Dr. Adrian Kantrowitz
Maimonides Medical Center
4802 Tenth Avenue
Brooklyn, New York 11219

Dear Adrian

Let me thank you and your good wife for the nice reception in your institution. Enclosed is the airplane ticket for your budget purpose.

Many thanks again, and I wish to express again my enthusiasm for your program and my interest. I received a nice positive letter from Clarence Dennis, a copy of which I assume you also have received.

A more detailed communication to you should be shortly in your hands.

Sincerely

Karel B. Absolon, M.D.
