Friend Elias,

Enclosed find Fr. Bill on goods by Sch. Mary Louisa, amts. \$⁷80, which we paid for you to Mr. Potts, owner of Sch. We sent them down to Myri's understanding they will send up a flag tomorrow. What is the prospect of getting a Boat for the Tar River N. C.? If properly managed, I believe the Vesta could be bought as a bargain. She is now lying at Franklin, doing nothing, and will answer our purposes better than any Boat I know of except the Wave, which I suppose, from what Capt. Thompson wrote me, is not for sale.

Would have written you before, but Kips hearing you were up Country, and just heard that you had returned. Would be pleased to hear from you on the subject, prospect for the Boats, and if I can be of any assistance let me know. With kindest regards,

Your friend
Macon Bonner
