Dear Karel, I have received your note and will make sure to keep the evening of December 12th. open in anticipation of our getting together for dinner and such.

Apparently you are uncertain of your arrival date and the length of your stay. When you do arrive, would you try one or more of the following numbers in order to contact me: (212) CY-5-2000, ext. 419; (212) TR-6-5500, ext. 254; (201) 489-4606 (-home).

Enclosed is the program of the St. Barnabas symposium. The latter should be very worthwhile, and you might consider extending your visit in order to attend some or all of the sessions.

I wish you good fortune in your discussions with Kantrowitz.

Looking forward to seeing you,

Cheers,  
Faoid
