Dear Dr. Camara

I thank you for your communication of November 3, 1967. Do you have any originals of Billroth letters? The photograph of his gastrectomy specimen of Theresa Heller, I have from Wölfler - Billroth's monograph on gastrectomy. I am looking for the Spanish and Portuguese. I am missing in my Billrothiana his "thesis" his monograph on Coccobacteria septica and nursing.

What other material on Billroth do you have? If you should get some good material on Billroth's brother, you could perhaps write a paper that I could help to edit for you for publication in the US. I certainly would be interested getting it for my monograph. Best regards!

Sincerely

Karel B. Absolon, M.D.
