Dear Karel:

Just let me know a few weeks before you would like to come and I will make arrangements for your accommodations in our Student Union Building, adjacent to the Medical School.

I am sure that you will have an opportunity to present some of your material on Billroth at one of our regular seminars, which go on continuously. These arrangements can be made when I know the definite dates which you plan to be here.

Very truly yours,

  
Leonard F. Peltier, M.D.
