

[63]

ONI 54-CV • RESTRICTED

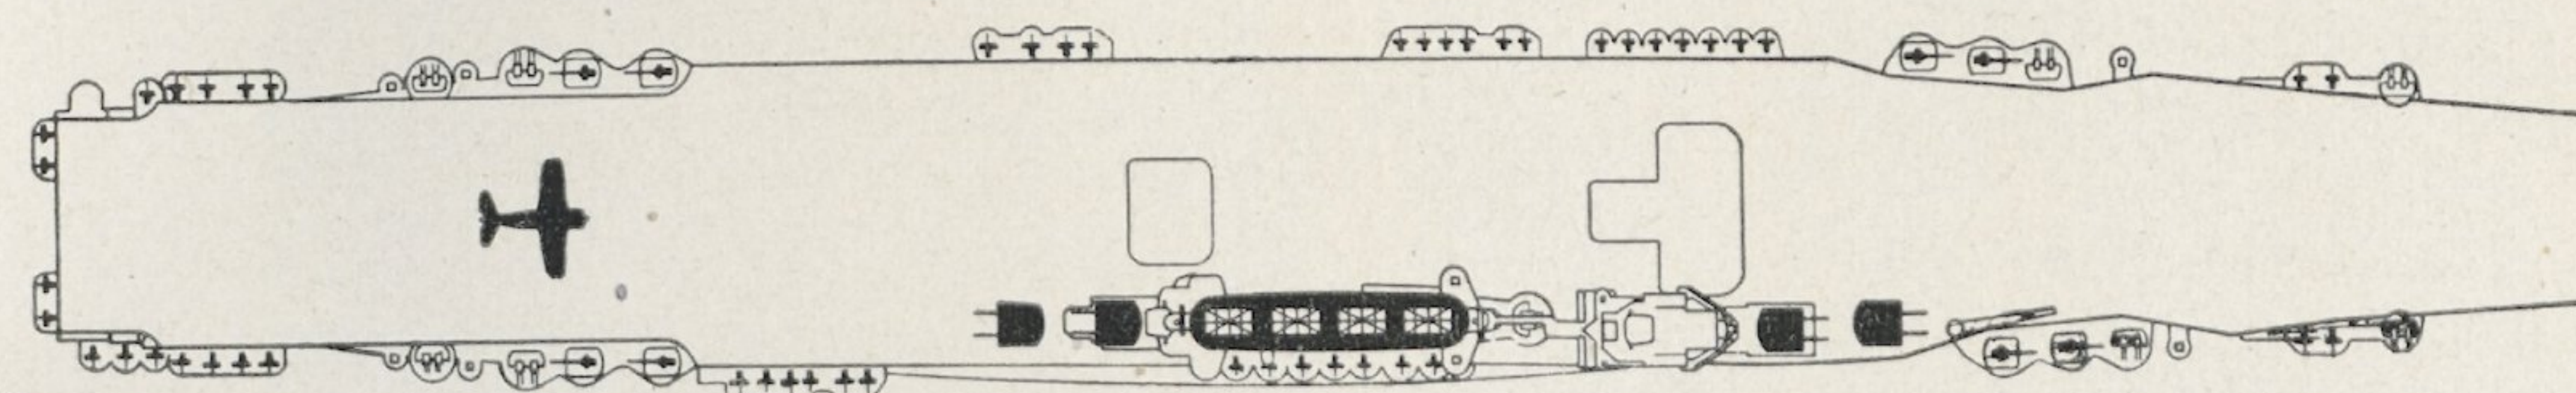

Division of Naval Intelligence—Identification and Characteristics Section, 11-43

SARATOGA—CV 3

Deck — 45'
Bridge — 95'
Stack — 110'
Mast — 155'

Length o. a. — 910'

Observer's note:

- 100' encased stack, separate bridge.
- Only U. S. carrier with integral hull and flight deck, a feature common with the British ILLUSTRIOUS class.
- Original 8'' turrets replaced by 5'' twins. Large deck-level platforms support rows of 5'' singles, 40 mm. quads, and 20 mm. mounts.
- This is the longest warship afloat.
