Well Mag I Beet my Box
it was all right but
the cucumbers tha ware Short
But I Shant apitite to
eat any thing my apels is
fine but I am afraid tha
will rat before I can eat
them I will eat Sum of them
any how one of my pears was
Rotten you never told me
where those Apls Grue whether
our trees had Apls or no
you requested To no whether
you wold dispose of Sum wheat
or flower I think it do if
you will make corn a much
if your corn is good Sell the
wheat or flower which you
can git the most money for
Sell every thing as high as
you can if Mcc had a Seed that
wheat it wod a made one hund
bushels it was badly manedge
