Dear Dr. Absolon:

Thank you for your letter of March 26, 1968. I plan to be in Shreveport on Thursday, May 2, 1968, however, on Friday I plan to operate. If you wanted to come on Friday that would be very satisfactory, and if you would like to come beginning May 6, I believe this would be even better. I think we will have some interesting cases for you to observe.

Looking forward to seeing you. With warm regards, I am

Yours sincerely,

Denton A. Cooley, M.D.
