With a Woman's Love should be

A feeling

The Vestal Virgin kindles, fresh
as the flowers, the Spring has
Just Colored, Innocent, As
the young dove; and as pure
as the faith the Martyr

Love

Love is not in our power, nay,
with seems stranger, is not in
our Choice; we only love,
when Fate fate ordains we shall

Its Winter knows no Spring = And

Industry

All is the gift of Industry,

Freedom

Freedom is a good, the smallest
share of which is worth a
Life, to win. Its feeblest
smile will break our
outer gloom, and cheer us
on to all our birthrights
Liberty! its beam, as dark and
far will lift the Slaves war
Brow? And light it up as

 Lost Eden's, faded bloom,
 and flings hopes halcyon

 Thine happy he whose heart

 meek lesson of humanity,
 that he can give utterance,
 it imports Celestial grandeur
 to the human soul, and

What the Lord & love & joy
 O Lord

The Soldiers Tear [97]

Upon the hills he turned
 to take a last fond look
 of the Vally and the Village ^{Church} +
 and the Cottage by the Brook
 He listened to the sound
 so familiar to his ear
 The Soldier leant upon his ^{Shoulder} +
 and wiped away a Tear
 Beside your Cottage perch
 A Maid was on her knees
 she held aloft a snow white ^{Scarf} +
 which fluttered in the breeze
 he paused to bless her as she ^{knelt} +
 A prayer he could not hear
 the Soldier turned and left the ^{spot} +
 And ~~and~~ wiped away a Tear

i flew to the pleasant fields
 traversed so oft in life's morning
 morn when my bosom was
 young. - i heard my own Mountain
 Goats bleating aloft and knew
 the sweet strain that the Corn
 Reapers sang - then played we
 the Wine Cup and fondly i
 swore, from my home and my
 weeping Friends never to part my
 little ones kiss'd me a thousand
 Times over and over and my Wife
 sobb'd aloud, with the fulness of
 Heart - Stay stay with us - rest
 thou art weary and worn and
 pain was the war between
 Solace to stay, but sorrow
 returned, with the dawning of

Thou'st for the
 morn and the voice of my
 Dreaming ear melted away
