoracic and Cardiovascular Surgery
2714 West 10th Street
Amarillo, Texas

Dear Karel:

Thank you for your lovely note of January 17th and the most gracious gift of the reprint of Stannius' article. It is, indeed, a classic jewel.

I do hope to have my own problems worked out here at the hospital within the next few weeks so that I will be able to contact you then.

My best personal regards.

Sincerely yours,

Adrian Kantrowitz, M.D.
