Re: Karel B. Absolon, M. D.

Dear Dr. Sadler:

C I have known Dr. Absolon for several years and have known him fairly intimately for the past 3-4 years. I am familiar with his background, his credentials, his training and education. I think he would make an extremely valuable addition to our medical community.

O I would like to sponsor Dr. Absolon until such time as he becomes eligible for full membership in our medical staff at St. Anthony Hospital.

Sincerely yours,

P Loyde H. Hudson, M. D.
