

[61]

NI 54-CV . RESTRICTED

Division of Naval Intelligence—Identification and Characteristics Section, 11-43

RANGER-CV 4

Deck —58'
Bridge —105'
Stack —74'
Mast —145'

Length o. a. —772'

Observer's note:

- Small pyramidal island superstructure.
- Freeboard broken for full length of ship.
- Symmetrical flight deck, short of full length at both bow and stern.
- Six stacks, port and starboard, swing outboard when aircraft are operated.

Notice amidships elevators, usually fore and aft on most carriers.
