Dr. C. Lincoln Williston  
Executive Secretary  
Texas Medical Association  
1801 North Lamar Blvd  
Austin, Texas 512

Dear Dr. Williston

I attended your orientation program at time of the Texas Tech game, do I have to attend another orientation program? I enjoyed the last one very much and received some valuable instruction.

Would you let me know if I have to attend two orientation courses, if not would you please set your record straight. I would appreciate a reply. Many thanks!

Sincerely

Karel B. Absolon, M.D.
