

ONI 54-D . RESTRICTED

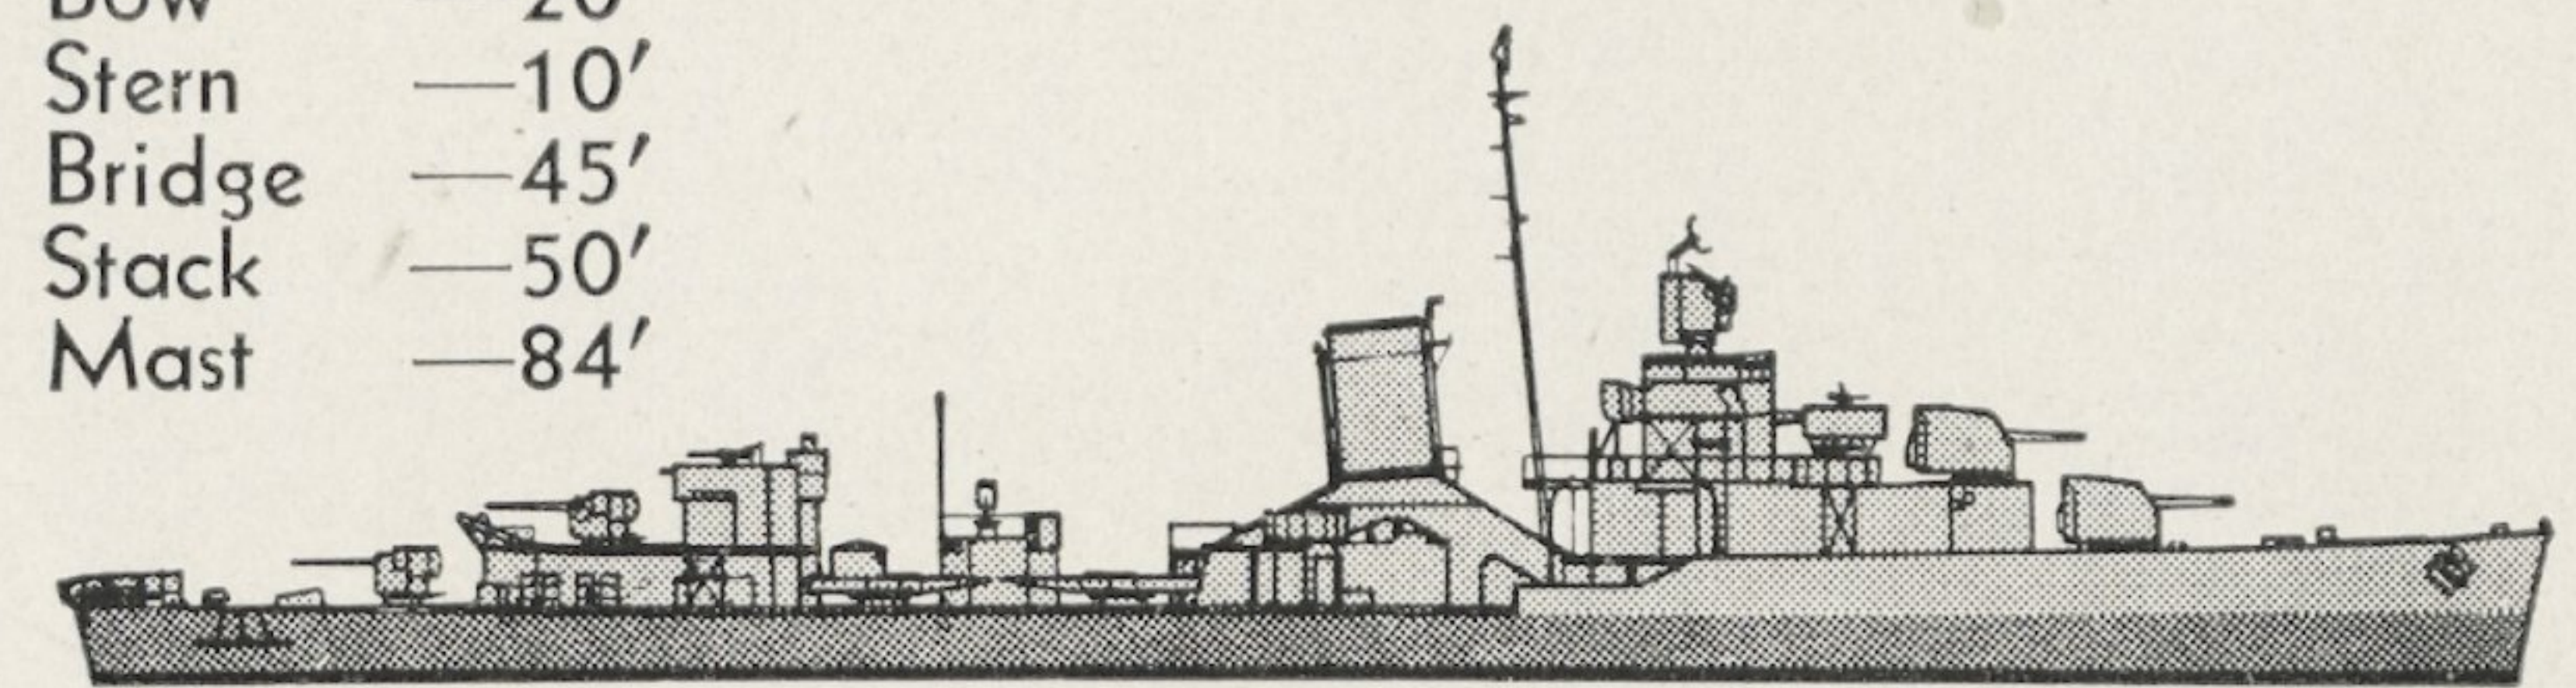

Division of Naval Intelligence—Identification and Characteristics Section 11/43

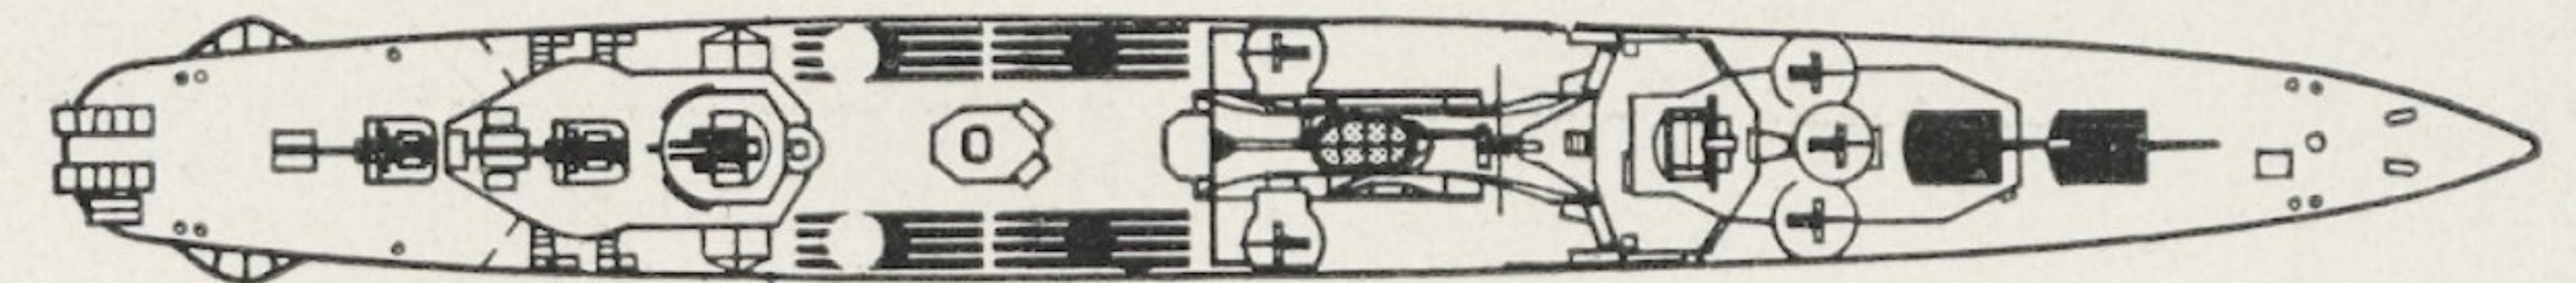

[125]

BAGLEY Class—DD

Bow —20'
Stern —10'
Bridge —45'
Stack —50'
Mast —84'

Length o. a. —341'

Observers's Note:

- Widely split trunked stack and paired quadruple torpedo tubes differentiate these ships from the BENHAM-SIMS Classes.
- 2-A-2 gun arrangement—shields forward, open mount aft.
- Note great similarity to the GRIDLEY Class in all details.
